

The Order 141

Chapter: 141

“Lin Tianhu?” Chen Baoguo was stunned: “Is he the biggest gangster in Hongcheng? It’s better not to know this kind of person. Even though he is so powerful now, he will be in trouble sooner or later...”

Chen Baoguo used to be a civil servant, so he looked down upon gangsters!

“Uncle Chen, what you said is wrong. It is a supreme honor to meet Mr. Tiger in Hongcheng. How can you say that? For someone like your son, I am afraid he will never have the chance to know Mr. Tiger in his life. You should say less of this kind of thing in the future, so as not to get into trouble...”

Cui Zhiyuan was very angry at Chen Baoguo’s words, so he said coldly.

After hearing this, Chen Baoguo shut his mouth and said nothing more!

“Old squad leader, society is different now, and we have to keep up with the situation on some things...”

Sun Fuhai said calmly!

Chen Baoguo still didn’t speak, but in his heart, he just looked down on people like Lin Tianhu!

This is why Chen Ping doesn’t dare to let his parents know about his acquaintance with Lin Tianhu. If his parents knew about it, they might not even want his son!

At the wine table, Cui Zhiyuan kept drinking with a proud attitude, feeling the feeling of being praised by others!

It’s just that from beginning to end, Chen Ping didn’t drink, nor did he offer Cui Zhiyuan a drink, which made Cui Zhiyuan feel a little unhappy!

“Chen Ping, a big man, why don’t you know how to drink?”

Cui Zhiyuan asked Chen Ping with a hint of sarcasm.

Chen Ping smiled slightly: "It's not that I don't know how to drink, because for me, there is no difference between wine and tea. I might as well drink tea, and I can save money..."

Cui Zhiyuan was stunned for a moment, then laughed and said: "You mean, you are good at drinking, right?"

"I haven't been drunk yet..." Chen Ping said calmly.

At this moment, Cui Zhiyuan suddenly became interested: "Okay, let's compete. I've never met an opponent in drinking. Today is just the time to have fun..."

Cui Zhiyuan said and asked the waiter to bring another box of liquor!

"Chen Ping, when can you drink liquor? Stop talking nonsense. Are there any outsiders here? What's the point of showing off..."

Tang Hongying frowned slightly.

"Mom, don't worry, I'm measured..." Chen Ping comforted his mother!

Chen Baoguo also wanted to stop him, but was stopped by Sun Fuhai: "Old squad leader, it's good for young people to have some courage. Have you forgotten that we often fight for drinks in the army? Let them young people play..."

When Chen Baoguo saw this, he didn't know what to say and could only look at Chen Ping helplessly!

"Zhiyuan, you drink a lot, let Chen Ping drink, but don't drink too much, just let it be fun..."

Chapter: 142

Sun Fuhai knew that Cui Zhiyuan was a heavy drinker. Once, Cui Zhiyuan drank more than a pound of liquor and was able to take a taxi home by himself!

“Uncle, don’t worry, I’ll have two drinks and let him have one...”

As Cui Zhiyuan spoke, he opened the wine bottle and started pouring wine into the cup!

“This cup is too small, bring two big bowls...”

Chen Ping said to the waiter!

Cui Zhiyuan was stunned and looked at Chen Ping in surprise.

“You won’t be able to drink from a bowl, right?” Chen Ping asked with a faint smile.

“How is it possible? Even if I blow it with a bottle, I will be the same...”

Cui Zhiyuan sneered.

In his opinion, Chen Ping was deliberately pretending to scare him. The more Chen Ping acted like this, the more it proved that he couldn’t drink!

Soon, a big bowl was brought, one full of wine for a bottle.

“Tell me, how do you drink it?” Cui Zhiyuan looked at Chen Ping provocatively and asked.

“I’m afraid of trouble, so I did it...”

After saying that, Chen Ping drank a bowl of white wine in one go!

Seeing this, everyone was shocked. Chen Baoguo frowned slightly and said with distressed eyes: "Chen Ping, are you drinking? What's the difference between committing suicide and committing suicide? Stop showing off..."

"Dad, I'm fine!" Chen Ping smiled at Chen Baoguo, then turned the bowl upside down, looked at Cui Zhiyuan and said, "It's your turn!"

Cui Zhiyuan frowned. He really didn't expect that Chen Ping would dare to drink all the wine in one go. Although he had a good capacity for drinking, he was really afraid of damaging his body by drinking this way!

"If you can't drink it, then you won't drink it. What's the comparison..."

Chen Baoguo saw that Cui Zhiyuan was a little embarrassed, so he gave Cui Zhiyuan a step and said.

"It's okay if you don't drink. That proves that you are a coward..."

Chen Ping looked at Cui Zhiyuan provocatively!

"Are you scared?" When Cui Zhiyuan heard this, he immediately became angry: "I've never been scared when drinking..."

After saying that, Cui Zhiyuan closed his eyes and drank a bowl of wine!

After drinking it, Cui Zhiyuan's face turned red instantly!

Chapter: 143

Chen Ping picked up the wine bottle and poured two more bowls of wine.

“Chen Ping, that’s enough...” Upon seeing this, Chen Baoguo stood up and shouted at Chen Ping!

Chen Ping didn’t speak, but looked straight at Cui Zhiyuan, his eyes full of provocation!

“Don’t worry, let’s keep drinking...”

Cui Zhiyuan felt his anger rising at this moment, and shouted loudly to Chen Baoguo!

Chen Ping’s eyes narrowed slightly, he picked up the wine and drank it again!

When the liquor arrived in Chen Ping’s stomach, there was no difference between it and the water. The spiritual power in Chen Ping’s body absorbed the liquor!

Everyone was shocked when they saw Chen Ping drink another bowl of white wine!

Sun Xiaomeng pulled Cui Zhiyuan and said: “If you can’t drink, we won’t drink. He is barefoot and not afraid of wearing shoes. We won’t compete with him!”

“That’s right, we won’t drink Zhiyuan anymore. Our lives are so precious, why would we fight for our lives with him...”

At this time, Li Fengxia also stood up and persuaded Cui Zhiyuan!

They were really afraid that if Cui Zhiyuan drank a bowl of wine, something would happen to him, which would cause trouble!

Cui Zhiyuan’s eyes were slightly red at this time, and he looked at Chen Ping with his head dizzy. Seeing Chen Ping’s eyes full of provocation, he gritted his teeth, picked up the bowl and drank it!

After two bowls of wine, Cui Zhiyuan’s face turned from red to white, and his whole face looked a little ferocious!

Seeing Cui Zhiyuan like that, Chen Ping sat back with satisfaction. After drinking, Cui Zhiyuan would definitely drink to death, and his parents would definitely not let him drink again!

“You... why are you sitting down? If you can, drink... drink again...”

Cui Zhiyuan and Chen Ping sat down and immediately shouted!

But just as he finished speaking, a burst of blood suddenly surged up, and he spat it out in one gulp, spraying all over Li Fengxia.

“ah.....”

Li Fengxia screamed, looking at the filth on her body, she almost vomited!

When Sun Fuhai saw this, he frowned tightly and his face looked ugly!

Chen Baoguo glared at Chen Ping, then hurriedly stood up and said: “Fuhai, hurry up and send Zhiyuan home. We are leaving too. These two children are so excited!”

Sun Fuhai could only nod his head, now that it was like this, there was no way he could stay and chat!

But just when Chen Baoguo wanted to take Chen Ping away, Cui Zhiyuan stopped him!

Chapter: 144

“I can’t leave...” Cui Zhiyuan said with hazy eyes: “We agreed to sing, so how could we just leave? Are we afraid of spending money?”

“Zhiyuan, you drank too much, please go there another day...”

Sun Fuhai persuaded Cui Zhiyuan!

“No, I have to go today. I have made reservations with everyone in the group. If I don’t go, I will lose face...”

Cui Zhiyuan shook his head and must let Chen Ping invite him to sing!

At this time, Sun Fuhai looked at Chen Baoguo with some embarrassment!

“Dad, you go back first, I’ll ask them to sing...”

Chen Ping said to Chen Baoguo.

Chen Baoguo couldn’t say anything at this time. He could only warn Chen Ping: “Don’t be too late, don’t drink anymore...”

As Chen Baoguo spoke, he took out a wad of money from his pocket. There were some odd parts and some round ones, and it was only more than three hundred yuan!

“Take this money, I know singing costs a lot of money...”

Chen Baoguo put money into Chen Ping’s hand!

Chen Ping wanted to refuse, but he knew that with his father’s character, he couldn’t refuse, so he simply collected the money!

At this time, Sun Fuhai also took out his wallet, took out a thousand yuan and handed it to Chen Ping: “Chen Ping, I’ll give you a little more, just in case you don’t have enough money!”

“Dad, you usually don’t give me money so generously...”

Sun Xiaomeng snatched the money from Sun Fuhai's hand and said.

"You kid, hurry up and give the money to Chen Ping..."

Sun Fuhai said to Sun Xiaomeng!

"It's not the same as what I have. When the time comes and he doesn't have enough money, I will just make up for it..."

Sun Xiaomeng put the money in her pocket!

"Uncle Sun, I have enough money, but it's really not enough. I can just ask Xiaomeng to make up for it..."

Chen Ping smiled slightly at Sun Fuhai and said!

Sun Fuhai sighed, this is the only way!

The group of people walked out of the box. Sun Fuhai was about to settle accounts. Cui Zhiyuan followed him unsteadily: "I have a work permit here, and I can get a 20% discount..."

Chapter: 145

Cui Zhiyuan took a picture of his work ID card at the front desk, but the cashier lady at the front desk didn't even take a look!

"Sir, your consumption has been waived by this hotel, so you don't need to pay..."

The cashier lady at the front desk said politely to Sun Fuhai!

Sun Fuhai was stunned for a moment. He didn't understand why he was exempted from the bill?

When Cui Zhiyuan heard this, he immediately laughed: “Haha, I didn’t expect that my work permit is so useful. After I took it out, I was exempted from the bill. The Su family is really particular...”

When Sun Fuhai heard this, he couldn’t help but nodded. He also thought that Cui Zhiyuan’s work permit played a role. After all, Cui Zhiyuan also worked for the Su family.

Only the cashier lady looked at Cui Zhiyuan with disdain and said nothing. The reason why she waived the order was for Chen Ping. Almost all the staff in the Regal Hotel knew about Chen Ping’s relationship with Su Yuqi!

If Chen Ping comes over for dinner, of course the bill will be waived. Who dares to accept money from the future uncle of the Su family?

A group of people walked out of the hotel, and Sun Fuhai followed Chen Baoguo to say goodbye to each other!

“Okay, stop talking. I stink so much. It’s all this Chen Ping’s fault. Is there anyone who drinks like that? I drank too much in Zhiyuan...”

Li Fengxia muttered and stared at Chen Ping angrily!

Chen Ping said nothing, while Chen Baoguo followed Li Fengxia with an apologetic expression, and then left with Tang Hongying!

Sun Fuhai also followed Li Fengxia home, leaving only Chen Ping, Cui Zhiyuan and Sun Xiaomeng!

“Chen Ping, you smell of alcohol. Take a taxi yourself. Don’t make my car dirty...”

Sun Xiaomeng gave Chen Ping a cold look and said.

Chen Ping drank Cui Zhiyuan like this, and Sun Xiaomeng is still angry now!

“Chen Ping, let’s go to Dynasty KTV. Don’t run away halfway...”

After Cui Zhiyuan finished speaking unsteadily, he was pulled into the car by Sun Xiaomeng, and then disappeared in a flash!

Looking at the speeding car, Chen Ping had a chill in his eyes. This Cui Zhiyuan kept making troubles one after another, Chen Ping had to teach him a lesson!

And that Sun Xiaomeng, if it weren’t for Sun Fuhai, Chen Ping wouldn’t have spoiled her!

Holding out his hand to stop a taxi, Chen Ping wanted to rush towards Dynasty KTV, but at this moment the phone rang!

It was Wang Hanhan calling, Chen Ping hurriedly answered the call!

“Brother Chen Ping, where have your family been? My mother made some dumplings and brought them to you, but she found that there was no one at home!”

Wang Hanhan asked!

Chapter: 146

“We came out to eat!” Chen Ping explained!

“Oh, have you finished eating now? I feel too bored at home and want to go out for a walk...”

Wang Hanhan’s intention was obvious, she wanted Chen Ping to accompany her around!

Chen Ping hesitated and said: “I’m going to KTV now. I succeeded in the interview today. I’m going to sing with my colleagues...”

“Oh, forget it...” Wang Hanhan’s tone was a bit disappointed!

“Where are you? How about we go together?”

Chen Ping said suddenly!

He was about to bring Wang Hanhan to the company, so he happened to get acquainted with these people.

“Is this...is this appropriate?” Wang Hanhan wanted to go, but was a little embarrassed!

“What’s inappropriate about this? I want to take you to the company tomorrow. There’s nothing wrong with getting acquainted first. I’ll pick you up...”

After Chen Ping finished speaking, he asked a taxi to pick up Wang Hanhan in their community before rushing to Dynasty KTV.

At this time, Cui Zhiyuan and the others had arrived at Dynasty KTV and opened a large private room!

“What’s going on with this Chen Ping? He hasn’t come here for so long. He won’t run away, right? He looks so poor. I’m really afraid that he can’t pay...”

Wang Lanlan muttered.

Others also agreed, fearing that Chen Ping would not come, so who would pay for the private room today?

“Tongjian, if Chen Ping doesn’t come, you are in a group, and you pay for today’s consumption...”

Cui Zhiyuan leaned on the sofa and said to Zhang Tongjian sitting in the corner with blurred eyes.

Zhang Tongjian nodded obediently. Although he was very reluctant, he did not dare to refuse!

Seeing someone paying, the others became excited and started ordering fruit plates and beers.

Zhang Tongjian prayed that Chen Ping would definitely come, otherwise he would have another bloodletting today, and his credit card would almost run out of credit!

Cui Zhiyuan lay on the sofa, let Sun Xiaomeng massage his head, and drank some water. His drunken state was obviously better, but his head was still dizzy.

“I’m telling you, that’s fine if Chen Ping doesn’t come. If he does come later, you will force him to drink. Whoever wants to get him drunk will have his bonus doubled this month...”

Cui Zhiyuan said to everyone.

As soon as they heard that the prize money was doubled, everyone suddenly became excited.

Chapter: 147

“Don’t worry, Manager Cui, I promise to let Chen Ping lie down and go out...”

“If he dares to come, he won’t be able to find Bei when I want to drink...”

Everyone was gearing up. If so many people wanted to get Chen Ping to drink, Chen Ping would definitely get drunk. Even Zhang Tongjian was excited when he heard that the bonus was doubled, but he would not really get Chen Ping to drink. .

Just as everyone was drinking and singing, the box door was pushed open, and Chen Ping led Wang Hanhan there!

Everyone was slightly startled when they saw Chen Ping coming, especially when they saw Wang Hanhan next to Chen Ping, which made many men's eyes light up. Even Cui Zhiyuan, who was dizzy and squinting his eyes, saw After Wang Hanhan opened her eyes instantly!

Although Sun Xiaomeng is also beautiful, Wang Hanhan has a youthful atmosphere. Although Wang Hanhan worked as a dancer in a bar, she is still very conservative at heart.

"Chen Ping, I thought you were afraid of spending money and wouldn't come..."

Cui Zhiyuan glanced at Chen Ping, then continued to focus on Wang Hanhan and asked: "Who is this little girl?"

"Hello everyone, my name is Wang Hanhan. I am Brother Chen Ping's neighbor. I hope I won't disturb you..."

Wang Hanhan introduced herself politely!

"No, no interruption..."

"Sit, hurry up and sit down..."

"Eat fruit, there is fruit here..."

A bunch of men were trying their best to be attentive, but no one was paying attention to Chen Ping.

Cui Zhiyuan also coughed slightly and said: "My name is Cui Zhiyuan, I am Chen Ping's manager..."

When Wang Hanhan heard that Cui Zhiyuan was the manager, she immediately stretched out her hand nervously and said: "Hello, Manager Cui..."

"Hello....."

Cui Zhiyuan's eyes glowed with silver, and he held Wang Hanhan's hand tightly!

Everyone can see that Cui Zhiyuan's eyes turned straight when he saw Wang Hanhan, which made Sun Xiaomeng very angry!

"Miss Wang, where are you now?" Cui Zhiyuan didn't feel Sun Xiaomeng's angry eyes at all, and still asked Wang Hanhan with a smile.

"I...I don't have a job..." Wang Hanhan said a little embarrassed.

When Cui Zhiyuan heard this, his smile became even brighter, and he took out a business card from his pocket: "This is my business card. If Miss Wang is interested in our company, you can come to work in our company!"

"Really?" When Wang Hanhan heard this, her eyes widened in surprise!

"Of course, as a department manager, I still have this right..."

Chapter: 148

Cui Zhiyuan said with pride.

"Cui Zhiyuan..." Sun Xiaomeng couldn't stand it anymore, so she yelled!

Only then did Cui Zhiyuan think of Sun Xiaomeng, and hurriedly distanced himself from Wang Hanhan: "Sit... everyone, sit down!"

Wang Hanhan seemed to see something. She walked up to Chen Ping with a slight smile, stepped on Chen Ping's arm skillfully and said, "Brother Chen Ping, can you introduce these colleagues of yours to me?"

Chen Ping was frightened by Wang Hanhan's skillful movements. In front of so many people, Wang Hanhan's movements were too intimate!

But Wang Hanhan did this on purpose to make the men here give up on her, and to prevent Sun Xiaomeng from being jealous.

Sure enough, seeing Wang Hanhan and Chen Ping's intimate actions, many men were instantly discouraged. Cui Zhiyuan also looked at Chen Ping with jealousy in his eyes!

Chen Ping introduced Wang Hanhan one by one. When introducing Sun Xiaomeng, Chen Ping said: "This is Uncle Sun's daughter Sun Xiaomeng. Her father and my father are comrades in arms..."

When Wang Hanhan heard this, he immediately understood that Chen Baoguo had asked someone to find a job at that time, and it was probably Sun Xiaomeng's father who he was looking for!

So Wang Hanhan enthusiastically stepped forward and took Sun Xiaomeng's hand: "Sister Xiaomeng is so beautiful. I have heard Brother Chen Ping and Uncle Chen mention you a long time ago, but I have never seen them..."

Wang Hanhan's enthusiasm also made Sun Xiaomeng smile: "Sister Hanhan, you are quite beautiful too..."

"This is Zhang Tongjian, we are in the same group..."

Chen Ping pointed to Zhang Tongjian wearing glasses in the corner and said.

"Hello..." Wang Hanhan smiled slightly and stretched out her hand!

"Hello, hello..." Zhang Tongjian's face instantly turned red, and he gently shook Wang Hanhan's hand.

Seeing Zhang Tongjian like that made everyone burst into laughter!

Soon, everyone became familiar with each other and started singing and drinking. Everyone also started to attack Chen Ping, and each one took turns to toast Chen Ping!

When Wang Hanhan saw this, he stood in front of Chen Ping: "If you toast like this, Brother Chen Ping will get drunk in a while. I will drink with you..."

Wang Hanhan picked up a glass of beer and drank it in one gulp!

Of course these men would not refuse Wang Hanhan to stand up for Chen Ping. In their opinion, Wang Hanhan could get away with just two bottles of beer!

But soon, these people knew that they were wrong, and how wrong they were!

I saw Wang Hanhan drinking cup after cup with everyone, but she didn't look drunk at all, and her face didn't even change!

At this moment, everyone was dumbfounded. Even Chen Ping looked at Wang Hanhan in disbelief!

No one could have imagined that a girl who looked so weak could be so good at drinking. At Wang Hanhan's feet, there were more than thirty empty bottles!

Chapter: 149

Wang Hanhan was fine, but everyone else's face was slightly red, and some of them were staggering.

"Okay, let's sing, don't drink all the time..."

Cui Zhiyuan's situation was such that he could only stop everyone from drinking. If they continued to drink, Wang Hanhan would be fine, and everyone else would probably be drunk!

"Sister Hanhan, you are so good at drinking..."

Sun Xiaomeng said to Wang Hanhan with eyes full of envy and surprise.

Wang Hanhan smiled: "I don't have any other skills, I just can drink..."

"Sister, you are so awesome. If I had your drinking capacity, I would like to see who dares to compete with me when I drink again..."

Wang Lanlan also sat with Wang Hanhan and said with admiration.

"Sister Lan Lan, you can practice drinking like this. I'll teach you another day. Just because our names are destined..."

Wang Hanhan said with a smile.

I have to say that Wang Hanhan is really good at communication. It didn't take long for the three women to become good friends who talked about everything!

"Sister, you said you are good-looking and have a good temper, so why did you fall in love with that guy Chen Ping? When I saw Chen Ping, he looked like a big-tailed guy, which is annoying..."

Wang Lanlan also drank some wine and said to Wang Hanhan without hesitation.

Chen Ping sat aside, neither singing nor drinking. He occasionally said a few words to Zhang Tongjian, which really seemed a bit out of place!

"Sister Lanlan, Brother Chen Ping is actually a very good person. We have been together since childhood. Maybe you are not familiar with him yet..."

Wang Hanhan wasn't angry either, she just explained lightly!

Seeing Wang Hanhan say this, Wang Lanlan couldn't help but belittle Chen Ping, so she picked up the microphone and said: "Let's go sing a song..."

Wang Hanhan is not only good-looking, but also a top-notch singer. Her voice is almost the same as the original singer!

This time, many men were jealous of Chen Ping, especially Cui Zhiyuan, who looked at Wang Hanhan with increasingly hot eyes. However, Sun Xiaomeng was present, so he could not show too much enthusiasm!

With Wang Hanhan's singing, the atmosphere in the entire private room almost reached its climax. Everyone was drunk and dancing.

Zhang Tongjian was also fed a few drinks, and he stood up with a red face and started beating along with him!

Only Chen Ping sat in the corner, watching quietly.

Just when everyone was having fun, the door to the private room was suddenly pushed open, and a bald middle-aged man walked in with a glass of wine. Behind the middle-aged man were two bodyguards in suits!

Seeing someone suddenly barging in, everyone stopped and looked at a loss, and Wang Hanhan also put down the microphone in his hand!

Chapter: 150

The middle-aged man's eyes were a little blurry and his face was red. He had obviously drunk too much. After barging in, he glanced at the people in the private room and said with a raised eyebrow: "It turns out they are a bunch of raw melon eggs. Who sang just now?" She sings quite well. Come with me to the private room and sing a few songs..."

The middle-aged man's words made everyone look at each other in shock, and no one dared to say anything. It was obvious that this middle-aged man was not an ordinary person, and they were just wage earners, but no one dared to offend him. !

Seeing that no one was speaking, the middle-aged man turned his attention to the three girls Wang Hanhan, Wang Lanlan and Sun Xiaomeng, because they were the only three girls holding microphones in their hands!

“The three girls are all good. Take them to my private room...”

The middle-aged man said, took out a wad of hundred-dollar bills from his pocket and threw them at the three girls, followed by the two bodyguards behind him and walked over!

This frightened the three of them, and they were so frightened that they backed away. Cui Zhiyuan stepped forward to block the situation with an ugly expression on his face!

Now he is the only one with a high status here. If he doesn't show up at this time, he will be laughed at, not to mention Sun Xiaomeng is still his girlfriend!

How could he just watch his girlfriend being taken away and remain indifferent!

“Sir, who are you? We just came here to sing and relax. The three of them are our friends, not singing accompaniments!”

Cui Zhiyuan said to the middle-aged man.

“It doesn't matter if I'm a singer or not. I paid you, don't you feel embarrassed when you come to a place like this and only order beer? Let three girls sing for me, and I'll order you a few bottles of Lafite to drink... ..”

The middle-aged man stepped forward and patted Cui Zhiyuan's face.

The middle-aged man's actions were not very harmful but extremely insulting. He was treating Cui Zhiyuan as a child!

Cui Zhiyuan's face became angry and he pushed the middle-aged man away, almost causing him to fall!

As soon as he pushed away, Cui Zhiyuan regretted it. He didn't know the identity of the other party. If he was annoyed by this, it would be really difficult to solve it!

“Damn it, did you push me?” The middle-aged man said angrily: “Hit him...”

After saying that, the two bodyguards rushed towards Cui Zhiyuan, which scared Cui Zhiyuan so much!

When they saw that the other party was about to take action, the others ignored their fear and directly grabbed the wine bottles and stood with Cui Zhiyuan. After all, Cui Zhiyuan was their manager, and now was the time to show their loyalty!

There are only three people on the other side. With so many of them coming together, they will definitely be able to defeat each other!

When the two bodyguards saw this, they were all slightly startled. They did not expect that these young people were quite united. For a while, the two bodyguards did not dare to take action!

Cui Zhiyuan was very happy at this time. Seeing that the two bodyguards did not dare to take action, he immediately stepped forward and kicked one of them in a coaxing manner: “Get out of here now, I will pretend that this never happened!”

When the bald middle-aged man saw this, his eyes narrowed slightly. However, seeing that the other party had a large number of people and was still a bunch of dumbfounded youths. If they really wanted to fight, he might suffer a loss, so he said with a gloomy face: “Boy, Just wait for me and tell me your name if you can, and see if I don’t kill you...”

“My name is Cui Zhiyuan, and I’m waiting for you here. Do you think all my brothers are vegetarians?”

Cui Zhiyuan felt like a big boss on the road at this moment, and that feeling was so refreshing!
