

The Order 1581

Chapter: 1581

When Nagamura Masao saw Zhu Zhishan, he immediately bowed his hands politely.

Masao Nagamura knows the etiquette of Daxia very well, after all, he has stayed here for many years.

“Ambassador Changcun, I wonder what brought you here to me? I am just the leader of the Martial Arts Alliance. I don’t seem to have much to do with Ambassador Changcun, right?”

Zhu Zhishan asked with a slight smile.

“Master Zhu, I heard that a competition held by your alliance today made Master Zhu very angry, so I specially sent Master Zhu a dust-proof bead to calm Master Zhu’s anger!”

As Mr. Nagamura Masao spoke, he took out a wooden box and opened it, revealing a crystal clear bead.

I saw that there was still a trace of blood red inside the bead. When the dust-proof bead was taken out, the whole hall felt a sense of coolness!

Looking at the dust-proof bead, Zhu Zhishan’s eyes lit up, but he did not go to pick it up immediately. Instead, he pretended to be serious and said: “Ambassador Changcun, we have an old saying in Daxia, no reward for no merit, you suddenly give it away Is there something wrong with such an expensive gift from me? I think it’s better for you to talk about it first.”

“Haha, Alliance Leader Zhu is really cautious. I came to Alliance Leader Zhu to ask for something. I know that your martial arts alliance also hates Chen Ping and wants to kill him, but because of the pressure from above, you never have the chance to do it! ”

“You can leave the matter of killing Chen Ping to our island country’s killers, but what Zhu Meng mainly does is to find a way to let our killers enter the country smoothly. After killing Chen Ping, I guarantee that our people will Leave now!”

Nagamura Masao laughed and said.

Zhu Zhishan was stunned for a moment, thought for a while and said: "It is not difficult to let your people enter the country, but if this matter gets out, I, the leader of the alliance, will not be able to protect it!"

"I wish the alliance leader to rest assured that the news will never be leaked. If you let our people enter, our people will help you kill Chen Ping and eliminate a hidden danger. It is mutually beneficial. Why not?"

Nagamura Masao persuaded Zhu Zhishan.

Zhu Zhishan looked at the Bichen Bead in Chang Cun Masao's hand, gritted his teeth for the last time and said: "Okay, I promise you, but after your people kill Chen Ping, they will leave immediately..."

"No problem!" Nagamura Masao put the dust-proof beads on the table, then stood up to say goodbye!

As Masao Nagamura walked back, Zhu Zhishan put away the dust-proof beads and shouted to the door: "Come here, go and invite Director Guo!"

Soon, Guo Wei was invited, but Guo Wei's face looked ugly.

He was embarrassed today. He was watched by so many people and forced to burn his blood by Chen Ping.

Now his authority in the martial arts alliance may have dropped a lot.

If he couldn't kill Chen Ping Liwei, then he might not be able to hold the position of director for long.

"Guo Wei, do you think you are Chen Ping's opponent?"

Zhu Zhishan looked at Guo Wei and asked directly.

Guo Wei clenched his fists and said with cold eyes: "Alliance leader, although Chen Ping is powerful, it is not difficult for me to kill him. Give me five days and I will bring Chen Ping's head."

Chapter: 1582

"It's easy to kill Chen Ping, but I hope it can be done cleanly so that no one can find out about our martial arts alliance. Didn't you see that Mr. Shi has been protecting him?"

"There are many people who want to kill Chen Ping now. Why do we do it ourselves? You go there in person and use your connections to bring the killers of the Watanabe family into the country. Then the people of the Watanabe family will kill Chen Ping. With our martial arts alliance, it doesn't matter in the slightest."

Zhu Zhishan narrowed his eyes slightly, his eyes full of coldness!

Guo Wei was stunned for a moment, then said cautiously: "Leader, this...if Mr. Shi finds out about this, I'm afraid there will be big problems. Letting foreign assassins in privately, is this tantamount to treason?"

"It's a crappy country. Those people just entered the country to kill Chen Ping. Once they kill Chen Ping, they will leave naturally."

Zhu Zhishan glared at Guo Wei fiercely and said.

Seeing this, Guo Wei could only nod his head: "Okay, I'll make a trip right away..."

On the other side, after Chen Ping defeated Long Xiao, he didn't stay too much, but followed Yu Dong directly back to Yaoshen Valley!

Chen Ping is still worried about Gu Ling'er's safety!

He wanted to see if Xu Changsheng and the others had found any medicine that could break the toxins in Gu Ling'er's body!

When Chen Ping rushed back to Medicine God Valley, Gu Ling'er was still in a coma!

Xu Changsheng and the other elders were also at a loss what to do!

Chen Ping looked at the unconscious Gu Ling'er and knew that he had to take Gu Ling'er to the northwest in person.

Only by finding Kaiyuan of the Northwest King Valley can the poison on Gu Ling'er be unlocked!

"Chen Ping, how about the battle with Long Xiao? Did the four villains show up?"

Long Wu asked Chen Ping.

"Long Xiao was defeated. If the four evil men had not come forward, the Martial Arts Alliance would not have let me go..."

Chen Ping said with some lingering fear.

At that time, Chen Ping was indeed crazy and had not considered the consequences at all!

If the four evil men had not appeared, Chen Ping would probably be a corpse by now.

"I guessed that the Martial Arts Alliance wouldn't let you win easily, so I sent a message to the evil man Gu Feige, asking the four evil men to take action. The Martial Arts Alliance are all sanctimonious guys, and no one has any credibility!"

When the martial arts alliance was mentioned, Long Wu's face was full of anger!

“By the way, Uncle Long, how did you get to know the four villains in the Valley of the Evil? Can you still ask them to come forward?”

Chen Ping was very curious as to what kind of relationship Long Wu had with these four villains.

Chapter: 1583

Hearing Chen Ping’s question, Long Wu smiled helplessly, and then said: “Speaking of it, we have to start from more than 20 years ago. At that time, there were not only four evil people in the Valley of Evil, but five evil people. , I am Lao Wu...”

“However, it was your mother who saved me when I was being chased by my enemies. From then on, I left the Valley of the Evils and stayed with your mother, becoming her personal bodyguard. I became a member of the Long family and changed my name to Long Wu from then on. ”

“More than twenty years have passed since then, and the strength of the Valley of Evil has long since changed. However, the four evil people still give me face. If I need anything, they will help me if I ask...”

Listening to what Long Wu said, Chen Ping finally realized that Long Wu was actually a member of the Valley of the Evil before!

Chen Ping did not follow Long Wu to talk about Tianlong Palace, because Tianlong Palace was Chen Ping’s last trump card, and the fewer people who knew about it, the better.

After saying goodbye to Long Wu, Chen Ping rushed to the airport with Gu Ling’er!

The northwest is still a long way from Kyoto. It is at the very edge of Daxia and is considered the most barren place in Daxia. However, because there are many virgin forests here and the environment is good, many warriors like to practice here!

Chen Ping took Gu Linger and flew for more than five hours before landing in Xichuan City, the northwest provincial capital!

After getting off the plane, Chen Ping understood what true poverty meant!

A provincial city, in terms of prosperity, could not compare to the small city of Hongcheng.

“Brother, do you want to take a car?”

As soon as Chen Ping got off the plane, a taxi driver came up and asked.

Chen Ping nodded and got into the taxi with Gu Ling'er in his arms!

“Man, where are you going?”

the taxi driver asked after getting in the car.

“Take us to find a bigger hotel to rest first...”

Chen Ping asked the taxi driver to find a hotel to rest first.

Now Chen Ping doesn't know where the northwest king Gu Kaiyuan lives, so he has to fight him to Gu Kaiyuan's residence first.

“Brother, your accent sounds like you're from out of town, right? How come you're here? All the young people here have gone to work in other provinces, and no one wants to stay in this inhospitable place...”

The taxi driver really likes to chat, and he followed Chen Ping to chat!

“Find a friend...”

Chen Ping closed his eyes slightly and answered casually.

“Seeing that you are well-dressed, let me take you to the only five-star hotel here. It is the only five-star hotel in our entire provincial capital. I heard it is very luxurious inside.”

“I will never have the chance to live there in my life. I heard that it cost more than a billion to build this hotel. It’s very expensive...”

Chapter: 1584

The taxi driver chattered.

“Whatever!” Chen Ping replied casually.

Chen Ping has no special needs about which hotel to stay in. It makes no difference to Chen Ping where he stays.

“In the entire northwest, only the Northwest Wang Gu family can build a five-star hotel. However, I heard that the Gu family has been following the wealthy families in Kyoto recently. I heard that they want to move the family to Kyoto. If that happens, our Xichuan City will be even more deserted. .”

The taxi driver sighed.

But at this time, Chen Ping suddenly opened his eyes and asked with a bit of excitement on his face: “Master, do you still know about the Kaiyuan of Northwest Wang Valley?”

The driver was slightly stunned and immediately said: “How could you not know that in the entire northwest, the Gu family is called the second child, who dares to say that he is the boss, and the northwest king Gu Kaiyuan, I heard that there is no rival in the entire northwest, and the people in the entire northwest They are all afraid of him...”

“No one in the entire northwest can beat him?”

Chen Ping raised the corner of his mouth slightly, obviously not believing it. Gu Kaiyuan’s strength was at most eighth level martial arts. How could it be possible that no one in the entire northwest could beat him.

It's just that many powerful warriors don't care about this kind of competition for fame and profit, and they only focus on cultivation.

Otherwise, if Gu Kaiyuan can secure the top spot in the northwest, then the entire martial arts world in the northwest will be too weak.

"Don't believe it. I heard that the king of the northwest practiced magical powers and flew into the sky and into the earth, just like a god. Anyway, I have never seen it..."

The driver said mysteriously.

Chen Ping just smiled. For ordinary people, a martial arts master with eighth-level strength can indeed be called an immortal.

"Master, do you know where Gu Kaiyuan lives?"

Chen Ping asked.

"In the west of the city, there is a thousand-acre manor, which is where his family lives. But if you don't have an invitation, don't go there. If you don't get in, you might get beaten up. If you want to see the Northwest King, All must be booked in advance."

The driver reminded Chen Ping.

"Master, thank you. I was just asking casually. I don't know him. What are you doing there..."

Chen Ping smiled slightly.

Just as the driver was taking Chen Ping and the others towards the hotel, on a relatively remote road, a black car suddenly jumped out from behind!

They were directly scrapped together with the taxi. This shocked the taxi driver and he hurriedly got out of the car to check!

When he saw that the other party was driving a BMW, the driver's face changed color.

"Are you fucking blind? How did you drive?"

Chapter: 1585

Two people got out of the black BMW and cursed at the taxi driver!

"You two, I'm sorry, you rushed out suddenly and I didn't have time to brake..."

The driver quickly apologized to the two people.

It's just that one of them pushed the taxi driver relentlessly, while the other two quietly looked at Chen Ping in the taxi!

Although Chen Ping was sitting in the car, he had already noticed the guy secretly looking at him, and these two people had a faint aura of warriors about them.

These two people had deliberately hidden their auras, but Chen Ping could still detect it.

"You two, I'm in a hurry right now, so I just bumped into the car. How much does it cost, I'll just pay it to you..."

Chen Ping opened the car door and walked out.

One of them looked Chen Ping up and down, and Chen Ping deliberately revealed a little bit of his breath.

It was obvious that the expressions of both people changed slightly, but they recovered quickly.

“If I repair this car, it will cost at least three thousand...”

one of them said.

Chen Ping didn't say anything, he took out three thousand from his pocket and handed it over.

“Master driver, let's go, I'm in a hurry to take a rest...”

Chen Ping said to the taxi driver.

The taxi driver didn't dare to move until the taxi driver waved his hand impatiently: “Let's go, let's go...”

If the taxi driver was granted amnesty, he hurriedly got in the car and drove away.

“Brother, thank you so much. If it weren't for you, I would be unlucky. You don't know that these two guys are from the Gu family.”

said the taxi driver.

“People from the Gu family? How did you know?”

Chen Ping was slightly stunned, wondering how the taxi driver knew.

After all, the taxi driver is just an ordinary person, and it is impossible to feel the warrior aura in these two people.

“I could tell at a glance. Although they deliberately covered up the tattoos on their arms, I saw it as soon as I got out of the car. These people from the Gu family can't be offended...”

The taxi driver was frightened for a while.

Chapter: 1586

Chen Ping didn't say anything, but he was a little confused. What were these two people from the Gu family doing with him?

It was obvious that the other party deliberately scratched the car and then observed the situation inside the car.

Could it be that Gu Kaiyuan knew he was coming?

But regardless of whether Gu Kaiyuan knew it or not, Chen Ping was not afraid. What he was afraid of was that Gu Kaiyuan knew that he was coming and was escaping secretly.

After arriving at the hotel, the driver did not ask for Chen Ping's money. He thanked Chen Ping and left!

Chen Ping found that even a man in a black BMW was following him, so he parked the car not far away.

Chen Ping did not say anything, but entered the hotel, settled Gu Ling'er, and walked out of the hotel directly.

The two of them were still watching not far from the hotel entrance. When they saw Chen Ping coming out, they all turned around pretending.

Chen Ping pretended not to see the two of them, but walked casually towards the street.

Seeing Chen Ping leaving, the two of them immediately followed him.

But after following for a while, the two people suddenly discovered that Chen Ping was missing.

“It’s broken, the person is missing...”

“What should we do? Why don’t we go back and report to the head of the family first?”

The two people discussed quietly.

“Why are you two following me?”

At this moment, Chen Ping walked out from behind the two people.

The two of them were startled and turned around hurriedly to see Chen Ping looking at them with amusement.

“You...what did you say? We were just strolling around, who followed you...”

After one of them finished speaking, he wanted to ask the other person to leave!

But Chen Ping dodged and stood in front of the two of them.

“Stop pretending, you are all following me. Did Gu Kaiyuan send you here?”

Chen Ping asked sharply.

“We understand what you are talking about. You’d better get out of my way and don’t mess with us...”

One of them threatened Chen Ping.

Chapter: 1587

“It seems like you won’t talk about it unless you suffer a little bit!”

Chen Ping raised the corner of his mouth, and then slapped him.

The two people clearly saw Chen Ping slap him, but they found that they couldn’t dodge it at all.

The guy who just threatened Chen Ping got slapped in the face.

The two of them were instantly shocked. They were both great masters. How could they not avoid being slapped by someone else?

“Boy, are you looking for death?”

The moment he was beaten, he became angry, and then the aura on his body was fully released, and the terrifying pressure came towards Chen Ping.

The other person stopped pretending and directly spread his aura.

“Hmph, even a mere great master dares to be so presumptuous, he really overestimates his capabilities...”

Chen Ping snorted coldly, and then a cold light flashed in his eyes!

Chen Ping didn’t move at all, but a majestic momentum from his body directly pushed the two of them to the ground!

This time, the two people’s eyes showed panic, and they were completely afraid.

In front of Chen Ping, they found that they had no power to fight back at all.

“Heroes, spare your lives, heroes, please spare your lives, we are also being instigated by others...”

The two of them followed Chen Ping desperately to beg for mercy.

“Tell me, did Gu Kaiyuan ask you to follow me? Do you know my identity?”

Chen Ping asked coldly.

One of them shook his head repeatedly: “No... I don’t know. It was the head of the family who ordered us to yell at the airport and keep an eye on the plane coming from Kyoto. As long as there are warriors above the grand master on the plane, let us determine the opponent’s foothold. Report to him...”

“Then you also reported my whereabouts?” Chen Ping frowned.

If Gu Kaiyuan knew that he was sneaking away, it would be troublesome. Where could he find this guy in the big world?

“No, no, we haven’t had time to report it yet, because the two of us are always unsure of your strength...”

The other party shook his head and said.

Only then did Chen Ping realize that these two people had been following him and bumped into the car on purpose. It turned out that they wanted to find out about his strength.

Chen Ping hid part of his aura, so these two people were not sure of Chen Ping’s exact strength and did not dare to report it easily.

Chapter: 1588

“Okay, you two, go away...”

After Chen Ping finished speaking, the aura on his body instantly disappeared, and then he walked away to the side.

After Chen Ping left, the two people dared to stand up. Seeing that Chen Ping had long since disappeared, they took out their mobile phones and wanted to report!

But before the call was made, the two people suddenly froze, and then their orifices began to bleed, and finally they all fell to the ground.

Chen Ping's aura just now had already damaged the two people's internal organs. Chen Ping would not let the two of them spread the news back.

After seeing that the sky was getting dark, Chen Ping decided to go directly to Gu Kaiyuan to avoid a long night and many dreams.

When he arrived at the place, Chen Ping was stunned by the sight in front of him!

Although Xichuan City is very poor, the manor in front of you is a bit too luxurious!

There are many villas in the manor covering an area of hundreds of acres.

Moreover, at the door, there is a stone lion as tall as a person, and a team of people patrol back and forth, and the defense is very tight.

At this moment, in the lobby of an extremely luxurious villa in the Gu family manor, Gu Kaiyuan looked ugly, walking back and forth, restless!

I don't know why, but after returning from Suolong Island, Gu Kaiyuan has been worried, afraid that Chen Ping will cause trouble for him.

In the past two days, my eyelids have been twitching and I can't sleep well!

“Master, you should go to bed early. We have sent people to the airport, train station, and every intersection. If Chen Ping comes, we will definitely know. There are not many people in Xichuan, and strangers will be easily discovered if they come. , especially since Chen Ping is still a martial arts master, and the aura on his body is easy to detect.”

The old housekeeper of the Gu family persuaded Gu Kaiyuan.

But Gu Kaiyuan frowned and did not go to rest. Instead, he said with a heavy face: “Uncle Zhong, I still feel uneasy. Have the guards outside been arranged?”

“Don’t worry, Patriarch, everything has been arranged. All the people patrolling are the strength of Wu Zong. So even if Chen Ping comes, there are so many of us, so we don’t have to be afraid of him. After all, this is your home field, Patriarch...”

Uncle Zhong comforted Gu Kaiyuan!

After hearing this, Gu Kaiyuan relaxed a little and yawned: “Uncle Zhong, I’m going to have a rest. If you need anything, call me right away...”

“Yes!” Uncle Zhong nodded.

Gu Kaiyuan went back to his room to sleep, and now at the door of the Gu family manor, Chen Ping walked towards the door with a calm expression.

“who?”

When the two bodyguards at the door saw this, they immediately became alert.

It was late at night, and suddenly someone came towards the door, and the two bodyguards immediately got ready for a fight.

Chapter: 1589

Looking at the two bodyguards at the door, Chen Ping said calmly: "I'm here to see Gu Kaiyuan."

The two bodyguards looked at each other, and one of them asked: "What are you doing with our master at night? Our master doesn't see guests now, so you'd better leave."

"Of course the killing must be at night. I'm here to kill him..."

Chen Ping raised the corners of his mouth slightly.

The expressions of the two bodyguards suddenly changed, and they took out their weapons.

Looking at the knives in the hands of the two bodyguards, Chen Ping sneered, and then walked directly into the manor, completely ignoring the two bodyguards at the door.

When the two bodyguards saw this, they became furious and slashed at Chen Ping with a knife.

Dangdang.....

With two crisp sounds, Chen Ping's body was unharmed, but the knives in the hands of the two bodyguards were all broken into two pieces at this moment!

Seeing this situation, the two bodyguards were immediately dumbfounded!

"I killed Gu Kaiyuan. If you don't want to die, just get out of here..."

Chen Ping was still thinking about walking inside the manor.

When the two bodyguards saw this, they threw away the knives in their hands and then disappeared into the night!

They also came to the Gu family to be bodyguards for money. Now that they see how powerful Chen Ping is, how dare they stay and seek death!

Chen Ping swaggered into the manor. The bodyguards patrolling the manor at the moment rushed over and surrounded Chen Ping!

Such a big movement made the housekeeper, Uncle Zhong, also walk out of the room.

More than ten people surrounded Chen Ping. Everyone was a martial arts master with a strong aura!

Uncle Zhong looked at Chen Ping, frowned slightly and said, "Who are you? Why did you break into my manor in the middle of the night?"

"Damn, why are they all using the same rhetoric?" Chen Ping cursed angrily: "Tell Gu Kaiyuan to get out, and say that I, Chen Ping, have come to settle a score with him."

Upon hearing the word Chen Ping, Uncle Zhong's expression suddenly changed.

He didn't expect that Chen Ping, who Gu Kaiyuan had always been afraid of, had already arrived.

"Our master is not at the manor, you came at the wrong time..."

Uncle Zhong said to Chen Ping.

"It's not up to you to decide whether you are there or not. I have to look for it myself..."

Chapter: 1590

After Chen Ping finished speaking, he was about to enter the villa to search!

"Stop him..." Uncle Zhong frowned.

More than a dozen bodyguards surrounded Chen Ping and took action instantly.

These are all Wu Zong who were hired at a high price. There are more than a dozen people. Even if Chen Ping is very powerful, a dozen people can still deal with him, right?

But soon, Uncle Zhong was dumbfounded.

Because he saw that the dozen martial arts masters who had been hired at high prices were even worse than ants in front of Chen Ping.

Chen Ping waved his hands and several people fell to the ground instantly!

More than a dozen martial arts masters failed to survive three moves in Chen Ping's hands, and they all fell to the ground unable to get up.

Uncle Zhong turned around and wanted to run away, but Chen Ping reached out and picked him up.

"Where's Gu Kaiyuan?"

Chen Ping asked the butler Uncle Zhong.

"The head of the house...the head of the house...he is inside..."

Butler Zhongbo pointed to the villa in front and said.

Chen Ping glanced at the villa and threw the housekeeper Zhongbo aside. Then a dragon's power surrounded the palm of his right hand, and golden light began to shine on Chen Ping's palm!

"Get out of here..."

Taking a deep breath, Chen Ping roared angrily, and then swung his palm towards the villa.

Rumble.....

This palm instantly burst out with a tornado-like force, destroying half of the villa in front of him.

Gu Kaiyuan, who was sleeping in the room, woke up to the rumbling sound of collapse.

As an eighth-level martial arts master, Gu Kaiyuan certainly couldn't be easily beaten to death, but when he came out of the room, he was very embarrassed and disgraced.

"Are you finally willing to give up?"

Chen Ping looked at the embarrassed Gu Kaiyuan and said coldly.

Gu Kaiyuan glanced at the bodyguards lying on the ground, swallowed his saliva and said, "It turns out to be Mr. Chen. You didn't even say a word to me when you came to Xichuan, so I could take care of Mr. Chen..."

"Gu Kaiyuan, there's no need to get close to me, you know what I'm here for."
