

The Order 1351

Chapter: 1351

Just as Chen Ping was shocked, the Fire Phoenix opened his mouth, and the flame in Chen Ping's hand flew into the Fire Phoenix's mouth uncontrollably.

Immediately afterwards, Fire Phoenix opened his mouth again and spit out the blue flame from his mouth. The huge energy shocked Chen Ping, and he stretched out his hand to draw a golden barrier in front of him.

After the light blue flame touched the barrier, it disappeared without a trace in an instant, but cracks did appear on the barrier in front of Chen Ping.

Chen Ping was surprised. He didn't expect that the transformed fire phoenix would be so powerful. Generally, whether it was transformed with energy, spiritual energy, or other media, the power would be greatly reduced, and it would not be able to perform as well as the master at all. Its own greatest strength.

But the fire phoenix in front of him is obviously different. The aura exuded by this fire phoenix is even much higher than that of Su Yuqi. This is so strange, as if this fire phoenix is not controlled by Su Yuqi at all.

Seeing Chen Ping's shocked look, Su Yuqi waved her hand, and the fire phoenix instantly turned into a ball of flames and enveloped Su Yuqi, and then slowly disappeared.

"Chen Ping, have you seen how powerful Yu Qi is now? If you dare to feel sorry for Yu Qi in the future, be careful she burns your ass with fire."

Gu Ling'er looked at Chen Ping's shocked look and said with a smile.

"This...this is amazing."

Chen Ping was very excited. The higher Su Yuqi's strength, the happier Chen Ping would be. It would always be good to have a few helpers around.

"What's this? Yu Qi has something even more powerful."

Gu Linger said proudly.

"What else? What other special skills are there?" Chen Ping looked at Su Yuqi in surprise.

Su Yuqi smiled slightly: "It's not a special skill, it's just my blood that can help any living creature improve its own strength."

Su Yuqi's words directly confused Chen Ping. He didn't understand what Su Yuqi meant.

Seeing that Chen Ping didn't understand, Gu Ling'er hurriedly explained: "Yu Qi's blood contains a substance that can stimulate cells in the body. Whether it is a human or an animal, as long as they drink Yu Qi's blood, they can improve their health." Strength. "

Gu Ling'er's explanation made Chen Ping widen his eyes and look at Su Yuqi in disbelief: "Is there such a thing? How is this possible?"

Chen Ping has never heard that sucking human blood can increase strength. You must know that Chen Ping knows a lot about medicine and alchemy, and he has also obtained the Supreme Alchemy Record from the Master of the Medicine God Valley. He has never seen such a record.

"Why are you lying to me? Xiaobai accidentally licked Yuqi's injured hand, and as a result, his strength increased greatly. Didn't you see that Xiaobai killed all those huge ferocious beasts?"

Gu Ling'er said hurriedly.

However, Chen Ping still didn't believe it. Although the snow wolf's strength had indeed increased, Chen Ping didn't quite believe that it had greatly increased its strength after licking Su Yuqi's blood.

Seeing that Chen Ping didn't believe it, Gu Ling'er became a little anxious, so she said: "If you don't believe it, just lick Yu Qi's blood and you will know."

After Gu Ling'er finished speaking, she looked at Su Yuqi. Su Yuqi nodded, suddenly took out a dagger and slashed towards her finger.

"What are you doing?" Chen Ping was startled and quickly stopped Su Yuqi.

Chapter: 1352

"Don't you believe it? You'll know if you try it."

"Gu Ling'er said.

"I believe it, I believe it, no need to try, I don't want to see Yu Qi get hurt."

Chen Ping took the dagger from Su Yuqi's hand and said.

Seeing Chen Ping caring about her so much, Su Yuqi's eyes were full of happiness, but she grabbed the dagger with her hand while Chen Ping wasn't paying attention. The sharp dagger instantly cut Su Yuqi's palm.

Seeing that Su Yuqi's hand was injured, Chen Ping hurriedly found something to bandage Su Yuqi.

"Chen Ping, I'm fine. I've thought about it a long time ago. I want to use my blood to help you practice quickly and improve your strength."

Su Yuqi looked at Chen Ping affectionately and said.

“What are you talking about? How could I suck your blood for my own cultivation? Even if I am trapped in the current state in this life, I will not suck your blood.”

Chen Ping hurriedly bandaged Su Yuqi, his eyes filled with distress.

Su Yuqi dared to move, and her eyes became moist, but she suddenly wiped Chen Ping’s mouth directly with her hand.

After the scarlet blood touched Chen Ping’s lips, a small part soon entered Chen Ping’s mouth.

Chen Ping felt that his blood began to boil, and the spiritual energy in his Dantian began to roll crazily. At this moment, Chen Ping actually felt like he was about to break through.

Chen Ping is now at the pinnacle of Grand Master, and after his breakthrough, he will reach the realm of Wuzong!

In Chen Ping’s Dantian, inner alchemy will be formed, which means he has reached the Dantian realm. At this level, Chen Ping’s strength will make a qualitative leap, and the spiritual power in his Dantian will transform from a gas state into a liquid form, more spiritual power can be stored in the Dantian.

“How is it? Do you feel it?”

Seeing Chen Ping Leng standing there, Su Yuqi asked hurriedly.

“This...isn’t this amazing?”

As that feeling slowly disappeared, Chen Ping woke up and looked at Su Yuqi in shock.

“I don’t know either. This was discovered by accident. If Xiaobai hadn’t suddenly gained strength after licking my blood, we wouldn’t have known that my blood had this effect.”

Su Yuqi looked at Chen Ping excitedly: “Now I can use my blood to directly help you improve your strength. I can finally help you.”

Su Yuqi has always been protected by Chen Ping. No matter how many difficulties there are, Chen Ping has to bear them alone. Su Yuqi has no ability to help Chen Ping.

Ever since she learned about Chen Ping’s life experience, Su Yuqi blamed herself even more, blaming herself for being incompetent and unable to help Chen Ping at all.

Now, she can finally help Chen Ping.

Chapter: 1353

Seeing the excited Su Yuqi, Chen Ping hugged Su Yuqi tightly. This was Chen Ping’s initiative to have such close contact with Su Yuqi, and in front of Gu Ling’er.

“Fool, I’ve said it before. It’s impossible for me to suck your blood and improve my own strength. If that’s the case, I’d rather waste all my cultivation and stop saying stupid things in the future. And this matter, Don’t tell anyone.”

Chen Ping knew that people’s hearts were sinister. If others knew about this, Su Yuqi would be in danger.

You must know that many people will do whatever it takes to increase their strength.

Su Yuqi snuggled into Chen Ping’s arms, feeling a sense of security arise spontaneously.

Gu Ling'er turned around with some envy, turning her back to Chen Ping and Su Yuqi. Watching the two of them making love to each other, Gu Ling'er felt an indescribable feeling in her heart.

Seeing Gu Ling'er turn around, Su Yuqi suddenly broke away from Chen Ping's arms, then pulled Gu Ling'er over, and then pushed into Chen Ping's arms.

"Ling'er, let's feel Chen Ping's warm embrace together..."

Su Yuqi grabbed Gu Ling'er's arm, and both of them hugged Chen Ping's arms.

Gu Ling'er struggled a little at first, but when Chen Ping's arms gently wrapped around her, Gu Ling'er stopped moving. Instead, she obediently leaned her head on Chen Ping's shoulder, enjoying the sound coming from Chen Ping's chest. temperature.

Chen Ping didn't know what he was thinking at this moment, but he actually felt like a winner in life.

Isn't that what it means to hug people from left to right?

Crunch.....

Suddenly, Chen Ping's door was pushed open, and Gu Ling'er and Su Yuqi hurriedly broke away from Chen Ping's arms.

Chen Ping also adjusted his clothes in embarrassment. When he saw Anna coming in, Chen Ping asked strangely: "Princess Anna, it's so late, are you okay?"

Anna looked at Su Yuqi and Gu Ling'er in the room, then smiled slyly at Chen Ping and said: "Chen Ping, I didn't expect that you are also a romantic boy, hugging each other, are these two your girlfriends? "

Anna's words made Chen Ping feel embarrassed for a moment. He had just hugged Gu Ling'er. If he just said that Su Yuqi was his girlfriend at this moment, what would Gu Ling'er mean?

"Yes, we are both his girlfriends..."

Su Yuqi saw Chen Ping's dilemma, so she took Gu Ling'er's hand and said to Anna.

Anna smiled: "Chen Ping, you are so lucky to have two such beautiful girlfriends at the same time."

Anna's words smelled like jealousy. Both Su Yuqi and Gu Ling'er were women, so how could they not hear it, so they both looked at Chen Ping at the same time.

"Princess Anna, are you okay with coming to my room so late? If it's okay, I'm going to rest."

Chen Ping's heart was beating wildly. He was really afraid that Anna would say something random here. After all, these foreign girls were very open-minded.

"Why are you nervous? I just came here to say goodbye to you. We will return to Bear Country early tomorrow morning. If you have the chance to go to Bear Country, be sure to contact me and I will take you to see the scenery of our country. "After Anna finished speaking, she looked at Su Yuqi and Gu Ling'er: "The two ladies are really lucky to have such an excellent boyfriend like Chen Ping."

Chapter: 1354

After Ana finished speaking, she turned and left.

However, Su Yuqi and Gu Ling'er both stared at Chen Ping closely.

“We haven’t seen each other for more than a month, and you’ve even hooked up with a foreign girl?”

Su Yuqi stepped forward and directly picked up Chen Ping’s ears.

“No, it’s unjust. I’m unjust. I just met Anna. She kept looking for me. I never took the initiative to talk to her.”

Chen Ping explained hurriedly.

“I guess you don’t believe it. The way that foreign girl looked at you just now was wrong. There must be something wrong with you two. Let’s bring it to you truthfully.” Su Yuqi didn’t believe it at all, and then followed Gu Ling’er and said: “Ling’er, come here and teach him a lesson with me. Now we are the same person.”

Upon hearing this, Gu Ling’er hurried forward and picked up Chen Ping’s other ear.

Chen Ping was interrogated by two women holding his ears.

Soon, the sound of playing and fighting came from Chen Ping’s room. At this moment, Chen Ping seemed to be the most relaxed moment.

“Shall you two sleep here tonight?”

Chen Ping looked at Su Yuqi and Gu Ling’er who had red faces and said.

“You think so well, you don’t even have a wedding, but you just want us to sleep with you?”

Su Yuqi rolled her eyes at Chen Ping, pulled Gu Ling’er and walked out.

Watching Gu Ling'er and Su Yuqi leave, Chen Ping sighed and sat on the bed.

“When I rescue my mother, I will hold a wedding with you...”

Chen Ping murmured to himself...

.....

Early the next morning, Anna left with Andrew and the others, and Chen Ping, Zhao Wuki and the others were sent to the airport.

After Anna and the others left, on the way back to the Dharma Protector Pavilion, Chen Ping said to Zhao Wuji: “Pavilion Master Zhao, will there be any high-ranking figures attending today’s celebration party?”

Zhao Wuji looked at Chen Ping, and then shook his head: “I don’t know yet. I don’t know who will be speaking from above at the celebration meeting this time. I don’t know who will be there, but Leader Chang from the Six Doors should be attending.”

“Are you talking about Chang Yuanjun?” Chen Ping asked.

“Yes, that’s him. Mr. Chen once treated his son.”

Zhao Wuji nodded.

Chapter: 1355

After Chen Ping thought about it again and again, he said to Zhao Wuji: “Pavilion Master Zhao, can we go see Leader Chang now? My strength is exposed now, and I also have treasures like dragon crystal and dragon-slaying sword on me. I think there must be many sects in Kyoto.” All the aristocratic families are already eyeing me, so I thought...”

“No problem, let’s go now. I know that those sects and aristocratic families won’t be afraid at all just based on the name of the Dharma Protector Pavilion.”

Zhao Wuji also understood Chen Ping very well. Otherwise, at the beginning, he would have invited Guo Wei, the director of the Martial Arts Alliance, to protect Chen Ping once. But now that the game is over, Zhao Wuji can tell whether the Martial Arts Alliance will protect Chen Ping. I can’t say for sure.

Soon, the car arrived at Chang Yuanjun’s residence. After Zhao Wuji asked the guards to report, he took Chen Ping to see Chang Yuanjun.

“Mr. Chen.....”

The moment he saw Chen Ping, Chang Yuanjun stepped forward very politely and held Chen Ping’s hand without any airs of a big leader.

Chang Yuanjun’s son was saved by Chen Ping, and Chang Yuanjun always remembered this kindness.

“Leader Chang, I’m sorry to bother you.”

Chen Ping said politely.

“Mr. Chen, what are you talking about? You saved my son. This great kindness is unforgettable. And this time you went to fight on behalf of the Guardian Pavilion and directly killed Ichiro Watanabe of the island country. This is inspiring. What good news.”

Chang Yuanjun said with excitement.

Chang Yuanjun asked Chen Ping to sit down and made tea for Chen Ping himself, which made Chen Ping feel a little embarrassed.

After making tea for Chen Ping and sitting down, Chang Yuanjun asked: "Mr. Chen, are you here for something? If you can find me, just talk, I will do whatever I can!"

Chang Yuanjun knew that a celebration banquet would be held today and that Zhao Wuji and Chen Ping should be very busy. To come to him now, something must have happened.

Chen Ping looked at Chang Yuanjun and didn't know what to say.

At this time, Zhao Wuji said: "Leader Chang, the martial arts world has been changing recently. Many sect families are eyeing Mr. Chen covetously. If Mr. Chen wants to stay in Kyoto, he needs someone to support him..."

When Chang Yuanjun heard this, he immediately showed embarrassment: "Wuji, you also know that our Sixth Sect is just a civilian, and has no control over the affairs of the martial arts world. Even if I open my mouth, those in the martial arts world may not give me face..."

"Leader Chang, that's not what you meant. Mr. Chen just hopes that through Leader Chang's relationship, he can help introduce and get to know the leaders at the lower and upper levels..."

Zhao Wuji hurriedly explained that of course he knew that Chang Yuanjun had no control over the martial arts world. When it came to the right to speak in the martial arts world, the Six Gates were not as good as their Dharma Protector Pavilion.

When Chang Yuanjun heard this, he suddenly realized, nodded, and suddenly said with a startled expression: "By the way, there is something I almost forgot to inform you. Mr. Shi should go back to participate in the celebration party this time."

“Mr. Shi?” Zhao Wuji frowned slightly, as if he didn’t understand who Chang Yuanjun was talking about, but then he seemed to remember something, his eyes widened and he said, “Leader Chang, what you are talking about is...”

Zhao Wuji did not say anything, but Chang Yuanjun nodded. He understood who Zhao Wuji was talking about.

“This is great. Mr. Shi will attend the celebration party, and our Dharma Protector Pavilion will be in full bloom...”

Zhao Wuji’s face was full of excitement.

Chapter: 1356

Chen Ping listened on the sidelines and couldn’t understand what the two people were talking about, and who that Mr. Shi was.

But he must be a big shot. After all, if a high-ranking official like Chang Yuanjun is addressed in such a respectful manner, then this person named Shi must be unusual.

Chen Ping didn’t stay at Chang Yuanjun’s residence for too long. He followed Zhao Wuji and left. After all, there were still many things to be arranged in the Dharma Protector Pavilion at today’s celebration banquet.

“Pavilion Master Zhao, who is the Mr. Shi you just talked about?”

Chen Ping asked Zhao Wuji curiously in the car.

Zhao Wuji drove the car, looked around, and then whispered: “Mr. Chen, do you remember that I once told you that there is a very secret department in Kyoto?”

“I remember that you said at the time that this secret department seemed to be the official control over the martial arts world.”

Chen Ping nodded and said.

“Yes, this Mr. Shi is the external personnel of this secret department. However, I don’t know what position he holds in this secret department. But if Mr. Shi can help you, then the entire Kyoto martial arts world will be... No one dares to touch you anymore!”

Zhao Wuji’s words touched Chen Ping’s heart. Although his strength is growing rapidly now and he can be considered a leader among the younger generation, compared with the entire martial arts world, he is just a drop in the ocean. .

What is this mysterious department? Chen Ping was very curious about the strength of the people inside.

But he knows that as long as he is strong enough, the level of contact will be higher and higher.

Back at the Guardian Pavilion, Zhao Wuji carefully arranged the scene of the celebration party. After knowing that Mr. Shi was also coming, Zhao Wuji became even more attentive.

Near noon, cars began to drive to the Dharma Protector Pavilion one after another. They were all relatively ordinary cars, not luxury cars, but the people who got out of the cars were all of distinguished status.

Zhao Wuji and Chen Ping, as the host, greeted those who came to the celebration party at the door. Even Zhao Wuji himself did not know who would attend, and the list of invitees was all arranged by the above.

Soon, Chen Ping saw a familiar figure appear.

This person was none other than Xuanyuan Kai, who had his arm cut off by himself. After Xuanyuan Kai got off the car, he opened the back door and invited Xuanyuan Rong and Xuanyuan Yan out.

Seeing that people from the Xuanyuan family had arrived, Zhao Wuji and Chen Ping were slightly startled.

“Chen Ping, you’re fine...”

Although Xuanyuan Kai only has one arm left, his domineering aura has not changed at all.

Feeling the aura of Xuanyuan Kai, Chen Ping was a little surprised. He didn’t expect this guy to break through to the realm of Wuzong. In just over a month after returning from Suolong Island, Xuanyuan Kai broke through from the peak of Grand Master to Wuzong, which is not bad. He’s a genius.

“You are indeed capable of killing Ichiro Watanabe, but no matter how capable you are, I will still seek revenge for my broken arm.”

Xuanyuan Kai put his face in front of Chen Ping and said with provocation in his eyes.

Chen Ping looked at Xuanyuan Kai with an indifferent expression.

Chapter: 1357

“Master Xuanyuan, if you are here to attend the celebration party, please come in. If you are here to cause trouble, I’m afraid you picked the wrong day today.”

Zhao Wuji was afraid that Chen Ping would conflict with Xuanyuan Kai, so he hurriedly stood between the two people and said to Xuanyuan Kai.

“Zhao Wuji, of course we are here to attend the celebration party. If you want to drive us away, you are probably not qualified yet!”

Xuanyuan Rong looked at Zhao Wuji with a sneer and said.

“Then please!”

Zhao Wuji made a gesture of invitation.

Xuanyuan Yan waved his hand: “Go in!”

Xuanyuan Yan spoke, and Xuanyuan Kai and Xuanyuan Rong walked towards the Dharma Protector Pavilion.

“Dad, after the celebration party, the Martial Arts Alliance will no longer protect Chen Ping. You must avenge me.”

Xuanyuan Kai whispered in Xuanyuan Yan’s ear.

“Shut your mouth, today is not the time to talk about this.”

Xuanyuan Yan glared at Xuanyuan Kai.

On the other side, Zhao Wuji looked at Chen Ping and said: “Mr. Chen, no matter who is looking for trouble today, you must restrain your temper to avoid giving a bad impression to Mr. Shi. The gain outweighs the loss.”

Chen Ping nodded: “I understand!”

Soon, many people came one after another, all of them were famous sects and families in the martial arts world. Such a lineup surprised Zhao Wuji. He didn't know who invited these people.

Knowing that each of these people has a prominent status, it would be very difficult to invite them all.

“Mr. Chen.....”

At this time, Zhao Ligu and Zhao Chuang also came. After seeing Chen Ping, they hurried up to say hello.

“You are here too?” Chen Ping was a little surprised: “Who invited you?”

Zhao Ligu said: “We all came here after being notified by the Martial Arts Alliance. I don't know who specifically sent the invitation.”

Chen Ping was stunned for a moment, then said: “You go in first!”

After Zhao Ligu led Zhao in, Zhao Wuji looked at Chen Ping: “Mr. Chen, I'm afraid this celebration will be lively. Maybe these guys from the martial arts world heard that Mr. Shi was coming, and all came to please him. of.”

Zhao Wuji's words made Chen Ping even more curious about Mr. Shi.

Slowly, more and more people came, and Zhao Wuji kept looking at his watch anxiously, waiting for Mr. Shi to appear.

Chapter: 1358

At this moment, a stretched luxury car appeared, and Zhao Wuji hurriedly greeted it.

But when the car door opened, a familiar figure came down.

Guo Wei, director of the Martial Arts Alliance.

After Guo Wei got out of the car, he ignored Zhao Wuji and respectfully invited an old man out of the car. The old man was wearing a white robe and had bright eyes.

Although the old man is not young, he is full of aura.

Facing this old man, both Chen Ping and Zhao Wuji felt a sense of oppression.

“I wish... I wish you, leader, welcome, welcome...”

After Zhao Wuji saw the old man, he immediately said respectfully, and his voice changed a little.

The old man nodded slightly, saying hello to Zhao Wuji, and then turned his attention to Chen Ping.

“Is this the Chen Ping who killed Ichiro Watanabe?”

The old man pointed at Chen Pingdao.

“Yes, he is Chen Ping!”

Zhao Wuji nodded, and then said to Chen Ping: “Chen Ping, this is the Zhuzhishan leader of the Martial Arts Alliance.”

“Wish you good luck, leader!” Chen Ping nodded and said hello.

Zhu Zhishan hummed, but followed Guo Wei into the Dharma Protector Pavilion without saying anything.

“Congratulations, Alliance Leader, what a coincidence...”

Just when Zhu Zhishan was about to enter the Dharma Protector Pavilion, a car suddenly stopped, and then a man got out of the car and followed Zhu Zhishan to say hello.

“Master Long, I didn’t expect you to be so late...”

Zhu Zhishan smiled immediately when he saw the person greeting him.

When Chen Ping saw the man in front of him, a vague murderous intention suddenly burst out from his body.

Seemingly sensing the killing intent in Chen Ping, Long Jingguo looked at Chen Ping with a smile on his face.

This was the first time the two of them looked at each other up close.

However, Long Jingguo only glanced at Chen Ping, then looked away, and followed Zhu Zhishan into the Dharma Protector Pavilion while chatting.

“Mr. Chen, what’s wrong with you?”

Chapter: 1359

Zhao Wuji, who was beside Chen Ping, also felt the faint murderous intention on Chen Ping's body, so he asked doubtfully.

"It's okay!" Chen Ping shook his head.

Zhao Wuji saw that Chen Ping didn't say anything, so he didn't ask further questions.

After waiting for a while, the regular reinforcements arrived, but Mr. Shi was still nowhere to be seen. In the end, Zhao Wuji and Chen Ping had no choice but to go inside first.

Now the hall arranged by the Dharma Protector Pavilion is full of people, and all of them are not simple. Some of these people are talking to each other, and some are closing their eyes to relax.

Among these people, Chen Ping also found some familiar figures. Hu Baqi, the tomb robber, and Cheng Kun from the Perak Sect were all here. However, Chen Ping didn't know whether they came with the family or were captured by themselves. Invited.

However, among these people, there are no figures from the Bai family and the Qin family. Neither Bai Xiushan nor Qin Xiaotian can appear here. It should be that the Bai family and the Qin family are not qualified yet.

After about half an hour, the entire noisy hall suddenly became quiet, and a middle-aged man walked in. Behind the middle-aged man were four people in uniforms.

The middle-aged man exuded a powerful aura that made people dare not look directly at him. After seeing this middle-aged man, everyone stood up in unison.

When Chen Ping saw the middle-aged man walking in, his eyes suddenly widened and his face was filled with shock.

It's not that Chen Ping knew this middle-aged man, but Chen Ping had seen the four uniformed men behind him.

These four people were the four people who appeared after Chen Ping met Long Wu for the first time in Kyoto and was rescued by Long Wu. Among them, Captain Xing was still among them.

After Chen Ping saw the methods of these four people at that time, he had long regarded these people as immortal beings, but now these people are just other people's followers.

"Mr. Shi....."

Everyone shouted to the middle-aged man.

"Hahaha, I'm sorry, something delayed me, so I came a little late..."

Mr. Na Shi laughed and then waved his hand for everyone to sit down.

"Mr. Chen, this is the Mr. Shi I was talking about, the special department he represents now."

Zhao Wuji whispered to Chen Ping.

Chen Ping nodded, and Chen Ping could tell without Zhao Wuji's introduction.

The strength of the four followers behind Mr. Na Shi alone means that many people here are no match for them.

At the beginning of the celebration party, Mr. Na Shi took the manuscript paper and began to say some official words. Although no one liked to hear this, they all sat quietly.

After saying some innocuous words, Mr. Shi glanced at Chen Ping and smiled slightly: "Our ability to achieve such results in this international competition and kill the arrogant Ichiro Watanabe is all because of this. Thanks to Chen Ping's contribution, you in the martial arts world should also learn more from Chen Ping, don't always look at the petty profits in front of you, and put the country first."

"I know that you sects and aristocratic families are used to being free-spirited and don't like to be restricted by joining the official department. I don't force it. After all, everyone has their own ambitions. However, I hope that you in the martial arts community will not fight and kill for some resources. I heard that you have many sects and families trying to kill Chen Ping for a dragon crystal. Don't you get enough resources from the trials we hold for the martial arts world every year?"

Chapter: 1360

"Now that Chen Ping has joined the Dharma Protector Pavilion, he is a member of the official family. I believe that all of you sitting here know the consequences of killing Chen Ping."

Mr. Shi's words immediately caused a noise below.

Long Jingguo's face was full of gloom. He never expected that this guy Chen Ping would join a small Dharma Protector Pavilion and get lucky enough to alert Mr. Shi and speak for him.

At the same time, everyone in the Xuanyuan family was also shocked. Xuanyuan Kai had just said that he wanted to seek revenge on Chen Ping. Now that the superiors had directly said such words, how could the Xuanyuan family deal with Chen Ping?

"Mr. Shi, do you mean that Chen Ping can attack others at will, but we can't kill him?"

At this time, Xuanyuan Kai, who had lost an arm, stood up and asked angrily.

Xuanyuan Kai's words instantly made everyone look at him, with shock in their eyes.

“Who is this young man? Dare you question Mr. Shi’s words!”

“Young man from the Xuanyuan family, it seems that the Xuanyuan family is going to be doomed.”

“It’s true that newborn calves are not afraid of tigers!”

Everyone was talking quietly.

Xuanyuan Yan was so frightened that he broke out in cold sweat.

“You bastard, sit down quickly!” Xuanyuan Yan slapped Xuanyuan Kai on the face, and then hurriedly said to Mr. Shi: “Mr. Shi, I’m really sorry, the dog is ignorant, and I hope you won’t be angry.”

“Master Xuanyuan, it’s okay. Let your son finish what he said. I think your son is already a Martial Sect at a young age. He is very talented!”

Mr. Shi was not angry, but said with a smile.

Xuanyuan Yan was about to say something, but Xuanyuan Kai said first: “Mr. Shi, Chen Ping broke my arm, and I have to avenge him. How can we in the martial arts world be convinced if you are so protective of him now?”

“Beast!” When Xuanyuan Yan heard Xuanyuan Kai’s words, he was so angry that he trembled all over and slapped Xuanyuan Kai with his palm.

“Stop!” Mr. Shi’s face turned slightly cold, and then with a gentle wave of his hand, Xuanyuan Yan leaned back and sat back in his seat.

You must know that Xuanyuan Yan is a seventh-level martial arts master. With such strength, he can break mountains, split rocks, and walk in the air. However, Mr. Shi was like flying flies away. He waved his hand and made Xuanyuan Yan sit down. Went back.

Chen Ping looked at this scene and was extremely shocked. It seemed that the road of cultivation would never end. If he wanted to have the right to speak and be respected by others, he still had to have strength.

At this time, Chen Ping had never been so eager for strength.

“You can do whatever you want in front of me and pretend I don’t exist?”

Mr. Shi’s words made Xuanyuan Yan break out in cold sweat, and the atmosphere in the entire hall instantly became extremely tense.

“Mr. Shi, I don’t dare, I don’t dare...” Xuanyuan Yan wiped his cold sweat and said.
