

## **The Order 1461**

Chapter: 1461

Guo Wei stood with his hands behind his back, standing on the edge of the pit, looking down at Chen Ping, and said with an indifferent expression.

Chen Ping did not speak, but looked up at Guo Wei with scarlet eyes.

The Heart Condensation Technique on his body was running crazily, constantly repairing the injured internal organs.

“He’ll leave it to you!!”

Guo Wei turned to look at Xuanyuan Yan and said.

Xuanyuan Yan was overjoyed and hurriedly followed Guo Wei to express his thanks: “Thank you, Director Guo...”

After saying that, Xuanyuan Yan jumped deep into the pit and looked at Chen Ping coldly: “Chen Ping, things are changing, is it my turn now?”

After saying that, Xuanyuan Yan’s body began to flash with golden light, and there was a mark flashing between Xuanyuan Yan’s eyebrows.

“Are you actually an evil cultivator?” Chen Ping frowned.

Xuanyuan Yan remained silent and sneered: “Today I will use my indestructible golden body to have a good collision with you, and then all the energy in your body will be mine!”

After saying that, Xuanyuan Yan went directly to Chen Ping.

Chen Ping's eyes condensed, a golden light flashed across his palm, and he slapped Xuanyuan Yan fiercely.

Although Chen Ping was injured, he would never sit still and wait for death!

What's more, this Xuanyuan Yan actually revealed his nature as an evil cultivator. He never expected that the head of the Xuanyuan family in Kyoto's martial arts world would be an evil cultivator and practice evil techniques!

What was even more incomprehensible to Chen Ping was that Guo Wei, a director of the Martial Arts Alliance, was standing not far away and didn't even care that Xuanyuan Yan was an evil cultivator.

You must know that when the Martial Arts Alliance was established, its mission was to eliminate demons and protect the Tao, and to eliminate evil cultivators in the martial arts world. But now it seems that there is an ulterior secret in the Martial Arts Alliance.

Xuanyuan Yan dodged Chen Ping's palm, and then hit Chen Ping's back with a huge palm, causing Chen Ping to fall forward!

Just as Chen Ping stood up, Xuanyuan Yan struck again. This time Xuanyuan Yan kicked him, causing the faint golden light on Chen Ping to disappear instantly.

"Chen Ping, I can also use this good golden body, so I know its weaknesses..."

Seeing the golden light disappearing from Chen Ping's body, Xuanyuan Yan laughed proudly.

Then Xuanyuan Yan put his hand on Chen Ping's head, and the mark on his forehead began to flash rapidly. A huge suction force entered Chen Ping's body and began to continuously absorb the spiritual energy in Chen Ping's body.

Feeling the invasion from the outside world, Chen Ping's Heart Condensing Art began to run wildly. The suction force that entered Chen Ping's body was instantly sucked into Chen Ping's Dantian by the Condensing Heart Art.

Just when Xuanyuan Yan's face was full of excitement, thinking that he could absorb Chen Ping's energy, he suddenly found that the energy in his body was involuntarily running towards Chen Ping's body.

At this time, Xuanyuan Yan panicked and wanted to take his hand away, but no matter how hard he tried, his palm seemed to be stuck and he couldn't take it away at all!

Chapter: 1462

At this moment, Chen Ping's body was like a bottomless pit, constantly absorbing the energy in Xuanyuan Yan's body, and the original surging energy in his body soon became like a trickling stream.

Xuanyuan Yan's body was also shrinking rapidly, and soon he looked like an old man.

Xuanyuan Yan's eyes widened and he looked at Chen Ping in disbelief. He opened his mouth, but found that he couldn't say a word.

Soon, Xuanyuan Yan's energy disappeared. As the energy disappeared, Xuanyuan Yan's breathing also stopped. Until the moment Xuanyuan Yan lost consciousness, his eyes were still looking at Chen Ping in shock.

Chen Ping absorbed Xuanyuan Yan's energy and began to convert it into spiritual power. The golden light that dimmed and disappeared from his body slowly began to appear again.

Guo Wei on the side saw that there was no movement for a long time, so he walked over and looked into the pit.

But when Guo Wei just poked his head, a stream of light flashed by. Guo Wei hurriedly retreated, and then he saw Chen Ping standing in front of him, glowing with golden light. In the deep pit, only Xuanyuan Yan's withered body was left.

"Are you actually an evil cultivator too?"

Guo Wei took one look and immediately knew what happened.

Xuanyuan Yan's tragic situation was obviously caused by someone absorbing the energy from his body.

"It doesn't matter whether I am an evil cultivator or not. What is important is that as a director of the Martial Arts Alliance, you know that Xuanyuan Yan is an evil cultivator, but you are indifferent. Now I suspect that there must be people in the sects and aristocratic families of your Martial Arts Alliance who practice evil arts, and As the top leaders of the alliance, you chose to cover up..."

Chen Ping looked at Guo Wei coldly and said.

Guo Wei's eyes narrowed, and the murderous look in his eyes became stronger: "Boy, you know a little too much..."

As he spoke, Guo Wei began to emit strange auras, and marks appeared on his chest!

Chen Ping frowned. He never expected that Guo Wei, as the director of the alliance, would also practice evil arts. It seemed that the martial arts alliance had already been infiltrated by evil cultivators!

"You know too much, and you have no choice but to die..."

Uh-huh!

Guo Wei's body suddenly disappeared, leaving an afterimage in the air at an extremely fast speed!

Bang!

Before Chen Ping could react, Guo Wei slapped his palm, instantly shattering the newly restored golden light on Chen Ping's body.

"That bullshit indestructible golden body is vulnerable to me..."

Guo Wei did not give Chen Ping any chance to breathe.

He punched Chen Ping in the chest again.

Kick, kick, kick...

Chapter: 1463

Chen Ping's body took several steps back, and his chest sank even more.

Facing Guo Wei, the pinnacle of martial arts, Chen Ping's physical body was getting stronger, but he still couldn't resist.

Bang bang...

With constant blows, Guo Wei's body was like a meteor, constantly flashing and disappearing. Every flash would leave a heavy blow on Chen Ping's body!

Chen Ping gritted his teeth and endured the fierce blow, but Guo Wei's speed was too fast, and Chen Ping couldn't catch Guo Wei at all.

"Nine shadow clones....."

Chen Ping knew that if this continued, he would be beaten to death sooner or later, so suddenly his figure flashed and clones appeared one after another!

Chen Ping's speed also increased to the extreme, and shadow clones began to appear in all directions!

As Chen Ping's speed increased, Guo Wei's figure began to slowly appear in front of Chen Ping.

The four shadow clones, considered Chen Ping's true body, attacked Guo Wei together!

"Humph, you don't overestimate your capabilities..."

Guo Wei snorted coldly, and then punched out, but this punch turned into countless fist shadows!

These fist shadows hit those shadow clones, and the shadow clones were instantly shattered and disappeared without a trace!

In the end, only Chen Ping's body was left, and he punched Guo Wei on the body!

With this punch, Guo Wei's body suddenly erupted with a black light, and the terrifying aura directly suppressed Chen Ping.

Guo Wei's body was wrapped in black ink-like light, as if he was wearing a layer of black armor.

This black color shone strangely under the sunlight.

“Chen Ping, if I don't kill you today, given time, you will definitely become a trouble for the martial arts alliance...”

A cold light flashed in Guo Wei's eyes, and a black stream of light hit Chen Ping's chest hard!

Chen Ping's body flew out and fell heavily to the ground. The dent in his chest was a little deeper.

A mouthful of blood spurted out, and Chen Ping could no longer suppress the tumbling of the internal organs in his body!

Looking at the seriously injured Chen Ping, Guo Wei slowly walked over, looked down at Chen Ping on the ground and said: “It's over, everything is over...”

Guo Wei's fist once again condensed with dazzling black light.

“stop.....”

Chapter: 1464

Three breaths came quickly. When Guo Wei saw it, the black light on his body disappeared instantly.

I saw Su Yuqi, Gu Ling'er and Zhao Wuji rushing over.

Seeing Chen Ping who was seriously injured on the ground, Su Yuqi and Gu Linger rushed forward.

“Director Guo, Mr. Shi said that you are not allowed to kill Mr. Chen, but you want to kill him. I will report this matter to Mr. Shi.”

Zhao Wuji glared at Guo Weidao.

Guo Wei looked at Zhao Wuji and Su Yuqi who were arriving, and suddenly raised the corner of his mouth: “Who said I did anything to Chen Ping?”

“I saw it. If we hadn’t come here just now, you would have killed Mr. Chen.”

Zhao Wuji said loudly.

“You haven’t seen anything, because dead people can’t see...”

After Guo Wei said that, a terrifying aura directly enveloped Zhao Wuji and the others.

He is going to kill people and silence them. Only if these people are dead can his secrets be revealed.

Seeing that Guo Wei had murderous intentions, Zhao Wuji was shocked: “Director Guo, you... what do you want to do? I am a member of the Dharma Protector Pavilion. If you kill me, you will be working against the official...”

Zhao Wuji wanted to use the official government to suppress Guo Wei, but it was obviously useless, because Guo Wei was murderous!

“Zhao Wuji, if I kill you now, who can prove that I killed you? No one can prove it. Even if you are an official, what can the official do to me?”

Guo Wei smiled coldly.

At this time, Zhao Wuji was completely panicked. Facing Guo Wei, who was at the peak of Wu Zong, they had no chance of winning.

Now Guo Wei, let alone a finger, even if he strengthened the aura on his body, Zhao Wuji couldn't bear it anymore.

As for the two girls, Su Yuqi and Gu Ling'er, although they have some strength, it is just a dream to deal with a peak martial artist!

Chen Ping had been helped up by Su Yuqi and Gu Linger. His expression became extremely solemn when he looked at Guo Wei, who was full of murderous intent!

“Guo Wei, if you stop, I will pretend that I didn't see anything about what happened today!”

Chen Ping began to compromise.

If it was just him, Chen Ping would still have the possibility of escaping, but now Su Yuqi and Gu Ling'er are here, as well as Zhao Wuji. With Zhao Wuji's strength, there is absolutely no way he can escape.

For the sake of the people around him, Chen Ping had no choice but to compromise.

“Hahaha, Chen Ping, you are scared, but it is too late. You know too much, so you must die...”

Chapter: 1465

After Guo Wei said that, he punched out. The black light burst out and turned into a beast, rushing directly towards Chen Ping and the others.

Seeing this, Chen Ping gritted his teeth, activated the golden light on his body, and jumped up to meet Guo Wei's punch.

Boom...

The huge collision directly caused Chen Ping's body to fall heavily.

A mouthful of blood spurted out, cracks began to appear on Chen Ping's body, and the golden light on his body began to dim again.

However, Chen Ping's desperate block prevented Su Yuqi and the others from being harmed.

"Chen Ping..."

Su Yuqi and Gu Ling'er supported Chen Ping with distressed faces!

"Yes, you can still withstand one of my blows without dying, but with this punch, I want to see if you will die..."

The black light on Guo Wei's body began to shine continuously and was no longer secretive.

Seeing the black light on Guo Wei's body, Zhao Wuji opened his mouth in shock!

"I stopped him and you took the opportunity to run away..."

Chen Ping's eyes narrowed slightly. He knew that he would have to fight hard today, otherwise Su Yuqi and Gu Ling'er would have to answer here.

"Chen Ping, if we don't leave, we will die together..."

Gu Linger shed tears and shook her head.

"We may not necessarily die..."

Su Yuqi's eyes suddenly turned cold, and then she pulled out a dagger and slashed it towards her arm.

A wound appeared and bright red blood flowed out.

"Chen Ping, drink it..."

Su Yuqi handed the wound to Chen Ping.

Looking at the scarlet wound on Su Yuqi's fair arm, Chen Ping couldn't bear it.

"Chen Ping, if you don't drink, then we will all die..."

Su Yuqi urged Chen Ping.

Chen Ping gritted his teeth, moved his mouth directly forward, and began to suck Su Yuqi's blood.

Chapter: 1466

Guo Wei was stunned when he saw the scene in front of him. He couldn't understand what Chen Ping and the others were doing when they were about to die!

Soon, Su Yuqi's blood entered Chen Ping's body, and Chen Ping's blood began to boil.

Endless spiritual power was flowing everywhere in Chen Ping's body, and even the dragon crystal turned blood red at this time.

Chen Ping's whole body was filled with manic bloody smell!

Slowly raising his head, Chen Ping looked at Guo Wei, his eyes were scarlet red, and the fighting spirit bursting out of his body directly suppressed Guo Wei's aura!

Guo Wei was shocked and looked at Chen Ping in shock.

He didn't understand why Chen Ping, whose breath was obviously weak just now, suddenly changed after sucking Su Yuqi's blood.

The aura on his body is manic, and his strength has obviously increased a lot.

"If I were at the pinnacle of martial arts, I would definitely kill you with one move..."

The golden light on Chen Ping's body skyrocketed, as bright as the sun on a hot summer day!

Guo Wei looked calm, he knew what Chen Ping said was true.

Now Chen Ping is only a first-level martial arts master, but he can kill a seventh-level martial arts master like Xuanyuan Yan, and he can also fight with himself, the peak martial arts master, with several moves.

If Chen Ping really reaches the peak of Wu Zong, it will be terrible. At that time, I am afraid that even half-step Wuhou will not be Chen Ping's opponent. If he wants to deal with Chen Ping, Wuhou must be dispatched!

"You will never have the chance to reach the peak of martial arts, because you will die today..."

After Guo Wei said that, his body erupted with black light, and the light all over his body continued to converge towards the mark on Guo Wei's chest.

The mark flashed at first, and eventually became extremely bright, with huge energy spreading out from the mark!

"Guo Wei, you actually practiced the Demon Seal?"

Zhao Wuji looked at the mark on Guo Wei's chest and said in shock.

Chen Ping didn't know what the Heavenly Demon Seal was, but he was certain that this Heavenly Demon Seal must be very powerful!

Guo Wei's body slowly floated in the air, and the mark on his chest began to swallow up the power of everything around him. Even the sunlight in the sky was absorbed. Soon, dark clouds covered the sun and the sky became dark.

Feeling this pressure, Zhao Wuji's body fell to the ground with a thud. The huge pressure made it impossible for him to move at all!

Su Yuqi and Gu Ling'er, on the other hand, gritted their teeth and resisted this pressure.

But soon, the pressure on Su Yuqi and Gu Ling'er disappeared, and Zhao Wuji got up from the ground.

I saw Chen Ping's body slowly rising into the air, and a golden light directly enveloped Su Yuqi and the others, blocking out the pressure!

Chapter: 1467

Su Yuqi and the others looked up, as if there were two suns in the sky, one emitting golden light and the other emitting black light!

Su Yuqi and the others were fine with Chen Ping protecting them, but Xuanyuan Rong, who had been by the side all the time, was unlucky. Feeling the double pressure of Chen Ping and Guo Wei, even though Xuanyuan Rong was in the realm of Wuzong, in the end his body was directly crushed and turned into a human being. Blood mist.

At this time, Chen Ping was resisting the coercive force on Guo Wei's body. The Heart Condensation Technique in his body was running almost crazily, and the manic aura in his body was constantly being filled into the Dantian, and then radiated from the Dantian to the outside of the body.

The aura on Chen Ping's body became stronger and stronger, and golden brilliance shone around Chen Ping.

Feeling the change in Chen Ping's aura, Guo Wei frowned slightly. He knew he couldn't drag it on any longer, otherwise Chen Ping's strength would really rise to a terrifying level.

"go to hell....."

Guo Wei turned into a black lightning and rushed towards Chen Ping with endless energy.

Chen Ping's face was solemn, and the muscles all over his body were bulging. Every part of his body contained endless spiritual power. On the surface of his skin, layers of spiritual power

were like layers of transparent armor. Facing Guo Wei, Chen Ping did not dare to resist simply with his body.

Rumble.....

Finally, Guo Wei hit Chen Ping hard, two rays of light scattered, and the dark clouds in the sky were dispersed by this huge shock wave!

The surrounding trees were uprooted one after another, and the entire area of several thousand meters became a mess!

Chen Ping fell quickly, and finally hit the ground, making a deep pit in the ground!

And Guo Wei was not much better. His body shook, and he finally fell to the ground, taking several steps back!

Guo Wei's face turned pale, and there was blood on the corners of his mouth, and the mark that flashed on Guo Wei's chest actually had the slightest crack!

Looking at Chen Ping who was swaying and standing up again, Guo Wei had a headache. He felt that Chen Ping was just a weakling who couldn't be beaten!

Seeing Su Yuqi hand the wound to Chen Ping again and let Chen Ping suck the blood, Guo Wei finally gave up!

He really couldn't figure out what was different about Su Yuqi, and why Chen Ping's strength suddenly increased after sucking her blood.

"I will spare your life today. If you dare to tell lies in the future, you will die without a burial place..."

After Guo Wei finished speaking, his figure flashed and disappeared!

After Guo Wei left, Chen Ping's body collapsed suddenly.

"Chen Ping..."

Su Yuqi and Gu Ling'er hurriedly rushed forward.

Chapter: 1468

Guo Wei sat in the hall with a pale face, the blood in his body was boiling. Guo Wei was also seriously injured in the battle with Chen Ping.

Soon, Zhu Zhishan walked in and frowned slightly when he saw Guo Wei like that.

"Guo Wei, what's going on?"

Zhu Zhishan asked.

"Congratulations, Alliance Leader, that boy Chen Ping is too perverted. Cheng Zhichang of the Perak Sect and Xuanyuan Yan of the Xuanyuan Family have both been killed by Chen Ping. There will no longer be these two families in Kyoto in the future."

Guo Wei said solemnly.

"What's going on? Didn't I send you over to take a look? You can't even stop Chen Ping?"

Zhu Zhishan frowned deeper.

Guo Wei shook his head and told Zhu Zhishan what happened!

Zhu Zhishan fell into deep thought when he heard that Chen Ping had drained Xuanyuan Yan's strength and Su Yuqi's blood would suddenly increase his strength.

After a moment, Zhu Zhishan spoke slowly: "Is it possible that Chen Ping is also an evil cultivator and has practiced a technique similar to the Star Absorbing Technique?"

"I doubt it too, but after he sucked the girl's blood, his strength suddenly increased. How to explain it?"

Guo Wei didn't understand why Chen Ping would become stronger by sucking human blood.

They have dealt with many evil cultivators and have never heard of any techniques that can absorb human blood to increase their strength.

"This should have nothing to do with Chen Ping. The girl with the problem should be that girl!" Zhu Zhishan's eyes flashed with light, and then he continued: "Chen Ping's matter of destroying the Pili Clan and the Xuanyuan family, you should suppress it first. Don't publicize it, you just need to announce it. Chen Ping disobeyed the leadership during the trial and was seriously injured by you. Don't mention other things!"

"Understood!" Guo Wei nodded.

Zhu Zhishan waved his hand and sent Guo Wei away, but he went directly into the dungeon in the backyard!

.....

Three days later, Chen Ping slowly opened his eyes at Wuying Villa!

“Chen Ping, you wake up...”

Seeing that Chen Ping was awake, Su Yuqi and Gu Ling'er hurriedly came forward.

Chen Ping looked around: “How long have I been unconscious? Where is this?”

“Mr. Chen, you have been unconscious for three days, this is Wuying Villa!”

Zhao Liguó stepped forward and said.

Chapter: 1469

Chen Ping stood up suddenly, frowned and said, “Has anyone come to trouble you in the past three days?”

“No, the past three days have been very peaceful. Even the news that the Pili Clan and the Xuanyuan Family were almost destroyed is still unknown to many people and has not spread. Then Guo Wei only announced it on the martial arts forum because you disobeyed during the trial. The leader was seriously injured and taught a lesson by him!”

Zhao Liguó said.

Chen Ping pondered for a moment. He knew that the martial arts alliance must have suppressed the killing of Cheng Zhichang and Xuanyuan Yan. As for why the martial arts alliance suppressed this matter, it must have been out of fear of causing trouble. When they get older, their secrets can no longer be hidden.

“Do you want to turn big things into trivial matters? I just won't follow your wishes...”

Chen Ping's eyes flashed with murderous intent.

At this time, Zhao Wuji came over and saw that Chen Ping had woken up. He was very happy and said: "Mr. Chen, it's great that you are awake. I have already reported Guo Wei's practice of evil arts to Mr. Shi and told Mr. Shi, Guo Wei is definitely not the only one in this martial arts alliance who practices evil arts!"

"What did Mr. Shi say?" Chen Ping asked.

"He..." Zhao Wuji looked lonely: "Mr. Shi doesn't seem to believe what I said at all!"

"If it were me, I wouldn't believe it easily. After all, the Martial Arts Alliance is deeply rooted in Kyoto, and it also includes 80% of the sects and families in the entire Kyoto martial arts world. How could Mr. Shi possibly do this without definite evidence? Just a word from you and I will investigate the Martial Arts Alliance!"

Chen Ping said slowly.

"Then... what should we do? Just let the martial arts alliance run rampant and there is nothing we can do against him?"

Zhao Wuji looked angry.

"If you want them to show their flaws, you have to make them confused..."

Chen Ping looked outside with deep eyes, seeming to have an idea in his mind.

"Mr. Chen, what do you want to do? Now that you have almost destroyed the Pili Clan and the Xuanyuan Family, and have also made enemies with the Martial Arts Alliance, your most important thing now is to leave Kyoto quickly and find a place to hide until you are strong enough. When the time comes, just come back..."

Zhao Wuji persuaded Chen Ping.

“Mr. Chen, Pavilion Master Zhao is right. You should leave Kyoto immediately. This place is already a place of right and wrong. I don’t know how many people want your life!”

Zhao Ligu also persuaded Chen Ping.

Chen Ping smiled lightly: “I won’t run away anymore. This time, I will follow the Martial Arts Alliance to fight openly. If I escape this time, everyone around me will suffer...”

Chen Ping knew that even if he escaped, the people around him would suffer. Shadowless Villa was an example.

The reason why Wuying Villa was almost wiped out was because of himself. If Chen Ping had not appeared in time at that time, there would no longer be Wuying Villa now.

Wuying Villa is the palace of His Highness Tianlong, but because of himself, it was almost destroyed twice. Chen Ping could not swallow this tone.

Chen Ping’s words silenced both Zhao Wuji and Zhao Ligu, because Chen Ping was right. If Chen Ping escaped now, Wuying Villa would definitely be destroyed, as well as the Bai family who followed Chen Ping very closely. , I am afraid that it will also suffer a serious blow.

Chapter: 1470

“Chen Ping, what are you going to do next?” Su Yuqi looked at Chen Ping and asked.

“Pavilion Master Zhao, help me contact the media reporters in Kyoto. I want to announce something...”

Chen Ping said to Zhao Wuji.

“Mr. Chen, do you want...”

Zhao Wuji wanted to ask Chen Ping what he wanted to announce, but before he could speak, Chen Ping waved his hand and interrupted.

Seeing that Chen Ping didn't say anything, Zhao Wuji didn't ask any more questions, nodded and left!

“Zhao Ligu...”

Chen Ping looked at Zhao Ligu and called him by his name.

Zhao Ligu was slightly startled, because Chen Ping usually called him Zhuangzhu Zhao, and he didn't understand what happened this time.

“Mr. Chen.....”

Zhao Ligu hurriedly stepped forward and bowed his head respectfully!

“You take the remaining people of Wuying Villa, let Yu Qi and Ling'er join you, and quickly integrate the forces of Pili Sect and Xuanyuan Family under your own command. I want the entire Kyoto martial arts world to know that Wuying Villa is With my power, I want to take root in the Kyoto martial arts world...”

Chen Ping's obsidian eyes exuded a cold and sharp light. He was going to do something big in Kyoto.

“As ordered...”

When Zhao Liguó heard this, he straightened up and shouted loudly.

Su Yuqi and Gu Ling'er were very surprised. They didn't understand when Wuying Villa became Chen Ping's power. Although they didn't understand, they didn't ask. As Chen Ping's women, they would only support Chen Ping unconditionally.

With Su Yuqi and Gu Ling'er following Zhao Liguó, Chen Ping didn't have to worry about the remaining minions from the Perak Sect and Xuanyuan family causing any trouble.

After Zhao Liguó took the people away, Chen Ping also got up and headed towards the Bai family!

Since Chen Ping plans to establish a foothold in Kyoto, he also needs to rely on the power of the Bai family. Although the Bai family does not have much influence in the martial arts world, the Bai family has many industries and is well-known in the business circle of Kyoto.

.....

Kyoto Bai family!

Bai Xiushan looked very solemn. In the lobby of the Bai family's villa, many senior members of the Bai family gathered together!

"Zhantang, how is the information I asked you to inquire about?"

Bai Xiushan asked Bai Zhantang.
