

The Order 1521

Chapter: 1521

At this moment, Chen Ping no longer had the strength to fight back, but it was simply amazing that this dragon-slaying sword could have its own consciousness and attack himself.

“His sword has long been integrated with his body. The sword comes from the heart. If you want to get this sword, you must kill him!”

Ning Zhi looked at Gu Kaiyuan as if he were an idiot and said.

Only then did Gu Kaiyuan realize, so he raised his foot and stepped hard on Chen Ping!

If this kick were to hit him, with Chen Ping’s current appearance, he would probably crush his entire body with one kick!

But at this moment, the Tianlong Ring in Chen Ping’s hand flashed slightly again, and then the dragon crystal in his body burst out with an extremely domineering power!

This power instantly spread throughout Chen Ping’s body, like a big net, wrapping Chen Ping by itself!

Before Gu Kaiyuan’s kick could touch Chen Ping, he was directly thrown away by a huge rebound force!

Chen Ping stood up slowly, with a trace of scarlet flashing in his eyes!

At this time, the aura on Chen Ping’s body was exactly the same as when the Flame Dragon appeared just now!

Ning Zhi frowned and backed away quickly. He was not a fool. The aura on Chen Ping's body at this moment was obviously the power of the dragon!

"Kill him quickly..."

Ning Zhi shouted.

Gu Kaiyuan, who had been thrown away, jumped up at this moment, and then the compass above his head emitted light, and then this light shrouded directly towards Chen Ping!

Chen Ping ignored it, but felt the power of the dragon, and was very excited. At this moment, with the blessing of the power of the dragon, Chen Ping's indestructible golden body became stronger, and the golden light shone more dazzlingly!

Gu Kaiyuan followed the light of the compass and rushed directly towards Chen Ping. The huge power combined with the light of the compass directly aroused the power of heaven and earth, and a violent wind began to roll up in the entire sky.

Chen Ping looked at Gu Kaiyuan, his eyes as calm as water. At this moment, he looked at Gu Kaiyuan as if he were looking at a clown. The power of the dragon in his body gave Chen Ping absolute confidence!

Just when Gu Kaiyuan arrived in front of Chen Ping, suddenly, the dragon-slaying sword in Chen Ping's hand shone brightly, and the fire shot into the sky, and then the sword struck fiercely towards the compass above Gu Kaiyuan's head!

Chen Ping knew that without the blessing of this magical weapon, Gu Kaiyuan's strength would drop instantly, so there was nothing to worry about!

Click.....

This sword actually cut Gu Kaiyuan's compass in half. The light on the compass disappeared, and all the mana also disappeared!

Gu Kaiyuan screamed, his body fell heavily, and then his body quickly shrank into a thin appearance, and his aura also dropped a lot!

"My magical weapon..."

Looking at the completely destroyed compass, Gu Kaiyuan was heartbroken!

Chapter: 1522

Gu Kaiyuan stared at Chen Ping, his whole body trembling slightly, his eyes full of murderous intent!

"I'll fight for you..."

Gu Kaiyuan gathered all his energy and planned to follow Chen Ping in the final fight!

The terrifying power began to spread on Gu Kaiyuan, and then he shouted angrily and hit Chen Ping hard!

"Come back quickly..."

Upon seeing this, Ning Zhi hurriedly asked Gu Kaiyuan to retreat. Without the magic weapon to persist, Gu Kaiyuan could not be Chen Ping's opponent, especially now that Chen Ping was blessed with the power of the dragon.

But at this moment, Gu Kaiyuan seemed to be going crazy and could not listen to Ning Zhi's words.

Facing the crazy Gu Kaiyuan, Chen Ping slowly punched him.

This simple punch contained extremely terrifying and domineering power.

boom.....

Gu Kaiyuan followed Chen Ping with a punch, and instantly regretted it, because he felt an extremely overbearing energy that had penetrated his arm and entered directly into his internal organs!

This force directly made Gu Kaiyuan fly upside down like a kite with its string broken, and his body slammed into the ground, making a big hole in the ground!

When Gu Kaiyuan climbed out of the pit, he was already in a miserable state, his arms were bent strangely, his body was covered in mud, and there was blood flowing out of his mouth and nose!

When he looked at Chen Ping again, Gu Kaiyuan already had panic in his eyes!

“My dragon-slaying sword is right here, do you still want it?”

The dragon-slaying sword in Chen Ping’s hand was raised high, and a terrifying aura enveloped the area for thousands of meters!

Plop.....

Gu Kaiyuan was directly pressed to the ground by this terrifying aura, like a dead dog!

“me.....”

Gu Kaiyuan didn't know how to answer Chen Ping. Now, how could he dare to think of Chen Ping's Dragon-Slaying Sword?

Ning Zhi on the side, his eyes flickered, not knowing what he was thinking!

"Do you still want the dragon crystal in my body?"

Chen Ping looked at Ning Zhi with a joking expression and asked.

Ning Zhi's face turned pale, and the aura on his body rose up: "Chen Ping, even if you have the power of a divine dragon, you don't have to be so arrogant. I will fix the dragon crystal on your body today."

Chapter: 1523

Ning Zhi gritted his teeth and then took out the Qiankun Circle. The moment the Qiankun Circle appeared, waves of ancient aura began to envelope Ning Zhi's body!

"Do you think my Universe Circle is just an escape tool?"

Ning Zhi smiled coldly, and then threw the Qiankun Circle towards Chen Ping. The Qiankun Circle suddenly surged, and then several breaths shot out from the Qiankun Circle!

When Chen Ping saw this, he instantly waved the Dragon-Slaying Sword in his hand to form an airtight barrier in front of him!

Dang Dang Dang.....

A series of sounds and several breaths hit the barrier in front of Chen Ping, but they were all blocked.

Ning Zhi frowned, and once again activated the Qiankun Circle to float above Chen Ping's head, and then a coercion directly enveloped him in the Qiankun Circle!

Chen Ping suddenly felt a huge pressure coming towards him, as if a whole mountain was pressing on him!

Chen Ping gritted his teeth, and then the scarlet in his eyes became even thicker, and the manic and domineering power in his body exploded directly!

The huge force caused the coercion to disappear instantly, and the Qiankun Circle suspended above Chen Ping's head was directly thrown away and returned to Ning Zhi's hands!

Feeling the power of the domineering dragon, Chen Ping was overjoyed!

"Whatever skills you have, just use them!"

Chen Ping looked at Ning Zhi coldly!

"Chen Ping, don't be proud, sooner or later you will look good..."

After Ning Zhi finished speaking, he threw it in mid-air, and a dark entrance appeared in the Qiankun Circle. Ning Zhi grabbed Gu Kaiyuan and jumped into the entrance instantly!

When Chen Ping wanted to catch up, he found that the entrance had disappeared!

Chen Ping looked around hurriedly, because Ning Zhi had told him that the teleportation distance of the Qiankun Circle was only one hundred meters, so Chen Ping only had to look to see where these two people were fleeing this year.

It's just that Chen Ping looked for a long time and didn't find Ning Zhi and Na Gu Kaiyuan. With Chen Ping's current eyesight, he could clearly see even a thousand meters, let alone a hundred meters.

But there were no two people at all at this time. The only explanation is that the distance traveled by the Qiankun Circle was not one hundred meters, but that guy Ning Zhi deceived Chen Ping!

"What a fucking villain....."

Thinking that he had been deceived by Ning Zhi, Chen Ping couldn't help but cursed!

Putting away the dragon-slaying sword, Chen Ping hurriedly ran towards the shore. He was worried about Gu Ling'er's safety. He wanted to know whether Gu Ling'er was really poisoned by Gu Kaiyuan!

At this time, at the dock where Suolong Island was docked, Gu Wentian and the others were anxiously surrounding Gu Ling'er!

No one knew what happened to Gu Ling'er. Not long after he arrived on the island, Gu Ling'er fainted and fell to the ground, his body still twitching regularly!

Chapter: 1524

This frightened Gu Wentian and the others, and they hurriedly carried Gu Ling'er back to the dock!

Because several people didn't know what to do, and now that Chen Ping was away, they were all as anxious as ants on a hot pot!

“Ling’er, Ling’er, wake up, wake up...”

Gu Wentian held Gu Ling’er’s hand tightly and burst into tears!

“Gu Gu, don’t worry. Although Miss Ling’er is unconscious, her breathing is still stable. There shouldn’t be any major problems. Let Chen Ping take a look when Chen Ping comes!”

Su Wenzong persuaded Gu Wentian, then looked at Lin Tianhu and said: “Lin Tianhu, go find Chen Ping and get Chen Ping back as soon as possible!”

“OK!”

Lin Tianhu nodded and hurriedly went to find Chen Ping!

At this moment, Chen Ping is also rushing towards the dock with all his strength!

Lin Tianhu walked not far away and met Chen Ping!

“Mr. Chen.....”

Seeing Chen Ping, Lin Tianhu shouted happily.

“Lin Tianhu, why are you here? Where are Ling’er and the others?”

Seeing Lin Tianhu, Chen Ping had a bad feeling in his heart!

“Mr. Chen, I’m here to find you. I don’t know why, but Miss Ling’er suddenly fell into a coma and fell to the ground. Now Gu Gu is very anxious...”

Lin Tianhu said to Chen Ping.

When Chen Ping heard this, he frowned tightly and headed towards the dock in a flash!

Lin Tianhu followed closely behind!

When the two people arrived at the pier, they found Gu Ling'er lying on a piece of grass, motionless, and Gu Wentian stood by with tears streaming down his face!

Seeing Chen Ping coming, Gu Wentian stood up quickly, grabbed Chen Ping and said, "Chen Ping, you must save Ling'er. She didn't know what happened, and she suddenly fainted..."

"Gu, don't worry, I already know what's going on."

Chen Ping knelt down and helped Gu Ling'er up.

A burst of spiritual power was input into Gu Ling'er's body, but it was of no use. Then Chen Ping checked Gu Ling'er's aura and finally breathed a sigh of relief!

Although Gu Ling'er's aura was weak, it was not fatal, but Chen Ping had no way to make Gu Ling'er wake up.

Chapter: 1525

Now she has no idea what kind of poison Gu Ling'er was poisoned with. Just now Chen Ping tried to use the Heart Condensation Technique to suck out the poison from Gu Ling'er's body, but it was useless!

"Chen Ping, how is Ling'er?"

Gu Wentian asked worriedly.

“Ling’er’s life will not be in danger...” Chen Ping comforted Gu Wentian, then looked at Lin Tianhu and said: “Lin Tianhu, find a boat, we have to go back immediately, it doesn’t matter how much it costs!”

Because many ships have just arrived, there is no return trip. If you want to return, it will probably cost a lot of money.

Just when Lin Tianhu was about to find the return ship, Jin Fusheng walked over with a smile.

“Gu, are you in trouble?”

Jin Fusheng asked.

“My granddaughter is sick, so she needs to return immediately. I wonder if Boss Jin has a return ship. The price is negotiable.”

Gu Wentian said to Jin Fusheng.

Because Gu Wentian bought so many antiques at the auction, Jin Fusheng knew Gu Wentian.

Jin Fusheng glanced at Gu Ling’er, then nodded and said: “I will send the cruise ship back immediately. This ship is big, so it can go quickly. Don’t delay seeing a doctor for your eldest niece!”

Jin Fusheng was very enthusiastic and generous. He actually made the cruise ship return and sent Chen Ping and others back!

When Gu Wentian heard this, he immediately expressed gratitude and said, “Boss Jin, thank you so much!”

“This is all a trivial matter. Get on the boat quickly and I’ll let them set off right away...”

Jin Fusheng asked Gu Wentian and others to board the ship, while he went to tell the captain’s room to sail back directly.

The luxurious cruise ship returned. Chen Ping looked at the unconscious Gu Ling’er with a serious look on his face!

With his medical skills and the supreme elixir passed down by the Master of the Medicine God Valley, he can treat any difficult and complicated diseases!

But Chen Ping couldn’t find out what kind of poison Gu Ling’er had on him!

During the two days after returning home, several people were in a low mood.

At this moment, in a luxurious private room in the cabin, Jin Fusheng was holding a beautiful woman in his arms and holding a glass of red wine. How comfortable!

At this time, a middle-aged man in a suit walked in.

“Has everything been arranged?”

Jin Fusheng asked the middle-aged man.

Chapter: 1526

“Boss, everything has been arranged. They have boarded the ship and set off. They will meet us in two hours.”

The man in the suit said respectfully.

“Very good, find more good players. There may be experts among these guys. When the time comes, we just need to kill them and throw the bodies directly into the sea. We won’t have to send out the antiques that were auctioned...”

The corners of Jin Fusheng’s mouth are the same, and his eyes are full of greed!

It turned out that this guy didn’t want Gu Wentian to take away those antiques, so he had evil intentions and planned to kill Gu Wentian and the others on the ship, and then throw their bodies into the sea, so that no one would notice.

“Don’t worry, boss, I directly invited the four heroes of Nanshan. Four of them are martial arts masters, and one of them has reached the peak of martial arts masters and will soon enter the ranks of the great martial arts masters!”

The man in the suit said confidently.

“Well, that’s right. When they arrive, bring them directly to me!”

Jin Fusheng nodded with satisfaction and said.

“Yes!” The man in the suit retreated!

And Jin Fusheng drank all the red wine in the glass!

.....

“Lin Tianhu, how long until we can dock?”

Chen Ping has been guarding Gu Ling'er in the room, checking Gu Ling'er's breath from time to time. Although Gu Ling'er's vital signs are now stable, Chen Ping is still anxious. He wants to reach the shore as soon as possible and send Gu Ling'er there. Medicine God Valley!

Maybe Elder Xu and the others will be able to find a solution. After all, they have been practicing elixirs and medicine for many years, and they will definitely have seen more diseases and poisons than themselves!

“Mr. Chen, we will almost dock after dawn. You haven't slept well these past few days. Why don't you just take a nap?”

Lin Tianhu said with concern.

In the past two days, Chen Ping hardly slept at all and stayed by Gu Ling'er's side. He was afraid that he would fall asleep. What was happening to Gu Ling'er during this period!

“I'm fine. You can go to sleep. Also, protect Uncle Su and Gu Gu. I always feel that there is something weird about Boss Jin!”

Chen Ping warned Lin Tianhu!

They followed Jin Fusheng, not relatives, not even friends. They just bought most of the collection at the auction!

If Jin Fusheng wants to help them and flatter Gu Wentian, he can just send a small boat. You must know that the cost of a return trip on this luxury cruise ship is astronomical.

Moreover, this trip lasts four days, and the tourists on the island will definitely make a fuss. Those who can board this luxury cruise ship are not ordinary people.

Now Jin Fusheng would rather take the risk of offending all the tourists and send them back with such luxury and force. There must be something fishy in this!

Chapter: 1527

Businessmen pursue profits, but Chen Ping doesn't believe that Jin Fusheng has good intentions.

“Well, I'll pay attention!”

Lin Tianhu nodded!

More than two hours later, it was almost dawn, and we were not far from the Nanhua City Pier. At this moment, several speedboats quietly approached the cruise ship, and then seven or eight people climbed onto the cruise ship along the hanging ladder!

Soon, these people were taken to Jin Fusheng's room. Among these people, there were four people who looked exactly the same. These were the Four Elites of Nanshan, and the four of them were quadruplets!

“Boss, people are here...”

A man in a suit walked into Jin Fusheng's room and said.

Jin Fusheng straightened his clothes, waved his hand and said, “Let them come in!”

Soon, the Four Elites of Nanshan walked in!

Seeing this, Jin Fusheng hurriedly stood up and went to greet him!

Although these Nanshan Four Heroes are young, they are very powerful. Jin Fusheng often relies on these four people to complete his murder and swindling business!

“Four of you, please...”

Jin Fusheng very politely invited the Four Elites of Nanshan to their seats.

“Boss Jin, is there any good deal for the four of us brothers?”

The eldest of the Four Elites of Nanshan asked.

“Of course, otherwise why would I wake you up in the middle of the night...”

Jin Fusheng smiled lightly!

“Tell me, what is the price this time and who are we dealing with? The four of us brothers have to figure it out too!”

The boss asked bluntly.

Jin Fusheng looked around and saw that the man in the suit had just driven everyone else out of the room!

“To tell you the truth, there are several people on my boat now, all of whom are tourists from Hongcheng. I plan to ask the four of you to kill these people. As for the reward, you can do whatever you want!”

Jin Fusheng said directly.

“How many tourists?”

The boss was slightly startled: “If there are just a few tourists, Boss Jin’s men can easily deal with them. You won’t let the four of us brothers make money, right?”

Chapter: 1528

They knew Jin Fusheng so well that they would risk their lives for money. If the other party was easy to deal with, Jin Fusheng would not be able to give up the money to invite them.

“Among these people, there are two warriors, and they feel that their strength is not low, so I invited you here just in case!”

Jin Fusheng explained.

“Oh, so that’s what happened. Since the opponent has two warriors, we don’t know their strength, so it’s hard to discuss the price in detail, but the minimum cannot be less than 10 million...”

“No problem, as long as you kill these people and throw them all into the sea, I will give you 50 million...”

Before the boss had finished speaking, Jin Fusheng agreed!

Tens of millions are nothing compared to tens of billions of antiques!

“Okay, tell me where he is, we will go there now...”

The Four Elites of Nanshan stood up and prepared to take action now!

“I’ll send someone to take you there!”

After Jin Fusheng finished speaking, he clapped his hands, and the man in the suit walked in immediately!

“You take the Four Elites of Nanshan to kill those people, remember to confirm...”

Jin Fusheng said to the man in the suit.

The man in the suit nodded, and then said to the Four Elites of Nanshan: “Four of you, let’s go...”

The man in the suit led the Nanshan Four Elites towards Chen Ping’s room!

“Four people, there is a man and a woman in this room. There are two rooms in front. There are people guarding the door of the room. You can decide which one to kill first. There are four men and two women in total, and there is no one else on the cruise ship! ”

The man in a suit said to the Four Elites of Nanshan.

The eldest of the Four Elites of Nanshan looked at the door in front of him and said to the others: “Let’s start here first...”

After several people agreed, they slowly opened the door!

In this room, Chen Ping followed Gu Ling'er, both of whom were lying motionless on the bed.

Gu Ling'er was blocked inside the bed by Chen Ping's body, while Chen Ping was lying on the outside of the bed.

"Third brother, you killed these two people. Recently I discovered that you have begun to show kindness. Those who follow our profession are just afraid of showing kindness. Do you understand?"

The boss looked at the third child and said.

The third child nodded, pulled out a knife, then gritted his teeth and slashed at Chen Ping.

Chapter: 1529

clang.....

There was a sound of metal collision, followed by a burst of fire from the knife in Lao San's hand.

At this time, the four people were dumbfounded, and the third child looked at the knife in his hand, his eyes widened with disbelief!

I saw that the sharp knife suddenly made a gap.

"This...is this a fucking dummy, right?"

The third child wanted to step forward and check to see if Chen Ping was a dummy.

But the third child hadn't moved yet, while Chen Ping murmured and then turned over!

This time, the four people were startled and stepped back!

The four of them breathed a sigh of relief when they found that Chen Ping was not awake!

"Third brother, you are such a fucking waste. What kind of broken knife are you using?"

The boss scolded the third child!

The third child also looked aggrieved. His knife was made of fine steel and was extremely hard. I just don't know how this happened today!

"Second brother, do it..."

The boss said to the second child.

The second child nodded and took out his two axes from his waist. The axes were cold in the moonlight.

I saw the second child concentrating his energy, and then the two axes began to emit a trace of energy, and then the two axes came down together and struck Chen Ping hard!

This time, an ordinary person would have been cut into three pieces, but something strange happened again.

I saw the second child's two axes striking Chen Ping. There was no scene of blood splattering, but the second child's hands were numb, as if the two axes had hit the steel plate!

Wow.....

Immediately afterwards, cracks appeared one after another on the two axes, and finally they were all broken into pieces. Only the two ax handles were still held in the second man's hand!

"This, this, this..."

The second child looked at the only ax handle left in his hand and was speechless for a moment.

Several other people also opened their mouths and looked at the scene in front of them in shock!

"It's broken, let's go..."

Chapter: 1530

After a while, the boss came to his senses, his expression changed, and he called the others to run away!

"You're already here, why don't you say hello before you leave!"

Just when the four people were about to turn around and escape, Chen Ping's voice suddenly came from behind!

Immediately afterwards there was a huge force of pressure, which instantly fell on the four people!

The four of them knelt on the ground with a thud, too heavy to lift their heads!

Feeling this huge coercion, the four of them were so frightened that they peed themselves, with extremely frightened expressions on their faces!

They have never felt such pressure, so they have no idea what kind of strength can exert such terrifying pressure.

“Who asked you to kill me?”

At this time, Chen Ping stood up slowly, looked down at the four Nanshan heroes kneeling on the ground and asked.

The four people were trembling, but no one spoke!

Being in their line of work is all about loyalty and you can't betray your employer!

Although Chen Ping's strength scares them, they can't break their promise!

Seeing that the four people were silent, Chen Ping raised the corner of his mouth slightly: “You are still four strong-backed people. I want to see how strong your bones are...”

Chen Ping said and waved his hand casually!

Uh-huh.....

A golden light flashed, and the hands of the third of the Four Elites of Nanshan were chopped off!

The bloody severed hand fell to the ground, and blood spurted out!

“Ah...wuwu...”

The third child screamed in pain, but as soon as he made a sound, he was slapped by Chen Ping. His jaw was dislocated and he couldn't make any sound.

Seeing Chen Ping's cruel and ruthless methods, several other people suddenly broke out in cold sweat on their foreheads!

“Friend, it is our four brothers who are responsible for this matter today. As long as you show your kindness and let us four brothers go, we Nanshan Four Heroes will never cause trouble for you from now on, and we will guarantee that you will stay in Nanhua in the future. safe and sound.....”

The eldest of the Four Elites of Nanshan followed Chen Ping and said.

“With you? Keep me safe?”

Chen Ping couldn't help but sneered, and then the pressure on him surged again. Several people were no longer qualified to kneel and fell directly to the ground.
