

The Order 121

Chapter: 121

When Li Dongmei heard this, she almost jumped up with joy.

“I asked why Chen Ping had to withdraw 1.3 million today. It turns out he owed money to someone and was blocked in!” Li Dongmei sneered, and then said to Gangzi: “Why does he owe you money?”

Gangzi didn't answer Li Dongmei, but looked at Boss Qiu on the other side!

Boss Qiu smiled: “This is my girlfriend!”

When Gangzi heard this, he immediately smiled: “Since she is Boss Qiu's girlfriend, I won't hide it from you. It was a woman who borrowed a loan from us at a high interest rate. The guy who came forward to help pay back the money is not what he owes us!”

“It turns out that what you owe is a loan shark, so you can ask for more interest. That guy Chen Ping has 10 million in his card!”

Li Dongmei whispered to the gangster.

“Ten million?” Gangzi was stunned, and then his face flashed with joy: “Does he really have ten million? That kid doesn't look like a rich man!”

Li Dongmei hurriedly explained: “Why are you lying to me? He said it himself in the bank just now. If he can really withdraw 1.3 million later, doesn't it prove that he does have money in the card?”

“That makes sense!” Gangzi nodded!

“Okay, I still have something to do, let's go quickly...”

Boss Qiu pulled Li Dongmei hard.

“What are you afraid of? Let’s watch here for a while and wait until Chen Ping comes out. Then we leave. I want to see if Chen Ping really has ten million!”

Li Dongmei shook it off hard. She didn’t want to leave. She wanted to see Chen Ping’s embarrassment for a while!

Boss Qiu had no choice but to stand aside and wait!

Ten minutes later, Chen Ping walked out with a big bag filled with cash!

Seeing Chen Ping coming out with a big bag in his hand, Gangzi and his men immediately came up to meet him!

Li Dongmei saw this and followed her. She wanted to see if Chen Ping had really taken out the money!

Chen Ping was slightly startled when he saw that Li Dongmei didn’t leave, but he didn’t care!

“Boy, where’s the money?”

Gangzi asked Chen Ping.

Chen Ping threw the bag in his hand to the ground, and all the white banknotes in the bag were exposed!

Seeing so much money, Gangzi’s younger brothers’ eyes turned red!

Li Dongmei was also a little surprised!

Chapter: 122

“One million and three hundred thousand, no matter what, it’s all here!”

Chen Ping said calmly.

Brother Gangzi hurriedly wanted to collect the money, but was stopped by Gangzi!

“Boy, I’m afraid 1.3 million is not enough!”

Although Gangzi also wanted to take the money, after knowing that Chen Ping actually had 10 million, he thought of extorting more!

“What do you mean?” Chen Ping frowned!

“It’s not interesting. I calculated the interest wrong just now. Now I need two million with interest...”

The corner of Gangzi’s mouth raised slightly and he said!

Chen Ping’s face turned cold, with a bit of murderous intent in his eyes!

“Chen Ping, don’t you have 10 million? Two million is nothing, just go in and get some...”

Li Dongmei looked at Chen Ping with gloating and said.

Chen Ping ignored Li Dongmei and said to Gangzi: “One million and three hundred thousand, if you don’t want it, then I will save it again...”

Chen Ping bent down to pick up the money and save it again!

“Boy, this money is no longer yours, you can’t touch it...”

Gangzi raised his foot and stepped on the money bag!

The two boys on the side immediately reached out and grabbed Chen Ping’s shoulders, trying to control Chen Ping!

But the two men were surprised to find that no matter how hard they tried, they couldn’t shake Chen Ping at all!

A cold light flashed in Chen Ping’s eyes, and he reached out to grab the wrists of the two younger brothers, and squeezed them gently. There was a sound of bones breaking, and the two younger brothers instantly screamed in pain!

“Anyone who dares to touch me is seeking death...”

When Gangzi saw this, his face darkened and he kicked Chen Ping!

“Beat him to death, beat him to death...”

When Li Dongmei saw this, she was extremely happy and shouted desperately!

Bang.....

But who would have thought that as soon as the gangster raised his foot, Chen Ping also kicked him out. He came first and kicked the gangster away!

Chapter: 123

Immediately afterwards, Chen Ping twisted his hands, and the arms of the two younger brothers were twisted like twists. The painful wails came directly from the mouths of the two people!

At this time, there was still one younger brother left who was so frightened that he turned around and ran away. Gangsters like them have no loyalty at all!

Chen Ping slowly walked towards Gangzi. At this time, Gangzi's face was pale, and his internal organs were as if they were being twisted by knives!

Seeing Chen Ping walking towards him, Gangzi tried desperately to get up, but the severe pain prevented him from standing up at all. Chen Ping's kick was too heavy!

"You...what are you going to do? The Red Dragon Gang is behind me, and our gang leader is Feng Sihai..."

Seeing Chen Ping's gloomy expression, Gangzi was so frightened that he hurriedly moved out of the Chilong Gang!

"Feng Sihai?" Chen Ping sneered: "If you hadn't said that you were from the Red Dragon Gang, I would have spared you, but now you have no chance..."

After Chen Ping finished speaking, he stepped down and crushed Gangzi's legs to pieces. Even the best medical skills would not be able to connect them!

"ah....."

The severe pain made Gangzi scream desperately and keep rolling on the ground!

Seeing Chen Ping's ruthless attack and cold look on his face, Li Dongmei was frightened, her body was trembling desperately, and her eyes were filled with fear!

As for Boss Qiu, he was sweating profusely and his legs were shaking slightly!

Chen Ping picked up the money on the ground and gave Li Dongmei a cold look. With just this look, Li Dongmei was so frightened that she collapsed on the ground.

Seeing Li Dongmei like that, Chen Ping sneered, walked directly into the bank, and deposited the money again!

When Chen Ping returned home, he found that Wang Hanhan was still there with Wang Changfeng. Seeing that Chen Ping was back, Wang Hanhan was excited and hurriedly greeted him!

Wang Hanhan was about to ask Chen Ping out of concern, but remembered that her mother was still there, so she didn't speak!

"Chen Ping, where did your kid go? Hanhan has been waiting for you for a long time. You two go out for a walk and have a good chat..."

Tang Hongying heard that Chen Ping was back, so she scolded with some dissatisfaction!

"Mom, I took care of something!" Chen Ping explained!

"Aunt Chen, I followed Brother Chen Ping out for a walk..."

Wang Hanhan pulled Chen Ping and walked out. Now she wanted to know how Chen Ping handled the matter!

"Okay, go ahead, I'll chat with you for a while, and then we'll have dinner together at my house at noon..."

Tang Hongying nodded happily!

Chen Ping followed Wang Hanhan and left. Tang Hongying said with a happy face: "His Aunt Wang, I think these two children are a good match..."

Chapter: 124

“I think they two are pretty good, hahaha...”

Wang Changfeng also laughed!

“Brother Chen Ping, those people didn’t make things difficult for you, did they? Did they hit you?”

Wang Hanhan asked eagerly after walking out of the door.

“No, you don’t have to worry about loan sharking. It’s fine. You can work hard from now on. I’ll go for an interview tomorrow. If possible, I’ll take you there. You have to keep your eyes peeled when looking for a boyfriend in the future...”

Chen Ping smiled slightly and said!

Wang Hanhan nodded and looked at Chen Ping with a bit of love in his eyes, but Chen Ping didn’t look at her!

Chen Ping just regarded Wang Hanhan as his sister and had no other ideas, so he didn’t want Wang Hanhan to misunderstand him!

Just as Chen Ping was walking downstairs in the community with Wang Hanhan, the phone suddenly rang. It was Su Yuqi!

“Chen Ping, where have you been? Why aren’t you at Panlongwan Villa? I asked the security guard and he said you all left?”

Su Yuqi went to Panlong Bay to look for Chen Ping and found that Chen Ping was not there!

“My parents were not used to living there, so they came back to live here. Although this place is a bit shabby, there are many neighbors and they are all acquaintances...”

Chen Ping lied because he didn't know why his parents left Panlongwan Villa!

"Oh!" Su Yuqi said, obviously a little disappointed.

After chatting for a few more words, Chen Ping hung up the phone!

"Brother Chen Ping, is this your girlfriend?"

Wang Hanhan asked quietly after Chen Ping hung up the phone.

Chen Ping was stunned and didn't know how to answer Wang Hanhan. Chen Ping himself didn't know whether Su Yuqi was his girlfriend now. After all, the two had not officially established a relationship yet!

Seeing Chen Ping stunned, Wang Hanhan smiled: "If you don't want to say it, you don't have to say it. It doesn't matter..."

Chen Ping just smiled and said nothing. After following Wang Hanhan for a while, the two of them went back to have lunch!

At the same time, at Hongcheng People's Hospital, Xiao Lei was lying on the bed a little bored!

He didn't want to stay in the hospital and wanted to go home, but his father Xiao Yan disagreed and insisted on letting him recover from his injuries in the hospital before going back!

After all, with the financial resources of the Xiao family, it would not be a problem for Xiao Lei to stay in the hospital for a year!

Just when Xiao Lei was bored, the ward door was pushed open and Geng Shanshan walked in carrying a lunch box!

Chapter: 125

“Brother Lei, let me tell you good news...”

As soon as she entered the door, Geng Shanshan said excitedly.

“What’s the good news?” Xiao Lei asked.

“Then Chen Ping was kicked out of Panlongwan Villa, and he might have fallen out with Su Yuqi...”

Geng Shanshan said excitedly!

“Why?” Xiao Lei was also overjoyed!

If Chen Ping didn’t have the protection of the Su family, then Chen Ping would be nothing. He wanted to squeeze Chen Ping to death in just a matter of minutes!

“Why else? I guess it’s because Su Yuqi doesn’t like Chen Ping. She must be just teasing Chen Ping. After all, it’s not right for two people to be in a different family. How could Su Yuqi like him? It’s so early this morning. , the security guard at Panlongwan Villa District said that Chen Ping’s parents left with their things and returned to their original community!” Geng Shanshan said.

“Hahaha, great!” Xiao Lei laughed: “When I get better, see how I deal with Chen Ping, I will make his life worse than death...”

.....

Early the next morning!

Sun Fuhai called. He had asked Sun Xiaomeng to pick up Chen Ping and go to Sun Xiaomeng’s company together!

When Chen Baoguo heard this, he hurriedly urged Chen Ping to get up!

“Chen Ping, you have to perform well today. This is a big company. If you really want to work in it, you can become a department manager or something like that, and you will be able to settle down in the future!”

Chen Baoguo warned Chen Ping!

“Got it, Dad!”

Chen Ping nodded, casually took a piece of clothing and put it on.

“This is an interview, how can you wear these clothes!” Chen Baoguo frowned slightly: “Wear a suit and be smarter!”

“Dad, I don’t have a suit!” Chen Ping has no habit of wearing suits at all, so he has never bought one!

This is when Tang Hongying came over and said to Chen Ping: “Nonsense, how could it not be? You forgot that I bought you a suit three years ago, for your wedding, but...”

When Tang Hongying said this, she quickly shut her mouth. She didn’t want to talk about the past during Chen Ping’s interview today!

Soon, Chen Ping put on the suit he bought three years ago. Although it was old, it was still very new. After all, Chen Ping had never worn it once!

“My son looks handsome in a suit, come on...”

Chen Baoguo patted Chen Ping on the shoulder!

Chapter: 126

“Chen Ping, come here and let mom touch you...”

Tang Hongying couldn't see it, so she could only touch it with her hands, feeling how Chen Ping looked in a suit!

At this time, downstairs of their home, a red BMW 3 Series was parked at the entrance of the community. In front of the car, Sun Xiaomeng looked at the relatively shabby community with some disgust.

"What kind of shabby place is this? It stinks so much, but there are still people to live in!"

Sun Xiaomeng frowned and pinched her nose: "I really don't know what Dad was thinking, but he asked me to pick him up..."

Sun Xiaomeng muttered and looked at her watch from time to time. At this time, Sun Xiaomeng was dressed in professional attire, with a pair of fair legs exposed, which attracted many people's attention. Sun Xiaomeng's face was full of disdain. , I simply look down on people who come out of this community!

After waiting for a while, when Chen Ping still didn't come down, Sun Xiaomeng called Chen Baoguo!

This was the number Sun Xiaomeng asked for from Sun Fuhai. After Chen Baoguo answered the phone, Sun Xiaomeng said unceremoniously: "What time has it been? How long do you want me to wait? You have no sense of time at all. Don't You forgot that it was your family who begged me, and you still made me wait?"

After Sun Xiaomeng finished speaking, she hung up the phone directly without waiting for Chen Baoguo to speak!

Chen Baoguo on the other side was stunned for a moment after answering the phone, and his face was a little embarrassed. After all, at his age, he was beaten up by a little girl Sun Xiaomeng. He felt very uncomfortable, but he thought that Chen Ping still had to rely on others. Chen Baoguo tolerated the job introduction!

"Dad, who called?"

Chen Ping asked.

“It’s Xiaomeng. They’re waiting downstairs. Come downstairs quickly and remember to say nice things to them...”

Chen Baoguo urged Chen Ping to go downstairs!

Chen Ping went downstairs and saw Sun Xiaomeng waiting at the door, so he walked over and said apologetically: “I’m sorry, I kept you waiting for so long...”

When Sun Xiaomeng saw Chen Ping, she immediately turned pale and said, “If my father hadn’t spoken, I wouldn’t have bothered to pick you up. Look what you are wearing. It’s a suit from which dynasty? It’s too old-fashioned...”

Chen Ping frowned slightly, but still suppressed his anger and said: “I bought this three years ago, but I haven’t worn it yet, and it’s still new!”

“The new ones are useless. Who among the young people nowadays still wear such old-fashioned suits...” Sun Xiaomeng curled her lips!

“Then... how about I change my clothes?” Chen Ping said.

“Forget it, it’s already time, there’s still no time, let’s get in the car quickly...” Sun Xiaomeng opened the car door with a cold face and sat directly on it.

Chen Ping wanted to sit in the passenger seat, but as soon as he opened the door, Sun Xiaomeng stopped him: “Sit in the back. Can you sit in the passenger seat too?”

Chen Ping frowned, and then sat in the back, and Sun Xiaomeng didn’t wait for Chen Ping to sit firmly, and rushed out with a kick of the accelerator!

Fortunately, Chen Ping had the time to make a comeback, otherwise he would have fallen down all of a sudden!

“Remember, you can’t say you know me when you get to the company. I don’t care whether you can get an interview or not. It all depends on your own ability. Don’t expect me to help you and introduce you to the company for an interview. I’m already interesting enough... ..”

Chapter: 127

On the way, Sun Xiaomeng told Chen Ping a lot. The most important thing was to prevent Chen Ping from saying that he knew her, because she was afraid that Chen Ping would embarrass herself!

“Okay!” Chen Ping just replied with a good word!

Soon, the car arrived at Sun Xiaomeng’s company. This is a collective company with more than ten floors of offices!

“Xinyu Daily Chemical Co., Ltd.?” Chen Ping raised his head, looked at the huge company name, and frowned slightly!

“Is this the Su family’s company?” If Chen Ping remembered correctly, the Xinyu Daily Chemical Company was also the Su family’s industry. He remembered that Su Yuqi seemed to have mentioned that this was Su Yuqi’s birthday, and Su Wenzong established the company for Su Yuqi. A birthday present!

Su Yuqi is the chairman and legal person of this company, but she does not participate in management and rarely comes to this company!

“Yes, this is the company of the Su family, the richest man in Hongcheng. It is a great honor to work here. The various benefits are much better than those of other companies...”

Sun Xiaomeng said very proudly!

Chen Ping smiled, didn’t say anything, and followed Sun Xiaomeng toward the company.

As soon as I walked to the door, I saw a tall, handsome young man wearing a suit standing at the door. This man was Sun Xiaomeng's boyfriend Cui Zhiyuan!

"Xiaomeng, why did you come here today?"

When Cui Zhiyuan saw Sun Xiaomeng, he immediately greeted him with a smile on his face!

"Don't mention it, my dad asked me to pick up that comrade's son, so I'll be late..."

Sun Xiaomeng pouted, a little unhappy.

Cui Zhiyuan looked at Chen Ping behind Sun Xiaomeng, a trace of contempt flashed in his eyes, then took Sun Xiaomeng's hand and walked forward!

Chen Ping could only follow behind, while Cui Zhiyuan followed Sun Xiaomeng and the two of them whispered!

"If you don't want him to work here, I can just brush him off during the interview later. Anyway, it's my interview today..."

Cui Zhiyuan said softly.

"Don't make it too obvious, otherwise he will tell my dad that he wants to hurt me again. This guy just came out of prison, so just refuse him on this matter!"

Sun Xiaomeng also leaned into Cui Zhiyuan's ear and whispered.

They were afraid that Chen Ping would hear it, but what they didn't know was that Chen Ping heard every word of the conversation between the two. Chen Ping's current hearing ability was not comparable to that of ordinary people.

Chen Ping from behind laughed coldly. Chen Ping didn't care at all whether he could get the interview. He was just going through the motions!

After following Sun Xiaomeng and the others to the sales list floor, Sun Xiaomeng pointed at Cui Zhiyuan, and then said to Chen Ping: "You go with him, remember what I told you, don't say you know anyone here. I!"

Chen Ping nodded, and then followed Cui Zhiyuan to the interview office. At this time, there were many people waiting outside. These people were all here for interviews. After all, it was a group company with good benefits, so they wanted to come. There were a lot of people, including students from some famous universities!

Chapter: 128

"Wait outside for a moment, someone will call you soon..."

After Cui Zhiyuan said this, he walked directly into the office, while Chen Ping found a chair to sit down and rest!

"Brother, are you here for the interview too?"

Sitting next to Chen Ping, a young man wearing glasses asked Chen Ping.

"Yeah!" Chen Ping nodded!

"What school did you graduate from? I know that many of the interviewees this time are graduates from prestigious universities. Look at the girl in the skirt. I heard she is from Qingbei University, and the man with the backpack is from Hainan University. graduated."

The young man followed Chen Ping with an envious expression!

"I'm from Beijiang Business School!" Chen Ping smiled slightly!

“A student from Beijing?” The young man was stunned for a moment, and then said in surprise: “You have the diploma to dare to come to this company for an interview. You are really brave. Your university is not as good as my Lanxiang Technical School!”

The young man looked at Chen Ping with a bit of pride. He finally found someone with a lower diploma than himself!

Chen Ping smiled and said nothing!

At this time, a girl in work clothes came over and said to everyone interviewing: “Everyone, please give me your resume, and I will call you in for the interview in order!”

When everyone heard this, they hurriedly handed in their carefully prepared resumes. Only Chen Ping sat motionless!

“Sir, where is your resume?”

The girl saw that Chen Ping was not moving, so she asked!

“I didn’t prepare a resume!” Chen Ping said calmly!

Seeing that Chen Ping didn’t prepare a resume for the interview, the girl’s eyes flashed with surprise, but she still asked loudly: “Sir, what’s your name? I’ll call you later!”

“My name is Chen Ping!” Chen Ping said!

The girl nodded, turned and walked into the office!

Everyone looked at Chen Ping as if he were a fool. On such an occasion, he was wearing an outdated suit and didn’t prepare a resume. How could he get interviewed!

Only the young man who had just been talking to Chen Ping looked at Chen Ping strangely, and then suddenly whispered: "Brother, are you related and went through the back door?"

Chen Ping was stunned and didn't know why the young man asked this!

"You must have gone through the back door, otherwise why wouldn't you have prepared a resume? And the person who just brought you here, I saw that he was a senior executive in this company. No wonder you are so calm!" The young man's face was a bit flattering. With a smile, he took out a box of chewing gum from his pocket and handed one to Chen Ping!

Chen Ping was not polite and took it directly and threw it into his mouth!

Chapter: 129

"Brother, if you are really relevant, can you put in a good word for me later? If I can be admitted, I will treat you to a big hotel for a meal..."

The young man looked at Chen Ping expectantly!

Chen Ping smiled slightly: "Okay, if I succeed, I will say a few good words for you!"

"Thank you, thank you, thank you so much..." The young man looked happy and kept saying thank you to Chen Ping!

Soon, the interview began. Each interviewee walked in nervously and walked out frustrated. Even those interviewers from prestigious universities failed!

Seeing that the interview candidates from prestigious universities all failed, the young man next to Chen Ping became even more nervous. His hands were slightly clenched and his palms were covered with sweat!

"Next, Chen Ping..."

Soon, it was Chen Ping's turn. When Chen Ping stood up, the young man next to him grabbed him!

“Brother, you must say a few good words for me, I’m counting on you...”

The young man said nervously.

Chen Ping nodded, and then walked into the office. As soon as he entered the door, he saw three people sitting behind a desk, and the girl who had just collected her resume was standing beside him!

Cui Zhiyuan is sitting in the middle. It is obvious that he is the main interviewer for today’s interview. The two people on the left and right are just foils. Whether he can pass the interview or not, all he needs is one word from Cui Zhiyuan!

Cui Zhiyuan looked at Chen Ping and said calmly: “Introduce yourself!”

Just as Chen Ping was about to speak, he saw an interviewer next to Cui Zhiyuan saying, “Because you don’t have a resume, you need to tell me all your experiences in the past few years since you graduated from college!”

Chen Ping nodded and briefly talked about his post-graduation experience. Of course, he also talked about being in jail. He did not hide anything and had nothing to hide!

However, when Chen Ping told about his imprisonment, no one showed surprise. It was obvious that Cui Zhiyuan had just told several people about it, so these people would not be surprised!

After Cui Zhiyuan listened, he closed his eyes slightly, clasped his hands on his chest, and leaned on his seat without saying a word. Seeing this, the girl on the side hurriedly stepped forward to give Cui Zhiyuan a gentle massage!

“Do you know what kind of company we are? Do you know who the boss of our company is? You, a reform-through-labor prisoner who just came out of prison, dare to come for an interview?”

An interviewer smiled contemptuously.

“Why don’t you dare? Does your company have a clear rule that people who have been in prison are not allowed to interview? What’s wrong with people who have been in prison? Does someone who has been in prison necessarily be a bad person?”

Chen Ping said with a faint smile!

“Although our company has no explicit regulations, you are a reform-through-labor worker. If you join the company, it will affect the image of our company. I believe other companies will not want people who have been released from prison like you. You’d better be self-aware. If it were you, I wouldn’t have the shame to come out...”

The interviewer looked at Chen Ping playfully. It seemed that he was deliberately humiliating Chen Ping, and his voice was very loud!

At this time, the interviewers outside also heard it, and they all looked surprised. The young man who had just spoken to Chen Ping was even more shocked.

Chapter: 130

“Damn, he turned out to be a prisoner in a labor camp. I wasted a piece of chewing gum on me. It’s really unlucky...”

The young man hurriedly ran into the bathroom to wash his hands!

Chen Ping in the office was not angry at all. He smiled faintly and said: “If I were you, without any ability as a man, I would have no shame to sit here. You have dark circles all over your eyes. Are you looking at your wife at night, but you don’t know how to do it at all?” It’s no use, you can’t sleep all night?”

Chen Ping’s words made the interviewer stunned. He looked at Chen Ping with a bit of horror in his eyes. He didn’t understand, how did Chen Ping know that he didn’t have the ability of a man?

This was his secret. He had never told anyone about it. In the eyes of outsiders, he had a happy family and a harmonious husband and wife. Only he knew that at night, he fell into deep pain!

Now that Chen Ping hit the mark, the interviewer suddenly became furious and the veins on his forehead bulged!

“You are talking nonsense. You have no ability as a man. I have a wife and children. My family is very happy...”

The interviewer roared loudly and deliberately spoke harshly about the child to refute Chen Ping and prove that Chen Ping was talking nonsense!

Chen Ping smiled and said, “Even if you have a child, it is not your own. Either it was picked up, or it was the child your wife had with someone else. This is because your problem has been caused since you were a child, and it was caused by an accident or external force. It makes you lose your ability to be a man!”

Bang.....

As soon as Chen Ping finished speaking, the interviewer slammed the table and stood up. He glared at Chen Ping and said, “Are you investigating me?”

This interviewer really lost his ability as a man because he was kicked in the crotch by a donkey when he was a child. He just picked up a child after getting married.

Except for those in his hometown, no one in Hongcheng would know about these things. He deliberately stayed away from his hometown for this reason, but he didn’t expect that Chen Ping would tell him directly!

“You are not worthy of my investigation!” Chen Ping smiled coldly!

However, the interviewer’s words also proved that what Chen Ping said was true. This made several colleagues at the scene look at the interviewer with strange eyes!

The interviewer seemed to feel that he had said the wrong thing, and immediately became angry and rushed towards Chen Ping!

Seeing that an interview was about to turn into a fight, Cui Zhiyuan could only shout angrily: "That's enough, sit back..."

The interviewer could only give Chen Ping a fierce look, and then sat back!

Cui Zhiyuan just wanted his subordinates to humiliate Chen Ping and then tell him that it was inappropriate. He didn't expect that things would turn out like this, which made Cui Zhiyuan feel a little angry!

"Boy, you are not suitable to work in our company. We don't even want to show your identity to us. You'd better get out and don't come here again..."

Another interviewer saw that Cui Zhiyuan looked a little angry and immediately scolded Chen Ping!

"A company of this size actually has employees like you. It really needs to be reorganized..."

Chen Ping sneered, stood up and walked out. He didn't really want to work here!

But just when Chen Ping stood up and was about to walk out, suddenly a tall young man wearing a suit and a stern face walked in!
