

## The Order 1571

Chapter: 1571

There was a sudden sound of the word “Go”, and Zhao Wuji’s body was shaken. He took a few steps back, and blood began to flow out of his ears!

The strength of Zhao Wuji and Zhu Zhishan is incomparable. The two of them are no longer in the same world.

“Is your martial arts alliance so shameless?”

Dong Jiahao said with a cold snort.

Zhu Zhishan looked at Dong Jiahao instantly: “Dong Jiahao, you have nothing to do here. You’d better get out. If you piss me off, let alone two martial arts peaks protecting you, even if there are ten, I can kill you easily.” Life.....”

“you.....”

Dong Jiahao was furious, his eyes full of anger.

“Master...”

At this time, the two top martial arts masters of the Dong family directly grabbed Dong Jiahao!

They knew that with the strength of the two of them, there was no way they could fight with Zhu Zhishan, not to mention that there were four law enforcement elders from the Martial Arts Alliance here!

“Brother Dong, thank you. Please step back. I don’t want you to get hurt because of me...”

Chen Ping also knew that his little strength was not enough to compete with the Martial Arts Alliance.

Dong Jiahao was dragged down by two men.

“You guys can go down too!”

Chen Ping turned around and looked at Zhao Ligu, Bai Xiushan and the others!

“Mr. Chen.....”

Neither Zhao Ligu nor Bai Xiushan wanted to go down, after all, they were now tied to Chen Ping.

“Brother Chen, we fought with them. I don’t believe that in front of so many people, the martial arts alliance dares to kill us all...”

Zhao Chuang said without fear.

But just as Zhao Chuang finished speaking, Zhu Zhishan waved his hand, and Zhao Chuang’s body flew backwards!

“Chuang’er...”

Zhao Ligu hurriedly stepped forward and helped Zhao Chuang up.

Chen Ping gritted his teeth and said with a ferocious look on his face: “The person you want to deal with is me. If you have the ability, just attack me...”

“Chen Ping, you are too young to fight with the Martial Arts Alliance. Just because these people behind you want to fight with me? I only need to say a word, and there are people on the scene who will kill them for me.”

Chapter: 1572

“You just surrender and stop struggling fearlessly.”

Zhu Zhishan said to Chen Ping arrogantly.

“I’ll tie your mother up...”

Chen Ping had already put life and death aside, and today, regardless of life or death, he wanted to have fun once again!

After saying that, he slapped the Zhuzhi Mountain with one palm!

Zhu Zhishan frowned, his figure disappeared in a flash, and he returned directly to the stands!

“Catch him...”

Zhu Zhishan would not follow Chen Ping in person. With so many people watching, if he and Chen Ping did it in person, it would look like they had no status.

When the four law enforcement elders heard this, they immediately attacked Chen Ping!

Four invisible shackles came towards Chen Ping to suppress him. In an instant, Chen Ping’s limbs were bound, making Chen Ping unable to move!

Chen Ping’s eyes widened, the golden light on his body began to flicker, and part of the dragon’s power was restored. At this moment, Chen Ping burst out!

“ah.....”

Chen Ping roared angrily, gritted his teeth, and resisted desperately, trying to break free of the shackles!

But these four law enforcement elders are all at the peak of the Wuzong. They only obey the orders of the alliance leader. Even Guo Wei has no right to order them!

Chen Ping struggled wildly, and when the four law enforcement elders saw this, they looked at each other and instantly a ray of light emitted from their hands.

This ray of light was like an electric current, flowing along the shackles to Chen Ping's body!

Chen Ping's body was shaking violently, and streams of blood shot out from Chen Ping's body!

Boom.....

Chen Ping's body couldn't bear it and he fell to the ground.

"Humph, you don't overestimate your capabilities..."

Looking at Chen Ping who fell to the ground, Zhu Zhishan snorted coldly!

Just when the four law enforcement elders wanted to step forward and take Chen Ping away, they were surprised to find that Chen Ping slowly stood up.

Between Chen Ping's eyebrows, there was a flash of bright red, burning like a flame!

Golden light once again enveloped Chen Ping's body, and pieces of scales grew out, wrapping Chen Ping's body!

Chapter: 1573

Even Chen Ping's eyes could see beating flames.

“This Chen Ping is actually burning his essence and blood. He is struggling to his death!”

“Such a talent is going to be destroyed here today. Burning the essence and blood is tantamount to killing the goose that takes the egg!”

“It’s useless. I have never heard of anyone who can escape the shackles of purgatory from the law enforcement elder...”

Everyone was talking, and some felt sorry for Chen Ping!

After all, it is not easy for a genius to appear in the martial arts world, and Chen Ping is a genius, but Chen Ping’s temperament is destined to make him unable to go far!

“Stop struggling. If you continue to struggle, you will die on the spot...”

Zhu Zhishan said coldly.

Chen Ping gritted his teeth and looked at Zhu Zhishan with his scarlet eyes. The golden light emanating from his body continued to skyrocket!

“ah.....”

Chen Ping roared, and then a golden dragon rose into the sky from within his body!

Chen Ping’s body instantly exuded an unprecedented aura, which no one had ever felt before!

It was like it was emanating from the Nine Nether Hell, with a strong smell of death in the breath!

Everyone was startled by this breath, and their whole bodies were trembling!

When the four law enforcement elders saw this, their veins popped out, and they pressed towards Chen Ping with a steady stream of suppressive power!

The essence and blood in Chen Ping's body was burning fiercely, and the golden light on his body surged, as if the sun was falling from the sky!

“kill him.....”

When Zhu Zhishan saw this, the muscles in the corners of his eyes twitched and he ordered loudly.

The four law enforcement elders nodded, and in an instant they all gathered a breathtaking power. The four forces combined together, a heaven-destroying aura swept through the entire venue!

Rumble.....

The earth trembled and the sun and moon lost their light...

No one can survive the four law enforcement elders joining forces!

A force that tore apart time and space struck Chen Ping hard.

At this moment, Chen Ping was still restrained. He could only watch helplessly as this force was about to penetrate his body, but there was nothing he could do!

Chapter: 1574

He can't break free from this invisible shackles!

“The four great law enforcement elders of the Martial Arts Alliance are teaming up to deal with a young man. How shameless are you?”

With a roar!

A ray of light flashed from the sky!

The force that tore apart time and space was instantly torn apart, and the scene instantly returned to calm!

Everyone was startled and looked around hurriedly, and found that in the distance, four figures were getting closer and closer!

Even though they were far apart, everyone could feel the terrifying auras of the four people.

The invisible shackles controlling Chen Ping also disappeared instantly, and the faces of the four law enforcement elders became extremely ugly!

“The four evil men in the Valley of the Wicked...”

I don't know who shouted, and the scene was suddenly filled with exclamations!

Everyone's heart is in their throats. These four villains are moody. If one of them is unhappy, all of them may be in trouble now.

Zhu Zhishan's expression changed again and again. He looked at the four villains from far away and hurriedly whispered a few words into Guo Wei's ear.

Guo Wei nodded and disappeared.

Chen Ping slowly raised his head and looked at the four people who had saved him!

I saw the bodies of four people floating down, each of them looking very unique!

One of the old men with a bald head and a gray beard looked at Chen Ping who was lying on the ground. He waved lightly and a soft force wrapped Chen Ping. Then the injuries on Chen Ping's body were visible to the naked eye. Speed recovery.

"Mr. Chen..."

At this time, Zhao Wuji, Zhao Ligu and others rushed up and helped Chen Ping up.

"Thank you to the four seniors for helping me!"

Chen Ping bowed slightly towards the four people and said.

"No need to thank us, we are just entrusted by others, but at such a young age, you dare to provoke the Kyoto Martial Arts Alliance. You are really brave..."

The old man with the gray beard said.

Seeing that these four people were entrusted by others, Chen Ping fell into deep thought. Who would entrust them here?

"Pavilion Master Zhao, who are these four old men?"

Chapter: 1575

Chen Ping asked Zhao Wuji.

"Mr. Chen, these four people are the four most evil people in the Valley of Evil. The one who just talked to you is Ding Buda, the one next to him with long hair is Ding Buer, the fatter one is Ding Busan, and the thinnest one is Ding Buer. No four..."

Zhao Wuji followed Chen Ping's introduction in a low voice.

“Four evil men, four evil men?”

Chen Ping frowned slightly. He seemed to have heard of these people before. Suddenly, Chen Ping remembered that he had heard the names of the four evil people from Long Wukou.

Wu Meier was picked up by the four evil men at that time, and later she was given to Long Wu by Ding Busan to be raised!

From this point of view, these four villains were most likely entrusted by Long Wu, but Chen Ping just didn't understand how Long Wu knew these people.

“Ding Buda, are you going too far by arbitrarily interfering in the affairs of our Kyoto Martial Arts Alliance?”

Zhu Zhishan walked onto the stage and asked with a cold expression.

“If it's too much, you'll be paralyzed... Isn't it too much for a bunch of you to bully a child? Don't fucking drag me around. It's useless. Today we are here to take him there. If you don't accept it, we will make signs...”

Ding Buda cursed loudly, making Zhu Zhishan's face turn red!

Listening to Ding Buda's words, Chen Ping suddenly wanted to laugh. He didn't expect that these four villains, at such an age, could speak so bluntly and curse people when they opened their mouths!

But Chen Ping likes this kind of temperament!

It seems that these four people are called the Four Evil Men for a reason.

“You...you...” Zhu Zhishan's face flushed with anger and he pointed at Ding Buda: “Do you, the Evil Valley, want to challenge the entire martial arts world?”

“Bah...” Ding Buda sighed, and then said coldly: “If you want to be shameless, your Kyoto Martial Arts Alliance can’t even represent the entire Kyoto martial arts family. If you still want to represent the entire martial arts world, you can’t Take a pee and take a look at yourself.”

“Brother, this guy probably can’t even pee. You forgot that he practiced evil skills and ruined his ability to be a man.”

Ding Buer said jokingly on the side.

“Second brother, is that the Sunflower Manual you are talking about? You see that Zhu Zhishan has a beard on his mouth, so he must not be practicing the Sunflower Manual.”

Ding Busan looked at Zhu Zhishan and suddenly smiled sadly: “He must have practiced well...”

“Shut up, shut up...”

Zhu Zhishan was anxious. No one knew about his evil practice, and the four evil men certainly didn’t know about it. But he knew that the other party was just talking nonsense, but this deeply hurt Zhu Zhishan’s nerves.

“Hahaha...” After hearing what a few people said, Chen Ping couldn’t help laughing!

Looking at Zhu Zhishan, his face was extremely cold and he was gritting his teeth!

Chapter: 1576

“Zhu Zhishan, you can’t kill me today, but sooner or later I will kill you, and you guys...”

Chen Ping looked at Zhu Zhishan coldly, and then moved his eyes to the four law enforcement elders.

The four law enforcement elders did not care at all about Chen Ping’s threat. Although Chen Ping showed strength and was already very strong at his age, the stronger the strength, the more difficult it would be to break through.

I'm afraid that even after ten or eight years, Chen Ping may not be the opponent of the four of them. Besides, whether Chen Ping can live that long is still unknown!

"I'm waiting for you, but I just don't know if your beloved can wait until the day you kill me..."

Zhu Zhishan's eyes narrowed slightly and he said lightly threateningly.

"If you dare to hurt Yu Qi, I will destroy your whole family..."

Chen Ping burst out with bloodthirsty murderous intent!

"Young man, it's best not to talk big before you lose your strength. Just because the four of us can come to save you today doesn't mean we will save you forever. Be smart."

After Ding Buda finished speaking, he turned and walked towards the outside of the venue.

The four villains walked out and no one dared to stop them.

Chen Ping was supported by Zhao Chuang, and everyone walked out!

Zhu Zhishan watched Chen Ping leave, the killing intent in his eyes getting stronger and stronger!

Everyone walked out of the venue, and many people who were not qualified to enter were waiting outside. The guy who placed bets on Chen Ping and Long Xiao had already happily ran over to exchange money for those who bet on Chen Ping's victory!

This time, this guy made a lot of money, and many people overwhelmed Long Xiao. Now all the money has gone into his pocket as the banker!

“Young man, you can take care of yourself. It’s time for us to leave. Even if we see you in danger next time, we won’t care. This time we are just returning the favor...”

After Ding Buda finished speaking, he took the other three people and prepared to leave.

“Thank you four seniors for your great kindness. I will remember it!”

Chen Ping raised his fist towards the four villains and said.

Just when Ding Buda was about to take the others away, he suddenly found the Tianlong Ring on Chen Ping’s hand, which was holding his fists!

There was a look of horror in Ding Buda’s eyes, but it only faded away!

“Come with me, I have something to ask you...”

Ding Buda waved to Chen Ping!

Chen Ping was very surprised, but he still followed Ding Buda to the side!

Chapter: 1577

When Chen Ping followed Ding Buda to the hiding place, Ding Buda suddenly turned around and knelt down to Chen Ping!

“senior.....”

Chen Ping quickly stepped forward to help Ding Bu Da, not understanding what Ding Bu Da was doing.

But no matter how hard Chen Ping tried, Ding Bu Da didn’t move at all!

“My subordinate, Ding Bu Da, pays homage to the Master of Tianlong Palace...”

Ding Buda said respectfully.

When Chen Ping heard this, his whole body roared and his head went blank!

Master of Tianlong Palace?

Could it be that this Valley of Evil is also an entrance to Tianlong Palace?

This surprised Chen Ping. You must know that the strength of the Evil Valley is very strong. These four evil people may have already reached the realm of Wuhou. Otherwise, how could they not be afraid of the Kyoto Martial Arts Alliance.

But such a powerful person could actually be a member of Tianlong Palace?

How terrifying is this Tianlong Temple?

What are the strengths of the other halls?

It took a long time for Chen Ping to wake up from the shock.

“Senior, you... how did you join Tianlong Palace? Who was the previous palace master?”

Chen Ping asked with some urgency.

Now that he knows that this Tianlong Ring is his, his father gave it to his mother, and now his mother gave it to him, then the previous master of the Tianlong Palace must be his father.

But who knows, Boss Ding shook his head: "Palace Master, you can just call me Ding Bu Da. I can't bear the word "senior". I don't know who the previous master of Tianlong Palace is. We just Recognize the Tianlong Ring."

"As for how we joined the Tianlong Palace, it's a long story..."

Boss Ding followed Chen Ping and told him what happened more than 20 years ago.

Back then, the Valley of the Evil Ones was besieged by many sects and families in the martial arts world, and everyone in the Valley of the Evil Ones was about to die.

Just then, a mysterious man saves them!

With his own strength, he repelled the attacks of hundreds of martial arts masters.

At that time, the Valley of the Evil became an entrance to the Tianlong Palace, and Ding Buda had been waiting for the appearance of the Tianlong Ring!

Chapter: 1578

"Is that mysterious man my father?"

Chen Ping muttered to himself!

At this moment, Chen Ping actually had some expectations in his heart. He wanted to know the identity of his father, and he also wanted to know where the other members of the Tianlong Palace were and what their strength was.

Along the way, Chen Ping found that at every stage, when he was in difficulty, he would encounter someone from the Tianlong Palace!

Lin Tianhu in Hongcheng, Chifeng in the provincial capital, Shadowless Villa in Kyoto, and now the Valley of the Evil Ones...

“Is this the road my father has paved for me?”

Chen Ping fell into deep thought.

Just when Chen Ping was deep in thought, suddenly there was a commotion at the door of the venue, waking Chen Ping up!

I saw Guo Wei bringing more than a dozen people from the Martial Arts Alliance, each of whom was above the eighth-level martial arts. Looking at this scene, Chen Ping frowned slightly.

It seems that the foundation of this martial arts alliance is not as deep as it is, and it actually has so many martial arts masters!

Chen Ping followed Ding Buda and walked over.

When Zhu Zhishan saw that Chen Ping hadn't left yet, he raised his lips and said, “Chen Ping, are you reluctant to leave?”

Chen Ping had a cold face but said nothing.

“Do you still want to taste what it's like to be suppressed? If you do, we four brothers wouldn't mind letting you have a taste...”

Seeing that Chen Ping was silent, one of the law enforcement elders said coldly.

But just as the law enforcement elder finished speaking, Ding Buda flashed and disappeared in an instant, and then appeared in front of the law enforcement elder!

Snapped!

Ding Buda slapped him with a palm, and the law enforcement elder's head instantly shattered!

This sudden change directly splashed Zhu Zhishan's blood.

At this moment, everyone was stunned. No one expected that Ding Buda would kill someone just because he wanted to, and the person he killed was the law enforcement elder of the Martial Arts Alliance.

The incident was so sudden that Zhu Zhishan didn't even have time to take action.

Even Chen Ping was stunned for a moment. He didn't expect Ding Bu Da to have such a hot temper!

"Ding Bu Da, you...you..."

Zhu Zhishan's whole body was trembling with Qi, while the rest of the martial arts alliance all had their Qi rising, and their eyes were filled with murderous intent.

Chapter: 1579

"Whoever dares to be disrespectful to Mr. Chen again will be killed on sight..."

Ding Buda's face was full of murderous intent and his voice was cold.

Zhu Zhishan frowned, wondering if Ding Buda had taken the wrong medicine. Why did he suddenly defend Chen Ping so much?

"Bu Da Ding, if you kill my alliance elder at will, you must give me an explanation for this matter..."

Although Zhu Zhishan did not want to become an enemy of the Valley of Evil, but now that things have reached this point, many people are watching, and he just let the four evil people go so casually, how can he have any prestige as an alliance leader!

"Explain?" Ding Buda's eyes narrowed: "I'll give you an explanation. At worst, we will die together."

“Second brother, send a message to Guchi and summon everyone. I want to see what the Kyoto Martial Arts Alliance can do to us!”

“Brother...” Ding Buer shouted in embarrassment!

If the Kyoto Martial Arts Alliance really breaks out and starts a fight, the situation will definitely be a lose-lose situation, and there will definitely be rivers of blood!

Ding Buer also didn't understand why Ding Buer suddenly wanted to fight with the Kyoto Martial Arts Alliance.

“If I fucking ask you to do it, just do it...”

Ding Buda's face became angry!

Ding Buer didn't dare to say anything and hurriedly sent out the message!

When Zhu Zhishan saw this, his face became uglier than eating shit!

He never imagined that Boss Ding would die with his martial arts alliance for Chen Ping.

Zhu Zhishan didn't want to start a real fight with the Valley of the Evils, but this guy was just a piece of shit, and it seemed like he didn't have any steps for him.

Just when Zhu Zhishan was frowning and worried about how to deal with the matter, a man slowly walked over.

“Mr. Shi...”

Someone shouted, and soon everyone parted ways!

Seeing Mr. Shi coming, even the faces of the four villains became respectful!

“Mr. Shi, this Chen Ping blatantly violated the rules of the competition and wanted to kill Long Xiao. Now he has colluded with people from the Valley of the Evil to kill one of my elders. Now I am preparing to arrest Chen Ping.”

Seeing Mr. Shi actually coming, Zhu Zhishan hurriedly complained first.

“Zhu Zhishan, although I am not here, don’t treat me as a blind man. I know clearly what happened here, as well as the activities of your martial arts alliance. Do you need me to go into details?”

Mr. Shi looked at the Zhuzhi Mountain calmly.

Chapter: 1580

When Zhu Zhishan heard this, cold sweat instantly flowed from his forehead.

After talking about Zhu Zhishan, Mr. Shi looked at the four evil villains: “You also go back to the Valley of Evil. There are some things that are not beyond the official control, but because they are too lazy to do so. Do you understand?”

“understand.....”

Ding BuDa nodded continuously, and then glanced at Chen Ping. After Chen Ping nodded, Ding BuDa took a few people and left!

With Mr. Shi here, even if Zhu Zhishan wanted to kill Chen Ping, he did not dare to do it at this time and could only take the people from the martial arts alliance back.

This competition ended with Long Xiao’s disastrous defeat!

At the same time, both the Long family and the Kyoto Martial Arts Alliance suffered a serious loss of face.

Chen Ping's reputation was unparalleled for a while, and many people began to look at Chen Ping with admiration!

"You should be careful in the future. The Watanabe family in the island country will not let you go easily. Also, in the martial arts community in Kyoto, the strength you showed today will make many people unable to sleep. Your appearance will probably We are going to break the pattern that has been established in the Kyoto martial arts world for so many years..."

Mr. Shi persuaded Chen Ping.

"Thank you Mr. Shi for reminding..."

Chen Ping quickly thanked him.

Mr. Shi patted Chen Ping on the shoulder and left without saying anything!

.....

Kyoto Martial Arts Alliance!

Zhu Zhishan sat on the chair with a gloomy face!

The anger in his body kept rising. Today's incident almost made Zhu Zhishan angry to death...

Just when Zhu Zhishan was angry, a member of the alliance ran in, and then followed Zhu Zhishan and reported: "Alliance leader, Masao Nagamura, the foreign envoy of the island, wants to see you!"

"The foreign envoy of the island?" Zhu Zhishan was stunned and frowned slightly: "What does the foreign envoy of the island want to see me for?"

Zhu Zhishan was very confused. Although he was the leader of the Martial Arts Alliance, the Martial Arts Alliance was a non-governmental organization after all, and he, the leader, did not have any official position!

What did the diplomat of this island country do when he saw him?

“Let him in!” Although Zhu Zhishan was confused, he still let Nagamura Masao in.

Soon, Masao Nagamura walked in wearing a suit and a beard.

“Zhu Alliance Leader, I take the liberty of disturbing you...”
