

The Order 131

Chapter: 131

The young man had a bit of majesty on his body, and he glanced at Chen Ping as soon as he entered the door!

Chen Ping also looked at the young man, and then prepared to leave!

But who would have expected that the young man stopped him directly: "Are you Chen Ping?"

Chen Ping looked at the young man in confusion and nodded slightly. He didn't know the person in front of him!

But if Chen Ping's parents were here, they would definitely know him. It was the person in front of him who drove Chen Ping's parents away when they went to Panlongwan Villa!

"Mr. Xing..."

When Cui Zhiyuan saw this young man, he immediately ran over to him and explained: "This person is called Chen Ping, and he applied for a job. Because he did not meet the conditions of our company, we rejected him..."

"Leave him alone..."

After the young man said something, he looked at Chen Ping again, then turned around and left!

"Mr. Xing, he...he is a reform-through-labor prisoner who has just been released from prison..."

Cui Zhiyuan stopped the young man and said.

The young man turned around slowly and looked at Cui Zhiyuan with cold eyes: "Are you teaching me how to do things?"

This shocked Cui Zhiyuan, who shook his head repeatedly: "I don't dare, I don't dare..."

The young man turned around and left. Cui Zhiyuan and the two interviewers were all stunned. They looked at Chen Ping in disbelief, wondering how Chen Ping and the general manager of the company knew each other!

"Chen Ping, how do you know me, Mr. Xing?"

Cui Zhiyuan asked with confusion on his face.

"Is he the general manager of this company? I don't know him!" Chen Ping shook his head!

Chen Ping didn't know this young man, nor had he met him, but this young man had met Chen Ping, and even saw with his own eyes the way Chen Ping followed Su Yuqi and made love to each other!

The young man's name is Xing Jun. He is an international student who graduated from Stanford University. After working in the Su Group, he was reused. Xing Jun also fell in love with Su Yuqi and has been pursuing Su Yuqi, but Su Yuqi did not agree!

After Su Wenzong gave it to Su Yuqi's company, because Su Yuqi didn't manage it, Xing Jun was transferred to the general manager of Xinyu Daily Chemical Co., Ltd., fully responsible for the company's operation and management!

This Xing Jun does have some strength. In a short period of time, he managed the company in an orderly manner and became the most profitable subsidiary of the Su Group!

The reason why Xing Jun worked so hard was to make Su Yuqi like him. But when he knew that Su Yuqi was following a boy like Chen Ping who had been in prison, a huge change occurred in his heart. He wanted to take Su Yuqi away from Chen Ping!

Now that Chen Ping has come to the company for an interview, of course he has to seize this opportunity. As long as Chen Ping stays in the company, he can find tens of thousands of ways to make Chen Ping quit before the difficulties, and he can also instigate Chen Ping to follow Su Yuqi!

“It’s really strange...”

Chapter: 132

Cui Zhiyuan frowned, but the general manager had spoken. He, a department manager, did not dare to disobey, so he could only say to Chen Ping: “You go through the entry procedures, and then I will send someone to take you to familiarize yourself with the company...”

Now Cui Zhiyuan doesn’t dare to trouble Chen Ping for the time being. He doesn’t know what the relationship between Chen Ping and Xing Jun is!

Chen Ping was also a little strange. He didn’t understand why Mr. Xing wanted to keep him. It seemed that he knew him!

Could it be that Su Yuqi knew that she was coming to her company for an interview and specifically asked the general manager?

Chen Ping frowned slightly and thought, then followed the girl out of the office and was taken to go through the entry procedures!

“Damn, your kid turned out to be a prisoner in a labor camp. I’m so unlucky that I actually talked to you for a long time. It’s so unlucky. You will never get a job!”

As soon as Chen Ping went out, he was scolded by the young man who had just put on glasses.

Chen Ping looked at the young man. He originally thought that the young man was good, but he didn’t expect that he was also such a guy who looks down on others!

“Mr. Chen, please follow me here. I need an ID card for the entry procedure. Have you brought it with you?”

The girl who followed Chen Ping asked Chen Ping.

“Oh, I brought it!” Chen Ping handed the ID card to the girl, and then smiled gratefully!

He knew that the girl asked this on purpose just to tell the young man!

Sure enough, when the young man saw that Chen Ping had succeeded in the interview, his eyes suddenly widened with disbelief on his face!

But Chen Ping ignored him, instead sneered and left directly with the girl!

While Chen Ping was applying for the job, in the office of the sales manager, Sun Xiaomeng said angrily to Cui Zhiyuan: “What’s going on with you? Didn’t you tell me not to admit him? Now he has been admitted. If you don’t annoy me to death from now on, my dad will definitely let me take him to work every day!”

“Can you blame me? Who knows what relationship that kid has with Mr. Xing? Mr. Xing directly admitted him. What can I do!”

Cui Zhiyuan also said with a displeased look!

“Didn’t you tell Mr. Xing that he was a reform-through-labor prisoner?” Sun Xiaomeng continued to ask.

“Of course I said it. Mr. Xing’s look at that time almost scared me to death. If I dared to talk too much, I might not be able to keep my position as manager...”

Now Cui Zhiyuan is frightened when he thinks of Xing Jun’s eyes!

“Does this guy really know Mr. Xing?” Sun Xiaomeng frowned.

“Let’s take a look first. If he really knows Mr. Xing, we really can’t target him in the future, and you have to coax him!” Cui Zhiyuan warned Sun Xiaomeng!

“You tell me!” Sun Xiaomeng rolled her eyes and walked out!

At this time, more than a dozen people in the sales department already knew that the general manager had personally spoken to recruit a reform-through-labor prisoner who had been in prison.

Chapter: 133

This kind of thing spreads quickly in the company, especially this kind of gossip!

“This man named Chen Ping must be related to Mr. Xing, otherwise he wouldn’t be wanted!”

“People who have been in prison should come with us. Why do I feel so perplexing!”

“People will be here soon. Let’s all be careful. If this guy really has something to do with Mr. Xing, if we are not careful, we will be in trouble!”

People in the sales department gathered around and talked.

“What are you doing? Don’t you have to work?”

Sun Xiaomeng came out of the office and saw everyone gathered around talking, so she shouted with a cold face!

Although Sun Xiaomeng is just an ordinary salesperson in the sales department, she plays with official authority everywhere. After all, Cui Zhiyuan is the department manager, and no one dares to provoke Sun Xiaomeng!

When Sun Xiaomeng shouted like this, everyone dispersed, and only a girl with short hair walked towards Sun Xiaomeng!

This girl's name is Wang Lanlan, and she has a good relationship with Sun Xiaomeng!

"Xiaomeng, did you hear that our sales department recruited a reform-through-labor prisoner? I heard that it was Mr. Xing who recruited him. I guess it has something to do with Mr. Xing..."

Wang Lanlan followed Sun Xiaomeng in a low voice.

"Shit, if he has something to do with Mr. Xing, he has something to do with Mr. Xing, it's just bad luck..."

Sun Xiaomeng didn't believe that Chen Ping really had anything to do with the general manager!

Wang Lanlan was stunned: "Do you know that person named Chen Ping?"

Sun Xiaomeng realized that she had said the wrong thing and quickly shook her head: "I don't know the reform-through-labor prisoner. I just feel that this guy has just been released from prison. How could he be acquainted with Mr. Xing? Don't spread rumors. I will ask Manager Cui to ask Xing later. You'll always know!"

About an hour later, Chen Ping completed the entry procedures, received a work badge and arrived at the sales department!

When Chen Ping arrived at the sales department, everyone looked at him like a giant panda, which made Chen Ping a little overwhelmed!

"Chen Ping, congratulations on joining our sales department. You must cherish this opportunity in the future!" Cui Zhiyuan said to Chen Ping in a calm tone!

Before knowing whether Chen Ping was related to Xing Jun, Cui Zhiyuan did not dare to target Chen Ping.

Chen Ping nodded slightly.

“Tongjian, come here!” Cui Zhiyuan shouted to a boy wearing glasses and with an immature face!

Soon the boy ran over and said to Cui Zhiyuan obediently: “Manager, are you calling me?”

“You will take Chen Ping with you from now on. You two will work together. Remember to teach him more...”

Chapter: 134

Cui Zhiyuan said to the boy.

The boy looked at Chen Ping with a troubled look on his face.

“What, you’re not happy?” Cui Zhiyuan’s eyes widened!

The boy quickly shook his head and said: “Yes, yes...”

Seeing the boy agree, Cui Zhiyuan smiled slightly and said to Chen Ping: “Go with him, your work station is next to him!”

After Cui Zhiyuan finished speaking, he turned and returned to the office!

The other sales department colleagues looked at Chen Ping with playful smiles, and Sun Xiaomeng also secretly smiled and sat back in her seat!

“Brother...brother, my name is Zhang Tongjian, I hope you can take care of me...”

Back at his work station, Zhang Tongjian stretched out his hand nervously and said to Chen Ping.

Chen Ping could tell that Zhang Tongjian was afraid of him, which surprised Chen Ping.

“My name is Chen Ping, you should pay more attention to me!”

Chen Ping stretched out his hand and smiled slightly!

“No, no, no, I’ve only been here a few days. Let’s work together...” Zhang Tongjian said hurriedly.

Chen Ping had long seen that Zhang Tongjian did not look like an old employee.

“You seem to be afraid of me?”

Chen Ping asked Zhang Tongjian with some confusion.

“No... not afraid!” Zhang Tongjian shook his head, but he did not dare to look directly at Chen Ping!

“Do you know something?” Chen Ping knew that Zhang Tongjian must have known something, so he was afraid of himself.

Zhang Tongjian hesitated for a moment, and finally nodded: “Brother, you... why are you in jail? You don’t look like a bad person!”

When Chen Ping heard this, he immediately laughed. It turned out that Tongjian knew that he had been in prison, so he acted a little scared!

After knowing why Zhang Tongjian was afraid of him, Chen Ping didn’t hide anything and told Zhang Tongjian everything about himself!

It didn’t take long for the two of them to become familiar with each other, and Zhang Tongjian was no longer afraid of Chen Ping!

“Brother Chen, you were wronged enough, but now that you are out, then do your best, but...but...”

As Zhang Tongjian spoke, he began to hesitate!

Chapter: 135

“Just what?” Chen Ping asked.

“Brother Chen, it’s just that you are assigned to my group. I don’t think either of us will last long...”

Zhang Tongjian sighed and said.

“What’s going on?” Chen Ping was surprised!

Zhang Tongjian opened a folder from the computer and said to Chen Ping: “Brother Chen, these are the accounts that our group needs to collect. The previous salesperson left the accounts and left. Now we need to collect them. If we collect them this month, If we don’t come up, we won’t be able to do it!”

Chen Ping looked at the dense accounts on the computer and frowned slightly: “There are so many people who owe my wife money?”

“Brother Chen, what did you say?”

Zhang Tongjian was stunned!

“Oh, I wonder why so many people owe money!” Chen Ping quickly changed his words!

“It’s just that it’s hard to do any business now. I’ve analyzed it a long time ago. These are difficult customers who owe money. I guess we two won’t be able to collect them!” Zhang Tongjian sighed heavily!

At this time, Chen Ping finally understood why many people secretly laughed after he was assigned to a group with Zhang Tongjian!

“Don’t worry, the money won’t be less, we can get it!”

Chen Ping patted Zhang Tongjian on the shoulder and encouraged him.

You must know that this company belongs to Su Yuqi. The money owed to the company is money owed to Su Yuqi. The money owed to Su Yuqi is money owed to Chen Ping. Chen Ping will not let anyone owe him money!

“Well, let’s work hard together...”

Zhang Tongjian was encouraged by Chen Ping and nodded hard!

Chen Ping became familiar with all the arrears in the company, and he would get back all the money!

Soon, the day passed. Chen Ping stretched and couldn’t help but muttered: “The debt is too much. What does the general manager of the company do for food?”

“Brother Chen, don’t talk nonsense. If someone hears you and reports you, you will be in trouble...”

Zhang Tongjian was so frightened when he heard that Chen Ping complained about the general manager that he quickly reminded him!

“Is it so serious? He is just a general manager, and he was hired. Does he really regard this place as his own home and himself as the emperor?”

Chen Ping didn’t expect that the employees were so afraid of Mr. Xing!

You must know that Xing Jun is just a professional manager. He was hired by the Su family with money. He has not yet reached the point of being able to dominate the company with one hand!

It's just that Su Yuqi rarely comes to the company and never participates in the company's affairs. This makes Xing Jun's power more and more powerful!

Chapter: 136

"Chen Ping, according to company regulations, new employees must be treated to a meal. Where do you plan to arrange them?"

Sun Xiaomeng found Chen Ping and asked after getting off work.

At this time, everyone in the office looked at Chen Ping and prepared to give Chen Ping a good meal, because every new employee would be given a severe meal!

"Is there such a rule? Is it stipulated by the board of directors?"

Chen Ping was slightly startled!

"Brother Chen, there is this rule. When I came here, I treated everyone to a meal. It cost me nearly ten thousand yuan. If I didn't treat you, I might be in trouble in the future."

Zhang Tongjian reminded Chen Ping in a low voice!

"Chen Ping, since you come to my sales department, you must abide by the rules of the sales department. These rules were set by me when I was the manager!"

Cui Zhiyuan came over and said to Chen Ping!

"What are your rules?" Chen Ping smiled coldly: "I'm sorry, I don't have money. If you want to eat, then pay for it yourself. You are not beggars. Do you need to beg for a meal from me?"

After Chen Ping finished speaking, he completely ignored Cui Zhiyuan's face, which was already turning blue with anger, and turned around and left!

“This Chen Ping is too much. What the hell? Is it because he has something to do with following Mr. Xing? He is so arrogant that he doesn’t even care about Manager Cui!”

Wang Lanlan jumped out and immediately spoke for Cui Zhiyuan.

“That’s right, even if he has connections, he can’t talk to Manager Cui like this and compare us to beggars. Who the hell cares about his meal!”

“It seems he doesn’t know how powerful our sales department is yet. Let’s make him look good tomorrow!”

All the people in the sales department said with indignation!

Zhang Tongjian hid aside and did not dare to speak at all. He was extremely depressed. What Chen Ping did today would definitely attract revenge. When they are in a group, he himself would not be able to escape!

“Huh, he has some shitty connections. I’ve already asked Mr. Xing about it. The reason why Mr. Xing kept him was just to make him embarrassed...”

Cui Zhiyuan’s eyes flashed with a cold light.

He had already asked Xing Jun in a roundabout way, and Xing Jun’s instruction to him was to make Chen Ping embarrass himself in the company. Although Cui Zhiyuan didn’t know why Xing Jun did this, he didn’t dare not listen to the general manager’s words!

Since Chen Ping didn’t treat him, the people from the sales department also left. Just when Cui Zhiyuan was saying goodbye to Sun Xiaomeng and thinking about leaving, Sun Xiaomeng’s cell phone suddenly rang!

The call was from Sun Xiaomeng’s mother, Li Fengxia. Seeing her mother calling her, Sun Xiaomeng hurriedly picked up the call.

“Xiaomeng, I have great news for you. All the debts owed by Fuyao Decoration have been paid back to us, and our company is back on its feet...”

Li Fengxia’s voice was full of excitement and excitement!

Chapter: 137

“Really?” Sun Xiaomeng was also excited: “Then why did Fuyao Decoration suddenly pay back the money? We asked for it many times but never paid.”

“Your dad has inquired, and it was Mr. Hu who spoke. He was so frightened that Fuyao Decoration immediately gave him the money!” Li Fengxia said.

“Lin Tianhu?” Sun Xiaomeng was stunned: “It doesn’t matter if our family follows him, we don’t even know him, so why does Mr. Tiger help us?”

“I’m wondering too? I remember you said that Zhiyuan used his connections to help us find a solution. I thought maybe Zhiyuan knew Mr. Hu or his friends knew him, so I called you to ask. If Zhiyuan is really helping, then call him tonight and we can have a meal together!”

Li Fengxia asked.

“I’ll go ask him. Hang up first...” Sun Xiaomeng hung up the phone.

“What’s wrong? Are you happy?” Cui Zhiyuan asked Sun Xiaomeng with excitement on his face, so he asked doubtfully.

“Zhiyuan, did you ask Mr. Hu to help our family pay the debt? All the money spent on Fuyao Decoration has been returned to our family. Our company is saved. My dad said it was Mr. Hu who spoke personally.”

Sun Xiaomeng looked at Cui Zhiyuan expectantly and asked.

She very much hopes that Cui Zhiyuan really did this, so that his parents will no longer reject the two of them, and Cui Zhiyuan's status in front of his parents will also be improved a lot, and he can get to know people like Lin Tianhu. , that is extremely glorious.

"Master Hu?" Cui Zhiyuan was stunned, but he rolled his eyes and quickly reacted: "Ah, I just mentioned it after Master Hu. I didn't expect Master Hu to work so efficiently. Since I gave the money, then I feel relieved!"

"Zhiyuan, I didn't expect you to really know Mr. Hu. You are so awesome..." Sun Xiaomeng excitedly threw herself on Cui Zhiyuan, kissed Cui Zhiyuan hard and said, "My mother said, I will ask you to come with us tonight. Let's have a meal, now I want to see if my dad can still look down on you!"

Sun Xiaomeng happily took Cui Zhiyuan's arm and walked towards the parking lot together!

On the other side, Chen Ping, after returning home, Tang Hongying asked eagerly: "Chen Ping, how was the interview? What position was assigned to you?"

"Mom, I succeeded in the interview and became a salesperson. The salary is good..."

Chen Ping smiled lightly.

"Oh, this is really great. I actually became a salesperson directly. This is all thanks to Xiaomeng. When we have time, our family will go and thank you. I feel relieved that you have a formal job... ..."

Tang Hongying showed a satisfied smile on her face!

Seeing his mother's happy look, Chen Ping didn't say anything!

"Chen Ping, wash up and change clothes. We will go out for dinner later. Your uncle Sun called and asked us to have a meal together..."

Chen Baoguo walked in from the outside with his mobile phone and said after seeing Chen Ping.

“Baoguo, why did Fuhai invite us to dinner? Logically speaking, they have found a job for Chen Ping, so we should invite them!” Tang Hongying asked in confusion.

“It seems that all the debts owed by Fuhai Company have been paid off, and the company is back on its feet...”

Chen Baoguo said.

Chapter: 138

“That’s great. Good people are rewarded...”

When Tang Hongying heard this, she was also happy for Sun Fuhai!

After hearing this, Chen Ping smiled slightly and walked into the room to change clothes.

He originally wanted to call Lin Tianhu to ask, but he didn’t expect that this guy was very efficient in doing things. It seemed that Lin Tianhu had to come forward to collect the debt that Xinyu Rihua owed. It was all his own money!

.....

Sun Fuhai was happy at the Regal Hotel and specially booked a table here. You must know that Sun Fuhai had not eaten here for a long time. Because the price was too expensive and the company was full of debts, he had no intention to come. Eat here!

“This Regal Hotel is so grand. Is this my first time eating here?”

Sun Xiaomeng looked at the magnificent hotel in front of her, and she was so excited that she almost jumped!

“This is also the Su family’s property. We are all the same boss. If I show my work ID to eat here, I can get a 20% discount...”

Cui Zhiyuan said with some pride.

“Yes, if we come here to eat, we can also generate income for the boss!”

Sun Xiaomeng held Cui Zhiyuan’s hand and walked in.

Arriving at a private room, the two of them pushed the door open and walked in. At this time, Sun Fuhai and Li Fengxia had already arrived!

“Hello uncle, hello aunt...”

After Cui Zhiyuan saw Sun Fuhai and Li Fengxia, he greeted them politely!

“Okay...” Li Fengxia stood up hurriedly: “Zhiyuan, come and sit down quickly. They are all members of your family, why are you so polite!”

At this time, Sun Fuhai also smiled slightly: “Zhiyuan, come here and stay with me. We will have two more drinks later. My company’s affairs are all thanks to you...”

Sun Fuhai’s attitude towards Cui Zhiyuan changed drastically, which made Cui Zhiyuan’s whole person swell up instantly.

“Uncle, why are you being polite to me about this little thing? It’s just a matter of one sentence. Besides, we are a family!”

Cui Zhiyuan said and sat next to Sun Fuhai.

Although Cui Zhiyuan did not do this, since everyone thought it was him, he just went with the flow and showed his strength!

“Zhiyuan, I really didn’t know that you were acquainted with Mr. Hu. Didn’t you know that the boss of Fuyao Decoration Company sent me money, and he looked like a grandson and almost knelt down for me? It was so satisfying. Already...”

When Sun Fuhai thought of that scene, he was extremely excited. He had been pretending to be a grandson for others for so many years, and he had never been treated like a grandfather before. This feeling was something he would never forget for the rest of his life!

“Uncle, if anything happens to the company in the future, just tell me. Don’t look at me as just a small department manager. There is nothing in Hongcheng that I can’t handle!”

Chapter: 139

Cui Zhiyantian spoke shamelessly and was not afraid of being exposed, because none of the people here knew Lin Tianhu or even met him. Who could expose him?

“Okay, okay... From now on, my uncle’s company will depend on you. I will only have a cute daughter. Everything in the future will be yours...”

Sun Fuhai now recognizes Cui Zhiyuan from the bottom of his heart!

“Uncle, don’t worry, I will definitely treat Xiaomeng well!”

Cui Zhiyuan nodded vigorously, feeling excited inside!

“Okay, I’m already hungry. If you keep talking, I’m going to starve to death. Hurry up and eat!”

Sun Xiaomeng interrupted the conversation between the two people and said with a pout!

“Wait a moment, I informed you of Uncle Chen’s family. They should arrive soon!” Sun Fuhai stopped Sun Xiaomeng.

“Our family is having a dinner, what are we asking them to do? It’s annoying...”

When Sun Xiaomeng heard that Chen Ping's family was coming, her face suddenly turned ugly!

"You kid, how can you say that your Uncle Chen also saved my father's life!" Sun Fuhai glared at Sun Xiaomeng, and then continued: "How was Chen Ping's interview today?"

"Uncle, Chen Ping succeeded in the interview. As a department manager, I can still handle such a small matter!"

Cui Zhiyuan directly took the credit for Chen Ping's successful interview!

"Zhiyuan, I'm really sorry to trouble you!" Sun Fuhai glanced at Cui Zhiyuan gratefully!

At this moment, the box door was pushed open and Chen Ping's family walked in!

"Sorry, I'm a little late..."

Chen Baoguo said apologetically when he saw that Sun Fuhai and the others had arrived a long time ago.

"Old monitor, it's okay. We have just arrived. Please sit down quickly..."

Sun Fuhai hurriedly asked Chen Baoguo and the others to sit down!

When Chen Ping saw that Cui Zhiyuan was there, he felt a little surprised, but he didn't say anything!

Cui Zhiyuan looked at Chen Ping with a playful look on his face, smiled coldly and said: "Chen Ping, we met again, and I asked you to treat me, but you ran away. Do you know how difficult it will be for me and Xiaomeng to do this? "

After Cui Zhiyuan finished speaking, Chen Baoguo immediately looked at Chen Ping with questioning eyes!

Tang Hongying asked: "Chen Ping, what's going on?"

Sun Fuhai also looked at Cui Zhiyuan with a questioning look on his face!

Chapter: 140

"This Chen Ping, the interview was successful. There is a rule in our sales department that new employees must treat guests to dinner, but he said he had no money and ran away, which made Zhiyuan and I embarrassed..."

Sun Xiaomeng looked at Chen Ping angrily and said!

"Chen Ping, is that true?" Upon hearing this, Chen Baoguo asked with a cold face.

"Dad, I am..."

"Shut up!" Chen Baoguo interrupted Chen Ping and shouted with all his strength: "Our family is poor, but we are not so poor that we can't even afford a meal. If someone helps you, you have to abide by their rules. Don't you understand etiquette? How can you work in the company in the future?"

Chen Baoguo roared angrily, and Chen Ping didn't say a word!

"Old monitor, Chen Ping is also trying to save money. What a big deal. If you don't want to be invited, just don't invite. Today's meal is congratulations to Chen Ping for his successful interview!"

Sun Fuhai hurriedly tried to smooth things over, as Chen Baoguo and Chen Ping could not quarrel!

"Uncle, in fact, Xiaomeng and I didn't miss Chen Ping's meal. The main reason was to let him increase his relationship with his colleagues so that he can start work in the future!"

Cui Zhiyuan said this, which made Chen Ping even more stingy!

“Yes, this matter is Chen Ping’s fault. I will ask him to make up for it tomorrow. The company’s rules cannot be broken by us...”

Chen Baoguo looked at Cui Zhiyuan apologetically and said!

“I think so, there is no need for tomorrow. After dinner, I will contact a few colleagues in the company and we will go sing together. The money will be paid by Chen Ping. I will explain it to the people in the company!”

Cui Zhiyuan said!

“That’s okay, that’s okay...” Chen Baoguo nodded repeatedly!

“Zhiyuan, the conditions of your Uncle Chen’s family are not very good. You should be careful and don’t spend too much money...”

Sun Fuhai said to Cui Zhiyuan!

“Don’t worry, uncle, it won’t cost two or three hundred...”

Cui Zhiyuan smiled slightly and said!

“Fuhai, this is Xiaomeng’s partner, right? He is really a talented person, and he is thorough in everything he does...”

Chen Baoguo followed Sun Fuhai and praised Cui Zhiyuan.

“No, all the debts owed by my company will be returned. Thanks to him, Zhiyuan knows Lin Tianhu from Hongcheng, and Lin Tianhu will get the money back in just one sentence!”

Sun Fuhai is also full of smiles. He is now quite satisfied with Cui Zhiyuan, his son-in-law!

After Chen Ping heard this, he was stunned. He didn't know when the credit for collecting the accounts for Sun Fuhai Company fell on Cui Zhiyuan!
