

The Order 1441

Chapter: 1441

The two of them nodded at the same time, and then Su Yuqi said: "We are worried about you, so I followed Linger here to see you."

"Aren't I doing well? Nothing will happen!"

Chen Ping turned around and let Su Yuqi and Gu Linger take a look.

"Then the Long family didn't give you any trouble? You killed five of their guardians."

Gu Linger asked.

As soon as Gu Linger's words came out, Zhao Wuji was stunned. He didn't know that Chen Ping had killed the five guardians of the Long family.

Chen Ping followed Zhao Wuji to explain, and then Zhao Wuji said angrily: "This Long family didn't even take Mr. Shi's words seriously, and secretly sent people to deal with you. Fortunately, I took the person who was just tested. The matter has been reported to Mr. Shi, and Mr. Shi has also spoken, not allowing the Martial Arts Alliance to seek personal revenge against you."

"Pavilion Master Zhao, thank you..."

Chen Ping smiled slightly.

"Mr. Chen, you are too polite. This is my responsibility. These people in the Martial Arts Alliance have gone too far and openly showed favoritism during the trial." Zhao Wuji said.

"Yu Qi, Ling'er, go to my room, I'll show you a baby..."

Chen Ping planned to ask Su Yuqi and Gu Ling'er to go to his room, look at the Nine Thousand Miles of Mountains and Rivers map, and practice together.

But Su Yuqi and Gu Ling'er blushed and secretly glanced at Zhao Wuji next to them.

They misunderstood Chen Ping's words. They asked him to go to the room when they met. It was definitely not good. Moreover, the treasure they were looking at might be...

"Mr. Chen, please chat, I have something else to do..."

Zhao Wuji smiled slightly and walked away.

Chen Ping, on the other hand, hurriedly took Su Yuqi and Gu Ling'er to his room.

Zhao Wuji looked at Chen Ping's back with admiration: "Mr. Chen has such a good physique. It's so comfortable to be hugged from both sides..."

After Chen Ping pulled Su Yuqi and Gu Ling'er into the room, he immediately asked them to sit on the bed.

"Chen Ping, this is in the Dharma Protector Pavilion. What are you doing? And you want the two of us to be together, this..."

Su Yuqi's face was red with embarrassment. Although she and Chen Ping had established a relationship for a long time, the two of them had not really taken that step yet. Now that Chen Ping suddenly wanted her to go with Gu Ling'er, Su Yuqi was embarrassed.

"Don't talk yet, close your eyes, and I'll take out the baby for you to see..."

Chen Ping urged Su Yuqi and Gu Linger to close their eyes.

Su Yuqi and Gu Ling'er looked at each other, and then Gu Ling'er leaned into Su Yuqi's ear and said softly: "Let Chen Ping bully you first. After all, you two were together first. Besides, I have no experience. I'm afraid." ..."

Chapter: 1442

"You dead spirit, I have no experience, I'm scared too, I'm also a big girl..."

Su Yuqi stepped forward and slapped Gu Ling'er.

"I didn't mean that, you misunderstood..."

Gu Linger was fooling around with Su Yuqi.

Chen Ping saw the two people fighting and said with a confused look on his face: "What are you two doing? Close your eyes quickly. You will definitely like this baby after you see it."

When Su Yuqi and Gu Ling'er heard this, their faces turned even redder. Su Yuqi rolled her eyes at Chen Ping and said, "How did you know that we two would like that ugly thing?"

"That's right, we don't like that ugly thing!"

Gu Ling'er also echoed.

Chen Ping was stunned: "It's not ugly at all. You will know when you see it. It is very beautiful..."

Su Yuqi and Gu Ling'er wanted to say something else, but Chen Ping stepped forward and covered the two of them with a quilt, and then warned: "No peeking, you can only watch after I said it's okay!"

Su Yuqi and Gu Ling'er blushed and could only nod obediently.

They could only hear each other's violent heartbeats. After all, in their opinion, it was the first time they had done such a thing, and they felt very nervous.

Seeing that Su Yuqi and Gu Ling'er were both covered by this, Chen Ping took out the Nine Thousand Miles of Mountains and Rivers Map. When Chen Ping opened the Ninety Thousand Miles of Mountains and Rivers Map, he found that the scenery above had changed again. At this time, the Nine Thousand Miles Mountains and Rivers Map showed a snow-capped scene, with several white bears running around.

"Is this the North Pole?" Chen Ping looked at the scene on the Nine Thousand Miles of Mountains and Rivers Map and said in surprise.

Chen Ping gently hung the Nine Thousand Miles of Mountains and Rivers map on the wall, and then said, "You can take a look at this treasure."

Chen Ping pulled back the quilt, but Su Yuqi and Gu Ling'er both had their eyes closed, and no one opened their eyes first.

"Open your eyes and take a look!" Chen Ping looked at the two people in surprise, wondering what was wrong with them.

"Yu Qi opens her eyes first!" Gu Ling'er said.

"Ling'er, look first!" Su Yuqi shook her head.

"What's wrong with you two? Open your eyes together..."

Chen Ping's tone increased.

Seeing that Chen Ping was getting angry, the two of them slowly opened their eyes.

When Su Yuqi and Gu Ling'er opened their eyes, they saw Chen Ping standing in front of them, with his clothes intact and nothing changed.

“Chen Ping, where is the treasure you let us see?” Su Yuqi asked strangely.

Chapter: 1443

“Isn’t this hanging on the wall? Didn’t you notice?”

Chen Ping pointed to the Nine Thousand Miles of Mountains and Rivers Map and said.

Gu Ling’er took a look at the Nine Thousand Miles of Mountains and Rivers Map and asked in disbelief: “Is this the treasure you are talking about?”

“Of course, otherwise what did you think it was?”

Chen Ping nodded.

“I...” Gu Ling’er opened her mouth, but didn’t know how to answer Chen Ping.

“Chen Ping, what’s so special about this painting? It depicts the Arctic ice field, right?”

Su Yuqi spoke at this time and helped Gu Ling’er out of trouble.

“This is not an ordinary painting. You will know if you use your spiritual consciousness to explore this painting...”

Chen Ping smiled slightly.

Gu Ling’er and Su Yuqi simultaneously emitted their spiritual consciousness and explored the Nine Thousand Miles of Mountains and Rivers Map.

But as soon as their consciousness approached the Nine Thousand Miles of Mountains and Rivers Map, they were sucked into it.

At this moment, Gu Ling'er and Su Yuqi seemed to be in the Arctic ice field, and even a few polar bears in the distance were still looking at them.

At this time, the two people were stunned.

"Ling'er, what...what's going on? Are we dreaming?"

Su Yuqi asked in shock.

"I...I don't know. This shouldn't be a dream, right? It feels so real..."

Gu Ling'er also looked confused, she didn't know what was going on.

"The spiritual energy here is so strong that all the pores on my body opened unconsciously!"

Su Yuqi felt the rich spiritual energy around her, with a look of excitement on her face.

"I feel it too!" Gu Ling'er also looked surprised.

"This is not in a dream, but in a painting. The scenery in this painting is full of spiritual energy. From now on, we can practice in this painting..."

At this time, Chen Ping's voice came from behind the two people.

"Chen Ping, what on earth is going on?"

Chapter: 1444

Su Yuqi asked Chen Ping hurriedly.

“I don’t know. I got this painting from an ancient tomb. I was sucked into the painting at that time, and I realized that there was another world in the painting.”

Chen Ping also didn’t know the origin of the Nine Thousand Miles of Mountains and Rivers Map.

“Great, let’s start practicing. I have never encountered such rich spiritual energy!”

Gu Ling’er couldn’t wait and sat down cross-legged on the ground.

The coldness of the Arctic is nothing to them.

.....

Kyoto Martial Arts Alliance!

Guo Wei, who did not wait for Chen Ping, became furious and smashed many things in anger.

As a director of the alliance, he was beaten and insulted by Chen Ping in front of so many sect families. Guo Wei couldn’t bear such humiliation!

“Guo Wei, why are you so angry? Isn’t the trial going well now?”

Alliance leader Zhu Zhishan came over and asked.

Seeing Zhu Zhishan coming, Guo Wei hurriedly suppressed his anger and said: “Leader, that Chen Ping is so bold. He swallowed the treasure and beat me up...”

Zhu Zhishan was stunned: “What? Can Chen Ping be strong enough to beat you?”

How could it be said that Guo Wei was also at the peak of Wuzong's strength? How could Chen Ping defeat Guo Wei?

"Leader, this is what happened..."

Guo Wei told Zhu Zhishan exactly what happened in the ancient tomb. When Zhu Zhishan heard that Chen Ping had obtained the Nine Thousand Miles of Mountains and Rivers Map, his eyes were full of surprise.

"Guo Wei, please tell me clearly, is that painting really the Nine Thousand Miles of Mountains and Rivers map?"

Zhu Zhishan asked excitedly.

"Yes, I opened it and looked at it. Long Xiao said that the painting was very strange. After a while, the content of the painting on it would change on its own..."

Guo Wei nodded. He didn't understand why Zhu Zhishan was so excited.

"Hahaha, hahaha..."

Zhu Zhishan laughed excitedly: "That's right, it must be the Nine Thousand Miles of Mountains and Rivers Map. I didn't expect that there is such a treasure in our Kyoto territory!"

"Leader, what kind of treasure is this painting? I didn't find anything special about it at the time!"

Chapter: 1445

Guo Wei asked very strangely.

"You don't need to ask, you don't understand even if I tell you!" Zhu Zhishan waved his hand: "Then he said, you should bear with Chen Ping's beating for the time being, and don't kill him impulsively!"

“Leader, Chen Ping beat me in front of many sects and aristocratic families, making me lose face. If I don’t kill him, how can I relieve the hatred in my heart?”

Guo Wei’s eyes were full of anger. If he didn’t kill Chen Ping now, he wouldn’t be able to vent his anger at all.

“Have you forgotten what Mr. Shi said?” Zhu Zhishan said with a cold expression.

“I haven’t forgotten that when I kill Chen Ping secretly, even Mr. Shi will know who did it?”

Guo Wei’s eyes flashed coldly, and he seemed to have a plan.

“Look at this!” Zhu Zhishan handed a document to Guo Wei.

Guo Wei took it and took a look, his face instantly became extremely ugly.

“You saw that Mr. Shi specifically warned about this matter. If Chen Ping is killed at this time, do you think Mr. Shi will suspect you?”

Zhu Zhishan asked.

“Hmph, this Chen Ping is so cunning. He actually went to Mr. Shi first. I don’t believe Mr. Shi can protect him for the rest of his life...”

Guo Wei’s teeth rattled!

“Okay, there will be plenty of opportunities to deal with Chen Ping in the future. You should go and rest first!”

Zhu Zhishan sent Guo Wei away.

Guo Wei walked back and Zhu Zhishan walked towards the backyard of the Martial Arts Alliance. The yard at the back was very large. In the middle of the yard there was a rockery tens of meters high with a waterfall and fountain on it!

Zhu Zhishan walked to the waterfall and patted a stone three times. Soon the waterfall stopped flowing, and then a stone door opened behind the waterfall!

After Zhu Zhishan walked in, the stone door was closed and the waterfall began to flow. No one could tell that there was a mechanism here.

After walking along the dim corridor for a while, the front becomes much wider. There are many rooms inside. Each room is surrounded by steel bars as thick as an arm. Blue lightning can be seen constantly between these steel bars. The light sizzles and makes a sound.

This is the basement of the Martial Arts Alliance. The people imprisoned here are all evil cultivators, as well as some heinous warriors. The blue light that keeps emitting is a magic circle, trapping these people here.

“Let me out, let me out...”

When Zhu Zhishan entered the dungeon, someone immediately shouted, asking Zhu Zhishan to let him out.

Others were kneeling on the ground, kowtowing to Zhu Zhishan, begging Zhu Zhishan to let them go.

These people were dressed in rags and had been tortured to the point where they no longer looked human.

Chapter: 1446

It's just that Zhu Zhishan didn't even look at these people and walked straight towards the depths of the dungeon.

Walking all the way to the end of the dungeon, there is another room here. The room is extremely dark, and only a figure can be seen sitting in it.

“What’s the matter?”

The figure seemed to sense Zhu Zhishan’s arrival and asked slowly.

“The Map of Nine Thousand Miles of Mountains and Rivers has appeared!”

Zhu Zhishan said.

When Zhu Zhishan mentioned the Nine Thousand Miles of Mountains and Rivers Map, the figure’s figure visibly swayed.

“Get the picture!”

The figure said in a tone that left no room for doubt.

“Yes!” The dignified leader of the Kyoto Martial Arts Alliance said respectfully at this moment.

After saying that, Zhu Zhishan left directly!

.....

Early the next morning!

When Chen Ping and Su Yuqi woke up, they found that it was already broad daylight.

A person from the Dharma Protector Pavilion was walking outside Chen Ping’s room. It seemed that he was looking for Chen Ping in an emergency.

Chen Ping hurriedly opened the door and said, "What's the matter?"

"Instructor Chen, Pavilion Master Zhao has something to do with you. I think you are still sleeping, so I don't dare to disturb you..."

The member of the Dharma Protector Pavilion said.

"Oh, I'll be there right away!"

Chen Ping said.

At this time, Su Yuqi and Gu Ling'er walked out of the room and stretched out.

Su Yuqi said lazily: "It was so comfortable last night, I want to do more tonight..."

"Yeah, I haven't felt this comfortable for a long time..."

Gu Linger nodded.

Chapter: 1447

The Dharma Protector looked at Gu Ling'er and Su Yuqi, and when he heard what the two people said, he showed a playful smile, looked at Chen Ping and said: "Instructor Chen, I didn't expect you to be so brave, even if you fight one against two. Undefeated..."

"Why one versus two?" Chen Ping looked confused.

"Instructor Chen, stop pretending. You don't know how many people in the Dharma Protector Pavilion are envious of you. Even Pavilion Master Zhao is envious of you..."

After the member of the Guardian Pavilion finished speaking, he looked at Chen Ping meaningfully before leaving!

Looking at the eyes of the member of the Protector Pavilion, Chen Ping suddenly seemed to know what he was talking about. Then he looked at Su Yuqi and Gu Ling'er, who still looked satisfied, and hurriedly shouted to the member of the Protector Pavilion: "Hey, It's not what you think, it's not what you think..."

The Dharma Protector Pavilion member had long since disappeared.

"How can you two talk nonsense!"

Chen Ping felt dizzy for a while, and he only realized now that what Su Yuqi and Gu Ling'er just said was too easy for others to misunderstand. No wonder the member of the Dharma Protector Pavilion just said those words to him.

"What nonsense did we say?"

Su Yuqi and Gu Ling'er also looked at Chen Ping with confused expressions.

"Hey, let's not talk anymore. Pavilion Master Zhao has something to do with me. I'll go over there..."

Chen Ping sighed and turned around to find Zhao Wuji.

He knew that these guys in the Dharma Protector Pavilion would definitely be talking about him behind his back...

"Ling'er, what did we say?"

Su Yuqi watched Chen Ping leave without reacting.

“I didn’t say anything. I just said that I was very comfortable last night. I didn’t say anything at all!”

Gu Ling’er couldn’t understand either.

But soon the two of them were stunned, and then their faces suddenly turned red.

The two of them stayed in the room with Chen Ping all night, alone together, what could they do?

Moreover, the two of them said they felt comfortable last night in front of others, which would definitely lead to misunderstanding. Who would have thought that they were practicing last night.

Su Yuqi and Gu Ling’er ran back to the room shyly, probably not daring to come out to see anyone anymore.

Chen Ping went to the lobby of the Guardian Pavilion and found Zhao Wuji waiting for him. There was another person sitting next to Zhao Wuji, who was Zhu Zhishan, the leader of the Kyoto Martial Arts Alliance.

When Chen Ping saw that Zhu Zhishan was also there, he knew that it must be because of the trial. After all, the trial was organized by the Martial Arts Alliance. He had beaten Guo Wei and almost disfigured Long Xiao. As the leader of the alliance, Zhu Zhi It is impossible not to find mountains.

“Mr. Chen, the leader of the Zhu Alliance said that he has something to discuss with you...”

Chapter: 1448

Seeing Chen Ping coming, Zhao Wuji hurriedly stood up and said.

“Blessings to the leader...”

Chen Ping nodded towards Zhu Zhishan.

Zhu Zhishan sat on the chair and just nodded his head slightly as a return gift.

Chen Ping looked at Zhu Zhishan's arrogant look, and felt furious. He grabbed a chair and sat down.

Chen Ping has long been ashamed of what these people in the Kyoto Martial Arts Alliance have done.

“Chen Ping, as the instructor of the Guardian Pavilion, it is your honor to be able to give you a chance to test. You should be extremely rare. I didn't expect that you broke the rules and not only killed the Xuanyuan family and the Pili clan. They also beat up Long Xiao and Guo Wei, don't you take our martial arts alliance seriously?”

Zhu Zhishan looked at Chen Ping, his obsidian eyes exuding a cold and sharp light, giving people an endless sense of oppression.

However, Chen Ping didn't pay attention, and raised the corner of his mouth slightly: “You martial arts alliance still have the nerve to talk about rules? In this trial, you favored the Long family and allowed other sects and aristocratic families to cause trouble for me. I will just beat them!” ”

“Humph, you are so arrogant at such a young age!”

Zhu Zhishan snorted coldly, then slapped his palm on the table, and pressed his cold breath directly towards Chen Ping.

Crash la la la la la la la la la la la la la la la.

Chen Ping suddenly felt like a big mountain was pressing down on him, and the chair beneath him suddenly shattered into pieces.

Chen Ping gritted his teeth and held on to this breath, and the cold sweat on his forehead instantly flowed out.

Zhu Zhishan's strength is still higher than that of Guo Wei, and Chen Ping's current strength is not enough to resist Zhu Zhishan.

“I wish you all the best, Alliance Leader. If you openly attack Mr. Chen in the Dharma Protector Pavilion, if I report it to Mr. Shi, you won’t be able to explain it to me, right?”

Zhao Wuji saw that Chen Ping could no longer bear it, and hurriedly threatened Zhu Zhishan.

Hearing what Zhao Wuji said, Zhu Zhishan took back his breath and looked at Chen Ping coldly: “Chen Ping, for the sake of Mr. Shi, I can spare you this time, but you are in the ancient tomb.” The painting I got must be handed over...”

“That’s what I got. Why should I give it to you? If you have the ability, kill me today. There is no way I can give you that painting.”

Chen Ping knew the value of the painting, so how could he give it to Zhu Zhishan.

“Hmph, you are worthy of the Ninety Thousand Miles of Mountains and Rivers Map. Having something like that in your hands is a waste of natural resources...”

Zhu Zhishan snorted angrily: “If you hand over the Nine Thousand Miles of Mountains and Rivers Map now, I can forget about the past things, and I can also help you suppress the matter of you killing the eldest young masters of the Xuanyuan family and the Pili family. ”

“You want me to give you the Nine Thousand Miles of Mountains and Rivers Map. Stop dreaming, unless you kill me now and take it away from me...”

Chen Ping looked at Zhu Zhishan with a sneer. This guy was obviously here for the Nine Thousand Miles of Mountains and Rivers Map today.

Chapter: 1449

Zhu Zhishan’s face was livid with anger, and he gritted his teeth and said fiercely: “Don’t think that I dare not kill you...”

The terrifying aura emanated from Zhu Zhishan’s body again.

“Zhu Alliance Leader, if you take action in the Dharma Protector Pavilion, would you like me to call Mr. Shi?”

Zhao Wuji took out his cell phone and prepared to make a call!

Zhu Zhishan glared at Zhao Wuji fiercely, and then said angrily: “Let’s see...”

Zhu Zhishan left angrily.

After Zhu Zhishan left, Zhao Wuji breathed a heavy sigh of relief, and his back was already soaked.

Where does he have Mr. Shi’s phone number? If Zhu Zhishan really takes action, there is nothing Zhao Wuji can do.

“Mr. Chen, it seems that you have to leave Kyoto temporarily and find a place to hide for a while. These guys from the Martial Arts Alliance can do anything. Although Mr. Shi is behind you to support you, it is inevitable that they will not attack you secretly. Let’s start...”

Zhao Wuji knew that Chen Ping would be in danger if he stayed in Kyoto.

“I also have this intention. I plan to leave Kyoto for a while and practice hard for a while!”

Chen Ping has not practiced well during this period. Now that he has the Nine Thousand Miles of Mountains and Rivers map, he does not have to worry about lack of spiritual energy, so he must seize the time to practice and rescue his mother from the Long family as soon as possible.

“It’s not too late. I’ll send someone to drive Mr. Chen and you out of the city now. There are people from the Dharma Protector Pavilion here, so those people don’t dare to do anything. If they dare to kill official people, they won’t be able to explain.”

Zhao Wuji planned to send people to send Chen Ping, Su Yuqi and the others directly out of Kyoto City.

But at this moment, a member of Shadowless Villa came in a hurry, covered in blood.

“Mr. Chen, Mr. Chen...”

Then the members of Wuying Villa shouted in the Dharma Protector Pavilion.

Chen Ping hurriedly ran out of the hall. After seeing the scarred Wuying Villa member, Chen Ping frowned and said, “What happened?”

“Mr. Chen, the Perak Sect and the Xuanyuan Family jointly attacked the Wuying Villa. This time they were cruel. Many of us died. The owner and the young owner of the Villa can no longer withstand it...”

After the member of Shadowless Villa said that, he fainted.

When Chen Ping heard this, he instantly burst out with murderous intent, then looked at Zhao Wuji and said: “Pavilion Master Zhao, help me take care of him...”

After Chen Ping finished speaking, his figure disappeared in a flash, and he rushed towards Wuying Villa.

Zhao Wuji wanted to say something else, but before he could, Chen Ping disappeared!

Zhao Wuji could only send people to carry away the members of Wuying Villa for treatment, and then hurried to tell Su Yuqi and Gu Ling'er.

Chapter: 1450

.....

Inside Wuying Villa!

There were corpses and blood everywhere, and the smell of blood spread hundreds of meters!

Two teams from the Xuanyuan Family and the Pili Clan surrounded the Wuying Villa.

At this moment, there were only a dozen or so people around Zhao Ligu and Zhao Chuang, and the huge Wuying Villa was about to be destroyed.

“Zhao Ligu, you and I have known each other for decades. It’s a pity that you are with the wrong person. Your dignified owner of Wuying Villa actually followed that boy Chen Ping. Don’t blame us today!”

Xuanyuan Yan held a long sword and glared at Zhao Ligu.

After Xuanyuan Yan knew that his son had been killed by Chen Ping and died tragically in the ancient tomb, he immediately became furious. However, Chen Ping was in the Guardian Pavilion, and the Xuanyuan family did not dare to openly go to the Guardian Pavilion to get someone, not to mention that Chen Ping had Mr. Shi behind him. .

However, the revenge for killing his son must be avenged. Xuanyuan Yan found the Martial Arts Alliance and wanted Zhu Zhishan to make the decision!

Cheng Zhichang, the leader of the Perak Sect, also had the same idea. His only son Cheng Kun was killed by Chen Ping. Cheng Zhichang immediately found the Martial Arts Alliance, and now they all want an explanation.

Zhu Zhishan, an old fox, first calmed down the two families, then went to Chen Ping and asked for the Nine Thousand Miles of Mountains and Rivers Map. After Chen Ping flatly refused, he directly encouraged the two families to take action against Wuying Villa.

Zhu Zhishan knew that Chen Ping would never sit idly by if Wuying Villa was in trouble. The sects and aristocratic families in Kyoto were all under the control of Zhu Zhishan. Wuying Villa and Chen Ping were so close, so Zhu Zhishan would not I don’t know.

“Xuanyuan Yan, stop talking nonsense. If you want to kill or behead him, you can kill him. I’m afraid of you!”

Zhao Liguó looked at each other, not afraid at all!

“Zhao Liguó, you are not afraid of death, aren’t your sons afraid too? Now you just need to call Chen Ping and coax him here, and we can spare your life...”

Cheng Zhichang said with a cold face: “We only want to kill Chen Ping, we don’t want the lives of you and your son!”

“Don’t even think about it, I won’t make calls, and even if I trick Mr. Chen, you guys are no match...”

Zhao Liguó has absolute confidence in Chen Ping’s strength.

“Hmph, with the combined efforts of our two families, we can’t kill even one Chen Ping. You think too highly of Chen Ping...”

Cheng Zhichang snorted coldly.

Now neither Cheng Zhichang nor Xuanyuan Yan has killed Zhao Liguó. They are just waiting for Chen Ping to arrive. It is Chen Ping they want to kill.

Even if Mr. Shi had said it first, they didn’t care. If they didn’t avenge their son’s murder, how could the two of them live in Kyoto and in the martial arts world?

What’s more, there is a martial arts alliance behind them. Zhu Zhishan promised them that he would help the two families to block Mr. Shi’s anger and intercede for them.

“It’s not that I think too highly of Mr. Chen, but that you bunch of losers are too incompetent...”
