

The Order 1421

Chapter: 1421

But just when Chen Ping was about to continue asking the cowherd boy, the cowherd boy jumped away and then disappeared.

Chen Ping was surprised for a while. Just when he was about to look around, he suddenly trembled. Then what appeared in front of him was indeed Zhao Chuang. The tomb was still around, and there was no Penglai Island anywhere.

“Brother Chen, what’s wrong with you? You just looked at that painting without blinking, as if you were stupid...”

Zhao Chuang asked Chen Ping.

Chen Ping didn’t know what was going on. He seemed to be hallucinating just now, but it seemed to be real. The voice of the cowherd boy was still ringing in his ears.

“Penglai Island?”

Chen Ping muttered quietly.

But at this moment, someone suddenly shouted: “Look, this painting has changed...”

Everyone hurriedly looked at it and found that the scene in the painting had completely changed. The mountains and rivers were gone, and the cowherd boy was gone. What appeared next was a dense forest!

There are many animals in the woods, but in Chen Ping’s eyes, these animals are just alive and kicking.

When Chen Ping saw this, a ray of consciousness came out, and then he seemed to appear in the woods again, with animals constantly looking at him warily.

Chen Ping turned around and found that there was no one there, so he had to find a place to sit down, and the Condensation Art was running, and countless spiritual energy began to swarm into Chen Ping's body.

Chen Ping's almost dry Dantian soon began to have spiritual power that turned into trickling water and flowed into Chen Ping's Dantian.

The dragon crystal in Chen Ping's body also began to absorb the spiritual energy of heaven and earth crazily at this moment.

No one noticed Chen Ping's change, so everyone's eyes fell on the Nine Thousand Miles of Mountains and Rivers map.

"Long Xingxu, take down the painting for me..."

Seeing that this painting could change the scenery on its own, Long Xiao knew that it must be a treasure and immediately ordered Long Xingxu.

Long Xiao was afraid that there was a trap, so he ordered Long Xingxu to get the painting!

Long Xingxu frowned, but he didn't dare not listen, so he could only bite the bullet and walk towards the painting.

"Stop him!" Zhao Chuang hurriedly led his two martial arts masters to stop Long Xingxu.

"You guys are shameless. Brother Chen worked hard to get in here. If it weren't for Brother Chen, none of you would be able to get in. This painting should belong to Brother Chen. If you rob it now, what's the difference between following a robber?"

Zhao Chuang asked Long Xiao.

"Damn, the test is based on ability. Whoever gets it gets it. Are you worthy of teaching me a lesson?"

Long Xiao raised his brows, and then looked at Xuanyuan Kai: “Xuanyuan Kai, lead someone to teach this guy a lesson. I won’t treat you badly when I get out!”

Chapter: 1422

Xuanyuan Kai nodded: “Master Xie Long...”

After Xuanyuan Kai finished speaking, he led the Xuanyuan family and attacked Zhao Chuang directly.

Zhao Chuang could only lead his two Wu Zong men and fight with Xuanyuan Kai.

Long Xiao winked at Long Xingxu and asked Long Xingxu to take off the painting as soon as possible.

Zhao Chuang saw Long Xingxu going to pick up paintings, and there was nothing he could do if he was anxious. Dealing with Xuanyuan Kai’s attack was enough for Zhao Chuang to have a headache. He was almost a decoration, relying entirely on his two martial arts masters to support him.

Dong Jiahao glanced at Chen Ping and found that Chen Ping was motionless and didn’t even blink. He became the same as before and sighed helplessly.

Seeing that Long Xingxu was about to pick up the painting, Dong Jiahao jumped up and then waved his palm. A huge force of energy directly knocked Long Xingxu away.

“Dong Jiahao, what are you going to do?”

Long Xiao saw this and said with a cold expression.

“Long Xiao, are you shameless? If Chen Ping hadn’t rushed through the magic circle with all his strength, who of you would have been able to get in? Now you are taking advantage of others’ danger, knowing that Chen Ping is injured, and actually snatching the painting?”

Dong Jiahao looked at Long Xiao with contempt and said.

“Dong Jiahao, this is a trial for our Kyoto Martial Arts Alliance. It has nothing to do with you. You are not qualified to interfere in our trial. Have you forgotten what you promised with Director Guo when you came in?”

Long Xiao’s eyes narrowed slightly.

“I promise, mom, I just can’t stand it, and I just want to stop you. What do you want?”

Dong Jiahao yelled at Long Xiao with disdain on his face.

“you.....”

Long Xiao was filled with anger after being scolded, and slapped Dong Jiahao with his palm!

“If you are looking for death, I will help you...” Long Xiao’s angry palm contained endless energy.

The strong wind howled, Dong Jiahao’s expression changed slightly, and his figure suddenly retreated.

He knew that he was no match for Long Xiao. If he really wanted to fight with Long Xiao, it would be the same as seeking death!

When Dong Jiahao retreated violently, a Dong Jiahao Wu Zong stood directly in front of Dong Jiahao and followed Long Xiao in the palm of his hand.

Both are seventh-level martial arts masters. After a palm strike, the two of them took a few steps back at the same time.

“Come together and destroy them...”

The aura on Long Xiao's body exploded, and bursts of light began to glow on his palms.

Chapter: 1423

"Humph, you don't overestimate your capabilities..."

Dong Jiahao snorted coldly.

Behind him were two seventh-grade martial sects. On Long Xiao's side, only Long Xiao was a seventh-grade martial sect. The other two Long Family servants were both fifth-grade. As for Long Xingxu, a third-grade martial sect, there was no need to count.

For a while, a melee broke out in the entire tomb. Dong Jiahao, who originally had the advantage, had to take care of Zhao Chuang, so the two sides fought hard and could not tell the winner in a short time.

At this moment, Chen Ping stood on one side, motionless like a wooden man, without blinking.

Xuanyuan Kai, who had been fighting, saw Chen Ping motionless like a fool, and knew that this was the best time for him to take revenge.

So after forcing back a martial arts master from Wuying Villa with one palm, he rushed directly towards Chen Ping.

"Chen Ping, I think you're not dead now..."

Xuanyuan Kai slapped Chen Ping with a palm, and the wind roared from his palm.

"Brother Chen..."

When Zhao Chuang saw this, he hurriedly shouted at Chen Ping.

But Chen Ping seemed not to hear it, and remained motionless at all. When Xuanyuan Kai's palm came to his eyes, Chen Ping didn't blink his eyes.

When Zhao Chuang saw this, he gritted his teeth and rushed forward, blocking him directly in front of Chen Ping.

Bang!

Xuanyuan Kai hit Zhao Chuang hard on the chest with his palm, and Zhao Chuang's body was directly knocked away.

Zhao Chuang's body hit Chen Ping and he fell to the ground with Chen Ping.

Then Chen Ping's body trembled slightly and he came back to his senses.

"Zhao Chuang, what's wrong with you?"

After Chen Ping came to his senses, he saw that Zhao Chuang beside him was pale, vomiting blood, his chest was sunken, and several ribs were obviously broken.

"Brother Chen, that Xuanyuan Kai wanted to kill you just now..."

Zhao Chuang said with a painful expression.

Only then did Chen Ping notice that the entire tomb was already in chaos, fighting with each other, and Xuanyuan Kai was staring at Chen Ping.

Seeing that Chen Ping was awake and looking at him, Xuanyuan Kai was so frightened that he took a few steps back. However, when he thought that Chen Ping was seriously injured and his strength was greatly reduced, Xuanyuan Kai's face regained confidence.

"Chen Ping, I will definitely get back the revenge of my broken arm today..."

Chapter: 1424

Xuanyuan Kai said with murderous intent.

Chen Ping helped Zhao Chuang up and injected a spiritual power into Zhao Chuang's body, which made Zhao Chuang's pain much less painful. Then he slowly looked at Xuanyuan Kai: "With your skills, are you worthy of seeking revenge from me?"

"Hmph, stop pretending, you are seriously injured now, I'm afraid you can't even catch my palm." Xuanyuan Kai snorted coldly, and then slapped Chen Ping with his palm.

"Kill you while you are sick..." The aura on Xuanyuan Kai's body exploded, and the domineering energy in his hand surrounded him. This palm was intended to directly kill Chen Ping.

"Don't overestimate your own capabilities..."

Chen Ping raised the corners of his mouth slightly, and his palms glowed with a faint golden light.

Just after Xuanyuan Kai got close, Chen Ping slapped him away.

Snapped!

Xuanyuan Kai's extremely domineering palm did not even touch the corner of Chen Ping's clothes, and was directly slapped away by Chen Ping.

Xuanyuan Kai's body hit the wall hard, he vomited blood, and his eyes were filled with horror!

"You... weren't you seriously injured?"

Xuanyuan Kai didn't understand that Chen Ping, who had clearly been exhausted and seriously injured just now, suddenly seemed like a different person.

"Even if I am seriously injured, it would be easy to kill you."

Chen Ping took one step forward and arrived directly in front of Xuanyuan Kai.

“What...what do you want to do?”

Xuanyuan Kai looked at Chen Ping, trembling all over.

“What do you think?” Chen Ping’s eyes shot out a murderous look.

“Don’t kill me, don’t kill me...” Xuanyuan Kai panicked and kept retreating. He wanted the two martial arts masters from the Xuanyuan family to protect him, but it was a pity that the two martial arts masters were killed by the two martial arts masters from Wuying Villa. Wu Zong struggled and couldn’t get away at all.

“You said you don’t want it, so you don’t want it? The moment you want my life, you deserve to die...”

After Chen Ping finished speaking, the aura on his body suddenly exploded, and then a terrifying spiritual power shot out.

puff.....

Xuanyuan Kai wanted to hide, but it was too late. He only felt a heavy blow on his chest. When he looked down, he found that a blood hole as big as a bowl had already appeared in his chest, and his internal organs were leaking out.

Plop.....

Xuanyuan Kai stared and fell down unwillingly.

Chapter: 1425

After killing Xuanyuan Kai, Chen Ping jumped away and headed towards the two martial arts masters of the Xuanyuan family.

The two martial arts masters of the Xuanyuan family were so frightened that they turned around and wanted to run away when they saw that their young master was killed and Chen Ping rushed over.

It's a pity that they ran too late. They saw Chen Ping's palms glowing with golden light, and terrifying spiritual power surrounded his hands. Then his palms came out together, and two golden rays of light visible to the naked eye shot out.

The two martial sects of the Xuanyuan family were directly killed by Chen Ping without any hesitation.

At this time, Long Xiao and Dong Jiahao had separated. Looking at Xuanyuan Kai who was beheaded, Long Xiao's face became extremely ugly.

He didn't expect that Chen Ping seemed to have completely recovered from such a serious injury in such a short period of time.

"Chen Ping, are you okay?" Dong Jiahao couldn't help but asked in surprise when he saw that Chen Ping's seriously injured body was now fine.

"It's okay!" Chen Ping said with a slight smile.

"That's great. This grandson wants to snatch this painting away while you are seriously injured. You finally got into this tomb, how can you let this grandson take advantage of it!"

Dong Jiahao pointed at Long Xiao and cursed one grandson at a time.

"Dong Jiahao, please keep your fucking mouth clean. This is a trial for our martial arts alliance. It has nothing to do with you. This is the rule of our trial."

Long Xiao glared at Dong Jiahao and shouted loudly.

Chen Ping looked at Long Xiao and said in a cold voice: "Okay, since this is the rule, I will take the painting away now..."

After Chen Ping finished speaking, he stepped forward and picked off the Nine Thousand Miles of Mountains and Rivers Map.

Seeing Chen Ping take off the painting, Long Xiao's face became very ugly, but now their strength was obviously no match for Chen Ping. Long Xiao did not expect that Dong Jiahao would violate the rules and directly help Chen Ping.

"Chen Ping, you'd better give me the painting, otherwise it will be difficult for you to get out of the tomb."

Long Xiao looked at Chen Ping fiercely, his eyes full of anger.

"If you have the ability, just come over and take the painting away!"

Chen Ping stretched out the painting, but Long Xiao didn't dare to pick it up.

"If you have the guts, just wait for me..."

After Long Xiao finished speaking, he led his people out of the tomb.

"Chen Ping, you have to be careful, these guys from the Kyoto Martial Arts Alliance are all petty and will retaliate!"

Dong Jiahao warned Chen Ping.

"Thank you Brother Dong, I will pay attention to it myself!"

Chapter: 1426

Chen Ping smiled slightly.

“You said such a big tomb and such a powerful magic circle are just for this painting? This is too strange. Are there other tomb passages in this tomb chamber?”

Dong Jiahao said very puzzled.

In this tomb, there is only one painting and nothing else. Since it is an ancient tomb, there must be a coffin.

Dong Jiahao groped around the wall, but did not find any mechanism tomb passage.

Chen Ping also felt that something was wrong. If it was just to place this painting, why build such a large mausoleum? There must be something hidden that they had not discovered.

Chen Ping also searched along the tomb and found no mechanism. However, when Chen Ping touched one of the walls of the tomb, he felt a slight vibration.

Chen Ping pressed his ears tightly against the wall and listened carefully. He seemed to hear the sound of running water behind the wall.

“Brother Dong, can you hear the sound of running water?”

Chen Ping asked.

“The sound of running water?” Dong Jiahao was stunned and put his ear against the wall, then shook his head: “I can’t hear anything!”

Chen Ping frowned slightly. His hearing was different from ordinary people. It was normal for others not to hear the sounds he heard.

Looking at the wall made of bluestone, Chen Ping suddenly punched it out.

boom.....

A big crater was made in the hard wall, but there was still bluestone behind it. It seemed that the wall was very thick.

Immediately afterwards, Chen Ping clenched his fists, and the spiritual power in his Dantian continued to gather into his fists!

Boom...boom...boom...

With three punches in succession, Chen Ping struck out without reservation.

After these three punches, a gap was suddenly blasted out of the hard wall, and then a stream of fresh and cold air blew in from the gap.

The sound of running water could be clearly heard, and there was even a faint light shining through.

“This...there is something behind this tomb?”

Dong Jiahao was overjoyed.

Chen Ping took the lead to get out of the gap. After getting out of the tomb, he discovered that it turned out to be a natural cave. The cave was very large and there was an underground river flowing slowly, making a gurgling sound.

At the top of the cave, there are still spots of light shining in, making the inside of the cave not dark.

Chapter: 1427

“I didn’t expect that I would end up in the mountains without knowing it!”

Dong Jiahao looked at the huge cave and said in surprise.

“Brother Chen, look what’s over there?”

At this time, Zhao Chuang hurriedly called Chen Ping and pointed in the direction of the top of the cave.

Chen Ping looked in the direction of Zhao Chuang’s finger and found that at the top of the cave, four steel cables as thick as arms were hanging a copper coffin. Because of the age, both the steel cables and the copper coffin already had a layer on top. Thick rust.

“Could this be the coffin of some emperor?” Dong Jiahao stared at the copper coffin with his eyes widened: “But why is the coffin placed here? Is there any treasure in the coffin?”

Chen Ping did not speak, but looked at the copper coffin carefully, and then glanced at the situation in the cave, seeming to have some guesses in his mind.

The winding underground river passes through the bottom of the copper coffin and has been flowing continuously for thousands of years. If you look down from mid-air, the underground river is like a winding dragon, constantly twisting. Body.

“I’ll go up to the copper coffin and have a look...”

Dong Jiahao couldn’t resist the temptation and wanted to go up to the copper coffin to see what happened.

Chen Ping grabbed Dong Jiahao: “Brother Dong, we should be more cautious. I always feel that there is something strange in this cave!”

“Chen Ping, are you too careful? There is nothing in such an empty cave except this copper coffin!”

Dong Jiahao looked around, but there was nothing at all.

But just when Chen Ping was about to say something, several more people suddenly emerged from the tomb at the back, and it was Long Xiao who had already left.

Looking at the copper coffin above his head, Long Xiao's face showed excitement: "Sure enough, there is something behind this tomb. Fortunately, we didn't leave..."

Seeing Long Xiao go and come back, Dong Jiahao looked disdainful: "If it weren't for Chen Ping, would you have found this place? They are all trash..."

Dong Jiahao's words made Long Xiao's face change slightly, but Long Xiao did not argue with Dong Jiahao, but fixed his eyes on the copper coffin.

But with Chen Ping and Dong Jiahao here, Long Xiao didn't dare to go up to the copper coffin to check easily.

Just when no one dared to act rashly, there was a sudden sound of footsteps, and Guo Wei and others filed out from behind a huge rock in the cave.

"Hahaha, Master Hu's guess is right. There is indeed something here..."

Guo Wei looked at the huge cave and laughed excitedly.

Chen Ping and the others looked at Guo Wei and others, and they all couldn't help laughing.

Dong Jiahao even smiled unabashedly: "Damn it, what are you old guys doing? You even took off your clothes..."

People like Guo Wei looked a little embarrassed, their shirts were gone, and some of them were scarred. It was obvious that they had gone through a lot of difficulties to get here.

Chapter: 1428

Dong Jiahao's words made the people from the major sects and families led by Guo Wei look here, with anger in their eyes.

Originally, they had experienced a lot of hidden weapons when they got here, and they had already been very depressed. Now they are still ridiculed by Dong Jiahao, so they are even more angry.

"Director Guo..."

When Long Xiao saw Guo Wei appear, he was instantly happy. With Guo Wei here, he no longer had to worry about Chen Ping and Dong Jiahao.

"Master Long, I didn't expect you to find this place. Can you find any treasures along the way?"

Guo Wei asked Long Xiao.

Along the way, Guo Wei and the others found hidden weapons and found no treasures or resources, which made them very depressed.

When Long Xiao heard Director Guo ask this question, he immediately told Director Guo what happened.

When Director Guo heard that Chen Ping had obtained a painting of Nine Thousand Miles of Mountains and Rivers, and that the contents of the painting would change randomly, greed flashed in his eyes.

"Chen Ping, show me the painting in your hand..."

Guo Wei walked towards Chen Ping, and then said to Chen Ping in a commanding tone.

"This is what I got, why should I show it to you?"

Chen Ping directly rejected Guo Wei.

Guo Wei was stunned. He didn't expect that Chen Ping would dare to contradict him directly in public. He immediately said angrily: "How dare you disobey my orders? I have the final say in this trial. Do you think what you get is yours?" Others can definitely snatch things from your hands, as long as you are able to protect them..."

As soon as Guo Wei's words came to light, many people from the sects and aristocratic families all looked at Chen Ping eagerly, ready to take action at any time.

With so many people looking at Chen Ping eagerly, even if Chen Ping was very capable, it would be difficult for him to withstand the attack of so many people.

"As a director of the Martial Arts Alliance, you interfered in the trial at will, and you also deliberately said robbing remarks. You are the one who is paired with me to give orders. Who the hell do you think you are..."

Chen Ping had long seen that Guo Wei and Long Xiao were wearing the same pants and targeting him everywhere!

Guo Wei was actually scolded. Everyone looked at Chen Ping in shock. Only Dong Jiahao laughed and said: "Chen Ping, you are brave enough. You don't have to listen to these sanctimonious guys."

Guo Wei's face turned extremely ugly, his fists clenched loudly, and then his eyes narrowed slightly and he said: "Master Long, grab the painting, it will belong to your Long family."

When Long Xiao heard this, he felt a little confused: "Director Guo, that Dong Jiahao..."

"Don't worry, if anyone dares to help Chen Ping today, I will kill him to pieces..."

After Guo Wei finished speaking, a terrifying aura suddenly erupted from his body, shrouding everyone in it.

Dong Jiahao's expression changed slightly. This burst of aura from Guo Wei really made him afraid to help Chen Ping. With his current strength, even if he brought two martial arts masters, they were not Guo Wei's at all. opponent.

Chapter: 1429

Seeing what Guo Wei said, Long Xiao felt happy: "Director Guo, then I will wait for you to teach this guy Chen Ping a lesson..."

After Long Xiao finished speaking, the aura on his body exploded instantly. He wanted to pay back the humiliation he had just suffered in the tomb at this moment.

Long Xiao raised his palm and slapped Chen Ping.

Chen Ping's eyes narrowed slightly, he held the painting behind his back and faced Long Xiao with a palm.

boom.....

After a loud noise, Long Xiao's body took several steps back, and Chen Ping's body also took a few steps back before he stabilized his figure.

With this palm, the two of them were evenly matched.

"Sure enough, I have some abilities. It seems I will use my full strength..."

As soon as Long Xiao raised his hand, Long Xingxu directly threw a sword behind him.

The sword was unsheathed, and a cold light came straight towards Chen Ping.

Chen Ping didn't dare to be arrogant. He stretched out his hand and the Dragon-Slaying Sword appeared in his hand. The Dragon-Slaying Sword was burning with flames and he slashed down hard with one strike.

clang.....

The two swords collided, making a loud noise, and the sparks flying around made the entire cave a lot brighter.

After this blow collided, Long Xiao felt a dull pain in his tiger's mouth, but when he looked at Chen Ping, he found that Chen Ping seemed to be fine.

"Come again..."

Long Xiao swung his sword forward again, but Chen Ping showed no sign of weakness, and the two of them fought instantly.

The scattered sword energy caused rocks to fly across the entire cave. The two men fought for hundreds of moves but still could not decide the winner.

When Guo Wei saw this, he waved his hand and sent a huge force towards Chen Ping, hitting Chen Ping himself.

Chen Ping's body fell from the air like a kite with its string broken, and Long Xiao took the opportunity to use his sword to fly away the Nine Thousand Miles of Mountains and Rivers map behind Chen Ping, and then caught his own in hand.

Chen Ping's body fell heavily to the ground, and Chen Ping was knocked unconscious by himself, with stars on his head.

"Brother Chen..." Zhao Chuang hurriedly stepped forward and helped Chen Ping up.

Chen Ping glared at Guo Wei. It was so shameless for this guy to sneak up on him.

After Long Xiao got the Nine Thousand Miles of Mountains and Rivers map, he immediately returned to Guo Wei and handed the painting to Guo Wei.

Guo Wei opened the painting, and a majestic and fresh aura suddenly hit his face, making people feel very comfortable.

Chapter: 1430

At this time, the scene in the painting has turned into a lotus pond, with lotus flowers blooming and drops of dew on it, lifelike!

“Good painting, really good painting...”

Guo Wei’s eyes widened as he looked at the Nine Thousand Miles of Mountains and Rivers map in front of him.

“You’re a despicable guy. You actually attacked me from behind. You’re worthy of being a director of the Martial Arts Alliance...”

Chen Ping glared at Guo Wei and cursed loudly.

The corner of Guo Wei’s mouth raised slightly: “You said I made a sneak attack. Who saw my sneak attack? Ask these people, who saw it? It’s just that your own skills are inferior to others. Don’t think that Mr. Shi is protecting you, so you can do it for me. If you do whatever you want, even if I kill you here, what can Mr. Shi do to me?”

Guo Wei’s words made Chen Ping extremely angry, but in this situation, Chen Ping had no choice but to endure.

Seeing that Chen Ping had shut up, Guo Wei put away the painting proudly, and then said to Hu Baqi: “Master Hu, can you see if there is a mechanism on this copper coffin?”

Hu Baqi stepped forward and looked carefully at the copper coffin above his head. Because it was rusty, he couldn’t see anything clearly.

“Director Guo, there is nothing wrong with this copper coffin. If you want to know if there are any mechanisms on this copper coffin, you have to go up and check it.”

Hu Baqi said.

“Well, you go up and check it out. If possible, it’s best to open the copper coffin and see if there is anything good inside.”

Guo Wei nodded and said.

With a slight click, Hu Baqi’s body flew directly into the sky and landed firmly on the copper coffin.

Hu Baqi looked at the rust on the copper coffin and began to sweep it off little by little with his hands. Soon a slightly raised faucet appeared on the copper coffin, and around the faucet, there were many densely packed words. Hu Baqi I can’t understand either.

Hu Baqi grabbed the faucet with his hand and turned it carefully. He knew that this must be the opening mechanism of the copper coffin.

Crunch.....

As a harsh friction sound sounded, the copper coffin shook slightly. Seeing this, Hu Baqi jumped down and landed back on the ground.

Everyone looked up at the copper coffin and saw that all the rust on the copper coffin fell off. The strange words on the copper coffin began to glow. Soon these words seemed to float from the copper coffin into the air, followed by a burst of A masterpiece of golden light!

Everyone was shocked. Soon, the golden light formed a huge net, covering the entire cave, and then an extremely arrogant suppressive force directly suppressed everyone’s energy.

“What, what’s going on?”

Everyone was stunned, waving their palms one by one, but all the energy in their bodies disappeared and they became ordinary people.

Guo Wei frowned and clenched his fists tightly, but the energy in his body was also suppressed and he could not display it at all.

“This should be a suppression magic circle that suppresses our energy!”
