

The Order 1541

Chapter: 1541

“Chuang’er, go buy Mr. Chen to win!”

Zhao Liguó said to Zhao Chuang.

When Zhao Chuang heard this, he nodded happily and hurried over: “I’ll buy Brother Chen’s victory for 100 million...”

Zhao Chuang shouted, attracting many people’s attention, and some even ridiculed Zhao Chuang for being a bad guy!

“I’ll win with Mr. Chen, 10 billion...”

At this moment, another young man came forward and placed a bet of 10 billion!

This person is Bai Zhantang of the Bai family. Now the Bai family has followed Chen Ping, so of course the Bai family will be present for this competition!

Not only the Bai family, but also the Medicine God Valley sent people here. Because Elder Xu and the others wanted to treat Gu Ling’er, Yu Dong was the leader this time.

Seeing people coming to Medicine God Valley, many people started talking.

“Why are you here at Yao Shen Valley? You know, the people in Yao Shen Valley don’t like to join in the fun!”

“Who says it’s not the case, but this time the people coming to Medicine God Valley seem to be juniors, not even an elder!”

“Could it be that the official invited Yao Shen Valley to come? After all, Chen Ping is also a member of the Dharma Protector Pavilion. When he was injured, there were people from Yao Shen Valley to help with the treatment!”

While everyone was talking in low voices, Yu Dong walked to the gambling table and said loudly: “In my Medicine God Valley, I bet Mr. Chen to win, fifty billion...”

Wow...

Yu Dong’s words caused an instant uproar on the scene.

The martial arts strength of Yao Shen Valley is not strong, but it is one of the best in medical skills. Many sects and aristocratic families will buy elixirs in Yao Shen Valley, so the economic strength of Yao Shen Valley must be particularly strong. This is understandable!

However, Yu Dong immediately bought Chen Pingsheng and pledged 50 billion. Many people began to speculate about the relationship between Yao Shen Gu and Chen Ping!

Not many people know that Chen Ping is now the master of the Medicine God Valley, not even the Long Family and the Martial Arts Alliance!

“What’s going on in Medicine God Valley? Don’t you know that Chen Ping provoked our martial arts alliance?”

Zhu Zhishan was sitting on the high platform and said with a grim expression when he saw that Yaoshengu actually bet on Chen Pingsheng and even bet 50 billion.

“I don’t know, but recently Yaoshen Valley seems to have stopped cooperating with all the sect families in our martial arts alliance. However, the Bai family and Wuying Villa who followed Chen Ping got a lot of medicines from Yaoshen Valley... ...”

Guo Wei said from the side.

Zhu Zhishan's eyes narrowed slightly: "This Chen Ping must die today, otherwise the Kyoto martial arts world will really change..."

Zhu Zhishan felt a trace of danger!

Chapter: 1542

"Don't worry, Alliance Leader, Chen Ping is definitely not Long Xiao's opponent, but I found that Long Jingguo doesn't seem to want Chen Ping to die, and I don't know why..."

Guo Wei said doubtfully.

"No matter what the reason is, you go and inform Long Jingguo that Chen Ping must die today..."

Zhu Zhishan's eyes flashed with murderous intent: "Have the four elders arrived? Don't cause trouble then!"

"Don't worry, Alliance Leader. The four elders are already in place, and hundreds of martial arts sects have been deployed around them. If any sect family dares to cause trouble, there will definitely be no good results!"

After Guo Wei finished speaking, he said with some embarrassment: "Leader, we are not afraid of those sect families causing trouble. What we are afraid of is the official intervention. If Mr. Shi comes to protect Chen Ping, it will be difficult for us!"

"Mr. Shi has other matters, so he won't come here. Mr. Shi has personally handled the matter of the killers sent by the Watanabe family in the island country, and he won't come here."

Zhu Zhishan raised the corner of his mouth slightly and said.

“That’s best. It seems that Chen Ping will definitely die today!” Guo Wei nodded.

.....

More and more people gathered at the gambling table at the entrance of the venue. The 50 billion bets from Yaoshen Valley stimulated everyone’s nerves!

However, most people still bet on Long Xiao’s victory. After all, Long Xiao’s strength is obvious to everyone!

“Today is really lively. I, Dong Jiahao, am also here to place a bet. I bet Brother Chen to win, 20 billion...”

Dong Jiahao also came with people from the Dong family. This time, Dong Jiahao brought two experts at the peak of the martial arts. It can be seen that the strength of the Dong family is not small, so it is no wonder that he looks down on the martial arts alliance!

The appearance of Dong Jiahao made many people very surprised. They didn’t understand the relationship between Dong Jiahao and Chen Ping. How could they bet on Chen Ping’s victory?

Seeing Dong Jiahao appear, Guo Wei’s expression changed. During the trial, Dong Jiahao helped Chen Ping in every possible way, and now he has brought two masters from the peak of the martial arts to show up. I wonder what will happen in today’s competition.

“Long Xiao is here...”

At this moment, someone shouted, and then they saw Long Xiao slowly walking over with Long Jingguo!

Behind them were several masters from the Long family!

At this time, Long Xiao looked arrogant, looking at everyone, his face full of confidence!

Seeing Long Xiao coming, many people followed Long Xiao to say hello, but Long Xiao didn't say a word!

Someone felt the aura emanating from Long Xiao's body and couldn't help but exclaim: "Oh my God, the aura on Mr. Long's body now has the strength of the peak of Wuzong. It seems that Chen Ping will definitely lose!"

"It's only been a few days, but Mr. Long's strength has improved so fast!"

"As time goes by, I'm afraid Mr. Long will become the youngest person to reach the pinnacle of martial arts."

Chapter: 1543

A group of people praised Long Xiao, and more people increased their bets, betting that Long Xiao would win!

Seeing this scene, Long Xiao's face was filled with pride, the aura he exuded on purpose.

"Master Long....."

At this time, Guo Wei came forward and said hello!

"Director Guo, I see that there are many people from the Martial Arts Alliance deployed around the venue. Even the four elders are dispatched. Is it because they are afraid that someone will cause trouble?"

Long Jingguo asked with a faint smile.

Guo Wei was stunned for a moment. He didn't expect Long Jingguo to observe so carefully. You must know that the people arranged were all mixed in the crowd and were not exposed, but he didn't want to be seen directly by Long Jingguo.

"Our leader is just afraid of causing trouble. If something happens, we can't explain it to Mr. Shi..."

Guo Wei explained.

"Hahaha, I wish you, Alliance Leader, are really cautious, but in the entire Kyoto, whoever dares to cause trouble on such occasions is not seeking death!"

Long Jingguo laughed and said.

"Master Long, we can't underestimate Chen Ping too much now. Now Chen Ping has his own power in Kyoto!"

Guo Wei looked like Yan Su: "So the alliance leader is afraid that Chen Ping will stir up some trouble, so he plans to use this competition to directly ask Mr. Long to kill him..."

Long Jingguo was stunned for a moment, but quickly recovered: "Director Guo, just tell Alliance Leader Zhu to reassure him that Chen Ping can't make any waves in Kyoto. In the ring, just let Xiaoler destroy him and let that Chen Ping just becomes a useless person!"

"Master Long, do you have some kind of deal with Chen Ping? Why don't you want Chen Ping to die every time?"

Guo Wei was very puzzled.

“Director Guo, what kind of deal can we have? I’m afraid that if Xiaoer kills Chen Ping, then Mr. Shi will take the blame, and our Long family will become the scapegoat? If you want Chen Ping to die, your martial arts alliance will send someone to take action. That’s it...”

After Long Jingguo finished speaking, he took Long Xiao away directly.

Guo Wei looked at Long Jingguo’s back and gritted his teeth: “Bah, what the hell...”

As a director of the Martial Arts Alliance, Guo Wei has a high position, but in the eyes of many large sect families, Guo Wei does not have much prestige and strength.

Soon, almost everyone arrived, only waiting for Chen Ping!

“This Chen Ping is not very strong, but he has a lot of airs. He makes so many of us wait...”

“Is this guy running away because he’s afraid?”

“I think most of them ran away and were too scared to come...”

Chapter: 1544

Some people began to boo, thinking that Chen Ping did not dare to come!

“Shut the hell up, Brother Chen will definitely come...”

Zhao Chuang listened to everyone’s discussion and started to curse.

After Wuying Villa annexed the Xuanyuan Family and the Pili Sect, its strength also increased a lot. Zhao Chuang's words did have a certain effect, and many people shut up!

"Chen Ping is here..."

Someone shouted something, and then Chen Ping was seen following Zhao Wuji into the venue!

For a moment, countless divine auras fell on Chen Ping, probing Chen Ping's strength!

Chen Ping walked into the venue with a slight smile on his face and calm eyes. The aura on his body was not hidden!

"This kid's aura has actually strengthened a lot..."

The moment he saw Chen Ping, Long Jingguo's face instantly turned a bit unsightly!

"I've said it before, if Chen Ping has an adventure, don't think that your son is the only one who is growing in strength."

Guo Wei said with an unhappy look.

He still held a grudge in his heart for Long Jingguo's disrespect to him just now.

Long Jingguo ignored Guo Wei, but looked at Long Xiao and said, "Xiao'er, are you sure?"

"Dad, don't worry. No matter how strong Chen Ping is, it doesn't matter. I have the Long family's artifact in hand, so Chen Ping has no chance of winning!"

Long Xiao looked confident!

“That’s right!” Long Jingguo nodded.

At this moment, Long Xiao narrowed his eyes slightly, and shot two cold murderous intentions directly at Chen Ping.

The humiliating scene in the trial was something Long Xiao would never forget!

However, Chen Ping felt the killing intent in Long Xiao and didn’t even look at him. Instead, he focused on Guo Wei.

A cold murderous intention flashed in Chen Ping’s eyes. It was Guo Wei who took Su Yuqi away. Chen Ping will not fail to avenge this!

Feeling the murderous intent in Chen Ping’s eyes, Guo Wei raised the corners of his mouth, and with a slight movement of his body, he arrived in front of Chen Ping!

“That look in your eyes makes me very uncomfortable, but I can tell you that even if you had great abilities, you wouldn’t be able to leave alive today!”

Guo Wei’s eyes were cold. Guo Wei had never forgotten the humiliation in the trial. He had always wanted to find an opportunity to retaliate against Chen Ping.

Chapter: 1545

As soon as Guo Wei finished speaking, people from the Bai family, Wuying Villa, Yaoshen Valley, and the Dong family all stood behind Chen Ping with a roar.

Looking at the people behind Chen Ping, Guo Wei’s face instantly turned ugly!

“Hmph, Chen Ping, you don’t think that with just these people, you can compete with the Martial Arts Alliance, right? It’s just a dream...”

Guo Wei narrowed his eyes and said.

Chen Ping’s body was filled with murderous aura, and he said in a cold voice: “In my eyes, your martial arts alliance is worse than shit. They are all robbers and thieves. I feel ashamed to contend with people like you...”

Chen Ping’s voice was not loud, but it was extremely penetrating. Everyone could hear every word clearly!

Although everyone knew that Chen Ping openly challenged the majesty of the Martial Arts Alliance.

But it was the first time for everyone to hear such words being said in public, and they couldn’t help but be surprised!

Zhu Zhishan in the stands, after hearing Chen Ping’s words, his face turned extremely ugly, and the murderous intent in his eyes became even stronger!

“What did you say?”

As a director of the alliance, Guo Wei’s pressure suddenly exploded, and his terrifying aura pressed directly towards Chen Ping!

But just when the terrifying pressure on Guo Wei was pressing towards Chen Ping, an equally terrifying aura suddenly struck, directly blocking Guo Wei’s pressure!

“Director Guo, you took action openly in front of so many people. Are you afraid that Long Xiao can’t beat Brother Chen, so you want to test Brother Chen’s strength first?”

Dong Jiahao looked at Guo Wei with disdain and asked.

The aura just now came from a strong man at the peak of the martial arts level next to Dong Jiahao.

“You are talking nonsense. Our martial arts alliance competitions are always fair and just. How could you do this!”

Guo Wei immediately scolded loudly.

He can’t let Dong Jiahao ruin the reputation of the Kyoto Martial Arts Alliance!

Otherwise, the Kyoto Martial Arts Alliance will become a laughing stock in the martial arts world in the future!

“Am I talking nonsense? You have already taken action, yet you still dare to quibble? If your aura just now hurts Brother Chen Ping, how can this competition be any better?”

Dong Jiahao had a sneer on his face. He was surrounded by two strong men at the peak of the martial arts, so he was not afraid of Guo Wei at all.

Guo Wei blushed when he was asked and was speechless for a moment. He was just dizzy with anger and didn’t think so much at all.

“Director Guo, come back...”

At this time, Zhu Zhishan shouted gloomily.

Chapter: 1546

Guo Wei could only take back his breath, turned around and jumped back to Zhu Zhishan.

Guo Wei walked back, while Dong Jiahao glanced around and said: "I, Dong Jiahao, put my words here today. A fair and just competition is okay. If anyone dares to play tricks behind his back and help Long Xiao secretly, I, Dong Jiahao, will never sit idly by." , I hate those despicable people the most..."

After Dong Jiahao finished speaking, he turned his attention directly to the alliance leader Zhu Zhishan. This made Zhu Zhishan very angry, but in front of so many people, it was hard for him to get angry!

"Brother Chen Ping, you can do it boldly, no one dares to do tricks behind your back!"

Dong Jiahao looked at Chen Ping, patted Chen Ping on the shoulder and said.

"Brother Dong, thank you..."

Chen Ping is very grateful to Dong Jiahao. After all, with the strength of the Dong family, Chen Ping has not been used yet. The reason why Dong Jiahao helps him in this way is because Dong Jiahao himself does not like what the martial arts alliance does!

The two of them seem to be sympathetic to each other, and Dong Jiahao is a straightforward person. If they get along, he will be a good friend!

Chen Ping jumped up and reached the ring, then turned his attention to Long Xiao.

"Come down and die..."

Chen Ping was filled with murderous intent. Thinking of his mother, Chen Ping wished he could kill all the Long family members in front of him!

“I guess it’s you who is going to die!”

Long Xiao snorted coldly, looked at Long Jingguo and said, “Dad, I’m going down.”

“Well, be careful yourself, remember what I say, don’t underestimate any opponent.”

Long Jingguo nodded.

Long Xiao’s momentum exploded instantly, and then he jumped in front of Chen Ping, and the terrifying aura directly surrounded Chen Ping.

The two people looked at each other, and sparks of collision seemed to burst out in the air.

“You are indeed very strong, but when you meet me, I will let you know what true talent is.”

Long Xiao looked at Chen Ping disdainfully and smiled lightly.

“Talent?” Chen Ping sneered: “This is not talent, but pride, but I will let you know the price of pride.”

“Besides being a talker, what else can you do? Today I will let you see yourself clearly...”

After Long Xiao finished speaking, the aura on his body suddenly surged, and then his whole body was wrapped in a faint blue aura.

Immediately afterwards, Long Xiao's body flew into the sky, and then disappeared from everyone's sight, leaving only a faint blue mark in the air.

Everyone hurriedly looked up to look for Long Xiao's figure, but they didn't find it at all.

Chapter: 1547

"Is it possible that Long Xiao can go to heaven and earth?"

Someone said in surprise.

But at this moment, Chen Ping had a faint smile on his lips, and then bursts of golden light appeared on his body. Soon Chen Ping was standing in the middle of the ring like a golden armored warrior!

No matter how fast Long Xiao is, his final goal is to attack Chen Ping, so Chen Ping activates the Indestructible Golden Body and just needs to resist Long Xiao's attack.

Sure enough, when Chen Ping's body glowed with golden light, Long Xiao, who had disappeared in mid-air, appeared on top of Chen Ping's head and slapped Chen Ping's head hard!

Chen Ping crossed his fists and suddenly blocked upward!

clang!

With a sound like a heavy hammer, Chen Ping's feet instantly fell into the ring, and the hard marble cracked, with flying rocks scattered in all directions!

With one blow, Chen Ping was at a disadvantage in the eyes of everyone!

“It seems that genius is genius. Long Xiao is indeed the most talented young man in Kyoto. He has the aura of the peak martial arts master as soon as he makes a move.”

“I’m afraid Chen Ping won’t be able to sustain even ten moves. Now we’ve made some money.”

“I originally thought this competition would be exciting, but now it’s probably nothing to watch.”

Everyone who saw the scene in front of them started talking about it!

But what these people didn’t see was that although Chen Ping’s feet were stuck in the ring and Long Xiao was suppressing him above his head, there was no trace of panic on Chen Ping’s face, but a faint smile!

Looking at the expression on Chen Ping’s face, Long Xiao didn’t know why, but his back felt cold!

Long Xiao, who was on the lookout for fraud, suddenly lifted his body up, distanced himself from Chen Ping, and stood firmly opposite Chen Ping!

“This is the first move...”

Chen Pingping said expressionlessly.

Chen Ping’s words instantly stunned everyone, even Long Xiao was a little confused.

They didn’t even understand what Chen Ping’s sudden words meant.

“I understand, Brother Chen means to give Long Xiao three moves...”

Zhao Chuang's eyes suddenly lit up and he screamed!

Zhao Chuang's words shocked everyone, and then they all looked at Chen Ping!

In an arena match like this, facing the most talented Long Xiao, Chen Ping actually had to give in three moves?

Chapter: 1548

No one believes this is true!

Long Xiao's eyes narrowed, and the muscles at the corners of his eyes were shrinking. He felt that this was the biggest insult to him!

"Brother Chen, what do you mean by this? Do you want Long Xiao to do three moves?"

At this time, Dong Jiahao asked Chen Ping on the ring.

Chen Ping turned around and smiled faintly: "You only guessed half of it right. I gave him not three moves, but five moves..."

"Five moves?"

Dong Jiahao was also stunned.

You have to know that when masters compete with each other, sometimes a single oversight can lead to death. How can there be any chance of giving up five moves?

Everyone else also gasped, unavoidably shocked by Chen Ping's words.

"Chen Ping, you can fucking tell lies, right?" Long Jingguo was so angry that Chen Ping stood up and cursed, and then said: "Xiao'er, don't hold back, kill this guy who doesn't know how high the sky is. If you kill him, I will make his life worse than death."

On such an occasion, Chen Ping's words were undoubtedly the greatest contempt and disdain for the Long family. How could Long Jingguo endure it.

Long Xiao was already trembling with anger at this moment, and his eyes were full of red!

"Chen Ping, you have such a loud tone, I will peel your skin off and cramp you today..."

Long Xiao gritted his teeth, the aura on his body surged crazily, and then a ball of light blue light gathered on Long Xiao's fist!

"Holy Light Fist!"

Long Xiao shouted angrily, followed by an explosive punch, hitting Chen Ping's chest fiercely.

This move is the secret skill of Long Xiao's master, Master Dingchan, and it can easily break mountains and rubble!

"This... this is Master Dingchan's unique skill. I didn't expect that Long Xiao would learn it all."

"I have seen Master Dingchan's Holy Light Fist. At that time, a hill collapsed with one punch."

"Chen Ping is on the verge of death now, and he still dares to say such things as giving up five moves. Isn't this looking for death?"

Everyone was shocked when they saw Long Xiao actually using the Holy Light Fist.

boom!

There was a loud noise, and the punch hit Chen Ping hard on the chest.

A dazzling blue light burst out from the arena. This light was like a burning flame. Chen Ping was enveloped in it. Even the entire venue could feel this power.

Chapter: 1549

Seeing the scene in front of him, Long Xiao raised the corners of his mouth: “You have to pay a price for bragging. In just five moves, I have already crushed you to ashes, and you still dare to talk nonsense.”

“Yeah?”

A faint voice came out from the blue light, and then a dazzling golden light erupted, and layers of scales began to appear on Chen Ping’s body, which was worn on Chen Ping’s body like armor.

And the blue light group also disappeared without a trace under the golden light. The eyes looking at Chen Ping were full of disdain and indifference.

Chen Ping’s body didn’t move at all, and his body didn’t suffer any damage.

This time, Long Xiao was a little dumbfounded!

And everyone was surprised. They didn’t understand what level of strength Chen Ping had reached?

“Isn’t Chen Ping’s physical body too strong? Has this immortal golden body been trained to this point?”

Guo Wei frowned slightly.

“It’s because Long Xiao is too trusting. He didn’t use all his strength just now.”

Zhu Zhishan explained.

Zhu Zhishan had long seen that Long Xiao did not use all his strength. In his opinion, using the Holy Light Fist only required 30% of the skill. If he used too much force, Chen Ping would be blasted into pieces. .

Long Jingguo had explained that he was only allowed to depose Chen Ping, but not to kill him, because the living Chen Ping was still useful to the Long family.

“That’s two moves. If you do it so painlessly, you won’t have a chance after five moves...”

Chen Ping looked at Long Xiao coldly, his eyes extremely indifferent!

After hearing what Chen Ping said, Long Xiao gritted his teeth and turned red with anger!

“Chen Ping, don’t you just want to use this method to discredit the Long family? I tell you, you don’t need to let me. If you are a man, just show your true skills and compete with me with real swords and guns. , when you said you asked me to take five moves, weren’t you just setting a trap for me? I defeated you with five moves, but I couldn’t win with force. I failed to defeat you with five moves, which makes me look incompetent. What’s the point of you using this little trick? use? ”

Long Xiao stared at Chen Ping with a gloomy face and said.

Chen Ping grinned: "Don't use your villain's heart to judge a gentleman's heart, but no matter what you think, you still have three chances."

Long Xiao was really angry to death and gritted his teeth: "If my father hadn't allowed me to kill you, do you think you could still stand and talk to me now?"

After Long Xiao finished speaking, his figure disappeared instantly, followed by a huge aura, pressing towards Chen Ping, and the power of thunder covered the entire arena. At this moment, Long Xiao was like a blue mountain, fiercely heading towards Chen Ping is coming!

Chen Ping's eyes narrowed slightly, and the golden light on his body increased sharply. The dazzling golden light made the sun shine.

Rumble.....

The huge aura began to cause the ring to collapse, and Chen Ping's body fell rapidly. The entire venue was filled with smoke, countless gravels collapsed, and hurricanes blew up in the center of the ring!

Chapter: 1550

But Chen Ping's body was wrapped in golden light and he stood firmly on the ground. Within the golden light, Chen Ping looked calm, as if everything around him had nothing to do with him at this moment!

Bang.....

Long Xiao's body hit hard, the entire venue trembled, and a huge pit appeared on the ground!

Chen Ping's body slowly rose from the huge pit, and the golden light on his body did not change at all, but became more dazzling.

Chen Ping in mid-air is like an immortal descending to earth at this moment, giving people the feeling of wanting to worship!

At this time, some people in the venue actually knelt down to Chen Ping. The majesty exuded by Chen Ping directly affected the minds of these people.

Zhu Zhishan saw this and looked at Guo Wei. Guo Wei immediately made a gesture. Four rays of light shot out from the four corners of the venue, and then formed a huge light mask, covering Chen Ping and Long Xiao.

At this time, those who were kneeling and worshiping came to their senses and saw their own ugliness, and they were all embarrassed!

“This Chen Ping’s physical body is not only powerful, but his spiritual consciousness is also so arrogant. The minds of those people just now were affected.”

Long Xingxu, who was beside Long Jingguo, said in surprise.

Long Jingguo didn’t speak, staring at Chen Ping with his eyes, and then said to himself: “If the Long family hadn’t had this accident more than twenty years ago, this Chen Ping might have become an unrivaled existence. . .”

At this time, Long Jingguo’s eyes were filled with murderous intent. He began to have murderous intentions towards Chen Ping, and he also began to fear that Chen Ping would grow up.

In the arena at this moment, Long Xiao’s face became extremely ugly. He looked at Chen Ping in mid-air and frowned tightly.

“You still have two chances...”

Chen Ping's body was shining with golden light at this moment, and his voice was full of disdain and arrogance!

He just wanted to use this to attack the Long family and their self-esteem!

Under the sunlight, Chen Ping looked like an immortal, overlooking the earth!

"This Chen Ping is so hidden..."

Zhu Zhishan frowned slightly and looked at Chen Ping in mid-air!

"This Chen Ping is really terrible. He has made his body so powerful. If he is allowed to develop like this, he will really become a powerful enemy of our martial arts alliance..."

Guo Wei looked solemn: "But he is still young and energetic, arrogant and arrogant. He dares to give up five moves as soon as he comes on the stage. He doesn't know that in the ring, his arrogance will cost him his life."

Zhu Zhishan shook his head: "This Chen Ping is not arrogant, he is doing it on purpose, just to humiliate the Long family..."

"Does this Chen Ping have any deep hatred for following the Long family?"

Guo Wei was very surprised. He had never heard of Chen Ping's deep hatred for following the Long family!
