

The Order 151

Chapter: 151

“Okay, okay, okay...”

The middle-aged man said three good words in a row, turned around and left with two bodyguards!

After the middle-aged man left, Cui Zhiyuan felt very happy. He had never felt like this before. It was so majestic and so refreshing...

“Manager Cui is so awesome. With that kick just now, the other party didn’t even dare to fart!”

“Manager Cui acted like that just now. If you didn’t know better, you would have thought he was the big brother on the road!”

“Manager Cui is awesome. I even doubt whether Manager Cui has ever been on the street...”

A group of people praised Cui Zhiyuan one after another, which made Cui Zhiyuan go to heaven!

Cui Zhiyuan was proud in his heart, but he pretended to be calm and said calmly: “I rely on everyone to support me. Since these brothers are all interesting enough, I, Cui Zhiyuan, can’t be stingy today. This time I will serve a few bottles of Lafite. Try them all...”

“Awesome...”

“Long live Manager Choi...”

When everyone heard that they were drinking Lafite, they all shouted excitedly. You must know that working people like them rarely drink this kind of wine!

“Zhiyuan, let’s go. If the other party really asks someone to come, it will be troublesome...”

Sun Xiaomeng persuaded Cui Zhiyuan.

At this time, Cui Zhiyuan was drunk and with so many people praising him, he was not afraid of the bald middle-aged man.

“Don’t worry, Xiaomeng, I’m here, you don’t have to be afraid...”

Cui Zhiyuan said, patting his chest.

“Manager Cui, I heard that this KTV is owned by Juyitang, which is owned by Lin Tianhu. We just had a fight. Could it be...”

An employee said cautiously.

“You’re scared, I know Lin Tianhu very well, don’t worry!”

Cui Zhiyuan waved his hand and Niu said coaxingly.

When Sun Xiaomeng heard that it was Lin Tianhu’s shop, she immediately relaxed and said: “Since it is Mr. Hu’s shop, it is easy to handle. Zhiyuan is very familiar with Mr. Hu. The external accounts of my company are Zhiyuan’s words. Master Hu is here to help!”

Sun Xiaomeng’s words immediately made everyone look at Cui Zhiyuan with admiration. Being able to get to know the underground emperor of Hongcheng is so awesome, but you can show off for a lifetime!

“Manager Cui is so secretive that he even knows Mr. Tiger!”

“Since we know Master Hu, we are still afraid of a ball. If the opponent dares to come, we will beat him until he cries for father and mother...”

Chapter: 152

“Let’s drink. Manager Cui is here. Who dares to mess with us...”

Once they heard that Cui Zhiyuan knew Lin Tianhu, these guys became even more unscrupulous!

Chen Ping sat in the corner, with the corners of his mouth raised and a faint smile!

It seems that Cui Zhiyuan is always living in his own dream even if he doesn’t suffer a little!

“Why are you smiling? You still have the nerve to smile. The old guy was taking us away just now. You were so scared that you couldn’t move. Wang Hanhan is your girlfriend. You can’t even protect your own girlfriend. What kind of man are you? Laugh out loud!”

When Wang Lanlan saw Chen Ping sitting in the corner laughing, she immediately accused him with dissatisfaction!

“Yes, you are still a man? Your girlfriend is about to be taken away, but you turn a blind eye...”

“If Manager Cui hadn’t come forward, you would have been cuckolded today!”

“And this Zhang Tongjian, he doesn’t dare to move even while sitting, he has no backbone at all!”

Everyone began to accuse Chen Ping and Zhang Tongjian, after all, they were the only two sitting there without moving!

Chen Ping knew he didn’t have to move, but Zhang Tongjian was really too scared to move!

“Okay, don’t pay attention to these two cowards. Go out and ask for Lafite alone. Let’s drink...”

Cui Zhiyuan waved his hand and said!

Soon someone went out to ask for a drink, while others gave Chen Ping and Zhang Tongjian a cold look. No one paid them any attention!

.....

At this time, in the office of the general manager of Dynasty KTV, the bald middle-aged man was inside with two bodyguards.

The office is very luxuriously decorated. Behind a desk that is more than three meters long, there is a man in a Chinese tunic suit sitting. Behind the man is a girl wearing a cheongsam with the hem open to the waist, revealing her fair skin. With heavy makeup on her face, she was pressing the head of the man in Chinese tunic suit!

This man in Chinese tunic suit is Hou Chunlei, the manager of Dynasty KTV, and he can be regarded as Lin Tianhu's right-hand man, otherwise Lin Tianhu would not leave this KTV to him!

"Boss Qian, what made you come to me so angry?"

Hou Chunlei half-closed his eyes and asked calmly.

"Manager Hou, your Dynasty KTV is too chaotic. Just now a bunch of stupid young people actually beat up my people, and now there are clear footprints on my people!"

The bald money boss pointed at one of his bodyguards and said!

There was a clearly visible footprint on the bodyguard's lower abdomen!

"Is there such a thing?" Hou Chunlei opened his eyes and sat up straight: "Who is the other party? Is it from the Chilong Gang?"

Chapter: 153

In Hou Chunlei's opinion, only the guys from the Chilong Gang dare to cause trouble here!

“It doesn’t look like it. They are just a bunch of young people. I heard some girls in their private room sang well and wanted to take them to my private room to sing a few songs. I didn’t expect these guys to dare to do it.

Boss Qian’s eyes flashed with coldness, and he gritted his teeth and said: “I think this is Mr. Hu’s place, so I came over to tell Manager Hou. If Manager Hou doesn’t care, then I will find someone to come by myself. When the time comes, Hou Manager, just don’t blame me! ”

“They’re just a bunch of kids. Why is Boss Qian so angry? I’ll just send someone to follow Boss Qian...”

Hou Chunlei said and shouted towards the door: “Binzi...”

At this time, a man with a fierce face and tattoos on his arms walked in!

“Brother Hou...” Na Binzi shouted respectfully!

“Someone was causing trouble at the KTV just now. You can follow Boss Qian to check it out. Just don’t kill anyone. Master Hu recently made a statement, asking us to keep a low profile!”

Hou Chunlei ordered to Binzi!

“I know, Brother Hou...”

Binzi nodded.

“Manager Hou, thank you very much!” Boss Qian raised his hand towards Hou Chunlei!

“Boss Qian is too polite. If you are angry with me, of course I have to take care of it. From now on, Boss Qian can just take more care of my business...”

Hou Chunlei smiled faintly.

Soon, Boss Qian took Binzi to the private room where Chen Ping and the others were, followed by more than a dozen KTV thugs!

In the private room at this time, Cui Zhiyuan and the others were drinking Lafite, their faces all flushed, and they were shouting excitedly, when suddenly the door was kicked open!

Everyone was stunned. When they saw that it was the bald middle-aged man who brought the people back, panic appeared on their faces. After all, there were more than a dozen people behind him this time, and they all looked fierce!

“Boss Qian, who did it just now?”

Binzi asked Boss Qian.

Boss Qian kept saying to Cui Zhiyuan: “That’s him, this guy beat my man!”

Binzi took a look at Cui Zhiyuan, and then glanced around again. He immediately knew that these people were ordinary people, not just hanging out on the street.

“Did you just hit Boss Qian’s person?” Binzi walked up to Cui Zhiyuan and asked calmly.

Seeing Binzi’s sinister face and the tattoos on his body, Cui Zhiyuan was a little scared, but with the strength of the drink, Cui Zhiyuan nodded: “Yes, I was the one who beat him. They bullied my girlfriend!”

Binzi was a little surprised when he saw Cui Zhiyuan admitting it directly. He looked Cui Zhiyuan up and down and said, “You have the guts and dare to do what you want. I won’t embarrass you. Now go kneel down and apologize to Boss Qian. Today This matter is over...”

Chapter: 154

When Cui Zhiyuan heard that he was asked to kneel down, how could he agree? He shook his head and said, “It’s impossible for me to kneel down for him. He was the one who provoked us first!”

When Binzi saw Cui Zhiyuan's refusal, his face suddenly turned cold: "No one dares to refuse me!"

Saying that, Na Binzi suddenly took action, directly grabbed Cui Zhiyuan by the collar, and lifted Cui Zhiyuan up!

When the others saw this, they wanted to help Cui Zhiyuan, but when they saw the dozen or so thugs watching behind Boss Qian, they all gave up!

"Zhiyuan..." Seeing that the other party was actually taking action, Sun Xiaomeng immediately shouted and rushed over: "Let him go, my dad is Sun Fuhai, and we are employees of Su Family Xinyu Rihua..."

Sun Xiaomeng tried hard to pry Binzi's hand away, but no matter how hard she tried, Binzi couldn't move at all!

Cui Zhiyuan's face turned red at this time, he began to have difficulty breathing, his eyes widened, and his mouth opened wide...

The fear of death is constantly harassing him!

Seeing Cui Zhiyuan like that, Sun Xiaomeng was extremely anxious and continued to shout: "This is Master Hu's territory. If you do something in Master Hu's territory, Master Tiger will never let you go. He knows Master Hu..."

As soon as Sun Xiaomeng finished speaking, Binzi's face changed slightly, his brows furrowed, and he loosened his hand.

"Cough cough cough....."

After Cui Zhiyuan was released, he coughed hard and gasped for air!

"Zhiyuan, are you okay?" Sun Xiaomeng asked with concern.

When other people saw that Binzi immediately let go after hearing about Master Hu, they thought that Binzi was afraid of Lin Tianhu, so they all shouted: "Our Manager Cui and Master Hu are very familiar with each other. If you dare to touch him, Master Hu." I can't spare you..."

"Let me tell you, if our manager Cui says a word, then Lin Tianhu will be obedient!"

"Just yesterday, our Manager Cui only made a phone call, and Lin Tianhu immediately went to help collect the bill. If you offend Manager Cui, you will die..."

Those people in the sales department under Cui Zhiyuan knew that the other party was afraid of Lin Tianhu, so they started shouting one by one, blowing Cui Zhiyuan to the sky!

After hearing this, Chen Ping in the corner couldn't help but raise the corner of his mouth slightly. These ignorant guys, the more he said this, the more he pushed Cui Zhiyuan towards the edge of death!

When Cui Zhiyuan heard that these guys were praising him indiscriminately, he was frightened and wanted to scold these guys!

Listening to everyone's words, Binzi's face became more and more ugly, and the murderous intent in his eyes became stronger and stronger!

Although Hou Chunlei told him not to kill anyone, these guys actually used the name of Master Hu to cheat outside. How could he bear it!

Seeing Binzi's face getting more and more ugly, Cui Zhiyuan's group of people thought he was afraid, and they all became proud!

"Are you scared? Get out of here now. If we call Master Hu, none of you will be able to leave..."

Sun Xiaomeng also followed Binzi with a proud look on his face.

Chapter: 155

"Shut up, shut the fuck up..."

Cui Zhiyuan yelled at Sun Xiaomeng!

Only he knew that he didn't know Lin Tianhu at all, and he had never even met Lin Tianhu.

Seeing Cui Zhiyuan suddenly yelling at her, Sun Xiaomeng was stunned. She didn't know what was wrong with Cui Zhiyuan, but she didn't dare to speak anymore!

"Do you know Master Hu?" Binzi asked Cui Zhiyuan gloomily, stunned.

Cui Zhiyuan is now being picked up by everyone, and there is nothing he can do about it. If he admits that he doesn't know him at this time, he will be laughed at by everyone.

Gritting his teeth, Cui Zhiyuan could only nod his head: "I met Mr. Hu..."

Cui Zhiyuan's words are ambiguous. After all, he has met Lin Tianhu, but he may not necessarily know Lin Tianhu...

"Originally, you just need to kneel down and apologize, but I didn't expect that you would use Master Hu's name to show off and deceive outside. If this is the case, then none of you can even think of leaving today..."

Binzi's words were filled with a hint of chill, which made these guys who didn't know the heights of the sky feel chilly!

"Hahaha, you little brats, do you know who this person is in front of you? He is the number one thug of Brother Hou, the right-hand man of Master Hu, and you are actually bragging in front of him, saying that you know Master Hu. Look, Come here, you will live until the end..."

Boss Qian burst out laughing.

These people are just ordinary guys. How could they know Lin Tianhu? Boss Qian knew that they must be pretentious!

Sure enough, after hearing what Boss Qian said, Cui Zhiyuan's forehead was instantly covered with cold sweat. He didn't expect that he was pretending to be cool and actually hit the muzzle of the gun!

But other people under Cui Zhiyuan didn't think so. They thought Cui Zhiyuan really knew Lin Tianhu!

Sun Xiaomeng has always firmly believed that Cui Zhiyuan must know Lin Tianhu. Even if Cui Zhiyuan does not know him, his friends must know him. Otherwise, why would Lin Tianhu have to pay for his family's debt?

"Boss Qian, our brothers also drank some wine just now. Now we are not accompanying you. I hope Boss Qian..."

Cui Zhiyuan got scared and started to apologize to Boss Qian!

But before he finished speaking, Binzi interrupted him directly: "How dare you borrow Master Hu's name? This is not as simple as an apology. Whether you can survive or not depends on fate..."

After Binzi finished speaking, he waved his hand directly to his subordinates and said: "Take everyone away and let Brother Hou go and deal with it..."

Soon, more than a dozen vicious thugs surrounded them, making Cui Zhiyuan and Sun Xiaomeng so scared that their expressions changed!

Zhang Tongjian in the corner was trembling even more at this time, his pants were soaked, and his hands were tightly grasping Chen Ping's sleeves!

He is just a college student who has just graduated. He has never seen such a scene before, and now he is scared to death!

Seeing Zhang Tongjian like that, Chen Ping patted him on the shoulder and said, "Relax, you'll be fine..."

Chapter: 156

Soon, Cui Zhiyuan and his gang were taken to Hou Chunlei's office!

At this time, Hou Chunlei was closing his eyes slightly, enjoying the massage from his secretary. Suddenly he saw Binzi bringing a group of people, and they were all little kids. He frowned and said: "Binzi, bring a bunch of little kids." What are the children doing?"

"Brother Hou, these are the people under the money-making boss..."

Binzi said.

"Didn't I let you handle it? What are you doing with my office?" Hou Chunlei looked a little unhappy!

"Brother Hou, this guy said he knew Master Hu and was very familiar with Master Hu, so I brought him here to make Brother Hou feel comfortable..."

Binzi hurriedly explained!

"What?" When Hou Chunlei heard this, he immediately sat up straight and looked at Cui Zhiyuan coldly: "Do you know Master Hu?"

"I...I..." Cui Zhiyuan stammered: "My friend knows..."

"What's your friend's name? I've been following Master Hu for many years, and I know the names of all the friends he knows..."

Hou Chunlei continued to ask.

At this time, Cui Zhiyuan was asked. He didn't know Lin Tianhu's friends at all. How could someone of his level possibly have a relationship with Lin Tianhu!

Snapped.....

Suddenly, Hou Chunlei slammed the table and stood up: "You are so brave, you dare to use Master Hu's name..."

At this moment, everyone's expressions suddenly changed. Cui Zhiyuan felt a cold breath rush to his head and sobered up!

He never thought that he was just vanity, pretending to know Lin Tianhu, but he didn't want to get into trouble!

Seeing Cui Zhiyuan's reaction, Boss Qian sneered, stepped forward and slapped Cui Zhiyuan hard: "Aren't you awesome? Anyone who dares to hit me dares to use Master Hu's name. I think you are impatient..."

Boss Qian slapped Cui Zhiyuan completely into reality, and he hurriedly begged for mercy: "Boss Qian, I was wrong, I don't dare to do it anymore, I don't dare to do it anymore..."

Cui Zhiyuan's begging for mercy also brought his men and Sun Xiaomeng back to reality instantly. They knew that Cui Zhiyuan didn't know Lin Tianhu at all and was just bragging!

At this moment, everyone began to tremble. If Cui Zhiyuan didn't know Lin Tianhu, what else could they rely on?

"Wrong?" Boss Qian laughed ferociously: "It's useless to admit your mistake to me now, you just wait to die!"

Upon hearing this, Cui Zhiyuan could no longer hold on and knelt down on the ground with a thud: "Brother Hou, I never dare to use Master Hu's name again. Please, please forgive me..."

Cui Zhiyuan was crying bitterly at this time, and he regretted it to death!

Cui Zhiyuan was like this, and the others were even more ashen-faced. Sun Xiaomeng looked at Cui Zhiyuan in surprise, not knowing what he was thinking in his heart!

Chapter: 157

Looking at Cui Zhiyuan who was begging for mercy on his knees, and then at a group of panicked young people, Hou Chunlei looked at Boss Qian and said, "Boss Qian, this matter happened because of you, how do you handle it?"

This is the face of Hou Chunlei's money-selling boss. After all, Boss Qian is a big customer of KTV!

"You are helping Leng Tou Qing, even if it is useless, there is no point in it. Let them all go away..."

Boss Qian waved his hand!

When Cui Zhiyuan heard this, he kowtowed and thanked him. But just when everyone heaved a sigh of relief, Boss Qian glanced at Wang Hanhan and Sun Xiaomeng, the three girls, and said, "The men can go." , but the three women must stay with me..."

Upon hearing this, Wang Hanhan and Sun Xiaomeng's expressions suddenly changed, and Cui Zhiyuan's expression became very embarrassed!

After all, Sun Xiaomeng is his girlfriend. He can ignore Wang Hanhan and Wang Lanlan, but he can't ignore Sun Xiaomeng. After all, Sun Fuhai just recognized him!

"Boss Qian, this is my girlfriend. Can I take her away and keep her with you? My girlfriend and I have been living together for more than a year. Boss Qian must not like him either..."

Cui Zhiyuan pointed at Sun Xiaomeng, and then said with a smile!

In fact, he had never touched Sun Xiaomeng at all, but he wanted to use this to get Sun Xiaomeng out of danger!

Sun Xiaomeng glanced at Cui Zhiyuan, but didn't say anything. After all, at this time, it was most important to get away first!

Sure enough, when Cui Zhiyuan said this, boss Qian's eyes flashed with disgust, and then he waved his hands and said: "Go away, leave those two women behind..."

Cui Zhiyuan looked like he was following Boss Qian desperately to say thank you, then turned around and left!

"Manager Cui, don't leave me, don't leave me..."

Wang Lanlan panicked and hurriedly pulled Cui Zhiyuan's arm!

Wang Hanhan also looked panicked and looked at Chen Ping helplessly. At this time, she could only ask Chen Ping for help. After all, she was not familiar with these people and no one would offend the people in front of her for her sake.

"Lan Lan, just drink a few glasses of wine with Boss Qian and you'll be fine. I'll come back to pick you up later..."

Cui Zhiyuan pushed Wang Lanlan away!

Wang Lanlan suddenly became desperate, while Wang Hanhan had tears in her eyes and gently grabbed the corner of Chen Ping's clothes. She wanted Chen Ping to leave, but she didn't want to stay by herself. She was very conflicted in her heart!

"Don't worry, I won't leave..."

Chen Ping smiled slightly at Wang Hanhan and said!

"Brother Chen, are you leaving?" Zhang Tongjian was the first to rush out of the room, then turned back and shouted to Chen Ping!

Sun Xiaomeng also looked back and found that Chen Ping was motionless, so she also shouted: “Chen Ping...”

Boss Qian also saw that Chen Ping had no intention of leaving, so he said with a cold face: “Why, you can’t bear to leave your little girlfriend, don’t you want to leave?”

Chapter: 158

As Boss Qian said, he actually reached out to Wang Hanhan and touched Wang Hanhan’s face!

Wang Hanhan was so frightened that she turned pale and motionless, not even daring to dodge!

But just when Boss Qian’s hand was about to touch Wang Hanhan, Chen Ping suddenly took action and grabbed Boss Qian’s wrist: “I didn’t even think about leaving...”

As Chen Ping spoke, he exerted a little force, and heard a sound of bone cracking. Boss Qian’s wrist was immediately crushed by Chen Ping!

The severe pain caused Boss Qian to howl instantly. The heart-rending howl was very breathtaking!

“It’s paralyzed, my hand is broken, let go quickly, or I will kill you and your girlfriend too...”

Boss Qian had a ferocious face and roared loudly!

Bang...

Chen Ping kicked out, directly hitting Boss Qian’s lower body, and kicked Boss Qian out.

Boss Qian was lying on the ground with his body hunched over, his face turning purple. Chen Ping’s kick directly caused Boss Qian to lose his ability as a man!

When Hou Chunlei saw this, his anger suddenly rose, and he dared to beat his guest in front of him. This made Hou Chunlei feel ashamed!

“Boy, you dare to do something in front of me, you are so smart!” Hou Chunlei’s face was cold and scary, and he waved his hand: “Close the door, no one is allowed to leave...”

Cui Zhiyuan and the others who were about to leave were all driven back and locked in the office again!

At this time, everyone was waiting for Chen Ping angrily. If Chen Ping hadn’t pretended to do something, they would have left by now!

“Chen Ping, what the hell are you pretending to be? We can’t leave now...”

Cui Zhiyuan roared at Chen Ping!

Now that Chen Ping has beaten Boss Qian like this, this matter will definitely not be let go. You said that others have relented, but this guy Chen Ping is pretending to be for a woman, and now even they are in trouble!

“Chen Ping, if you want to die, why don’t you come with us...”

“That’s right, why are you pretending to be cool? If you can fight, go to the street and fight yourself...”

“It’s over, I’m going to be hurt badly now...”

Everyone was accusing Chen Ping!

Even Wang Lanlan is no exception. Although she is the one who is left behind, she will have a drink with her when the time comes. If it doesn’t work, she will just sleep with her. It may be over. But now, after beating someone like this, I’m afraid it can’t be solved by sleeping on it!

Only Wang Hanhan looked at Chen Ping worriedly, with tears in her eyes and said: “Brother Chen Ping, I’m sorry, I’m sorry...”

Wang Hanhan knew that if it weren’t for him, Chen Ping would not take action. Now Chen Ping might go to jail or even lose his life!

Chapter: 159

“It’ll be okay, don’t worry...” Chen Ping smiled lightly!

Seeing that Chen Ping acted like nothing was wrong, the others became even more angry, and their accusations and curses against Chen Ping became even more unpleasant to hear!

And Hou Chunlei’s face became increasingly gloomy: “Binzi, destroy this kid...”

Binzi nodded, rushed towards Chen Ping with a quick step, and swung his sandbag-sized fist towards Chen Ping’s head!

If this punch hits Chen Ping’s head, his brain will definitely burst on the spot!

When everyone saw this, they were so frightened that they all dodge, fearing that they would be splashed with blood. Only Wang Hanhan had a firm look in his eyes and gritted his teeth to block Chen Ping!

Since Chen Ping was doing it for herself, Wang Hanhan also planned to risk her life. She couldn’t just watch Chen Ping being beaten to death in front of her!

A huge strong wind blew towards Wang Hanhan. Wang Hanhan was so scared that she closed her eyes and held Chen Ping tightly with one hand, keeping Chen Ping behind her!

“Hanhan.....”

Sun Xiaomeng couldn’t help shouting!

Although she had just met Wang Hanhan, Sun Xiaomeng felt that Wang Hanhan was a nice person, knowledgeable and reasonable, and very popular. It would be a pity if he was beaten to death like this for Chen Ping, so she couldn't help shouting!

Seeing Binzi's fist in front of Wang Hanhan, Wang Hanhan even felt the breath of death, but after a strong wind blew, there was no more movement. When she slowly opened her eyes, she found that Binzi's fist was right there. A few centimeters away from his eyes, one of Chen Ping's hands directly grabbed Binzi's fist, preventing him from moving forward at all!

At this time, everyone's eyes widened and felt incredible, and Binzi's face also changed, with deep shock in his eyes, because he could feel that there was a steady stream of power from Chen Ping's body. It was bursting out, no matter how hard he tried, it was to no avail!

"If you weren't Lin Tianhu's men, you would all be corpses now..."

Chen Ping gave a slight send, and Binzi's body immediately kicked back, and finally sat on the ground!

Seeing Binzi like this, Hou Chunlei suddenly became angry!

"Damn, what a waste, can't even deal with a little kid?"

Hou Chunlei kicked Na Binzi hard!

Binzi stood up in a hurry and lowered his head in embarrassment. Although he fell, Binzi was not injured. Chen Ping was merciful. After all, these people were his subordinates!

"Let us go and let's settle what happened today, otherwise you will regret it..."

Chen Ping said to Hou Chunlei!

"Regret?" Hou Chunlei sneered: "I never know what regret is..."

After Hou Chunlei finished speaking, the door was opened, and dozens of people rushed in with machetes, directly surrounding Chen Ping and the others!

Just now there were more than a dozen people surrounding them, all with their bare hands. Although they all looked fierce, Cui Zhiyuan and the others could still control their bodies!

Chapter: 160

But at this moment, they were surrounded by dozens of people holding bright machetes. Feeling the slightest chill on the machetes, Cui Zhiyuan and the others were all frightened. Several people fainted from fright on the spot, and many people peed directly. Even Cui Zhiyuan was not spared, his pants got wet!

“Boy, I can chop you into pieces today, do you believe it?”

Hou Chunlei said ferociously.

“I seem to have heard that Lin Tianhu won’t let you guys fight and kill, and let you do business seriously. But you made such a big noise today, why don’t you ask Lin Tianhu for permission?”

Chen Ping asked calmly.

Hou Chunlei was slightly startled, glanced at Chen Ping, hesitated for a moment, and then said to his men: “Watch them, don’t let any of them go. I’ve been to Master Hu to call.”

After Hou Chunlei finished speaking, he took out his mobile phone and walked out!

Seeing Hou Chunlei going to ask Lin Tianhu for instructions, Cui Zhiyuan and the others were even more frightened and rolled their eyes. You must know that Lin Tianhu has a very bad reputation in Hongcheng. He is a murderous and ruthless master!

If Lin Tianhu was really alarmed, none of them would be able to survive. Not only would they not be able to survive, they would also be tortured to death!

“Chen Ping, you are so paralyzed. We are all going to die now. No one can survive. If you want to recruit Mr. Tiger, we are all finished...”

Cui Zhiyuan saw that Hou Chunlei went to call Lin Tianhu, so he stared at Chen Ping and cursed!

Chen Ping frowned and looked at Cui Zhiyuan with a cold light in his eyes. Cui Zhiyuan suddenly felt as if he had fallen into an ice cave, and he was so scared that he quickly shut his mouth!

“I don’t want to die, I don’t want to die, dad... dad...”

Sun Xiaomeng was so frightened that she cried and muttered as if she was crazy!

Suddenly many people began to cry, and the whole room was filled with howls.

Hou Chunlei on the other side called Lin Tianhu. He wanted to ask Lin Tianhu for instructions on how to deal with these troublemaking kids!

If it were normal times, Hou Chunlei would have made the decision himself and killed Chen Ping and the others. They were just a few ordinary young people. Even if they disappeared, it would not cause any sensation!

But it didn’t work now. Lin Tianhu had given a clear order not to let them kill people indiscriminately. Hou Chunlei could only ask Lin Tianhu what to do!

Lin Tianhu was already asleep at this time. After receiving a call from Hou Chunlei, he yawned and said, “Monkey, it’s so late. Did something happen to the KTV?”

“Master Hu, there are a few kids who are causing trouble in the KTV and even hurt Binzi. They are so arrogant. I want to ask Master Hu if I can kill these guys...”

Hou Chunlei asked cautiously.

“Little kid?” Lin Tianhu frowned: “Who are they? Are they from the Chilong Gang?”

With Lin Tianhu’s reputation in Hongcheng, no one dares to cause trouble in his territory, unless they are people from the Red Dragon Gang. After all, Feng Sihai was just injured by Chen Ping some time ago!

Now it is not impossible for the Chilong Gang to cause trouble for their Juyi Hall!
