

## **The Order 1531**

Chapter: 1531

“Boy, let us go quickly, or you will be unable to leave Nanhua City. If you have the guts, just sign up...”

The second among the four heroes of Nanshan who was lying on the ground, his eyes widened and he roared.

“Scream, it seems you still want to retaliate against me...”

Chen Ping smiled: “What if I tell you my name? Listen carefully. My name is Chen Ping. If you want to seek revenge from me, I will be waiting for you at any time. But you guys still have no revenge?” Almost, but not necessarily...”

After Chen Ping finished speaking, the coercive force disappeared and was replaced by a fierce murderous intention!

“Chen Ping?”

When the four heroes of Nanshan heard this, they were all shocked, their eyes widened and their jaws almost dropped.

“You...are you the Chen Ping who killed Ichiro Watanabe and accepted the challenge from the Long family at the martial arts forum?”

The eldest of the Four Elites of Nanshan asked in shock.

“You know me?”

Chen Ping didn't expect that someone in the small Nanhua City would know about him!

Upon hearing Chen Ping's admission, the four of them turned pale with fright.

"Mr. Chen, how could we not know your name? Please spare us. It was Jin Fusheng who brought us here. We only use money to do things. Please spare our lives, Mr. Chen..."

The four people kowtowed to Chen Ping desperately, but the second among the Four Nanshan Masters kowtowed the hardest and no longer had the arrogance he had just before.

"Why did he want to kill us?"

Chen Ping asked.

The boss shook his head: "Mr. Chen, we don't know either. This guy often commits murder and swindling goods. Maybe you have something valuable on you that Jin Fusheng takes a liking to."

When Chen Ping heard this, he immediately understood that Jin Fusheng must have murderous intentions because of the batch of antiques at the auction.

That's why he was kind enough to send them back on a cruise ship!

Just do it on the cruise ship and then throw it into the sea without anyone noticing! !

Chen Ping glanced at the Four Elites of Nanshan, and then said: "Go away, don't let me see you again..."

When the four heroes of Nanshan heard this, Chen Ping let them go, kowtowed repeatedly, got up and ran out in a hurry!

Chen Ping lay back down again. Now he wanted to see what kind of tricks Jin Fusheng had behind him!

And the four heroes of Nanshan who escaped were all filled with anger at this moment!

Chapter: 1532

Especially the third child, looking at his broken arms, gritted his teeth: "Nary Jin Fusheng, aren't you asking us to die? This old guy made me lose my hands, I can't let him go..."

"Yes, we can't let this old guy go, he almost got killed..."

The second child said with murderous intent.

After hearing this, the boss nodded: "Let's go, even if we don't kill this old guy, we still have to deal with him..."

The Four Elites of Nanshan said as they walked towards Jin Fusheng's room in an aggressive manner!

Jin Fusheng was humming a tune at this time, waiting for the good news of the Four Elites of Nanshan!

At this time, the door was kicked open, and the Four Nanshan Heroes walked in aggressively!

Jin Fusheng was stunned when he saw that the four heroes from Du Nanshan had returned so quickly. Then he stood up and said with a smile, "I didn't expect the four of them to solve the problem so quickly??"

“I’ll deal with your mother...”

The second among the Four Elites of Nanshan had a fiery temper and slapped Jin Fusheng directly.

Jin Fusheng was also a master and hurriedly retreated to hide.

“What are you doing?”

Jin Fusheng asked with a puzzled look.

“What are you doing? You damn near killed us. Look at my third brother’s hands...”

The eldest of the Four Elites of Nanshan also looked angry and directly pulled the third one over!

When Jin Fusheng saw Lao San’s broken arm, he was stunned.

“This...what the hell is going on?”

Jin Fusheng didn’t understand how things ended up like this.

“What’s going on?” The boss glared: “The person you fucking asked us to kill is Wu Zong, it’s Wu Zong... I fucked your grandma, and you asked us to kill Wu Zong, aren’t you asking me to seek death? ”

The old man was full of foul language and wanted to eat Jin Fusheng alive!

When Jin Fusheng heard this, he was completely frightened!

Wuzong?

In their eyes, this was like a god. He actually wanted to kill a martial artist. Wasn't he looking for death?

But Jin Fusheng didn't feel that any of these people had the strength of Wu Zong. The two elders were just ordinary people. As for the young man and woman, even if they practiced from their mother's womb, they would not be able to reach the strength of Wu Zong. .

Chapter: 1533

It was most likely the middle-aged man and woman, but Jin Fusheng did not feel the aura of Wuzong from Lin Tianhu and Chifeng.

"Which one of these people is the strong one in the Martial Sect?"

Jin Fusheng asked doubtfully.

"Idiot, which one are you talking about? Of course it's Mr. Chen Pingchen, the youngest man..."

The boss yelled angrily.

"Mr. Chen Pingchen?" Jin Fusheng frowned slightly, then his eyes suddenly widened, and he took a breath of air and said, "The person who killed Ichiro Watanabe in the international competition?"

"Nonsense, it's not him or who else!"

The boss glared at Jin Fusheng.

At this time, Jin Fusheng was completely dumbfounded, standing on the spot like a puppet.

“I...I really didn’t know he was Mr. Chen...”

At this moment, Jin Fusheng regretted it to death.

You must know that Chen Ping is among these people. Even if you give him a hundred courages, he will not dare to make any decisions, and he will serve him respectfully.

Snapped!

The second child directly slapped Jin Fusheng, but this time Jin Fusheng did not hide!

“It’s over if you don’t know. Let me tell you, we have told you out a long time ago. If you dare to offend Mr. Chen, you are really brave. Besides, Mr. Chen is a member of the Kyoto Dharma Protector Pavilion, so he has merit. Just wait until the whole family is killed...”

The second child roared angrily!

Jin Fusheng was so frightened that he collapsed on the ground and peed.

If Chen Ping wanted to kill him, it would only be a matter of waving his hand. Let alone killing him, even if it would destroy the foundation he had created over the years, it would only be a matter of one word!

“It’s over... it’s over... I’m done...”

Jin Fusheng fell into a sluggish state, mumbling as if he was stupid.

Seeing Jin Fusheng like that, the second child kicked him again!

“Second brother, okay, let’s go, so as not to let Mr. Chen see that we can’t leave anymore!”

The four masters of Nanshan shouted to stop the second one, and then several people jumped out of the window and landed steadily on the boat below!

“boss.....”

Chapter: 1534

At this time, the man in a suit walked in and saw Jin Fusheng slumped on the ground, and hurriedly helped Jin Fusheng up.

“Quick, call everyone on the boat to come over, hurry up...”

Jin Fusheng yelled at the man in the suit.

The man in the suit looked confused, but he still followed the instructions and hurriedly gathered everyone.

Then Jin Fusheng led everyone and knelt directly at the door of Chen Ping’s room.

Some people didn’t know why and kept standing, at a loss.

“Kneel down for me, no one is allowed to make a sound, disturbing Mr. Chen’s sleep, I want your lives...”

Jin Fusheng’s words made everyone kneel down in fear, and no one dared to say a word!

More than two hours later, it was dawn outside, and the cruise ship began to sound its horn and slowly approached the port!

Gu Wentian and Su Wenzong got up first. When they walked out, they found Jin Fusheng kneeling in the corridor with a group of people.

This time, Gu Wentian and Su Wenzong were a little confused.

“Boss Jin, what are you doing?”

Gu Wentian asked.

“Gu Gu, I am guilty and I am apologizing to Mr. Chen.”

Jin Fusheng said with a look of remorse.

“Guilty? What happened? Just speak up if you have something to say!”

Gu Wentian wanted to help Jin Fusheng up, but Jin Fusheng didn’t dare to get up without seeing Chen Ping’s face.

At this moment, Chen Ping opened the door and walked out. Chen Ping was not surprised at all when Jin Fusheng led others to kneel in the corridor.

Chen Ping's hearing is now extraordinary, so Chen Ping can clearly hear all the movements in the corridor at night!

Seeing Chen Ping coming out, Jin Fusheng immediately climbed over.

"Mr. Chen, I was wrong, please forgive me..."

Jin Fusheng knelt in front of Chen Ping, crying and trembling with fear.

Now if Chen Ping is unhappy, Jin Fusheng's life will be in danger immediately. Not to mention his life, maybe his family will also suffer.

"Chen Ping, what's going on?"

Chapter: 1535

Gu Wentian and Su Wenzong asked strangely.

"Let him speak for himself!" Chen Ping looked at Jin Fusheng, smiled lightly and said, "Are you wrong? What do you mean? Where did you go wrong?"

"I...I..." Jin Fusheng raised his head and looked at Gu Wentian, and finally said with shame: "I shouldn't be so unjust and want to keep the auctioned antiques as my own. For Mr. Chen and the ancient You have murderous intentions... I deserve to die, I deserve to die..."

As he said that, Jin Fusheng slapped himself in the face, making a loud sound, and the blow was very cruel, and soon his face became swollen.

When Gu Wentian heard this, he looked at Jin Fusheng in disbelief. He did not expect that Jin Fusheng would kill people like himself because of those antiques.

Originally, Gu Wentian still trusted Jin Fusheng, but now it seems that he is still too gullible.

“Gu Gu, how do you think this matter should be handled?”

Chen Ping did not make the decision, but left the matter to Gu Wentian.

Upon hearing what Chen Ping said, Jin Fusheng hurriedly turned around and crawled towards Gu Wentian!

“Gu Gu, please forgive me. I still have a lot of antiques at home. Gu Gu can choose from them. I guarantee you will like them...”

Jin Fusheng knew that Gu Wentian liked antiques, so he pleased Gu Wentian like this.

When Gu Wentian heard this, his eyes lit up, and he then said: “Chen Ping, since Boss Jin has admitted his mistake, let’s forget it. After all, he hasn’t done anything to us yet...”

Gu Wentian didn’t know that someone had already taken action last night, but they just hadn’t gone to his room yet!

“Since Gu said so, let’s forget it...”

Of course Chen Ping wanted to give Gu Wentian some face. Another point was that Chen Ping did not kill Jin Fusheng just so that he could get some information from this guy in the future!

If he travels to the sea to salvage sunken ships all year round, he will definitely be able to find treasures. If there are magic weapons or the like among them, Chen Ping can still be of use!

“Thank you, thank you Mr. Chen for not killing me...”

Jin Fusheng kowtowed repeatedly to express his gratitude, and then led people to escort Chen Ping and others off the ship!

Because Chen Ping wanted to take Gu Ling'er to Yaoshen Valley, as soon as he got off the boat, he asked Jin Fusheng to help find a car and go to Yaoshen Valley!

As for Gu Wentian and Su Wenzong, they are protected by Lin Tianhu and Chifeng, and Jin Fusheng is no match. Moreover, after this incident, it is impossible for Jin Fusheng to make plans for Gu Wentian!

Chen Ping and Gu Ling'er quickly rushed to Medicine God Valley. Five days had passed and there were only two days left before the competition with Long Xiao.

“Chen Ping, what’s wrong with Ling’er?”

Long Wu, who had been living in seclusion in Medicine God Valley, saw Chen Ping returning to Medicine God Valley with Gu Ling'er in his arms, and asked with concern.

“Uncle Long, Ling'er was poisoned by someone else. I can't find out, so I want Elder Xu and the others to also check...”

Chapter: 1536

Chen Ping explained.

Hearing that Chen Ping was coming, Xiaolan and Wu Meier also ran over. When they saw Gu Ling'er unconscious, the two girls were also worried!

“Valley Master...”

Xu Changsheng and several other elders also hurried over!

“Elder Xu, look at what kind of poison Ling’er has been poisoned to keep him unconscious...”

Seeing Xu Changsheng and the others coming, Chen Ping said hurriedly.

Xu Changsheng nodded, and then started to investigate. Unfortunately, several elders searched all over and found out what kind of poison Gu Ling’er had been poisoned!

“Valley Master, the poison in this girl Ling’er is too strange. There is no trace of poisoning at all. Could it be other reasons other than poisoning?”

Xu Changsheng asked with a frown.

“No, the poisoner said it himself. He poisoned me and Ling’er together, but I am immune to all poisons.”

Chen Ping shook his head and said.

Xu Changsheng’s frown deepened: “This is strange, why can’t we detect it? If we can’t detect the poison, we can’t detoxify it. Why don’t we try to give Miss Ling’er a detox pill first? No. If so, we will have to check it carefully...”

“Okay, Elder Xu, I’ll leave Ling’er to you first. Don’t let anything happen to her. I still have something to do and I have to rush back to Kyoto. When I return, if I still can’t find out the reason, then I’ll take her with me. Zhu Ling’er went to find the person who poisoned himself...”

Chen Ping has to rush back to Kyoto to compete with Long Xiao!

Now that he has the power of the dragon, he has absolute confidence in dealing with Long Xiao.

After defeating Long Xiao, he took Ling'er to Kaiyuan, the Northwest King Valley, to settle the score.

“Don't worry, Valley Master. Although no poison can be found in Miss Ling'er, Miss Ling'er's breath is stable and her life is not in danger!”

Xu Changsheng said.

Hearing what Xu Changsheng said, Chen Ping felt relieved. Just when Chen Ping was about to turn around and leave, Long Wu caught up with him and said to Chen Ping: “Chen Ping, are you going back to compete with Long Xiao?”

“Uncle Long, you also know?” Chen Ping was a little surprised. How could Long Wu know what was going on outside even though he was in Yao Shen Valley.

“Of course I know. The whole martial arts world is in an uproar now. You must be careful. The Long family has a magical weapon. I heard that it was left behind by a previous transformation. It is extremely powerful. I think Long Xiao will definitely use that artifact this time. Take out the artifact and use it.”

Long Wu warned Chen Ping.

“What artifact?”

Chen Ping asked.

Chapter: 1537

Long Wu shook his head: “How would I know? This thing is a secret of the Long family. Not many people know it, but you'd better be careful...”

Chen Ping nodded: "Uncle Long, don't worry, I will be careful!"

"There is also the matter of following the Martial Arts Alliance's challenge to the confrontation. You should try to keep a low profile. The Martial Arts Alliance's background is not what you see in front of you. Don't act on impulse..."

Long Wu was afraid that Chen Ping was young and energetic, so he kept urging him.

It's just that Long Wu doesn't know yet that Su Yuqi was kidnapped by the Martial Arts Alliance. If he knew, he wouldn't know what to think!

Chen Ping did not follow Long Wu. After all, Long Wu had been with Su Yuqi for a while, and the two of them had deep feelings. Moreover, Long Wu had passed on all his skills to Su Yuqi and Gu Ling'er. In Long Wu's eyes, they had long been together. She already regards Su Yuqi and Gu Ling'er as her own children!

Now if you tell Long Wu that Su Yuqi was captured by the martial arts alliance and raised like a guinea pig, Long Wu will probably be furious.

"I see!"

Chen Ping nodded, then turned and left!

Looking at Chen Ping's back, Long Wu sighed, then whistled, and then a white dove landed on Long Wu's shoulder.

Long Wu took out a note he had already written, tied it to the pigeon's leg, and then let it fly...

.....

Chen Ping rushed to Kyoto without stopping. When he arrived at the Dharma Protector Pavilion, there was only one day left before he could compete with Long Xiao!

Seeing Chen Ping coming back, Zhao Wuji hurriedly stepped forward and said with a guilty look on his face: "Mr. Chen, did you see Miss Gu? She followed you secretly, and I didn't stop her..."

"I see, she's in Medicine God Valley now, she's fine!" Chen Ping patted Zhao Wuji on the shoulder, and then asked: "Pavilion Master Zhao, has there been any movement in Kyoto in the past few days since I left?"

Zhao Wuji shook his head: "No, the martial arts alliance and the Long family are quite calm, but I heard that Long Xiao's master, Master Dingchan, personally went down to teach Long Xiao. This boy's strength has grown rapidly in the past few days. progress, so Mr. Chen, you should be careful..."

Chen Ping just smiled faintly. Long Xiao's strength has grown rapidly in the past few days, and his own strength is no different. Chen Ping has obtained the power of the dragon, and now he can fight even with the peak Wuzong.

"Mr. Chen, there is one more thing, but you don't have to worry too much..."

Zhao Wuji suddenly said again.

"What's the matter?" Chen Ping asked.

"The Watanabe family of the island country has announced that they will send five eighth-grade martial sects to Daxia to assassinate you and avenge Ichiro Watanabe. But Mr. Chen doesn't need to be nervous. Mr. Shi has already given the order and sent people to intercept you at the border. It is impossible for these people to enter Daxia."

Zhao Wuji said.

Chen Ping nodded. He was not worried at all. If only five eighth-level martial sects could sneak into Daxia Kyoto, then the entire Daxia border would be too lax, and the entire Kyoto's defense would be too rubbish.

But Chen Ping knew that things would never be that simple. The Watanabe family was not stupid enough to send people to assassinate them and also blatantly shouted. Wasn't this clearly telling the other party about his whereabouts?

Chapter: 1538

The reason why the Watanabe family did this is that these five eighth-grade martial arts masters are just a cover. The real killer is unknown!

"Pavilion Master Zhao, there is still one day left, I need to retreat, so if you have nothing to do, try not to disturb me..."

Chen Ping has obtained the power of the dragon and has not yet practiced in seclusion. He wants to see if he can break through several realms with the powerful power of the dragon!

"Don't worry, Mr. Chen, I will protect you personally..."

Zhao Wuji said.

Chen Ping returned to his room and took out the Nine Thousand Miles of Mountains and Rivers Map. A ray of spiritual consciousness entered the map, and his body began to be slowly wrapped in a faint white mist.

Chen Ping only felt a surge in his Dantian, and then a domineering aura rushed rapidly through his body from the dragon crystal. All the spiritual energy in Chen Ping's body was sucked away by this domineering aura.

.....

Long family!

Long Jingguo and Master Dingchan were drinking tea and chatting!

Long Xiao stood aside. At this moment, Long Xiao's body was faintly exuding an aura close to the peak of Wuzong!

"Hahaha, I'm so grateful to Master Dingchan. I didn't expect that Xiao'er's strength would grow so rapidly in just a few days. He will soon reach the peak of Wuzong. As long as he defeats Chen Ping, Xiao'er will definitely be promoted before the end of the year. The peak of the martial arts, then he will be the youngest peak of the martial arts in Kyoto..."

Long Jingguo's face was filled with joy and he laughed.

"Master Long, this is because Long Xiao himself is very talented, and he is very competitive. I believe that with his talent, it won't take long for him to reach the level of Half-Step Wuhou. When the time comes, he will break through to Dao Wuhou. Your Long Family I am afraid that my status in Kyoto will increase a step further..."

Master Dingchan said with a slight smile.

"Hahaha, thanks to Master Dingchan's training..."

Not to mention how happy Long Jingguo is at this moment. If Long Xiao can really break through the realm of Wuhou, then their Long family will have the youngest Wuhou in Kyoto's martial arts world, and even the youngest Wuhou in the entire Chinese martial arts world!

At Long Xiao's age, given time, the entire martial arts world will look up to their Long family!

“Now that Long Xiao has achieved great strength, it’s no longer a problem to deal with Chen Ping. It’s time for me to go back.”

Master Dingchan stood up and prepared to leave!

At this moment, Guo Wei walked in from the outside and said solemnly: “Don’t underestimate Chen Ping. Long Xiao’s strength is growing, and Chen Ping is not idle either...”

Seeing Guo Wei coming uninvited, Long Jingguo was very confused and immediately stood up and said: “Director Guo, what do you say?”

“Hmph, then Chen Ping is not idle. How much more strength can he increase in such a short time? You must know that Long Xiao has received all my inheritance, and I also used a secret method to allow him to break through in such a short time...”

Master Dingchan snorted coldly.

Chapter: 1539

“Master Dingchan, I have no intention of denying you. Please don’t misunderstand...” Seeing Master Dingchan’s anger, Guo Wei hurriedly explained: “We have received news that Chen Ping may have had some adventures in the past few days, but the specifics are What it is, we don’t have exact information yet, but it’s better to be careful.”

“Now it’s not just Long Xiao competing with Chen Ping. Long Xiao represents our entire martial arts alliance. If Chen Ping dares to openly challenge our martial arts alliance, he will be embarrassed in front of all his martial arts colleagues...”

“Director Guo, don’t worry, Xiao’er will definitely win. When the time comes, I will let him carry the artifact passed down by my Long family with him. Even if Chen Ping is now at the top of the martial arts sect, he is still no match for Xiao’er...”

Long Jingguo looked confident.

“That’s good, but don’t lose anyone then!”

Guo Wei nodded.

“Hmph, you guys underestimate my disciples too much. After this competition, I will take Long Xiao back to the mountain. After the end of the year, I will let him challenge you as the alliance director. Then let’s see if you, the alliance director, are you? No match for my disciple...”

Master Dingchan said angrily.

Master Dingchan’s words instantly made Guo Wei’s face look unnatural.

After all, I am also a director of the Martial Arts Alliance. Although Master Dinghan does not belong to the Martial Arts Alliance, he still gives me a bit of a thumbs-down, but Master Dinghan doesn’t seem to look down on Guo Wei at all!

“Master Dingchan, I admit that you are very strong. With Long Xiao’s talent, it is not impossible to reach the peak of Wuzong before the end of the year. But there is one thing you should know. There are also differences between people who are at the peak of Wuzong. I have been cultivating at the peak of the martial arts for many years, and whether it is combat skills or adaptability, it is not comparable to someone who has just reached the peak of the martial arts.”

Guo Wei also said with a cold expression.

“Then it would be better to compare at the end of the year...”

Master Dingchan waved his sleeves and left directly!

Guo Wei also looked unhappy and left unhappy...

Dharma Protector Pavilion!

Chen Ping's body began to shine with a faint golden light, and then there was a breath that looked like a dragon visible to the naked eye, scurrying around the room, and then returned to Chen Ping's body again!

At this moment, Chen Ping closed his eyes tightly and tried his best to suppress and guide this divine dragon power. Although he possessed the divine dragon power, it seemed that this divine dragon power was out of his control, so he now had to tame this divine dragon power. !

This divine dragon's power is scurrying around in Chen Ping's body. All the spiritual energy that Chen Ping has absorbed is sucked away by this divine dragon's power. The Heart Condensation Art in Chen Ping's body is running rapidly, and a huge suction force is generated in the Dantian. The power is absorbed into the Dantian and refined!

But the power of the divine dragon seemed to be conscious, desperately resisting the suction in Chen Ping's Dantian, like a naughty boy who was not obedient at all!

Just when Chen Ping felt that his Dantian was weak, the Tianlong Ring in his hand suddenly shone with light. This time it was not fleeting, but flashing continuously!

The light was shining everywhere, and the power of the divine dragon was illuminated by this light, and it instantly became extremely well-behaved. Before Chen Ping could react, it plunged directly into Chen Ping's Dantian!

The Heart Condensation Technique was operating, and Chen Ping began to refine the power of the dragon in his Dantian. Immediately afterwards, Chen Ping felt as if he was riding a rocket!

Barriers were easily broken through by the power of the divine dragon. Chen Ping never imagined that such a breakthrough could be possible!

Chapter: 1540

When the morning sun shone into the room, Chen Ping slowly opened his eyes!

Chen Ping felt the aura in his body in disbelief. In just one day, Chen Ping actually crossed over to the fifth realm of the golden elixir. At this time, the golden elixir in Chen Ping's body was obviously much larger!

At this moment, the aura on Chen Ping's body, from the perspective of outsiders, is probably at the peak of Wuzong!

Dong dong dong.....

At this time, there was a knock on the door, followed immediately by Zhao Wuji shouting: "Mr. Chen, today is the day of competition..."

"I see!"

Chen Ping stood up and opened the door!

Zhao Wuji felt the aura on Chen Ping's body and was stunned!

"Mr. Chen, you... you have changed too much..."

Zhao Wuji's strength was too low and he couldn't accurately feel Chen Ping's current strength, but he could clearly feel the huge change in Chen Ping's aura from a day ago to now!

Seeing Zhao Wuji's surprised look, Chen Ping smiled lightly. He himself did not expect that this dragon's power would be so powerful!

"let's go....."

After Chen Ping finished speaking, he went straight to the competition venue!

At this moment, countless vehicles had already arrived outside the venue specially set up by the Martial Arts Alliance for the competition!

Not only those from Kyoto's martial arts world, but martial artists from other places also came to watch the fun!

Some people even set up a gambling bureau outside the venue and started betting on Chen Ping and Long Xiao!

"Come and buy, come and buy, you'll get 10% off for every one you buy from Mr. Long, and you'll get 10% off for every one you buy from Chen Ping..."

In a loudspeaker, the odds are constantly playing!

This is no wonder. After all, Long Xiao has been famous in the martial arts world for many years, but he is the most talented person of the younger generation, and he also studied under Master Dingchan. In addition, the resources of the Long family are not comparable to those of ordinary families, so many people think that Long Xiao will win!

"I sell Mr. Long to win..."

"I sell Mr. Long to win..."

Almost everyone is buying Long Xiaosheng, and very few people are optimistic about Chen Ping!

“The paralyzed ones are just a bunch of dogs who look down on people. I’ll let Brother Chen beat that Long Xiao like a dead dog later. Let’s see if they still buy Long Xiaosheng...”

At this time, Zhao Chuang, who had already arrived at the scene, gritted his teeth and cursed!
