

The Order 1501

Chapter: 1501

Ning Zhi and Gu Kaiyuan came to the Dharma Protector Pavilion early to pick up Chen Ping.

Chen Ping got into Ning Zhi's car, and then the car got on the highway and headed straight to Nanhua City.

Just when Chen Ping got into Ning Zhi's car and rushed to Nanhua City, Gu Ling'er also bought a ticket to Nanhua City!

Chen Ping and the others traveled for a whole day before arriving in Nanhua City. After arriving in Nanhua City, Chen Ping found that Nanhua City had changed a lot, and there were more and more tourists.

And on the pier, there are cruise ships everywhere, and there are many travel agencies, all of which have posters for a one-day trip to Suolong Island at the door.

Chen Ping was a little confused when he saw this scene. When did Suolong Island become a tourist attraction for ordinary people?

Isn't Suolong Island guarded by people from the Long family?

Moreover, all kinds of wild beasts are infested above, and the environment above is not suitable for ordinary people to go up and play.

Looking at Chen Ping's confused look, Ning Zhi smiled slightly and explained: "Since you got the Ice Dragon Dragon Crystal, the environment on Suolong Island has undergone earth-shaking changes. Now the environment on the road is like spring all year round. There are no more wild beasts."

“There is no trace of the legendary Yanlong at all, so the Long family let go of Suolong Island, making Suolong Island a holy place for tourism, and the Long family reaped a lot of benefits from it!”

After listening to Ning Zhi’s explanation, Chen Ping realized that the situation that Suolong Island was in was all caused by himself.

“Now that Suolong Island has become a tourist attraction that everyone can go to, what else are you taking me to do?”

Chen Ping asked strangely.

“I said, keep it a secret for now!” Ning Zhi smiled: “You won’t agree to my thing and cheat halfway, right? I took you to meet your girlfriend.”

“Don’t worry, since I promised you, I will go with you!”

Chen Ping said calmly.

Ning Zhi smiled and didn’t say anything. Instead, he found a hotel to stay in. They were going to leave early tomorrow morning!

Just after Chen Ping and the others settled in, Gu Ling’er also appeared in Nanhua City, but she stayed in another hotel!

“Ling’er.....”

Just as Gu Ling’er was checking in, someone suddenly called her.

Gu Ling'er looked for fame and found that it was Gu Wentian.

“grandfather.....”

Gu Ling'er's face was full of excitement, and she hurried over and hugged Gu Wentian:
“Grandpa, why are you here?”

“I heard that there is a new tourist destination in Nanhua City called Suolong Island. It is like spring all year round and the scenery is very beautiful, so I asked your Uncle Su to go shopping together. I always stay in Hongcheng. I'm going to be suffocated to death!”

Chapter: 1502

Gu Wentian chuckled.

“Ling'er...” At this time, Su Wenzong also shouted.

“Uncle Su!” Gu Ling'er greeted Su Wenzong!

Behind Su Wenzong were Lin Tianhu and Chi Feng, both of whom seemed to have recovered from their injuries.

“Miss Ling'er is so good...”

Lin Tianhu and Chi Feng followed Gu Ling'er to say hello.

Gu Ling'er nodded, which was considered a response!

“Ling'er, why are you here? Where are Chen Ping and the others?”

At this time, Gu Wentian asked Gu Linger.

“I also heard that there is a Suolong Island with great scenery, so I came here to have fun. Chen Ping and Yu Qi were not with me!”

Gu Ling'er didn't know how to follow Gu Wentian.

After all, Su Wenzong was also present. Could it be said that Su Yuqi was arrested and she secretly followed Chen Ping?

When Gu Wentian heard this, his face instantly turned cold, and he hurriedly pulled Gu Ling'er aside: “Ling'er, what's going on? Did you quarrel with Chen Ping? Or maybe Chen Ping doesn't want you anymore?”

“Grandpa, where are you thinking? Chen Ping and I are fine. Don't think about it. I just want to go out and walk around by myself!”

Gu Ling'er said with a frown.

“It's good that there was no quarrel!” Gu Wentian secretly breathed a sigh of relief.

Gu Ling'er originally wanted to go out and search for Chen Ping's whereabouts after completing the check-in procedures, but now there is no chance.

Early the next morning!

Gu Wentian and Su Wenzong got up early. They bought tickets for a luxury cruise ship. When they went on board last night, Gu Wentian also booked one for Gu Ling'er!

“Ling’er, it’s been a long time since you went shopping with grandpa. This time we have a good two days of fun.”

Gu Wentian gave the purchased ticket to Gu Ling’er.

Gu Ling’er followed Chen Ping this time. She was afraid that Chen Ping would be in danger. If she followed Gu Wentian and the others, how could she find Chen Ping.

“Grandpa, I...”

Gu Ling’er wanted to refuse, but didn’t know what to say.

Chapter: 1503

“What am I? Don’t you want to go shopping with grandpa? Do you think grandpa is old?”

Gu Wentian asked with a straight face.

“no no.....”

Gu Linger waved her hands repeatedly!

“If not, then come with us!”

Gu Wentian couldn’t help but pick up Gu Ling’er and leave.

Soon, everyone arrived at the pier. At this time, the pier was crowded with people, and there were many ships moored on the sea. Among them was a huge and very luxurious cruise ship, which was the ship Gu Wentian and the others were on!

The ticket price of this ship is not low, so there are not many people at the boarding gate of this cruise ship, but they are all people of high status. Looking at what everyone is wearing, you can tell that they are worth a lot of money. After all, ordinary people can't sit on it. Get a luxury cruise like this!

After Gu Wentian and the others checked in and boarded the ship, Gu Ling'er kept looking back. She wanted to see where Chen Ping was!

However, there are thousands of people on the pier. If you want to find one person, you will undoubtedly be looking for a needle in a haystack!

"Ling'er, what happened to you today? Are you looking for someone?"

Gu Wentian saw that Gu Ling'er kept looking back, so he asked.

"No, I just took a look!"

Gu Ling'er hurriedly squeezed out a few smiles.

Standing on the deck of the cruise ship, looking at the cruise ship that had slowly started to launch, Gu Ling'er was still worried about Chen Ping.

Zhao Wuji told her that Ning Zhi was a very insidious person, which was why Gu Ling'er was so worried.

Just when Gu Ling'er was worried about Chen Ping, her body suddenly shook, and she felt three auras approaching her!

Most of the people on this cruise ship are ordinary people, and even if there are some warriors, they are just internally powerful warriors, and there are very few grandmasters. On this cruise ship, Lin Tianhu and Chi Feng's strength can crush everyone.

However, Gu Ling'er could feel these three auras, and their strength was by no means inferior to his own.

When Gu Ling'er looked along these three auras, he was surprised to find that it was Chen Ping and the others!

When she saw it was Chen Ping, Gu Ling'er wanted to hide, but Chen Ping told her not to let her come. Now she followed secretly, fearing that Chen Ping would be angry!

But at this time, Chen Ping also discovered Gu Ling'er. When Chen Ping saw Gu Ling'er, his whole body shook slightly, but he did not go over to say hello to Gu Ling'er!

"Brother Chen, what's wrong?"

Feeling something strange about Chen Ping, Ning Zhi asked.

Chapter: 1504

"Oh, it's okay, maybe the sea breeze is a bit cold, let's go back!"

Chen Ping smiled lightly.

"Okay!" Ning Zhi nodded.

But just when Chen Ping and the others turned around to return to the cabin, someone suddenly shouted at Chen Ping.

“Chen Ping...”

Immediately afterwards, several people hurried towards Chen Ping.

Chen Ping turned around and frowned instantly.

He saw Su Wenzong, Gu Wentian, Lin Tianhu and Chi Feng walking towards him with happy faces!

At this point, Chen Ping was trying to pretend he didn't know them, but it was obviously impossible.

Seeing this, Gu Ling'er had no choice but to follow them and walk over.

“Uncle Su, ancient...”

Chen Ping could only step forward and greet Su Wenzong and Gu Wentian.

“Chen Ping, I didn't expect it to be such a coincidence that you are here. We met Ling'er last night. It seemed like a coincidence. I didn't expect to meet you today...”

Gu Wentian said in surprise.

“Mr. Chen, since you and Miss Linger are both going to Suolong Island, why don't you come together?”

At this time, Lin Tianhu asked strangely.

“Ah...” Chen Ping didn’t know how to answer Lin Tianhu for a moment!

“I ran out on my own. Chen Ping didn’t even know how to go with me!”

Gu Ling’er said at this time.

“Yes, I didn’t know that Ling’er also went to Suolong Island!”

Chen Ping nodded hurriedly.

“Chen Ping, where is Yu Qi? Aren’t you with Yu Qi?”

Su Wenzong scanned around and found that Su Yuqi was not there, so he asked Chen Ping.

Chen Ping was slightly stunned. He didn’t know what to say to Su Wenzong, but in the end he decided to hide it from Su Wenzong, so he lied: “Yu Qi had other things to do and didn’t come with him. I was with a friend!”

Chapter: 1505

Chen Ping pointed at Ning Zhi and Gu Kaiyuan behind him!

Ning Zhi stepped forward with a smile on his face and greeted Gu Wentian and Su Wenzong:
“Hello, I am Chen Ping’s friend, my name is Ning Zhi...”

“Hello!”

Gu Wentian and Su Wenzong also followed Ning Zhi to say hello!

After chatting for a few words, the group returned to the cabin. Because they met Gu Ling'er and Chen Ping, Gu Wentian and Su Wenzong seemed happy and excited!

In a certain room, Gu Wentian and Su Wenzong were chatting happily with Chen Ping. During this period, Chen Ping was traveling around and rarely returned to Hongcheng. The two of them also missed Chen Ping.

“Chen Ping, your friend named Ning Zhi looks good. He should be the young master of some family, right? The noble temperament exuding from him, I'm afraid there is no such young man in the entire Hongcheng!”

Su Wenzong asked Chen Ping.

“Well, he is from the Ning family in Kyoto. This guy looks very kind, but he is actually very difficult to deal with! So Uncle Su, Gu, you should stay away from him and ignore him.”

Chen Ping warned Su Wenzong and Gu Wentian!

Hearing what Chen Ping said, Gu Wentian and Su Wenzong were a little surprised, but they still nodded.

After chatting for a while, Chen Ping called Gu Linger aside alone!

“Ling'er, didn't I say I wouldn't let you come?”

Chen Ping's face was a little cold.

“I...I'm afraid that you are in danger!”

Seeing that Chen Ping was angry, Gu Ling'er lowered her head and explained in a low voice!

"I'm telling you, when you get to Suolong Island, don't follow me with Gu Gu and the others. If you follow me, not only will you not be able to help me, but you will also hinder me..."

Chen Ping warned Gu Ling'er seriously!

Chen Ping knew that if Ning Zhi brought him to Suolong Island, he would definitely do no good. If it was just him, if something happened, he would still have the ability to escape.

But now suddenly Gu Wentian and Su Wenzong have arrived, and these people have become Chen Ping's burden!

When Ning Zhi randomly grabs one of them and threatens him, Chen Ping can't just sit idly by.

Gu Ling'er nodded. She also felt that she was being a little reckless by following him!

At this moment, in another room not far away, Ning Zhi was in a great mood!

"Hahaha, God is really helping me. I didn't expect to meet Chen Ping's relatives here. Now, I'm not afraid that Chen Ping won't obey me!"

Chapter: 1506

Ning Zhi gently picked up the red wine and took a sip!

"Master Ning, among these people, I think that woman is the most important to Chen Ping. When we control that woman, Chen Ping will be obedient!"

Northwest Wanggu Kaiyuan said.

“Yes, I can see it too. I didn’t expect that this guy Chen Ping is still a lover, and women everywhere show mercy...”

A hint of jealousy flashed in Ning Zhi’s eyes, and then he continued: “Let’s take Chen Ping to Dragon Lock Island. Are you sure you can use Chen Ping to lure Yanlong out?”

“Don’t worry, Mr. Ning. As long as Chen Ping goes to Dragon Lock Island, Yanlong will definitely appear. Chen Ping has ice dragon crystals on his body, and Yanlong’s strength is definitely at its weakest now. As long as we kill Yanlong, get the Flame Dragon Dragon Crystal, kill Chen Ping, and take out the Ice Dragon Dragon Crystal. Only when the two dragon crystals merge, will the dragon crystal produce the power of the dragon!”

“Many wealthy families look down on this dragon crystal and think it is useless, but they don’t know that this dragon crystal must be merged into two pieces. If Mr. Ning swallows these two pieces of dragon crystal, I guarantee that your strength will instantly increase. He is at the peak of Wuzong and has the strongest strength at the same level!”

Gu Kaiyuan said with fiery eyes.

After hearing this, Ning Zhi became excited: “Hahaha, when I get the dragon crystal and reach the peak of Wuzong, I will definitely find a way to give your Gu family a place in Beijing...”

“Thank you, Mr. Ning!”

Gu Kaiyuan quickly thanked him!

Although Gu Kaiyuan is the king of the northwest, the northwest is a barren land after all. Even if Gu Kaiyuan becomes the king of the northwest, he will not have much status in the eyes of other sects and families!

So he has always wanted to squeeze into the Kyoto martial arts world and have his own place in Kyoto!

He found Ning Zhi and told the secret of Suolong Island.

Gu Kaiyuan knew that even if he didn't tell him, with his strength, he wouldn't be able to get two dragon crystals at the same time.

.....

In the bar of the cruise ship!

Chen Ping sipped red wine with Gu Ling'er!

This luxurious cruise ship has everything on board, even a swimming pool, which is extremely luxurious!

It's just that Chen Ping has no interest in these!

It takes two days to get to Suolong Island. Chen Ping uses these two days to spend time with Gu Ling'er!

As for what will happen on the island, no one can imagine!

"Brother Chen Ping, you are accompanied by a beautiful woman, so you have forgotten me as your friend?"

At this time, Ning Zhi and Gu Kaiyuan came over and sat directly opposite Chen Ping!

Chapter: 1507

The moment he sat down, Gu Kaiyuan gently twisted his fingers, and an inaudible breath entered the red wine bottle in front of Chen Ping.

Neither Chen Ping nor Gu Linger noticed it!

Chen Ping glanced at Ning Zhi and just smiled lightly: "Would you like a drink?"

"No need, this cruise ship has everything you need, and the scenery on the sea is also very beautiful. If you just sit here and drink, you are simply letting down this luxurious cruise ship!"

Ning Zhi smiled slightly.

"I don't like walking around..."

Chen Ping shook his head!

"Well, since you don't like shopping, I won't bother you chatting with beautiful women!"

Ning Zhi stood up and said to Gu Kaiyuan: "Let's go..."

Ning Zhi and Gu Kaiyuan stood up and left. Gu Ling'er looked at the backs of the two people, frowned and said: "These two guys are not good people at first glance, especially the one named Ning Zhi, who is a smiling tiger with all the Scheming..."

Chen Ping smiled lightly: "He has a good plan. I have a wall ladder. I also want to know why they took me to Suolong Island!"

"No matter why, it's definitely not good. You have to be careful!"

Gu Ling'er reminded with a worried look.

At this moment, Lin Tianhu walked over and said, "Mr. Chen, Miss Ling'er, I have asked you to come over!"

Chen Ping was a little surprised. He didn't know what Gu Wentian wanted to do with them suddenly!

When they arrived at Gu Wentian's room, Gu Wentian said excitedly: "Chen Ping, have you heard? It turns out that there is an auction on this cruise ship. I heard that the auctions are all antiques salvaged from the sea. I plan to ask you to come with me to see..."

Gu Wentian's biggest hobby is collecting antiques. This time he went out to sea for fun, but he didn't expect that there would be an auction on the cruise ship!

"Is there an auction here?"

Chen Ping was a little surprised, but then he thought about it. Those who can board this luxury cruise ship are all rich and distinguished people, so holding an auction on it will definitely make a lot of money!

Now Chen Ping is beginning to admire the owner of this cruise ship!

The group of people found the auction place under the guidance of the waiter on the cruise ship!

This place has long been crowded with people. It seems that rich people like to collect. After all, if you have too much money to spend, what is it for?

Moreover, the collection has investment value. If you find something missing at an auction, you will make a profit.

Because of the rules of the auction, you need to pay a deposit before you can participate in the auction, so after Gu Wentian paid a deposit of one million, everyone walked in!

Chapter: 1508

We found a relatively remote place, and a few people sat down and waited for the auction to begin!

At this time, Chen Ping saw that Ning Zhi had followed Gu Kaiyuan, but they were a little far away from him!

Gu Wentian's face was full of excitement at this time, and he had been gearing up.

"Wenzong, if I come across something good later and I don't have enough money, you have to support me!"

Gu Wentian leaned into Su Wenzong's ear and said.

"Don't worry Gu Gu, I will definitely support you!"

Su Wenzong smiled and nodded.

"Gu Gu, I have a card with me. I don't know how much money is in it. It is estimated to be several billions. You can take it first. When you see something you like, take a photo..."

Chen Ping took out a bank card from his body and handed it to Gu Wentian.

The money on Chen Ping's card was earned from selling some medicinal materials and Feng Dong mining ores. Now he doesn't care, there will be a steady stream of money deposited into his card!

"No, how can I use your money? You still have a lot of money to use yourself!"

Gu Wentian waved his hands repeatedly!

Gu Wentian knew that Chen Ping needed to spend a lot of money to purchase herbs and various resources in order to practice, so Chen Ping's money was still useful!

But Gu Wentian still doesn't know that Chen Ping rarely uses spirit stones, herbs, etc. in his practice now. Not to mention that he is now the master of the Medicine God Valley. He doesn't have as many herbs as he wants. He just has a map of the Nine Thousand Miles of Mountains and Rivers, which is enough for Chen Ping to practice.

"Gu Gu, I have no place to spend money now, so just take it..."

Chen Ping put the card into Gu Wentian's hand.

Gu Wentian still wanted to refuse, but at this moment Gu Ling'er spoke: "Grandpa, if he gives it to you, just take it. It's all the family's money anyway!"

Gu Ling'er's words made Gu Wentian stunned for a moment, and then he laughed loudly and said: "Yes, yes, I will take the family's money, I will take it..."

Gu Ling'er also felt that she had said the wrong thing, and her face suddenly turned red!

"Gu Gu, we will be a family from now on. If you don't have enough money for a while, just ask me..."

Su Wenzong said with a smile on his face.

Chen Ping stayed with Gu Ling'er and Su Yuqi, and neither Su Wenzong nor Gu Wentian had any objections.

They all know that Chen Ping is definitely not a thing in the pool. Even if he has three wives and four concubines in the future, it will be nothing!

Soon, the auction will begin, and the host steps onto the stage!

Chapter: 1509

“For today’s auction, we are lucky enough that Director Jin is also present. We have asked him to come on stage and say a few words...”

As the host finished speaking, a man with a big beard and a big belly walked onto the stage.

This man’s name is Jin Fusheng, and he is the most powerful person in Nanhua City. He controls all the docks in Nanhua City, as well as ships of that size. Even this cruise ship belongs to Jin Fusheng. It can be seen that Jin Fusheng’s financial resources are even greater than those of some families in Kyoto!

This Jin Fusheng is a warrior, and now he has the strength of a master. In the past, Jin Fusheng made a living by fishing in the sea. Later, it was said that Jin Fusheng caught a big fish and found a bead in the belly of the big fish, which Jin Fusheng swallowed. After that, his strength increased greatly, which allowed him to control the entire dock!

Over the years, Jin Fusheng’s fleet has salvaged a lot of antique jades. Because Jin Fusheng is a vulgar person and does not like these things, he started auctioning them. This also made Jin Fusheng’s financial resources continue to increase dramatically, allowing him to slowly establish a firm foothold in Nanhua City!

“Everyone, first of all, thank you for coming to this auction. The items in this auction are absolutely worth every penny, but I salvaged them from a sunken ship thousands of years ago. If you like it, please do it as soon as possible. Start, if you start too late, you won’t have a chance!”

Jin Fusheng took the microphone and said emotionally: “Now I announce that the auction will begin...”

As Jin Fusheng finished speaking, a glass bottle that was as tall as a person and covered with patterns was carried out!

When he saw this thing, Gu Wentian’s eyes instantly lit up!

After a round of fighting, Gu Wentian successfully won the glass bottle for 50 million!

Then the second, the third...

When Gu Wentian saw each piece, he couldn’t help but get excited, and then he started shooting like crazy!

After taking photos of dozens of antiques in a row, Gu Wentian seemed to be still unfinished and his eyes turned red!

This is probably the most exciting time he has ever participated in an auction.

Gu Wentian’s actions attracted everyone’s attention to him. Although the people who came here were all rich people, people like this were rare. Even Ning Zhi was a little surprised!

And Jin Fusheng, who was sitting in the front row, couldn’t help but look back at Gu Wentian, his eyes a little unpredictable!

“Grandpa, it’s almost time. How much have you spent on this? All the money Chen Ping gave you has been spent...”

Gu Ling’er also felt the same look from everyone, and hurriedly pulled the corner of Gu Wentian’s clothes!

After being reminded by Gu Ling’er, Gu Wentian regained consciousness and said hurriedly and awkwardly: “I saw these antiques and couldn’t control myself. I won’t buy them. I won’t buy them anymore...”

“Ling’er, if your grandpa likes it, let him buy it for fun. I still have some money here. Antiques salvaged from the sea like this are rare!”

Su Wenzong was on the side and said with a smile.

“Yes, yes, your Uncle Su is right. Antiques salvaged from the sea are rare. When we get our hands on them, the value may increase directly!”

Now Gu Wentian found another excuse for himself to buy antiques!

When Gu Ling’er heard this, she sighed and felt a little helpless, because she knew that Gu Wentian really liked antiques. If she saw an antique that she liked, it would be useless for anyone to persuade her!

Chapter: 1510

In the entire auction, except for a few antiques that were of poor quality and Gu Wentian didn’t like, the rest were all taken away by Gu Wentian, and the transaction price alone was tens of billions!

After the auction ended, Gu Wentian reluctantly left. The antiques would be packed and sent to Gu Wentian's home after the cruise ship returned to Nanhua City.

With this auction and two days of travel, Gu Wentian almost became a celebrity. Many people began to make friends with Gu Wentian. After all, not many people could make tens of billions in one go.

.....

Two days later, the cruise ship arrived at Suolong Island!

The scenery here is no longer the same as it was a few months ago. There is no longer the scorching sun, nor the cold covered with ice and snow!

Moreover, the air on Suolong Island is very fresh and makes people feel very comfortable!

In addition to Chen Ping's cruise ship, there are many other ships arriving at Suolong Island. There are many tourists on Suolong Island at this time!

"Ling'er, you will take Gu Gu and the others to play with other tourists later. Don't follow me..."

Before getting off the boat, Chen Ping warned Gu Ling'er again!

Gu Ling'er nodded, and then said worriedly: "You have to be careful yourself!"

"Don't worry, it's just these two people. If I want to leave, they can't keep me!"

Chen Ping is not worried. Even if he cannot defeat Ning Zhi and Gu Kaiyuan, it is still easy to escape. If Ning Zhi and Gu Kaiyuan play tricks, Chen Ping can escape completely!

After everyone arrived at Suolong Island from the cruise ship, Gu Ling'er took Gu Wentian and the others and left with many tourists!

"Brother Chen Ping, aren't your friends with us?"

Ning Zhi asked in surprise when he saw Gu Ling'er and Gu Wentian leaving.

"No, it would be too cumbersome to have them here..."

Chen Ping smiled lightly!

Ning Zhi also understood the meaning of Chen Ping's words, smiled and said: "Then let's go..."

Ning Zhi and Gu Kaiyuan were in front, and Chen Ping was behind. The three of them headed towards the depths of Suolong Island!

Gu Kaiyuan took out a compass from his body and started muttering something incessantly!

I saw the compass in Gu Kaiyuan's hand suddenly rising into the sky, emitting a faint red light!

After spinning in place for a few times, the compass began to move rapidly toward the southeast.

"Follow quickly..."
