

The Order 161

Chapter: 161

“No, it’s just a bunch of stupid young people who work in some company of the Su family. There is a guy named Chen Ping, who injured Binzi...”

Hou Chunlei said!

As soon as he heard the word Chen Ping, Lin Tianhu jumped out of bed!

“Monkey, I’m going to rush over now. Don’t you fucking do anything to me. Just wait for me...”

After Lin Tianhu finished speaking, he hung up the phone and ran out!

When Hou Chunlei heard Lin Tianhu’s anxious voice, his face was full of doubts, but Lin Tianhu had spoken and he had to listen!

Returning to the office, the office already stinks!

“Depend on.....”

Hou Chunlei pinched his nose: “Open the window, what the hell...”

Soon the window was opened and fresh air blew in, which diluted the stinky smell in the room a lot!

Lin Tianhu said that he should wait patiently, so Hou Chunlei could only wave his hand and ask the men holding the swords to withdraw, so as not to be seen by Lin Tianhu when he came!

“I have already notified Mr. Hu. He will be here in a moment. If you have any last words, you can go ahead and say them...”

Hou Chunlei looked at Chen Ping and the others coldly, with a sneer on his lips!

When they heard that Lin Tianhu was coming, Cui Zhiyuan and the others' nerves were stimulated again this time!

The quiet scene just now suddenly turned into howling ghosts and wolves!

Who is Lin Tianhu?

In the entire Hongcheng, even three-year-old children know that he is a murderous devil!

"Brother Hou, this is Chen Ping's fault. It has nothing to do with us. Let us go..."

Cui Zhiyuan knelt down to Hou Chunlei again!

Everyone else also knelt down and begged for mercy, kowtowing one after another!

Chen Ping, on the other hand, held Sun Xiaomeng with one hand and Wang Hanhan with the other, but did not let them kneel down!

No matter how much Sun Xiaomeng disagrees with him, after all, Sun Fuhai is a good person and takes good care of Chen Ping's family. Chen Ping cannot ignore Sun Xiaomeng!

Seeing Chen Ping not kneeling, Hou Chunlei wanted to curse a few words, but when he remembered Lin Tianhu's instructions, Hou Chunlei swallowed his words!

"Hmph, when Mr. Tiger comes, you will look good. Let's see if you are still majestic or not..."

Chapter: 162

Hou Chunlei thought secretly in his heart!

The waiting time was long. Cui Zhiyuan and the others were kneeling on the ground, their knees were in great pain, but no one dared to get up, so they just waited!

Twenty minutes later, the office door was suddenly pushed open, and Lin Tianhu hurried in!

“Master Tiger...”

Hou Chunlei rushed forward to greet him!

When Cui Zhiyuan and the others heard that Lin Tianhu was coming, they all looked up. When their eyes fell on Lin Tianhu, they were all so frightened that they almost fainted!

Not many people had seen Lin Tianhu, but when they saw him now, the bloodthirsty aura on Lin Tianhu immediately made them tremble with fear!

Lin Tianhu ignored Hou Chunlei, but his eyes fell directly on Chen Ping!

However, Chen Ping winked at Lin Tianhu, but Lin Tianhu did not step forward to recognize him!

Wang Hanhan and Sun Xiaomeng are both here. If they know that Chen Ping is acquainted with Lin Tianhu, then Chen Ping’s parents will definitely know.

Lin Tianhu looked at Cui Zhiyuan and the others who were kneeling on the ground, then turned around with a cold face, slapped Hou Chunlei hard and said, “What did I tell you? Didn’t I tell you to wait patiently?”

Hou Chunlei was slapped and was immediately stunned, while Lin Tianhu knelt down and helped Cui Zhiyuan up.

“It’s my fault for poor discipline, please bear with me...” After Lin Tianhu finished speaking, he looked at Hou Chunlei and said, “What’s going on here today?”

Hou Chunlei didn't dare to hide anything, so he could only tell what happened in detail!

When he heard that Boss Qian was the cause, Lin Tianhu's face turned cold and he glanced at Boss Qian, who was still hunched over on the ground!

"Master Hu, I..."

Boss Qian felt Lin Tianhu's piercing eyes, gritted his teeth and stood up, wanting to explain!

"Break his limbs and drag him out. He will not be allowed to step into Dynasty KTV again..."

Lin Tianhu did not listen to Boss Qian's explanation, but directly ordered someone to break Boss Qian's limbs and throw them out!

Listening to Boss Qian's screams, Cui Zhiyuan and the others were so frightened that they peed their pants again. The ferocity and cruelty shown by Lin Tianhu made them tremble with fear!

"Everyone, my subordinates are not strictly disciplined today. All your purchases are free of charge. You can go back and continue playing. I am sending someone to deliver a few bottles of good wine..."

Lin Tianhu said with a smile on his face.

Lin Tianhu's sudden change of expression made Cui Zhiyuan and the others confused. They didn't know what kind of medicine Lin Tianhu was selling in the gourd!

Everyone stood there stupidly, no one dared to move!

Chapter: 163

"Then we would like to thank Master Hu for his kindness..."

Seeing that no one spoke or moved, Chen Ping could only speak.

“It should be, it should be. What happened today was because of my lax discipline...”

Lin Tianhu said very humbly!

Chen Ping pulled Wang Hanhan and Sun Xiaomeng, who were still looking shocked, out of the office and back to the private room!

When Cui Zhiyuan and the others saw this, they all walked back like zombies!

“Master Hu, these people are...”

“Snapped.....”

Before Hou Chunlei could finish speaking, Lin Tianhu slapped Hou Chunlei on the face again!

“Do you know who Chen Ping is?” Lin Tianhu asked Hou Chunlei coldly after finishing the fight.

Hou Chunlei shook his head: “I don’t know!”

“He is our palace master, our immediate superior...”

Lin Tianhu’s words immediately changed Hou Chunlei’s face!

As Lin Tianhu’s right-hand man, Juyi Hall is a branch of Tianlong Hall. Hou Chunlei knows that, and Lin Tianhu also told him that the master of Tianlong Hall has appeared.

But he never expected that the master of the palace would be Chen Ping today, a character who looked inconspicuous!

“Then...then Feng Sihai was defeated by him?” Hou Chunlei asked with a shocked look on his face.

“What do you think?” Lin Tianhu looked at Hou Chunlei coldly: “If you can survive today, just burn incense and worship Buddha. Quickly tell me to go down and get a few more bottles of good wine. You can send it there in person. But remember, the palace master I don’t want to reveal my identity!”

“I know Mr. Tiger...”

Hou Chunlei trembled and turned around to make arrangements!

At this time, after Chen Ping and the others returned to the private room, the entire private room was completely silent!

Everyone’s eyes widened, and no one could believe that the person with the humble look just now was Lin Tianhu, the famous underground emperor of Hongcheng!

“Pa...” Cui Zhiyuan suddenly slapped himself hard. The severe pain made him grin: “This is real, not a dream. How is this possible?”

Cui Zhiyuan couldn’t believe that what just happened was true!

Everyone else also looked confused and their eyes were blank!

Chapter: 164

“Chen...Chen Ping, do you know Lin Tianhu?”

Sun Xiaomeng looked at Chen Ping in disbelief and asked.

Chen Ping's performance just now showed no fear at all, and he even hit Lin Tianhu's people, but when Lin Tianhu came, he was not angry at all.

When Sun Xiaomeng asked, everyone turned their attention to Chen Ping. If Chen Ping really knew Lin Tianhu, would they have any good results? You know, they just humiliated Chen Ping!

"I don't know!" Chen Ping shook his head!

Seeing Chen Ping shaking his head, Sun Xiaomeng felt very puzzled: "Since you don't know him, then why is Lin Tianhu so polite to us?"

"I know, it must be Lin Tianhu who knows Manager Cui. Didn't you see that Lin Tianhu politely helped Manager Cui up after he came in?" At this time, someone said loudly!

"Yes, I must know Manager Cui. I also noticed that Lin Tianhu smiled at Manager Cui!"

Because Cui Zhiyuan lost face just now, these people had to save their own lives. Now that the matter is over, of course they must find a way to help Cui Zhiyuan regain his face, otherwise they will not be able to think about it after going to work!

"Zhiyuan, what is going on? Do you know Lin Tianhu?"

Sun Xiaomeng was stunned.

If Cui Zhiyuan really knew Lin Tianhu, he wouldn't have been so frightened that he knelt down and even peed his pants at first. This was obviously not an act!

But if he didn't know him, then why would Lin Tianhu help get his family's foreign debt back?

Also, Lin Tianhu did help Cui Zhiyuan up in person just now, and he apologized frequently!

What exactly is going on?

Not only was Sun Xiaomeng confused, but everyone else was also confused. The reason why they gave the credit to Cui Zhiyuan was just to curry favor with Cui Zhiyuan!

Cui Zhiyuan looked like this, rolled his eyes, and then said: "To be honest, I have never met Lin Tianhu, but I have a friend who said that he is very familiar with Lin Tianhu. The two of them often eat together. Maybe my friend is here Lin Tianhu has mentioned me before or seen my photos, so after seeing me, Lin Tianhu recognized me at a glance."

Now Cui Zhiyuan can only explain it like this, otherwise he really can't explain the fact that he knelt down and peed his pants!

When Cui Zhiyuan explained this, everyone suddenly looked like they were suddenly enlightened.

But even though the incident has passed, these people are not in the mood to play any more. After all, they all peed their pants in fear, and they couldn't play with their pants wet!

Just when Cui Zhiyuan wanted to take people away, suddenly Hou Chunlei and others pushed open the private room door!

Seeing Hou Chunlei coming, Cui Zhiyuan's expression changed with fright, and everyone else also retreated!

Seeing this, Hou Chunlei hurriedly explained: "Everyone, it was my fault just now. I didn't ask clearly why. I came here to apologize. There are two bottles of Louis XIII here. You can try them all. If you need anything, you can call at any time. I....."

Hou Chunlei looked humble and looked at Chen Ping secretly with his eyes!

Chapter: 165

Chen Ping had long since noticed that Hou Chunlei was peeking at him, so he quietly waved his hand and asked Hou Chunlei to go out!

Seeing Hou Chunlei walking back, the private room suddenly exploded!

“Holy crap, Louis XIII, this is a famous wine. I heard a bottle costs 100,000 yuan...”

“I never dreamed that I could drink such expensive wine!”

“That’s great. We’ve all benefited from Manager Cui, otherwise how would we be able to drink wine worth 100,000 yuan a bottle!”

“I don’t dare to drink this wine. One sip is my month’s salary...”

Everyone gathered around Louis XIII, and their eyes almost popped out of their heads. After all, working-class people like them, if they hadn’t had this opportunity today, they might never be able to drink such good wine in their entire lives.

Cui Zhiyuan’s eyes were also slightly red at this time. Although his salary was tens of thousands of yuan a month, he did not dare to drink a bottle of red wine worth 100,000 yuan. This was too luxurious!

But Cui Zhiyuan can’t act too eager, otherwise it will be too embarrassing!

“Okay, what are you doing around here? They all look like Louis XIII. There’s nothing to make a fuss about...” Cui Zhiyuan said with a pretentious look on his face: “I’m drinking with my friend. I drink this kind of wine often, including Remy Martin and the like...”

Cui Zhiyuan can only rely on his unfounded friend to show off now. After all, with his current strength, he is not rich enough to drink Louis XIII often!

“Manager Cui, what kind of business does your friend do? Isn’t he too rich? He is also famous, and he actually knows Lin Tianhu...”

Someone asked Cui Zhiyuan.

“Ah... that friend of mine... my friend is...” Cui Zhiyuan stuttered. This was a friend he made up. How could he say it all at once!

“My friend is in the import and export trade and often goes abroad...” Suddenly Cui Zhiyuan’s eyes lit up and he explained!

As a result, these people who want to meet Cui Zhiyuan’s friends may not be able to do so easily. After all, they are often abroad!

After everyone heard this, they started to praise Cui Zhiyuan for something, blowing Cui Zhiyuan to the sky!

Opening Louis XIII, Cui Zhiyuan poured a small cup by himself, but there was no one from Chen Ping. Chen Ping just glared at him, which shocked him. Cui Zhiyuan hasn’t settled the score with him yet, how could he let him Chen Ping drinks such a good wine, one mouthful costs thousands of yuan!

Chen Ping didn’t care either. Seeing a bunch of old men with wet crotches having fun together while holding drinks, Chen Ping almost laughed out loud!

“Hanhan, it’s getting late, let’s go back...”

Chen Ping said to Wang Hanhan.

Wang Hanhan looked at the time and then nodded.

Chen Ping followed Wang Hanhan, and Cui Zhiyuan didn’t care. After all, Chen Ping was redundant here!

“Xiaomeng, don’t play too late, otherwise Uncle Sun will be anxious...”

Chapter: 166

Before leaving, Chen Ping warned Sun Xiaomeng!

Sun Xiaomeng immediately showed displeasure and said, "What do you care about? Are you my father, my mother, or my elder? I can play until as long as I want. Dogs are meddling in other people's business!"

"Chen Ping, you'd better send your girlfriend home, so you don't have to worry about my girlfriend. It's really troublesome!"

Cui Zhiyuan snorted coldly at Chen Ping.

Chen Ping was not talking. He had already reminded Sun Xiaomeng. Since Sun Xiaomeng didn't want to leave, Chen Ping didn't care.

After Chen Ping and Wang Hanhan returned home, Wang Changfeng was still waiting for Wang Hanhan in the courtyard of the community!

Seeing Wang Hanhan coming back with Chen Ping, Wang Changfeng immediately smiled and said: "Hanhan, you went out with your brother Chen Ping and didn't even say a word to me. It made me worry in vain!"

"Aunt Wang, I asked Hanhan to attend a gathering of colleagues. Tomorrow I will take Hanhan to our company for an interview..."

Chen Ping hurriedly followed Wang Changfeng and explained!

"You don't need to explain to me. I don't care what you are doing with Hanhan. Even if you two spend the night outside, I won't say a word to Aunt Wang..."

Wang Changfeng looked at Chen Pingdao with deep meaning in his eyes!

This made Chen Ping feel a little embarrassed. Wang Changfeng was too brave to say it!

"Mom, what are you talking about?" Wang Hanhan blushed and hurriedly pulled Wang Changfeng away!

After taking two steps, Wang Hanhan didn't forget to look back at Chen Ping. After today's incident, Wang Hanhan's love for Chen Ping has increased a lot!

Early the next morning!

Chen Ping and Wang Hanhan went to the company together, but when it was time to go to work, no one came. Chen Ping and Wang Hanhan waited for more than half an hour before they saw employees arriving one after another!

Everyone's eyes were black, and it seemed that they played too late last night and couldn't get up this morning!

As for Cui Zhiyuan, he waited until after ten o'clock and then came yawning. As soon as he sat in the office, he made himself a cup of tea!

"What time is it now? Is this how you work?"

Chen Ping opened the door and walked into the office and asked Cui Zhiyuan.

This company belongs to Su Yuqi, so it's his own. Of course Chen Ping won't be happy with these people being late for work!

Cui Zhiyuan was stunned for a moment, and then said angrily: "Chen Ping, who do you think you are? Don't forget that I am the manager, but you actually take charge of me and don't take care of yourself, huh..."

Just when Cui Zhiyuan was yelling, Sun Xiaomeng came in with Wang Hanhan: "What are you doing? Getting angry so early in the morning?"

"This Chen Ping doesn't know how high the sky is, and he actually took care of me being late. What a joke!" Cui Zhiyuan raised the corner of his mouth: "Chen Ping, your task today is to collect one-third of your group's accounts. If you don't Come up here and work overtime tonight..."

Chapter: 167

Cui Zhiyuan is using his position to give Chen Ping a blow and let Chen Ping know how powerful he is!

Chen Ping smiled coldly, turned around and walked out. Not to mention one-third of the account, Chen Ping wanted to pay all the debts. He didn't like others to owe him money!

Chen Ping walked out, and Sun Xiaomeng asked Cui Zhiyuan to go through the entry procedures for Wang Hanhan, and assigned Wang Hanhan to his own group!

It is obvious that Sun Xiaomeng likes Wang Hanhan very much.

In fact, Sun Xiaomeng is not a bad person, but she has a bit of a young lady's temper and looks down on others. However, from Sun Xiaomeng's attitude towards Wang Hanhan, we can also see that Sun Xiaomeng is not a bad person!

After Cui Zhiyuan finished handling Wang Hanhan's employment, he leaned on the office chair and fell asleep. They played until the early morning last night. When they got home, they washed the wet pants again and went to bed very late!

Just when Cui Zhiyuan was sleeping, the company boss Xing Jun opened the door and walked in. Seeing Cui Zhiyuan sleeping, Xing Jun frowned slightly!

"Don't you know how to knock on the door when you enter the office?" Cui Zhiyuan, who was sleeping, was woken up by the sound of opening the door. Before he opened his eyes, he shouted in displeasure.

In the sales department, he is the local emperor, so there is nothing to be afraid of!

After Cui Zhiyuan finished speaking, he saw no one answered, so he opened his eyes and saw Xing Jun looking at him. Cui Zhiyuan was so frightened that he fell off his chair!

"Xing...Mr. Xing, you...why are you here?"

Cui Zhiyuan looked panicked. Xing Jun rarely came to the sales department. He didn't know why he came suddenly today!

Xing Jun just glared at Cui Zhiyuan and did not scold him. Instead, he looked through the office window at the people working outside, but Xing Jun's eyes only focused on Chen Ping!

At this moment, Wang Hanhan went to see Chen Ping for something, and he followed Chen Ping very close. He looked very familiar. Xing Jun frowned and said, "Manager Cui, who is this girl?"

Cui Zhiyuan looked over quickly and realized that Xing Jun was talking about Wang Hanhan, and said hurriedly: "Mr. Xing, Chen Ping's girlfriend at this time is called Wang Hanhan, and she just joined the job today!"

"Chen Ping's girlfriend?" Xing Jun was shocked!

Seeing Xing Jun's expression, Cui Zhiyuan was startled and nodded slowly: "Yes, she is his girlfriend!"

Soon, a sneer suddenly appeared on Xing Jun's surprised face: "Look for an opportunity to take some intimate photos of the two of them, but you have to take them secretly and then send them to me..."

"Got it!" Cui Zhiyuan nodded.

Xing Jun left happily, while Cui Zhiyuan looked confused. He didn't know when Xing Jun had such a hobby!

"Brother Chen, the one who owes the most money in our group right now is Boss Meng. He owes nearly one million. He has been owed for two years. Several salesmen have tried to ask for it, but none of them have come. I heard that there is The salesperson was even beaten out!"

Zhang Tongjian was sitting at his workstation, pointing at a batch of arrears on the computer and said!

Chen Ping looked at the time, then nodded and said: "Then let's do an operation on him. Let's go and get him now. If we get back, it won't affect our meal!"

"Are we two going to get it?" Zhang Tongjian asked in surprise.

Chapter: 168

"Of course, how many people will come?" Chen Ping was stunned!

"Brother Chen..." Zhang Tongjian was scared, with a face full of embarrassment: "Brother Chen, I heard that Boss Meng used to be a promiscuous person. Now he has cleansed himself and opened a company, but he still has many people under him. If only the two of us go there, we will definitely get beaten. Several salesmen were beaten. I heard that there was also a female salesperson who went there and ended up getting pregnant..."

"Are you scared?" Chen Ping looked at Zhang Tongjian and asked seriously.

"I..." Zhang Tongjian didn't know how to answer. He was really afraid. Who wouldn't be afraid of a customer like this?

"This is the kind of work you do. If you are afraid, don't do it. There are some things you haven't tried before. You never know whether you will succeed..."

After Chen Ping finished speaking, he printed out Boss Meng's information and walked out with it!

"Brother Chen Ping..."

Seeing Chen Ping leaving, Wang Hanhan chased after him!

She knew that Cui Zhiyuan had given Chen Ping a task. Chen Ping must have gone to ask for the account at this time, so Wang Hanhan planned to help Chen Ping ask for it!

Chen Ping has a somewhat impulsive temper, and Wang Hanhan is afraid that he will conflict with others!

“Are you going to ask for a bill?” Wang Hanhan caught up with Chen Ping and asked.

“Yeah!” Chen Ping nodded.

“Let me take a look...” Wang Hanhan took the information in Chen Ping’s hand and started reading it!

The two people were very close to each other, as if they were hugging each other. They looked very ambiguous!

Seeing the situation in the office, Cui Zhiyuan hurriedly took out his mobile phone, secretly took a few photos, and sent them to Xing Jun!

“Brother Chen Ping, I’m afraid this is a dead debt. I haven’t paid it back for two years. It’s going to happen many times...”

Wang Hanhan looked at the information and frowned slightly!

“This is the biggest deal. No matter how difficult it is, you have to try it!”

Chen Ping smiled slightly and said!

“Well, I’ll go with you!” Wang Hanhan nodded.

“I can go by myself, you don’t have to accompany me...”

Chen Ping waved his hand quickly and said.

“You’re too impatient, so I’d better go with you. After all, we women have an advantage when it comes to paying bills...”

As Wang Hanhan said this, she actually took Chen Ping’s arm and walked out!

Chapter: 169

Seeing this, Cui Zhiyuan immediately stole a few more photos and sent them to Xing Jun again!

Just after Chen Ping followed Wang Hanhan out of the company, Zhang Tongjian also ran out and caught up with Chen Ping and said: “Brother Chen, we are in a group. I can’t see you taking risks on your own. The worst is, you will be beaten. I will go too...” ”

Zhang Tongjian figured it out, so he chased him out. When he saw that Zhang Tongjian wanted to go with him, Chen Ping showed a touch of relief on his face!

He patted Zhang Tongjian on the shoulder and said, “Don’t worry, as long as I’m here, you won’t get beaten...”

Zhang Tongjian just smiled helplessly. He made up his mind to go with Chen Ping just to keep his job. He and Chen Ping were in the same team. If Chen Ping went by himself, Zhang Tongjian was afraid that the superiors would be fired if they found out. Own!

Soon, Chen Ping and the others found Boss Meng’s company according to the address on the document. The company was not big, with only two floors. The sign at the door was already very old!

“Isn’t this company corrupt? Are there still people in it?”

Wang Hanhan looked at the sign at the door and said worriedly!

If the company goes bankrupt and people run away, then the debt is dead!

“Go in and take a look...” After Chen Ping finished speaking, he took the lead in walking in!

As soon as I walked into the company, I heard a burst of shouting and shouting inside, and the smoke was so thick that it made people choke and breathless!

In the company lobby, seven or eight shirtless men with tattoos were smoking and playing cards, all with red eyes!

Seeing this scene, Zhang Tongjian regretted it instantly and gently pulled Chen Ping's sleeve: "Brother Chen, otherwise we can come back another day!"

Wang Hanhan also looked a little ugly. This didn't look like a company, more like a bandit den!

"Now that I'm here, I have to meet the boss before I leave..."

Chen Ping said disapprovingly.

At this time, someone spotted Chen Ping and the three of them, so they got up and walked over: "What do you three do?"

"We are from Xinyu Daily Chemical Company, come here to find Boss Meng..."

Chen Ping said calmly.

"You want a bill?" When the man heard this, he immediately knew the purpose of Chen Ping's visit. He frowned slightly and said, "Brother Meng is not here, so get out of here. Don't affect our playing cards..."

After saying that, the man was about to go back and continue playing cards, but he had just taken two steps when a girl dressed voluptuously and with heavy makeup came down from the second floor. The girl was not old, but she was wearing rouge and powder that had long been gone. The purity of a girl!

"Liangzi, Brother Meng asked them to come up..."

The girl said to the big man who just stopped Chen Ping and the others.

The big man nodded: "You guys go up!"

Chapter: 170

After saying that, the big man went to play cards without looking back, while the girl glanced at Wang Hanhan, and then said: "You guys follow me..."

Chen Ping and the others followed the girl upstairs. Zhang Tongjian was so frightened that he trembled all over and almost fell down when going up the stairs!

At this time, in an office on the second floor, Boss Meng was holding a cigar in his mouth, with his feet on the desk, humming a tune leisurely. There were a lot of toilet paper scattered on the floor of the office, and there was also a lot of toilet paper in the air. There is a rotten smell permeating the air, and you don't have to guess what just happened here!

Soon, the girl led Chen Ping and the others into the office. Boss Meng was still holding a cigar in his mouth, but his eyes were always looking at Wang Hanhan!

"Your heart is getting better every day?" Boss Meng asked calmly.

"Yes!" Chen Ping nodded!

"I've already prepared the money I owe you..." As he said that, Boss Meng winked, and the girl who had just brought Chen Ping and the others up immediately understood and opened the safe on the side!

I saw banknotes neatly arranged inside, more than one million!

Seeing that Boss Meng was so happy, Zhang Tongjian and Wang Hanhan instantly became excited. They didn't expect things to go so smoothly, and Boss Meng didn't, as the information said, refuse to pay back debts and hit those who wanted them!

Only Chen Ping raised his lips slightly. He knew that Boss Meng would not be able to give money so readily!

Sure enough, after revealing the banknotes, Boss Meng put his feet down from the desk, looked at Wang Hanhan with silver eyes, and then said: "I don't like dealing with men. If you want money, you can. This The woman stays, you two get out, I promise to pay back your debt..."

When Wang Hanhan heard this, she was so frightened that she hurriedly hid behind Chen Ping.

Seeing Wang Hanhan's scared look, Boss Meng burst into laughter.

"It is a matter of course that you must pay back your debts. You must give it to anyone who asks for it..."

Chen Ping said coldly!

"It's only natural?" Boss Meng looked at Chen Ping as if he were a fool: "Are you new here? Didn't your colleagues tell you the consequences of coming to my place to ask for accounts?"

"I told you, but I didn't believe it, so I wanted to give it a try..."

Chen Ping nodded!

"Haha... this is the first time in so many years that I have met such a talented person. Since you want to give it a try, I will make it happen for you..."

With that said, Boss Meng punched Chen Ping in the nose!

Wang Hanhan was behind Chen Ping. When he saw Boss Meng take action, he pulled Chen Ping nervously, trying to pull Chen Ping away to avoid being hit by Boss Meng. However, Zhang Tongjian hurriedly took two steps back for fear of being hit. Own!

But Wang Hanhan failed to pull Chen Ping. Chen Ping looked at Boss Meng with a sneer. Just when Boss Meng's fist reached in front of Chen Ping, Chen Ping suddenly took action and directly grabbed Boss Meng's fist, followed immediately. There was a sound of cracking bones!

Boss Meng felt as if his fist was clamped by a vise, and then severe pain hit him, making Boss Meng scream!

When the girl who brought Chen Ping and the others saw this, she turned around and ran out, obviously calling someone!
