

## **The Order 1611**

Chapter: 1611

Gu Kaiyuan's screams became weaker and weaker, and soon Gu Kaiyuan's breath finally began to weaken.

In the end, Gu Kaiyuan collapsed on the ground like a deflated rubber ball.

The burning pain of the spiritual fire made Gu Kaiyuan begin to roll on the ground.

"Kill me, kill me quickly..."

Gu Kaiyuan just wants to die now.

Chen Ping looked at Gu Kaiyuan coldly, his eyes indifferent and cold.

Chen Ping will never be merciful when dealing with his enemies!

Soon, Gu Kaiyuan lost his voice, the spiritual fire he saw went out, leaving only a burnt corpse on the ground.

Gu Kaiyuan is dead, and the entire Gu family manor has turned into ruins. Only the Demon Suppression Tower stands tall, and the tower is surrounded by oppressive air.

Chen Ping stood in front of the Demon Suppression Tower, looking extremely small.

"This is really a good thing. It would be great if I could take away this Demon Suppressing Tower..."

Chen Ping felt a pity!

This Demon Suppressing Tower is a good thing. If you can practice in the Demon Suppressing Tower, you will get twice the result with half the effort!

As the saying goes, one day inside the tower, one day outside the tower...

But the Demon Suppression Tower was too big, and Chen Ping couldn't take it with him, nor could he put it into the storage ring, which was a pity.

When Chen Ping and the others were trapped in the Demon Suppression Tower, it was still night, but when they came out in just a few hours, three days had passed and it became daytime.

In this case, practicing in the pagoda for one day is equivalent to nearly a month outside the pagoda!

After another reluctant look at the Demon Suppression Tower, Chen Ping could only leave first to find Gu Ling'er.

When I have the opportunity, I will come back here and find a way to turn this manor into my own territory!

Emitting divine consciousness, Chen Ping immediately detected Gu Ling'er, and then quickly chased after him.

At this time, Gu Ling'er was anxiously looking for Uncle Zhong.

Seeing Chen Ping coming, Gu Linger hurriedly asked: "Chen Ping, how is that guy?"

"died....."

Chen Ping said.

Chapter: 1612

Gu Ling'er was not surprised when he heard that Gu Kaiyuan was dead. After all, with Chen Ping's current strength, Gu Kaiyuan was no match for him!

"I'm so angry that I let that old guy escape. If he hadn't relied on his familiarity with the terrain, I would have killed him long ago..."

Gu Ling'er looked angry.

"He's just a servant. If he runs away, just run away..."

Chen Ping comforted him softly, and then said: "It's time for us to go back. We have been here for several days, and my family must be worried."

Chen Ping knew that in the past few days, both Zhao Wuji and Long Wu must be worried about his safety.

Chen Ping and Gu Linger rushed to the airport!

At this moment, Ning Zhi also took people to Xichuan and walked out of the airport.

The two people passed each other in the crowd, but they didn't notice each other!

After Chen Ping passed by Ning Zhi, he suddenly frowned slightly. Although he didn't see Ning Zhi in the crowd, he always felt that there was an aura that was very familiar!

"Chen Ping, what's wrong?"

Seeing Chen Ping stop, Gu Ling'er couldn't help but ask.

"Oh it's all right....."

Chen Ping looked around, then shook his head and walked directly into the airport!

Ning Zhi led the people out of the airport and looked at the road outside the airport. There was no car waiting, and his face turned cold.

“Master, is Northwest Wanggu Kaiyuan a little too crazy? He knew that the master was coming, but he didn’t send a car to pick him up?”

One of the men beside Ning Zhi said.

Ning Zhi didn’t speak, but he was obviously unhappy.

At this moment, a taxi stopped in front of Ning Zhi, and then an old man got out of the passenger seat. This man was Uncle Zhong who escaped from Gu Ling’er.

After Uncle Zhong got out of the car, he looked cautious, and then asked Ning Zhi: “Excuse me, are you Mr. Ning?”

Ning Zhi looked at Uncle Zhong and then nodded.

Seeing this, Uncle Zhong breathed a long sigh of relief and hurriedly explained: “I am the old housekeeper of the Gu family, and I came here specially to pick up Mr. Ning.”

“Asshole, you Gu family are so arrogant that you actually used a broken taxi to pick up our young master?”

At this time, the servant next to Ning Zhi scolded loudly.

Chapter: 1613

Uncle Zhong looked embarrassed and said quickly: “Mr. Ning, I don’t know. Chen Ping is killing people in the Gu family. I also escaped and came to pick up Mr. Ning. How is the head of our family now? I don’t know. Not sure...”

“What’s going on? Didn’t Gu Kaiyuan say that Chen Ping has been arrested? Why did it become like this again? You didn’t deliberately frame me here, right?”

Ning Zhi asked with a cold expression.

“No, no, no, how dare we deceive Mr. Ning? Chen Ping was indeed imprisoned in the Demon Suppression Tower by the family owner at that time, but I don’t know how Chen Ping escaped. Now the family owner should fight against him!”

Uncle Zhong quickly waved his hand and explained.

“Master, what should we do?”

The servant asked Ning Zhi in a low voice.

Now that we know that Chen Ping has not been caught and has started a fight with Gu Kaiyuan, if Ning Zhi wants to go now, he will definitely start a fight with Chen Ping!

At that time on Suolong Island, Ning Zhi and Gu Kaiyuan teamed up, but they couldn’t defeat Chen Ping. Now they are afraid that they won’t be the opponent of Chen Ping.

After all, Chen Ping had just defeated Long Xiao, who was said to be the most talented!

Even Guo Wei was forced to burn his blood by Chen Ping.

Now Ning Zhi doesn’t know how powerful Chen Ping is. If he rashly starts a conflict with Chen Ping and involves himself, the loss will outweigh the gain.

After thinking for a moment, Ning Zhi waved his hand and said: “Let’s go back...”

When Uncle Zhong saw that Ning Zhi was about to go back home, he immediately became a little anxious. He quickly stopped Ning Zhi and said, "Mr. Ning, Chen Ping in the Gu family will definitely not be able to defeat our master. Our master has the Demon Suppressing Tower. Then But with a pagoda inherited from ancient times, one hour of practicing in the pagoda can be as good as one day outside!"

"Our family master relies on this Demon Suppression Tower to achieve the position of Northwest King. Now only our family master can activate the Demon Suppression Tower. If Mr. Ning can kill Chen Ping with our family master, the secret of this Demon Suppression Tower , I think the head of the family will never keep it..."

When Ning Zhi heard this, he was stunned, and then looked at Uncle Zhong in disbelief: "There is such a treasure? You didn't lie to me?"

"How could I lie to Mr. Ning? If Mr. Ning goes and finds out that I lied to you, you can slap me to death..."

Uncle Zhong shook his head quickly.

At this moment, Ning Zhi was moved. An hour of practicing in the pagoda was equivalent to a day of practicing outside. He had never heard of such a thing, and Gu Kaiyuan had never told him.

From this point of view, Gu Kaiyuan still had reservations about him and did not tell him all his secrets.

"Okay, I believe you once..."

Ning Zhi nodded, and then led people to follow Uncle Zhong to the Gu family manor!

Soon, when several people arrived, they were stunned by the sight in front of them.

I saw thousands of acres of manor, which was now in ruins. There was not a complete building in sight at all. There were ruins and deep pits everywhere.

Chapter: 1614

On the northernmost side of the manor, a tall tower stands, and the old tower exudes a simple atmosphere.

“The head of the family.....”

Uncle Zhong looked at the pile of humanoid ashes on the ground and immediately realized that it was Gu Kaiyuan!

After all, after following Gu Kaiyuan for so many years, he can still recognize it even if it turns into ashes!

“It seems we are too late. Then Chen Ping killed your family leader and escaped...”

Ning Zhi said, but his eyes kept scanning the Demon Suppression Tower.

At the first sight of the Demon-Suppressing Tower, Ning Zhi was attracted by the simple atmosphere exuded by the Demon-Suppressing Tower!

“Master Ning, you must avenge our family head...”

Uncle Zhong burst into tears. No one would have thought that when he left Gu Kaiyuan and ran away just now, he didn't hesitate at all.

“Don't worry, I want to see if what you said is true first.”

Ning Zhi said, go straight into the Demon Suppressing Tower.

In the tower, the rich aura continuously invaded Ning Zhi's body, making Ning Zhi's blood boil!

Unconsciously, Ning Zhi sat cross-legged, and the energy in his dantian began to circulate rapidly!

It felt like only an hour had passed, and Ning Zhi felt that his whole body was full of strength!

“Hahaha, it is indeed a pagoda. This guy Gu Kaiyuan has such a good thing, and he actually hid it himself...”

Ning Zhi walked out of the tower, only to find that it was already dark.

Ning Zhi was stunned for a moment, then looked at his men and said, “How long have I been in there?”

“Master, you’ve been here all day!”

The servant said.

“One day?” Ning Zhi was shocked. He didn’t expect this to be true.

No wonder his body was full of strength. It turned out that he had practiced for a day, not an hour, but he clearly felt that it passed quickly, and the time in the tower was very short.

“Mr. Ning, I’m lying to you. After our master dies, the Demon Suppression Tower does not need to be activated. It has already started activation on its own.”

Uncle Zhong said quickly.

“Hahaha...hahaha...”

Chapter: 1615

Ning Zhi threw his head up and laughed crazily, with fanaticism in his eyes!

“You did a good job. Now that Gu Kaiyuan is dead, this place has become an unclaimed land. I will invest for you and you can rebuild this place. From now on, this place will be an affiliated family of my Ning family...”

Ning Zhi said to Uncle Zhong.

When Uncle Zhong heard this, he hurriedly knelt down and kowtowed his thanks: “I am willing to go through fire and water for Mr. Ning...”

“You guys stay with me outside. I’m going to retreat. I believe it won’t be long before I can reach the peak of Wu Zong, or even reach the strength of half a Wu Hou. When I truly break through the realm of Wu Hou, the entire Kyoto The younger generation is all about me, Long Xiao is nothing but a piece of shit...”

Ning Zhi’s face was full of excitement and ferociousness. He was looking forward to the near future, when he would stand at the top of the younger generation in Kyoto and enjoy praise from all directions.

Soon, Ning Zhi began to retreat. Auras surrounded Ning Zhi, and Ning Zhi’s forehead flashed with bursts of red light...

.....

Kyoto, Dharma Protector Pavilion!

Chen Ping has returned to Kyoto with Gu Ling’er.

When Zhao Wuji knew that Chen Ping had returned to Kyoto, he immediately called Chen Ping to the Dharma Protector Pavilion!

“Mr. Chen, you have to pay attention. The killers of the Watanabe family of the island country have entered the country. We don’t know how many there are or what their strength is. Their eyes are on you.”

Zhao Wuji said with a solemn expression.

“The killer has entered the country? Didn’t Mr. Shi personally handle this matter and keep those killers out of the border?”

Chen Ping looked surprised.

At that time, Zhao Wuji also said that there was no need to worry, Mr. Shi had personally taken action, and those killers would definitely not be allowed to enter the country.

“Why.....”

Zhao Wuji sighed: “Forget it, the Watanabe family is extremely cunning and has sent more than one wave of killers. The reason why they spread the news that they want to kill you is to attract our attention.”

“The news I know now is that the killers have entered the country. We still don’t know where these killers are hiding. However, this time the killers have entered the country. It can be seen that there are people inside to support them. Otherwise, these killers would not be able to enter the country so easily of.”

“Who is so bold? Dare to do something treasonous?”

Chen Ping was shocked. No matter how strong he was, if he did such a treasonous thing, the consequences could be imagined.

Zhao Wuji glanced at Chen Ping and shook his head: “I don’t know, but this person who is responding must have a grudge against you. After all, these killers are here to assassinate you. Their goals are very clear, so this person who is responding is also I definitely hope you die...”

“Is it the Long family? Or the Martial Arts Alliance? Or other families?”

Chen Ping couldn't think of it either. After all, he had offended many people and even more wanted his life.

Chapter: 1616

Especially in this competition, Chen Ping revealed the power of the dragon. Those sects and aristocratic families would definitely want to get it after they knew that the dragon crystal was so powerful.

But now Mr. Shi is obviously protecting Chen Ping. During the competition, the four evil men suddenly appeared and helped Chen Ping. This made many martial arts families unable to guess Chen Ping's true strength and identity, so they all It's just a matter of concern.

"Mr. Chen, no matter who is the responder right now, the first priority is to find a place to hide temporarily. Mr. Shi has issued an order to strictly investigate these killers who enter the country."

Zhao Wuji persuaded Chen Ping.

"Okay, it's time for me to find a place to retreat..."

Chen Ping needs to retreat to improve his strength. Both his mother and Su Yuqi are suffering. He needs to improve his strength as soon as possible and rescue them.

"Mr. Chen, why don't you stay in the Dharma Protector Pavilion? I think those killers are too brave to enter the Dharma Protector Pavilion to kill people!"

Zhao Wuji said.

"No, Uncle Long and the others must be worried about me too. If I go to Medicine God Valley, the killers won't be able to find me there..."

Chen Ping planned to go to Yaoshen Valley. Firstly, Yaoshen Valley was hidden, and secondly, he wanted to meet Long Wu and follow Long Wu to report that he was safe.

Moreover, Xiaolan and Wu Meier are also in Medicine God Valley, so Gu Linger can still have a companion!

After saying goodbye to Zhao Wujj, Chen Ping took Gu Ling'er to Wuying Villa.

If Chen Ping wants to retreat, he must tell Zhao Liguu some things.

Now Wuying Villa is much more powerful, but Chen Ping is not satisfied yet.

In today's society where force is king, Chen Ping must develop his own power.

Chen Ping rushed to Wuying Villa. When Zhao Liguu learned from Chen Ping that the Valley of Evil was actually an entrance to Tianlong Hall, his shocked expression made him swallow an egg.

After explaining to Zhao Liguu, Chen Ping took Gu Ling'er and went straight to Medicine God Valley and began practicing in seclusion.

Kyoto Martial Arts Alliance!

In front of Zhu Zhishan stood five island warriors wearing kimonos and holding katana swords!

These five people are the killers sent by the Watanabe family!

Everyone's strength is above the eighth-grade martial arts master, and their faces are stern!

"Leader, these are the people sent by the Watanabe family. However, there has been no news about Chen Ping in the past few days, and I don't dare to let them move around freely. The Guardian Pavilion is sending people everywhere to look for them!"

Guo Wei said to Zhu Zhishan.

Zhu Zhishan looked at the five killers sent by the Watanabe family, and a hint of disdain suddenly rose at the corner of his mouth.

Chapter: 1617

“I heard that the Watanabe family is a famous family in the island country, and they actually sent five killers with such strength. Is this the strength of the Watanabe family?”

Zhu Zhishan didn't think that five killers who were only at the eighth level of martial arts could kill Chen Ping.

Although the eighth-level Wuzong is only one step away from reaching the peak of Wuzong, there is a huge difference in the strength of the cultivation path at this small level!

The peak of Wu Zong is one step behind the half-step Wu Hou, but the strength is very different.

But if Half-Step Wuhou steps into the realm of Wuhou, it will reach another level.

As a Marquis of Wu, he already had the strength to establish a sect in Kyoto.

“idiot.....”

Suddenly, one of the warriors glared at Zhu Zhishan: “We, the Watanabe family, are full of experts. We just want to kill a small Daxia man. There is no need to send out our family's experts...”

Snapped.....

Zhu Zhishan waved his hand and instantly slapped the warrior in the face with energy!

The warrior was immediately sent flying.

“Damn it, if I hadn’t taken action, you would have become fucking prisoners. How dare you follow me?”

Zhu Zhishan had a gloomy face.

There are only a few eighth-level Wuzong warriors, but Zhu Zhishan is not used to them.

Then the warrior who was slapped could only glare at Zhu Zhishan, not daring to say anything!

Zhu Zhishan’s slap clearly let them know Zhu Zhishan’s strength.

“Zhu Alliance Leader, they are just servants, why are they so angry...”

At this time, Masao Nagamura walked in with a faint smile on his face.

Seeing Masao Nagamura, Zhu Zhishan showed a smile: “Ambassador Nagamura, these warriors of your island country are not very strong, but they have a bad temper. They dare to fight with anyone...”

“Hahaha, I wish the leader of the alliance not to worry about it. I will naturally teach them a lesson when I go back...”

Nagamura Masao laughed.

“Mr. Ambassador...”

When the five island warriors saw Masao Nagamura, they hurriedly bowed respectfully.

Snapped!

Chapter: 1618

Masao Nagamura slapped the samurai who just disrespected Zhu Zhishan hard!

“Let me tell you, in the island country, I don’t care how rampant your Watanabe family is, but this is Daxia. If you want to survive, please restrain yourself. Don’t leave your life here before the task is completed.”

Nagamura Masao scolded loudly with a cold face.

None of the several island warriors dared to breathe. Even if the Watanabe family was awesome, they did not dare to go against the official, and Nagamura Masao represented the island official.

“Hi!”

Several warriors quickly replied.

“Ambassador Nagamura, you don’t need to lecture them in front of me. I have already completed the tasks you entrusted me with. Now you can take them away...”

Zhu Zhishan took great risks to sneak these killers into the country. Now these people are like hot yams.

After Masao Nagamura took these people away, Zhu Zhishan could feel more at ease.

“Alliance Leader Zhu, where is Chen Ping now? I hope Alliance Leader Zhu will pay more attention to it. Alliance Leader Zhu also wants to kill Chen Ping, doesn’t he?”

Nagamura Masao smiled slightly towards Zhu Zhishan.

Zhu Zhishan waved his hand: “How could I possibly know where Chen Ping is? Go check it out yourself...”

“Zhu Alliance Leader, I hope you’d better help me. If I were asked to investigate on my own and let the people in the Dharma Protector Pavilion know about it, arrest a few of them, and torture them to extract confessions, I can’t guarantee that they would kill you. Offer it out...”

Nagamura Masao had a smile on his face, but there was a strong hint of threat in his tone.

Zhu Zhishan’s face turned cold instantly and he frowned: “Are you threatening me?”

“No, no, no, Alliance Leader Zhu has misunderstood me. I’m just kindly reminding you...”

Masao Nagamura always has a smile on his face.

Zhu Zhishan said nothing and looked at Masao Nagamura coldly, but he knew that he had been caught by Masao Nagamura.

After a while, Zhu Zhishan finally said slowly: “I will send someone to check. I believe it won’t take a few days to find out where Chen Ping is...”

“Then thank you very much, Leader Zhu...” Masao Nagamura bowed his hand!

“But let me remind you, these killers you sent are just a joke. They may not be able to kill Chen Ping...”

Zhu Zhishan reminded.

“Don’t worry, Alliance Leader Zhu. Although the five of them are not strong, when the five of them join forces, even those at the top of the martial arts sect like Director Guo are not necessarily their opponents.”

Masao Nagamura looked confident.

Chapter: 1619

“Well, that’s good!” Zhu Zhishan nodded.

Zhu Zhishan knows that some people are not very strong, but they know how to combine attacks. As long as they join together, their strength will increase exponentially.

Since the Watanabe family will send these five people, there must be something special about them!

.....

Kyoto Dragon Family!

Long Xiao’s defeat completely humiliated the Long family and made Long Xiao, the most talented person of the younger generation, the laughing stock of everyone.

You must know that the Long family has many affiliated families in various places!

After Long Xiao’s defeat, many affiliated families announced their separation from the Long Family, and the Long Family’s market value in the business world also evaporated in an instant.

“Damn Chen Ping, sooner or later I will make him pay the price...”

Looking at the seriously injured Long Xiao, Long Jingguo gritted his teeth and his eyes were filled with anger!

“Master, Master Dingchan is here...”

Long Xingxu walked in and said to Long Jingguo.

“Please come in quickly...”

When Long Jingguo heard this, he hurriedly stood up to greet him!

At this time, Master Dingchan hurriedly walked in. When he saw Long Xiao lying on the bed, anger burst out from his eyes!

“You dare to hurt my disciple so badly, you deserve to die...”

Master Dingchan said, walked to the bed and sat next to Long Xiao.

“Master.....”

Seeing Master Dingchan coming, Long Xiao started to cry.

Long Xiao could still bear the pain on his body, but it was too embarrassing and he couldn't afford to embarrass this person!

“Disciple, you don't have to cry. I will check your body as a master...”

Master Dingchan grabbed Long Xiao's wrist and injected a burst of energy into Long Xiao's body.

After a while, Master Dingchan's face became very ugly.

“It's so vicious that it shattered all Long Xiao's bones. This Chen Ping deserves to die...”

Chapter: 1620

Master Dingchan gritted his teeth and said fiercely.

“Master Dingchan, do you have any panacea to help Xiao'er get better as soon as possible?”

Long Jingguo asked hurriedly.

“In this situation, I’m afraid we can only ask the people from Medicine God Valley to take action. After all, they are experts in this field...”

Master Dingchan said.

As soon as he heard about Medicine God Valley, Long Jingguo’s expression turned ugly.

Compared with him, Yaoshen Valley is obviously on Chen Ping’s team. Although I don’t know what the relationship between Chen Ping and Yaoshen Valley is, it can be seen that Yaoshen Valley attaches great importance to Chen Ping.

Now let them go to Yao Shen Valley to invite people. I am afraid that the people from Yao Shen Valley will not come.

“What? Your Long family can’t even invite people from Medicine God Valley?”

Seeing Long Jingguo’s ugly face, Master Dingchan asked.

“Hey, I’m not satisfied with Master Dingchan. We invited people from Yaoshen Valley. Yaoshen Valley has never declined, but I’m afraid it will be difficult this time. Yaoshen Valley doesn’t know what it has to do with following Chen Ping. This time the competition is actually standing on the side Join Chen Ping’s team.”

“If we go to Medicine God Valley to invite people now, wouldn’t we be asking for trouble?”

Long Jingguo sighed and said helplessly.

“Is there such a thing?”

Master Dingchan frowned slightly, but then said: “In this case, I will go there in person. No matter what the relationship between Yao Shen Valley and Chen Ping is, I believe they will give me some face.”

“Then thank you so much Master Dingchan. Master Dingchan came forward, how could Yaoshen Valley not give him face...”

Long Jingguo said with excitement on his face.

Master Dingchan left after saying a few words to Long Xiao.

After Master Dingchan walked back, Long Jingguo looked at Long Xingxu and asked, “Have the killers from the Watanabe family already entered the country?”

Long Xingxu nodded: “Yes, we are already in Kyoto. The Guardian Pavilion has been looking for these killers everywhere in the past two days. I heard that Mr. Shi is very angry and is also secretly tracing who brought these killers in.”

“Hmph, there is no need to investigate. It must have been brought in by the Martial Arts Alliance. Then Zhu Zhishan wants Chen Ping’s life the most.”

Long Jingguo snorted coldly.

“But the head of the family, there have been some rumors recently, saying that our Long family secretly colluded with the Watanabe family and secretly brought in those killers in order to kill Chen Ping and avenge the eldest young master...”

Long Xingxu said.
