

The Order 1561

Chapter: 1561

Chen Ping's whole body instantly glowed with golden light, and a light mask surrounded Chen Ping. The sound wave was directly blocked and did not affect Chen Ping.

Seeing this, Long Xiao hurriedly shook the bell faster. The bell kept ringing, but Chen Ping was not affected at all.

On the other hand, many people in the stands could not stand the sound and fell into a daze!

Seeing that Chen Ping was not affected, Long Xiao had no choice but to throw the copper bell in his hand towards the sky. The bell instantly grew bigger, like a copper bell, suspended in the air!

From the copper bell, a simple and old atmosphere slowly filled the air.

Feeling this breath, Chen Ping's face became solemn. At this moment, Chen Sheng's feet fell, and his entire calf fell directly into the ground. This breath suppressed Chen Ping like a mountain!

Chen Ping didn't dare to neglect, he showed the power of the divine dragon, and the golden light on his body shone, resisting this simple and old atmosphere!

"Let me see what else you can do now..."

When Long Xiao saw Chen Ping being restrained by the copper bell, he couldn't help but roared, and a long sword instantly transformed into his hand!

Long Xiao pointed his long sword towards the copper bell, and a blue light shone directly on the copper bell, and then the copper bell began to press towards Chen Ping!

The killing power in the copper bell was constantly suppressing Chen Ping's body!

Even though Chen Ping has maximized his indestructible golden body, shocking wounds still appear on his body!

“A divine weapon is a divine weapon, it is indeed extraordinary...”

Long Jingguo couldn't help but relax when he saw Long Xiao offering the artifact.

He knew that even if Chen Ping had great abilities, he would not be able to resist the attack of this artifact!

“Is this the Long family's artifact? It's really extraordinary...”

Zhu Zhishan looked at the copper bell exuding a terrifying aura in mid-air, his eyes full of envy and greed!

“I didn't expect that the Long Family really has artifacts, but Long Xiao said that their Long Family has many artifacts like this. I don't know if that's true.”

Guo Wei said solemnly.

If this is the case, then the Long family will most likely replace them all, and by then the Long family will be the leader of Kyoto's martial arts world.

“Bragging...” Zhu Zhishan snorted disdainfully: “If the Long family had so many artifacts, then Long Jingguo would have been arrogant a long time ago, and would he still be so polite to you and me?”

“That's true!” Guo Wei nodded.

With Long Jingguo's temperament, if the Long family really had so many artifacts, Long Jingguo would have been dictating the martial arts world in Kyoto long ago.

Rumble.....

Chapter: 1562

The copper bell suppressed Chen Ping's body, and its killing energy was like countless sharp knives, constantly shooting out fire on Chen Ping's body, and some even left a deep wound!

Chen Ping held the Dragon-Slaying Sword in his hand, the spiritual power in his body exploded, and he struck the copper bell with a fierce sword!

The domineering sword energy seemed to open a gap in the entire space, but when the sword energy touched the copper bell, it turned into nothing!

This sword couldn't stop Tong Ling's suppressive power at all!

"Chen Ping, it's useless. This is the Long family's artifact. You can't resist it."

Long Xiao looked at Chen Ping with ferocious eyes!

Originally, he thought that he could win easily if he fought with Chen Ping, but he didn't expect that Chen Ping's strength exceeded his imagination, and he directly gave up five moves to him, and finally forced himself to sacrifice a divine weapon.

"Is this worthy of being called a divine weapon?"

Chen Ping gritted his teeth, and the power of the dragon in his body exploded. Then a dragon roar echoed through the sky, and Chen Ping slashed out with his sword again!

I saw a golden dragon making a breathtaking dragon roar and heading towards the copper bell.

boom.....

Golden light shone everywhere, and the golden dragon disappeared, but the copper bell did not have any damage, not even stagnant.

“Hahaha... I said, you don’t have to waste your efforts, just accept death obediently. If you kneel down and kowtow to me now, I may be kind enough to spare you from death.”

Long Xiao looked at Chen Ping with a sneer on his face.

Chen Ping ignored him, and the power of the dragon in his body surged again!

However, this time the power of the dragon in the body was not controlled by Chen Ping, but directly penetrated into the dragon crystal in Chen Ping’s body!

Soon, the golden light on Chen Ping’s body turned into a color that was half fiery red and half icy blue, and Chen Ping’s body slowly became transparent, so transparent that even the bones in his body could be seen clearly!

“what is that?”

Someone discovered that inside Chen Ping, a spherical thing was emitting light. The spherical thing was half fiery red and half icy blue, so Chen Ping’s entire body was mapped like this!

“Dragon crystal, is that the dragon crystal that Chen Ping swallowed?”

“No, how could dragon crystal be like this? How could it have two colors?”

“Look, the copper bell is actually motionless.”

Someone discovered that the copper bell that was originally moving towards Chen Ping stopped moving under the illumination of this two-color light.

Long Xiao also seemed to have noticed something was wrong, and there was panic on his face. He pointed the long sword in his hand at the copper bell, and a blue light shot out!

Chapter: 1563

“Suppression...”

The copper bell made a rumbling sound and began to rotate rapidly.

But no matter how the bell spins, it doesn't think about Chen Ping getting closer!

At this moment, Chen Ping's body became transparent and illusory, as if he suddenly became invisible, and then the two-color dragon crystal slowly flew out of Chen Ping's body!

In an instant, the light emitted by the two-color dragon crystal was even more powerful than the sun.

Everyone only felt a breath as vast as the sea and extremely sharp emanating from the dragon crystal!

A dragon roar sounded, and everyone couldn't help but cover their ears!

Then a colorful ray of light hit the rotating copper bell!

Wow.....

At this moment, the copper bell was like fragile glass, breaking with just a slight touch.

Everyone was dumbfounded when they looked at the broken copper bell.

Is this still an artifact?

An artifact was destroyed so easily?

The killing aura disappeared, the dragon crystal instantly returned to Chen Ping's body, and the light also dissipated without a trace!

There was silence.

Everyone looked at what was happening in front of them in disbelief.

There were people swallowing saliva and breathing heavily.

At this moment, all eyes fell on Chen Ping.

"The treasures in Chen Ping's body are far more than we know..."

Zhu Zhishan's eyes were fiery, looking at Chen Ping as if he were seeing a beautiful woman.

In the surrounding stands, many people began to look at Chen Ping with greedy eyes.

But at this moment, Chen Ping ignored these greedy glances, but looked at Long Xiao with cold eyes.

"Now, let me see what other trump cards you have..."

Chen Ping said, the dragon-slaying sword in his hand burst out with murderous intent, and then slashed out with one sword!

Chapter: 1564

When Long Xiao saw this, he was so frightened that he turned around and ran away. At this moment, he no longer cared about face or being embarrassed.

The strength Chen Ping showed completely shattered his remaining fighting spirit!

Uh-huh...

With a slash of the sword, a deep blood mark instantly appeared on Long Xiao's back. After a stagger, Long Xiao fell to the ground!

Chen Ping put away the Dragon-Slaying Sword and directly picked up Long Xiao.

"This is the eldest young master of the Long family, but that's it..."

Say it, Chen Ping slapped him, and Long Xiao's face instantly swelled!

"Admit defeat and bark like a dog..."

Chen Ping said slowly after slapping Long Xiao.

Chen Ping's words shocked everyone. They didn't expect that Chen Ping would not give up after defeating Long Xiao and would be so humiliated.

Is this a deadly feud with the Long family?

"Chen Ping, don't be proud, I am..."

Snapped!

Before Long Xiao could finish speaking, Chen Ping slapped him.

"Chen Ping, I..."

Snapped!

Another slap made Long Xiao's face deformed.

"Stop, stop it..."

Long Jingguo suddenly stood up, murderous aura rising from his body.

"Master Long, this is a competition, do you want to break the rules?"

Upon seeing this, Zhao Wuji asked Long Jingguo loudly.

He was afraid that Long Jingguo would suddenly attack Chen Ping!

"Fuck the rules..."

Long Jingguo watched his son being beaten like a dead dog, so he didn't care.

Chapter: 1565

But just when Long Jingguo was about to move, two peak martial arts auras suddenly pressed towards him!

Dong Jiahao had a sneer on his face: "The dignified head of the Long family wouldn't be so shameless that he would think of father and son teaming up to fight one person, right?"

"Dong Jiahao, it's none of your business here. Our two families are not in conflict with each other, so get out of here!"

Long Jingguo's eyes narrowed slightly, and his whole body was full of murderous aura.

“Damn it, old man, you are old. I call you the head of the Long family, but you dare to scold me. Do you believe that I will crush your Long family?”

Dong Jiahao is not afraid of Long Jingguo. Although he is not strong himself, he has the Dong family and his father’s support behind him!

“you wanna die.....”

Long Jingguo was furious. In front of so many people, Dong Jiahao, a young man, dared to scold him.

Seeing that Long Jingguo was about to take action, the two strong men at the peak of martial arts brought by Dong Jiahao immediately protected Dong Jiahao behind him.

The atmosphere at the scene suddenly became tense, and the war was about to break out!

“Everyone stop...”

Seeing this, Zhu Zhishan could only speak.

If the two sides really fight, the commotion will be huge and the situation will be turned upside down. As the leader of the Martial Arts Alliance, he will not be able to follow Mr. Shi’s instructions.

When the official comes forward and bans their martial arts alliance, the gains outweigh the losses.

“Go back and sit down. Do you think I don’t exist?”

Zhu Zhishan’s face turned cold, and the aura on his body spread out. The faces of several people present became ugly, and then they sat back obediently.

Chen Ping on the other side has beaten Long Xiao into a pig's head!

“Do you admit defeat? Do you admit defeat?”

Every time Chen Ping asked a question, he slapped Long Xiao hard on the face!

At this time, Long Xiao was about to cry without tears, his face was swollen like a pig's head, and his mouth was speechless. How could he admit defeat?

Long Xiao could only nod desperately, but Chen Ping seemed not to notice.

“Aren't you very arrogant? Aren't your Long family very awesome?”

“Today I will kill all the arrogance in you!”

“Who do you think the Long family is? You are all robbers and thieves!”

Chapter: 1566

Chen Ping scolded him while beating him, which almost made Long Jingguo in the stands angry to death.

Seeing that Long Xiao was almost beaten, Chen Ping's eyes flashed fiercely, and then golden light flashed on his palms!

“Today next year will be your death anniversary...”

Chen Ping had murderous intentions and slapped Long Xiao on the head.

Everyone was shocked when they saw that Chen Ping ignored the rules and really wanted to kill Long Xiao!

“stop.....”

When Guo Wei saw this, he shouted angrily, and then his body disappeared in a flash, and his terrifying aura pressed towards Chen Ping!

“Dare to ignore the rules of the alliance, damn it...”

Guo Wei saw that Chen Ping really wanted to kill Long Xiao, so he used this as an excuse to get rid of Chen Ping!

Chen Ping looked at Guo Wei with cold eyes and said, “I think it’s you who deserve to die...”

boom.....

Chen Ping showed no sign of weakness and punched Guo Wei hard!

The fists touched each other, and the whole earth was shaking!

Guo Wei only felt a huge force coming, his body couldn’t help but retreated, and the tiger’s mouth was even numb!

Chen Ping’s body flew out instantly, and Long Xiao in his hand was also thrown to the ground!

Long Xiao was on the ground, crawling desperately towards Guo Wei. He didn’t want to die.

A trace of blood appeared where Long Xiao had crawled. At this time, Long Xiao was already in an extremely embarrassed state, and he still looked like the eldest young master of the Long family.

“Did I say let you go? I let you die, and no one can stop me...”

Looking at Long Xiao who kept crawling towards Guo Wei, Chen Ping's eyes narrowed, and then he slapped Long Xiao with his palm.

This palm contained all the anger in Chen Ping's heart during this period.

The anger of his own mother who was imprisoned for twenty years.

Su Yuqi was angry at being captured and used as a guinea pig.

This anger has been held in Chen Ping's heart, and he is about to explode at this moment!

"Shu Zi is rude and dares to commit murder in front of me..."

Chapter: 1567

Guo Wei was so angry that as a director of the alliance, Chen Ping ignored him.

After saying that, Guo Wei also slapped a palm, and the two people collided again instantly!

Chen Ping's body retreated continuously, while Guo Wei's body swayed, and then he picked up Long Xiao, threw it gently, and threw it in front of Long Jingguo.

"Xiao'er..."

Long Jingguo hurriedly caught Long Xiao. Seeing his son's miserable state, Long Jingguo's face was full of anger.

"Master, let's take the young master back for treatment as soon as possible!"

Long Xingxu felt happy when he saw Long Xiao like that, but he said with a very anxious expression on his face.

“Walk.....”

Long Jingguo glared at Chen Ping fiercely, then hugged Long Xiao and walked out of the venue directly.

Seeing Long Jingguo leaving with Long Xiao, Chen Ping glared at Guo Wei: “Long Xiao is gone, then you will die on his behalf...”

Chen Ping’s words were not loud, but everyone heard them clearly.

Chen Ping is openly following Guo Wei and clamoring?

Isn’t this because the birthday girl always eats arsenic because he thinks he will live longer?

After hearing this, Guo Wei smiled coldly: “Boy, you are too crazy. Do you think that if you defeat Long Xiao, you will be invincible?”

“I don’t know if you are invincible, but what I know is that you must die today. If you dare to catch my girlfriend, I will not let you go!”

After Chen Ping finished speaking, a monstrous murderous intention erupted from his body. Endless killing energy began to fill the air, and Chen Ping’s eyes also turned scarlet!

Feeling the killing intent in Chen Ping, Guo Wei did not dare to neglect, his body glowed with a faint white light, and he gritted his teeth and said: “You have repeatedly provoked me, if I don’t kill you today, how can I convince the public in the future?”

Chen Ping ignored Guo Wei, the power of the dragon surrounded his fists, deafening dragon roars sounded, and the aura on Chen Ping’s body increased rapidly.

The body shining with golden light bursts out with infinite power!

Bang bang bang.....

Chen Ping punched three times in a row, and with each punch, a golden dragon flashed out, the wind roared, and the void trembled!

“court death.....”

Seeing this, Guo Wei suddenly punched Chen Ping’s fist. Every punch of Guo Wei was like a fast cannonball, hitting Chen Ping’s fist hard!

Rumble.....

Chapter: 1568

With loud explosions, the heaven and earth collapsed, the avenue roared, and the endless air waves directly knocked many people in the stands to the ground.

The peak of Wuzong is, after all, the peak of Wuzong. Long Xiaozong’s strength is infinitely close to the peak of Wuzong, but compared with Guo Wei, he is still inferior in strength!

Chen Ping gritted his teeth, and the spiritual power in his body seemed to be free of charge. He punched out one punch after another. The dragon’s roar echoed through the sky, shaking everyone’s hearts!

Guo Wei frowned and kept exerting the energy in his hands. Soon, cold sweat appeared on Guo Wei’s forehead!

On the other hand, Chen Ping was almost crazy. A golden dragon hovered above Chen Ping’s head, and every punch he threw was accompanied by a dragon roar!

However, at this time, the golden light on Chen Ping’s body was getting darker and darker, and the dragon’s roar was no longer deafening.

Soon, after throwing more than a dozen punches, the golden dragon hovering above Chen Ping's head disappeared. The power of the divine dragon was also exhausted by Chen Ping's desperate consumption. The spiritual power in Chen Ping's dantian had dried up!

Lien Zhan Long Xiao and Guo Wei, no matter how much spiritual power Chen Ping has, it will be difficult to support them!

However, Guo Wei's figure was shaking at this time, and he was obviously exhausted.

"ah....."

After Chen Ping exhausted the last bit of spiritual energy in his body and threw a punch!

Finally, my body couldn't hold it any longer, and I suddenly knelt on the ground. The cold sweat on my forehead was as low as rain!

Guo Wei was directly knocked back by this punch, his face turned pale, and he was breathing heavily.

Guo Wei's face looked ferocious at the moment, and his eyes were filled with murderous intent!

He wished he could go over and slap Chen Ping to death right now, but at this time, all the energy in his body was almost exhausted.

"Is this Chen Ping too powerful?"

Everyone looked at Chen Ping in shock!

One person fought against Long Xiao and Guo Wei one after another, and he was able to drain all the energy in Guo Wei's body!

"Go to hell..."

Chen Ping's eyes turned red, and then he charged towards Guo Wei like a bull!

Without his spiritual power, Chen Ping relied on his strong body to fight Guo Wei. Even if he bites with his teeth, he will avenge Su Yuqi!

Seeing Chen Ping rushing over like crazy, Guo Wei gritted his teeth, mustered up his last bit of energy, and slapped Chen Ping hard on the shoulder!

Click...

There was a crisp sound of bone cracking, and Chen Ping's shoulder was smashed directly, but Chen Ping did not stop, but hit Guo Wei's head hard!

Chapter: 1569

This brutal and lifeless fighting style made everyone's hearts tremble!

Guo Wei's head was hit instantly and his head was bleeding. With blood on his face, he looked very nervous!

After wiping the blood from his head, Guo Wei became furious instantly!

"I kill you....."

Guo Wei roared angrily, as a director of the alliance, everyone respected him, how could he have ever been so humiliated!

And now Chen Ping actually made him embarrassed in front of so many people.

And he was told to follow Chen Ping to fight like a reckless man!

“I want to kill you too...”

Chen Ping’s eyes widened with anger. At this moment, he had already made plans to fight for his life.

Guo Wei suddenly bit the tip of his tongue, and a stream of blood shot out, and then the aura in Guo Wei’s body began to surge rapidly.

“Holy crap, is this Guo Wei crazy? He actually burns blood essence?”

“This Chen Ping is so awesome, he made Guo Wei burn his blood!”

“It seems that Chen Ping is in trouble today.”

Everyone looked at the scene in front of them in shock. Chen Ping forcefully forced a strong man at the peak of the martial arts to burn his blood!

“stop.....”

At this time, a terrifying strong wind struck, directly separating Guo Wei and Chen Ping!

Zhu Zhishan looked at the two of them coldly. He didn’t want to lose a director because of this!

“You step back...”

Zhu Zhishan looked at Guo Wei and said.

“Leader, this Chen Ping is provoking the prestige of the Martial Arts Alliance. We must not spare him...”

Guo Wei said angrily.

“I will handle this matter, please step back...”

Zhu Zhishan’s tone increased. When Guo Wei saw this, he put away his breath and retreated.

Zhu Zhishan looked at Chen Ping: “Chen Ping, you are very strong and talented, but it’s a pity that you are too arrogant. If you can endure the humiliation and bear the burden, maybe I won’t be your opponent in a few years. It’s a pity that you are too young. I don’t know why any beautiful tree in the forest will be destroyed by the wind...”

Chapter: 1570

“Endure the humiliation and bear the burden?” Chen Ping smiled coldly: “I can tolerate your numbness. I want to endure it, but will you let me endure it?”

“You spy on my treasures and take them by force.”

“You sent someone to capture my girlfriend and put her in a dungeon!”

“If I endure it any longer, I will no longer be a fucking man, so I will fight with your martial arts alliance to the end...”

Chen Ping said through gritted teeth.

Everyone was shocked and looked at Chen Ping in disbelief. None of them expected that Chen Ping would even dare to insult Zhu Zhishan!

However, what Chen Ping said was that Zhu Zhishan spied on Chen Ping’s treasures and took his girlfriend away. If it is true, it would be too insidious.

After all, Zhu Zhishan is the leader of the martial arts alliance. He is the person who presides over the order of the entire martial arts world in Kyoto. Any sect family can do whatever it takes to get Chen Ping’s treasures, but Zhu Zhishan cannot!

Zhu Zhishan's face became very ugly, and his brows were knitted tightly together.

"Chen Ping, I now declare that you ignore the rules of the alliance and blatantly violate the order of the alliance, so you will be arrested and taken into custody..."

As soon as Zhu Zhishan finished speaking, four law enforcement elders from the Martial Arts Alliance immediately surrounded Chen Ping.

"I'm not from your martial arts alliance, so why should I follow your so-called rules? Then Long Xiao's use of poison to kill me is in compliance with the rules. If I kill him, it will be against the rules. Which fucking rules are these?"

"Since I dare to come today, I am not afraid of your shady background. Your martial arts alliance has always claimed to be a famous and upright family. In fact, you are not even as good as those evil cultivators. You are all robbers and thieves..."

Chen Ping looked upright, with no trace of fear on his face!

"It's useless what you say now!" Zhu Zhishan's eyes narrowed slightly, and then ordered: "Take him away..."

The four law enforcement elders were about to attack Chen Ping, but they saw Zhao Wuji, Zhao Liguo, Dong Jiahao and others rushing over, all standing behind Chen Ping!

"I wish you the best, Mr. Chen is the instructor of our Dharma Protector Pavilion, you can't just take him away!"

Zhao Wuji said with a cold face.

"I don't care who he is. Since he has violated the rules of the alliance, it is up to me to control him. If you are talking too much, believe it or not, I will take you away with you?"

Zhu Zhishan glanced at Zhao Wuji coldly and said.

“you.....”

Zhao Wuji was so angry that he trembled all over: “Aren’t you afraid that I will report it to Mr. Shi?”

“What can you do if you report it to Mr. Shi? I said, I will take care of this matter!”

Zhu Zhishan’s eyes were full of coldness: “Get out...”
