

## **The Order 1481**

Chapter: 1481

Then four masked men in black blocked the way!

Feeling the auras of the four people, Su Yuqi and Gu Ling'er's expressions instantly became extremely ugly!

"Who are you?"

Gu Ling'er looked at the four people and asked.

One of the masked men ignored Gu Ling'er, but looked directly at Su Yuqi and said, "Come with us..."

"Who are you? Why should she follow you?"

Gu Ling'er stood in front of Su Yuqi.

"We don't want to take action. It's wisest to just follow us..."

A cold light flashed in the eyes of the masked man, and then the aura on his body suddenly increased several times. Su Yuqi and Gu Ling'er suddenly seemed to have been immobilized, and neither of them could move, as if they were trapped by a tower. The mountains pressed down.

"Don't hurt Ling'er, I'll go with you!"

Su Yuqi saw this and said hurriedly.

She knew that the two of them were no match for the four people in front of her. The difference in strength was too great!

The masked man waved his hand, and the two men immediately stepped forward to control Su Yuqi. Then he jumped slightly, and the figure instantly disappeared into the darkness.

After these people left, Gu Ling'er felt the pressure on his body disappear, and then rushed towards Wuying Villa with an anxious look!

"Master Zhao, where is Chen Ping?"

Gu Linger, who ran back to Wuying Villa, asked Zhao Liguó anxiously.

"Miss Gu, don't worry, what's wrong?"

Zhao Liguó saw Gu Ling'er panting and quickly brought a glass of water and asked.

"Yu Qi, Yu Qi was taken away..."

Gu Ling'er took a sip of water and said quickly.

"Ah?" Zhao Liguó was dumbfounded for a moment, and then hurriedly took Gu Ling'er and ran towards the backyard, then pointed to a room and said: "Mr. Chen, it's in here!"

Gu Linger opened the door directly and pushed towards Chen Ping who was sitting cross-legged!

Chen Ping's figure flashed, and his consciousness immediately came out of the Nine Thousand Miles of Mountains and Rivers Map. He saw Gu Ling'er with an anxious look on his face, and asked, "Ling'er, what's wrong?"

"Yu Qi was taken away..."

Chapter: 1482

Gu Linger said anxiously.

boom!

This sentence was like a thunderbolt, and Chen Ping was stunned on the spot!

After a while, Chen Ping finally came to his senses and asked quickly: "Who is it? Do you know who captured Yu Qi?"

Gu Ling'er shook her head: "I don't know. The other party is masked, but he is very strong. I am afraid he has the strength of the peak of Wuzong. And there are four people on the other side. Yu Qi and I don't even have a chance to resist."

When Chen Ping heard about the opponent's strength, his brows instantly furrowed.

In the entire Kyoto, there are not many people who can reach the peak strength of the Wuzong. Outside of the Martial Arts Alliance, there are also some high-level sect families who can reach this strength.

Who could it be?

Why should Su Yuqi be captured?

Is it someone who has a grudge against me?

Chen Ping thought quietly!

“Chen Ping, please think of a way quickly and take people out to search...”

Seeing that Chen Ping remained silent, Gu Ling'er said anxiously.

Chen Ping waved his hand: “Don't worry, let me think about it...”

Chen Ping closed his eyes slightly and frowned tightly into the character “Sichuan”!

After a moment, Chen Ping's eyes suddenly opened, and a ray of light burst out from his eyes.

“I know who caught Yu Qi!”

Chen Ping exuded strong murderous intent.

“Who is it?” Gu Ling'er asked hurriedly.

“Guo Wei from the Martial Arts Alliance...”

Chen Ping's eyes narrowed.

“Guo Wei?” Gu Ling'er was stunned: “Why did he arrest Yu Qi? Is it to threaten you?”

Chen Ping shook his head: "They arrested Yu Qi not because of me, but because of Yu Qi's fire spirit body. You forgot that I sucked Yu Qi's blood when I fought with Guo Wei. Guo Wei saw it at that time, so he This must be the reason why Yu Qi was taken away."

"Ah, what should we do? Let's go and save Yu Qi quickly..."

Chapter: 1483

When Gu Ling'er heard this, she became even more anxious.

If this was the case, then Su Yuqi would be in danger. In order to increase her strength, wouldn't those people try their best to bleed Su Yuqi?

"You wait for me here, you are not allowed to go anywhere!"

After Chen Ping finished speaking, his figure instantly disappeared from the room, leaving only a streak of light and shadow heading towards the direction of the Martial Arts Alliance!

.....

In a dungeon of the Martial Arts Alliance!

Su Yuqi was imprisoned in the room by the formation, and all her strength was suppressed.

Zhu Zhishan wore a mask and looked at Su Yuqi who was captured, feeling extremely excited!

He couldn't let Su Yuqi recognize him, otherwise if this matter spread, what would be the difference between their martial arts alliance and those evil cultivators.

"You...who are you?"

Su Yuqi looked at Zhu Zhishan with fear on her face: "Why did you bring me here?"

"Don't be afraid, I won't hurt you, I just want to borrow something from you!"

Zhu Zhishan said with a faint smile.

"You...what do you want to borrow?" Su Yuqi asked.

"I want to use the blood in your body!"

Zhu Zhishan said, took out a bright dagger and grabbed Su Yuqi's wrist. This shocked Su Yuqi!

However, because her strength has been suppressed, Su Yuqi is now no different from ordinary people and cannot break away from Zhu Zhishan!

Zhu Zhishan grabbed Su Yuqi, and the sharp dagger scratched Su Yuqi's arm. In an instant, a wound appeared and blood flowed out!

There was a bowl on the ground, and all the blood dripped into the bowl.

Soon, a bowl full of blood flowed out of Su Yuqi's body, and Zhu Zhishan hurriedly helped Su Yuqi bandage the wound.

Holding a bowl of bright red blood, Zhu Zhishan's eyes shone and he licked his lips!

Walking out of the dungeon, he said to the two guards at the door: "I'll eat, drink, and serve this woman. If she loses a hair, you know the consequences..."

“As ordered...”

The two guards were slightly shaken. They had never seen them being imprisoned in the dungeon and still being served like this.

Chapter: 1484

“Leader, how are you doing?”

At this time, Guo Wei, who was waiting in the hall, saw Zhu Zhishan coming out with a bowl of blood and asked hurriedly.

“Whether this girl is a spirit or not, I have to test her blood to find out. However, this matter must be kept secret and must not be told to anyone.”

Zhu Zhishan warned Guo Wei.

“Don’t worry, Alliance Leader, I have sent the few people who went with me to other places. No one will know about it.”

Guo Wei said confidently.

“Yes!” Zhu Zhishan nodded with satisfaction.

But at this moment, a manic and rapid aura instantly enveloped the sky over the Martial Arts Alliance!

“Guo Wei, you bastard, get out of here...”

Then there was an angry shout, which was like rolling thunder, and the entire martial arts alliance seemed to be shaking.

The expressions of Guo Wei and Zhu Zhishan changed instantly, and then they arrived in the yard in a flash!

The two of them want to see which one is so ignorant that he dares to come to the Martial Arts Alliance to cause trouble!

When the two people came to the yard, they saw Chen Ping standing there with an angry look on his face. The violent murderous aura in Chen Ping's body continued to rise and spread!

"Chen Ping, why are you breaking into our martial arts alliance at night? Are you really not afraid of death?"

Zhu Zhishan looked at Chen Ping and said with a cold expression.

Chen Ping did not pay attention to Zhu Zhishan, but focused on Guo Wei. His obsidian eyes exuded a cold and sharp light, giving people an endless sense of oppression.

"Guo Wei, release Yuqi for me..."

Chen Ping gritted his teeth and said in an unquestionable voice.

"What are you talking about? Why can't I understand?"

Guo Weigu shook his head without knowing what to do.

“Stop pretending. You captured my girlfriend. If you don’t let her go today, I will make you regret it...”

Chen Ping’s eyes narrowed slightly, and all the spiritual energy in his body began to boil.

Seeing Chen Ping like that, Guo Wei suddenly laughed.

“Stop talking nonsense. With all your abilities, what can you do to me?”

Chapter: 1485

Guo Wei is not afraid of Chen Ping’s threat at all. If two people fight alone, Guo Wei’s strength at the peak of Wuzong is no match for Chen Ping.

“Let her go...”

Chen Ping let out a loud shout, and then his whole body glowed with golden light, and pieces of scales instantly covered Chen Ping’s body.

Terrifying spiritual power surrounded Chen Ping. At this moment, Chen Ping was like the sun suddenly appearing in the dark night, illuminating the entire martial arts alliance extremely brightly!

“I’m asking you, will you let him go?”

Chen Ping asked word for word.

“I said, I don’t understand what you are talking about...”

Guo Wei looked joking!

“court death.....”

As he said that, Chen Ping’s figure suddenly turned into a stream of light and came fiercely towards Guo Wei.

The huge sense of oppression instantly caused the joking on Guo Wei’s face to disappear, replaced by a solemn look!

Black light began to appear on Guo Wei’s palms, and then the black light became brighter and brighter, finally turning into two black balls of light.

Suddenly, both palms came out, and two black balls of light hit Chen Ping directly!

boom.....

Two terrifying forces collided instantly, followed by an earth-shattering sound!

The huge shock wave caused many houses in the Martial Arts Alliance to tilt and collapse!

The surrounding residential areas also turned on their lights, wanting to see what was going on!

In this collision, Chen Ping’s figure was knocked back, leaving a deep ravine on the ground with his feet.

The golden light on Chen Ping’s body dimmed a lot, and there was blood on the corners of his mouth, but Chen Ping ignored it and rushed towards Guo Wei desperately again.

At this time, Guo Wei was not much better, his body shook twice and his face turned pale!

Seeing Chen Ping rushing over again without his life, Guo Wei finally frowned.

Seeing Chen Ping in front of him, before Guo Wei could make a move, Zhu Zhishan struck out with one palm!

Chen Ping's body, which was flashing with golden light, was directly slapped away by Zhu Zhishan's palm.

boom.....

Chapter: 1486

After hitting a wall hard, Chen Ping's body stopped.

Zhu Zhishan's palm made Chen Ping's internal organs feel like they were being twisted by knives, and his eyes were filled with blood.

Even so, Chen Ping gritted his teeth and still stood up, glaring at Guo Wei and Zhu Zhishan!

"Chen Ping, don't think that because you have Mr. Shi behind you, I won't dare to kill you. If you dare to come to the Martial Arts Alliance to cause trouble, you are still the first. You said that Director Guo arrested your girlfriend. Do you have evidence? Come here without evidence. It's nonsense here, even if I kill you, Mr. Shi can't say anything..."

Zhu Zhishan said with a gloomy look.

Chen Ping glared at the two of them, but his mind was much clearer at this moment.

Although he suspected that Guo Wei had captured Su Yuqi, there was no evidence, it was just his own guess!

If he continues to make trouble now, his life may really be lost here. After all, his strength is still far behind that of his opponent!

“If I find evidence that it was your Martial Arts Alliance who captured Yu Qi, I will definitely make the Martial Arts Alliance disappear completely...”

After Chen Ping finished speaking, he turned around and left!

Seeing how rampant Chen Ping was, Guo Wei wanted to catch up and take care of Chen Ping, but was stopped by Zhu Zhishan!

“Leader, this guy is too crazy. Why don’t you take this opportunity to kill him directly? Even if Mr. Shi is to blame, we still have something to say!”

Guo Wei asked very puzzledly.

“Don’t worry, someone will take care of him.”

Zhu Zhishan looked at Chen Ping’s back and raised the corner of his mouth slightly.

.....

Chen Ping dragged his injured body back to Wuying Villa!

“Chen Ping, what’s wrong with you?”

Seeing that Chen Ping was injured, Gu Ling'er hurriedly stepped forward and asked with concern.

"I'm fine!" Chen Ping shook his head with worry on his face!

"Have you found Yuqi?"

Gu Linger continued to ask.

"No, but I'm sure Yu Qi was captured by the Martial Arts Alliance!"

Although Guo Wei did not admit it, Chen Ping was convinced that Su Yuqi was arrested by him.

Chapter: 1487

"Then what should we do? Yu Qi will not be in danger, right?" When Gu Ling'er heard this, tears flowed out instantly.

"Don't worry, those guys from the Martial Arts Alliance probably won't kill Yu Qi. Killing Yu Qi will be of no use to them. I think their capture of Yu Qi must have something to do with Yu Qi's fire spirit body!"

Chen Ping comforted Gu Ling'er.

In fact, Chen Ping himself was very worried about Su Yuqi, but at this time, he could only act stronger. If he fell, no one would be able to save Su Yuqi, let alone his mother.

After a night of healing at Wuying Villa, Chen Ping immediately went to the Dharma Protector Pavilion the next day and told Zhao Wuji about Su Yuqi's arrest.

“These guys are so lawless. They dare to arrest people at will. I will report to Mr. Shi now and ask Mr. Shi to go to the Martial Arts Alliance to ask for people.”

When Zhao Wuji heard this, he was very angry and wanted to go to Mr. Shi and ask Mr. Shi to ask for someone.

Chen Ping stopped Zhao Wuji: “Pavilion Master Zhao, it’s useless even if Mr. Shi goes there. We have no evidence and they refuse to admit it. What can we do?”

“Then what should we do?” Zhao Wuji frowned.

“Pavilion Master, Mr. Chen, look quickly...”

At this moment, Xu Shimao hurried in, holding his mobile phone in his hand!

Xu Shimao then opened the martial arts forum, and the first eye-catching red letter on it turned out to be Long Xiao, the son of the Long family. In order to avenge the humiliation of the ancient tomb, he decided to challenge Chen Ping.

Moreover, Long Xiao personally liked Chen Ping on the forum, asking Chen Ping to challenge him and not act like a coward.

“Mr. Chen, why would Long Xiao suddenly challenge you?”

Zhao Wuji asked in surprise.

It stands to reason that Long Xiao is higher than Chen Ping in terms of superficial strength and family power. If he suddenly challenges Chen Ping, it would be disgraceful if he wins. If he loses, it will be an embarrassment to the Long family. Who would do such a thing? Do it!

“No matter why, since they are actively seeking death, then I can’t be blamed...”

Chen Ping was furious because of Su Yuqi’s incident. Now that Long Xiao jumped out, he just took it out on Long Xiao.

“Have you contacted all the journalists from the news media I asked you to contact?”

Chen Ping looked at Zhao Wuji and asked.

“The contact is ready!” Zhao Wuji nodded.

“Okay, I’m going to hold a press conference now, and I’m going to reveal the scandal of the Martial Arts Alliance.”

Chen Ping’s eyes narrowed and he said!

Soon, a large-scale press conference was held, and Chen Ping was the protagonist of this press conference.

Chapter: 1488

“Mr. Chen, do you want to respond to the challenge issued to you by Long Xiao, the young master of the Long family, when you suddenly held this press conference?”

A reporter asked Chen Ping.

Chen Ping shook his head: “I didn’t pay attention to Long Xiao’s challenge. I will accompany him whenever he wants. But there will only be one result, and that is to make him completely defeated.”

“The purpose of my press conference this time is to expose the viciousness of the Martial Arts Alliance. As we all know, the Martial Arts Alliance, as an organization within the Kyoto martial arts community, has the responsibility and obligation to support justice, punish evil and promote good, but these guys secretly Some evil cultivators collude and practice evil arts. They are simply a bunch of scum and a bunch of sanctimonious guys!”

“These guys not only practice sorcery, but also plunder. The leader of the Martial Arts Alliance personally came to threaten me and demanded the treasures I obtained during the trial. They were so shameless that they even kidnapped my daughter. My friend, you want to blackmail me with this, so I decided to fight with the Martial Arts Alliance to the end and never compromise...”

Following Chen Ping’s impassioned speech, these words were soon posted online and reposted in major martial arts forums!

Within the Martial Arts Alliance!

Zhu Zhishan looked at Chen Ping’s speech and dropped the tea bowl in his hand angrily!

“Damn, this guy is absolutely crazy. He dares to openly challenge our martial arts alliance. He is so tired of living...”

Zhu Zhishanqi’s face was ashen.

“Leader, what should we do next? Now many people on the forum have begun to accuse us!”

Guo Wei also said with an ugly expression.

“You’re blaming yourself, go and hold a press conference right away to clarify that Chen Ping is full of nonsense!”

Zhu Zhishan glared at Guo Wei fiercely!

Guo Wei was so frightened that he nodded hurriedly and left.

Zhu Zhishan took out a glass bottle, which contained bright red blood. It was Su Yuqi's blood!

Looking at the bottle of bright red blood, Zhu Zhishan shouted outside: "Get the car ready and go to Long's house..."

And the Long family at this time!

Long Xiao is also furious!

"Chen Ping, I must kill him, I must kill him..."

Long Xiao roared!

Chen Ping actually didn't take him seriously in front of many reporters, which made Long Xiao feel extremely shameful and humiliated!

Long Jingguo also had a gloomy look on his face and said to Long Xiao: "It's useless to be angry. With your current strength, are you sure you can fight against Chen Ping?"

"I....."

Chapter: 1489

This time, Long Xiao was stunned!

He himself didn't know for sure. After all, Chen Ping was the one who destroyed the Pili Clan and the Xuanyuan Family. He didn't know whether Long Xiao was Chen Ping's rival.

"waste....."

Seeing Long Xiao's silence, Long Jingguo couldn't help but cursed.

Originally, he had always been proud of Long Xiao. After all, at such an age, he had already reached the level of the seventh-level martial arts master. He was simply a genius!

But now that Chen Ping appeared, he compared Long Xiao to others in a short time, which made Long Jingguo feel very uncomfortable!

After all, he knew that Chen Ping was his sister's son and had the blood of the Long family. He couldn't let Chen Ping be better than his own son.

At this moment, Zhu Zhishan walked in!

"Blessings to the leader..."

Seeing Zhu Zhishan coming, Long Jingguo was slightly startled!

"Master Long, I specially gave Mr. Long a big gift. I remember telling you..."

Zhu Zhishan said with a faint smile.

"Congratulations to the leader, what kind of gift is this?"

Upon hearing this, Long Xiao asked hurriedly and curiously.

Zhu Zhishan took out the glass bottle filled with blood from his arms: “This is the great gift I’m talking about!”

Long Xiao was stunned for a moment, took the glass bottle in his hand and looked at it, with confusion on his face: “Zhu Alliance Leader, what is in this glass bottle?”

Long Xiao didn’t see it, but Long Jingguo saw it at a glance.

“Zhu Alliance Leader, could it be human blood in this?”

Long Jingguo asked in surprise.

“Yes, it is filled with human blood!”

Zhu Zhishan nodded.

Upon hearing that it was human blood, Long Xiao immediately put the glass bottle on the table and asked with a strange look on his face: “Zhu Alliance Leader, I wonder why you gave me this human blood?”

“Of course I let you drink it. If you are not Chen Ping’s opponent in the ring, you can drink this human blood and your strength will increase quickly without any side effects...”

Zhu Zhishan explained.

Chapter: 1490

As soon as he heard that he was told to drink human blood, Long Xiao immediately shook his head: “Zhu Alliance Leader, this is not okay. I am not an evil cultivator. If I drink human blood in public, what will other people think of me and our Long family?”

Long Jingguo also nodded: “Zhu Alliance Leader, I have heard of people who drink human blood to increase their strength, but my Xiao’er has not practiced evil skills, so even if he drinks human blood, it will be useless.”

“This is not the blood of ordinary people, but the blood of a fire spirit. I just asked you to drink the blood when you lose to Chen Ping. And if you don’t tell me, who can know the blood inside?”

Zhu Zhishan’s face turned slightly cold and he said, “Since you don’t appreciate it, I’ll just take it away!”

Just when Zhu Zhishan was about to take away the bottle of blood, Long Jingguo took it in his hand and said, “How can we not appreciate Alliance Leader Zhu’s kindness!”

Seeing Long Jingguo say this, Zhu Zhishan had a smile on his face, and asked: “When are you planning to set the date for the challenge?”

“How about three days from now?”

Long Jingguo asked Zhu Zhishan for his opinion!

“Okay, we must dampen Chen Ping’s energy in three days.” Zhu Zhishan nodded.

“No, three days is too short...”

At this time, a voice of opposition came from the courtyard, and then a gray old man walked in wearing a Taoist robe.

“Master...”

Seeing the old man, Long Xiao hurriedly greeted him.

And Long Jingguo also hurriedly greeted him and shouted respectfully: “Master Dingchan...”

Master Dingchan nodded slightly, and then looked at Zhu Zhishan: “Zhu Alliance Leader, three days is too short, seven days, give me seven days, I have a way to improve Xiao’er’s strength to a higher level!”

Seeing Master Dingchan say this, everyone was stunned. After all, cultivation is different. How can you advance to a realm in such a short time? Even if it is a small realm, it is not just a breakthrough.

Unless you use some evil cultivation methods, you may be able to quickly improve your strength. This is why many people take risks and practice evil arts!

“Master Dingchan, you can advance to a higher level in seven days. Isn’t this a bit too fast? Is it possible?”

Zhu Zhishan asked with some disbelief.

“Congratulations, Alliance Leader, Long Xiao has now reached the critical moment of breakthrough, and will soon reach the eighth level of Wuzong. Originally, he did not plan to come back to practice. In this case, I am sure that Long Xiao will reach the peak of Wuzong by the end of the year. This time he will come back. The trial delayed his cultivation a lot, so I had no choice but to go down the mountain in person and bring a Yuan-increasing Pill to help him break through!”

Master Dingchan explained.

When Master Dingchan said this, Zhu Zhishan understood. However, Zhu Zhishan was envious of such a reliable master as Master Dingchan!

After hearing what Master Dingchan said, Long Jingguo felt regretful in his heart. Originally, Long Xiao had no intention of coming back for the trial, but because the trial was in the Imperial Tomb, Long Jingguo wanted to get the treasure inside, so he called Long Xiao Come back.

But who would have expected that he got nothing from the trial and was even beaten up by Chen Ping, which almost disfigured Long Xiao!
