

The Order 1471

Chapter: 1471

“Grandpa, no one knows what Mr. Chen is like now, but judging from the news released by the Martial Arts Alliance, Mr. Chen should have been seriously injured by Guo Wei, and it will be difficult to recover for a while...”

Bai Zhantang said with a depressed expression.

“Hey!” Bai Xiushan sighed helplessly after hearing this.

He bets all the Bai family on Chen Ping because he knows Chen Ping’s status as an immortal, but now it seems that Chen Ping’s strength is still a bit too weak and his growth time is too short.

“Master, you’d better make a decision as soon as possible. Qin Xiaotian is expected to be here soon!”

A senior executive stood up and said to Bai Xiushan.

“Is there anything to decide? Our Bai family is at odds with the Qin family. They want to annex my Bai family’s property. That is a wishful thinking. At worst, we will fight with them...”

Bai Zhantang gritted his teeth and said angrily.

After the Martial Arts Alliance announced that Chen Ping was seriously injured by Guo Wei, the Qin family began to make trouble for the Bai family and demanded that the Bai family hand over all their properties within three days and get out of Kyoto!

“Young Master, don’t be angry. If there is just Qin Xiaotian, our Bai family is not afraid. We can still fight with them. But the second son of the Qin family, Qin Xiaoxian, is back. Who is our

opponent in the Bai family? We just need to One Qin Xiaoxian can wipe out all of our Bai family...”

A senior executive persuaded Bai Zhantang.

Hearing this, Bai Zhantang stopped talking, because these were all facts. Qin Xiaoxian was the Wuzong, and if he wanted to destroy the Bai family, it was just a matter of a few moves.

Just when everyone fell into silence, a sudden burst of arrogant laughter came!

“Hahaha, three days are up, old man, have you decided whether to hand over your property and get out of Kyoto, or do you want to keep the lives of all the Bai family members?”

Qin Xiaotian led people into the Bai family hall with an arrogant look, and then asked someone to move a chair and sit directly in front of Bai Xiushan.

Seeing that Qin Xiaotian was the only one bringing people over, and Qin Xiaoxian did not follow him, Bai Xiushan’s face looked a little better.

“Qin Xiaotian, although you and I have always been at odds with each other, we have not gone so far as to kill them all. Now you just drive our Bai family out of Kyoto. Isn’t it a bit too much? By doing this, aren’t you afraid that the Martial Arts Alliance will punish your Qin family? ?”

Bai Xiushan asked Qin Xiaotian with a cold face.

“Hahaha...” Qin Xiaotian laughed again when he heard this: “Old man, are you confused? Would I have done this without the instructions from above? To tell you the truth, that boy Chen Ping has offended the martial arts alliance. , and your Bai family is following that boy Chen Ping, so I came to take over your Bai family, which is also the instruction of the Martial Arts Alliance, so you don’t have to try to use the Martial Arts Alliance to suppress me.”

Qin Xiaotian's words made Bai Xiushan's expression change, and he was dumbfounded. If this was the order from the Martial Arts Alliance, wouldn't it mean that the Bai family was doomed, and there was no hope at all.

"Qin Xiaotian, don't be alarmist. If I don't believe you, our Bai family's property will never be handed over to you..."

Bai Zhantang said sharply.

Just as Bai Zhantang finished speaking, he heard a loud bang outside, and a villa in the Bai family villa area collapsed suddenly.

Immediately afterwards, Qin Xiaoxian slowly walked into the hall, and Qin Xiaotian hurriedly stood up and gave up his seat to his second brother!

Chapter: 1472

"If you don't pay, then all of you in the Bai family will suffer the same fate as the villa just now..."

Qin Xiaoxian spoke slowly, but the cold and domineering aura on his body made Bai Zhantang's face turn pale and he sat directly on the ground.

A small grandmaster cannot withstand the aura erupting from more than one martial arts master.

When Bai Xiushan saw this, his expression turned extremely ugly.

"I hope you will give me some more time. Our Bai family's industry is huge. Even if it were handed over to your Qin family now, you wouldn't be able to manage it at all."

Bai Xiushan wanted to delay some time and think of a way!

“Old guy, you don’t have to think about delaying time anymore. You just need to hand over all your property and we will have someone to manage it!”

Qin Xiaotian said, then looked in the direction of the top management of the Bai family, and said to a middle-aged man wearing glasses who was polite and polite: “Manager Tian, can you manage the Bai family’s industry?”

Manager Na Tian hurriedly took a few steps forward, walked respectfully to Qin Xiaotian and said, “Director Qin, I know all the properties of the Bai family well, and of course I can manage them. I have a list of the properties of the Bai family here. Please take a look. ...”

Manager Na Tian handed a document into Qin Xiaotian’s hands. Qin Xiaotian didn’t even read it, but looked at Bai Xiushan with a proud face.

When Bai Xiushan saw this, he was so angry that he was shaking all over, his face was blue, and his whole body was twitching.

“grandfather.....”

Seeing this, Bai Zhantang hurriedly stepped forward and pinched Bai Xiushan’s middle man with his hands.

Slowly, Bai Xiushan came over, glared at Manager Tian and said, “Manager Tian, my Bai family is not kind to you, but you actually betrayed me?”

Manager Tian smiled lightly: “Master, as the saying goes, those who understand current affairs are heroes. In this situation, what qualifications does the Bai family have to compete with the Qin family? In my opinion, you should just hand over the property obediently, get out of Kyoto, and leave a note for yourself Save your life!”

“you.....”

Bai Xiushan spurted out a mouthful of blood in anger.

“Grandpa, grandpa...” Bai Zhantang hurriedly helped Bai Xiushan wipe it.

“You...do you have the same idea as him?”

Bai Xiushan asked with trembling hands, pointing at other senior executives.

Those high-level officials looked at each other, and then they all slowly walked towards Qin Xiaotian!

Seeing this scene, Bai Xiushan spurted out blood again!

“Hahaha...” Qin Xiaotian laughed arrogantly: “Old immortal, do you see, this is to understand the current affairs, you will finally understand the situation, it will save us from doing anything!”

Bai Xiushan’s expression was extremely ugly, his body was trembling, he didn’t know what to say!

Chapter: 1473

Now that things have come to this, what else can he do besides handing over the Bai family’s property?

“Zhantang, go get the seal...”

Bai Xiushan slowly closed his eyes, feeling much older for a moment.

“Grandpa, do we really have to hand over all the Bai family’s property?”

Bai Zhantang gritted his teeth. He felt sorry for the Bai family’s property and Bai Xiushan’s body.

“Pay it over, what can we do if you don’t pay it over?”

Bai Xiushan waved his hand!

Bai Zhantang had no choice but to take out Bai Xiushan’s seal!

“I said I would protect the Bai family, and I will. If you want to benefit from the Bai family, should you ask me?”

At this moment, Chen Ping walked in slowly!

Seeing Chen Ping appear, Bai Xiushan and Bai Zhantang were overjoyed!

“Mr. Chen.....”

Bai Xiushan suddenly stood up and shouted excitedly.

Chen Ping walked up to Bai Xiushan and asked Bai Xiushan to sit down. Then he turned to look at Qin Xiaotian and Qin Xiaoxian and said, “With your little ability, do you want to annex the Bai family?”

Looking at Chen Ping, Qin Xiaotian and Qin Xiaoxian looked very ugly. They did not expect that Chen Ping would come, and looking at Chen Ping like that, how could he be hurt?

“Chen Ping, I...we just came here to discuss business normally!”

Qin Xiaoxian stood up from the chair.

Although he is also a martial arts master, Qin Xiaoxian is very self-aware. He knows that he is no match for Chen Ping.

Chen Ping was able to kill Ichiro Watanabe in the international competition. At that time, Qin Xiaoxian knew that he was no longer Chen Ping's opponent.

Now that this period of time has passed, Chen Ping's aura has obviously strengthened a lot, and Qin Xiaoxian is no longer an opponent.

“Chen Ping, aren't you taken seriously?”

Qin Xiaotian blurted out with confusion on his face.

“Seriously injured?” Chen Ping sneered: “Does Guo Wei deserve to be seriously injured?”

Chen Ping's eyes were full of disdain, but these words made the Qin brothers feel a storm in their hearts.

Chapter: 1474

Guo Wei was at the pinnacle of the martial arts sect, and he could wipe them out with just a flick of his finger. Chen Ping didn't even look down on such a person?

“Chen Ping, we are just here to discuss business. Since the Bai family leader is unwilling to discuss business, we will leave immediately...”

Qin Xiaoxian said, winking at Qin Xiaotian, and immediately wanted to take people away.

“Want to leave?”

Chen Ping’s eyes narrowed slightly, and then with a wave of his hand, the two doors were closed directly.

Qin Xiaoxian and Qin Xiaotian’s expressions instantly turned ugly, and they turned to look at Chen Ping.

“Chen Ping, we...”

Qin Xiaoxian wanted to say something else, but was interrupted by Chen Ping waving his hand!

“I don’t care if you are here to discuss business, I am in a bad mood today, so you two must die...”

Chen Ping said calmly.

A great master, a martial arts master, in Chen Ping’s eyes, he can kill whenever he wants...

It’s like squeezing two ants to death!

Qin Xiaoxian frowned slightly: “Chen Ping, don’t bully others too much. Although you are stronger than me, if I work hard, I can make this place a river of blood!”

“Rivers of blood?” Chen Ping’s mouth said the same: “You don’t have that ability yet!”

After Chen Ping finished speaking, the aura on his body suddenly erupted, and then this terrifying aura directly enveloped the Qin brothers.

Feeling the terrifying aura on Chen Ping's body, Qin Xiaotian fell to his knees with a pop, and cracks appeared on the ground under his knees.

As for Qin Xiaoxian, the Wuzong, he gritted his teeth and resisted the pressure!

Chen Ping looked at the two people with a relaxed expression, his eyes full of disdain.

"Let me show you what a river of blood is!"

Chen Ping finished speaking.

Bang!

Suddenly, Qin Xiaoxian felt a popping sound in his ears. He turned around and vomited.

Qin Xiaotian was seen kneeling on the ground. Unfortunately, his head had been crushed by the huge pressure, and blood splattered all over the ground!

"Third brother....."

Chapter: 1475

Qin Xiaoxian shouted with scarlet eyes!

Others were dumbfounded. Chen Ping didn't even move, but he directly hit Qin Xiaotian's head. This was simply unbelievable to them!

When Bai Xiushan saw this scene, he was filled with excitement and ecstasy. The stronger Chen Ping is, the more beneficial it will be to the Bai family. It seems that he made the right bet on Chen Ping!

“Chen Ping, I will fight with you...”

Qin Xiaoxian looked at Qin Xiaotian who died tragically, his eyes were scarlet, and he roared and wanted to rush towards Chen Ping!

Qin Xiaoxian’s martial spirit began to explode, and a raging wind began to blow in the entire hall!

Seeing Qin Xiaoxian’s crazy look, Chen Ping pressed his palm down, and a golden light visible to the naked eye directly imprisoned Qin Xiaoxian, and the aura on Qin Xiaoxian’s body disappeared without a trace in an instant!

Qin Xiaoxian’s body was tightly imprisoned by this golden light, and huge pressure continued to come from all around!

It’s like two high-speed cars sandwiching Qin Xiaoxian in the middle!

Qin Xiaoxian gritted his teeth and tried his best to resist the pressure!

Soon, Qin Xiaoxian’s seven orifices began to bleed, and his body became somewhat distorted!

Bang!

There was another loud noise, like a balloon being popped!

Qin Xiaoxian's whole body was directly crushed by the huge pressure, and the smell of blood instantly filled the air!

The Qin family members who saw this scene were so frightened that they ran away.

In the end, several senior members of the Bai family were left looking at the scene in front of them in shock.

"Lao Bai, the Qin family brothers are dead. I hope you can annex the Qin family as quickly as possible..."

Chen Ping looked at Bai Xiu Shandao.

Bai Xiushan was still in shock. Hearing what Chen Ping said, he nodded repeatedly: "Okay, okay..."

"From now on, your Bai family will be my spokesperson in the Kyoto business circle. I will announce it to the media later. If Mr. Bai has any doubts, he can raise them now. If I wait for it to be announced, the Bai family will probably be prepared to withstand multiple blows!"

Chen Ping followed Bai Xiushan and said directly.

Since Chen Ping planned to follow the Martial Arts Alliance to the end, he had to make it clear in advance that he did not want to see a scene like today where everyone was betrayed and separated from each other at the critical moment.

"No, it is my Bai family's honor to be able to follow Mr. Chen's command, and it is the blessing of my Bai family for thousands of years!"

Bai Xiushan didn't hesitate at all.

Chapter: 1476

Because he witnessed Chen Ping's growth with his own eyes. In just a few months, Chen Ping developed from an unknown junior to a figure that caused a headache for the Kyoto Martial Arts Alliance.

Chen Ping nodded with satisfaction, then turned his head and glanced at Manager Tian's senior management. With just this glance, those people were so frightened that they knelt on the ground with a thud.

"Master, I was wrong, I was wrong, I was forced to do nothing by Qin Xiaotian, please forgive me..."

Manager Tian knelt on the ground and cried to Bai Xiushan.

Bai Xiushan looked coldly at the senior executives kneeling on the ground, his eyes filled with murderous intent. He was the one who betrayed him the most.

"Mr. Chen, how do you think we should deal with these people?"

Bai Xiushan asked Chen Ping.

Now that the Bai family has returned to Chen Ping's command, of course they have to listen to Chen Ping on some matters.

"You just have to figure it out yourself!"

Chen Ping said calmly.

Bai Xiushan looked at Manager Tian who was kneeling on the ground, his eyes narrowed slightly: "Come here, drag this traitor out and beat him to death with sticks. The others will confiscate all their property and get out of the Bai family..."

Although Bai Xiushan is older, he is vigorous and ruthless in his actions!

However, in charge of such a large family, one must be ruthless. As the saying goes, kindness cannot control military affairs, and justice cannot control wealth...

After dealing with several senior members of the Bai family, Chen Ping took out a small porcelain bottle from his arms.

"Zhantang, there are several body training pills here. With the help of the pills, you must practice more and improve your strength as soon as possible!"

Chen Ping knew that he alone could not protect the Bai family at all times, so he had to find a way to improve the Bai family's own strength.

Bai Zhantang excitedly took the physical training pill and thanked him repeatedly: "Thank you, Mr. Chen, thank you, Mr. Chen..."

"In the future, I will ask Medicine God Valley to send elixirs to the Bai family regularly. Mr. Bai will select a few talented, smart and reliable people to improve their strength as soon as possible. It won't take long before we may have a bloody battle..."

Chen Ping's eyes flashed sharply. Chen Ping knew that it would take too long to rescue his mother as soon as possible by relying on his own strength alone, and he didn't want to wait too long.

He wanted to integrate his forces as much as possible and follow the Long family to fight to the death. Unfortunately, there were only three of the thirteen halls in Tianlong Hall. Chen Ping had no idea where the other halls were.

Kyoto Martial Arts Alliance!

After a day of training, Guo Wei's injuries improved a lot. Not to mention how ugly Guo Wei's face looked at this moment.

Long Jingguo also looked ugly, because on this day, Chen Ping asked Wuying Villa to annex all the forces of the Pili Clan and the Xuanyuan Family, and the Bai Family also took the opportunity to annex the Qin Family!

Both Wuying Villa and the Bai family knew that it was Chen Ping's power. As a result, Chen Ping's power in Kyoto suddenly expanded a lot.

Chapter: 1477

Just when Guo Wei and Long Jingguo were silent, Zhu Zhishan suddenly walked in!

"Alliance leader....."

Guo Wei stood up and wanted to say something, but was interrupted by Zhu Zhishan waving his hand.

"I already know that, since Chen Ping likes a few small sect families, let him take it. He naively thinks that with this power, he can gain a foothold in Kyoto. It is simply fantastic!"

Zhu Zhishan smiled disdainfully, and then said: "Guo Wei, do you remember the girl you told me about?"

"Remember!" Guo Wei nodded.

“You should bring someone to catch that girl right now, but remember, you must not hurt her, let alone kill her, otherwise none of you will survive...”

Zhu Zhishan said with a serious face.

Looking at Zhu Zhishan’s appearance, Guo Wei knew that Su Yuqi was very important to the Martial Arts Alliance. Zhu Zhishan should have found out something!

“I see!”

Guo Wei nodded, and then found several eighth-level martial arts masters in the alliance to catch Su Yuqi.

Guo Wei walked back, and Zhu Zhishan looked at Long Jingguo: “Master Long, what can I do for you?”

“I wish the leader of the alliance, my son was beaten like that by that Chen Ping. Our Long family can’t swallow this breath, so I want to discuss it with the leader of the alliance and let the Long family come forward and teach Chen Ping a lesson...”

Long Jingguo said to Zhu Zhishan.

Long Jingguo was not seeking revenge. He was afraid that after the martial arts alliance captured Chen Ping, he would torture Chen Ping to death. In that case, Long Jingguo would no longer have the leverage to threaten Long Ruotong, and the secret he wanted to know would never be known. Won’t know anymore.

That’s why he found Zhu Zhishan and wanted to take over the matter of dealing with Chen Ping on the Long family. As long as Chen Ping was captured, he didn’t believe that Long Ruotong wouldn’t submit!

“Master Long, it stands to reason that you have spoken, and I have to give you this face, but Mr. Shi has already issued three documents. We can’t move Chen Ping for the time being, but he won’t be able to stay around for long!”

Zhu Zhishan said with an embarrassed look.

Hearing Zhu Zhishan mention Mr. Shi, Long Jingguo frowned slightly, and in the end he could only nod helplessly: “Then we can only let Chen Ping jump around for two days, but my son was beaten like that, this I really can’t swallow my breath!”

“Master Long, if you can’t swallow this breath, I have an idea...”

Zhu Zhishan’s eyes lit up, and then he whispered a few words in Long Jingguo’s ear!

After hearing this, Long Jingguo was slightly startled: “Zhu Alliance Leader, I...I’m afraid that if Xiaoer is not Chen Ping’s opponent, won’t it be embarrassing then?”

“Don’t worry. Although Chen Ping is very talented, his strength is not higher than that of Long Xiao. What’s more, I know that your Long family still has a divine weapon. If it doesn’t work, let Long Xiao sacrifice the divine weapon. Are you still afraid of Chen Ping?” Do you dare to kill your boy?”

Zhu Zhishan said with a faint smile.

Chapter: 1478

“That’s true!” Long Jingguo nodded: “I’ll go back and prepare to declare a challenge on the forum!”

Zhu Zhishan patted Long Jingguo’s shoulder: “Don’t worry, when the time comes we really compete, I will give Long Xiao a big gift.”

“Thank you, Leader Zhu!”

Long Jingguo said happily.

After Long Jingguo left, Zhu Zhishan slowly walked up to the tallest tower of the Martial Arts Alliance. From here, he could see the entire bustling Kyoto!

“If that girl is really a spiritual body, given time, my magical power will definitely be accomplished...”

Zhu Zhishan’s eyes flashed with light.

Shadowless Villa!

With the help of Su Yuqi and Gu Ling’er, Zhao Liguu took only one day to completely bring the forces of Pili Sect and Xuanyuan Family under the control of Wuying Villa!

“Mr. Chen, Miss Su and Miss Gu are simply amazing. The strength of these two girls is not inferior to mine at all. With such strength at such a young age, they are truly heroes among women...”

Zhao Liguu finally saw the strength of these two people and praised them!

This made Su Yuqi and Gu Ling’er a little embarrassed to praise them.

“When you were integrating the forces of the Pili Clan and the Xuanyuan Clan, did you encounter any obstruction from the Martial Arts Alliance?”

Chen Ping asked.

“No, there is no movement at all. Not to mention the martial arts alliance, there is no movement from other sects and aristocratic families. It is really strange. You must know that these sects and aristocratic families all have noses sharper than dogs. You know this? Afterwards, I will definitely intervene and get some benefits.”

Zhao Liguó said a little strangely.

Chen Ping fell into deep thought. It was impossible for the martial arts alliance not to know about such a big move. No one, whether it was Zhu Zhishan or Guo Wei, stopped him. It seemed that they didn't take him seriously at all.

This is fine, the more the other party underestimates him, the better it is for him, so that Chen Ping can have more time to practice and increase his strength.

“I will be in seclusion in the next few days. If there is nothing urgent, please don't disturb me. After Pavilion Master Zhao has contacted the media reporters, wake me up...”

Chen Ping planned to seize the time to practice while the situation was still calm.

With the Nine Thousand Miles of Mountains and Rivers Map, Chen Ping finally no longer has to worry about depleted spiritual energy, but he just doesn't know if the spiritual energy in the Ninety Thousand Miles of Mountains and Rivers Map is inexhaustible.

“I see!”

Zhao Liguó nodded.

“Yu Qi, Ling'er, you two, come practice with me!”

Chapter: 1479

Chen Ping looked at Su Yuqi and Gu Ling'er and said.

"You go first, I want to follow Ling'er to go shopping on the street and buy some things..."

Su Yuqi said.

"What are you going to buy? It's already dark!"

Chen Ping asked.

"Let's go buy things for women and we'll be back soon. You can go practice first!"

After Su Yuqi finished speaking, she pulled Gu Ling'er and left Wuying Villa!

Looking at Su Yuqi and Gu Ling'er leaving, Chen Ping always felt uneasy in his heart.

"Palace Master, Miss Su and Miss Gu are so powerful that it would be difficult for ordinary people to even get close to them. You don't have to worry..."

Zhao Liguó saw the worry on Chen Ping's face, so he whispered.

Chen Ping was right. With the strength of Su Yuqi and Gu Ling'er, they could easily deal with a seventh-level martial arts master.

Chen Ping asked Zhao Liguo to find a claustrophobic room, took out the Nine Thousand Miles of Mountains and Rivers Map from the storage ring, and spread it out. A ray of spiritual consciousness instantly entered the map, and Chen Ping also entered a state of cultivation!

On the other side, Su Yuqi and Gu Ling'er were walking hand in hand on the bustling streets of Kyoto, looking at the beautiful night scene, their faces full of excitement.

Although they have been to Kyoto several times, they have not really taken a stroll around the streets of Kyoto.

"Ling'er, there is a pedestrian street ahead, let's go shopping..."

Su Yuqi looked at the crowd in front and pulled Gu Ling'er over.

"Yu Qi, we're going back late. Chen Ping won't be anxious, right?"

Gu Ling'er was afraid that she would be out for too long, which made Chen Pingping anxious.

"He has already started cultivating now. Why should he be anxious? It's okay!"

Su Yuqi pulled Gu Linger and walked over.

This is the most prosperous pedestrian street in Kyoto, with a dazzling array of things and various snacks on both sides of the street.

Seeing the snacks, Su Yuqi and Gu Ling'er's eyes lit up.

After playing in the pedestrian street for more than two hours, Su Yuqi and Gu Ling'er burped and walked back!

But just as he walked out of the pedestrian street, five or six young people came to meet him. Several of them had obviously been drinking and looked drunk.

Chapter: 1480

One of the young men wearing a plaid suit and a middle parted hair immediately straightened his eyes after seeing Su Yuqi and Gu Ling'er, looking directly at the two people.

Feeling the young man's gaze, Su Yuqi and Gu Ling'er showed disgust, then walked around these young men and continued to move forward.

"Two beauties, where are you going? My brother has a car to take you..."

The young man in a plaid suit stopped Su Yuqi and Gu Ling'er and said with a sultry expression. He pressed the car key and the lights of a Ferrari not far away flashed.

"Go away..."

Su Yuqi frowned and said in disgust.

"Come on, the little beauty is quite strong, she is the type that my brother likes..."

The young man in the plaid suit said that he was about to attack Su Yuqi.

Su Yuqi snorted coldly, and an aura burst out from her body!

The young man in the plaid suit suddenly felt a huge push, which pushed him ten meters away and fell heavily to the ground.

At this moment, several other guys suddenly sobered up and looked at Su Yuqi and Gu Ling'er in surprise.

Everyone rubbed their eyes, unable to believe what just happened.

None of them saw Su Yuqi make a move just now, but their companion flew out, which was like a ghost.

Several people ran over, helped the guy in the plaid suit up, and then looked at Su Yuqi and Gu Ling'er in horror.

Su Yuqi and Gu Ling'er smiled coldly at a few people and continued to move forward. When passing the Ferrari, Su Yuqi gave a gentle slap!

I saw the Ferrari instantly deflated, as if it had been hit hard by a heavy object!

At this moment, all the guys were dumbfounded. They didn't react until Su Yuqi and Gu Ling'er disappeared.

"Hahaha, it was so exciting just now. You didn't see the looks of those idiots. It was so funny..."

Su Yuqi laughed.

"Yu Qi, didn't Chen Ping tell you that in a busy area like this, it's best not to use your breath when dealing with ordinary people? How could you forget!"

Gu Linger asked Su Yuqi.

"It's okay, I didn't kill anyone randomly, I just taught that guy a lesson!"

Su Yuqi said nonchalantly.

Just when Su Yuqi and Gu Ling'er walked out of the downtown area and approached the suburbs, a few breaths suddenly surrounded the two people.
