

The Order 1251

Chapter: 1251

Now Xiahou Dun is worse than dead, and he hopes Chen Ping can kill him.

How could Chen Ping let Xiahou Dun die so happily and keep Xiahou Dun alive? In the end, Chen Ping could use the Heart Condensation Technique to use Xiahou Dun's energy for his own use!

Now the spiritual energy in the dragon crystal has been almost absorbed by Chen Ping. It seems that it cannot be used in a short time. He needs to wait for the dragon crystal to slowly recover. At the moment, the best way for Chen Ping to practice is to absorb the energy of others.

Although this method is prohibited by the martial arts world and is considered an evil cultivation technique, Chen Ping can't control that much now. With so many people targeting him, Chen Ping needs to increase his strength as quickly as possible.

Xiahou Dun saw that Chen Ping would not kill him, so he set his sights on Ni Sidao. He hoped that Ni Sidao would kill him. Now he is worse off than dead...

Ni Sidao couldn't care less about Xiahou Dun at this moment. His eyes were fixed on Chen Ping and his brows were knitted into the character "Chuan".

Chen Ping's strength at this time has exceeded his expectations, and they were too reckless.

"Next, it's your turn..."

Chen Ping looked at Ni Sidao and said calmly.

"Chen Ping, it seems that Dragon Crystal has really brought you a lot of benefits. No wonder so many people are looking for you, but it's not that easy for you to kill me today..."

After Ni Sidao finished speaking, he waved his hands suddenly, and suddenly a burst of black mist rolled up. At the same time, Ni Sidao's body disappeared.

"You should keep an eye on Xiahou Dun and don't let him commit suicide..."

After Chen Ping finished his instructions, his figure disappeared instantly!

While chasing him out, Chen Ping had already emitted his spiritual consciousness and determined Ni Sidao's location.

Ni Sidao escaped from the courtyard. After running into a small forest, he looked back and breathed a sigh of relief when he saw that no one was chasing him.

"Damn, this Chen Ping is really perverted..."

Ni Sidao cursed, he had never been so embarrassed before.

But just as Ni Sidao finished cursing, his expression suddenly changed, and then he pinched his hands and muttered words in the air, and a cloud of black mist enveloped Ni Sidao's body.

Ni Sidao felt Chen Ping's consciousness and knew that Chen Ping had discovered him, so he hurriedly used Taoism to hide himself.

But it was already too late. Chen Ping's figure had already appeared. After seeing Ni Sidao, he punched him without any hesitation.

When Ni Sidao saw this, he hurriedly shouted: "Trapped Dragon Formation..."

In an instant, the black mist on Ni Sidao turned into chains, directly binding Chen Ping's body, making Chen Ping unable to move.

"Your trapped dragon formation is of no use to me..."

Chen Ping saw that Ni Sidao wanted to trap him with the trapping dragon formation, so he sneered.

Chapter: 1252

"If I can't trap you, it's better to drag you for a while. By then I will have long since escaped..."

Ni Sidao did not intend to use the Dragon Trap Formation to trap Chen Ping. After all, the Dragon Trap Formation could not trap Chen Ping when he was in Yaoshen Valley, let alone now. Chen Ping's current strength is not the same as before.

"Take me for a while?" Chen Ping raised the corner of his mouth, and the Heart Condensation Technique was running quickly, and the chains transformed by evil spirits were instantly absorbed into Chen Ping's body.

When Ni Sidao saw the scene in front of him, his proud expression instantly froze on his face.

Ni Si said, suddenly feeling something bad, he turned around and used Taoist magic, shrunk to the ground and ran forward!

"Still want to run..."

Chen Ping stretched out his hand and pulled out the Dragon-Slaying Sword, and slashed forward with the sword.

An extremely sharp sword energy headed directly towards Ni Sidao, cutting off all the trees along the way.

Ni Sidao sensed the danger behind him and hurriedly turned around, barely dodging the sword. However, his arm was still scratched by the sharp sword energy and blood flowed freely.

Looking at his wounds, Ni Sidao gritted his teeth and suddenly shouted angrily. The ground began to tremble, and crystal skulls popped up from the ground.

There were nine skulls in total, constantly rotating around Ni Sidao's body, and clouds of black mist emerged from the mouths of the skulls, which were directly sucked into Ni Sidao's body.

"It turns out you are an evil cultivator..."

Chen Ping couldn't help but snorted coldly when he saw this.

This guy has been hiding very well, often showing others his Taoism, but he doesn't expect that he is also an evil cultivator. It seems that these evil cultivators have all tried their best to hide their identities.

"It doesn't matter whether I am an evil cultivator or not, because you are going to die soon..."

As Ni Sidao spoke, his body suddenly swelled up as if it had been inflated, reaching a height of more than two meters. He looked down at Chen Ping like a giant.

"Nine heads attack..."

Ni Sidao shouted angrily, and the nine skulls then made a clicking sound, then turned into countless fragments and exploded towards Chen Ping.

These skull fragments exuded a cold air under the sunlight. Countless fragments directly wrapped Chen Ping, leaving Chen Ping with nowhere to escape.

Ni Sidao knew that Chen Ping had a skill that could absorb the evil spirit, so this time there was no evil spirit attached to the fragments. He simply relied on force to move Chen Ping into sieves with these fragments.

Facing the bone fragments that exploded, Chen Ping's mouth curved with a hint of disdain. This time during his training, Chen Ping's physical body became even stronger. He just took this opportunity to test the strength of his physical body.

Chen Ping's body shook slightly, and then his whole body emitted a golden light. Even Chen Ping's fists were emitting golden light, and his exposed skin instantly turned golden. At this moment, Chen Ping Like a golden statue.

"This..." Seeing Chen Ping's sudden change, Ni Sidao's eyes showed a hint of surprise.

Ding ding ding.....

Chapter: 1253

Soon, those extremely hard and powerful fragments hit Chen Ping's body. The fragments collapsed in all directions, but Chen Ping's body was not harmed at all.

Ni Sidao's face became extremely ugly, and he opened his mouth wide enough to swallow an egg.

Each of these nine skulls is the skull of a peak Grandmaster. Ni Sidao used a trick to deceive them, and then took the opportunity to absorb the strength of these people. You must know that the bones of the Peak Grandmaster are as hard as bullets, but at this moment, even Chen The flat fur won't hurt at all.

"Chen Ping, how about you and I stop now and I will never cause trouble for you in the future?"

Ni Sidao looked down at Chen Ping and said.

“I want to stop now, but it’s too late. I’m going to break all your bones and then absorb all your mana...”

Chen Ping said coldly.

“You... are you also unable to cultivate evil?”

Ni Sidao looked at Chen Ping in surprise. Just when Chen Ping was able to absorb evil spirits, Ni Sidao felt something was wrong. Now Chen Ping can absorb other people’s magic power. Isn’t this an evil cultivator?

“I’m not as shameless as you. Today I will eliminate harm for the people...”

After Chen Ping finished speaking, the dragon-slaying sword in his hand began to burn with flames.

“Are you too crazy? Do you think you can defeat me today?”

After Ni Sidao finished speaking, an ancient character suddenly appeared in the palm of his hand. The characters shone brightly and dazzlingly, surpassing the rays of the sun.

Immediately after Ni Sidao muttered something, there was a bang, and countless black gas enveloped an area of several hundred meters. The black gas covered the sky and turned the day into night in an instant.

Chen Ping did not panic, but swiped the dragon-slaying sword in his hand in the void, and a silver glow fell, making the darkness become bright again.

Ni Sidao ignored Chen Ping, and spoke the spell faster and faster, and then drew a circle in the void with his right hand. There were ripples in the circle, as if time and space were twisting.

“Roar.....”

There was a roar, and then from the circle, a dragon snake with a scarlet core spitting out, the thickness of a water tank, and dense scales rushed out. This dragon snake had a bloody smell on its body, as if it had just emerged from a pile of dead people. Same as drilled out.

Facing the snake in front of him, Chen Ping frowned slightly, because the snake in front of him was not an illusion, but a real living creature, as if it had traveled from another time and space.

“Chen Ping, you can absorb the evil spirit, so what can you do? This time I summon the ancient beast to deal with you...”

Looking at the dragon snake in front of him, Ni Sidao’s eyes were full of enthusiasm, but his huge body quickly returned to normal, and his face became ugly. After he finished speaking, a mouthful of blood spurted out.

It seems that in order to summon this dragon snake, Ni Sidao consumed almost all his mana!

“boom.....”

Chen Pingping faced the dragon-slaying snake that rushed towards him. He waved the dragon-slaying sword in front of him and slashed directly at the dragon-slaying snake with sword energy mixed with flames.

Chapter: 1254

The sword energy slashed hard at the dragon snake, followed by a deafening sound, radiance overflowing, and fire splashing everywhere.

The dragon snake's body writhed up and down, as if it felt pain, and then it sprayed out a blazing light from its mouth, the earth trembled, and the rocks collapsed!

Chen Ping retreated quickly, dodging the snake's attack. At this moment, Chen Ping's hand holding the dragon-slaying sword was trembling slightly, and the tiger's mouth was numb.

The snake's scales were too hard, and the Dragon-Slaying Sword was unable to hurt the snake.

"Chen Ping..."

At this time, Xiaolan and Zhao Wuji actually chased them.

They felt the terrifying aura in the mountains and forests here, and were worried about Chen Ping's safety, so they chased after him.

But as soon as they caught up, they saw a snake that was more than ten meters long and as thick as a water tank confronting Chen Ping, which frightened everyone.

You must know that Hongcheng is not a mountainous area, and there is no virgin forest. How could such a huge snake suddenly appear?

"Don't come here, stay away..."

Chen Ping hurriedly stopped Xiaolan and the others from approaching.

The strength of this dragon snake is too strong. With the strength of Xiaolan and the others, they cannot withstand the blow of this dragon snake.

“Hiss, hiss...”

The dragon snake opened its bloody mouth and twisted its body to attack Chen Ping again. Its tail swept in all directions, causing many trees to be uprooted and rocks to fly.

Chen Ping raised the Dragon-Slaying Sword, jumped up again, then jumped down from mid-air, and stabbed the dragon’s back fiercely.

boom.....

There was a loud noise, and the violent collision emitted a bright brilliance, like two huge rocks slamming together.

The dragon snake whined, then swept its tail directly towards Chen Ping, very fast, like a steel whip, hitting Chen Ping’s body hard.

Chen Ping’s body was like a cannonball, being violently pulled out and stopped after hitting a big tree.

“Chen Ping...”

“Mr. Chen...”

Xiaolan and the others hurried over and helped Chen Ping up.

Blood spilled from the corner of Chen Ping’s mouth. Although his strong body was not injured, the huge force caused damage to Chen Ping’s internal organs...

“Hahaha, Chen Ping, even if your body is strong, in front of this snake, you can only get beaten. Kill them, kill them for me...”

Chapter: 1255

Ni Sidao laughed, struggling to support the black halo with one hand.

He couldn't let the halo disappear, otherwise the snake would die instantly. The snake was not an animal here. In the end, it needed to pass through the black halo to return to where it came from.

Chen Ping looked at Ni Sidao. Although Ni Sidao's face was extremely ugly at this moment, he was struggling to maintain the black aura. Chen Ping understood instantly that as long as the black aura disappeared, the dragon snake would also disappear with it. .

Thinking of this, Chen Ping took the dragon-slaying sword, fought hard towards Ni Sidao, and struck Ni Sidao's arm with a fierce sword.

Seeing this, the dragon snake swept out its tail and pushed Chen Ping back. Then it opened its bloody mouth and bit Chen Ping's arm.

The huge bite force caused Chen Ping's body to freeze, and then he was thrown up by the snake.

Chen Ping's body was thrown high into the air, and then fell to the ground.

A deep pit was created on the ground, and Chen Ping climbed out of the pit with difficulty.

At this moment, blood stains could be seen on Chen Ping's arm. Even though his body was strengthening, Chen Ping's arm was still injured after being bitten by the snake.

“Chen Ping...”

Xiaolan hurriedly pulled off her clothes and wanted to bandage Chen Ping.

“Get away from...”

Chen Ping felt a strong wind coming and hurriedly pushed Xiaolan aside, but he himself was hit hard by the snake’s tail.

Bang.....

Chen Ping’s body flew a full dozen meters away and fell heavily to the ground.

Blood continued to overflow from the corners of Chen Ping’s mouth!

“Mr. Chen.....”

Upon seeing this, Zhao Wuji and Bai Zhantang finally took out their weapons and attacked the snake.

Chen Ping was about to say something to stop them, but it was already too late. As soon as the two people rushed forward, they were swept away by the snake’s tail and were knocked away.

At this moment, both Bai Zhantang and Zhao Wuji could not stand up. They were seriously injured!

Chen Ping stood up with his dragon-slaying sword and glared at the snake. This guy’s scales were so hard that he couldn’t be hurt at all. If he continued fighting like this, he would lose sooner or later.

“Come on, kill them...”

Ni Sidao’s face became increasingly ugly and his body was trembling slightly. He couldn’t hold on any longer. He had to let the snake kill Chen Ping as soon as possible.

“Hiss, hiss...”

Chapter: 1256

The dragon snake spit out the letter and danced its body quickly towards Chen Ping.

He opened his huge mouth, revealing his sharp fangs, ready to swallow Chen Ping into his stomach.

“Chen Ping...”

“Mr. Chen.....”

Xiaolan and Zhao Wuji were all panicked when they saw this scene, but none of them had the ability to save Chen Ping.

Chen Ping himself seemed a little helpless when facing the snake’s bloody mouth. At this moment, he was injured and had no ability to dodge the blow!

At the critical moment, a soft white light suddenly appeared in Chen Ping’s body, and then the white light became stronger and stronger, and even directly illuminated Chen Ping’s body into a transparent state.

In Chen Ping’s body, the dragon crystal was shining with light. Under the white light, the snake instantly became extremely panicked, and then began to roll on the ground, wailing...

The body of the dragon snake was shrinking at a speed visible to the naked eye. The dragon snake that was originally more than ten meters long was only a few meters long in just a few dozen seconds.

The dragon snake rolled in pain, and its body moved desperately towards Ni Sidao. Then it jumped with all its strength and got directly into the black halo to escape.

When Ni Sidao saw this scene, he was stunned for a long time and couldn't figure out what was going on.

You must know that this last move is the killer of their Tianluo Pavilion. This dragon snake is the patron saint of Tianluo Pavilion. He will not summon this dragon snake unless it is absolutely necessary.

But now, the patron saint of Tianluo Pavilion was about to turn into a little snake at this moment, and he was still trying to escape in panic. Why didn't Ni Sidao feel shocked!

“Want to leave?”

Seeing that the snake was trying to escape, Chen Ping jumped out, grabbed the snake's tail, and pulled out the snake that had already penetrated half of its body.

The dragon snake faced Chen Ping, and it had long since lost its ferocious look. It was so frightened that it turned around and ran away. However, Chen Ping swung the dragon-slaying sword in his hand with all his strength!

Pfft.....

The snake's head was instantly chopped off by Chen Ping, and blood sprayed all over the floor!

Plop.....

After Chen Ping chopped off the snake's head, Ni Sidao could no longer hold on. The black halo disappeared instantly, and he seemed to have grown older instantly. He fell to the ground and no longer had the strength to stand.

Chen Ping put away the Dragon-Slaying Sword, turned around and looked at Ni Sidao who fell on the ground, his eyes were terrifyingly cold.

Seeing Chen Ping like that, Ni Sidao's pupils suddenly shrank, and his eyes were filled with fear.

"Don't...don't kill me, I can do whatever you want..."

Ni Sidao was trembling all over, begging for mercy.

Chapter: 1257

The majestic Wuzong, the master of Tianluo Pavilion, was begging for mercy in front of Chen Ping.

Xiaolan looked at the scene in front of her and was extremely shocked. You must know that Ni Sidao is a well-known figure among dozens of sects in the southwest. Whether it is King Miao or Xiahou Dun, they must respect Ni Sidao when they see him. .

But such a powerful person is now begging for mercy like a grandson in front of Chen Ping.

Chen Ping's image became much greater in Xiaolan's heart, and Xiaolan's feelings for Chen Ping deepened.

Snapped!

Chen Ping put one hand directly on the top of Ni Sidao's head, and then started to operate the Heart Condensation Technique. The huge suction force began to continuously absorb the energy in Ni Sidao's body!

Ni Sidao struggled desperately, but couldn't move at all.

After just a few minutes, Ni Sidao's body had turned into a withered appearance, his eyes were wide open, and he could not rest in peace...

The light on Chen Ping slowly dissipated, and everything around him fell silent for a moment.

The spiritual power that Chen Ping had lost following the battle with the dragon snake was all replenished at this moment.

Looking at Bai Zhantang and Zhao Wuji who were injured and lying on the ground not far away, Chen Ping walked over and grabbed their hands. A stream of pure spiritual power was input into their bodies, and their injuries quickly improved. .

"Thank you Mr. Chen..."

Bai Zhantang and Zhao Wuji stood up and hurriedly followed Chen Ping to express their thanks.

"I should be the one thanking you. If you hadn't helped me, you wouldn't have been hurt..."

After Chen Ping finished speaking, he walked towards the beheaded snake, smashed the snake's head into pieces with one palm, and a crystal clear beast pill rolled out.

Chen Ping picked up the beast pill and was very excited. It seemed that he had guessed well. These beasts already had beast pills in their bodies, and these things were precious things for cultivation.

“This snake scale is hard and good for making a piece of armor. The flesh and blood can also improve your strength. You can take it back and share it with us!”

Chen Ping said to Bai Zhantang and Zhao Wuji.

The two people were overjoyed and hurriedly stepped forward to dismember the snake, while Chen Ping took Xiaolan and slowly walked towards the Gu family.

Xiahou Dun was still slumped in the Gu family's house like mud. Seeing Chen Ping come back, his body covered with blood, Xiahou Dun knew that Ni Sidao might not be able to escape either.

Chen Ping didn't follow Xiahou Dun's nonsense. He slapped Xiahou Dun on the head and sucked all the energy out of Xiahou Dun's body.

At this moment, Chen Ping just wants to use the fastest way to improve his strength. The enemies he faces are getting stronger and stronger. If he doesn't improve his strength as soon as possible, he won't even be able to protect his loved ones, so how can he save himself? mother.

Now Chen Ping no longer has anything to worry about. Even if there are other people present, Chen Ping no longer hides and directly operates the Heart Condensation Technique to absorb the energy of others.

Gu Wentian looked at Chen Ping and couldn't calm down for a long time. In just a few months, Chen Ping's strength had developed so quickly.

Chapter: 1258

You know, at the beginning, Chen Ping had to rely on himself to protect him, but what about now?

I'm afraid Gu Wentian is not as good as Chen Ping, both in terms of strength and status.

Bai Xiushan, who was on the side, was extremely shocked at this moment. He had put all the future of the Bai family on Chen Ping, and now it seemed that he was right.

Whether it is Xiahou Dun or Ni Sida, they are both masters of martial arts and have been famous for many years. Now they are both killed by Chen Ping. Chen Ping's strength is evident!

Bai Xiushan made up his mind. From now on, the Bai family would be sure of Chen Ping.

"Gu Gu, please send someone to deal with it..."

Chen Ping pointed at Xiahou Dun's shriveled body and said.

"Mr. Chen, don't worry, I'll call someone to deal with it right away..."

After Gu Wentian finished speaking and waved his hands, someone immediately carried Xiahou Dun's body away. Then Gu Wentian asked Chen Ping softly: "Mr. Chen, I don't know about Ling'er..."

It's the Mid-Autumn Festival soon, and Chen Ping is with Gu Ling'er. Now that Chen Ping is back, Gu Wentian hasn't seen Gu Ling'er, so he wants to ask Chen Ping where Gu Ling'er is.

"Gu Gu, Ling'er is practicing with Yu Qi and Uncle Long. I don't know where they are, but Gu Gu, don't worry, Ling'er will be fine..."

Chen Ping followed Gu Wentian and explained.

"Don't worry, it's just that I haven't seen this girl for a while and I miss her a little..."

Gu Wentian smiled slightly.

He knew that Chen Ping was not a creature in the pond, and if he wanted to follow Chen Ping, he would have to wander around the world. However, Gu Wentian felt relieved that Gu Ling'er would follow Chen Ping.

After a while, Zhao Wuji followed Bai Zhantang and dragged the snake's body back. The two of them were covered in blood and looked very embarrassed.

Gu Wentian was shocked when he saw the two people like this.

Bai Xiushan on the side was also shocked and hurriedly responded: "Zhantang, what's going on?"

Bai Xiushan checked Bai Zhantang's body with a panicked look on his face.

"Grandpa, I'm fine. The flesh and blood of this dragon snake is a good thing..."

Bai Zhantang told Bai Xiushan and Gu Wentian about Chen Ping's killing of the dragon snake, which made the two of them look at Chen Ping in even more shock.

"Pavilion Master Zhao, you will stay in Hongcheng for two days. After the Mid-Autumn Festival, I will accompany you to Kyoto..."

Chen Ping followed Zhao Wuji and said.

"Okay Mr. Chen, I'll wait for you in Hongcheng..."

Chapter: 1259

Zhao Wuji nodded.

After leaving Gu Wentian's residence, Chen Ping did not go back to his hometown directly, but went to the Su family's villa.

Su Yuqi probably didn't come back, and Chen Ping wanted to see Su Wenzong.

When Chen Ping came to the Su family villa, Su Wenzong himself was sitting in the courtyard drinking tea, all alone, and his hair was a lot whiter.

"Uncle Su..."

Chen Ping shouted towards Su Wenzong.

Su Wenzong was stunned for a moment, and then his face showed surprise: "Chen Ping, you are back..."

Su Wenzong hurriedly stood up and greeted him, then looked outside the door and found that it was Chen Ping himself, so he asked doubtfully: "Chen Ping, where is Yu Qi? Didn't he come back with you?"

"Uncle Su, Yu Qi has something to do and she can't come back. I'll come over to see you..."

Looking at Su Wenzong's slightly older appearance, Chen Ping felt a little uncomfortable.

Ever since Su Yuqi followed him, a rich young lady did not enjoy the blessings. Instead, she followed him everywhere, and she was also frightened.

Especially Su Wenzong, who is alone and can't see his daughter for several months now, will definitely miss her.

"Oh!" Su Wenzong said slightly disappointedly and walked back again.

Chen Ping drank tea with Su Wenzong and then left. He wanted to go back to Chenjiacun to see his parents. After a while, he hadn't seen his parents in several months.

"Brother, are you in Hongcheng?"

As soon as Chen Ping left the Su family villa, Chen Yingxia called Chen Ping.

"Here, are you on holiday?"

Chen Ping asked.

"It's a holiday today. If you go home, drive me back with you..."

Su Yingxia called Chen Ping because she wanted Chen Ping to take her home with her.

"Wait for me at the school gate, I will take you back later..."

After Chen Ping finished speaking, he hung up the phone.

Chen Ping went to pick up Xiaolan first, then went to pick up Chen Yingxia, and the three of them rushed back to Chenjiacun together!

"Brother, here it is, here it is..."

Chapter: 1260

Chen Yingxia stood at the school gate and waved desperately after Chen Ping.

Chen Ping drove Bai Xiushan's Rolls-Royce. He usually drove Su Yuqi and Lin Tianhu's cars, but Lin Tianhu was lying in the hospital now and Su Yuqi didn't come back, so Chen Ping used Bai Xiushan's Rolls-Royce to drive for him.

However, Chen Ping didn't care much about the quality of the car, as long as it could move!

But when the Rolls-Royce stopped in front of the school, it quickly attracted the attention of many people.

You must know that in a city like Hongcheng, not many people can afford a Rolls-Royce, and this Rolls-Royce still bears the Beijing brand.

"Yingxia, this...is this the one driving the Rolls-Royce your brother?"

The classmates around Chen Yingxia asked enviously.

"Yes..." Chen Yingxia nodded.

"This is still a Kyoto license plate. Your brother doesn't work as a driver for others, does he?"

At this time, a male classmate said half-jokingly.

"Your brother is the driver, my brother is very powerful, and my sister-in-law is the eldest lady of the Su Group..."

Chen Yingxia said proudly.

Su Yuqi had told Chen Yingxia before to report her name if anything happened. After all, the Su family was also the richest man in Hongcheng.

Sure enough, when Chen Yingxia said this, the male classmate was so frightened that he didn't dare to speak for a moment.

Chen Ping drove the car in front of Chen Yingxia, opened the door and said, "Get in the car quickly, or it will be too late to get home..."

"Goodbye....."

Chen Yingxia waved her hands and followed her classmates, and climbed onto the Rolls-Royce.

Chen Yingxia just got in, but found that there was a woman sitting in the car that she didn't recognize.

"Hello, my name is Xiaolan..."

When Xiaolan saw Su Yingxia getting into the car, she extended her hand very politely.

"Hello, my name is Chen Yingxia..." Su Yuqi shook Xiaolan's hand with some restraint.

"Miss Yingxia is so beautiful, no wonder your brother always praises you..."

Xiaolan looked at Chen Yingxia and praised him.

Chen Ping was driving in front and rolled his eyes and was speechless for a while. He had never mentioned Chen Yingxia in front of Xiaolan.
