

The Order 1221

Chapter: 1221

At this last moment, Gu Ling'er expressed his inner thoughts.

In fact, Chen Ping had long occupied an important position in her heart, but because of Su Yuqi, Gu Ling'er never dared to follow Chen Ping and reveal her heart.

Gu Ling'er's face turned red because she said what was in her heart!

Chen Ping was a little surprised, but Su Yuqi seemed very calm. She smiled at Gu Ling'er, took her hand and said: "Ling'er, in fact, I have seen your thoughts about Chen Ping. We are good sisters. We just happened to accompany him to the underworld together, and we also had a companion on the way..."

"Yeah!" Gu Ling'er nodded, without any hint of panic or fear.

Death, for the two of them, has no fear at all at this moment, as long as they can die with Chen Ping!

Chen Ping looked at Gu Ling'er and Su Yuqi. He knew that no matter what he said, the two of them would not escape on their own.

"I will try my best to keep us all alive..."

Chen Ping's eyes began to fill with fighting spirit!

He couldn't watch Su Yuqi and Gu Linger accompany him to death. He would never give up until the last moment...

“Chen Ping, give it a try. If you are really killed, Ling’er and I will also commit suicide. We will never let them insult...”

Su Yuqi knew what Chen Ping was worried about, so she said.

Chen Ping nodded heavily, stretched out his hand, and the Dragon-Slaying Sword appeared. He took the first step forward, and the terrifying aura shook around him.

“I didn’t expect that you, a young man, would have such an affair that two beauties would be willing to die for you. If that’s the case, then I will make it happen for you...”

Qin Xiaoxian’s whole body was shocked, and his body exuded aura, but at the same time, blood flowed out of the corner of Qin Xiaoxian’s mouth!

Qin Xiaoxian frowned slightly. He had just been injured by two martial arts sects from the Xuanyuan Family and the Pili Clan. Now, with a stroke of luck, Qin Xiaoxian’s internal organs were still tumbling.

Qin Xiaoxian glanced at Cheng Kun and Xuanyuan Kai. He wanted the two families to follow him and take action against Chen Ping.

“Come with him...”

Cheng Kun ordered to his men without hesitation.

Xuanyuan Kai also nodded and winked at the powerful martial artist he brought.

When Qin Xiaoxian saw that the two families agreed to take action together, he had no worries. He saw Qin Xiaoxian punching Chen Ping. On Qin Xiaoxian’s fist, a layer of air visible to the naked eye was like a ripple.

This punch gathered almost all of Qin Xiaoxian's energy. He didn't want to delay it any longer. Now that he was injured, it would be better to kill Chen Ping as soon as possible to avoid long nights and dreams.

When Chen Ping saw Qin Xiaoxian's punch, bursts of golden aura suddenly erupted all over his body, like a piece of armor being worn on Chen Ping.

"What's this?"

Chapter: 1222

Qin Xiaoxian frowned slightly, but the speed of his hand did not slow down, and he hit Chen Ping hard.

"boom....."

With a punch, Qin Xiaoxian hit Chen Ping hard. Chen Ping, who was supposed to be knocked away by the punch, was standing intact at this moment. On the contrary, Qin Xiaoxian felt a huge backlash and his body suddenly shook. I took a few steps back, my arms were numb from the shock!

Chen Ping did not attack Qin Xiaoxian, but held the dragon-slaying sword and slashed at the attacking Pili Sect Wuzong strongman. The terrifying sword energy instantly surged several feet, and he slashed across the air, seeming to split the entire sky. generally!

After another such sword energy, the expression of the martial arts master from Perak Sect changed, and he retreated quickly, without following Chen Ping in the fight, he retreated back!

Qin Xiaoxian's punch just now did not cause the slightest damage to Chen Ping. This made the strong man from the Perak Sect Wuzong a little unsure of Chen Ping's strength, so when faced with Chen Ping's terrifying sword, he retreated directly!

While Chen Ping was forcing back Qin Xiaoxian and the powerful martial artist from the Perak Sect, he was always on guard against the powerful martial artist from the Xuanyuan Family to prevent a sneak attack from behind.

However, Chen Ping glanced twice and did not find the strong man from the Xuanyuan family, but at that time he clearly saw three people attacking him together.

“Where are you going?” Chen Ping cheered up, not daring to be careless at all.

“ah.....”

Suddenly, not far behind Chen Ping, Su Yuqi screamed, which shocked Chen Ping!

Holding the dragon-slaying sword, Chen Ping suddenly turned around and slashed out with one sword!

But it was already too late. I saw the strong martial artist from the Xuanyuan family, carrying Su Yuqi in one hand and Gu Ling'er in the other, like a little chicken, and jumped to Xuanyuan Kai's side.

Su Yuqi and Gu Ling'er were caught and struggled desperately, but facing the powerful martial artist, the two of them had no chance to commit suicide, let alone escape.

“Let them both go...”

Chen Ping glared at Xuanyuan Kai, and his murderous aura instantly enveloped everyone in the Xuanyuan family!

He didn't expect that Xuanyuan Kai was so despicable. On the surface, he sent people to attack him, but behind his back, he kidnapped Su Yuqi and Gu Ling'er. It was so abominable!

“It’s okay to let them go. You just stay put and I’ll guarantee their safety...”

Xuanyuan Kai raised the corner of his mouth and said proudly.

And the strong martial arts master of the Xuanyuan family controls Su Yuqi and Gu Ling’er. Now as long as he exerts a little force, Gu Ling’er and Su Yuqi will go to see the Lord of Hell.

“Xuanyuan Kai, what do you mean? Do you want to take it all to yourself?”

When Cheng Kun saw that Xuanyuan Kai had caught Su Yuqi and the others to blackmail Chen Ping, he suddenly said with an unhappy look on his face.

It was agreed that the three families would come together, but Xuanyuan Kai actually sent his men to sneak around and arrest Su Yuqi and the others. This was not obviously a trick on them.

Qin Xiaoxian looked at Xuanyuan Kai with a solemn face at this moment. After living for most of his life, he could guess what Xuanyuan Kai was thinking at this time, but he did not expect that he would be fooled by a little kid.

Chapter: 1223

But now that he was injured, the Qin family had no advantage in terms of numbers or strength, so he didn’t dare to say anything even though he knew he was being tricked by Xuanyuan Kai.

“Cheng Kun, I can get the dragon crystal by myself, so why should I share it with you?”

Xuanyuan Kai had a successful expression on his face.

“Xuanyuan Kai, you are paralyzed, I will kill you...”

Cheng Kun has a fiery temper. The two of them were originally at odds with each other, but they only temporarily united for Long Jing. Now that he has been tricked by Xuanyuan Kai, how can Cheng Kun not get angry? If he doesn't get angry like this, he is not worthy. He is known as Thunderbolt Fire Cheng Kun.

Cheng Kun led the men from the Perak Sect and headed towards Xuanyuan Kai. Xuanyuan Kai was not in a hurry and said to his men: "Give these two women to me, and you stop them..."

The martial arts expert nodded, handed Su Yuqi and Gu Ling'er to Xuanyuan Kai, and rushed towards Cheng Kun with the Xuanyuan family members. Soon the two families were fighting!

Qin Xiaoxian led others to stand aside with an ugly expression. At this moment, he felt that the Qin family was not even worth airing in the eyes of these people.

"Second brother, what should we do?"

Qin Xiaotian asked Qin Xiaoxian at a loss.

Originally he was counting on Qin Xiaoxian, but now that Qin Xiaoxian was injured, Qin Xiaotian was a little at a loss.

"Wait, if I don't say anything, no one is allowed to act rashly..." Qin Xiaoxian could only wait and see what happened.

At this moment, Xuanyuan Kai was looking at Chen Ping with a victor's attitude. No matter how angry Chen Ping was, the corners of Xuanyuan Kai's mouth still rose.

"Chen Ping, throw down your weapons obediently and surrender, otherwise your two little girlfriends will die..."

Xuanyuan Kai said proudly.

Chen Ping gritted his teeth and looked at Su Yuqi and Gu Ling'er. He didn't know what to do for a moment.

"Chen Ping, leave us alone, run away..." Su Yuqi shouted.

"Chen Ping, even if you are captured, they will not let us go. You don't have to hesitate, just kill me and then escape. I don't want to be ruined..."

Gu Ling'er shouted at Chen Ping. She hoped that Chen Ping would kill her. After all, if she fell into the hands of a scheming person like Xuanyuan Kai, she would not end well, not to mention that Xuanyuan Kai had already expressed his intentions towards them. .

"Shut up, damn..."

Xuanyuan Kai's face turned slightly cold, and with a little force on his hands, Su Yuqi and Gu Ling'er suddenly started to sweat profusely in pain!

"Stop..." Although Chen Ping was furious when he saw this, he did not dare to take action easily.

He was not sure that he would be killed with one strike. After all, Xuanyuan Kai was at the peak of the Grand Master's strength, second only to Wuzong. Chen Ping was not sure that he would be killed with one strike.

If Xuanyuan Kai cannot be killed with one blow, then Su Yuqi and Gu Ling'er in Xuanyuan Kai's hands will be in danger.

Chapter: 1224

“What? Have you figured it out?” Xuanyuan Kai sneered.

“Okay, I’ll go with you, you can do whatever you want...”

Chen Ping put away the dragon-slaying sword in his hand, put his hands on his head, and said with a look of despair.

Now Chen Ping has no other choice. He can’t do anything except listen to Xuanyuan Kai’s words.

“Chen Ping, don’t listen to him...”

“Don’t listen to him...”

Su Yuqi and Gu Ling’er shouted desperately.

However, Chen Ping didn’t seem to hear it and slowly walked towards Xuanyuan Kai.

Seeing that Chen Ping was so knowledgeable, Xuanyuan Kai’s face became even more proud.

“Second brother, if this guy is taken away by the Xuanyuan family, we won’t be able to avenge eldest brother...”

Qin Xiaotian said anxiously when he saw Chen Ping walking towards Xuanyuan Kai.

“Shut up!” Qin Xiaoxian was adjusting his breath and treating his injuries, but he didn’t want Qin Xiaotian to be chirping beside him.

When Qin Xiaotian saw this, he was so frightened that he shut his mouth.

Chen Ping put away his breath and slowly walked towards Xuanyuan Kai. However, after taking two steps, Chen Ping discovered that not far from Xuanyuan Kai, the snow wolf was lying on the ground, his body moving towards Xuanyuan Kai carefully. He moved forward and stared at Xuanyuan Kai with his eyes.

Seeing the snow wolf, Chen Ping felt happy. Just now, he thought the snow wolf had left. After all, the temperature here had risen and the ice and snow had melted, making it no longer suitable for the snow wolf to live.

“You let them both go first. I will obey you in everything. If you want my life, you can take it away at any time...”

Chen Ping said as he approached Xuanyuan Kai.

His idea was to attract Xuanyuan Kai and prevent him from discovering the existence of Snow Wolf.

“Stop talking nonsense and come here obediently. I will naturally let your woman go...”

Xuanyuan Kai said impatiently.

“Chen Ping, no, don't come over...”

Su Yuqi and Gu Ling'er were still shouting, sweating profusely.

“Don't worry you two, we will be fine...”

Chen Ping gave the two a firm look. He didn't want the two girls to be anxious.

Chapter: 1225

Just when Chen Ping was only three or four meters away from Xuanyuan Kai, suddenly the Snow Wolf activated...

"Roar....."

After roaring, Snow Wolf quickly bit Xuanyuan Kai's arm. The severe pain made Xuanyuan Kai scream, and then Su Yuqi was released from his hand.

After Su Yuqi broke away from the control, she ran away quickly, but Gu Ling'er was still controlled by Xuanyuan Kai's left hand. At this time, if Xuanyuan Kai exerted force, Gu Ling'er would be killed on the spot!

Just when Xue Lang launched his attack, Chen Ping also launched his attack at the same time. The Dragon-Slaying Sword in his hand instantly appeared and slashed towards Xuanyuan Kai's left arm.

Blood spattered, and Xuanyuan Kai's left arm was cut off by Chen Ping's sword. The broken arm was still holding on to Gu Ling'er, but Gu Ling'er rolled on the spot and got rid of the restraint...

"ah....."

The severe pain made Xuanyuan Kai scream and kicked Snow Wolf hard in the chest, kicking Snow Wolf away.

Snow Wolf rolled over and stood up again, seemingly uninjured.

Xuanyuan Kai was not as strong as the Grand Master at his peak, but in terms of strength, this snow wolf was comparable to the Wuzong. Xuanyuan Kai's hasty kick could not hurt it at all.

Xuanyuan Kai's screams attracted the attention of his subordinates. Seeing that their master was injured, the servants of the Xuanyuan family hurriedly left the battle with the Pili Gate and protected Xuanyuan Kai.

Xuanyuan Kai looked at his broken arm with scarlet eyes.

"Kill him, kill them for me..."

Xuanyuan Kai roared and ordered his men to kill Chen Ping.

But just when the Xuanyuan family's men were about to attack Chen Ping, a sudden gust of wind came, followed by a terrifying pressure, and everyone's expressions changed.

Because this aura was so terrifying, it surpassed everyone present. Feeling the pressure of this aura, no matter whether it was the Grand Master or the Martial Sect, they all remained motionless.

Chen Ping frowned and turned to look aside!

"Eldest nephew, why are you so angry? Who are you trying to kill?"

I saw a middle-aged man slowly appearing. The middle-aged man was wearing a white training uniform and a pair of cloth shoes. He had a Chinese character face and no expression on his face.

Behind the middle-aged man, there were three people, and all three of them were martial arts masters. Judging by their aura, they should have reached the fourth level of martial arts.

"Uncle Zhao....."

After Xuanyuan Kai saw the person coming, his expression immediately changed slightly and he shouted respectfully.

“Uncle Zhao...”

Upon seeing this, Cheng Kun hurried over and shouted to the middle-aged man.

Chapter: 1226

The middle-aged man glanced at everyone, and then asked Xuanyuan Kai, “Where is my Chuang’er? Have you seen it?”

“Where is Zhao Chuang...”

Xuanyuan Kai pointed not far away and said.

It turns out that the visitor is Zhao Chuang’s father, Zhao Ligu, the owner of Wuying Villa, who is a veteran martial arts master.

Zhao Ligu looked in the direction Xuanyuan Kai pointed and found that Zhao Chuang was leading a group of men, looking for dry wood to make a fire!

Zhao Ligu’s face turned cold, and his anger instantly rose. Everyone felt Zhao Ligu’s anger and couldn’t help but tremble!

Zhao Ligu walked towards Zhao Chuang, but the others did not dare to take action, but stared blankly.

Chen Ping’s expression was extremely solemn. Zhao Ligu seemed to be as strong as Long Wu. With such strength, Chen Ping could not be his opponent at all, not to mention that Zhao Ligu was followed by several martial arts masters...

The sudden appearance of Zhao Ligu made Xuanyuan Kai, Cheng Kun and Qin Xiaoxian feel extremely disappointed in an instant!

Just now, they were fighting over the dragon crystal, but now, Zhao Ligu suddenly showed up with someone, so how could the dragon crystal still be their business.

At this time, Zhao Ligu walked up to Zhao Chuang angrily and slapped him hard.

Snapped.....

“You bastard, who asked you to secretly come to Lock Dragon Island?”

Zhao Ligu asked angrily.

Zhao Chuang saw his father coming and was slapped. Instead of being unhappy, he said excitedly: “Dad, you came just in time. Please save Xiaoru quickly. Please save her quickly. She is frozen.” Already...”

Zhao Chuang hurriedly pulled Zhao Ligu and begged Zhao Ligu to save Xiaoru who was frozen!

Zhao Ligu glanced at Xiaoru who had turned into an ice sculpture, and frowned slightly, but then he glared at Zhao Chuang angrily and said: “You have nothing to do all day long, so you know how to find a woman, come back with me...”

Zhao Ligu directly picked up Zhao Chuang by his collar and lifted him up.

No matter how hard Zhao Chuang struggled, it was of no use!

Seeing Zhao Ligu about to leave, Chen Ping and Xuanyuan Kai all breathed a sigh of relief. After all, there was such a depressing master, and they didn't even dare to move.

"Dad, I'll go with you, but I have to bring my friends with me..."

When Zhao Chuang passed by Chen Ping and the others, he suddenly said to Zhao Ligu.

After all, Chen Ping, Su Yuqi, and Gu Ling'er are all Xiaoru's friends, and Xiaoru was frozen to save Chen Ping. Zhao Chuang didn't want Chen Ping and the others to stay here and be attacked by Xuanyuan Kai and the others!

Zhao Chuang saw the melee just now, but his strength was low and the men he brought were no match for the two families. In addition, he was anxious to find a way to save Xiaoru, so he did not help Chen Ping!

Chapter: 1227

Now that his father is here, he doesn't want to see all Xiaoru's friends die here.

It seems that this guy has deep feelings for Xiaoru.

"Okay, if you dare to play tricks on me and see if I don't break your legs, do you know how worried your mother will be if she can't find you?"

Zhao Ligu glared at Zhao Chuang fiercely and said.

"No!" Zhao Chuang agreed hastily, and Zhao Ligu let go of him.

Zhao Chuang walked up to Chen Ping: “Brother Chen, Sister Yuqi, Sister Ling’er, please come with me, so that no one will dare to do anything to you...”

Chen Ping and the others looked at Zhao Chuang and felt a little surprised. They didn’t expect that Zhao Chuang would help them. After all, now that Xiaoru is gone, there is no need for Zhao Chuang to get close to them.

Could it be that Zhao Chuang also wanted to get the dragon crystal, so he helped him?

But looking at Zhao Chuang’s sincere eyes, it didn’t look like he was playing tricks.

Finally, Chen Ping nodded. After all, leaving with Zhao Chuang now was the most appropriate choice.

Chen Ping, Su Yuqi and Gu Ling’er followed Zhao Chuang towards Zhao Ligu. Zhao Ligu just glanced at Chen Ping and Su Yuqi, turned around and left without saying anything!

At this time, both Xuanyuan Kai and Cheng Kun were anxious. Chen Ping had eaten dragon crystal, how could he be taken away so casually.

“Uncle Zhao.....”

Xuanyuan Kai hurriedly ran forward and stopped Zhao Ligu!

“Nephew, are you okay?” Zhao Ligu glanced at Xuanyuan Kai’s broken arm, but he showed no expression.

“Uncle Zhao, you can’t take Chen Ping away. He cut off my arm. I have to avenge this...”

Xuanyuan Kai said to Zhao Ligu.

He didn't say anything about Chen Ping eating dragon crystal, otherwise Zhao Ligu would take Chen Ping away even more if he knew about it.

"Did he cut off your arm?" Zhao Ligu was slightly stunned.

In his opinion, Chen Ping was not as powerful as a seventh-grade grandmaster. How could he cut off the arm of Xuanyuan Kai, a peak grandmaster?

Zhao Ligu thought it was Xuanyuan Kai and Cheng Kun who were fighting, and his arm was cut off in a scuffle. After all, it was well known that the two people had a bad eye, and they would fight whenever they met.

Now when I heard that it was Chen Ping who cut it off, I couldn't help but look at Chen Ping twice.

"Chuang'er, what's going on?"

Zhao Ligu asked Zhao Chuang.

Chapter: 1228

After all, Zhao Chuang said that Chen Ping was his friend. Since he was a friend, why would he cut off Xuanyuan Kai's arm? After all, they had nothing to do with the Xuanyuan family in Wuying Villa.

Zhao Chuang looked at Chen Ping, then at Xuanyuan Kai, and finally gritted his teeth and said: "Dad, it was Chen Ping who ate the dragon crystal. They wanted to get the dragon crystal, so there was a conflict..."

Zhao Chuang told Chen Ping about eating Longjing!

“Dragon crystal?”

Upon hearing the word “Long Jing”, Zhao Liguó’s eyes suddenly lit up!

Seeing Zhao Liguó’s expression, Zhao Chuang suddenly regretted it. He should not have said this to his father. Although he was not greedy at all for dragon crystal, his father would not be the same as him.

Xuanyuan Kai and Cheng Kun felt bad when they saw Zhao Liguó’s expression. Now they couldn’t even think of getting Long Jing.

After Chen Ping felt the gaze from Zhao Liguó, he instantly took two steps back.

“Did you swallow dragon crystal?”

Zhao Liguó asked Chen Ping.

Chen Ping nodded, but did not speak!

“Dad, they are all my friends, Brother Chen...”

“Shut up.....”

Zhao Liguó turned around and glared at Zhao Chuang, then ordered to his men: “Take the young master away first...”

Two masters of Wuying Villa came over, directly picked up Zhao Chuang and left. No matter how Zhao Chuang struggled, it was useless!

After taking Zhao Chuang away, Zhao Liguó looked at Chen Ping, stretched out his hand and said: “Boy, spit out the dragon crystal, and I can take you away safely...”

“Uncle Zhao, this guy has been swallowing this dragon crystal for a while. It’s probably all digested. He probably won’t be able to spit it out...”

Xuanyuan Kai said to Zhao Liguó.

“Ignorance...” Zhao Liguó snorted coldly, without even looking at Xuanyuan Kai. Instead, he stared at Chen Ping with cold eyes. An invisible pressure instantly enveloped Chen Ping.

Chen Ping suddenly felt like a big mountain was pressing down on him, and then his legs began to tremble slightly.

“You still have some abilities...”

Zhao Liguó couldn’t help but feel a little surprised when he saw that his pressure could not suppress Chen Ping.

Chen Ping is not as strong as a seventh-grade Grandmaster, how can he withstand his own pressure?

You must know the coercion that Zhao Liguó exudes, even a master who has just stepped into the realm of Wuzong can’t stand!

Chapter: 1229

“I got the dragon crystal. I won’t give it to anyone unless I die...”

Chen Ping slowly used the Dragon-Slaying Sword!

The bright red blood flowing on the dragon-slaying sword is clearly visible...

“I didn’t expect that you, a mere great master, would have such a sword in your hand. It seems that this time, my trip was worthwhile...”

Zhao Liguó’s eyes became brighter when he saw the Dragon-Slaying Sword in Chen Ping’s hand.

Chen Ping mobilized all his spiritual power, and the aura on his body continued to rise.

Facing a master like Zhao Liguó, even if Chen Ping had taken the Body Tempering Pill, his body was like an iron wall, and it would be difficult for him to receive the next blow!

“Boy, I’m telling you this again, spit out the dragon crystal, and also give me this sword. For the sake of you being Chuang’er’s friend, I will take you away...”

Zhao Liguó said to Chen Ping again.

“I said, unless I die...”

Chen Ping said with firm eyes.

“It’s easy for you to die. Don’t you want to think about the two little girls behind you?”

Zhao Liguó pointed to Su Yuqi and Gu Ling’er on the side.

Chen Ping glanced at the two people, as if he was making the best farewell, and then stared at Zhao Liguó: “We have reached this point, and there is nothing to think about, but even if I blow myself up, you will never get the dragon crystal... ...”

Zhao Liguó's face suddenly became extremely gloomy when he saw that Chen Ping was refusing to give in.

Suddenly, Zhao Liguó took action, and a terrifying aura instantly enveloped Chen Ping. Chen Ping felt his whole body tighten. He tried his best to wave the Dragon-Slaying Sword in his hand to resist, but found that it was very difficult for him to even draw the sword!

Zhao Liguó was afraid that Chen Ping would explode, so he took the lead to control Chen Ping, and then slapped Chen Ping on the head with a slap!

“ah.....”

Seeing Zhao Liguó's palm strike, Chen Ping roared angrily, bursts of golden light suddenly erupted from his body, and a barrier appeared in front of Chen Ping.

It's a pity that this barrier did not stop Zhao Liguó. Zhao Liguó didn't even pause, and slapped Chen Ping's head directly with his palm!

But just when Zhao Liguó's palm was only a few centimeters away from Chen Ping, and Chen Ping even felt the breath of death, Zhao Liguó suddenly stopped.

The terrifying aura surrounding Chen Ping also disappeared in an instant. This made Chen Ping a little surprised, and then he looked at Zhao Liguó!

At this time, Zhao Liguó was staring closely at a ring on Chen Ping's hand. The reason why he stopped was simply because he noticed this ring!

Seeing Zhao Liguó's expression at this time, Chen Ping frowned slightly, as if he thought of something, because Lin Tianhu and Chi Feng also had the same expression when they saw his ring.

Chapter: 1230

Soon, Zhao Liguó came back to his senses. After his face changed slightly, he immediately returned to normal and said to Chen Ping: "Since you are Chuang'er's friend, forget it today and come with me..."

Su Yuqi and Gu Ling'er were stunned by Zhao Liguó's sudden change. They originally thought that Chen Ping would definitely die today, but they didn't expect that Zhao Liguó actually stopped!

Also surprised were Xuanyuan Kai and Cheng Kun, who couldn't figure out what kind of medicine Zhao Liguó was selling in the gourd!

However, seeing the changes in Zhao Liguó, Chen Ping secretly breathed a sigh of relief. What he expected might be true.

"Yu Qi, Ling'er, let's go..."

Chen Ping said to Su Yuqi and Gu Linger.

The two girls followed Chen Ping, and Chen Ping followed Zhao Liguó, walking towards the shore together.

Chen Ping, Su Yuqi and the others looked back from time to time to look at Xiaoru who had turned into an ice sculpture. The three of them felt unspeakably uncomfortable in their hearts.

"Uncle Zhao..."

Seeing that Zhao Liguó was taking Chen Ping away, Xuanyuan Kai immediately chased after him anxiously.

“busy?”

Zhao Liguó asked Xuanyuan Kai coldly.

“Uncle Zhao, this Chen Ping ate the dragon crystal. This is something that should belong to all of us. In order to deal with the ice dragon, we all worked hard. Now if you take Chen Ping away, then the rest of us will not be able to get anything.” arrive? ”

Xuanyuan Kai said.

“Do you have any objections to me taking him away?”

Zhao Liguó narrowed his eyes slightly, and a breath instantly enveloped Xuanyuan Kai.

Xuanyuan Kai felt his legs soften, and he instantly sat on the ground!

“No... no objection!” Xuanyuan Kai’s face turned pale, but he still gritted his teeth and said: “Uncle Zhao, if you just take Chen Ping away like this, I believe that my father and Master Cheng will definitely come to ask for it. Argument...”

Xuanyuan Kai used his own father and Cheng Kun’s father to threaten Zhao Liguó.

“You dare to threaten me?” Zhao Liguó frowned: “Don’t think that because you are from the Xuanyuan family, I don’t dare to touch you. I can crush you to death with one finger now. Let me see if your Xuanyuan family still dares to find you.” Can I go to Wuying Villa?”

After Zhao Liguó finished speaking, he waved his sleeves lightly, and Xuanyuan Kai flew backwards and fell heavily to the ground.

Although Zhao Liguó did not kill him, Xuányuán Kǎi was seriously injured this time!

Then Zhao Liguó looked at Cheng Kūn and said, “I’m taking them away now. Do you have any objections?”

Cheng Kūn shook his head quickly and said, “How can we juniors dare to have any objections to what Uncle Zhao does...”
