

The Order 1261

Chapter: 1261

Xiaolan said this just because she wanted to close the distance with Chen Yingxia.

“Sister Xiaolan is really beautiful, and you have a light fragrance on your body. I wonder what brand of perfume you are using?”

Su Yingxia asked, smelling the faint fragrance on Xiaolan’s body.

“I made the perfume on my body myself. If sister Yingxia likes it, I can make some for you...”

The fragrance on Xiaolan’s body is naturally emitted by her body. She is naturally charming, and the fragrance she emits is to seduce men.

“Okay, thank you, Sister Xiaolan!” Chen Yingxia said happily.

“What kind of perfume should children wear? Learn knowledge...”

Chen Ping was driving in front and scolded Chen Yingxia.

Chen Yingxia suddenly poked her head next to Chen Ping, startling Chen Ping who was driving.

“Brother, where’s Sister Yuqi? You couldn’t have secretly found a woman behind Sister Yuqi’s back, right? Or maybe you dumped Sister Yuqi...”

Although Chen Yingxia spoke very quietly in Chen Ping’s ear, Xiaolan could hear it clearly.

“What nonsense are you talking about? Xiaolan and I are friends. She is an orphan and has nowhere to go during the Mid-Autumn Festival, so I brought her back...”

Chen Ping glared at Chen Yingxia and said.

When Chen Ping said that Xiaolan was an orphan, Chen Yingxia was slightly startled, obviously not expecting it.

Xiaolan herself felt sour in her heart, and tears burst out instantly.

She is an orphan, and she really has nowhere to go now. When she was in the Miao Village, although the Miao King was her enemy, after all, she had raised her for so many years. She had a home in the Miao Village, and she had a family around her many friends and loved ones.

But now, she has nothing but her sister Wu Meier. Now she really has nowhere to go. If she doesn't follow Chen Ping, she doesn't know what she should do.

Seeing Xiaolan crying suddenly, Chen Yingxia looked a little embarrassed and panicked.

“Sister Xiaolan, I'm sorry...”

Chen Yingxia took out a tissue and handed it to Xiaolan.

“It's okay, I'm used to it...” Xiaolan wiped her tears and said with a smile.

For a moment, the atmosphere in the car became a little awkward and silent!

Soon, the car drove into Chenjiacun, and many people gathered around Chen Ping's car.

After all, Chenjiacun has never seen a luxury car like Rolls-Royce before.

Chapter: 1262

“Dad, Mom...”

Chen Ping walked into the courtyard and shouted excitedly as soon as he entered the door.

Chen Ping had already had bad thoughts after not seeing his parents for several months.

Tang Hongying and Chen Baoguo walked out of the room and looked surprised when they saw Chen Ping.

“son.....”

Tang Hongying quickly ran to Chen Ping and hugged Chen Ping.

Chen Baoguo also looked at Chen Ping with a smile on his face.

They haven't seen each other for several months. Tang Hongying and Chen Baoguo actually miss Chen Ping, but they know that it is time for Chen Ping to make a career, so they never call to add burden to Chen Ping.

“Uncle, auntie, hello...”

Xiaolan looked at Tang Hongying and Chen Baoguo and shouted politely.

At this time, the two people discovered Xiaolan. After Tang Hongying looked Xiaolan up and down, she hurriedly pulled Chen Ping aside.

“Chen Ping, who is this girl? Where is Yu Qi?”

The smile on Tang Hongying’s face disappeared and she asked Chen Ping.

“Mom, Yuqi had something to do, so she didn’t come back. This is a friend of mine named Xiaolan. She is an orphan and has nowhere to go, so I took her home...”

Chen Ping whispered in Tang Hongying’s ear.

Tang Hongying looked at Chen Ping, as if she didn’t believe it: “Really, you didn’t lie to me?”

“Mom, how could I lie to you? Yuqi and I are on good terms...”

Chen Ping said firmly.

Seeing that Chen Ping didn’t look like he was lying, Tang Hongying put on a smile and walked up to Xiaolan: “Hello, hello, it’s cold outside, come and sit in the house...”

Tang Hongying took Xiaolan’s hand and walked into the room.

Chen Baoguo stepped forward and patted Chen Ping on the shoulder: “Good son, you have the ability...”

After finishing speaking, Chen Baoguo also entered the room with a slightly meaningful expression on his face, which made Chen Ping a little at a loss.

I stayed at home for one night, and the next day was the Mid-Autumn Festival.

Tang Hongying woke Chen Ping up early in the morning.

Chapter: 1263

“Chen Ping, your uncle and the others have returned from the provincial capital. They have set up a few tables in the town at noon. You should get up early and wash up. We will go there early...”

Tang Hongying said to Chen Ping.

“uncle?”

Chen Ping was stunned. Why didn't he know that he had an uncle?

“It belongs to your second grandpa's family. He went to the provincial capital a long time ago. I heard that there is big business in the provincial capital. If you get in touch more, maybe you can find something useful...”

After Tang Hongying finished speaking, she went to work.

As soon as Tang Hongying left, Xiaolan ran into Chen Ping's room.

When Chen Ping saw Xiaolan suddenly barging in, he was so frightened that he hurriedly covered himself with a quilt and huddled in a corner.

“what are you up to?”

Chen Ping asked Xiaolan.

“What do you think I’m going to do, a man and a woman alone?”

Xiaolan chuckled and stepped forward to lift Chen Ping’s quilt.

But when the quilt was lifted, Xiaolan was stunned: “Why are you still wearing clothes when you sleep?”

I saw that Chen Ping was wearing clothes, not as Xiaolan thought.

“I wear clothes to sleep just to prevent you, a little slut...”

Chen Ping raised the corner of his mouth, stood up and said with a hint of pride.

“Hmph, bastard, sooner or later I will make you obey me obediently...”

Xiaolan pouted, snorted coldly, and could only follow Chen Ping out of the room.

Near noon, Chen Ping drove his parents and Xiaolan to the hotel in the town. When they arrived at the box, Chen Yingxia and Chen Ping’s second aunt had already arrived.

“Sister Xiaolan, sit here...”

After Chen Yingxia saw Xiaolan, she hurriedly asked Xiaolan to sit next to her.

Xiaolan originally wanted to sit next to Chen Ping, but this time she was asked away by Chen Yingxia.

Chen Ping, on the other hand, was led by his second aunt to ask questions, and Chen Ping could only answer them one by one.

Ten minutes later, the box door was pushed open, and two people, an old man and a young man, walked in. The old man looked to be in his fifties or sixties, and the young man looked to be about the same age as Chen Ping.

Chapter: 1264

“Brother...”

Seeing the person coming, Tang Hongying hurriedly stood up and greeted him.

It turned out that this man was Tang Hongying’s cousin Tang Shili, and the young man was his son Tang Hui.

Although Tang Hongying greeted her enthusiastically, Tang Shili’s expression did not change much. He just glanced at everyone and sat on the main seat.

Tang Hui, who was behind him, also looked arrogant. When his eyes fell on Chen Yingxia and Xiaolan, he obviously paused for a moment.

“Chen Ping, Yingxia, this is your uncle and your cousin...”

Tang Hongying said to Chen Ping and Chen Yingxia.

“Hello uncle, hello cousin...”

Chen Yingxia stood up and said hello.

However, Chen Ping did not move or speak. From the expression on Tang Shili's face just after he entered the door, Chen Ping could tell that this guy had no affection in his eyes. The reason why he asked us to eat together was probably just to show off. If he knew this, Chen Ping would Ping won't come either.

Seeing that Chen Ping didn't move, Tang Hongying had no choice but to follow Tang Shili and explain: "Brother, don't be offended, Chen Ping is a kid who talks little..."

Tang Shili looked at Chen Ping, and then said to Tang Hongying: "Hongying, I'm not the eldest brother talking to you, but look at how you have pampered your children. Are you the one who just came out of jail?"

Tang Hongying's face suddenly felt awkward, but she could only smile and nodded: "Yes!"

"You see, if you don't discipline your child, someone will do it for you. If you go to jail, your life will be over. From now on, you will only be a little gangster, the kind of person who is abandoned by others..."

Tang Shili lectured Tang Hongying with a condescending attitude.

Although Tang Hongying was unhappy, she did not dare to say anything. At this moment, Chen Baoguo also turned cold and lit a cigarette himself.

"Brother, you are back after a long time. Let's order food for dinner first. By the way, what big business are you doing in the provincial capital?"

Upon seeing this, Second Aunt Chen Ping hurriedly changed the subject.

"I haven't done any big business, just real estate and tourism. When I come back this time, I also plan to turn several nearby towns into tourist attractions..."

Tang Shili said.

“That’s great!” Second Aunt Chen Ping smiled, and then turned her attention to Tang Hui:
“What will Xiao Hui do now? It’s been so many years since we last seen each other. He was still a little kid before, but now he has grown up. So high.”

“I arranged a position for him in the government department, and now he is a section chief...”

Tang Shili said.

“Section chief?” Chen Ping’s second aunt took a breath of air: “If you can be a section chief in a place like the provincial capital, you are probably older than the mayor of Hongcheng, right?”

Chapter: 1265

“That’s not true, but I often drink with Hongcheng Mayor Ling Zhenchuan...”

Tang Hui spoke at this time.

Although he seemed humble, there was nothing modest about his tone.

“It’s really amazing to be able to drink with the mayor. You should help my aunt more in the future...”

Second Aunt Chen Ping smiled.

Tang Hui did not answer Aunt Chen Ping. Instead, he sat next to Tang Shili, looked at Xiaolan, and then asked: “Who is this? Why don’t I have any impression?”

“This is Chen Ping’s friend, coming to celebrate the Mid-Autumn Festival together...”

Tang Hongying explained.

But with this explanation, in the eyes of others, Xiaolan is Chen Ping's girlfriend.

Tang Hui glanced at Chen Ping with jealous eyes and said nothing.

At this moment, the door was suddenly pushed open, and a man about forty years old walked in.

"Chief Tang, I'm sorry, I'm late..."

The visitor followed Tang Hui respectfully.

"Mayor Cui?"

Chen Baoguo and the others stood up in a hurry when they saw the person coming. The person coming was the mayor of their town.

"Mayor Cui, we have just arrived. Find a place to sit by yourself..."

Tang Hui said with a proud look.

Despite Tang Hui's attitude, Mayor Cui didn't care at all and hurriedly sat next to Tang Hui.

Soon, more people came into the private room, either the mayor or the chief, and the room was quickly filled.

Chen Ping and his family were squeezed into a corner, and now Xiaolan got her wish and sat next to Chen Ping.

“Chen Ping, what kind of uncle are you? This is not a family banquet. It’s clearly someone else’s invitation. You are just here to keep me company...”

Xiaolan whispered to Chen Ping.

Chen Ping had already seen that Tang Shili called them here just to show off in front of the two families.

Now the entire private room was packed with people, including local officials, who kept toasting with Tang Shili and Tang Hui, but no one looked at Chen Ping and his family twice.

Chapter: 1266

The two families were extremely embarrassed at this moment, but they were too embarrassed to get up and leave directly.

“Chief Tang, your Tang family is doing business in the provincial capital. You are really wealthy. I saw a Beijing-branded Rolls-Royce parked outside. It must have been driven by you, right? Why is that car not here? How many millions?”

Mayor Cui said to Tang Hui with eyes full of envy.

“Beijing Rolls-Royce?” Tang Hui was stunned, and then looked at his father Tang Shili.

“Rolls-Royce, or Beijing brand?” Tang Shili was also confused, so he asked Mayor Cui: “What license plate?”

“It seems to be Jing E.....”

Mayor Cui said the license plate number.

“Why does this license plate sound so familiar?” Tang Shili frowned slightly.

“Dad, isn’t this Mr. Bai’s car from the Bai family? Why is it here?”

Tang Hui said in surprise.

“Yes, it’s Mr. Bai’s car. Why does it sound familiar to me? Could it be that Mr. Bai has come to Hongcheng?”

Tang Shili was also full of surprise!

“I’ll go take a look...” After Tang Hui finished speaking, he stood up and walked to the window, looking through the window at the cars outside.

When he saw it clearly, he hurriedly said to Tang Shili: “Dad, it is really Mr. Bai’s car. Mr. Bai may also be eating here...”

When Tang Shili heard this, he rushed to the window and looked out.

The actions of these two people made many people in the box look confused, but the father and son didn’t care at all.

“Let’s go look for him quickly. Mr. Bai must be here...”

Tang Shili anxiously pulled Tang Hui and ran out.

There was only a group of people left in the box, staring at each other not knowing what was going on, but only Chen Ping knew what the father and son were looking for.

Ten minutes later, Tang Shili and Tang Hui came back sweating profusely.

“No, how could it not be?”

Tang Shili frowned slightly.

“Dad, could it be that Mr. Bai knew about our investment in building a tourist attraction here and came here for a private visit incognito?”

Tang Hui analyzed.

Chapter: 1267

“possible.....”

Tang Shili’s body shook slightly, and cold sweat broke out on his forehead.

His company is just a subsidiary company of the Bai family in Kyoto. The reason why Tang Shili chose to build a tourist attraction was simply because he hoped to get more benefits from it.

Now that Mr. Bai has personally come down for a private visit, it will be troublesome if something is found out.

“Tang Hui, you immediately send someone to continue the search, and also adjust the surveillance to see where Mr. Bai has gone...”

Tang Shili was no longer in the mood to take care of the people in the private room. He wanted to find Bai Xiushan quickly.

“Brother, what are you looking for? Do you want us to help search together...”

Tang Hongying asked Tang Shili at this time.

After Tang Hongying said this, Tang Shili remembered it and said to Tang Hongying, “Hongying, you guys came early. Have you seen where the person driving the Rolls-Royce has gone?”

“Rolls-Royce?” Tang Hongying didn’t know much about cars.

Tang Shili hurriedly pulled Tang Hongying to the window, pointed to the Rolls-Royce below and said, “Did you see it? It’s that black car!”

“Oh, that one you’re talking about, that’s the one we drove...”

Tang Hongying saw it and said hurriedly.

They came in that car. Of course Tang Hongying knew it, but Tang Hongying didn’t know the value of that car.

“What? Did you drive here?”

Tang Shili was stunned for a moment, his face full of shock.

“How is that possible? That’s Mr. Bai’s car. That car costs nearly 10 million. Even if I sell you all, you still can’t afford it. You dare to brag about anything...”

Tang Hui snorted coldly and said with disdain, not treating Tang Hongying as his elder at all.

Seeing Tang Hui's attitude, Chen Ping frowned slightly and there was anger in his eyes.

"Ten million?" Tang Hongying took a breath: "Chen Ping, didn't you say that this car belongs to a friend you borrowed? Is this car that expensive?"

"Mom, I borrowed this car. I don't know how much it costs..."

Chen Ping explained.

"You fart..." As soon as Chen Ping finished speaking, Tang Hui immediately said something dirty: "This is Mr. Bai's car in Kyoto. How could I lend it to you to drive? How could you be friends with Mr. Bai? It's simply nonsense, I take it you stole this car?"

"Xiaohui, you can't talk nonsense. Without real evidence, how can you say that Chen Ping stole the car? This is illegal..."

Chapter: 1268

When Tang Hongying heard what Tang Hui said, she turned pale with fright. This was a car worth tens of millions. If Chen Ping really stole it, it would be troublesome.

"Do you want any real evidence? If that car is really driven by you, then he must have stolen it. He even dared to steal things from the Bai family in Kyoto. He is so brave. I'm afraid he will put you in jail this time. Already..."

Tang Hui stared at Chen Ping with a bit of excitement in his eyes. The Bai family would definitely be grateful if he could help the Bai family find the car.

"Hongying, how many times have I told you that your children must be well educated, but now you have made such a big mistake, and I can't help you now!"

Tang Shili followed Tang Hongying and then turned to look at Mayor Cui and said, "Mayor Cui, there is a car thief here now. Please make a call and have someone deal with it..."

"Okay!" Mayor Cui quickly took out his phone and called someone.

"Brother, Chen Ping borrowed it. He said he borrowed it..."

Seeing that Chen Ping was about to be arrested, Tang Hongying anxiously followed Tang Shili to explain.

"Hongying, are you stupid or am I stupid? Does your Chen Ping have the ability to borrow tens of millions of dollars in luxury cars from Kyoto? Stop joking..."

Tang Shili said coldly.

"Why not? Brother Chen Ping's girlfriend is the daughter of the richest man in Hongcheng. She is rich..."

At this time, Chen Yingxia stood up and said.

"The richest man in Hongcheng?" Tang Shili sneered: "The richest man in Hongcheng is nothing in the eyes of the Bai family, let alone the uncle of the richest family..."

Chen Ping looked at the faces of Tang Shili and Tang Hui, but did not refute or explain.

Tang Hongying was extremely anxious at this time. She slapped Chen Baoguo beside her and said, "You damn old man, you don't know how to say a word..."

Chen Baoguo slowly raised his head to look at Chen Ping and asked, "Chen Ping, dad just wants to ask you, did you borrow this car?"

Chen Ping nodded, and Chen Baoguo lowered his head again with satisfaction, without saying a word!

Soon, several people in uniforms arrived. Tang Hui kept saying to Chen Ping, "That's him. He's a car thief. Catch him quickly..."

Several people in uniforms wanted to go over and arrest Chen Ping, but they were stopped by Tang Hongying, Chen Yingxia and the others.

"You have no evidence, how can you arrest people randomly? Do you have any evidence?"

Tang Hongying stopped those people and shouted anxiously.

Chen Yingxia also took out her mobile phone and started recording a video: "You are messing with the law. I want to record it. If you arrest people without evidence..."

Tang Hongying and the others were extremely anxious, but at this moment, Chen Ping did not panic at all, but quietly looked at the father and son Tang Shili and Tang Hui!

"Brother, always provide evidence for everything. You can't just say it casually and Chen Ping will become a car thief..."

Chapter: 1269

Second Aunt Chen Ping also stood up and said to Tang Shili.

"Okay, don't you want evidence? I'll just call the Bai family and ask. If the Bai family says their car is lost, then Chen Ping is undoubtedly a thief..."

Tang Shili said, took out his mobile phone and started making calls.

Seeing that Tang Shili was really on the phone, Tang Hongying's face was full of nervousness. She was really afraid that the other party's car was really lost, and Chen Ping would be guilty of a big crime.

Chen Ping finally got out of prison just a few months ago. If he were sent to prison now, it would not be as simple as three years.

After making a phone call, Tang Shili put the phone away.

"Brother, do you understand? Did my Chen Ping borrow the car?"

Tang Hongying asked hurriedly.

"It's not that fast. I have already called the manager of the Kyoto headquarters. They will call Mr. Bai to verify. I don't have Mr. Bai's phone number..."

After Tang Shili finished speaking, he sat down on his seat, lit a cigarette and smoked it, his face full of joy.

He thought the same thing as Tang Hui. He didn't expect to encounter such a thing while having a meal. If this was to recover Mr. Bai's car, would the Bai family treat them badly in the future?

As for Chen Ping, Tang Shili would not care about it. In the face of his own future and interests, he would kill his nephew even if he was a relative.

"Why bother? I can just call Mr. Bai..."

Chen Ping said and took out his mobile phone.

“Do you have Mr. Bai’s contact information?”

Tang Shili was stunned and looked at Chen Ping in disbelief.

“Dad, listen to his nonsense, do you think Mr. Bai can know someone like this who has been in prison? He must be pretending, let’s ask him to call...”

Tang Hui didn’t believe Chen Ping’s words at all.

Chen Ping did not refute and directly dialed Bai Xiushan’s number.

At this moment, Bai Xiushan was in Gu Wentian’s courtyard, accompanying Gu Wentian and Zhao Wuji. The three of them were drinking tea and chatting. They were waiting to return to Kyoto with Chen Ping.

When Bai Xiushan received Chen Ping’s call and heard what Chen Ping said, his whole body trembled with rage.

“Grandpa, what’s wrong with you?”

Seeing Bai Xiushan’s behavior, Bai Zhantang asked hurriedly and concernedly.

“Zhantang, prepare the car immediately, let’s go to Chenjiacun!”

Chapter: 1270

Bai Xiushan looked angry.

Soon, the car was ready, Bai Zhantang drove towards Chenjia Village, and Zhao Wuji followed him.

“Old Bai, what happened to make you so angry...”

Zhao Wuji asked in confusion.

Bai Xiushan told what Chen Ping said, which made Bai Zhantang, who was driving, speed up instantly.

I scolded Tang Shili a thousand times in my heart. The Bai family worked hard to build a good relationship with Chen Ping, but this guy framed Chen Ping for stealing a car.

On the other side, Chen Ping waited quietly after making the call. He knew that Bai Xiushan would arrive soon.

“What? Are you done pretending? What did Mr. Bai say?”

Tang Hui looked at Chen Ping and sneered.

“Lao Bai will be here soon...”

Chen Ping said calmly.

“You said Mr. Bai will be here soon?”

When Tang Shili heard this, he stood up suddenly, but he quickly reacted and snorted coldly: “Okay, I’ll give you half an hour. If Mr. Bai can’t arrive, you can just wait to go to jail.” , He even dared to steal things from the Bai family...”

For a moment, the atmosphere in the box became a little awkward. No words were spoken, and Tang Hongying looked at Chen Ping with anxiety on his face.

Chen Baoguo didn’t change much. He kept his head down and smoked, without looking anxious.

Soon, half an hour later, Tang Shili looked at his watch, waved his hand and said, “Take the person away!”

Several people in uniforms moved towards Chen Ping to arrest him.

“Brother, please, please... don’t let them take Chen Ping away!”

When Tang Hongying saw that Chen Ping was really about to be taken away, she knelt down in front of Tang Shili with a thud.

“Mom, don’t kneel...”

Chen Ping hurriedly stepped forward and pulled Tang Hongying up.

“Hongying, I am not a helper, but I am a helper. Your son should be arrested for stealing other people’s things. There is nothing to say. It is useless for you to kneel down to me...”

Tang Shili said with arrogance.

Just when Tang Hongying was about to beg Tang Shili, the box door was suddenly pushed open.
