

## **The Order 1651**

Chapter: 1651

The long sword was raised high, and then slashed down angrily at Chen Ping.

The overbearing sword energy instantly blocked Chen Ping's retreat.

Chen Ping's body suddenly flashed forward, but in Guo Wei's eyes, Chen Ping's movements seemed to be in slow motion.

"You can't hide..."

When Guo Wei slashed down with his sword, the entire void began to twist, and bursts of piercing sounds were made.

Boom.....

The long sword slashed down from Chen Ping's body, followed by strings of fire.

Chen Ping's indestructible golden body was damaged. Where the long sword scratched it, the golden scales disappeared, revealing strong skin.

A divine dragon's power condensed on Chen Ping's right hand, and a bright white light dispersed some of the surrounding black fog.

There is a glimmer of light in the dark environment...

boom.....

Chen Ping punched out hard. This punch was extremely domineering and terrifying in power...

Like a meteor streaking across the night, this punch hit the sword in Guo Wei's hand hard.

The long sword in Guo Wei's hand was originally the illusion of these black mist. After touching Chen Ping's punch of white light, the long sword disappeared directly, and the black mist was instantly dispersed.

Feeling the terrifying aura, Guo Wei's body instantly took a few steps back.

At this moment, the expression on Guo Wei's face was very complicated. This black mist was the killer weapon he relied on!

In the competition arena, Guo Wei would rather burn his essence and blood than reveal that he had practiced evil skills, otherwise there would be no way to end it.

Today there were only two of him and Chen Ping, and Guo Wei had no scruples.

"Your evil skills are no longer useful to me. If this is your trump card, then you will definitely die..."

Chen Ping said coldly.

"Then give it a try!"

Guo Wei was furious, and then his hands quickly slid in the air. The surrounding black mist seemed like thousands of horses galloping, and began to gather together and change continuously.

Soon, the black mist turned into a strange beast, roaring with teeth and claws!

Suddenly a drop of blood essence floated out from the mark on Guo Wei's chest, and then slowly the drop of blood essence dripped on the beast's eyebrows, and the blood essence was absorbed into it instantly.

Chapter: 1652

“Chen Ping, you underestimated the art of evil cultivation. If the art of evil cultivation is so unbearable, how could I fight for my own future in cultivation...”

Guo Wei said, pinching his fingers, and the beast roared and pounced directly on Chen Ping.

Roar.....

The beast arrived in front of Chen Ping at an unparalleled speed. Chen Ping looked very small in front of the beast.

When Chen Ping saw this, he didn't panic, the power of the dragon exploded, and he punched out.

But Chen Ping's punch on the beast seemed to be empty, and Chen Ping's whole body seemed to be sucked by a huge suction force, and he suddenly entered the body of the beast.

Chen Ping's body disappeared into the darkness, the beast roared, and his body began to emit light. Chen Ping, who was trapped in the darkness, felt his eyes light up, followed by incomparable heat!

This kind of scorching heat is hundreds of times stronger than the sun, and it seems to melt Chen Ping's entire body!

Seeing this scene, Guo Wei had a smile on his face.

“It's still too tender...”

Although Chen Ping is very strong, he is young and lacks combat experience.

He completely failed to see the true power of Guo Wei's black mist!

Guo Wei took out his cell phone and dialed Zhu Zhishan's number.

"How about it? Killed Chen Ping?"

On the opposite side, Zhu Zhishan asked.

"Three minutes, three minutes later, Chen Ping will turn into a puddle of thick water..."

Guo Wei said with confidence.

"Did you use evil skills?" Zhu Zhishan frowned slightly: "No one else saw it, right?"

"Don't worry, Alliance Leader, there is no one else. Even if there are others, they will all be dead..."

Guo Wei's eyes flashed with murderous intent!

If anyone saw him nearby at this time, he would take action without hesitation and would not care who the other person was.

Fortunately, Chen Ping asked the taxi driver to leave, otherwise the taxi driver would also encounter something unexpected.

"That's good. Once Chen Ping dies, I will feel relieved. This guy will always be a disaster..."

Zhu Zhishan breathed a sigh of relief and hung up the phone.

Chapter: 1653

Just when the phone was hung up, the beast transformed from the black mist suddenly began to struggle at a distance, and then its body began to shrink rapidly!

A ray of golden light burst out from the beast's body!

“What...what's going on?”

When Guo Wei saw this, his expression suddenly changed.

The beast is still struggling at a distance, its body getting smaller and smaller.

Guo Wei hurriedly threw out a drop of blood essence, but when it fell on the beast, there was no change at all!

In just ten seconds, the beast transformed by the black mist completely disappeared, all the black mist also disappeared, and the sun shone on this land again!

Chen Ping stood in front of Guo Wei with a satisfied look on his face and said jokingly: “Thank you very much for sending me such good training resources...”

Guo Wei suddenly felt cold all over, and cold sweat broke out on his forehead!

“you you.....”

Guo Wei pointed at Chen Ping and didn't know what to say.

At this moment, Chen Ping's whole body was full of strength, and his full Dantian was filled with spiritual power!

Guo Wei originally wanted to kill Chen Ping with his evil skills, but he didn't want the black mist to become Chen Ping's cultivation resource.

“go to hell.....”

Chen Ping’s body disappeared instantly, and then he appeared in front of Guo Wei.

“Magical body protection...”

Guo Wei shouted angrily, and then the mark on his chest began to flash with light, and Guo Wei’s body became very hard in an instant.

Bang!

Chen Ping punched Guo Wei hard in the chest.

Guo Wei’s body flew backwards instantly, cracks appeared in his hard body, and the mark on his chest began to dim!

“How can it be?”

Guo Wei’s body fell heavily to the ground, and blood overflowed from the corner of his mouth.

He couldn’t believe that Chen Ping could defeat him with such contempt.

You must know that a few months ago, in Guo Wei’s eyes, Chen Ping was not even an ant, and he didn’t even bother to look at Chen Ping.

Chapter: 1654

“What else can you do?”

Chen Ping looked at Guo Wei coldly, exuding fierce killing intent.

Guo Wei felt the killing intent in Chen Ping, and he knew that he could only follow Chen Ping's desperate path.

"Boy, one of you and I must die today, but you are the first young man who can force me to this extent..."

Guo Wei said, slowly raising his hands and mumbling something.

Immediately afterwards, Guo Wei's face began to become ferocious, and his facial features were twisted together.

The mark on the chest emits a ray of light, and this ray of light instantly spreads to Guo Wei's whole body.

The blood vessels all over Guo Wei's body were bulging, and the veins on his forehead were bulging.

Slowly, Guo Wei's whole body seemed to become transparent, each blood vessel was clearly visible, and even the flow of blood could be seen!

Soon, the blood vessels on Guo Wei's body were no longer visible, only a vague outline remained!

"Invisibility?"

Chen Ping frowned slightly as he looked at Guo Wei who was slowly disappearing.

Chen Ping hurriedly swung his palms into the air, and a visible aura enveloped the surrounding area.

Chen Ping was afraid that Guo Wei would use invisibility to escape.

This invisibility technique is different from the ninjutsu of the island warriors. To put it bluntly, the ninjutsu of the island warriors is a blinding technique.

The true invisibility technique can integrate the body with the world and even hide the breath without revealing any flaws.

“Do you think I will run away?”

At this time, Guo Wei’s voice rang in Chen Ping’s ears: “You underestimate me too much. I won’t leave until I kill you...”

“I said, with your little ability, you can’t kill me...”

Although Chen Ping could no longer see where Guo Wei was, he didn’t panic at all.

Although Guo Wei’s body disappeared, Guo Wei’s breath was still there.

As long as Guo Wei takes action, he will definitely be exposed, unless he never takes action against Chen Ping, but if he doesn’t take action, how can he kill Chen Ping?

“Arrogant, then I’ll let you see my real trump card. Even if I can’t kill you, I can kill you...”

Guo Wei said, suddenly he punched Chen Ping hard.

Chapter: 1655

Chen Ping felt that Guo Wei’s breath was coming from the side, so he punched him!

boom.....

The ground shook for a while, and Guo Wei’s body was faintly revealed, but then disappeared again!

Bang bang bang.....

Guo Wei began to attack Chen Ping continuously!

Chen Ping was able to accurately meet Guo Wei's fist.

"Do you want to use this method to drain out the energy in my body?" Chen Ping sneered: "If that's the case, then you are totally wrong. My energy is very full, but you are already The end of the strong crossbow..."

With every punch, Chen Ping could feel Guo Wei's strength weakening!

"Hahaha, my strength is as vast as the sea, and everything in the world is at my disposal..."

Guo Wei laughed, and then he saw the surrounding trees begin to shake.

Then countless crystal clear rays of light flew out from the trees and converged on Guo Wei's body.

No matter whether it is trees or living creatures within a radius of several hundred meters, no one can escape!

On the ground, animals began to die quickly, and their bodies became shriveled!

If there is anyone nearby, the same fate will happen!

This is the horror of evil power...

As the rays of light entered his body, Guo Wei's body slowly emerged, and the energy in his body recovered instantly, even being fuller than before.

"These evil skills are really not a good thing..."

Chen Ping narrowed his eyes slightly as he watched the animals and plants around him lose their vitality.

“Not to you, but to me, this is a supreme magical skill...”

After Guo Wei finished speaking, he suddenly slapped Chen Ping with his palm!

A terrifying force came overwhelmingly, covering Chen Ping directly.

The energy in Guo Wei’s body is like a vast sea, flowing continuously...

The powerful energy was like a knife, hitting Chen Ping’s body continuously.

The golden light of Chen Ping’s body is dimming, and the indestructible golden body is close to collapse. If the indestructible golden body collapses, Chen Ping can only rely on his physical body to carry it.

Chapter: 1656

Seeing Chen Ping’s embarrassed look, Guo Wei laughed excitedly.

“Hahaha, Chen Ping, I know your body is extremely hard, but I have a way to deal with you...”

After Guo Wei finished speaking, he drew a circle with his hands on his chest, and then there was a ripple in the surrounding space!

Two tentacles suddenly stretched out from the ground and quickly controlled Chen Ping’s legs.

The rippled space in front of Guo Wei began to envelope Chen Ping.

“If you can’t be tough, then let’s be soft. Do you think that I, as the director of the alliance, have earned my reputation in vain? Let me tell you, at the peak of Wuzong, there are few people whose skills are my opponent...”

Guo Wei looked at Chen Ping with a sneer.

If you don’t have some real ability, how can you sit on the position of alliance director.

Chen Ping struggled desperately, but he couldn’t escape the pair of tentacles at all, and a strange force was constantly eroding Chen Ping’s body.

This force is very soft and does not follow Chen Ping into a head-on confrontation, so it is difficult for Chen Ping’s indestructible golden body to withstand this force!

“You’re confident.....”

Chen Ping looked at Guo Wei, suddenly clasped his hands together, and then muttered words, and a series of magic formulas came out of Chen Ping’s mouth!

“A dead tree grows again when spring comes...”

After Chen Ping finished speaking, a force of peace fell from the sky in an instant, and the withered trees around him suddenly glowed with life!

Countless branches are growing rapidly, and then reach out to Guo Wei!

Seeing this, Guo Wei hurriedly struck out with his palms, breaking a few branches, but more branches wrapped around Guo Wei’s body.

Guo Wei was restrained, the tentacles controlling Chen Ping disappeared instantly, and the rippled space slowly disappeared.

Guo Wei's face turned red and he struggled desperately to break away from these branches.

With his strength, how could these rotten pieces of wood trap him!

But no matter how hard Guo Wei tried, he was firmly controlled by those branches and couldn't break free!

Chen Ping waved his hand, and those branches instantly brought Guo Wei to Chen Ping.

"I forgot to tell you, I also know some magic..."

Chen Ping looked at the controlled Guo Wei and said coldly.

Guo Wei was really panicked at this moment, and his eyes became extremely panicked.

Chapter: 1657

"Chen Ping, you...what do you want? If you really kill me, you will follow the Martial Arts Alliance until death."

Guo Wei was afraid and began to beg for mercy: "But as long as you don't kill me, I can persuade Alliance Leader Zhu to let your girlfriend go, and the Martial Arts Alliance will never trouble you from now on..."

"What have you been doing? Now that you know you are going to die, you come to beg me again?"

Chen Ping said, slowly raising his hand, the palm of his hand shining with golden light.

"What do you want to do? I can teach you all my magical skills, as long as you are willing to let me go..."

Feeling the killing intent in Chen Ping, Guo Wei was terrified!

Thinking of how Chen Ping treated the five island warriors, Guo Wei became even more frightened!

Maybe death is not scary, but there are many things scarier than death...

“I don’t like your rubbish evil skills...”

Chen Ping squinted his eyes, his eyes sharp and cold!

“Tell me, what do you want? I can give it to you...”

Guo Wei said with fear in his heart.

Chen Ping slowly looked at Guo Wei’s chest and suddenly smiled coldly: “I want the Dantian in your body...”

After Chen Ping finished speaking, Guo Wei’s eyes suddenly showed fear!

This dantian is the source of a warrior’s power. Without his dantian, he would be completely useless. A cultivator’s dantian can be restored if his dantian is broken, but a warrior cannot.

Now that Chen Ping wants Guo Wei’s Dantian, doesn’t this mean that he directly makes Guo Wei a useless person?

In this case, it would be more uncomfortable for him than killing Guo Wei!

The dignified director of the Martial Arts Alliance has been reduced to a useless person. How will Guo Wei face those sects and aristocratic families in the future?

“Please, please, except for Dantian, I...”

Guo Wei begged Chen Ping, but before he finished speaking, Chen Ping threw out a punch.

boom!

Chen Ping hit Guo Wei's chest hard with this punch, and the entire fist entered Guo Wei's body!

The fierce power penetrated Guo Wei's body-protecting magic!

Click.....

Chapter: 1658

There was a slight cracking sound, and Guo Wei's expression was stunned, and his body began to decline rapidly.

Chen Ping's punch directly smashed Guo Wei's Dantian.

All Guo Wei's energy disappeared without a trace in this moment, and he became a useless person.

"You...you actually broke my Dantian..."

Guo Wei's face was ashen.

At this time, Chen Ping took his hand out of Guo Wei's stomach. His hand was stained with blood. With a gentle wave of his hand, all the branches restraining Guo Wei disappeared.

Guo Wei's body fell to the ground with a thud, the breath in his body was rapidly draining, and blood continued to emerge from the wound on his chest.

Guo Wei wanted to get up, but after trying several times, he didn't even have the strength to get up.

“Kill me, kill me...”

Guo Wei didn't want to live anymore.

His Dantian has been shattered and he has become a useless person. There is no point in his life anymore.

The reason why Guo Wei practices evil arts is because he has a desire for strength. For many warriors, strength is the only thing in their minds.

Now it was hard for him to accept that Guo Wei was suddenly made useless!

“Kill you?”

Chen Ping looked at Guo Wei coldly: “If I kill you like this, wouldn't it be an advantage to you?”

“What about your superior attitude before? When you arrested my girlfriend, did you ever think about your own end?”

“If you kneel in front of me now, I might be able to make your death more pleasant...”

Guo Wei glared at Chen Ping: “You are dreaming, even if I become a useless person now, you are not worthy...”

“You can kill me, but I will never kneel down to you!”

After Guo Wei finished speaking, he opened his mouth and bit his tongue.

He wanted to bite his tongue and kill himself because he knew that he had no hope of survival, and living was already torture for him.

“Want to commit suicide?” Chen Ping slapped Guo Wei hard on the face!

Guo Wei lost all his teeth and it was impossible to bite his tongue and commit suicide.

“Kill me, kill me...”

Chapter: 1659

Guo Wei saw that he couldn't even commit suicide, so he yelled desperately.

“I said, I won't let you die so easily...”

Chen Ping grabbed Guo Wei's hair with one hand: “Kneel down...”

“You are dreaming, I will never kneel down for you...”

Guo Wei said with a fierce look.

Chen Ping directly picked up Guo Wei: “To me now, you are no different than following an ant. You have no right to refuse me!”

After Chen Ping finished speaking, he kicked Guo Wei directly on the calf twice. With two crisp sounds, Guo Wei fell to his knees directly!

Guo Wei still wanted to struggle, but he couldn't break away at all!

Jingle Bell.....

At this moment, Guo Wei's cell phone rang.

Chen Ping picked up Guo Wei's cell phone and found that the call was from Zhu Zhishan.

Chen Ping gently pressed the answer button, and Zhu Zhishan's impatient inquiry came from the opposite side: "Guo Wei, how are you? If you don't tell me, Chen Ping will turn into a pool of blood in three minutes?"

"Zhu Alliance Leader, I'm really sorry, I'm afraid I'm going to disappoint you..."

Chen Ping responded in a joking tone.

The person on the other side was obviously stunned. After a while, Zhu Zhishan's cold voice came: "Chen Ping, where is Guo Wei? What did you do to him?"

"Don't worry, he's fine. You'll be able to see him soon..."

After Chen Ping finished speaking, he exerted slight force on his hand, and the phone turned into powder.

Immediately afterwards, Chen Ping took out his mobile phone and recorded Guo Wei kneeling on the ground and being humiliated by his hair.

"Kill me, kill me..."

Guo Wei roared, he knew what Chen Ping was going to do.

"Don't worry, I will definitely kill you, but before I kill you, I want everyone to see how embarrassed you are as an alliance director."

Chen Ping grabbed Guo Wei's hair with one hand and started recording with the other!

Guo Wei struggled desperately not to face the camera, but he couldn't get away at all!

"Yu Qi, I will make everyone who hurt you pay the price, and I will definitely rescue you..."

Chapter: 1660

Chen Ping said, just twist it with your hand!

Click.....

Guo Wei's head was violently twisted off by Chen Ping.

Guo Wei's eyes were wide open and he couldn't close his eyes...

.....

Within the Martial Arts Alliance!

Zhu Zhishan threw the phone to the ground hard, and the phone was smashed to pieces!

He never expected that Guo Wei was no longer Chen Ping's opponent.

He is very clear about Guo Wei's abilities, especially the evil skills practiced by Guo Wei. Even if they are both at the peak level of Wuzong, Guo Wei can be considered a leader.

Now he is defeated by Chen Ping, how is this possible!

"Leader, Chen Ping is here..."

Just when Zhu Zhishan was angry, someone suddenly ran in and reported.

Zhu Zhishan was stunned for a moment, then frowned: "What is he here for?"

"Leader, Chen Ping said he was giving a gift to the leader!"

said the man who ran in.

"Giving a gift?" Zhu Zhishan was a little confused and didn't understand what medicine Chen Ping was selling in his gourd.

After pondering for a moment, Zhu Zhishan walked towards the hall.

Coming to the lobby, Zhu Zhishan saw Chen Ping carrying a wooden box and sitting on a chair with a calm look on his face!

Zhu Zhishan looked at Chen Ping and slowly said, "Chen Ping, where is Guo Wei?"

Chen Ping threw the wooden box in his hand towards Zhu Zhishan!

Zhu Zhishan took the wooden box and after opening it, a bloody smell hit his nostrils!

When Zhu Zhishan saw that the wooden box contained Guo Wei's head, he became furious!

He never expected that Chen Ping would dare to kill Guo Wei.

After all, Guo Wei is also a director of the Martial Arts Alliance. If Chen Ping kills Guo Wei, he will completely break up with the Martial Arts Alliance.
