

# The Order of the Dragon King Chapter: 12

3-3 minutes

---

Chen Ping was too lazy to pay attention to Xiao Lei, so he bypassed him and walked out!

“Wait a moment!”

Xiao Lei called out to Chen Ping: “You’d better keep your mouth shut and stop talking bad about my wife, otherwise I’ll make you look good!”

Xiao Lei was afraid that Chen Ping would talk nonsense everywhere and ruin the reputation of the Xiao family!

“Haha... You have a mouth on me. I can say whatever I like. Do you care about me?”

Chen Ping looked at Xiao Lei coldly: “You should be more careful. Don’t lose your life one day without knowing what happened!”

Looking at Chen Ping’s cold eyes, Xiao Lei was in a daze for a moment, and felt a little scared in his heart.

But just for a moment, Xiao Lei felt that he had been humiliated. He glared and reprimanded: “If you are not afraid of death, you can try it. Just don’t kneel down and beg me!”

Xiao Lei’s face was filled with anger. If he hadn’t gotten married today, he would have looked good to Chen Ping!

“You still don’t know who is going to kneel down and beg whom? We’ll see!”

Chen Ping stared at Xiao Lei.

“Xiao Lei, the time has come, let’s not talk to this poor guy anymore, you idiot!”

Jia Meili gave Chen Ping a fierce look of disdain!

Xiao Lei held the flowers and the group walked towards the house!

Chen Ping looked at Xiao Lei's back and suddenly flicked his fingers, and a ray of silver light suddenly entered Xiao Lei's body.

Xiao Lei trembled obviously, but he didn't care and continued walking towards the house.

"I want to see if you will kneel down and beg me!"

Chen Ping showed a sneer on his lips, turned around and left, heading towards the Fortune Hotel.

.....

At the entrance of Fugui Hotel!

Su Wenzong personally waited for Chen Ping at the door. Su Wenzong's appearance caused everyone who entered the Fugui Hotel to talk about it.

"Isn't this the richest man Su? He is standing at the door of the hotel, as if waiting for someone. I don't know what the person's background is, but he can make the richest man Su wait!"

"I heard that the eldest son of the Xiao family is getting married. The wedding will be held here. Isn't it waiting for someone from the Xiao family?"

"It's possible. After all, the Xiao family is also a wealthy family and should be given some face."
