

## **The Order 1511**

Chapter: 1511

Gu Kaiyuan said something and immediately started running quickly!

Ning Zhi and Chen Ping also followed closely behind!

After running for more than half an hour, the compass stopped and returned to Gu Kaiyuan's hand!

"This is it!"

Gu Kaiyuan looked around and said.

"What exactly are you looking for?"

Chen Ping asked a little strangely.

Ning Zhi narrowed his eyes and said: "We are looking for the whereabouts of the Yanlong. After you swallowed the Ice Dragon Dragon Crystal, earth-shaking changes occurred on the island, and the Yanlong disappeared with it. Now we have to find the Yanlong and take it out. Flame Dragon Dragon Crystal!"

"Then when you called me here, you didn't want me to help you deal with Yanlong, right? All the masters of your Ning family are stronger than me."

Chen Ping said in surprise.

It is said that the Ning family has many masters. Even if they want to deal with Yanlong, there is no need to call Chen Ping. The hunchbacked old man who has been following Ning Zhi is the

peak strength of Wuzong, stronger than Chen Ping, so Chen Ping knows that, Ning Zhi definitely didn't call him to deal with Yanlong.

"Of course not. You are not needed to deal with the Flame Dragon, but only the blood on your body can draw out the hiding Flame Dragon..."

Ning Zhi's eyes flashed with murderous intent!

At this moment, Chen Ping finally understood why Ning Zhi called him to Suolong Island. It turned out that he was just letting himself be used as a bait to attract the Yanlong!

"Do you think you two can stop me?"

Chen Ping's aura began to rise!

"Hahaha, it's up to you whether I can stop you!" Ning Zhi laughed, then looked at Gu Kaiyuan and said, "Let's do it!"

Gu Kaiyuan nodded, and then opened his mouth slightly, as if he was thinking about something.

Chen Ping looked at Na Gu Kaiyuan in surprise, wondering what this guy was doing!

However, Gu Ling'er, who was dozens of miles away from them, suddenly screamed, had a splitting headache, and fell to the ground and passed out!

Gu Kaiyuan chanted the spell for more than ten minutes, and found that Chen Ping stood motionless and showed no reaction. This made Gu Kaiyuan a little confused.

"Are you going to nag me to death with your mouth?"

Chen Ping looked at Gu Kaiyuan jokingly and asked.

“What’s going on?” Ning Zhi frowned and asked Gu Kaiyuan.

Chapter: 1512

Gu Kaiyuan obviously did something secretly when Chen Ping and Gu Ling’er were drinking, but now he found that Chen Ping was fine.

“I don’t know either, I’ve obviously poisoned them...”

Gu Kaiyuan was also confused and didn’t understand why Chen Ping didn’t react!

Upon hearing that Gu Kaiyuan actually poisoned himself, Chen Ping’s face instantly turned cold:  
“Who else did you poison?”

Chen Ping has the Heart Condensation Art to protect his body, so any poison is useless to him, but it is different for others. If Gu Ling’er and the others were also poisoned, they would be in danger now.

“And the little beauty next to you, the red wine you drank has been tampered with by me. Maybe your little beauty has been poisoned now...”

“So, if you can obey us now, I will give you the antidote later, and then...”

“Fuck you...”

Chen Ping was filled with anger, and before Gu Kaiyuan could finish speaking, he punched Gu Kaiyuan.

When Ning Zhi saw this, his aura suddenly surged. This surge of aura was only a hair away from the peak of the Grand Master!

“Chen Ping, if you cooperate with us well, you will suffer less physical pain...”

Ning Zhi said and punched Chen Ping directly!

boom.....

There was a violent explosion, and the surrounding trees were blown down by the air waves!

Chen Ping’s figure kept retreating, and Ning Zhi was not much better. He also took three steps back to stabilize his figure!

“No wonder you dare to provoke the Martial Arts Alliance, your strength has increased a lot!”

Ning Zhi looked at Chen Ping and said.

“Stop talking nonsense, if Ling’er makes the slightest mistake, I will make you two disappear forever!”

After Chen Ping finished speaking, he turned around and ran away!

He wanted to see how Gu Ling’er was doing, and he didn’t want to continue fighting with these two people!

“Master Ning, this guy wants to run away!”

Seeing that Chen Ping was about to run away, Gu Kaiyuan shouted hurriedly.

“Don’t worry, he can’t run away...”

Ning Zhi seemed to have already made up his mind. He took out a shiny silver mesh from his arms. He didn’t know what material the mesh was made of!

Chapter: 1513

“Dragnet...”

Ning Zhi suddenly threw the silk net in his hand into the air, and soon the silvery silk net began to grow rapidly and moved towards Chen Ping.

Chen Ping was startled, and as his thoughts flashed, the Dragon-Slaying Sword appeared in his hand, and blazing flames burned on the Dragon-Slaying Sword.

“cut.....”

Chen Ping slashed out with his sword, and the sharp sword blade directly cut through the silk screen!

There was a burst of fire, followed by the sound of metal collision. The silk screen was not damaged at all under the Dragon Slayer Sword!

Soon, Chen Ping’s body was wrapped in the silk mesh, and it was getting closer and closer. No matter how hard Chen Ping struggled, he couldn’t break free!

“Hahaha, don’t try too hard. This dragnet is a heaven-level magic weapon. Even if Wuhou is trapped, he can’t break free. For you, I stole all the treasures of our Ning family...”

Ning Zhi looked at the trapped Chen Ping and said proudly.

Chen Ping's eyes widened and he glared at Ning Zhi angrily, but the Ning family actually had so many magical weapons, which showed that their strength was by no means ordinary!

"Gu Kaiyuan, let's start!"

Ning Zhi said to Gu Kaiyuan.

Gu Kaiyuan nodded, then took the compass and scratched Chen Ping's finger with a dagger. A few drops of blood fell on the compass!

Soon, the blood was absorbed by the compass, and then the compass began to shake violently, and bursts of red light flashed!

Buzz buzz.....

The compass vibrated more and more frequently, making a buzzing sound, and finally turned into a dragon's roar.

Rumble.....

Suddenly, the earth began to tremble, and then the ground not far away rose up!

"coming!"

Gu Kaiyuan said with excitement in his eyes.

Ning Zhi's eyes also shone with light, and a sword appeared in his hand!

The two of them stood ready, but Chen Ping, who was trapped at this time, felt that the dragon crystal in his body was constantly trembling, as if he had a sense!

Soon, the high bulge on the ground was getting closer and closer to them. Gu Kaiyuan hurriedly threw out the compass in his hand. A golden light emitted from the compass, shining on the high bulge!

“Master Ning, take action...”

Chapter: 1514

Gu Kaiyuan shouted hurriedly!

Ning Zhi nodded, jumped up high, and stabbed the long sword in his hand hard into the high bulge!

A burst of blood spurted out from the raised area!

Ning Zhi was overjoyed. Just when he was about to draw his sword and stab again, suddenly his whole body seemed to be overturned by some huge force and flew dozens of meters away!

And from that high bulge, a flaming dragon with its body burning with flames soared into the sky!

Ning Zhi's sword was still stuck in Yanlong's body.

The moment the Flame Dragon appeared, the surrounding air seemed to be drained out. All the trees, flowers and plants withered, and the temperature suddenly rose.

Looking at the flame dragon, which was dozens of meters long, Ning Zhi and Gu Kaiyuan's expressions became a little ugly!

Chen Ping was also shocked. The ice dragon at that time was just an ice dragon formed by someone casting a formation on the dragon crystal. Speaking of which, the ice dragon was not a real dragon!

But the flame dragon in front of me, with its eyes wide open and its body burning with flames, is actually a real dragon!

From the aura emanating from this flame dragon, you can feel a deep sense of oppression!

"Ning...Mr. Ning, what should we do?"

Looking at the scary flame dragon in front of him, Gu Kaiyuan was a little scared!

Ning Zhi also frowned. They really didn't expect that the Yanlong was so huge and that the aura emanating from it could suppress them.

"How the hell do I know what to do!"

Ning Zhi cursed.

They mistakenly thought that Chen Ping killed the ice dragon and took out the dragon crystal. This proved that the ice dragon and flame dragon on Suolong Island were not very powerful.

Now that the two of them have joined forces, they are much stronger than Chen Ping at that time. In addition, they also have magic weapons in their hands, which is more than enough to deal with a flame dragon!

But who would have known that this Flame Dragon would be such a giant, and also very powerful!

The body of the Zhongyan Dragon in mid-air trembled slightly, and the sword stuck in his body fell. Then, a pressure like a god coming down from the earth shrouded the heads of several people!

In an instant, it was as if heaven and earth merged into one, and all the power between heaven and earth was pressing on a few people.

Plop, plop.....

Ning Zhi and Gu Kaiyuan didn't have the slightest ability to resist, so they just fell to the ground, unable to move their bodies!

Chen Ping's body was emitting golden light, and he gritted his teeth to resist the pressure!

Chapter: 1515

But in the end, the golden light on Chen Ping's body shattered, and his body fell to one knee on the ground!

The dragon crystal in Chen Ping's body was constantly shaking and emitting waves of light, seeming to attract the flame dragon's attention!

Sure enough, Yanlong's copper bell-like eyes looked at Chen Ping, and then he opened his bloody mouth and headed towards Chen Ping!

When Chen Ping saw Yan Long rushing towards him, his eyes were full of panic, and he hurriedly struggled desperately, but it was of no use. The dragnet was too strong and Chen Ping couldn't break free!

Seeing that Chen Ping was about to be swallowed, at this moment, the Tianlong Ring in Chen Ping's hand suddenly flickered. After only flickering for a moment, it returned to its original state. If Chen Ping hadn't happened to see it, he wouldn't have noticed it. !

But just as the Tianlong Ring flashed, the Flame Dragon suddenly stopped and looked at Chen Ping quietly in front of him. The Flame Dragon's eyes were full of fear and awe!

Buzz buzz.....

The ice dragon crystal in Chen Ping's body began to tremble violently, and Chen Ping's body trembled along with it!

Yanlong also felt the trembling of the Ice Dragon Dragon Crystal. After hesitating for a moment, he opened his mouth again!

When Chen Ping thought Yanlong was going to swallow him up, a flaming bead suddenly flew out of Yanlong's mouth!

This scene made Chen Ping dumbfounded.

"Is this the dragon crystal of Yanlong?"

Chen Ping thought to himself!

But the flaming bead flew to Chen Ping's mouth.

Chen Ping didn't even know what he was thinking, but he opened his mouth and swallowed the bead.

“ah.....”

Just after swallowing it, Chen Ping felt as if his body was being roasted in a mountain of fire, and his whole body was about to explode!

Soon, Chen Ping’s body began to burst into flames, becoming like a burning man!

But soon, a thin layer of mist instantly extinguished the flames on Chen Ping’s body, and then the Ice Dragon Crystal in Chen Ping’s body began to emit a large amount of cold air, which was neutralized by the flames on Chen Ping’s body!

The two dragon crystals surrounded each other and finally collided together. A terrifying force surrounded Chen Ping and formed a storm.

I don’t know how long it took, but the two dragon crystals were completely fused together. Chen Ping’s body felt like he was in an ice cave, and then he felt like he was in the Flame Mountain. Chen Ping’s body began to shine with golden light, and the golden body was in full play. To the extreme, to resist this double torture!

Soon, the power that tormented Chen Ping’s body began to slowly converge and condense, and finally sank into his dantian!

At this moment, Chen Ping’s eyes seemed to be burning with flames. Under his concentration, a scorching light shot out, blasting a deep pit into the ground!

“this.....”

Chapter: 1516

Chen Ping was a little confused. He felt that the power in his body was much stronger than the spiritual power he usually cultivated.

Moreover, this power gave Chen Ping an inexplicable sense of familiarity, as if this power originally belonged to him.

Slowly suppressing this power, Chen Ping's eyes returned to their original state!

Feeling the changes in Chen Ping's body, Yanlong suddenly let out a dragon roar, and then his body rose into the air and plunged into the sea!

Yan Long left, and the terrifying pressure disappeared instantly. Ning Zhi and Gu Kaiyuan stood up, and Chen Ping also stood up slowly.

Ning Zhi and Gu Kaiyuan both saw the scene just now.

They couldn't figure out why the Yanlong, which clearly wanted to swallow Chen Ping in one gulp, stopped at the critical moment and gave Chen Ping his dragon crystal!

Although they couldn't understand it, they knew that Chen Ping must have possessed the power of the dragon at this moment!

"Gu Kaiyuan, kill him quickly and take out the dragon crystal..."

Ning Zhi said loudly to Gu Kaiyuan.

A hint of viciousness flashed across Gu Kaiyuan's face, he clenched his fist and punched Chen Ping!

Chen Ping is now restrained and has no power to fight back, so Gu Kaiyuan is unsuspecting!

But at this moment, the golden light on Chen Ping exploded, and the net that bound Chen Ping was suddenly shattered and scattered!

“I just took it to practice with...”

Chen Ping looked at Gu Kaiyuan coldly, and then waved his fist wrapped in golden light!

boom!

The two people punched each other, and then the golden light exploded. Gu Kaiyuan’s body flew out like a kite with its string broken.

However, Chen Ping did not stop. He jumped up, and his golden fist struck Gu Kaiyuan again with devastating power!

Gu Kaiyuan’s face was shocked, and he hurriedly chanted the spell, and saw a golden light protecting Gu Kaiyuan’s chest!

clang!

Chen Ping punched out, and it hit the steel directly!

After taking a closer look, I found that the compass in Gu Kaiyuan’s hand was emitting light and was protecting Gu Kaiyuan’s chest!

Chen Ping just punched the compass.

Although this punch did not break the compass, it was obvious that there were cracks on the compass!

Chapter: 1517

“My Open Sky Pan...”

Looking at the cracked compass, Gu Kaiyuan was so distressed that he almost cried.

Ning Zhi looked at this scene, frowned, and kept twitching at the corners of his eyes: “Stop fucking howling, this kid has the power of a dragon now, we have to join forces to kill him!”

Ning Zhi knew that relying solely on his own strength, he might not be Chen Ping’s opponent.

“The power of the dragon?” Chen Ping was slightly startled when he heard this word!

Could it be that the mysterious power in his body is the power of the dragon?

And this power comes from the fusion of two dragon crystals.

Chen Ping looked at Ning Zhi and Gu Kaiyuan. He finally knew. It turned out that these two guys had known this secret for a long time. They knew that the combination of Ice Dragon Dragon Crystal and Flame Dragon Dragon Crystal would give birth to the power of a divine dragon!

There is nothing special about swallowing a single dragon crystal, that is, the dragon crystal contains some spiritual energy.

But who would have thought that swallowing two dragon crystals would have a different effect!

Hearing Ning Zhi's roar, Gu Kaiyuan put away his sadness, murderous intent flashed in his eyes, and then roared loudly!

I saw that the cracked compass began to shine with light again at this moment, and Gu Kaiyuan's whole person was wrapped in the light!

Soon, Gu Kaiyuan's thin body began to swell, and every inch of muscle on his body was wrapped in light!

Like a giant of light!

The compass hovered above Gu Kaiyuan's head, and one person and one weapon seemed to be fused together!

"Chen Ping, if you destroy my magical weapon, I will kill you..."

Gu Kaiyuan let out bursts of roars, and his whole body was like a beast!

Ning Zhi also waved his hand and took the sword on the ground, his whole body filled with murderous aura.

"We kill him together, and the treasures on his body will be ours..."

After Ning Zhi finished speaking, he swung his sword towards Chen Ping!

The terrifying sword energy passed through a wave of air, seeming to tear the entire space apart!

Gu Kaiyuan also took action at the same time, suddenly punching out, like a laser, heading directly towards Chen Ping, the speed was extremely fast!

Facing the simultaneous attacks of two people, Chen Ping frowned and his face became very solemn!

After weighing the pros and cons, Chen Ping raised the dragon-slaying sword in his hand and swung the sword directly to meet Ning Zhi's terrifying sword energy!

Chapter: 1518

boom!

There was a loud noise, and the two sword energies collided, making a deafening sound.

However, Gu Kaiyuan's punch had already arrived in front of him. Chen Ping wanted to dodge, but it was too late. He could only use the Indestructible Golden Body to its extreme. The scales on his body flashed with golden light and began to grow rapidly, forming on Chen Ping's body. An airtight golden armor!

Dong dong dong.....

With three dull sounds, Chen Ping felt that his internal organs were tumbling!

It turned out that Gu Kaiyuan's punch seemed to be one, but he actually punched three times!

All three punches hit Chen Ping's chest. Although most of the force was resisted by Chen Ping's body, there was still a powerful penetrating force that ignored Chen Ping's indestructible golden body and directly penetrated his body and hit his internal organs. !

This power directly caused the Dantian in Chen Ping's body to tremble, and the spiritual power in his body was also in a mess, unable to be condensed together for a while!

Seeing the right moment when Chen Ping's spiritual energy was in chaos, Na Gu Kaiyuan swung a punch again, hitting Chen Ping hard and sending Chen Ping's body flying out!

After knocking down more than a dozen trees in a row, Chen Ping's body stopped, and blood overflowed from the corner of his mouth!

Chen Ping adjusted his breathing on the screen and tried hard to calm down the spiritual power in his body!

"With your little strength, you should obediently hand over the dragon crystals on your body to avoid suffering any more physical pain..."

Gu Kaiyuan had a sneer on his face!

Ning Zhi saw that Chen Ping couldn't even cope with Gu Kaiyuan, and the nervousness he had just felt relaxed.

It seems that the dragon crystal has just been fused, and Chen Ping has not yet fully mastered the power of the dragon!

Chen Ping didn't speak. He was using this short time to regulate the spiritual power in his body!

However, Gu Kaiyuan is not very strong, but he has rich combat experience and is blessed with magical weapons, so it is very difficult to deal with it!

Next to him was Ning Zhi, who was looking at him eagerly. Facing the two people, Chen Ping had no way to deal with the enemy for a while!

"Stop talking nonsense to him, kill him first..."

Ning Zhi knew that the night was long and there were many dreams, so he held his sword and attacked Chen Ping again!

But this time, Chen Ping did not follow Ning Zhi to resist, but dodged and avoided this sharp sword!

Chen Ping's body had just dodged Ning Zhi's sword attack, and then Gu Kaiyuan's violent energy struck!

Gu Kaiyuan calculated the right moment for Chen Ping to dodge, and then launched a sudden attack when Chen Ping had just dodged the attack and before he could stand firm, making Chen Ping unable to defend himself!

Sure enough, this time Gu Kaiyuan succeeded again and smashed Chen Ping more than ten meters away!

Chapter: 1519

Chen Ping was now being attacked from both sides, and his face became extremely solemn!

This time, Chen Ping was not adjusting his breath. Instead, he flipped the Dragon-Slaying Sword in his hand slightly, and then his body shook, and soon another Chen Ping appeared!

Then three, four, five...

Five identical Chen Pings stood opposite Ning Zhi and Gu Kaiyuan, and their auras were exactly the same. It was impossible to tell which one was Chen Ping's body based on aura.

Facing five identical Chen Pings, Gu Kaiyuan was suddenly dumbfounded, but Ning Zhi smiled coldly: "I didn't expect you to learn Ichiro Watanabe's Nine Shadows Magic Art, but these illusions can only fool other people. Well, in front of me, it's not worth mentioning..."

“Really? Then try it!”

After Chen Ping said that, the first sword of the Nine Shadows Sword Technique went directly towards Ning Zhi!

Five terrifying sword energies caused the surrounding world to change color!

Ning Zhi smiled coldly, his eyes narrowed slightly, and the sword in his hand made a buzzing sound!

He knew that among the five sword energies, only one was powerful, and the others were not worth mentioning!

As long as he finds the most powerful sword energy among them and blocks it with one sword, it will be fine!

It's a pity that the five sword energies came towards Ning Zhi quickly. When they arrived in front of Ning Zhi, Ning Zhi's face became extremely ugly!

Because he discovered that these five sword qi actually contained great killing intent, and each one seemed to be able to crush him into pieces!

Helpless, Ning Zhi could only hold the sword in front of him, and a faint white light appeared in front of Ning Zhi, forming a shield!

clang.....

With a loud noise, the entire Suolong Island seemed to be shaking, and Ning Zhi's body flew out directly and hit the ground heavily!

This sudden change surprised Gu Kaiyuan!

“Master Ning...”

Gu Kaiyuan hurriedly ran over and helped Ning Zhi up.

Ning Zhi wiped the blood from the corner of his mouth and said with a ferocious look: “Damn, this kid’s clone actually also contains energy. This is much better than that Watanabe Ichiro. Let’s go together...”

The sword in Ning Zhi’s hand flashed with light, and then a huge ball of light seemed to rise above the sword tip, and a terrifying aura enveloped Ning Zhi’s body!

When Gu Kaiyuan saw this, he clenched his fists. With the blessing of the compass, Gu Kaiyuan’s fists turned into two balls of light!

Boom...

Several balls of light headed directly towards Chen Ping. Chen Ping gritted his teeth and swung the dragon-slaying sword in his hand, and the five sword energies were swung out again to resist the attacks of Ning Zhi and Gu Kaiyuan!

Chapter: 1520

In an instant, several breaths collided together, causing a violent explosion!

The dust that was stirred up covered the sky and the sun, like an aerial bomb exploding!

puff.....

Chen Ping spurted out a mouthful of blood, his body hit the ground heavily, and several shadow clones disappeared in an instant!

Although Chen Ping has a shadow clone, and the shadow clone is also powerful, the spiritual power consumed by the shadow clone also comes from Chen Ping's dantian!

In this case, the spiritual power in Chen Ping's Dantian would be consumed five times, and he would not be able to sustain it at all!

At this moment, Chen Ping's chest was sunken, several ribs were obviously broken, and the spiritual energy in his dantian was almost exhausted!

After the smoke and dust dissipated, Ning Zhi looked at the embarrassed Chen Ping and raised the corner of his mouth slightly: "Now all the treasures on your body will be mine..."

Ning Zhi slowly walked towards Chen Ping, followed closely by Na Gu Kaiyuan!

The two of them looked proud and relaxed. Chen Ping was already like this, and he was no longer a threat.

Chen Ping frowned and tried his best to gather the spiritual power in his body, but the spiritual power in his body collapsed and was almost exhausted. Now he no longer even has the strength to stand up.

"Where's that dragon power?"

Chen Ping looked at Ning Zhi and Gu Kaiyuan walking over, feeling anxious!

He can no longer feel the overbearing power at the beginning. The fused dragon crystal is suspended in the body without emitting any power!

“What’s the matter?”

Chen Ping felt it with his heart and wanted to rush to find that power. Unfortunately, no matter how anxious he was, he still couldn’t sense it, as if the power was no longer in his body!

At this moment, Ning Zhi and Gu Kaiyuan had walked in front of Chen Ping, and then looked down at Chen Ping, their faces full of pride.

Gu Kaiyuan stepped forward and stepped on Chen Ping’s chest. He raised the corner of his mouth and said, “You destroyed my magical weapon. I think your sword is good, so use this sword to counteract it!”

Gu Kaiyuan said, bending down to pick up Chen Ping’s Dragon-Slaying Sword!

In fact, Gu Kaiyuan said this just for Ning Zhi to hear. He was afraid that after killing Chen Ping, all the treasures on Chen Ping’s body would belong to Ning Zhi.

After all, in addition to the dragon crystal on Chen Ping’s body, this dragon-slaying sword is also a rare magic weapon!

Just when Gu Kaiyuan bent down to pick up Chen Ping’s Dragon-Slaying Sword, the Dragon-Slaying Sword suddenly buzzed, followed by a sharp sword energy, which directly cut Gu Kaiyuan’s palm!

Fortunately, Gu Kaiyuan dodged quickly, otherwise the sword would have cut his throat!

Gu Kaiyuan’s palms were bleeding profusely, and he looked at Chen Ping and the dragon-slaying sword in shock!
