

The Order 1491

Chapter: 1491

But there's no point regretting it now. Fortunately, Master Dingchan came down from the mountain in person. In this way, Long Xiao's fight against Chen Ping would be a sure thing.

"Master Dingchan, thank you so much. Don't worry, I will immediately send people to repair some Taoist temples for Master Dingchan so that there will be more followers of Master Dingchan."

Long Jingguo hurriedly thanked Master Dingchan.

"Master Long, you're welcome. Since Long Xiao is my apprentice, I will naturally be responsible for him. Please find a secluded place for me. I will help Long Xiao break through immediately..."

Master Dingchan said.

"Okay, okay..."

Long Jingguo nodded repeatedly, immediately ordered people to clear a courtyard, and ordered no one to approach or disturb him!

"Master Long, it seems that Young Master Long will definitely win the contest with Chen Ping. However, he cannot beat Chen Ping to death in the ring. Let's spare his life for the time being. You have to tell Young Master Long... .."

Zhu Zhishan warned Long Jingguo.

"I wish you peace of mind, leader, I will guarantee this..."

Long Jingguo nodded.

Even if Zhu Zhishan didn't tell him, Long Jingguo wouldn't let Long Xiao kill Chen Ping. He would still be useful in keeping Chen Ping alive!

.....

Kyoto Dharma Protector Pavilion!

Zhao Wuji went to Chen Ping and said, "Mr. Chen, the Long family has issued a letter of challenge. In seven days, they will let Long Xiao compete with Mr. Chen!"

Chen Ping nodded: "I know, but I didn't expect it would take seven days. It seems that they want to improve Long Xiao's strength!"

Chen Ping was fully confident in his fight against Long Xiao. As long as nothing unexpected happened, Long Xiao would not be his opponent.

"Mr. Chen, what are you going to do? There are no punches or kicks in the ring. Do you want me to go find Mr. Shi and ask him to intervene? You just beat up Long Xiao. If Mr. Shi steps in, the Long family will not be able to do anything." You dare not give me face."

Zhao Wuji didn't want Chen Ping to fight. It was obvious that this was planned by the other party.

"No, since they want to compete, let's compete!"

Chen Ping waved his hand, and then continued: "I will also be in seclusion these days. If you have nothing else to do, don't come to me!"

“OK!”

Zhao Wuji nodded.

At this moment, a member of the Dharma Protector Pavilion hurriedly came to report.

Chapter: 1492

“Pavilion Master, someone has come to see Instructor Chen!”

The Dharma Protector Pavilion member said.

“Who is he?” Zhao Wuji was stunned!

At this time, Chen Ping is considered a hot potato in the entire Kyoto martial arts world. Anyone who dares to approach Chen Ping is tantamount to working against the entire martial arts alliance!

Now someone suddenly came looking for Chen Ping, which surprised Zhao Wuji.

“He said his name is Dong Jiahao...”

The Dharma Protector Pavilion member said.

“Why is he here?” Chen Ping was a little surprised!

Chen Ping has not seen Dong Jiahao since they were separated in the ancient tomb, but he has a good impression of Dong Jiahao.

As the member of the Guardian Pavilion came to the hall, Chen Ping found that Dong Jiahao was drinking tea!

Seeing Chen Ping coming, Dong Jiahao stood up hurriedly, looked at Chen Ping with admiration and said: "Chen Ping, you are amazing, you dare to openly challenge the martial arts alliance, I have long disliked these guys, but I don't dare to Fuck you, you are so awesome!"

Chen Ping smiled lightly: "I was just forced to have no choice..."

"You can go ahead and do it boldly. I support you. Now that the Martial Arts Alliance is the only one, there must be someone to resist!"

Dong Jiahao patted Chen Ping on the shoulder!

Chen Ping smiled: "Brother Dong is looking for me, is it just to compliment me?"

"Hahaha, why should I come here to look for you when I'm praising you? Wouldn't it be better for me to just buy you a bunch of navy troops to praise you on the martial arts forum? I'm looking for you this time because I have something important to do!"

Dong Jiahao said, looking around twice.

"This is the Dharma Protector Pavilion, there will be no ears or eyes!"

Chen Ping was very surprised that what Dong Jiahao was going to do was so mysterious.

"Chen Ping, do you still remember Ning Zhi?"

Dong Jiahao asked.

Chen Ping nodded: "Of course I remember!"

Ning Zhi also threatened Chen Ping at that time, how could Chen Ping forget it?

"Be careful with this kid. I heard that he has been spying on the treasure in your hand!"

Chapter: 1493

Dong Jiahao said softly.

"Haha, if he has the ability, come and rob him. I'm not even afraid of the Martial Arts Alliance, so why should I be afraid of Ning Zhi?"

Chen Ping didn't pay too much attention. As the leader of the Martial Arts Alliance, Zhu Zhishan personally approached Chen Ping and asked for the Ninety Thousand Miles of Mountains and Rivers Map. Chen Ping refused. He was still afraid of Ning Zhi.

"A gentleman is easy to mess with, but a villain is hard to guard against. Ning Zhi is very insidious, and the strength of the Ning family is not much worse than that of the Martial Arts Alliance. Be careful!"

Dong Jiahao warned.

"Well, thank you, Brother Dong, for reminding me!" Chen Ping said gratefully.

Dong Jiahao stayed for a while and then left, while Chen Ping took out the Nine Thousand Miles of Mountains and Rivers Map and prepared to start practicing in seclusion for a few days!

But just as he was getting ready, Chen Ping was called out again!

“Pavilion Master Zhao, is there anything else?”

Chen Ping walked out of the room and asked Zhao Wuji.

“Mr. Chen, someone is looking for you again!”

Zhao Wuji said.

“who?”

Chen Ping was a little surprised. What happened today? There were always people looking for him, even if he wanted to practice in seclusion, he couldn't.

“Ning Zhi from the Ning family!”

As soon as Zhao Wuji finished speaking, he saw Ning Zhi and his people walking over.

Ning Zhi was still followed by the seemingly frail old man, but this time there was a short, very capable man beside Ning Zhi.

“Brother Chen, please come back and be fine...”

Ning Zhi still had a smile on his face, which made people look very friendly.

But Chen Ping knew that this kind of smiling tiger was the scariest thing.

“What do you want from me?”

Chen Ping asked calmly.

“Brother Chen, I am here to help you. I have absolutely no other intention...”

Ning Zhi also seemed to see that Chen Ping did not welcome him, so he said.

Chapter: 1494

“Help me?” Chen Ping frowned slightly: “What are you helping me with?”

Just as Dong Jiahao told him to leave, Ning Zhi arrived right away. What a coincidence!

“Brother Chen, I came from afar, you won’t let me stand in the yard talking, right?”

Ning Zhi smiled slightly.

Chen Ping glanced at Ning Zhi and said calmly: “Come in...”

Ning Zhi led people into the room following Chen Ping!

As soon as he walked into the room, Ning Zhi’s eyes were attracted by the map of nine thousand miles of mountains and rivers, and his eyes were full of greed.

Chen Ping felt something strange in Ning Zhi’s eyes, so he put away the Nine Thousand Miles of Mountains and Rivers Map and put it directly into the storage ring.

Ning Zhi looked at the storage ring in Chen Ping’s hand, his eyes became even hotter!

“Master Ning, won’t you introduce him to us?”

At this time, the man in short, slim clothes said.

Ning Zhi finally came back to his senses and said to Chen Ping: “Brother Chen, this is Mr. Kaiyuan Gu of the Northwest Wang Valley...”

Gu Kaiyuan clasped his fists towards Chen Ping: “Brother Chen, I am in the northwest, and I have heard of your name for a long time. At such a young age, you dare to challenge the Kyoto Martial Arts Alliance. You are truly a young hero!”

“You’d better tell the truth directly!”

Chen Ping ignored Na Gu Kaiyuan and said directly to Ning Zhi.

He didn’t have a good impression of Ning Zhi in the first place, and Dong Jiahao had just reminded him, so Chen Ping was always wary of Ning Zhi at this time.

“Brother Chen, I heard that your girlfriend was kidnapped and her whereabouts are still unknown?”

Ning Zhi asked.

Chen Ping nodded, not surprised. After all, the Ning family was considered a big family in Kyoto, so it was not surprising that Ning Zhi knew some things.

“Brother Chen, I can tell you that your girlfriend was captured by the Martial Arts Alliance and is now locked up in the Martial Arts Alliance’s dungeon.”

Ning Zhi continued.

“I’ve already guessed this. If you just tell me this, then please come back!”

Chen Ping doesn’t want to get entangled too much with Ning Zhi!

“Don’t rush me away yet, I’m telling you something you don’t know!”

Chapter: 1495

Ning Zhi smiled slightly, paused for a moment, and then continued: “Your girlfriend was captured and has now become a resource for Zhu Zhishan’s cultivation. Zhu Zhishan will use your girlfriend’s blood every day. Not only does he use it himself, as far as I know, he also gave Long Xiao a bottle, in order to greatly increase Long Xiao’s strength when you compete!”

After Ning Zhi finished speaking, Chen Ping stood up suddenly, and then the terrifying murderous aura on his body instantly rose. In the clear sky, large black clouds began to condense, and the surrounding area fell into darkness!

Although Chen Ping expected that Su Yuqi was captured by the Martial Arts Alliance, it must be because of Su Yuqi’s spiritual body, and these people would definitely study Su Yuqi’s blood!

But now that he heard Ning Zhi say it himself, Chen Ping could no longer suppress the anger and murderous intention in his heart...

“How did you know?” Chen Ping looked at Ning Zhi and asked in a cold voice.

“You don’t need to know this. The entire Kyoto is not dominated by the Martial Arts Alliance. If I want to know anything, I will naturally have my own channels!”

Seeing Chen Ping getting angry, the smile on Ning Zhi’s face grew wider.

“Are you telling me this to say that you have a way to rescue my girlfriend?”

Chen Ping believed that the reason why Ning Zhi told him this was that there must be a way to rescue Su Yuqi, but there must be a price, and the price should be the Nine Thousand Miles of Mountains and Rivers Map and the Storage Ring in his hand!

“NONONO...” Ning Zhi waved his hand: “Don’t think of me as too powerful. I don’t have the ability to save people from the Martial Arts Alliance’s dungeon yet!”

“Then what are you talking about?”

Chen Ping frowned, his face full of displeasure!

“Although I can’t rescue your girlfriend, I can arrange for you to meet. Do you want to meet your girlfriend?”

Ning Zhi raised his eyebrows.

“What’s the price?”

Chen Ping asked directly.

There will definitely be a price for Ning Zhi to help him, but Chen Ping will never agree to take away the Nine Thousand Miles of Mountains and Rivers Map and the storage ring in his hand just for a brief meeting.

“The price is that you have to accompany us to Dragon Lock Island...”

As soon as Ning Zhi finished speaking, Chen Ping was stunned!

He never expected that the price Ning Zhi would pay would be this?

“Going to Suolong Island?” Chen Ping said with a surprised look on his face: “It’s already passed the time, what are you going to do on Suolong Island?”

The two dragons on Suolong Island, one ice and one fire, have long passed their days of haunting, and the ice dragon has been eliminated by Chen Ping and the dragon crystal has been taken out. He really can’t figure out what Ning Zhi is doing on Suolong Island. .

“Don’t ask so much about this, just tell me whether you agree or not!”

Ning Zhi asked, staring closely at Chen Ping.

Chapter: 1496

“How can I believe you that you won’t attack me when we get to Dragon Lock Island? You know that with your current strength, if you want to attack me, I won’t be able to escape at all...”

A peak martial sect, an eighth-level martial sect, and Northwest Wanggu Kaiyuan is at least a seventh-level martial sect. Chen Ping cannot be the opponent of these three people!

“Don’t worry, Mr. Gu and I are the only ones going with you. If we really do something bad for you then, even if you can’t beat us two, if you run away, we won’t be able to stop you, right?”

Ning Zhi smiled lightly.

Chen Ping thought for a moment, then gritted his teeth and said, “Okay, I promise you, when will you take me to see my girlfriend?”

“Hahaha, you can do it anytime!”

Ning Zhi laughed.

Chen Ping looked at Ning Zhi with disbelief. The Ning family did not belong to the sect family in the Martial Arts Alliance, but they could enter and exit the dungeons in the Martial Arts Alliance at will?

If this is really the case, then this Ning family would be terrible!

Seeing the disbelief on Chen Ping's face, Ning Zhi patted Chen Ping on the shoulder: "Brother Chen, the water in the martial arts world is very deep. It is not what you see on the surface. When do you want to see her? Girlfriend, please inform me directly, but we will leave for Dragon Lock Island tomorrow!"

"Then I'll go see her now!"

Chen Ping said eagerly.

"Okay, you go with me!"

Ning Zhi nodded!

Chen Ping followed Ning Zhi out of the Dharma Protector Pavilion, and then Ning Zhi asked Gu Kaiyuan and the old man to leave first. Ning Zhi took Chen Ping straight to the Martial Arts Alliance.

"Are we going in like this?"

Chen Ping was a little surprised. Could Ning Zhi bring him in so openly?

“Just follow me and don’t worry about anything else!”

After Ning Zhi finished speaking, he took Chen Ping to the alley on one side of the Martial Arts Alliance!

Chen Ping looked at Ning Zhi and wanted to know how he brought him into the dungeon of the Martial Arts Alliance!

I saw Ning Zhi calmly taking out a metal-like bracelet from his arms. The surface of the bracelet was covered with patina. It looked very old, as if it had just been dug out of an ancient tomb!

Then Ning Zhi muttered something, and then threw the bracelet into the air. The bracelet expanded in mid-air, and a dark entrance appeared inside the bracelet!

Chen Ping looked at it in shock and asked in surprise: “What is this?”

“This is called the Universe Circle. It is rumored that it was used by the Third Prince Nezha. This Universe Circle can pass through the void and reach wherever you want to go. However, due to damage, it can only teleport a hundred meters!”

Chapter: 1497

Ning Zhi introduced.

“One hundred meters?”

Chen Ping couldn’t help but sigh. Although this Qiankun Circle is a good thing, it can only teleport one hundred meters. This distance is too useless.

No wonder Ning Zhi brought him to the alley on the side of the Martial Arts Alliance!

“Let’s go!”

Ning Zhi said something and jumped into the dark entrance first!

Chen Ping followed closely behind, and then Chen Ping felt that his eyes went dark, and his whole body seemed to be floating in outer space. But before Chen Ping could feel it carefully, his eyes lit up!

Chen Ping saw that he was already in a dungeon, surrounded by prison doors made of wrist-thick stainless steel. Although it was a dungeon, the air in the dungeon was very dry.

“We only have three minutes, hurry up, the innermost cell is...”

Ning Zhi warned Chen Ping.

Chen Ping nodded and hurriedly walked towards the innermost cell.

When Chen Ping passed through the cell door and saw Su Yuqi, he instantly became excited.

I saw Su Yuqi lying on the bed, and the various facilities in the cell were quite complete.

“Yu Qi...”

Chen Ping shouted excitedly.

Hearing Chen Ping’s voice, Su Yuqi jumped up from the bed.

When she saw Chen Ping, she became excited.

“Chen Ping, you...why are you here?”

Su Yuqi hurriedly approached the door of the cell. The two of them held hands tightly through the iron gate of the cell!

Seeing that Su Yuqi was in good spirits and didn't look like she was being abused, Chen Pingan felt much relieved.

“Yu Qi, are you okay? They didn't make things difficult for you, right?”

Chen Ping asked with concern.

Su Yuqi shook her head: “They were very good to me. Apart from taking a small bottle of blood from me every day, they didn't do anything else!”

“How did you get in?”

Chapter: 1498

After speaking, Su Yuqi asked curiously.

“I was brought in by others. Don't worry, I will definitely rescue you from here. These guys from the Martial Arts Alliance, I will make them pay the price...”

As Chen Ping spoke, strong murderous intent began to rise in his body!

“Is it dangerous to expose your breath here?”

Ning Zhi felt the killing intent in Chen Ping and was immediately startled!

When Chen Ping heard this, he hurriedly took back his breath!

Su Yuqi looked at Ning Zhi and asked Chen Ping, “Who is he?”

“A friend of mine!”

Chen Ping did not follow Su Yuqi to tell the truth because he was afraid that Su Yuqi would worry about him.

“There’s only one minute left, hurry up and chat...”

Ning Zhi looked at the time and then reminded Chen Ping.

“Chen Ping, you are out there by yourself. You must take care of yourself and don’t be impulsive. I’m fine here.”

Su Yuqi warned Chen Ping that she was afraid that Chen Ping would be impulsive and have conflicts with these guys from the Martial Arts Alliance.

With Chen Ping’s current strength, it is impossible for him to be an opponent of the Martial Arts Alliance.

“But I can’t watch you being locked up here forever, I must find a way to get you out!”

Chen Ping said with a concerned look.

“Okay, the time is up, let’s go quickly...”

Ning Zhi said, throwing the Qiankun Circle into the air, and soon a dark entrance appeared!

“Chen Ping, you must calm down. I won’t be in danger here. Don’t worry!”

Su Yuqi looked at Chen Ping reluctantly and said.

Chen Ping also grabbed Su Yuqi’s hand tightly, his eyes full of reluctance and self-blame!

“No, I want to take you with me...”

Looking at Su Yuqi, Chen Ping suddenly grabbed the two steel bars of the cell door with both hands. All the spiritual power in his body was concentrated in his hands, and he suddenly broke it with force.

He wanted to break the steel bars, rescue Su Yuqi, and take them away together!

Chapter: 1499

But Chen Ping had bulging veins on his forehead, and no matter how hard he tried, the steel bars wouldn’t move at all!

“Let’s go quickly. The steel bars are forged from fine steel extracted from the East China Sea. Not to mention you, even a Wuhou can’t shake it.”

Ning Zhi stepped forward and pulled Chen Ping and said.

“Chen Ping, don’t waste your efforts. It’s better to leave quickly...”

Su Yuqi looked at Chen Ping like that and persuaded him with distress.

“I want to rescue you...”

Chen Ping gritted his teeth, and all the spiritual power in his body began to explode.

At this moment, footsteps began to be heard outside the cell. When Ning Zhi heard it, he knew someone was coming and hurriedly pulled Chen Ping: “Hurry up, someone is coming...”

Ning Zhi pulled Chen Ping and jumped into the dark entrance. After the two people entered, the entrance disappeared, as if no one had been there.

Just as Ning Zhi followed Chen Ping and left, Zhu Zhishan brought someone in. After looking around, Zhu Zhishan frowned.

“Has anyone been here?”

Zhu Zhishan asked the two guards.

“Leader, no one has been here!”

One of the guards said.

Zhu Zhishan thought for a moment, and then said to the two guards: “Keep an eye on me, no one is allowed to let them in without my permission!”

“As you command!”

The two guards bent slightly!

After glancing at Su Yuqi, Zhu Zhishan turned and left.

.....

“Is your boy going to die?”

In the alley on the side of the Martial Arts Alliance, Ning Zhi gave Chen Ping a fierce look!

If Ning Zhi hadn't pulled Chen Ping out just now, they would have been discovered.

With the strength of the two of them, they would be overpowered in an instant.

Chen Ping looked at the wall of the Martial Arts Alliance without saying a word, but a cold light flashed in his eyes!

Chapter: 1500

Seeing Chen Ping like this, Ning Zhi said lightly: “Don't forget to promise me tomorrow!”

After saying that, Ning Zhi turned around and left!

Chen Ping stayed for more than half an hour before leaving reluctantly!

Returning to the Dharma Protector Pavilion, Zhao Wuji saw Chen Ping coming back and hurriedly stepped forward and asked, "Mr. Chen, have you seen Miss Su?"

Chen Ping nodded, but he was not in a good mood. His girlfriend was imprisoned in the dungeon of the Martial Arts Alliance, but he had nothing to do, which made Chen Ping feel useless.

At this time, Gu Ling'er walked out of Chen Ping's room. Seeing Chen Ping coming back, she quickly asked: "Chen Ping, have you seen Yu Qi? Is she okay?"

Chen Ping was stunned for a moment, then looked at Zhao Wuji.

Zhao Wuji looked embarrassed and said, "I told Miss Gu."

Chen Ping didn't want Gu Ling'er to know because he was afraid that she would worry. Now that he knew it, he nodded: "I see, Yu Qi is fine!"

"As expected, it was the guys from the Martial Arts Alliance who captured Yu Qi. These guys are really bad."

Gu Linger said angrily.

"I will make them pay sooner or later!"

Chen Ping gritted his teeth, his eyes filled with anger. This time, his hatred with the Martial Arts Alliance would probably last forever.

"Chen Ping, I heard Pavilion Master Zhao say that you are going to Suolong Island with someone, and I want to go with you. It just so happens that I also want to see Xiaoru."

Gu Linger said.

“No, you stay well in the Dharma Protector Pavilion. I will be back in a few days.”

Chen Ping refused immediately. Chen Ping still didn't know what medicine Ning Zhi was selling in his gourd.

It would be very dangerous for Gu Ling'er to follow him.

Seeing that Chen Ping disagreed, Gu Ling'er wanted to say something else, but Chen Ping waved his hand: “I'm a little tired, let's go take a rest first!”

Going to see Su Yuqi this time had a huge mental impact on Chen Ping. Seeing his woman imprisoned in a dungeon, he was helpless. Anyone who would do this would be depressed.

Gu Ling'er wanted to catch up, but was stopped by Zhao Wuji: “Miss Gu, you'd better leave Mr. Chen alone, I guess he feels bad now.”

When Gu Ling'er heard this, she stopped, watched Chen Ping walk into the room, and then closed the door!

Gu Ling'er and Zhao Wuji looked at each other, and the two of them had no choice but to leave, and no one bothered Chen Ping.

Early the next morning!
