

The Order 1591

Chapter: 1591

Chen Ping didn't expect that Gu Kaiyuan was so shameless that he would even try to get close to him!

"Mr. Chen, I really don't know. When you came here, you injured my people and demolished my house. It makes me a little confused now!"

Gu Kaiyuan pretended to be aggrieved and said.

"Fuck, are you pretending to be with me?"

Chen Ping became angry, stepped forward and punched Gu Kaiyuan.

This punch hit Gu Kaiyuan directly. Gu Kaiyuan stepped back several steps!

If Gu Kaiyuan hadn't been asked to detoxify Gu Ling'er, Chen Ping would have killed Gu Kaiyuan long ago with that punch.

"Mr. Chen, I'm really not pretending. I know it was a misunderstanding when we were on Suolong Island, and it was all done by Ning Zhi. Mr. Chen and I have no grievances, right?"

Although Gu Kaiyuan was punched, he still suppressed laughter.

Chen Ping looked at Gu Kaiyuan like this and admired this guy a little. As the king of the northwest, he could tolerate such anger.

"No grievances and no enmities? My girlfriend is still in a coma. Why didn't you say no grievances and no enmities when you poisoned us?"

Chen Ping looked at Gu Kaiyuan with cold eyes and asked.

“Mr. Chen misunderstood. In fact, I did not poison you. Your girlfriend was unconscious because she was under a spell. As long as I undo the spell, Mr. Chen’s girlfriend will naturally wake up...”

Gu Kaiyuan explained quickly.

After hearing this, Chen Ping understood why he couldn’t find out what kind of poison Gu Ling’er had. Even Xu Changsheng and the others were helpless.

It turns out that he wasn’t poisoned at all, but just fell into a coma under a spell!

“Then hurry up and break the spell now!”

Chen Ping urged.

“Mr. Chen, where is your girlfriend? I need to see your girlfriend before I can break the spell.”

Gu Kaiyuan asked.

“It’s in your Gu family’s five-star hotel. You come with me. If the spell is broken and Ling’er still doesn’t wake up, I will make your Gu family disappear in the entire northwest.”

Chen Ping looked at Gu Kaiyuan with cold eyes and said.

“Don’t worry, Mr. Chen, I’m going to make sure your girlfriend wakes up...”

Gu Kaiyuan quickly assured.

Chapter: 1592

Gu Kaiyuan followed Chen Ping towards the hotel. Before leaving, Gu Kaiyuan winked at the housekeeper, Uncle Zhong.

When Chen Ping rushed to the hotel with Gu Kaiyuan, Gu Kaiyuan did not follow Chen Ping to help Gu Ling'er undo the spell. Instead, he sat in the hotel lobby and sipped tea. The humiliation on Gu Kaiyuan's face showed The bow disappeared, replaced by a feeling of pride!

Chen Ping frowned slightly: "Gu Kaiyuan, what do you mean?"

Gu Kaiyuan said with pride on his face: "It's not interesting. If you want me to help your girlfriend break the spell, you can hand over the treasures on your body and the dragon crystal in your body to me. I'm thinking about it." Can I help you?"

Chen Ping was stunned for a moment, then narrowed his eyes, and murderous aura rose up in his body: "Gu Kaiyuan, you are looking for death..."

Chen Ping said, striding towards Gu Kaiyuan.

"Whether I'm looking for death or not, you can tell me after watching a video..."

After Gu Kaiyuan finished speaking, he picked up a remote control and turned on the screen in the lobby!

Gu Ling'er's figure instantly appeared on the screen. Gu Ling'er was controlled by two people. At this moment, Gu Ling'er was already awake and not in a coma.

Gu Ling'er's eyes were filled with fear, and she kept asking who the two people who controlled her were!

Chen Ping looked at the scene on the screen, and the killing intent in his body instantly rose to the top. He looked at Gu Kaiyuan with red eyes!

“You don’t have to look at me like this. If you don’t want your girlfriend to die, then just surrender and capture her!”

Gu Kaiyuan didn’t care at all about Chen Ping’s anger.

Chen Ping’s anger gradually disappeared and finally calmed down.

“I can give you whatever you want, but I have to see my girlfriend first before I can give it to you...”

Chen Ping said calmly.

“No problem, you can come with me...”

Gu Kaiyuan turned off the video and returned to the manor with Chen Ping!

After entering the manor, he led Chen Ping towards the back of the manor. The manor of thousands of acres could not be seen to the end at a glance.

The two of them walked to a very old villa and then stopped!

This villa is ten stories high. Judging from the shape and walls, it seems to be several decades old.

Chen Ping didn’t understand why Gu Kaiyuan left such an old building in his manor.

Gu Kaiyuan stood at the door, muttering something, and the heavy iron door suddenly opened slowly.

When Chen Ping followed Gu Kaiyuan inside, he discovered that there was something special in this old villa!

Chapter: 1593

I saw gold-plated ornaments everywhere, as well as many gilt Buddha statues.

At first glance, it looks extremely luxurious.

After the two people walked in, the heavy iron door behind closed, and a mysterious and ancient aura penetrated directly into Chen Ping's body and sealed the Dantian in Chen Ping's body!

Chen Ping frowned and hurriedly mobilized his spiritual power, only to find that there was no movement in his dantian and he couldn't mobilize any spiritual power at all!

This time, Chen Ping was a little panicked!

If he cannot mobilize his spiritual power, it means that Chen Ping will undoubtedly follow ordinary people.

"Hahaha, don't bother. This is the Demon Suppression Tower of my Gu family. Everyone who enters here will have their strength suppressed, except of course our Gu family..."

Gu Kaiyuan looked at Chen Ping's somewhat panicked look and laughed.

"Where is my girlfriend?"

Chen Ping looked at Gu Kaiyuan coldly.

"Don't worry, just let me go..."

Gu Kaiyuan led the way, and the two of them walked up the gilded stairs step by step.

Along the way, Chen Ping desperately activated the Heart Condensation Technique, trying to let the spiritual power in his Dantian break through the restraints, but it was of no use!

Just when Chen Ping was about to give up, the dragon crystal in his dantian suddenly flickered, and then the power of the dragon in Chen Ping's body broke through the restraints.

After the restraint was broken, the spiritual power in Chen Ping's Dantian began to roll crazily. Chen Ping's strength suddenly recovered, but Gu Kaiyuan, who looked excited at this time, didn't know it yet.

After reaching the third floor, Chen Ping saw Gu Ling'er being brought there in an empty hall.

When Gu Ling'er saw Chen Ping coming, she suddenly seemed a little excited: "Chen Ping, where are we? Where are we?"

Gu Ling'er's mind still stayed on Suolong Island, where she fell into a coma.

Chen Ping brought Gu Ling'er to the northwest, but Gu Ling'er didn't know at all.

"Ling'er, we are in the northwest now, you don't have to be afraid, it's okay..."

Chen Ping hurriedly wanted to go over to comfort Gu Ling'er, but was stopped by Gu Kaiyuan.

"What? My abilities are limited now, and I am just an ordinary person. Are you still afraid of me when I become an ordinary person?"

When Chen Ping saw Gu Kaiyuan stopping him, he said with an indifferent expression.

"Fart, who the hell is afraid of you? In this Demon Suppression Tower, you Chen Ping can never be my opponent..."

Chapter: 1594

Gu Kaiyuan let go of Chen Ping, let Chen Ping run over, and hugged Guo Ling'er tightly.

"Chen Ping, what is going on? Why are we here? I can't feel any spiritual energy in my body..."

Holding Chen Ping in his arms, Gu Ling'er asked in panic.

"Ling'er, I'll explain to you when I have time. I'll kill these guys in front of me first!"

Chen Ping comforted Gu Linger.

"Chen Ping, now that you have seen your girlfriend and she has woken up, it's time to hand the things over to me!"

Gu Kaiyuan said proudly.

"Leave it to you?" Chen Ping sneered: "You deserve it. Since my girlfriend is awake and I have no use for you, you should die..."

Seeing Chen Ping talking to him like this, Gu Kaiyuan was stunned for a moment, and then said angrily: "Good boy, since you are seeking death yourself, then I will kill you and take the dragon crystal directly from your body..."

"You two, kill him..."

Gu Kaiyuan ordered to his two subordinates.

Chen Ping is now an ordinary person, so there is no need for Gu Kaiyuan to deal with him.

"yes!"

After the two people finished speaking, they rushed towards Chen Ping quickly.

“Ling’er, stay away!” Chen Ping asked Gu Ling’er to stay away, then looked at the two people rushing towards him, and said with a smile: “It’s just time for you two to get rid of the meat...”

These two people are both fifth-level martial arts masters and can be considered masters in the martial arts world.

But as soon as the two people rushed in front of Chen Ping, Chen Ping suddenly burst out with a horrifying aura, which immediately suffocated the two people.

Both of them were stunned. They also thought that Chen Ping’s strength had long been suppressed and he had become an ordinary person, but now he felt this momentum, which was obviously higher than them.

While the two of them were stunned, Chen Ping reached out and slapped the two of them on the top of their heads, and then the Ningxin Jue was running rapidly, and the rolling suction force began to absorb the power of the two of them!

The two people suddenly turned pale and their whole bodies were shaking, as if they had been electrocuted.

In just ten seconds, the two fifth-grade martial arts masters were completely absorbed by Chen Ping.

This scene directly frightened Gu Kaiyuan.

“You...you know evil arts? You are actually an evil cultivator...”

Gu Kaiyuan couldn’t believe what he was seeing. He never imagined that Chen Ping was actually an evil cultivator!

Chapter: 1595

And the Demon Suppressing Tower didn’t seem to be able to seal Chen Ping’s strength.

“It doesn’t matter whether I am an evil cultivator or not. What matters is that you are going to die...”

Chen Ping looked at Gu Kaiyuan with cold eyes and said.

Gu Kaiyuan suddenly sneered: “Chen Ping, do you think you can kill me easily because the Demon Suppressing Tower cannot seal your strength? Let me tell you, this is my territory. If you want to kill me, just dream...”

“Whether it’s a dream or not, you’ll know soon...”

Chen Ping said, the aura on his body exploded instantly, and the whole room was filled with Chen Ping’s thick murderous aura.

Gu Kaiyuan suddenly stepped on the ground, and then the whole building began to shake, as if there was an earthquake!

Then Gu Kaiyuan bit his finger and dropped a drop of blood on the ground.

In an instant, the blood was absorbed by the ground, and then lines appeared on the ground!

Countless lines began to shine, and these lights seemed to contain infinite power!

Rumble.....

The walls outside the building began to collapse, but nothing happened inside.

Soon, a huge hexagonal tower appeared!

It turns out that this old building is wrapped in an iron tower!

No wonder Gu Kaiyuan called it the Demon Suppressing Tower. It was really a tower!

“Chen Ping...”

Gu Ling'er held Chen Ping's arm tightly. At this time, she had no spiritual power, and there was no doubt that she would follow ordinary people!

“Don't worry, it's okay...”

Chen Ping gently comforted Gu Ling'er.

“Chen Ping, if you enter this tower, you will never be able to get out...”

Gu Kaiyuan laughed, and a circle of light began to flash at Gu Kaiyuan's feet.

When Chen Ping saw this, he suddenly rushed towards Gu Kaiyuan.

But in a flash of light, Gu Kaiyuan disappeared, and the halo of light on the ground also disappeared!

“Ling'er, let's go...”

Chapter: 1596

Chen Ping pulled Gu Ling'er up and started running desperately towards the bottom of the tower.

The exit was blocked by a door. Chen Ping suddenly swung his palm with force, trying to break the door in front of him!

But when Chen Ping's palm hit the door, a huge counterattack force hit at the same time!

Chen Ping's body was directly knocked out and flew more than ten meters before falling heavily to the ground.

"Chen Ping..."

Gu Ling'er hurriedly ran over and helped Chen Ping up.

Gu Ling'er's face was full of worry.

Chen Ping patted the dirt on his body and slowly walked to the gate again. He looked at the iron gate several meters high. There were no patterns or carvings on it. It was just a big iron gate. It looked nothing special. But how could the counter-shock force that Chen Ping felt just now be so great?

"Chen Ping, are there any restrictions here, so you can't open this door?"

Gu Ling'er reminded.

"Even if there is a restriction, I will break it..."

Chen Ping's eyes narrowed slightly, and then he clenched his fists tightly.

Golden light flashed above the fists, and the power of the dragon surrounded the fists!

"break....."

Chen Ping roared angrily, and punched the iron door with both fists.

boom.....

There was another even greater counter-shock force. This time, Chen Ping's body flew tens of meters directly and hit the wall hard before stopping.

Chen Ping's internal organs were tumbling, and blood overflowed from the corners of his mouth!

Gu Ling'er ran over worriedly and gently helped Chen Ping wipe the blood!

Chen Ping stared at the iron gate in front of him, and suddenly seemed to think of something.

"I understand. This iron gate counterattacks all my strength. The harder I push, the greater the counterattack force will be. It seems that it is impossible to forcefully break the restriction..."

Chen Ping frowned.

"Then what do we do? Are we going to be trapped here?"

Gu Ling'er asked with a panicked look.

Chapter: 1597

There is no food here. If they are not trapped here, they will definitely starve to death.

However, Chen Ping has already reached the golden elixir realm, and there is no problem even if he doesn't eat or drink. But Gu Ling'er can't do it. She has no strength now and is just an ordinary person. If she doesn't eat or drink, she won't be able to survive for a few days.

"Since the exit is not possible, let's go up and have a look..."

Chen Ping adjusted his breath and started walking towards the tower with Gu Ling'er.

But just as they reached the stairs, a light curtain suddenly blocked the entrance of the stairs, directly blocking Chen Ping and his companions' upward path.

"Can't we go up too?"

Gu Ling'er was a little surprised when she saw the sudden appearance of the light curtain.

"Ling'er, please step back and I'll take a look at the situation..."

Chen Ping didn't know what was going on, so he asked Gu Ling'er to step back.

Chen Ping slowly stretched his hand towards the light curtain. When his palm touched the light curtain, his whole body felt like an electric shock.

Then, like high technology, several pictures flashed across it instantly!

Although the picture flashed very quickly, Chen Ping could still see clearly that there was actually a person boxing on it!

Chen Ping instinctively made a few gestures according to the picture above, and the light curtain in front of him disappeared instantly!

Chen Ping walked up with a surprised look on his face and found that there was no danger or obstacle.

"Ling'er, you can come up now..."

Chen Ping waved to Gu Linger!

Gu Ling'er followed and asked curiously: "Chen Ping, what did you see just now? It's up to you to figure it out."

“Didn’t you see? There is a picture on the light screen, just like a TV...”

Chen Ping looked at Gu Ling’er strangely.

“No, I didn’t see anything. I just saw you gesticulating there...”

Gu Ling’er shook his head.

At this moment, Chen Ping was a little confused. Could it be that only he could see the scene?

But Chen Ping didn’t think much about it. The most important thing now was to find a way to leave the Demon Suppression Tower!

When Chen Ping and Gu Ling’er were about to continue walking up, a light curtain suddenly appeared at the same staircase.

Chapter: 1598

This time, Chen Ping put his hand directly on it and felt the same electric shock!

Then several pictures flashed by!

Chen Ping looked at the picture and made a few gestures according to the things on it!

Then the light curtain disappeared, and Chen Ping took Gu Linger and continued upward!

You will encounter this situation on every floor until you reach the top!

After reaching the top floor, Chen Ping couldn’t help but think of the set of boxing skills shown on the screen, and started making gestures on the spot.

When Chen Ping finished practicing a set of boxing techniques, the entire top floor of the Demon Suppression Tower suddenly became distorted, like a space distortion!

Then a ray of light shone in, and a figure slowly appeared!

Chen Ping squinted his eyes and looked intently, and found that it was an old man wearing a white robe, a long white beard, and a kind-hearted face.

Chen Ping started to become a little nervous about the sudden appearance of an old man here!

The old man walked slowly to Chen Ping and looked Chen Ping up and down!

“I didn’t expect that after waiting for hundreds of years, I would actually wait for a son of the dragon. This may be God’s will...”

The old man nodded with satisfaction and said.

“Who are you? Why are you here?”

Chen Ping looked at the old man in surprise: “Have you been here for hundreds of years?”

Although Chen Ping was an immortal cultivator, he was still shocked that he could survive for hundreds of years.

“Haha, this Demon Suppressing Tower was specially built for me. I have been imprisoned in this Demon Suppressing Tower for hundreds of years. It’s a pity that what is imprisoned here is just a trace of my remnant soul. Otherwise, how could this piece of shit be used? Trap me...”

“Now that you have learned my Holy Light Fist, you can leave here. It just so happens that I can follow you out!”

The old man laughed.

“This Demon Suppression Tower has restrictions, and I can’t open the door at all!”

Chen Ping shook his head and said.

“Don’t worry, you only need to use the Holy Light Fist and put away all your spiritual power to open the door. Remember, you can only use the power of your body...”

The old man warned Chen Ping.

After saying that, the old man slowly disappeared.

Chapter: 1599

“Hey...hey...”

Chen Ping also wanted to ask the old man what he meant when he said he was the Son of the Dragon, but found that the old man was missing!

“Chen Ping, Chen Ping... wake up quickly, wake up quickly, don’t scare me...”

At this time, Gu Ling’er shook Chen Ping hard, her voice trembling!

Chen Ping opened his eyes and found that he was lying on the ground, and Gu Linger was calling him anxiously.

Seeing that Chen Ping woke up, Gu Ling’er breathed a sigh of relief: “You scared me to death. As soon as you came up, you just punched randomly, and then you fainted and talked nonsense...”

Chen Ping stood up slowly, frowning and trying to remember what just happened.

“Did I just dream?” Chen Ping felt a little incredible!

“What did you dream about?” Gu Ling’er asked strangely.

“Oh, it’s nothing!” Chen Ping shook his head: “Let’s go!”

“How are we going to get out? The door is restricted and cannot be opened at all!”

Gu Linger asked.

“Come with me, let’s try again!” Chen Ping picked up Gu Ling’er and walked towards the bottom of the tower.

At the same time, Gu Kaiyuan was sitting on the balcony of a villa, gently shaking the red wine in his hand, looking at the Demon Suppression Tower not far away.

“It’s been three days, I don’t know if that guy Chen Ping is dead!”

Gu Kaiyuan took a sip of red wine.

At this time, Uncle Zhong, the housekeeper, came over and whispered to Gu Kaiyuan: “Master, Mr. Ning is already on his way here. As long as we hand over Chen Ping to Mr. Ning, our Gu family will be stationed in Kyoto this time. There is hope...”

“Well, after our Gu family moves into Kyoto, it won’t be long before I will be the leader of the martial arts alliance. At that time, the entire martial arts world will listen to my orders...”

Gu Kaiyuan’s eyes were fiery, bursting with endless desire.

He was not willing to just be the king of the northwest. He tried his best to let the Gu family enter the Kyoto martial arts world in order to take the position of leader of the Kyoto martial arts alliance!

This guy's ambition can be said to be very big.

"Master, we have the Demon Suppressing Tower, and the position of leader will be yours sooner or later. But now that Mr. Ning is here, the secret of our Demon Suppressing Tower cannot be kept. If they spy on our Demon Suppressing Tower, then ,what should we do?"

Uncle Zhong reminded.

"Don't worry, only I can use this Demon Suppression Tower. Without me, it would be just scrap metal in the hands of others..."

Chapter: 1600

Gu Kaiyuan smiled lightly and said confidently.

.....

Chen Ping in the Demon Suppressing Tower is taking Gu Ling'er towards the bottom of the tower!

They didn't even know that three days had passed outside!

In the Demon Suppression Tower, they only felt that a few hours had passed.

Walking to the exit and looking at the heavy iron door, Chen Ping slowly clenched his fists!

"Chen Ping..."

Gu Ling'er grabbed Chen Ping's arm.

She was afraid that Chen Pingzai would be injured by the backlash.

“It’s okay, I will definitely be able to open the iron door this time...”

Chen Ping patted Gu Ling’er gently.

Thinking of what the old man said, Chen Ping did not mobilize the spiritual power and divine dragon power in his body. Instead, he used his own strength, and with the muscles on his arms bulging, Chen Ping punched towards the iron gate.

“Holy Light Fist...”

Chen Ping shouted loudly and punched the iron door hard!

Rumble.....

This time, there was indeed no counter-shock force, and the heavy iron door rumbled loudly when Chen Ping punched it!

Chen Ping was overjoyed. Seeing that it was indeed effective, he immediately punched again!

Every punch was delivered by Chen Ping’s own strength, relying solely on his bulging muscles.

Boom, boom, boom.....

The heavy iron door began to shake under the blows.

“what happened?”

Not far away, Gu Kaiyuan, who was sitting on the balcony, was shocked and the red wine in his hand fell to the ground.

Uncle Zhong's expression also changed: "Is it Chen Ping who is destroying the tower?"

"Let's go and see..."
