

## **The Order 1701**

Chapter: 1701

After receiving a call from Zhao Ligu, Chen Ping thought there was something wrong with Wuying Villa.

“Palace Master, you must not return to Kyoto during this time. Many sects and families are eager to find you now!”

Zhao Ligu said anxiously.

“Looking for me? Why are you looking for me? Are you assigned by the Martial Arts Alliance to deal with me?”

Chen Ping frowned and asked.

He killed Guo Wei, Zhu Zhishan would definitely be furious, and he might use his status as the leader of the martial arts alliance to force other sects and aristocratic families to attack him.

“No, it doesn’t matter if you follow the Martial Arts Alliance. Just look at the Martial Arts Forum and you will know...”

Zhao Ligu said.

Chen Ping hung up the phone, then opened the martial arts forum, and soon a pinned message popped up.

It was Ning Zhi who posted anonymously, telling Chen Ping that he had the power of the dragon and the dragon crystal fusion.

Seeing this, Chen Ping’s face became even colder.

He knew that this information must have come from Ning Zhi, because only Ning Zhi and Gu Kaiyuan knew the secret of the dragon crystal in his body.

If Gu Kaiyuan is dead, of course he won't be posting anymore.

It seems that Ning Zhi was unwilling to lose at his own hands, so he revealed these things so that all the sects and aristocratic families would become his enemies.

After all, the allure of this dragon's power is very great.

"It seems that I can't go back to Kyoto for the time being..."

Chen Ping frowned, returned the ticket in his hand, and bought a new ticket to Hongcheng!

He wanted to go back to Hongcheng first and then choose a suitable place to hide.

He had to avoid the limelight first. Now that Chen Ping has the Demon Suppressing Tower and the Nine Thousand Miles of Mountains and Rivers map, he can practice wherever he is.

As long as Chen Ping's strength improves, he doesn't have to be afraid of those guys in Kyoto.

After getting on the plane to Hongcheng, Chen Ping sent a message to Lin Tianhu.

When the plane landed at Hongcheng Airport, Lin Tianhu had already driven to pick up Chen Ping.

In addition to Lin Tianhu, Gu Wentian and Su Wenzong also came, as well as many prominent figures in Hongcheng.

Almost the entire airport came to greet Chen Ping.

Chapter: 1702

When Chen Ping got off the plane, he was shocked by the scene in front of him.

“Mr. Chen...”

Lin Tianhu hurriedly stepped forward and bowed slightly!

After this farewell, we haven't seen each other for more than a month, and Chen Ping hasn't been back to Hongcheng for several months.

“Mr. Chen.....”

Many prominent figures in Hongcheng stepped forward to bow to Chen Ping.

Chen Ping's face looked a little ugly. He just came back, not to show off or anything, he came to hide. If he was so lively now, he was afraid that his whereabouts would be known soon.

“Lin Tianhu, let these people disperse...”

After Chen Ping quickly got into the car, he said to Lin Tianhu.

Seeing that Chen Ping was a little unhappy, Lin Tianhu immediately sent people to disperse those people.

Gu Wentian and Su Wenzong also sat in the car together.

The two people looked at Chen Ping and gave Chen Ping a hard time.

Although the two people did not speak, Chen Ping understood their eyes.

They must want to ask Su Yuqi and Gu Ling'er why they didn't come back together.

Chen Ping had no choice but to tell Gu Wentian and Su Wenzong about his current situation.

When they heard that Chen Ping had come back to avoid being chased, their expressions changed.

"Chen Ping, how did things end up like this?"

Su Wenzong was not from the martial arts world, so he had no idea what Chen Ping was doing in Kyoto.

"Uncle Su, I have no choice but to do some things..."

Chen Ping didn't want to end up like this, but his biological mother was still in the Long family, and Su Yuqi was still locked up in the Martial Arts Alliance. What could Chen Ping do?

"Okay, let's talk about it when we go back!"

After Gu Wentian finished speaking, he asked Lin Tianhu to drive back quickly.

The group went to Gu Wentian's yard. As soon as they entered the yard, Chen Ping saw a yard full of antiques, which shows Gu Wentian's love for antiques!

"That guy Jin Fusheng is pretty good. He has been sending a lot of antiques during this period. Chen Ping, can you see if you like or find any that are useful?"

Chapter: 1703

Gu Wentian pointed at the antiques in a yard and said.

Chen Ping took a look, and then shook his head. His current strength no longer required relying on the weak spiritual energy on these antiques.

“Chen Ping, I’m afraid you won’t be able to hide for a few days when you return to Hongcheng this time, right? Those people will definitely guess that you are here...”

Su Wenzong asked worriedly.

“I’m just staying for two days. When I decide where to go, I will leave immediately!”

Chen Ping also knows that staying in Hongcheng is not a long-term solution!

Those guys in Kyoto will definitely find this place, not to mention the martial arts community here in Jiangbei, they will also be watching him eagerly if they know that he is back.

After all, the dragon crystal on his body is too tempting and has to be remembered.

“Mr. Chen, I think you can go to Nanhua City to find Jin Fusheng!”

At this time, Lin Tianhu said.

“Looking for him?” Chen Ping looked at Lin Tianhu strangely: “Even if I go to Nanhua City, it will be easy to find out with the power of the sects and aristocratic families in Kyoto.”

“Mr. Chen, I didn’t ask you to stay in Nanhua City. Doesn’t Jin Fusheng often go to sea? You can get a big ship, prepare daily necessities, and stay at sea for a while so that no one can find you! ”

Lin Tianhu explained.

Hearing Lin Tianhu’s explanation, Chen Ping’s eyes lit up.

He can go to the sea and stay for a while. No one can find him in the vast sea. Chen Ping can practice with peace of mind.

“Hahaha, yes, why didn’t I think of that!”

Chen Ping laughed and patted Lin Tianhu on the shoulder.

Chen Ping only stayed in Hongcheng for one day, and then rushed to Nanhua City.

The Jin family is the largest family in Nanhua City, and with the peak strength of Grandmaster Jin Fusheng, they control the entire Nanhua City docks.

However, there are people who are watching this kind of fat meat eagerly.

The Du family, who are also from Nanhua City, have long been eyeing this piece of fat at the dock. However, due to Jin Fusheng’s strength, the Du family could only watch as Jin Fusheng made a lot of money.

However, in order to seize the dock from Jin Fusheng, the Du family spent a lot of money to invite three great masters. After the news came out, Jin Fusheng panicked instantly.

“Master, what should we do? Now the whole Nanhua City knows that the Du family has invited three great masters, and soon the Du family will take action against us.”

The housekeeper of the Jin family said with a panicked expression.

Chapter: 1704

Jin Fusheng said with an ugly face: “Where did the Du family invite such a master? Not to mention three great masters, even one can defeat the entire Nanhua City.”

“Master, how about we invite the Four Elites of Nanshan?”

the steward asked.

“Why don’t you treat them? How can they be the Grand Master’s opponent?” Jin Fusheng cursed.

“Then...then what should we do? Many people in the house are in panic now, and some even sneaked away!”

The housekeeper said anxiously.

Jin Fusheng frowned, but soon relaxed his brows and said, “By the way, if the Du family can invite experts, so can our Jin family. I almost forgot that the man and woman who often follow Gu Gu are... Grand Master!”

Jin Fusheng was talking about Lin Tianhu and Chi Feng. During this period, Jin Fusheng often sent antiques to Gu Wentian, and he also met Lin Tianhu and Chi Feng several times.

“But with just two of them, can they defeat the three great masters of the Du family?”

The butler asked doubtfully.

“Ignore it for now. I’ll call and invite the people here. Besides, they are all Mr. Chen’s people. If you can’t defeat them, then invite Mr. Chen here...”

As Jin Fusheng spoke, he took out his mobile phone and prepared to make a call.

But at this moment, a servant of the Jin family hurried in.

“Master, it’s not good, it’s not good, Du Ziteng of the Du family has led his men to kill him, and our people can’t stop him at all!”

When Jin Fusheng heard this, his face changed instantly. Of course the three great masters and the Jin family couldn’t stop him.

“Master, I didn’t expect the Du family to kill them so quickly. Why don’t you hide first?”

The housekeeper persuaded Jin Fusheng.

“No, I’ll go out and take a look!”

Jin Fusheng strode outside. He knew that the Du family was not here to kill people. If that didn’t work, he would give up part of the benefits of the dock to the Du family.

When Jin Fusheng walked into the yard, he saw the servants of the Jin family lying on the ground, and a young man looked at him with a sneer on his face.

This young man is Du Ziteng, the young master of the Du family. Behind Du Ziteng are three middle-aged men, each of whom exudes faint pressure.

Even though Jin Fusheng himself was at the pinnacle of martial arts, he felt frightened when he felt this pressure.

“Eldest nephew, what made you so angry? If the servants provoke you, just tell me and I will take care of them for you.”

Jin Fusheng chuckled, and then said to Du Ziteng.

Chapter: 1705

Even though Jin Fusheng was furious now, he still didn’t show any signs of it, which showed that this guy was very deep.

Du Ziteng looked at Jin Fusheng, but he didn’t appreciate it at all. Instead, he said coldly: “Jin Fusheng, the dock in Nanhua City has been occupied by your Jin family for many years. Over the years, your Jin family has made enough money. Should you consider it?” Also let others eat?”

“There are hundreds of large and small ships in Nanhua City, and 90% of them belong to your Jin family. If you earn so much money, aren’t you afraid of losing your life?”

When Jin Fusheng heard this, his expression suddenly became extremely ugly.

Why did Du Ziteng, who was also a junior, speak to him so rudely?

Jin Fusheng had a cold face and tried hard to suppress the anger in his heart.

“Eldest nephew...our two families...”

“Stop it, I’m not your eldest nephew. Let me tell you, today I’m here to annex your Jin family. If you obediently hand over all the Jin family’s property, maybe you can still survive...”

Before Jin Fusheng could finish speaking, Du Ziteng waved his hand and said.

At this time, Du Ziteng was completely upset, and Jin Fusheng frowned deeply.

“Look at this, I will give you 80% of the property in the dock to the Du family, and I will also give you all the ships. I will only keep two cruise ships!”

Jin Fusheng discussed with Du Ziteng.

“Don’t you understand what I’m saying? What I want is all the property of your Jin family.”

Du Ziteng said with a cold face.

The anger in Jin Fusheng’s heart suddenly burst out, his eyes widened and he said: “Du Ziteng, you have bullied others too much. Don’t you leave some way for our Jin family to survive? I have been in Nanhua for many years, and I have never said that I will drive out your Du family. ah?”

“I just bullied others too much. What can you do? Do you want me to kill everyone in the Jin family before you are willing to hand over all your property?”

Du Ziteng relied on the three great masters behind him and was not afraid of Jin Fusheng at all.

“Even if you kill everyone in our Jin family, you will never get the property of my Jin family. Don’t think that you can find helpers, but I can’t find them. When my helpers arrive, I will wipe out all your Du family members.” ...”

Jin Fusheng gritted his teeth and shouted angrily.

“Hahaha, you are too naive. Don’t forget that your Jin family does not belong to you, Jin Fusheng. After I kill you, someone will naturally give away the Jin family’s property...”

Du Ziteng laughed and then clapped his hands.

Soon, a gentle man wearing a suit and gold-rimmed glasses walked in. Looking at his appearance, he looked somewhat similar to Jin Fusheng.

Seeing the person coming, Jin Fusheng was stunned: “Second brother, why are you back?”

The person who came was none other than Jin Fusheng’s younger brother, Jin Fuwang!

Chapter: 1706

Jin Fusheng built his business single-handedly, and later funded his younger brother to go to college, and then let his younger brother become the general manager of the branch.

Jin Fusheng didn’t understand why his brother suddenly came back at this time.

However, Jin Fuwang ignored Jin Fusheng. Instead, he walked up to Du Ziteng and shouted respectfully: “Master Du...”

“Now if I hand over the Jin family to you as the head of the family, do you know what to do?”

Du Ziteng looked at Jin Fuwang and asked.

“Of course, I will give all the property of the Jin family to the Du family, and my Jin family is also willing to attach itself to the Du family and become a subsidiary family!”

Jin Fuwang said with a flattering look.

“Jin Fusheng, did you hear that? Without you, the entire Jin family will be a subsidiary family of our Du family.”

Du Ziteng looked at Jin Fusheng with a proud expression.

At this moment, Jin Fusheng was almost angry to death by his brother's words. His face turned red and he said, “Jin Fuwang, you fucking beast, do you know what you just said?”

“Of course I know. You have been in charge of the Jin family for so many years and you have more wealth than some big families in Kyoto. But what about me? I am just a general manager with a dead salary. Why?”

“I also want to be the head of the family, I also want to be as pure as gold and have a lot of wives and concubines...”

Jin Fuwang raised his head and shouted at Jin Fusheng.

“Beast, this is the world I created by myself, how could I give it to you...”

After Jin Fusheng finished speaking, his anger rose all over his body, and he punched Jin Fuwang.

He wanted to personally kill this ungrateful brother.

Jin Fuwang was so frightened that he hurriedly hid behind Du Ziteng, but a great master behind Du Ziteng dodged and kicked him out.

Jin Fusheng was kicked hard and fell to the ground, vomiting blood.

Jin Fusheng glared at Jin Fuwang and gritted his teeth: "Even if I die, everything owned by the Jin family will not fall into your hands..."

"Whether it falls into my hands or not is not up to you. When the time comes, I will say that your death was accidental. Then the position of the head of the Jin family will naturally fall on me."

"And I also know that you have several women outside, all of them beautiful and good-looking. After you die, I can take care of them for you..."

Jin Fuwang saw that Jin Fusheng had been injured and fell to the ground, so he walked out from behind Du Ziteng with a proud face and said.

"Beast, beast, you are just a beast..."

Jin Fusheng was so angry that he was shaking all over, and mouthfuls of blood kept gushing out from his mouth.

Chapter: 1707

He never thought that he would end up like this.

"Retribution, maybe this is retribution..."

Jin Fusheng looked up to the sky and sighed.

He has killed countless people in his life. He was able to reach his current position only because of his ruthlessness.

But now he is being plotted by his own brother. This may be retribution.

“Kill me, you guys kill me...”

Jin Fusheng closed his eyes. At this moment, his heart was filled with despair!

Du Ziteng glanced at Jin Fuwang, then handed him a dagger: “Go...”

Jin Fuwang was startled and did not dare to take Du Ziteng’s dagger. He shook his head repeatedly: “Master Du, I... I don’t dare!”

“If you don’t kill him, it proves that you are disloyal to our Du family, then I will kill you!”

Du Ziteng said with a cold expression.

Jin Fuwang trembled all over and could only take the dagger tremblingly and slowly walked towards Jin Fusheng.

Jin Fusheng looked at Jin Fuwang walking over and stared at him fiercely.

“Beast, you will die badly...”

Jin Fusheng gritted his teeth and said.

“Hmph, you can’t see how I died...”

After Jin Fuwang finished speaking, he raised his dagger and stabbed Jin Fusheng.

clang.....

Just when the dagger in Jin Fuwang's hand was about to pierce Jin Fusheng's body, there was a sudden crisp sound, and the dagger in Jin Fuwang's hand flew out directly.

Jin Fuwang was startled, while Du Ziteng looked shocked: "Who is it?"

The three great masters also looked around hurriedly.

"I still have business to discuss, you can't kill him yet..."

As a cold voice came, a figure slowly walked into the courtyard.

"Chen...Mr. Chen?"

Chapter: 1708

Jin Fusheng looked surprised when he saw the visitor.

He never expected that Chen Ping would appear at this time, like a divine weapon descended from heaven.

"who are you?"

Du Ziteng looked at Chen Ping and asked cautiously.

"Didn't I just say that we were talking about business..."

Chen Ping said, walked towards Jin Fusheng, and then pulled Jin Fusheng up from the ground.

“Chen...Mr. Chen, it’s great that you’ve come, it’s great...”

Jin Fusheng was so excited that he began to stutter. If Chen Ping hadn’t come, he would have become a corpse by now.

“I came to you to discuss some business and rent a cruise ship, but I didn’t expect that I just happened to catch it...”

Chen Ping smiled lightly.

“Mr. Chen, you just need to give the order to use the boat. You can choose from all the boats. Why rent it...”

Chen Ping is Jin Fusheng’s savior at this moment. Let alone Chen Ping’s use of boats, Jin Fusheng will not hesitate even if he gives all the boats to Chen Ping.

“My friend, you can just talk to me about the boat rental. From now on, I will have the final say on all the boats of the Jin family.”

“But we have some private matters to deal with now. Please stay out of the way. It’s best not to get involved!”

Du Ziteng saw that Chen Ping was here to rent a boat, so he said coldly.

Chen Ping slowly turned his gaze to Du Ziteng and suddenly grinned: “You have the final say on the Jin family’s ships? Are you not Jin Fusheng’s son?”

Chen Ping’s words made Du Ziteng’s face instantly become extremely cold.

“Boy, I think you’re not here to rent a boat, you’re here to cause trouble, so don’t blame me for being rude...”

Du Ziteng narrowed his eyes slightly, then waved his hand: "You three, go ahead and destroy him..."

But after Du Ziteng finished speaking, no one moved, so he hurriedly turned around, only to see the eyes of the three great masters full of fear, their whole bodies trembling, and the ground was wet!

The three people were so frightened that they peed themselves the moment they saw Chen Ping.

Although Du Ziteng is also a martial artist, the Du family mainly focuses on business and does not pay much attention to matters in the martial arts world.

But these three invited grand masters are different. They often follow martial arts forums, and of course they are aware of Chen Ping's recent reputation.

Being able to kill the directors of the Kyoto Martial Arts Alliance, if he wanted to kill the three of them, Chen Ping could turn the three of them into flesh just by relying on his explosive momentum.

Chapter: 1709

With such a disparity in strength, how could these three great masters not be scared to death?

"What's wrong with you three?"

Du Ziteng asked with confusion on his face as he looked at the three terrified Grand Masters.

"These three people you found are really not good. You'll be scared to death just by looking at them. They stink so much..."

Chen Ping had a sneer on his face, and then said to the three great masters: "Your master wants you three to take action? Aren't you going to take action with me?"

After Chen Ping finished speaking, the three grand masters were so frightened that they knelt on the ground with a thud.

“Mr. Chen, please spare your life, Mr. Chen, please spare your life...”

The three great masters kowtowed desperately and begged for mercy.

When Du Ziteng saw this scene, he was completely stunned, his eyes were full of horror!

You must know that these three great masters, any of them could walk sideways in Nanhua City, and now they are kneeling down and begging for mercy.

“get out.....”

Chen Ping looked at the three great masters kneeling in front of him begging for mercy, and waved his hands impatiently.

The Grand Master’s strength is now inferior to that of an ant in front of Chen Ping.

Chen Ping had no interest in crushing a few ants.

Besides, Chen Ping is not the kind of bloodthirsty person.

The three great masters hurriedly thanked them, turned around and ran away without a trace.

“Hey hey hey...”

Du Ziteng looked at the three great masters who had disappeared and suddenly panicked.

These three people were his support. Now that they have escaped, Du Ziteng has no support.

“Aren’t you going to get out? Let me tell you, I will protect the Jin family from now on. Don’t try to take any more chances with the Jin family!”

Chen Ping said to Du Ziteng.

Du Ziteng trembled, nodded, then turned and ran away.

In the end, only Jin Fuwang was left. He wanted to run with Du Ziteng, but was caught by Jin Fusheng.

Jin Fuwang cried and knelt down in front of Jin Fusheng.

Chapter: 1710

“Brother, I was wrong, I was wrong, please forgive me, please forgive me...”

“I was also forced by that Du Ziteng. I will never dare to do it again...”

Jin Fuwang hugged Jin Fusheng’s thigh, with a lot of snot and tears!

Chen Ping looked at the two brothers, turned around and walked into the hall.

Chen Ping doesn’t care how to solve this kind of thing. That’s Jin Fusheng’s own problem.

Jin Fusheng glared at Jin Fuwang and raised his palms high.

“Brother, please spare me, please spare me...”

“My parents died early. It was you who raised me up. You are my brother and my only relative...”

“I was wrong.....”

Jin Fuwang begged bitterly.

Snapped!

Jin Fusheng slapped Jin Fuwang’s face so hard that his glasses flew out.

“Get out of here, get out of here, you will no longer be a member of my Jin family, and I won’t have a brother like you.”

“roll.....”

Jin Fusheng roared with trembling body.

When Jin Fuwang saw this, he got up and ran away!

Jin Fusheng dragged his tired body into the hall. At this moment, Chen Ping was sitting on a chair drinking tea!

Jin Fusheng stood beside Chen Ping, not daring to sit down!

“sit down.....”

Chen Ping said slowly.

Jin Fusheng sat down and sighed heavily, as if he had aged a lot in an instant.

Being betrayed by someone closest to you is a huge blow to everyone.

After a while, Jin Fusheng calmed down and asked Chen Ping: “Mr. Chen, when are you going to use the boat? I will send someone to prepare it immediately!”

“It will be used early tomorrow morning. You prepare a room for me now, and I will rest now!”
