

## The Order 1391

Chapter: 1391

What kind of strength does a person who can possess a perverted skill like the Heart Condensation Art and create a force like the Tianlong Palace have?

“Mr. Chen, Mr. Chen...”

Seeing Chen Ping suddenly stunned, Zhao Wuji felt like shouting twice.

Chen Ping was shaken and hurriedly woke up and said: “Pavilion Master Zhao, what’s wrong?”

Seeing that Chen Ping was fine, Zhao Wuji said: “Mr. Chen, Mr. Shi sent a message two days ago, saying that the Watanabe family of the island country has sent experts to sneak into our country to assassinate Mr. Chen, but Mr. Shi said, let you Don’t worry too much, if those people dare to come in, someone will naturally make them disappear.”

“Well, I know!” Chen Ping nodded.

He did not doubt Mr. Shi’s words at all, because he had seen the strength of that organization. The strength shown by Captain Xing back then was no worse than that of Chen Ping now. You must know that Captain Xing was just a follower. It can be seen that this Mr. Shi or this The strength of the top leaders of the organization must be terrifying.

“But Mr. Shi also ordered Mr. Chen not to go abroad in the near future, otherwise your personal safety will not be guaranteed.”

Zhao Wuji said again.

Chen Ping nodded. His time was precious now, and he wished he could spend every moment on cultivation. He would have no time to go abroad.

.....

Martial arts alliance!

Zhu Zhishan, Guo Wei and other high-level officials of the martial arts alliance have gathered together. Tomorrow is the official start of the trial. As the organizer, the martial arts association must consider everything carefully. If a big mistake is made, they will also It's hard to explain.

“Zhu Alliance Leader, this is a trial, but the emperor’s tomb has been buried underground for thousands of years. I don’t know how many treasures there are in it. Should our martial arts alliance secretly send a few people to get some treasures out of it?”

Guo Wei asked Zhu Zhishan cautiously.

Zhu Zhishan shook his head: “This time, Mr. Shi personally asked. If we send someone secretly, they will probably be discovered.”

“Then we will just watch the treasures in the emperor’s mausoleum be taken away by other sect families?”

Guo Wei was unwilling.

“Don’t worry, I have already talked with Long Jingguo. You will lead the team for this trial, but you have to take care of the Long family. When the time comes, the treasures and resources obtained by the Long family will be shared equally with us.”

Zhu Zhishan had already made plans.

“I understand...” Guo Wei nodded.

.....

The next day, the trial officially begins!

Chen Ping followed Zhao Wuji to the trial location. When Chen Ping arrived, he found that the place was already crowded with people, including many people from sect families.

Chapter: 1392

The hill he found had been leveled long ago and was blocked by high walls, leaving only one entrance and exit. There were two people with the strength of a seventh-level martial sect guarding the entrance to prevent anyone from breaking in without permission. .

“Please show your invitation. No one can enter without an invitation...”

After Chen Ping and Zhao Wuji walked to the door, they were stopped by two guards.

Chen Ping showed the invitation and followed Zhao Wuji in.

As soon as he walked in, Chen Ping found that there was a deep pit inside. Inside the pit, a huge stone door was exposed. As long as the stone door was pushed open, one could enter the emperor’s mausoleum.

Looking at the size of this imperial mausoleum, there will definitely be a lot of treasures in it, and there will also be hidden weapons.

“Brother Chen.....”

Just when Chen Ping was observing the emperor’s mausoleum, a person suddenly called him.

Chen Ping turned around and saw that it was Zhao Chuang. Behind Zhao Chuang were two other people, all of whom were masters of the martial arts.

“Zhao Chuang, what are you doing here?”

Chen Ping asked doubtfully.

After all, with Zhao Chuang’s strength, if he came to participate in the trial, he would probably only become the laughing stock of everyone.

“I’m here to take part in the trial!” Zhao Chuang said excitedly.

Chen Ping was speechless for a while. He didn’t expect that Zhao Chuang really came to participate in the trial.

“With your strength, aren’t you seeking death by participating in the trial? Do you know how much danger there will be in this imperial mausoleum that has been dusty for thousands of years?”

Chen Ping didn’t understand why Zhao Ligu allowed Zhao Chuang to participate in the trial?

“I’m not afraid. My dad said that Brother Chen will also come to participate in the trial. It will be no problem if you ask me to follow you. Besides, I also brought two masters...”

Zhao Chuang pointed to the two people behind him and said.

“Mr. Chen...”

The two men stepped forward and shouted respectfully to Chen Ping.

Chen Ping nodded slightly. Although the strength of the two third-level martial arts sects was not low, among the major sects and families in this trial, this strength was nothing.

“Follow me and remember not to run around. There are many unknown dangers in this imperial mausoleum. Even I don’t know if I can handle them...”

Chen Ping warned Zhao Chuang.

“Brother Chen, don’t worry. I will listen to Brother Chen’s orders. My dad already told me when he came here. If Brother Chen is in danger, let us protect you with all our strength!”

Chapter: 1393

Zhao Chuang said with a smile on his face.

Chen Ping patted Zhao Chuang on the shoulder: “Be careful, there shouldn’t be any big problems.”

Just as Chen Ping finished speaking, there was a sudden commotion in the crowd.

I saw a young man wearing white training clothes, with a short haircut, and a pair of shiny black leather shoes walking in.

Following the young man was Long Xingxu and two people with fifth-level martial arts strength.

“I didn’t expect the eldest young master of the Long family to come. Did you think he wouldn’t participate in this trial?”

“How could you not participate? This time the Emperor’s Tomb is probably the place with the most treasures among all trial locations.”

“This Long Xiao has actually reached the level of a seventh-grade martial arts sect. He is so young and so awesome...”

Everyone was talking, but they all followed Long Xiao and said hello.

“Brother Chen, this person is Long Xiao, the eldest young master of the Long family. He has been practicing as a disciple outside and only comes back once a year for the trial. I didn’t expect that this guy’s strength has grown so fast. I remember that during the trial last year, he was only a third-level martial arts master. , and now it has reached the seventh level.”

Zhao Chuang looked at Long Xiao with envy in his eyes: “It would be great if I could be like this guy and practice so fast.”

Chen Ping ignored Zhao Chuang and stared at Long Xiao with his eyes. At this time, a bold idea slowly flashed in Chen Ping’s mind.

With Chen Ping’s current strength, it is simply impossible to go to the Long family to rescue his mother, but when his strength allows, he doesn’t know how long it will take.

But now that Long Xiao was right in front of him, Chen Ping came up with the idea that he could hijack Long Xiao and use Long Xiao to replace his mother.

At this moment, Long Xiao also seemed to feel something. He suddenly turned his head to look at Chen Ping. The two people looked at each other, and Long Xiao felt a very strange feeling.

He didn’t know Chen Ping, and he didn’t know anything about Chen Ping’s recent affairs.

“Young Master, this person is Chen Ping, the person who just killed Ichiro Watanabe some time ago.”

Long Xingxu followed Long Xiao and introduced.

“Oh, I see. It seems that he also discovered this emperor’s tomb, right?”

Long Xiao suddenly realized.

“It should have been Hu Baqi from the Hu family who discovered it first, was discovered by Chen Ping, and then told Mr. Shi.”

Long Xingxu didn’t believe that Chen Ping had the ability to discover such a large imperial mausoleum at first.

As the Hu family’s tomb robbing skills have been passed down from generation to generation, it shouldn’t be difficult to discover an ancient tomb.

“Speaking of which, this guy is also a robber...”

Chapter: 1394

When Long Xiao heard this, he immediately snorted and looked away with disdain on his face.

Just after Long Xiao left, Chen Ping found two more acquaintances, Cheng Kun from the Perak Sect and Xuanyuan Kai from the Xuanyuan Family. Both of them also brought two martial arts masters with them.

After seeing Chen Ping, Xuanyuan Kai’s face turned cold instantly: “Chen Ping, you’d better be careful in this trial, don’t let me seize the opportunity...”

If Xuanyuan Kai didn’t avenge his broken arm, he would probably never be angry for the rest of his life.

“Xuanyuan Kai, shut your mouth. Are you threatening Brother Chen? Be careful I tear your mouth apart...”

When Zhao Chuang saw Xuanyuan Kai threatening Chen Ping, he immediately stepped forward.

Xuanyuan Kai was stunned for a moment, then sneered: “Zhao Chuang, when did you become this guy’s dog? You used to call me brother, but now you bite me in turn?”

“You’re numb...”

When Zhao Chuang heard that Xuanyuan Kai compared himself to a dog, he punched Xuanyuan Kai in anger.

However, before Zhao Chuang’s fist could reach him, Xuanyuan Kai waved his hand and a huge aura directly knocked Zhao Chuang back.

Chen Ping stretched out his hand to hold Zhao Chuang, so that Zhao Chuang did not sit down on the ground and make a fool of himself.

The difference between Zhao Chuang’s strength and Xuanyuan Kai’s is huge.

“Zhao Chuang, you said that your Wuying Villa cannot fawn over anyone, but you have chosen to be a dog to this Chen Ping. You are really not afraid of being laughed at by others...”

Cheng Kun on the side looked at Zhao Chuang with a mocking face.

“Xuanyuan Kai, Cheng Kun, you fucking wait for me. You two took advantage of others’ danger, injured my father, and killed so many people in our Shadowless Villa. I, Zhao Chuang, will remember this grudge...”

Zhao Chuang glared at Xuanyuan Kai and Cheng Kun fiercely.

“Hahaha, Zhao Chuang, are you worthy of speaking nonsense? With your kind of virtue, you will never even think about revenge after practicing for a lifetime.”

Cheng Kun looked disdainful: “Your dad was lucky enough to survive. But even if your dad didn’t die, the current strength of your Shadowless Villa cannot be compared with our two families.”

The disdain on Cheng Kun’s face made Zhao Chuang even angrier and gritted his teeth fiercely, while the two martial arts masters behind Zhao Chuang let out their breath and clenched their fists.

Snapped!

But who would have expected that at this moment, Cheng Kun’s eyes suddenly blurred, and then he received a slap, and half of his face instantly became red and swollen.

“Who, who the hell hit me?”

Cheng Kun took two steps back, covered his face and shouted loudly.

“I will avenge Wuying Villa for them. If you dare to say a few more words, I will kill you now...”

Chapter: 1395

Chen Ping’s face was cold, his eyes were slightly focused as he looked at Cheng Kun, with a cold murderous intent in his tone.

After all, Wuying Villa is also the entrance to his Tianlong Palace. Now that Wuying Villa is under attack, Chen Ping cannot ignore it.

“Chen Ping, you fucking dare to hit me. Don’t think that you can do whatever you want now that you have a backer. I’ll kill you first today...”

Cheng Kun’s violent temper instantly became angry, and the two martial arts masters behind him also stepped forward directly, and their aura enveloped Chen Ping.

“Cheng Kun, you are so brave. After all, Mr. Chen is also a member of my Dharma Protector Pavilion. You are too disrespectful to give me the Dharma Protector Pavilion’s face.”

Seeing that Cheng Kun didn’t take him seriously at all, Zhao Wuji immediately shouted angrily.

“Zhao Wuji, you, the Guardian Pavilion, are here to maintain public order in Kyoto. Just catch the thieves who are stealing chickens and dogs. You are not pretending to be a big-tailed wolf. Get away from me, or I will destroy you too.”

Cheng Kun didn’t take Zhao Wuji seriously at all. A large sect like theirs and a small Dharma Protector Pavilion had nothing to be afraid of.

“you.....”

Zhao Wuji’s face turned pale with anger, but with his current strength, if he really wanted to take action, he probably wouldn’t be able to defeat Cheng Kun, let alone the two martial sects beside Cheng Kun.

For a moment, the atmosphere at the scene became tense. Many people looked over as if they were watching the excitement, but no one planned to stop them.

For these people, it’s good to have some fun, and when the time comes to actually fight, there will be one less competitor.

“Don’t you understand the rules of the trial? Do you dare to do it here?”

A powerful aura came, and then Guo Wei’s figure floated in from a distance.

Seeing Guo Wei, Cheng Kun was immediately frightened. He immediately put on a smile and said, “Director Guo, it was Chen Ping who hit me first. Look at my face...”

Cheng Kun showed his face to Guo Wei!

Guo Wei didn’t even look at it, but Yan Su said with a cold face: “I don’t care what grudges you have, I tell you, this trial is hosted by our Martial Arts Alliance, so if you want to cause trouble, you will have trouble with our Martial Arts Alliance. I will personally lead the team in this trial, and you all should be honest with me when the time comes...”

“sure.....”

Cheng Kun was so frightened that he nodded repeatedly.

Guo Wei looked at Chen Ping and said, “You’d better be honest. Don’t think that Mr. Shi can protect you for the rest of your life...”

After Guo Wei finished speaking, he walked forward with his hands behind his back, and Long Xiao came over to greet him: “Director Guo...”

“Master Long, your strength has increased a lot!”

Guo Wei looked at Long Xiao with a smile on his face.

“My little ability is not worth mentioning in front of Director Guo...”

Chapter: 1396

Long Xiao said humbly.

“Hahaha, Mr. Long is so humble!” Guo Wei laughed and followed Long Xiao to the side, not knowing what he was talking about.

“Chen Ping, just wait. After entering the ancient tomb, life or death is not up to you...”

Cheng Kun glared at Chen Ping fiercely, and then left with Xuanyuan Kai.

The two people who originally disliked each other have now come together. After all, in the face of interests, any grudges can be given up.

“Bah, what the hell, sooner or later I want them to look good!”

Zhao Chuang spat viciously.

“You have to practice hard in the future. You can’t just be a playboy and run around. Only when you have strength can you not be afraid of anyone!”

Chen Ping said to Zhao Chuang.

Zhao Chuang was made red-faced by Chen Ping. He always thought that his family was very powerful. Even if he didn’t know anything, he could still live a carefree life.

But since Wuying Villa was attacked this time and suffered heavy losses, Zhao Chuang’s heart was also changing.

“Dong Jiahao is here...”

At this moment, someone suddenly shouted, and then a young man was seen walking over wearing an expensive anime and a pair of sunglasses.

Behind the young man were two seventh-grade martial arts masters, full of momentum!

After seeing Dong Jiahao, Long Xiao, who was chatting with Guo Wei, came over and said with a faint smile: “Master Dong, I really haven’t seen you for a while.”

Dong Jiahao gently pulled down his sunglasses, raised his eyelids and looked at Long Xiao: “It turns out to be Master Long. Long time no see. Has your strength increased a lot recently?”

“How can I compare to Master Dong!” Long Xiao smiled slightly.

“Okay, I’m most annoyed by your false modesty. I’m obviously not as strong as you, but you say this, are you humiliating me?”

Dong Jiahao suddenly turned cold and said.

Dong Jiahao’s sudden change made Long Xiao a little confused and his brows furrowed slightly.

Seeing Long Xiao’s expression, Dong Jiahao laughed and walked directly in front of Long Xiao.

“Master Dong.....”

Seeing Dong Jiahao, many people said hello one after another, but this guy ignored no one.

Cheng Kun and Xuanyuan Kai also hurried forward and greeted them respectfully: “Master Dong, I didn’t expect you to come to participate in this trial...”

Chapter: 1397

Dong Jiahao glanced at Cheng Kun and Xuanyuan Kai from the corner of his eye, and also ignored them, but went straight towards Chen Ping.

Chen Ping was filled with doubts when he saw Dong Jiahao coming towards him.

He didn’t know this guy and didn’t understand why Dong Jiahao came towards him.

“Are you Chen Ping?” Dong Jiahao looked at Chen Ping and asked.

Chen Ping glanced at Dong Jiahao and nodded without speaking.

Suddenly, Dong Jiahao stretched out his hand and patted Chen Ping.

When Zhao Chuang saw this, he was so frightened that he quickly reached out to stop him. Although he knew that he was no match for Dong Jiahao, Zhao Chuang would not just watch someone attack Chen Ping and remain indifferent.

But just when Zhao Chuang wanted to take action, Chen Ping grabbed his arm and no one let him move.

Dong Jiahao’s hand patted Chen Ping’s shoulder with a very light force, not an attack on Chen Ping.

“Hahaha, he is worthy of being the one who killed Ichiro Watanabe. He is indeed courageous. Unlike some people who brag all day long but are afraid of the family behind Ichiro Watanabe

and dare not take action. If it hadn't been for the obstruction from above, I would have damn long ago Kill that grandson!"

Dong Jia said boldly, but when he said this, his eyes scanned around the people present.

Dong Jiahao's words offended many people at once, but among so many sects, no one dared to refute Dong Jiahao, which shows that the Dong family is very powerful.

"Master Dong, I remember that your Dong family was not included in the trial list?"

At this time, Guo Wei came over and asked Dong Jiahao.

Dong Jiahao directly took out the invitation from his arms and threw it to Guo Wei: "My father has already told the leader Zhu to let me follow you, but our Dong family will not touch anything found inside. I am just curious and come here to play. Just for fun, no matter what rare treasures there are, I don't care at all..."

Guo Wei looked at the invitation in his hand and didn't know what to say.

Dong Jiahao took people aside and waited for the time for the trial to start.

"Who is this guy?"

Chen Ping was very surprised. This Dong Jiahao's strength was not much worse than that of Long Xiao, but Chen Ping had never seen this person, not at the celebration party. He had never even heard of this Dong family.

"Mr. Chen, this guy is the son of the Dong family. He has reached the realm of martial arts in his teens. However, his cultivation speed seems to have slowed down a lot in recent years. I don't know why!"

Zhao Wuji followed Chen Ping's introduction.

"Dong family? Why haven't we seen them at the celebration party?" Chen Ping was a little confused.

"Mr. Chen, there are many martial arts families in Daxia. Even the major sects and families in Kyoto's martial arts world do not all join the martial arts alliance and are bound by the martial arts alliance. The Dong family is a family outside the martial arts alliance, so this In this trial, there was no name of the Dong family."

Zhao Wuji explained.

Chapter: 1398

When Chen Ping heard this, he understood instantly. It seemed that this trial was not attended by all the sects and aristocratic families in Kyoto's martial arts world, but by candidates selected from within the martial arts alliance. Naturally, the sects and aristocratic families who had not joined the martial arts alliance would also participate. No more qualifications.

From this point of view, the water in the martial arts world is too deep. There are many behemoths in these sects and aristocratic families within a martial arts alliance. There are even more experts outside the martial arts alliance.

Now Chen Ping suddenly feels that he has become much smaller in an instant, and the road to cultivation is still long...

"Ning Zhi from the Ning family is here!"

At this time, another handsome young man walked in.

Behind the young man was only an old man with a hunchback. The old man seemed to be over seventy years old, and he coughed from time to time, as if he could be blown down by a gust of wind.

But the aura on the old man's body was extremely powerful, with the strength of the peak martial arts master.

Here, Guo Wei is the only one with equal strength as the old man.

"Brother Ning, you actually came to join in the fun!"

Dong Jiahao, who had always been cold-faced and ignored other people, actually took the initiative to say hello after seeing Ning Zhi.

Ning Zhi responded: "I have nothing to do, just passing the time..."

Others followed Ning Zhi and said hello. This Ning Zhi was different from Dong Jiahao. He had a smile on his face and followed everyone in returning greetings, looking approachable.

"Master Ning..." Long Xiao stepped forward and said hello.

"Young Master Long is here too!" Ning Zhi was stunned for a moment, and then asked: "I heard that you won't participate in the trial this year, but I didn't expect you to come too. It's good that you can gain something from the trial. If there is nothing to gain, wouldn't it delay Young Master Long's cultivation? After the Chinese New Year, Young Master Long will break through the peak of Wu Zong and become the youngest Wu Hou!"

"No way, no way, it's just other people's nonsense!" Long Xiao waved his hands hurriedly, but his face looked unnatural.

“Young Master Long is so humble. I even thought of asking him for advice some time!”

Ning Zhi said with a smile.

Ning Zhi’s words made Long Xiao a little embarrassed, but he couldn’t say anything and walked away.

At this time, Long Xiao was extremely shocked. Not many people knew about the arrangement of his cultivation process, but they did not want to be directly exposed by Ning Zhi. This shocked Long Xiao. After the trial, he wanted to investigate it carefully. Let’s see who leaked the news about this matter.

Ning Zhi glanced at Chen Ping, but did not say anything, but just this glance made Chen Ping feel strange. Even though Ning Zhi was smiling and approachable, Chen Ping felt something from this person. It smells of danger.

Smiling Tiger, maybe he is the kind of person he is talking about!

“Director Guo, this is my invitation...”

Ning Zhi handed the invitation directly to Guo Wei without waiting for Guo Wei to speak.

Guo Wei looked at the invitation and didn’t say anything, but his expression became ugly.

Chapter: 1399

In this trial, the sudden increase of these people made Guo Wei feel the pressure, especially the old man behind Ning Zhi.

This old man's strength is comparable to that of Guo Wei. If he really finds some unparalleled treasure in the ancient tomb and the other party becomes greedy, he may not be able to stop it.

However, since there is an invitation to deal with, Guo Wei cannot stop the opponent, and now he can only take one step at a time.

"Master Long, Master Long, you can't go in without an invitation."

At this moment, the two guards at the door suddenly shouted, and then Long Jingguo hurried in.

"Master Long..."

Upon seeing this, Guo Wei hurriedly rushed forward, waved his hand, and asked the two guards to retreat.

"Dad, why are you here?" Long Xiao also stepped forward and asked in confusion.

Long Jingguo ignored them, but stared at Chen Ping with his eyes.

Everyone looked puzzled when they saw Long Jingguo staring at Chen Ping.

"Mr. Chen, why is Long Jingguo looking at you like this?"

Zhao Wuji asked Chen Ping in a low voice.

"How would I know? Maybe it's because I'm handsome!" Chen Ping smiled lightly.

Zhao Wuji didn't believe what Chen Ping said, but Chen Ping didn't want to say it, so he didn't ask further questions.

After Long Jingguo stared at Chen Ping for a while, he looked away, and then said to Long Xiao: "Xiao'er, come here!"

Long Jingguo called Long Xiao aside, and then said with a gloomy face: "In this trial, you find a chance for me to destroy Chen Ping."

Long Xiao was stunned: "Dad, what are you doing with Chen Ping? Has this guy provoked our Long family?"

Long Xiao didn't understand why his father suddenly wanted to deal with this Chen Ping. Seeing as Chen Ping was not very strong, there was nothing special about him.

"Don't ask, just do whatever I tell you to do, but don't kill him, do you understand?"

Long Jingguo asked.

"Well, I understand!" Long Xiao nodded.

Feeling the anger and murderous intent in his father, Long Xiao couldn't figure out how this Chen Ping provoked his father.

After following Long Xiao's instructions, Long Jingguo found Guo Wei and whispered: "Director Guo, if anything happens to Chen Ping during the trial, I hope you won't take care of it."

"Master Long, what do you mean? Do you want to kill him?" Guo Wei frowned slightly: "Mr. Shi just told you that if you kill him now, it will be very difficult for us."

Chapter: 1400

“Don’t worry, Director Guo, I won’t kill him, I’ll just cripple his skills.” Long Jingguo said, taking out a ring set with emeralds and quietly putting it into Guo Wei’s pocket.

Guo Wei had seen it a long time ago, so he nodded and said: “As long as I don’t kill him, I will pretend not to see anything.”

Long Jingguo glared at Chen Ping fiercely again and left.

No one knows the reason for Long Jingguo. Only Chen Ping himself knows. It seems that Long Jingguo already knows that the five great guardians of the Long family were killed by him.

Long Xiao’s eyes were also full of hostility when he looked at Chen Ping.

Guo Wei looked at the time, then straightened his clothes and said: “Now the trial time has come. After entering the trial area, everyone must be careful. It is full of dangers. I hope you will not run around, let alone go carelessly. Touch anything, and if you accidentally trigger the mechanism inside, no one will save you. Life or death is a matter of life...”

Guo Wei gave instructions on various precautions, but this was not the first trial for everyone, so no one listened seriously. Everyone could not wait to enter the Taoist Tomb.

After finishing the instructions, Guo Wei looked in the direction of the Hu family and said to Hu Baqi: “Hu Baqi, the time has come, go and open the tomb door.”

“As you command!”

Hu Baqi led the hurried children of the Hu family and jumped directly to the heavy tomb door.

The tomb door is carved from white marble. It is more than a foot tall and weighs tens of thousands of kilograms. If you are an ordinary person, even if you see the entrance to the tomb, you will not be able to open the stone door.

Hu Baqi took out a bowl of red beans and scattered them all in front of the tomb door. Several Hu family members stood on both sides, each holding a white candle in his hand. The candle was lit and the flame was beating.

Hu Baqi was mumbling something, and all the red beans on the ground dug into the soil one by one, and soon took root and sprouted.

Everyone was staring at Hu Baqi closely, not wanting to let go of any detail.

Soon, a piece of red bean sprouts grew on the ground in front of the tomb door. Hu Baqi reached out and grabbed all the red bean sprouts, stuffed them into his mouth and started chewing.

At the same time, Hu Baqi's hands began to glow, and then the light became more and more intense, and finally became like two car headlights.

“open.....”

Hu Baqi punched the tomb door with a huge force.

The heavy tomb door began to move slowly, opening a gap, and the gap became wider and wider.

Waves of yin energy came out from the gaps in the tomb door, causing the temperature of the scene to drop suddenly.

The flames of the candles in the hands of several Hu family disciples began to beat violently, and as the tomb door opened wider and wider, a black mist poured out directly.

The fire on the candle was extinguished in an instant, and everyone felt a biting cold air coming.

Hu Baqi frowned and suddenly spat out the red bean sprouts he was chewing. The black mist was directly shot away and drifted into the distance.

At this time, the entire tomb door had been opened. Looking inside the ancient tomb, it was so dark that nothing could be seen clearly.
