

The Order 1601

Chapter: 1601

Gu Kaiyuan jumped up, fell from the balcony, and quickly headed towards the Demon Suppression Tower.

boom.....

When Gu Kaiyuan just ran under the Demon Suppression Tower, there was a sudden loud noise!

The heavy iron door suddenly collapsed.

The iron door hit the ground, stirring up bursts of dust.

When the dust dispersed, Chen Ping took Gu Ling'er's hand and walked out.

Seeing Chen Ping break out of the tower, Gu Kaiyuan's jaw almost dropped!

"You...how could you come out?"

Gu Kaiyuan couldn't believe his eyes!

A ray of white light flew out from the Demon Suppressing Tower, and then an old voice appeared in Chen Ping's mind: "Hahaha, young man, thank you. If we are destined, we will meet on the Demon Mountain..."

"Tianmo Mountain?" Chen Ping wondered for a while. He seemed to have never heard of such a mountain.

But this is not the time for him to think. Gu Kaiyuan is right in front of him, and Chen Ping wants to kill him first!

After Gu Ling'er came out of the Demon Suppression Tower, the spiritual power in his body recovered instantly, and then he looked at Na Gu Kaiyuan angrily!

Feeling the aura of Chen Ping and Gu Ling'er, Gu Kaiyuan's face became very ugly!

And Uncle Zhong behind him rolled his eyes at this moment, then turned around and ran away!

He knew that the only person Chen Ping wanted to kill was Gu Kaiyuan, who was nothing more than a servant!

In the face of life and death, survival is still important!

"Where to escape..."

Seeing that Uncle Zhong was about to run away, Gu Ling'er jumped up and chased after him.

Chen Ping did not stop him. With Gu Ling'er's strength, it was more than enough to kill the loyal uncle!

It just so happened that Gu Ling'er was full of anger, so he might as well take it out on Uncle Zhong!

"Gu Kaiyuan, if you still have any abilities, feel free to use them. If you don't have any more, just suffer death..."

Chen Ping looked at Gu Kaiyuan with a playful expression and said.

Gu Kaiyuan's face was gloomy, his brows were tightly knitted together, as if he was making a decision.

Chapter: 1602

“Chen Ping, don’t force me, let me live. I will never provoke you again...”

Gu Kaiyuan gritted his teeth and said slowly.

“Let you live?” Chen Ping smiled coldly: “I let you go, do you dare to leave?”

Gu Kaiyuan knew that Chen Ping would never let him go, so he closed his eyes slightly and then opened them suddenly: “Forget it, let us die together...”

After saying that, Gu Kaiyuan recited a spell, and then the whole manor began to shake.

Rumble.....

Loud noises continued, the earth trembled, and many villas began to collapse. Soon, this luxurious manor turned into ruins.

Then, from all sides of the manor, rays of light shot straight into the sky!

Then these rays of light gathered together and turned into an extremely overbearing force, which sank directly into Gu Kaiyuan’s body.

In an instant, the aura on Gu Kaiyuan’s body increased rapidly, and he soon reached the peak of Wuzong.

Gu Kaiyuan’s face was full of ferocity, as if he was suffering from great pain.

Soon, the light slowly disappeared, and Gu Kaiyuan’s body became much more majestic!

And the aura on his body has also changed, as if he is a different person.

Looking at Chen Ping in front of him, Gu Kaiyuan said coldly: "I destroyed the manor and absorbed the power of my ancestors. Only if you die can I comfort my ancestors!"

"Even if you dig your ancestors out of the soil, you can't kill me at all. It's good that your body can control this power. You still want to use this power to kill me?"

Chen Ping raised the corner of his mouth with a bit of disdain on his face!

"If I can kill you, let's try it..."

After Gu Kaiyuan finished speaking, he punched him hard.

Gu Kaiyuan's speed is extremely fast, like a stream of light...

"Holy Light Fist..."

Chen Ping also punched out, using the Holy Light Fist he had just learned.

boom.....

There was a violent loud noise, and Chen Ping's body was like a shell being shot out. He stopped after hitting a wall hard!

Looking at the skin on his body, Chen Ping slowly shook his head: "It seems that even the Holy Light Fist can't stop you with just the strength of the physical body..."

Chapter: 1603

"You are too arrogant..."

Gu Kaiyuan was furious. Chen Ping didn't even mobilize the power in his body. He only relied on the strength of his body to resist him. This was too disrespectful.

"Really? I don't think so, but your ancestors don't seem to be very good, and their power is not strong..."

Chen Ping mocked Gu Kaiyuan.

"Go to hell..."

Gu Kaiyuan was so angry that he hit Chen Ping with another punch that cracked mountains and cracked rocks.

This punch is comparable to telling a moving locomotive!

The whistling sound is endless, accompanied by the sound of piercing the sky.

When Chen Ping saw this, he jumped up and hid aside!

Rumble.....

The punch actually made a deep hole in the ground.

"It looks good..."

Chen Ping looked at the big hole on the ground with a serious look on his face.

"continue....."

Gu Kaiyuan roared angrily, and in an instant he was in front of Chen Ping, and his iron fist-like fist hit Chen Ping hard.

Gu Kaiyuan was already furious at this time, and he was not stingy with the energy in his body!

When Chen Ping saw this, the spiritual power in his Dantian condensed instantly, and then he punched him forward!

boom!

After punching Hong, Gu Kaiyuan's body took three steps back, while Chen Ping's body flew out directly.

"Sure enough, it took a while..."

Chen Pingping steadied his figure, with a strong fighting spirit in his eyes.

The stronger the opponent, the stronger Chen Ping's fighting spirit. If he could kill the opponent casually, it would be meaningless to Chen Ping.

Chen Ping began to pay attention, and the golden light on his body skyrocketed. The layers of golden scales exuded a breathtaking light under the sunlight.

The indestructible golden body was brought to the extreme by Chen Ping. At this moment, Chen Ping's entire body was wrapped in golden scales, and his physical body was also a bit harder.

Chapter: 1604

"No matter how strong the indestructible golden body is, in the face of absolute strength, it will be broken with one punch..."

After two punches, Gu Kaiyuan's confidence exploded.

He has never felt such terrifying power, but this power is only short-lived. When the power disappears, Gu Kaiyuan's life will also come to an end, but at this time Gu Kaiyuan has no other choice.

The manor has been destroyed, and he is now in dire straits. He can only die with Chen Ping...

“Then let’s try it...”

The power of the dragon in Chen Ping’s body exploded, golden light flashed on his fists, and a faint layer of dragon power visible to the naked eye turned into two mini golden dragons, surrounding Chen Ping’s fists!

“Holy Light Fist...”

Chen Ping used the power of the dragon to use the Holy Light Fist he had just learned.

Relying solely on physical strength, the power of the Holy Light Fist can destroy the thick iron door. Now if the power of the divine dragon is used, the power of the Holy Light Fist will increase hundreds to thousands of times.

When Gu Kaiyuan saw this, he punched him hard!

boom!

The two forces collided, and this time the entire Xichuan seemed to be able to hear the violent explosion.

In an instant, strong winds swept through, and the color of the sky and earth changed.

It’s like the end of the world!

The remaining ruins of the manor were now reduced to ashes!

In the thousand-acre manor, only the Demon Suppression Tower is still standing intact.

With this punch, the two of them were evenly matched, and their bodies all retreated.

“Is this your strongest strength?”

Gu Kaiyuan’s eyes narrowed slightly, and then he opened his arms as if hugging something.

“Ancestor, give me strength...”

Gu Kaiyuan roared, and then a ray of light burst out from Gu Kaiyuan’s chest, as if it was going to disembowel Gu Kaiyuan!

Chen Ping’s expression instantly became solemn.

He could feel that the aura in Gu Kaiyuan’s body was getting stronger and stronger, and it was even comparable to that of Guo Wei, a strong man at the peak of the veteran martial arts.

A ball of light condensed on Gu Kaiyuan’s chest, and then the ball of light quickly bombarded Chen Ping.

Chapter: 1605

The speed was so fast that Chen Ping had no time to dodge.

boom!

Chen Ping’s body was knocked away and fell to the ground hard.

A trace of blood began to flow from the mouth, the golden light on the body dimmed, and the scales wrapping the body began to break apart little by little!

“Chen Ping, you are dead today. I will spend my whole life to take your life...”

Gu Kaiyuan said, he suddenly grabbed forward!

A big hand of light directly grabbed Chen Ping and brought Chen Ping to Gu Kaiyuan in an instant.

Gu Kaiyuan then punched Chen Ping hard in the chest.

“Go to hell...”

Gu Kaiyuan roared angrily. He knew that his power could not last long, so he wanted to kill Chen Ping completely when his power disappeared!

The aura on Gu Kaiyuan’s body has reached its peak!

Chen Ping suddenly took a breath, wrapped his body with spiritual power, and with the blessing of the indestructible golden body, he took a punch from Gu Kaiyuan.

Crash la la la la la la la la la la la la la la la.

The golden light on Chen Ping’s body dimmed, his scales fell off instantly, and then disappeared instantly!

With his bronzed skin exposed, Chen Ping could only use his body to resist Gu Kaiyuan’s attack.

When Gu Kaiyuan saw this, he was overjoyed and suddenly punched him again!

Chen Ping’s face became extremely solemn at this moment, and then a dragon-slaying sword burning with blazing fire appeared in his right hand!

The dragon-slaying sword struck at Gu Kaiyuan's arm with unrivaled condensed energy!

When Gu Kaiyuan saw this, he quickly backed away.

The dragon-slaying sword in Chen Ping's hand still made Gu Kaiyuan afraid.

Chen Ping stared at Gu Kaiyuan, and he found that this boy's strength was slightly stronger than that of Guo Wei. Even facing Guo Wei, Chen Ping could not be in such a mess.

It seems that the power of the ancestors obtained at the cost of life cannot be underestimated.

"It's too late for you to take out your sword now..."

After Gu Kaiyuan finished speaking, he slowly raised his palm.

Chapter: 1606

In an instant, the ground shook, and then a huge hand appeared above Chen Ping's head and slapped Chen Ping fiercely.

When Chen Ping saw this, he swung the dragon-slaying sword in his hand towards the giant hand.

Several rays of sword energy passed by, but the giant hand showed no intention of stopping.

The huge pressure caused Chen Ping's body to sink downwards.

He mobilized all the spiritual power and divine dragon power in his body to resist, but still couldn't stop the huge palm from pressing down.

But at this moment, all the scenes of the Holy Light Fist that Chen Ping saw in the Demon Suppressing Tower began to flash in Chen Ping's mind.

Each set of pictures represents a punch!

In the end, all the pictures merged into one, but an old voice appeared in Chen Ping's mind: "Inaction is infinite, the image of law. When I live, all living beings will be destroyed. When I die, all living beings will perish. Everything in the world is born from the heart... .."

Chen Ping frowned and kept mumbling this sentence!

He doesn't understand what this sentence means, and he can't figure it out!

"Hahaha, Chen Ping, it's useless for you to beg for mercy now..."

When Gu Kaiyuan saw Chen Ping nagging, he thought he was begging for mercy.

That giant hand, with the power to destroy the world, smacked Chen Ping fiercely!

boom!

Finally, the giant hand took the photo hard, and a large pit more than ten meters deep instantly appeared on the ground!

Countless dust was flying, and Chen Ping's body had already been buried in the dust!

Looking at Chen Ping who had disappeared, Gu Kaiyuan let out a long breath. Chen Ping was finally dead!

However, Gu Kaiyuan glanced at the manor that was already in a mess. He didn't want to die, but there was no other way!

In the end, he was forced to give up his life and die with Chen Ping!

“Being born here and buried here is a kind of destination...”

Gu Kaiyuan slowly closed his eyes, waiting for the power to disappear.

At this moment, there was sudden movement in the deep pit!

Gu Kaiyuan hurriedly opened his eyes and looked, and found a hand stretched out from a pile of dust, followed closely by his head.

Chen Ping stood up and shook the dust off his body!

Chapter: 1607

I saw that the energy and blood in Chen Ping’s body was burning, his whole body was full of murderous aura, and a terrifying aura enveloped the air.

“This...how is this possible? Has Chen Ping made a breakthrough?”

Gu Kaiyuan looked at Chen Ping whose breath had changed, with panic in his eyes!

Chen Ping, on the other hand, had dull eyes and was still thinking about what he just said.

“All things are born from the heart...”

Chen Ping said as he walked up from the pit step by step.

Gu Kaiyuan, who was stunned for a moment, did not take action against Chen Ping at this time!

“Everything comes from the heart, I understand, I understand... Hahaha...”

Suddenly, Chen Ping laughed like crazy.

Then Chen Ping’s eyes looked at Gu Kaiyuan. At this time, in Chen Ping’s eyes, there was only the figure of Gu Kaiyuan, and everything else no longer existed.

“Chen Ping, stop pretending. Since I didn’t shoot you to death, I’ll shoot you again...”

As Gu Kaiyuan said, the power in his body began to flow out again, and then condensed into a huge palm and slapped it towards Chen Ping!

Chen Ping stared at Gu Kaiyuan, completely ignoring the palm that had already slapped him!

“Holy Light Fist...”

Chen Ping rushed straight towards Gu Kaiyuan, paying no attention to the coming danger!

Soon, a scene that shocked Gu Kaiyuan appeared. Chen Ping’s body actually penetrated the huge condensed palm, and then punched Gu Kaiyuan hard on the chest!

Gu Kaiyuan’s expression changed, and his huge body instantly flew backwards.

After getting up with difficulty, Gu Kaiyuan looked at Chen Ping in shock: “How is it possible? How could it become like this?”

“Give up your fancy skills and use your purest strength to fight me...”

Chen Ping said slowly.

“Huh, I don’t believe it anymore...”

Gu Kaiyuan snorted coldly, and then raised his hands. In an instant, cyclones appeared between the sky and the earth, and then countless cyclones gathered together and turned into a huge tornado!

A ray of light penetrated the tornado, bursts of flames rose up, and instantly turned into a fire tornado!

A few hundred meters away, the temperature instantly became extremely hot.

Chapter: 1608

Gu Kaiyuan patted the fire tornado lightly, and the fire tornado went directly towards Chen Ping!

The manic fire tornado was like purgatory. Countless flames turned into ferocious skeletons, grinning at Chen Ping!

This power affects the heaven and earth and shakes the void!

Chen Ping didn’t dare to be careless, he burst out with the power of the divine dragon and punched out hard!

Chen Ping’s punch instantly erupted into a soft light!

The soft light penetrated the fire tornado, causing the fire tornado to dissipate instantly!

Feeling the soft and holy light, Chen Ping was slightly stunned.

“Is this... is this the true essence of Holy Light Fist?”

After Chen Ping felt the soft and holy light, he felt an indescribable feeling of comfort.

Gu Kaiyuan frowned deeply. He could already feel the strength in his body slowly draining away. If he could not kill Chen Ping, he would have no chance.

“Use the blood as a guide, the earth as a coffin, and the ancestors to protect you...”

Gu Kaiyuan suddenly muttered something, and then slapped his chest with a palm!

A mouthful of blood sprayed out. The blood fell to the ground and was absorbed instantly!

The earth trembled, and then a huge pattern appeared on the ground, and the pattern was still emitting light.

“Come out.....”

Gu Kaiyuan roared, and then the patterns on the ground began to rotate!

Rays of light flashed through, and several human skeletons with only skeletons left appeared from the pattern.

Gu Kaiyuan bit his finger and dabbed his blood on the heads of several skeletons.

Several skeletons seemed to come alive in an instant, with balls of red light beating inside the skeletons, like human hearts.

Chen Ping frowned tightly when he saw this.

“What is this?”

Facing several skeletons, Chen Ping became a little uneasy.

He didn't expect that Gu Kaiyuan could summon these scary things. It seemed that the Gu family had quite a lot of secrets.

"These are the bones of my ancestors. Now that you have disturbed my peace, let my ancestors kill you..."

Chapter: 1609

Gu Kaiyuan said, waving his hands, and several skeletons rushed towards Chen Ping!

When Chen Ping saw this, he suddenly punched out two fists.

The powerful punches hit the skeletons directly, but they had no effect at all. The energy of these two punches all passed through the skeletons' bodies and was completely empty!

"Haha, it's useless. They are dead creatures, so how can they be afraid of your punching power!"

Gu Kaiyuan laughed.

At this time, a skeleton had arrived in front of Chen Ping, and then it grabbed Chen Ping with its claws.

Blood marks instantly appeared in front of Chen Ping!

The indestructible golden body was directly broken by these skeletons!

Looking at the bloody wound on his chest, Chen Ping looked solemn.

"Since you use magic, then I will use magic to teach you..."

Chen Ping said, a light blue flame appeared on his hands!

The blue flames were beating, emitting bursts of strange aura!

Immediately afterwards, waves of divine dragon power condensed on the palm, and the blue flames on the hand became more intense.

“Since ordinary power doesn’t work, let’s try these spiritual fires...”

Say it, Chen Ping instantly formed magic formations with his hands.

Gu Kaiyuan’s expression became a little uneasy. He did not expect that Chen Ping could actually use magic and control spiritual fire.

You must know that only high-level alchemists can control spiritual fire to make alchemy!

Could it be that Chen Ping is also an alchemist?

Gu Kaiyuan’s face turned ugly. He didn’t know how many trump cards Chen Ping had.

Why does Chen Ping seem to know everything?

I saw Chen Ping push forward with both hands, and the magic arrays exploded instantly, directly covering the skeletons!

The terrifying power raged at this moment, and the blazing spiritual fire, with the help of this power, began to devour everything it could burn!

“This...what the hell is this?”

Feeling the power of the spiritual fire, Gu Kaiyuan was so frightened that he backed away!

Chapter: 1610

Even if he was a little closer to the spiritual fire, Gu Kaiyuan's body and mind felt as uncomfortable as being burned!

Several skeletons were struggling in the spiritual fire.

In an instant, the spiritual fire disappeared, and the skeletons turned into piles of black powder, which were blown away without a trace by the wind.

Seeing the scene in front of him, Gu Kaiyuan was heartbroken and his expression turned extremely ugly!

"You unfilial descendants have even used the bones of your ancestors. What else do you have, just come on..."

Chen Ping looked at Gu Kaiyuan and said coldly.

"Don't be proud..."

Gu Kaiyuan's eyes widened, and he let out a final roar. The power that had been rapidly draining stopped at this moment, and then Gu Kaiyuan's body expanded rapidly.

When Chen Ping saw this, he knew that Gu Kaiyuan was going to blow himself up.

A man close to the peak of Wuzong self-destructs. Such an explosion is probably more powerful than an aerial bomb!

Don't even think there are any living creatures within a radius of several hundred meters.

Chen Ping hurriedly formed a seal, and the spiritual fire appeared again in an instant, directly heading towards Gu Kaiyuan.

Gu Kaiyuan didn't dodge, his eyes were full of sternness!

boom!

The spiritual fire surrounded Gu Kaiyuan, and instantly the gas surrounding Gu Kaiyuan was blazing with fire!

This is a spiritual fire that cannot be extinguished even by water.

“ah.....”

The intense burning made Gu Kaiyuan scream.

But the aura in Gu Kaiyuan's body has not weakened at all, it is still growing rapidly, and his body is getting more and more swollen!

Chen Ping waved his palms, and a powerful force of divine dragon came out!

When the spiritual fire encounters the power of the dragon, it burns even more fiercely!

Chen Ping must not let Gu Kaiyuan succeed in self-destructing, otherwise he will be seriously injured even if he is not dead!

sizzling.....

The fire burned the skin, making a sizzling sound.
