

The Order 1551

Chapter: 1551

“I’m afraid only the Long family knows this!”

After Zhu Zhishan finished speaking, he stared closely at the ring!

At this moment, Long Xiao took a few steps back and looked at Chen Ping coldly, the anger in his body already burning.

This kind of public humiliation not only humiliated him, but also humiliated the entire Long family!

“Chen Ping, you deserve to die, I will make you pay the price...”

Long Xiao has forgotten Long Jingguo’s instructions, and murderous intent has begun to rise in his body!

He wants to cut Chen Ping into pieces in order to relieve the hatred in his heart!

“Stop talking nonsense, take action if you have the ability, but I remind you, you only have two chances...”

Chen Ping looked down at Long Xiao and said coldly.

“court death.....”

Long Xiao's face changed drastically, and then he shouted loudly, blue light rose up from his body, countless lights gathered on Long Xiao's body, and slowly, a huge fist appeared above Long Xiao's head.

The giant fist shining with blue light carries a strange power, which seems to be absorbing the power of heaven and earth.

“Holy Light Fist...”

Long Xiao shouted loudly and punched out fiercely, followed by the huge light fist above his head, heading towards Chen Ping with a devastating force!

The terrifying aura set off gusts of wind, and the sound of breaking through the air suddenly sounded. Under this force, the protective light shield began to tremble violently, and looked like it was about to collapse at any time.

“Is this probably Long Xiao's strongest blow?”

Seeing this powerful punch, Dong Jiahao said nervously!

Bai Xiushan, Zhao Wuji, Zhao Ligu, none of them spoke, but clenched their fists, all of them extremely nervous!

Chen Ping is their backbone. If Chen Ping falls, they will lose everything in Kyoto.

“Xiao'er has murderous intentions...”

Long Jingguo sighed softly when he saw Long Xiao's punch.

But he didn't stop him. If Chen Ping couldn't resist the punch and died directly, it would be a hit like this. I don't want Long Jingguo to let Long Xiao spare Chen Ping's life anymore.

Chen Ping's humiliation of the Long family made Long Jingguo completely angry!

"It's over, everything should be over..."

Chapter: 1552

Guo Wei saw Long Xiao's domineering punch and shook his head slightly: "Even if Chen Ping can resist this punch, he will be seriously injured if he doesn't die. This is the consequence of arrogance!"

Zhu Zhishan did not speak, but stared at the scene on the ring with his eyes!

"Chen Ping, I want you to know the consequences of insulting my Long family..."

Long Xiao shouted angrily, his aura surged again, and the huge light fist also surged several points!

Facing this powerful punch, Chen Ping's face was solemn, and every scale on his body exuded an extremely dazzling golden light!

The power of the divine dragon in his body instantly turned into an invisible golden dragon, surrounding Chen Ping.

boom.....

Long Xiao's Holy Light Fist hit Chen Ping hard, and Chen Ping's body instantly exploded with light, like a brilliant firework!

Endless air waves swept across, and the protective light shield could no longer bear it and shattered with a bang. The air waves carried a hot breath, directly blowing the people around the ring off their feet!

You must know that these are all warriors, but they cannot bear the aftermath, which shows how powerful this punch is!

Chen Ping's body was falling rapidly, like a meteor.

And that blue light also dragged a long tail flame, following behind Chen Ping.

boom.....

There was another huge explosion, and a large crater with a depth of more than ten meters was instantly blasted on the ground. Smoke and dust were everywhere, and the smoke was filled...

The scene fell silent. Everyone looked at the deep pit, but there was no movement at all!

"Hmph, how dare a pearl of rice compete with the sun and the moon? You are simply overestimating your capabilities..."

Looking at the motionless pit, Long Xiao's face showed a bit of pride.

"If Chen Ping hadn't been so arrogant when he came to power, he might have been able to follow Long Xiao in hundreds of moves, and he would have been doomed..."

Guo Wei shook his head and said.

There was no sadness or joy on Zhu Zhishan's face, and he withdrew his gaze from the ring!

He always wanted Chen Ping to die, but now that Chen Ping was really dead, he felt a little regretful in his heart!

If such a talent can be used by the Martial Arts Alliance, he will definitely become a great weapon!

"Dead, dead in the end!" Long Jingguo murmured to himself: "Sister, don't blame me. If not, blame your son for being as stubborn as you. He buried himself with his own hands..."

At this moment, Bai Xiushan, Zhao Wuji, Zhao Ligu, Yu Dong, and Dong Jiahao in the stands all looked at the scene in front of them in disbelief!

Chapter: 1553

Since Chen Ping dares to tell Long Xiao five moves, he must be certain!

How could he be killed so easily?

"Brother Chen will not die, he will never die..."

Zhao Chuang shook his head desperately. He wanted to rush up to check, but was held tightly by Zhao Ligu.

"How could this happen? How could this happen?"

Zhao Wuji couldn't believe that the competition ended like this, and Chen Ping was beaten to death so easily.

Anger, helplessness, and panic began to pervade these people. If Chen Ping really died, where would their future go?

“This Chen Ping is asking for death. He just wants to challenge the Long Family and the Martial Arts Alliance. He is asking for death!”

“We can go and get the money. I already told you that if you buy Mr. Long, you will win. There is absolutely no problem!”

“Chen Ping is quite a man. He didn’t fight back even before he died. He gave up five moves if he was told...”

Everyone was talking, some were happy, some were regretful, and started to prepare to leave!

At this time, the referee from the Martial Arts Alliance also stepped forward, ready to announce the result of this competition!

“I will announce the result of this competition, Long Xiao wins...”

The referee announced loudly, but at this moment everyone in the Long family was not as excited as they imagined!

Although Long Xiao won, he won without Chen Ping fighting back. For the Long family, there was nothing to be happy about.

“I’m not dead yet, so I announced the result so easily. Is the Martial Arts Alliance acting so hastily?”

Just when everyone was about to leave, and Long Xiao was about to leave, suddenly a sound like rolling thunder came from the pit!

For a moment, there was silence on the scene, everyone looked into the deep pit, and even those who left stopped!

I saw Chen Ping's body rising slowly from the pit, his clothes were in pieces, and the dazzling golden light was a little dim, but the aura on Chen Ping's body was still strong, as if it was not affected at all!

"hiss....."

Looking at the intact Chen Ping, everyone gasped.

"This... how is this possible? Even a strong man with the peak strength of Wu Zong cannot survive Long Xiao's Holy Light Fist intact, right?"

"It's so scary, so evil. Is this Chen Ping still a human?"

"You are so strong at such a young age!"

Chapter: 1554

Everyone was shocked and looked at Chen Ping in disbelief!

"How could this happen?" Long Jingguo frowned, and his body that had stood up slowly sat back down!

Guo Wei and Zhu Zhishan were also shocked. At this moment, they could not express their feelings in words.

"Hahaha, I knew Brother Chen would be fine..."

When Zhao Chuang saw Chen Ping come out of the pit, he immediately laughed excitedly.

Bai Xiushan, Zhao Wuji and the others were also very excited!

“Impossible, this is impossible, why aren’t you dead yet?”

Long Xiao looked at Chen Ping in front of him, his eyes full of disbelief!

Even if Chen Ping didn’t die from this punch, he must have been seriously injured. But looking at Chen Ping’s current state, apart from being a little embarrassed, he didn’t seem to be injured.

Chen Ping raised the corner of his mouth and revealed a sneer. He ignored Long Xiao and looked at the referee: “I’m not dead yet, so what you just announced is bullshit. Get out of here...”

Chen Ping’s words made the referee look embarrassed for a moment, but Chen Ping would not look down upon these people from the Martial Arts Alliance!

Since he said he would openly fight against the Martial Arts Alliance, Chen Ping no longer has to worry about his face!

At this time, Zhu Zhishan’s face turned cold in the stands, but he still waved his hand and asked the referee to leave.

“You still have one last chance. If that punch just now was your trump card, then you are not worthy of me...”

Chen Ping looked at Long Xiao coldly, his tone full of arrogance!

Long Xiao was absolutely furious at this moment. The dignified eldest son of the Long family, the proud son of heaven, was now so humiliated by an unknown boy who came from nowhere.

“Ahhhh...”

Long Xiao roared like crazy: “You trash, how dare you bully me like this? Go to hell...”

Long Xiao’s hair stood on end, bursts of blood-colored mist erupted from his body, and then he slowly raised his hands, as if he was performing this kind of sacrifice!

Rumble.....

Suddenly there were bursts of thunder in the sky, and then the rolling dark clouds covered the sun directly!

Rumble.....

Then there was another thunder, the dark clouds became denser and denser, and lightning kept flashing across the black dark clouds!

“How come today it changes so easily?”

Chapter: 1555

Someone looked up at the dark clouds and said in confusion.

“I didn’t expect that Long Xiao, at such a young age, could even learn the Long Family’s Qian Ji Yin...”

Zhu Zhishan frowned slightly.

Guo Wei also had a solemn look on his face: “No wonder Master Dingchan dared to tell me such lies. Before the end of the year, I asked Long Xiao to compete with me. He might be able to beat me. Looking at the situation now, Long Xiao is practicing a lot.” In time, I’m afraid it will really surpass me!”

Guo Wei began to feel an inexplicable pressure. Although he was a director of the Martial Arts Alliance, if he did not have real strength, no one would be convinced. If he was surpassed by these juniors, his prestige would be even worse.

“Master, the eldest young master actually used Qian Ji Yin. If you don’t use it properly, there will be a risk of backlash.”

Long Xingxu whispered in Long Jingguo’s ear.

Long Jingguo’s expression was extremely ugly at this moment. He couldn’t stop it even if it wasn’t the end of the matter. Now he could only pray that Long Xiao would succeed in using Thousand Machines!

At this time, the bloody mist began to rise from Long Xiao’s body, and actually floated towards the dark clouds.

Looking at the blood-colored mist on Long Xiao’s body, Chen Ping’s face became solemn and his muscles tightened. He adjusted the power of the dragon again, making the golden light on his body even more dazzling!

“Chen Ping, you underestimate me...”

Long Xiao controlled the bloody mist, and then the bloody mist was like a lead, instantly attracting the lightning in the dark clouds!

Chen Ping frowned. It turned out that Long Xiao wanted to use the power of lightning to fight against his powerful body!

“Go to hell...”

Long Xiao waved his palms, and the bloody mist directly enveloped Chen Ping, and then the lightning in the dark clouds followed the trend and struck towards Chen Ping!

Lightning contains tremendous power, as if a huge mountain is pressing down on it. You must know that this lightning is the power of heaven and earth, and it is not so easy to contend with.

Boom...

Finally, lightning struck Chen Ping hard!

Chen Ping roared angrily, the golden light on his body flourished, and then a golden dragon appeared!

With a dragon roar, the golden dragon collided with the lightning!

The huge roar made the whole earth tremble, and then a strong wind swept across, and everyone around them took up their breath to resist!

Boom.....

Another bolt of lightning struck from the dark clouds!

“ah.....”

Chapter: 1556

The golden light on Chen Ping's body became stronger and stronger, and the power of the dragon condensed into a golden dragon again, which hit the lightning fiercely!

"What secret technique does Chen Ping use?"

Zhu Zhishan frowned as he looked at the golden dragon condensed by Chen Ping.

"I'm not sure. I just heard that Chen Ping also had an adventure. I wonder if it has something to do with this golden dragon!"

Guo Wei shook his head!

At this moment, the dark clouds in the sky are still dense, and lightning is constantly brewing!

"Your last chance has been used up..."

Chen Ping looked at Long Xiao, and then let out a roar, and the terrifying power exploded instantly!

The golden light on Chen Ping's body was like a goddess scattering flowers, soaring straight into the sky in an instant!

The dense dark clouds were directly dispersed by the golden light, and the sun emerged from behind the dark clouds again!

When Long Xiao saw this, he didn't have time to think too much and hurriedly grabbed it. The bloody mist instantly turned into a sword and stabbed Chen Ping fiercely!

At this moment, Chen Ping no longer has the golden body protection, and Long Xiao wants to use this sword to kill Chen Ping!

But who would have expected that Chen Ping would actually punch Long Xiao directly as he watched her sword come out.

A fierce force burst out from Chen Ping's fist, and the bloody sword in Long Xiao's hand disappeared without a trace in the face of this domineering force!

Bang!

Immediately afterwards, Long Xiao felt his chest tighten and his body flew out involuntarily.

Long Xiao's body hit the ground hard, creating a large human-shaped pit on the ground!

"how so?"

Long Jingguo's face was ashen and he stood up suddenly, his eyes full of concern.

Zhu Zhishan's face also turned cold, and then he looked at Guo Wei. At this time, Guo Wei was also confused!

The strength Chen Ping showed was beyond their expectations!

"I can't keep this kid today no matter what!"

Zhu Zhishan said softly.

Guo Wei nodded. He also knew that if Chen Ping was allowed to grow like this, he would be the unlucky one.

Chapter: 1557

“I know you can’t die yet. If you have any ability, just use it!”

Chen Ping exudes an aura of looking down on the world, which makes people unable to help but feel lingering fear!

Long Xiao climbed out of the pit with difficulty, his chest was already dented, and his ribs were obviously broken!

Just when Long Xiao showed his head, Chen Ping took a step forward and his body suddenly shot out towards Long Xiao!

The endless ferocious aura hit Long Xiao fiercely!

boom!

Long Xiao, who had just stood up, was suddenly hit hard to the ground again!

In an instant, the air was filled with smoke and dust!

“Xiao’er!”

When Long Jingguo saw this, his expression changed and his body suddenly rose up!

You must know that Long Xiao is his only son, and it is impossible for him to watch something happen to Long Xiao. Looking at Chen Ping's behavior now, it is obvious that he is going to kill Long Xiao!

"The head of the family..."

At this time, Long Xingxu grabbed Long Jingguo: "Master, calm down, if you help now, our Long family will be completely disgraced and become a laughing stock in the martial arts world. Besides, the eldest young master has not yet sacrificed his magic weapon to prove He's fine now, it's not the critical moment yet!"

Long Xingxu's persuasion made Long Jingguo calm down!

Long Xiao still has a trump card that he has not yet revealed, which proves that Long Xiao has not yet reached the crisis moment.

If I had acted impulsively just now and directly violated the rules of the martial arts alliance, it would have really not ended well!

Thinking of this, cold sweat broke out on Long Jingguo's forehead.

"ah....."

Suddenly, Long Xiao roared angrily, and then the blue light completely enveloped him, and the terrifying aura surged rapidly!

"Chen Ping, I will fight for you today. Even if we both die together, I will let you die..."

Long Xiao turned into a crazy beast!

He punched Chen Ping hard with his fist.

Chen Ping didn't show any weakness, he punched forward, and there was an explosion instantly!

The terrifying power spreads through the air, rippling like ripples!

Chapter: 1558

Long Xiao's speed is getting faster and faster, and the aura on his body is constantly rising, and his fists are falling like raindrops!

Everyone only saw two afterimages passing by quickly, and the sound of piercing the sky kept ringing out!

"Is Xiao'er crazy? He actually burned his own essence and blood. Is he desperate for his life?"

Looking at the crazy Long Xiao, Long Jingguo's face became extremely ugly!

"This Long Xiao is joking with his own life. He is burning his essence and blood at a young age. If this continues, even if he wins, he will probably become a useless person..."

Zhu Zhishan couldn't help but sigh when he saw that Long Xiao actually relied on burning essence and blood to improve his strength.

In mid-air, Chen Ping faced Long Xiao's torrential attack with no expression on his face. He was neither impatient nor impatient!

"Let me see how much essence and blood you have burned. When your essence and blood are exhausted, it will be your death..."

Chen Ping said, he punched Long Xiao directly with a fierce punch!

Long Xiao raised his fists to touch each other, but the huge force still caused Long Xiao's body to fall hard!

Chen Ping saw this and chased after him in a flash.

"While you are sick, I will kill you..."

Chen Ping's eyes flashed fiercely, and then he punched Long Xiao one after another!

Blood spurted out from Long Xiao's mouth, and the bones all over his body kept making snapping sounds!

boom.....

Long Xiao's body was slammed into the ground again!

Then Chen Ping reached out and picked up Long Xiao. At this moment, Long Xiao was like a dead dog, letting Chen Ping carry it in his hands!

Everyone couldn't help but be surprised when they saw this scene!

And Long Jingguo was not only angry but also embarrassed and ashamed!

His own son, the eldest young master of the Long family, is known as the proud son of heaven.

Now it turned into a dead dog and was carried in someone's hand!

Long Xiao looked at Chen Ping fiercely, his eyes full of anger: "Chen Ping, do you dare to kill me? If you kill me, not only will the Long family not let you go, not even the martial arts alliance will let you go. of. "

"I'm not afraid of anyone!"

Chen Ping clenched his fists tightly, remembering that his biological mother was still suffering in the Long family, Chen Ping burst out with overwhelming hatred, and then punched Long Xiao hard!

Chapter: 1559

Long Xiao's body was already scarred, and he was receiving a punch at this moment. He probably didn't even have the strength to stand!

Chen Ping threw it away and Long Xiao fell to the ground. Then he stepped on Long Xiao's head. Chen Ping looked at Long Jingguo in the stands!

Chen Ping's eyes were full of provocation. Only Long Jingguo could understand this look!

Long Jingguo felt Chen Ping's eyes, clenched his fists and gritted his teeth!

In today's battle, the Long family was humiliated and humiliated!

Just when Chen Ping turned his attention to Long Jingguo, Long Xiao actually took out a small glass bottle from his body.

When the glass bottle was opened, a strong smell of blood came out!

Long Xiao drank the bottle of blood without hesitation!

In an instant, Long Xiao's energy quickly recovered, and his sluggish body began to surge. His body burned with blazing red flames, and even Long Xiao's eyes turned red!

Chen Ping frowned and quickly retreated. Looking at the changes on Long Xiao's body and smelling the familiar smell of blood, Chen Ping's murderous intent became even stronger!

"Yu Qi, is this Yu Qi's blood?" Chen Ping glared at Long Xiao: "You deserve to die, I will cut you into pieces..."

Su Yuqi was arrested and Chen Ping felt very guilty because he was unable to rescue her.

Now Long Xiao is drinking Su Yuqi's blood in front of Chen Ping, which directly stimulates Chen Ping's nerves!

"It's you who deserve to die..."

Long Xiao's body was burning with flames, and he was like a burning man, rushing towards Chen Ping!

As soon as Chen Ping stretched out his hand, the Dragon-Slaying Sword appeared in Chen Ping's hand, and flames burned on the Dragon-Slaying Sword's body!

"What did Long Xiao take just now? How did his breath recover so quickly?"

"I think it looks like blood. I don't know what kind of blood it is. It can instantly increase your strength!"

“The Long family has a lot of treasures, but now that Long Xiao is using them, it looks like he is really outmatched!”

“This Chen Ping actually has a back-up plan. The sword in his hand looks like it’s not an ordinary thing...”

Everyone was talking about it!

At this moment, Long Xiao and Chen Ping were fighting together again, like two flames constantly jumping and fighting!

The dragon-slaying sword in Chen Ping’s hand slashed across Long Xiao’s chest, blood instantly spilled, and the flames on Long Xiao’s body were quickly extinguished.

“I will use your lives to make up for the damage Yu Qi suffered...”

Chapter: 1560

The dragon-slaying sword in Chen Ping’s hand burst out with countless sharp edges, and then stabbed Long Xiao with the sword!

But at this moment, Long Xiao actually had a copper bell in his hand!

Jingle Bell.....

Long Xiao gently shook the copper bell, and then the copper bell made a pleasant sound!

Then a force instantly penetrated everyone.

At this moment, time seemed to stop instantly, and the sword that Chen Ping thrust out stopped abruptly in front of Long Xiao.

Just when Chen Ping was stunned, Long Xiao struck out with a fierce palm. The force of this palm penetrated Chen Ping's body directly!

Chen Ping's body was like a kite with its string broken, flying directly backwards and hitting the ground heavily!

Without spiritual protection, it is still difficult to withstand Long Xiao's blow just by relying on pure physical strength!

After all, Long Xiao is also close to the peak of Wuzong's strength!

Chen Ping's mouth was bleeding, his chest was dented, and traces of blood slowly flowed out from his chest!

Chen Ping looked around and found that there were five bloody finger holes on his chest!

Looking at Long Xiao again, he was looking proud at the moment, and in Long Xiao's hand, there were five dark spikes, glowing coldly under the sun!

"Chen Ping, even if you try hard, it's useless. I only need one magic weapon to wipe you out, and our Long family still has many such magic weapons..."

Long Xiao held the copper bell in his hand and sneered at the corner of his mouth: "And now that you have been hit by my powder attack, I can crush you to death with just one finger."

Chen Ping looked at Long Xiao's proud look. The spiritual power in his body quickly rushed towards the wound and began to repair the wound quickly. As for what Long Xiao said about

the powder, Chen Ping didn't care at all. His body It is immune to all poisons, so this powder is useless!

Soon, Chen Ping's injuries recovered, but the power of the dragon in his body was not affected at all!

"You are too confident..."

The aura on Chen Ping suddenly exploded, and the terrifying aura surrounded Long Xiao in an instant!

Long Xiao's expression changed: "You...your skill has not been dissipated?"

"You want to win me with this despicable method, but unfortunately you are wrong..."

Chen Ping raised the dragon-slaying sword in his hand again, preparing to stab Long Xiao with one sword!

Seeing this, Long Xiao hurriedly rang the bell again!

The sweet bell rang again, followed by a breathtaking power!
