

## **The Order 1241**

Chapter: 1241

Long Jingguo heard Long Ruotong talking after him. After being stunned for a moment, he suddenly laughed crazily again: "My good sister, he is my nephew, how could I hurt him? Don't worry..." "

Long Jingguo walked out of the dungeon with satisfaction and pride on his face. The more Long Ruotong cared about his son, the more hope Long Jingguo had of knowing the secret he wanted to know!

.....

In the days that followed, many people were frantically looking for Chen Ping, and Wuying Villa became the target of public criticism. After all, it was Zhao Liguó who took Chen Ping away in the end!

At this moment, Chen Ping was practicing in seclusion in Medicine God Valley and knew nothing about the outside world.

In the blink of an eye, a month passes!

In this month, Chen Ping never moved or moved, let alone ate anything.

With the spiritual energy constantly emitted by the dragon crystal, Chen Ping does not have to worry about the exhaustion of spiritual energy, he only needs to practice hard.

Over the past month, Chen Ping's body has been slowly changing.

Chen Ping is different from those warriors. At this moment, Chen Ping's physical body is constantly getting stronger while he is practicing. Every time his physical body becomes stronger, it will shed a layer of skin like a snake ant, and the new skin will appear metallic. gloss.

Slowly opening his eyes that had not been opened for a month, Chen Ping's body emitted golden light. This light was as dazzling as the sun and the moon, and his bones were even more indestructible!

"What happened to the Valley Master's room?"

Xu Changsheng was a little surprised when he saw golden light bursting out of Chen Ping's room.

The other elders all shook their heads. They didn't know what happened. They only knew that Chen Ping had never left the room in the past month.

"Let's go take a look..."

Xu Changsheng said something and walked towards Chen Ping's room with a few others.

At this moment, Chen Ping stood up slowly. The spiritual power in his body was surging, and he had never felt it before. Looking at his fists emitting golden light, Chen Ping wanted to punch them out to see his current strength. .

But in the end he was able to control it. If he punched out now, the whole house might collapse!

"I didn't expect that within a month, I would be able to reach the peak of the Bigu Realm. If given time, I could break through the Bigu Realm and enter the Core Formation Realm, and maybe I could fight with the Long Family..."

Chen Ping did not expect that Long Jing would benefit him so much.

But soon, Chen Ping also discovered something, that is, the luster of the dragon crystal in his body had dimmed a lot, and the aura emanating from the dragon crystal was not as full as it was at the beginning!

Does this dragon crystal also have a service life?

Chen Ping didn't understand this dragon crystal, and Long Wu didn't explain it clearly to him at that time, which made Chen Ping a little confused!

"Valley Master, are you okay?"

Chapter: 1242

At this moment, Xu Changsheng's voice came.

They were afraid that something might happen to Chen Ping, so they rushed over!

Hearing Xu Changsheng's voice, Chen Ping's golden light dissipated and he opened the door!

When Xu Changsheng and the others saw Chen Ping for the first time, they all showed a hint of surprise.

Because just one month ago, they could all feel the changes in Chen Ping's aura!

At this moment, Chen Ping, they could clearly feel that he had reached the peak of Grand Master and was about to break through the realm of Wuzong.

How long have I been practicing?

How come your realm improves so quickly?

“Valley Master, are you okay?”

After waking up from the shock, Xu Changsheng continued to ask.

“It’s okay!” Chen Ping shook his head, and then asked Xu Changsheng, “How is Xiaolan?”

When Chen Ping returned to Medicine God Valley, Xiaolan hadn’t woken up yet, so he couldn’t wait to go into seclusion. He didn’t even know how long it had been.

“Don’t worry, Valley Master, Miss Xiaolan is in good health. During this period, she has been going out to find the Valley Master, but we have stopped her...”

Xiaolan didn’t know about Chen Ping’s retreat, and Xu Changsheng and the others didn’t dare to tell them, so when Xiaolan woke up, she clamored to find Chen Ping.

“Elder Xu, how long have I been in seclusion?”

Only then did Chen Ping remember to ask himself how long he had been in seclusion.

“Valley Master, you have been in seclusion for a month. The day after tomorrow is the Mid-Autumn Festival. I have already ordered the people in the valley to arrange the venue. Then we will have a Mid-Autumn Festival party together...”

Xu Changsheng believed that Chen Ping had just become the Valley Master after all, and many people didn’t know him yet, so he would just use this opportunity to let everyone get to know Chen Ping.

“A month?”

Chen Ping was shocked. In his opinion, his cultivation was just a matter of a moment, but he didn't expect that it had already been a month, and it was the Mid-Autumn Festival soon.

When Chen Ping heard about the Mid-Autumn Festival, his parents instantly appeared in his mind. Although he knew that he was picked up, he still loved his parents deeply.

There are also Su Yuqi and Gu Ling'er. I don't know how they are doing now...

“Chen Ping, you were hiding here. Have you been avoiding me this month?”

At this time, an angry voice came, and then Xiaolan rushed over angrily.

Chapter: 1243

When Xu Changsheng and the others saw this, they immediately walked away knowingly. Since Chen Ping was fine, there was no need for them to stay.

“I have been in seclusion and just woke up. I was talking about going to see you...”

Seeing Xiaolan walking over angrily, Chen Ping hurriedly explained.

“Look at me? Are you so kind?”

Xiaolan rolled her eyes at Chen Ping.

“If I wasn't kind, you would be dead now. To save you, I almost risked my life...”

Chen Ping said deliberately pretending to be angry.

Seeing this, Xiaolan hurriedly apologized: "Okay, I know, Elder Xu and the others have told me that you saved my life, you can do whatever you want..."

As she said this, Xiaolan actually leaned into Chen Ping's arms, but Chen Ping took two steps back to avoid it.

Seeing Chen Ping dodge, Xiaolan's face turned cold again: "Chen Ping, let me ask you, am I not beautiful? Do I have a bad figure? Why do you dislike me so much?"

"I don't. You are pretty and have a good figure. I don't dislike you..."

Chen Ping shook his head.

"I've already taken the initiative to throw myself into my arms, but you're still hiding. Are you a man?" Xiaolan pouted and said angrily.

"I have a girlfriend..."

Chen Ping had no choice but to use Su Yuqi as a shield.

"I know, I just have a girlfriend, not a daughter-in-law. Even if you have a daughter-in-law, what does it matter? I can be your lover and your confidante. I don't want any status, as long as you treat me well. ..."

Xiaolan said indifferently.

Chen Ping's head felt dizzy when he heard Xiaolan's bold language.

“Okay, let’s not talk about this anymore. I’m going home in the next two days. It’s the Mid-Autumn Festival. I’ll go back and see my family. You’re in Yaoshen Valley and celebrate the festival with Elder Xu and the others...”

Chen Ping did not plan to spend the festival in Yaoshen Valley, but went back to Hongcheng to see his parents and Su Wenzong.

“I want to go with you. I don’t know anyone in Yaoshen Valley. I won’t celebrate the festival here. I want to go back to Hongcheng with you...”

When Xiaolan heard that Chen Ping wanted to leave her in Yaoshen Valley, she immediately started shouting.

“If you come back with me, you must be honest. I am also a normal man. No...no...”

Chen Ping looked at Xiaolan and didn’t know what to say next.

Chapter: 1244

“What’s forbidden? Isn’t it forbidden to seduce you?”

Xiaolan looked at Chen Ping like that and burst into laughter.

“Anyway, you have to be honest and don’t touch anything...”

Chen Ping was afraid that Xiaolan would be too proactive and that he would not be able to control himself.

“Don’t worry, if you don’t agree, I can still force you...”

Xiaolan looked at Chen Ping teasingly.

Chen Ping wasn't saying anything. If he kept talking, he didn't know what other dirty words Xiaolan could say!

After saying goodbye to Elder Xu and the others, Chen Ping took Xiaolan back to Hongcheng by plane!

Before getting on the plane, Chen Ping sent a message to Lin Tianhu and asked him to pick him up at Hongcheng Airport!

But when Chen Ping took Xiaolan off the plane, he didn't find Lin Tianhu's car, and no one came to pick him up!

"This guy won't stay with Chifeng in the provincial capital, right?"

Chen Ping took out his cell phone and called Lin Tianhu, but no one answered after several calls!

Chen Ping frowned slightly. Although Lin Tianhu had a rough temper, he was very meticulous in his work. When Chen Ping wanted to find him, he almost always had trouble finding him. This time, no one answered the phone!

Seeing that Lin Tianhu didn't answer the phone, Chen Ping called Chifeng again, but with the same result, no one answered!

Chen Ping's face darkened for a moment, and he had a bad feeling in his heart!

"What's wrong?" Xiaolan on the side asked when she saw Chen Ping's expression was wrong.

“It’s okay, let’s go...”

Chen Ping took Xiaolan out of the airport and prepared to take a taxi home!

But just when Chen Ping reached out to stop the taxi, a luxurious Rolls-Royce stopped in front of Chen Ping.

“Mr. Chen, get in the car...”

The window rolled down and Bai Zhantang was driving!

Chen Ping glanced at Bai Zhantang and seemed a little surprised. He didn’t understand how this guy was in Hongcheng and how he knew he was back.

Just when Chen Ping was about to ask what was going on, Bai Zhantang spoke again: “Mr. Chen, you get in the car first, and we will talk in the car...”

Bai Zhantang looks very anxious!

Chapter: 1245

Chen Ping sat directly in the passenger seat, Xiaolan sat in the back seat, and then Bai Zhantang stepped on the accelerator.

“Why are you in Hongcheng?”

Chen Ping asked Bai Zhantang.

“Mr. Chen, not only am I in Hongcheng, my grandfather is also here. You don’t know that during this period, many people are inquiring about you and want to find you. Many people have come

to Hongcheng alone. My grandfather was worried about the safety of Mr. Chen's family, so he rushed over with the Bai family. We have been staying in Hongcheng for a month..."

Bai Zhantang said.

"Looking for me?" Chen Ping frowned.

"Yes, I don't know what dragon crystal they are talking about when they are looking for you, and many of the people who are looking for you claim to be from Kyoto, but I don't know them. Even my grandfather doesn't know those people, but those people are Master..."

When Bai Zhantang spoke, his voice was trembling, and he was obviously frightened by those people.

Chen Ping suddenly realized that the news about his swallowing of dragon crystal must have spread, so many people were looking for him for the dragon crystal.

Because I couldn't find myself, I finally chose to come to Hongcheng to look for him.

"Is my family okay? Are all those people gone?"

Chen Ping's heart clenched together, worrying about his parents' comfort.

He sent his parents back to the countryside just to avoid his parents being implicated.

"Oh, it's okay. These people are quite particular. They all left without finding you. They didn't make things difficult for us, but... it's just..."

When Bai Zhantang said this, he suddenly didn't know what to say.

“It’s just what? Tell me...”

Chen Ping urged.

“It’s just that two people said they were seeking revenge from you. They injured Lin Tianhu and Chifeng. They are still in Hongcheng. My grandfather and Gu Gu are with him all day long. They eat and drink well. They have lived here for ten years. It was late, but Lin Tianhu’s men came over with their mobile phones to report, and I knew that Mr. Chen was coming back today, so my grandfather hurriedly sent me over to pick up Mr. Chen, and by the way, I’m telling you, I’m going to hide for a while...”

“Who are those two people? How are Lin Tianhu and Chi Feng?”

When Chen Ping heard that Lin Tianhu and Chi Feng were injured, murderous intent suddenly filled his body.

“It seems that there is some kind of Tianwu Sect or Tianluo Pavilion. I have never heard of it, but those two people are so powerful. They are both martial sects. Grandpa can only stabilize the other party first, and then notify Mr. Chen to hide...”

Bai Zhantang said.

When Chen Ping heard about Tianwumen and Tianluo Pavilion, he immediately understood!

“Ni Sidao, Xiahou Dun...”

Chapter: 1246

Chen Ping’s eyes narrowed slightly, with killing intent in his eyes!

“Yes, it seems these are the two names!” Bai Zhantang nodded quickly after hearing this, and then said: “Mr. Chen, I will drive you out of the city now. You can find a place to hide first...”

Xiaolan, who was behind, heard about Tianwu Sect and Tianluo Pavilion, and her expression suddenly changed. She knew about these two sects. At that time, Chen Ping followed Xiahou Dun and was no match for Xiahou Dun. Now there is an even more powerful Ni Sidao. , the two of them join forces, and Chen Ping is no longer an opponent.

“Chen Ping, why don’t we go back to Medicine God Valley?”

After all, the elders like Xu Changsheng and others in Medicine God Valley are also Wuzong, and Chen Ping wants to be safer when living there.

Chen Ping’s face was cold, as if he had not heard Xiaolan’s words, and he said calmly to Bai Zhantang: “Take me to see Lin Tianhu and the others...”

“Mr. Chen?”

Bai Zhantang was a little surprised. The opponent was two martial arts masters. Why didn’t Chen Ping escape quickly?

“Chen Ping, don’t act out of anger...”

Xiaolan also advised.

But neither of them knew that in this month, Chen Ping’s strength had already changed from what it used to be!

“Driving me to see Lin Tianhu and the others, I don’t want to say it a second time...”

Chen Ping's face became increasingly ugly.

The temperature inside the car also dropped to freezing point at this moment, so Bai Zhantang had no choice but to turn on the heater.

After taking a look at Chen Ping, Bai Zhantang sighed, turned the car and headed towards Hongcheng People's Hospital.

After arriving at the hospital, Bai Zhantang took Chen Ping and Xiaolan to the fourth floor. At this moment, the entire fourth floor of the hospital was occupied by Bai Zhantang.

"Mr. Chen, Lin Tianhu and Chifeng's lives are not in danger. I called Sun Simiao and gave them two medicines. However, their bones are broken all over, and I'm afraid they will be disabled in the future..."

Bai Zhantang introduced it as he walked.

Chen Pingping was expressionless and walked forward quickly. There were many Lin Tianhu and Chifeng's younger brothers in the corridor at this moment. When they saw Chen Ping coming, they were all excited!

"Mr. Chen....."

Dozens of younger brothers stood on both sides and shouted respectfully towards Chen Ping.

Chen Ping didn't say anything and just opened the door of the ward!

"Mr. Chen..."

Sun Simiao was in the ward. When he saw Chen Ping, he hurried over to say hello!

Chapter: 1247

“Mr. Chen...” At this time, there was another person in the ward, shouting towards Chen Ping.

Chen Ping looked and found that it was Zhao Wuji, the master of the Dharma Protector Pavilion in Kyoto. He did not expect that Zhao Wuji also came to Hongcheng.

“Pavilion Master Zhao, I didn’t expect you to come too...”

Chen Ping glanced at Zhao Wuji with a hint of gratitude.

Zhao Wuji smiled awkwardly: “Mr. Chen, I just caught up. I originally planned to come to Hongcheng to invite Mr. Chen to participate in the international competition, but I didn’t want this to happen.”

As soon as Zhao Wuji said that, Chen Ping remembered that he had promised to help Zhao Wuji play a game a few months ago.

“Pavilion Master Zhao, I’ll finish the matter first, then let you go!”

Chen Ping had to deal with the current affairs before he could follow Zhao Wuji to Kyoto.

“Mr. Chen, don’t be anxious. There are still a few days before the competition. In addition, I have already called the Kyoto Martial Arts Association. I hope they can come forward and help Mr. Chen mediate.”

Zhao Wuji knew that it was two Wu Zong who sought revenge against Chen Ping, and their Dharma Protector Pavilion did not have the ability to mediate.

“Pavilion Master Zhao, I appreciate your kindness. I will handle this matter myself!”

After Chen Ping finished speaking, he turned his attention to the two beds in the ward. Lin Tianhu and Chifeng were wrapped like rice dumplings, lying on the beds with various instruments on them.

The two people’s lives are not in danger, but they cannot move or speak at this time, and only a pair of eyes can move!

After seeing Chen Ping, Lin Tianhu and Chi Feng were very excited and blinked their eyes inappropriately. Tears flowed out of Chi Feng’s eyes.

Chen Ping stepped forward, holding Lin Tianhu with one hand and Chifeng with the other, and a trace of spiritual energy penetrated into their bodies.

After a few minutes, Chen Ping’s face turned ugly!

It seemed that Bai Zhantang was right. Both of their bones were almost broken. Even if they were to be reconnected, they would be disabled and it would be almost impossible to practice martial arts.

“Mr. Chen, I used the best medicine from Yaowang Palace. They can save their lives, but they will have to use a wheelchair in the future...”

Sun Simiao stepped forward and whispered.

Chen Ping did not speak, but his mind quickly flashed through the Supreme Alchemy Record, looking for a way to cure Lin Tianhu and the others.

“Black Jade Intermittent Cream?”

Soon, a prescription popped up in Chen Ping's mind. Chen Ping looked at it and found that the required medicinal materials were not rare. If he worked hard, he could find them. However, Chen Ping's current strength was limited by refining this medicine. It's not enough, you need to use Shennong Ding!

But now that Shennong's Cauldron is not around, he can only refine it after Chen Ping returns to Medicine God Valley.

"Master Sun, I can cure them. I will give you a prescription now. Please prepare all the necessary medicinal materials for me as soon as possible!"

Chapter: 1248

As Chen Ping said, he asked someone to take the pen and paper and start writing down the required medicinal materials quickly!

After finishing writing, Sun Simiao took the prescription and went straight to prepare it without stopping.

Chen Ping looked at Lin Tianhu and Chifeng and said: "You two lie down well, I will cure you, and I will definitely avenge you two..."

After Chen Ping finished speaking, he turned around and left. Lin Tianhu and Chi Feng tried their best to signal with their eyes, trying to stop Chen Ping. Unfortunately, the two of them were speechless, and Chen Ping still walked out of the ward!

"Mr. Chen, where are you going?"

Bai Zhantang chased him out.

"Where are those two people?" Chen Ping asked coldly.

“In...in the old home!”

Bai Zhantang said.

After hearing this, Chen Ping jumped directly from the fourth floor, and then flashed towards his ancient home.

Bai Zhantang and Xiaolan also jumped down from behind, and Zhao Wuji followed after hesitating for a moment.

.....

On the outskirts of Hongcheng, Gu Wentian’s house!

Ni Sidao and Xiahou Dun were enjoying the black tea collected by Gu Wentian!

Gu Wentian and Bai Xiushan stood respectfully on the side. They were very old, but at this time they had to serve these two masters like servants.

In the realm of Wuzong, in a small place like Hongcheng, that is me. Even if Bai Xiushan is the head of the Bai family in Kyoto, he would not dare to be disrespectful to these two people!

“Pavilion Master Ni, will Chen Ping come back? We have been waiting for more than ten days...”

Xiahou Dun asked Ni Sidao.

“Don’t worry, I’ve asked about it. This guy is a filial son. People all over the world are looking for him now. He must be hiding, but now during the Mid-Autumn Festival, he will definitely come

back to reunite with his family. Since he makes it impossible for us to reunite, then We can't make it easy for him..."

Ni Sidao said with cold eyes.

Chen Ping killed his most proud disciple, but he treated Ning Yu as his own son.

"Yes, he killed my son and made it impossible for me to reunite during the Mid-Autumn Festival. This time I will definitely make his life worse than death!"

Xiahou Dun also gritted his teeth and said.

Gu Wentian and Bai Xiushan on the side listened to the conversation between the two people, and their hearts trembled slightly. They hoped that Chen Ping had escaped at this moment.

Chapter: 1249

But at this moment, there was a sound of footsteps outside the courtyard, and then Chen Ping's figure appeared in the hall.

"Mr. Chen..."

Gu Wentian and Bai Xiushan were all surprised when they saw Chen Ping!

When Ni Sidao and Xiahou Dun saw Chen Ping coming, they stood up in a hurry, looking a little surprised!

They didn't expect that Chen Ping would dare to come here directly.

"Chen Ping, you always dare to show your face..."

Seeing Chen Ping, Xiahou Dun gritted his teeth and said.

Now Chen Ping does not have the support of the elders of Medicine God Valley, so Xiahou Dun is no longer afraid of him. What's more, Ni Sidao is also here, so Chen Ping cannot run away.

Then Xiaolan and Bai Zhantang followed, followed closely by Zhao Wuji!

Xiahou Dun glanced at the few people who came in, his face full of disdain. If these people attacked together, he could kill them with one slap!

“Pavilion Master Ni, Master Xia, I am Zhao Wuji, the master of the Dharma Protector Pavilion in Kyoto. I don't know what grudges the two of you have against following Mr. Chen. It's the Mid-Autumn Festival soon. I'll see if I can...”

Zhao Wuji stepped forward with a smile on his face and wanted to plead with Chen Ping.

“Fuck you...”

Xiahou Dun slapped Zhao Wuji away with a palm: “Damn it, a little master of the Dharma Protector Pavilion is qualified to talk to us? Others are afraid of your Dharma Protector Pavilion, but I am not afraid...”

As the leader of the Tianwu Sect, Xiahou Dun certainly has nothing to fear from the Dharma Protector Pavilion. Even if it is the Dharma Protector Pavilion in Kyoto, it can't control him at all.

This sudden slap made Zhao Wuji's face become embarrassed and ugly, but there was nothing he could do. Facing these century-old sects, their Dharma Protector Pavilion had no control over them, and they would not give them the Dharma Protector Pavilion any face. of.

“I spared your life in Medicine God Valley, but today you are seeking death on your own...”

Chen Ping said with a gloomy face.

“Looking for death?” Xiahou Dun snorted coldly: “Boy, you don’t even know what kind of virtue you are. If it weren’t for the elders from Medicine God Valley, do you think we would be afraid of you? Today is your day of death, no one can save you. I can’t help you...”

After Xiahou Dun finished speaking, he punched Chen Ping.

Xiahou Dun’an couldn’t stand the hatred of killing his son. He wanted to cut Chen Ping into thousands of pieces.

When Chen Ping saw this, he quickly retreated backwards, directly into the courtyard. Xiahoudun thought that Chen Ping was afraid and wanted to escape, so the speed of his feet increased instantly.

When Chen Ping’s body fell into the courtyard, he suddenly punched Xiahou Dun, who was attacking, and his huge fist shone with golden light.

Xiahou Dun was slightly startled, but he didn’t stop!

Chapter: 1250

Bang...

There was a dull sound, and Chen Ping and Xiahou Dun punched each other hard.

With Xiahou Dun’s martial arts strength, this punch could instantly make Chen Ping lose his fighting power.

However, the reality was exactly the opposite. There was only a crisp sound of bone cracking, and then everyone saw Xiahoudun's arm bent at a weird angle, followed by Xiahoudun's scream.

Seeing the scene in front of them, everyone was stunned. None of them thought that the mighty martial arts master would have his arm broken by a punch from Chen Ping. This was simply unbelievable.

Ni Sidao also frowned, with disbelief in his eyes. He could not have imagined that Chen Ping's strength would improve so quickly in just one month!

Although Xiahou Dun is only a second-level martial arts master, he is still a martial arts master after all. Now he can't even resist Chen Ping's punch.

Just when everyone was shocked, a clear voice came again.

Chen Ping grabbed Xiahou Dun's other arm and broke it with force.

"ah....."

The severe pain made Xiahou Dun scream, and he looked at Chen Ping with horrified eyes. He never imagined how Chen Ping's strength could become so powerful, and that he had no power to fight back in front of Chen Ping.

"You break all the bones in my hands, and I will let you have a taste of it today..."

After Chen Ping said that, he kicked Xiahou Dun, sending Xiahou Dun's body flying into the air.

Chen Ping suddenly jumped hard, all the bluestones under his feet shattered, and his body was in mid-air.

Bang bang bang.....

Chen Ping kept hitting Xiahoudun with his fists, and at this moment, Xiahoudun was like a rubber ball, allowing Chen Ping to hit him around.

Blood spurted out from Xiahou Dun's mouth, and the sound of cracking bones could be heard continuously.

Seeing the scene in mid-air, everyone was dumbfounded.

This is not seeking revenge, this is clearly looking for abuse.

Bang.....

Xiahou Dun's body fell heavily from the air. His whole body was like a pile of mud. Except for his head, which could still move, his whole body could not move. All the bones were smashed by Chen Ping's blow.

Blood flowed from Xiahou Dun's mouth and nose, and his entire face became extremely ferocious.

"Kill me...kill me..."

Xiahou Dun shouted at Chen Ping with anger in his eyes, but every time he shouted, a mouthful of blood would spurt out.
