

The Order 1361

Chapter: 1361

“Young man, don’t be afraid. If you still feel dissatisfied, continue talking...”

Mr. Shi looked at Xuanyuan Kai and said with a smile.

“I...I have nothing else to be dissatisfied with!”

Xuanyuan Kai shook his head. Just now he stood up to question Mr. Shi in a fit of rage. Now that Xuanyuan Kai has calmed down, he was already scared to death.

“Since there is nothing else, let me explain to you. I will never protect anyone. What I hope is that the martial arts world can follow the rules and have healthy competition and development, instead of fighting and killing each other for a few resources.”

“If you have conflicts, then follow the rules of the martial arts world. What is the purpose of the martial arts alliance?” Mr. Shi said, turning to look at Zhu Zhishan: “Master Zhu, please tell me what the purpose of your martial arts alliance is. What?”

Zhu Zhishan stood up hurriedly and said: “Mr. Shi, the purpose of our martial arts alliance is to maintain the order of martial arts and punish evil cultivators.”

“Well, can your martial arts alliance handle the matter that this young man just raised?”

Mr. Shi asked.

“Yes, I will definitely handle it properly. If there is any conflict between the two parties, they can compete in a ring in accordance with the rules of the martial arts world. Life or death is a matter of fate. You are never allowed to seek personal revenge outside the ring!”

Zhu Zhishan nodded quickly.

“Well, everything is done according to the rules, so there won’t be so many contradictions. Don’t think that I don’t know the little thoughts of you people. Sometimes, I just don’t bother to care about you.”

Mr. Shi’s eyes scanned the people present. All the important figures from these sect families lowered their heads, and no one dared to speak.

“Mr. Shi’s lesson is right. I will strengthen the order in the martial arts world in the future...” Zhu Zhishan nodded continuously.

“One more thing, I want to tell you that this year’s trial may have to be postponed because no secret realm or ruins suitable for the trial have been found yet. All of you major sects and families should also pay more attention and take a look. Is there any place for testing?”

Mr. Shi said calmly.

Upon hearing that the trial was postponed, everyone was in commotion and began to whisper among themselves.

At this time, Zhao Liguó looked at Chen Ping and winked at Chen Ping.

He wanted Chen Ping to reveal the ancient tomb he discovered now. It would be best if it could be suitable for the trial. In that case, Chen Ping would have more weight in Mr. Shi’s heart.

“Mr. Shi, I do know a place, but I don’t know if it is suitable for a trial...”

Chen Ping saw Zhao Liguó’s eyes, then stood up and said.

Uh-huh.....

Everyone stopped talking instantly and turned their attention to Chen Ping.

“Mr. Chen, this place of trial is not just any place...”

Chapter: 1362

Zhao Wuji reminded Chen Ping in a low voice.

He was afraid that Chen Ping would be laughed out of his mouth if he mentioned an ordinary training place.

“Chen Ping, right? Can you tell me where this place is?”

Mr. Shi looked at Chen Ping and asked with interest.

“Mr. Shi, it’s just outside our Kyoto.”

Chen Ping said.

As soon as Chen Ping’s words came out, the whole place was in an uproar.

“Chen Ping, do you know what places are suitable for trials? You dare to talk nonsense here. There are so many sects and aristocratic families around Kyoto. I have searched many times. Is there anywhere else suitable for trials? place? ”

Xuanyuan Yan asked Chen Ping.

“You are talking nonsense. It is possible that you found some ruins, ancient tombs and the like in other places, but it is simply impossible in Kyoto. This place has been searched many times.”

“This is simply talking nonsense. I can walk around Kyoto with my eyes closed. If such a place really exists, how could I not know...”

“Young man, you are still confused. You think you have killed Ichiro Watanabe and Mr. Shi appreciates him, so you dare to talk nonsense.”

Everyone was talking about Chen Ping, but no one believed what Chen Ping said.

“Chen Ping, do you know that such an occasion is not suitable for joking? I think you still don’t know what a trial is, so please sit down first!”

Mr. Shi didn’t believe Chen Ping’s words at all.

For hundreds of miles around Kyoto, they may not be able to find a place for the trial. They have already searched the surrounding areas.

But there was only one person who looked at Chen Ping with something wrong. This person was Hu Baqi. He seemed to have guessed what Chen Ping wanted to say.

“Mr. Shi, although I don’t know which place is suitable for a trial, the place I’m talking about is an imperial mausoleum. If it hasn’t been robbed and excavated, there must be a lot of things inside.”

Chen Ping did not sit down, but continued to speak calmly.

“Emperor’s Tomb? Are you fucking hysterical? How is it possible that there are still undiscovered Emperor’s Tombs in Kyoto?”

Xuanyuan Kai immediately sneered at Chen Ping.

Everyone also began to laugh at Chen Ping, thinking that Chen Ping really dared to brag.

However, Mr. Shi’s face slowly turned cold, because Chen Ping’s words made him a little ugly.

They have explored the entire Kyoto countless times. Many of the imperial tombs currently being developed were discovered by them. Now Chen Ping actually said that he found another imperial tomb in Kyoto. How is this possible? This is not talking about other people. Are they all trash?

Chapter: 1363

“Mr. Chen, stop talking nonsense. There are no imperial tombs anywhere in Kyoto...”

Upon seeing this, Zhao Wuji hurriedly winked at Chen Ping and told Chen Ping to stop talking.

However, Chen Ping pretended not to see it and continued to say to Mr. Shi: “The imperial mausoleum is next to the current imperial mausoleum, and it is under the hill. If I guessed correctly, that hill should be the seal of the imperial mausoleum... ..”

At this time, everyone was even more excited. That place has now become a tourist attraction, receiving countless people every day. If there is an emperor’s tomb underneath, how could it not be discovered?

Mr. Na Shi looked at Chen Ping with slightly condensed eyes: “Chen Ping, are you telling the truth? If there is nothing there, do you know what the words you said here today will bring to you?”

“Mr. Shi, I am willing to take responsibility for what I say.”

Chen Ping said calmly.

Seeing how calm Chen Ping was, Mr. Shi began to believe Chen Ping’s words a little, while others began to waver.

Because no one would be stupid enough to deceive Mr. Shi in such a situation, not to mention Chen Ping is not stupid.

“Mr. Shi, there is indeed an ancient tomb under that mountain. It’s just not clear whether it is an imperial tomb. I discovered it some time ago. When I was trying to investigate for sure a few days ago, I ran into this guy. , bothered me to use the seven-star array to investigate, otherwise I would have reported it to the police.”

At this time, Hu Baqi stood up and said.

Hu Baqi first discovered this ancient tomb. He initially planned to dig it secretly by himself, but he didn't want to be discovered by Chen Ping. Now Chen Ping actually used the ancient tomb to sell a favor.

Hu Baqi was not happy anymore, so he stood up and wanted to take the credit for himself.

When Hu Baqi said this, everyone truly believed it. After all, the Hu family made a living by searching for caves and tombs. In this sect, no one could compare with the Hu family. Now Hu Baqi has said this, Then the ancient tomb in this place will be stable.

Mr. Shi glanced at Hu Baqi. As for Hu Baqi's words of reporting to the superiors, Mr. Shi would not believe it. How could these sect families share such good resources when they encountered them? However, Mr. Shi did not Make it clear.

"Okay, I will send someone to investigate for sure. If this place is the emperor's mausoleum, Chen Ping, your contribution is not small..."

After Mr. Shi finished speaking, he walked out.

Seeing that Mr. Shi was leaving, everyone stood up to see him off.

Zhao Wuji and Chen Ping also hurriedly sent him off respectfully.

"Chen Ping, anything beautiful in the forest will be destroyed by the wind. The protection of others can only be temporary. The only one who can protect you is yourself..."

Before getting into the car, Mr. Shi patted Chen Ping on the shoulder and said.

Chen Ping understood what Mr. Shi said and nodded slightly.

If you want to survive in this cruel society, you need your own strength. Relying on the protection of others is not a long-term solution after all.

Mr. Shi left, and many people also left one after another. If it weren't for Mr. Shi, the Protector's Pavilion would not have the strength to invite them here.

Chapter: 1364

"Chen Ping, don't think that because you have a backer, I can spare you. This feud is irreconcilable. Just wait for me..."

Xuanyuan Kai looked at Chen Ping and gritted his teeth.

"casual....."

Chen Ping said with an indifferent expression.

Chen Ping's expression almost made Xuanyuan Kai angry to death, but here, he didn't dare to take action against Chen Ping, after all, Mr. Shi had just explained.

"Xiao Kai, let's go..."

After Xuanyuan Yan gave Chen Ping a cold look, he called his son to leave. He was also afraid that Xuanyuan Kai couldn't help but attack Chen Ping.

"Dad, are we going to let Chen Ping go like this?"

After leaving, Xuanyuan Kai said angrily.

Snapped.....

Just after Xuanyuan Kai finished speaking, Xuanyuan Yan slapped him: "You bastard, you almost ruined our entire Xuanyuan family just now, do you know? You dare to question Mr. Shi, didn't you see that Zhu Zhishan was in Shi Don't you dare to fart in front of your husband?"

Xuanyuan Kai covered his face with a look of grievance: "Then my arm was broken in vain?"

“Don’t worry, since we can’t kill Chen Ping openly, then we will do it secretly...”

Xuanyuan Yan’s eyes flashed with strong murderous intent.

At this time, at the door of the Guardian Pavilion, Zhu Zhishan and Long Jingguo walked out together. After seeing Chen Ping, both of them paused slightly. Apparently they wanted to say something to Chen Ping, but neither of them spoke. .

“Boy, you stole my credit, you have to give me an explanation today...”

At this moment, Hu Baqi yelled at Chen Ping angrily.

Originally, he was the first to discover this ancient tomb, but now Chen Ping revealed it first and took the credit. How could Hu Baqi not be angry?

“Hu Baqi, please explain the matter clearly...”

Seeing Hu Baqi rushing over, Zhu Zhishan asked.

Although Hu Baqi made some remarks at the celebration party, it was obvious that Mr. Shi did not believe it, otherwise he would not have credited Chen Ping.

“Leader, I discovered this ancient tomb first. I was exploring the tomb when this kid broke into it...” Hu Baqi told what happened that day in detail, and then said angrily: “Today he took this The location of the ancient tomb was revealed first. Doesn’t this obviously take away my credit? I hope the alliance leader can make the decision...”

Zhu Zhishan looked at Chen Ping: “Chen Ping, is what he said the truth? If so, I think it is necessary to explain this matter to Mr. Shi.”

“Yes!” Chen Ping nodded without hesitation, but then continued: “It’s just that he didn’t really detect this ancient tomb at that time. It was my own exploration. If he really found it, in the After I left, why didn’t he follow you and report to the alliance leader in time? Could it be that the Hu family wants to monopolize this ancient tomb?”

Chapter: 1365

“You’re talking nonsense, I...I...”

Hu Baqi didn’t know how to explain it. After all, it had happened several days ago. He knew best why Hu Baqi didn’t report it to the Martial Arts Alliance immediately.

“You are not sure whether there is really an ancient tomb there. After I left, you must have gone to explore again, but you still haven’t discovered it, because the ancient tomb has been hidden by me with a magic circle, and you can’t detect it. ...”

Chen Ping looked at Hu Baqi like that and directly exposed him.

“I...you...” Hu Baqi was speechless. He finally gritted his teeth and pointed at Chen Ping and said: “Boy, just wait for me. Sooner or later I’ll give you a good look!”

Hu Baqi left angrily, and Zhu Zhishan looked at Chen Ping and said with an elder’s attitude: “Your sharp edge is too exposed, which is not a good thing. Even if there are people behind you to protect you, it is impossible to protect you for life.” Yeah, so you can take care of yourself...”

After Zhu Zhishan finished speaking, he left. However, Long Jingguo did not speak to Chen Ping from beginning to end, but only glanced at Chen Ping with a half-smiling expression.

Everyone left, and the Dharma Protector Pavilion returned to peace!

“Mr. Chen, although Mr. Shi has spoken, you’d better be more careful. I found that you have offended a lot of people...”

Zhao Wuji looked at Chen Ping helplessly and said.

“The road to cultivation is long, and there will always be stumbling blocks. If everything goes smoothly, I’m afraid I will never be able to grow...”

Chen Ping smiled lightly.

Zhao Wuji didn’t understand Chen Ping. The reason why Chen Ping did this was simply to get more resources. If he wanted to increase his strength, he couldn’t avoid these.

And Chen Ping couldn’t practice slowly for a long time because his mother was still suffering. Although Chen Ping had never seen his mother, he knew that her mother must love him. As a son of man, he had Responsibility to save his mother.

Looking at Chen Ping like that, Zhao Wuji found that Chen Ping had changed more and more. He didn’t know since when, the young man he looked down on before was gradually moving towards the height he looked up to.

On the other side, Long Jingguo looked very cold on his way back to Long’s house.

“Master, Mr. Shi has spoken, what should we do?”

Long Xingxu asked softly.

“Just do whatever you want to do. Mr. Shi just said you can’t kill Chen Ping, but he didn’t say you can’t arrest him. What I want is not Chen Ping’s life, what I want is his current identity. Can you understand?”

Long Jingguo looked at Long Xingxu and asked.

“Understood!” Long Xingxu nodded.

Whether or not to kill Chen Ping was meaningless to Long Jingguo. All he needed was to capture Chen Ping. After confirming Chen Ping’s identity, he threatened his sister Long Ruotong with Chen Ping and revealed that he had been questioning the two The secret of more than ten years is the main thing.

“You personally take people to the place that Chen Ping mentioned. If you choose that place after confirming the experience, you can bring more things to the leader Zhu. If this is really the emperor’s mausoleum, there will be a lot of treasures in it. ...”

Long Jingguo’s eyes narrowed slightly.

Chapter: 1366

“I understand, please rest assured, Master!” Long Xingxu nodded.

Long Xingxu went to participate in this training. Everything he did now was done for himself, and it was impossible for Long Xingxu not to care about it.

.....

After the celebration party, Chen Ping did not stay too much in Kyoto, but took Long Wu and the others directly back to Hongcheng.

Before returning to Hongcheng, Chen Ping went to Medicine God Valley and refined the black jade intermittent ointment and brought it back with him.

When Chen Ping rushed to the hospital with the black jade intermittent ointment, Lin Tianhu and Chi Feng’s men were all happy to see Chen Ping coming.

Chen Ping looked at Lin Tianhu and Chi Feng lying on the hospital bed. Although the two were still lying on the bed and unable to move, they were conscious and could communicate and talk normally. However, their bones were broken and they could not move.

Lin Tianhu still had a cigarette in his mouth, and there was a subordinate who was flicking the ashes from the cigarette. Lin Tianhu seemed to be very leisurely.

“Lin Tianhu, all your bones have been smashed and you have become a useless person. Are you still in the mood to smoke?”

Chen Ping said jokingly.

“Mr. Chen, you have the ability to bring the dead back to life. As long as I, Lin Tianhu, am still breathing, I am not afraid...”

Lin Tianhu chuckled.

Chen Ping also smiled helplessly, and then took out the black jade intermittent ointment: “You are sure that I can cure you. If I can’t do anything, let’s see if you can still laugh.”

After finishing speaking, Chen Ping handed the black jade intermittent ointment to the man on the side: “This thing is divided into two parts, one for internal use and one for smearing, once a day, don’t forget it!”

“I understand, Mr. Chen!” His subordinate took the black jade intermittent ointment and said respectfully.

“Mr. Chen, what is that thing you are holding? It looks dark, isn’t it harmful to the skin?”

Chifeng asked worriedly.

Chen Ping didn’t expect Chifeng to be like this and worried about his skin, so he couldn’t help but laugh. It was really hard to guess what was going on in this woman’s mind.

“This is black jade intermittent ointment. It can re-grow and heal bones. It can also beautify and nourish the skin, making people’s skin look like a newborn baby.”

Chen Ping said calmly.

When Chi Feng heard this, he was immediately excited and said to his subordinates: "Leave more of that black jade intermittent ointment for me. Lin Tianhu can just let him take it internally. Don't apply it externally. His rough skin is useless..." "

After hearing this, Lin Tianhu rolled his eyes, and the two of them actually started bickering.

Chen Ping looked at the two people and smiled helplessly. After staying for a while, he left. With the Black Jade Intermittent Cream, Lin Tianhu and Chi Feng only needed a week to walk on the ground.

.....

Chapter: 1367

Panlong Bay Villa!

After knowing that Su Yuqi and Gu Ling'er were back, both Su Wenzong and Gu Wentian hurried over.

Su Wenzong had not seen Su Yuqi for a long time. When he saw Su Yuqi back, Su Wenzong burst into tears and hugged Su Yuqi tightly.

Su Yuqi saw that her father had become much older, and she felt guilty in her heart. In order to follow Chen Ping, she had been wandering around and neglected her father at home.

"Dad, I'm sorry, I'm sorry for making you suffer alone..."

Su Yuqi kept blaming herself.

"Silly girl, I know you are following Chen Ping to do big things. When you come back this time, dad can feel the changes in you!"

Su Wenzong is also happy for Su Yuqi, who doesn't want to see his children have a bright future.

Gu Wentian was also holding Gu Ling'er's hand tightly at this time. His most beloved granddaughter also changed a lot at this moment, which made Gu Wentian very happy.

Chen Ping looked at the scene in front of him and felt a little touched in his heart. He didn't know whether it was right or wrong to let Su Yuqi and Gu Ling'er accompany him everywhere, away from his relatives, or whether he was a little too selfish.

But fortunately, we are all reunited now and have a rare warm time.

Chen Ping introduced Long Wu to Su Wenzong and Gu Wentian. When the two knew that Long Wu took special care of Su Yuqi and Gu Ling'er, they were also very grateful to Long Wu.

In the evening, Su Wenzong specially prepared a banquet at the Regal Hotel, and a group of people happily sat together and had a meal.

Gu Ling'er and Su Yuqi both went back to their respective homes to rest, while Chen Ping took Long Wu, Xiao Lan and Wu Mei'er to stay in his Panlong Bay villa.

Chen Ping will let Long Wu live here from now on. Although Hongcheng is a small town, the environment in Panlong Bay is quite beautiful and suitable for retirement.

After everyone was settled, Chen Ping took out a beast pill, which is the beast pill of the Sky-Swallowing Beast. Now that Chen Ping has reached the peak of Grand Master, if he eats this beast pill, he may be able to break through to Wuzong. Chen Ping The golden elixir can also be formed in the body.

After following Long Wu's explanation, Chen Ping went back to his room and closed the door directly, preparing to stay in seclusion for a while and break through to Wuzong.

With Mr. Shi's help, Chen Ping should be relatively safe during this period, but Chen Ping didn't know how long this safety could last, so he had to seize all the time to practice.

Although Long Wu has no power now, fortunately there is Snow Wolf, plus Su Yuqi, Gu Ling'er and Xiaolan. If enemies really come to visit, they can protect Chen Ping, so Chen Ping has nothing to worry about.

Looking at the crystal clear beast elixir in his hand, Chen Ping swallowed it without hesitation.

Immediately afterwards, a burst of spiritual energy exploded in Chen Ping's Dantian, and the dragon crystal in Chen Ping's body seemed to be impacted and began to glow with a faint golden light.

The spiritual energy in the beast elixir and the spiritual energy emitted by the dragon crystal were about to burst Chen Ping's Dantian, and the spiritual energy kept flowing through Chen Ping's body.

Chen Ping quickly ran the Heart Condensation Technique, constantly absorbing and refining the raging spiritual energy. Cold sweat began to break out on Chen Ping's forehead, and his whole body was like a ball, swelling suddenly, and then contracting back suddenly.

The severe discomfort made Chen Ping's brows knitted together. Chen Ping knew that this kind of great improvement would be a big test for himself, both mentally and physically. If he couldn't hold on, he would probably... It will be backlashed and eventually end up with no bones left.

Chapter: 1368

Chen Ping's body began to glow with golden light, and Chen Ping used his indestructible golden body to its extreme.

Outside the room, Long Wu looked at the flashing golden light in the room, with a bit of relief on his face...

Three days later!

On the Martial Arts Alliance forum, a piece of explosive news was posted by Zhu Zhishan, the leader of the Martial Arts Alliance.

"An imperial mausoleum was discovered on the outskirts of Kyoto. The imperial mausoleum discovered this time is the largest. After simple excavation, no signs of the imperial mausoleum being stolen were

found. The Martial Arts Alliance decided after research that this imperial mausoleum would be chosen for this martial arts trial. It will be carried out, and invitations will be sent out later. The major sects and families who have received the invitations will actively prepare themselves. Ten days later, the trial will start on time...”

Just such a piece of news caused an explosion in the entire martial arts world. The emperor’s tomb was actually discovered in Kyoto. This was something that was unimaginable. It was also the largest imperial tomb that had been illegally excavated. The treasures inside were incredible. You know it.

Almost all the sects and aristocratic families have begun to prepare for this trial and are fully prepared, hoping that they can receive the invitation.

At the same time, in the hall of the Long family, Long Jingguo summoned all the senior officials of the Long family for a meeting.

This trial was so unusual that the Long family had to take it seriously.

“Long Xingxu, tell the elders and protectors the news you got...”

Long Jingguo said to Long Xingxu.

“Yes!” Long Xingxu nodded, and then said: “This time I took people to visit the tomb. This is indeed an imperial tomb. When the sealing soil was dug up and the door of the tomb was exposed, there was a burst of emotion. The dark wind blew, and faint noises could still be heard in the ancient tomb.

No one knows what’s inside, but the Martial Arts Alliance has sent people to handle it, and they can only get close during the trial. ”

“I sent some things to Alliance Leader Zhu, and got an invitation list from Alliance Leader Zhu. The head of the family, the protectors, and the elders will take a look...”

Long Xingxu said, taking out a document and placing one in front of everyone.

If you want to get the maximum benefit from this trial, of course you must know yourself and your enemy.

Long Jingguo held the list and frowned slightly.

“Master, is there anything wrong?”

Long Xingxu felt nervous and asked hurriedly.

It was not easy for him to get the opportunity of this trial, and he must not make any mistakes.

“This Chen Ping is also on the trial list?” Long Jingguo asked.

“Yes, I asked Alliance Leader Zhu. This is what Mr. Shi meant. After all, it was Chen Ping who discovered the imperial mausoleum and told Mr. Shi.”

Long Xingxu nodded.

“This Chen Ping has made countless enemies. If he goes to participate in the trial, he will definitely not be able to come out alive based on his little ability.”

Chapter: 1369

Long Jingguo had a gloomy look on his face. He wanted Chen Ping alive, because Chen Ping was still useful to him if he was alive, but if he died in the mausoleum, a dead Chen Ping would have no value to Long Jingguo. .

“Master, how about we protect Chen Ping during the trial?” Long Xingxu carefully asked Long Jingguo’s opinion.

“No, this trial is not trivial. How can we spare the energy to protect Chen Ping? There must be a lot of treasures and resources in such a large imperial mausoleum. We must plunder the resources inside as soon as possible to avoid being used by other sects. The family took the lead.”

Long Jingguo shook his head without hesitation.

“Then... what should we do?” Long Xingxu asked in embarrassment.

Long Jingguo hesitated for a moment, then looked at an old man on his right and said: “Great Protector, the five of you will go to Hongcheng to catch Chen Ping, but you have to do it in secret, and it’s best not to expose yourself. This Chen Ping cannot be allowed to participate in the trial.”

“As ordered...” The great protector stood up and then left with several other protectors.

The five guardians of the Long family are all in the realm of martial arts, and each of them is stronger than the fifth-level martial arts. The strength of the five people is comparable to that of a sect family, which shows how strong the strength of the Long family is.

If Chen Ping wants to destroy the Long family and rescue his mother, he may have to go through a difficult journey.

What’s more, the Long family has huge power in Kyoto and has a complicated network of relationships. Even within the martial arts alliance, the Long family has the right to speak. Therefore, if Chen Ping wants to deal with the Long family, he may have to deal with the entire martial arts world in Kyoto. .

The five guardians left, and only Long Jingguo and a few elders from the Long family were left in the entire hall. Long Xingxu did not dare to raise his head in front of these people, and he had no right to raise his head!

“Master, if nothing else happens, I will go down and prepare.”

Long Xingxu thought about leaving, it was too depressing here.

“Don’t leave yet!” Long Jingguo called out to Long Xingxu, and then continued: “Long Xingxu, where is your strength now?”

“Master, I have reached the level of a third-level martial arts master. I will practice for a long time. When the trial is over, I am confident that I can break through to a fourth-level martial arts master.”

Long Xingxu said confidently.

“The fourth-grade martial arts master is really good. There are not many people your age who can reach this level of strength.”

Long Jingguo praised Long Xingxu.

“Thank you for the compliment, Master!” Long Xingxu looked proud.

You must know that Long Jingguo rarely praises others, not even his own son Long Xiao.

“Don’t thank me yet. With your current strength, if you meet Chen Ping, can you capture him alive?”

Long Jingguo asked a very pointed question.

Long Xingxu was stunned for a moment, then shook his head: “Master, I can’t do it. Since Chen Ping can kill Ichiro Watanabe, his strength should be higher than mine.”

Long Xingxu is very sincere and will not hide anything. His strength is indeed inferior to Chen Ping.

Chapter: 1370

“What I’m most worried about now is that with your strength, you will suffer a big loss during the trial, and in the end you won’t get any resources, and you will risk your own life.”

Long Jingguo said with worry on his face.

After hearing this, Long Xingxu felt his heart skip a beat. He knew that his beautiful job might be ruined.

“Master, I am willing to give everything, including my life, for the Long family.”

Long Xingxu began to swear to God.

“Long Xingxu, you don’t have to be so excited. I will arrange for you to go to this trial, but I have asked Xiao’er to come back. Then you two will form a team to participate in the trial.”

Seeing Long Xingxu like that, Long Jingguo said with relief.

When Long Xingxu heard this, he was stunned, but he had no right to refuse. In the Long family, he was just a side branch. Although some servants called him Master Long, in the eyes of the senior officials of the Long family, he, Long Xingxu, Nothing.

However, Long Xingxu also secretly breathed a sigh of relief. Although the protagonist of the trial has become Long Xiao, he can follow him after all. What Long Xingxu needs now is an opportunity.

“Everything must be obeyed by the master of the family...”

Long Xingxu said respectfully, not daring to show a trace of displeasure on his face.

“Well, go down and get ready!”

Long Jingguo waved his hand.

Long Xingxu retreated, but the moment he walked out, the humility on Long Xingxu’s face disappeared, replaced by a cold face, and a fierce look flashed in his eyes.

As the most talented person of the younger generation, Long Xingxu relied on limited resources to cultivate to the realm of Wuzong. He has been working hard in order to one day make their lineage the master of the Long family. Being looked down upon.

Now, sometimes he is even worse than a servant, and he lives very cautiously, for fear that if he offends Long Jingguo with any words, he will be destroyed directly.

Long Xingxu knew very well how he came to be the head of the family of Long Jingguo. He knew that as long as he endured it, the day would come sooner or later.

.....

Hongcheng, Panlongwan Villa.

This is already the tenth day, and the golden light flashing in Chen Ping's room has never stopped, and at this time, Chen Ping is still working towards the final breakthrough.

Endless spiritual energy roamed Chen Ping's body, and Chen Ping used the Heart Concentration Technique to its extreme. The misty spiritual energy in the Dantian actually began to form frost and turned into tiny mist, and above the Dantian, an object only the size of a grain of rice, is emitting light.

This is the prototype of the golden elixir. Now Chen Ping has reached the critical moment of impact. At this time, he is the most vulnerable. If someone attacks Chen Ping at this time, Chen Ping will fall short and be killed by the backlash.

While Chen Ping was changing inside his body, his body was also changing quietly. Every inch of Chen Ping's skin gave birth to countless golden scale-like things, as if he was wearing a layer of armor, but soon this layer of things It will disappear again, then appear again, and so on...

"Uncle Long, it's already the tenth day. Nothing will happen to Chen Ping, right?"
