

The Order 171

Chapter: 171

“Tongjian, you and Hanhan are going to get the money. You won’t get any more, but you won’t get any less from the money you owe us...”

Chen Ping controlled Boss Meng, and then said to Zhang Tongjian!

Zhang Tongjian was so frightened that he dared not move for a long time, but Wang Hanhan glanced at Chen Ping, hurriedly walked to the safe and started to take the money!

Soon, a bag full of more than one million yuan was filled. Wang Hanhan said to Chen Ping anxiously: “Brother Chen Ping, I got the money, let’s go...”

As soon as Wang Hanhan finished speaking, there was a burst of noisy footsteps. The seven or eight tattooed men below had already rushed up and blocked the door!

“Boy, let Brother Meng go quickly. If you dare to attack Brother Meng, you are looking for death...”

When Liangzi saw Chen Ping controlling Boss Meng, he shouted loudly!

“Make your men move out of the way...”

Chen Ping didn’t pay attention to Liangzi, but exerted a little force, and Boss Meng’s hand made the sound of bone cracking again!

Boss Meng was sweating profusely in pain. Although his eyes were full of anger, he had no choice but to order loudly: “Get out of my way...”

Very open and out of the way, Chen Ping said to Zhang Tongjian and Wang Hanhan: “You two, take the money and go back to the company...”

“Brother Chen Ping, you...won’t you come with us?”

Wang Hanhan said doubtfully.

“You go first, I will go back later...”

Chen Ping said.

Wang Hanhan looked at Chen Ping worriedly, but Zhang Tongjian pulled him away and said: “Let’s leave quickly. Staying here will also cause trouble for Brother Chen...”

Zhang Tongjian took Wang Hanhan and ran out. However, after running out of the company, Wang Hanhan gave Zhang Tongjian the money and asked him to take it back to the company, while she was waiting across the street. When Chen Ping came out without looking, she was worried. !

After Zhang Tongjian and Wang Hanhan left, Chen Ping released Boss Meng!

Boss Meng, who was free, suddenly became furious: “Boy, I will definitely kill you today...”

Chen Ping ignored him, but looked at the big cigars on his desk, picked up one and sniffed it gently: “Such a good cigar, what a waste...”

After saying that, Chen Ping lit one, took a gentle breath, and slowly exhaled a puff of smoke. Chen Ping’s expression seemed to be enjoying it!

Seeing Chen Ping’s nonchalant and intoxicated look, everyone went crazy!

“Boy, you hurt Brother Meng, I will kill you today...”

As Liangzi spoke, he punched Chen Ping. The punch was very powerful and had a slight sound of breaking through the air. It was obvious that Liangzi was an expert!

Chapter: 172

Facing Ryoko's punch, Chen Ping still looked nonchalant, took another puff of cigarette, and then spit it out towards Ryoko who was rushing over!

Liangzi, who was originally very fast and punched, was hit by a puff of smoke from Chen Ping. His whole body seemed to have been immobilized, and he immediately stopped moving. The fist was only a few seconds away from Chen Ping. Centimeter distance!

At this time, everyone looked in disbelief. In the disbelief of everyone's eyes, Chen Ping kicked out and kicked Liangzi directly out. His huge body flew directly out of the office and fell heavily to the ground!

"Ryoko....."

Boss Meng's expression changed, and he hurried over to check. You must know that Liangzi is the best fighter here, having practiced Sanda for more than ten years.

When Boss Meng ran to Liangzi, he was stunned. He saw that Liangzi's chest had sunken, blood spilled from his mouth, his eyes were wide open, and he was lying on the ground motionless. He didn't know whether he was dead or alive!

"Kill him, kill him for me..."

Boss Meng was angry. He had never been bullied like this before. Now he wanted to cut Chen Ping into pieces!

After receiving the order, the remaining people rushed towards Chen Ping together!

They didn't believe that no matter how good Chen Ping was, he could beat them in this small space!

"court death....."

Chen Ping snorted coldly, and then his body rushed into the crowd like a whirlwind!

Chen Ping's speed was so fast that those people couldn't see Chen Ping's shadow at all, and they were knocked to the ground one after another!

In just a few seconds, the floor of the office was filled with wailing people!

Although Chen Ping did not kill them, their hands and feet were broken and they were seriously injured!

At this time, Boss Meng was dumbfounded, and the girl next to him was even more pale, whiter than if she had put on powder!

He really couldn't believe that with so many of them, they couldn't even defeat a guy who seemed so weak.

"Who do you think you owe money to? You owe me money. I hate people who owe me money the most..."

Chen Ping walked towards Boss Meng with a sneer on his face!

"You...who are you? What I owe is money from Xinyu Rihua. Are you not an employee of Xinyu Rihua?"

Boss Meng looked at Chen Ping in panic and asked.

"Of course it is. Xinyu Daily Chemical is the company of Su Yuqi, the eldest lady of the Su family, and Su Yuqi is my woman. In this way, don't you owe me money?"

Chen Ping said with a playful smile!

"Your woman?" Boss Meng looked confused, but then his pupils began to dilate, with fear in his eyes:
"You... you are the one..."

Chapter: 173

Boss Meng opened his mouth wide, and in the end he was so frightened that he even posted his voice!

Boss Meng has also been around on the street. Although he is not qualified enough to attend the banquet hosted by Gu Wentian, he knows a lot of information. Of course he has also heard about Chen Ping, but he has never gone there at all. Think about that!

The person who defeated Feng Sihai and even Gu Wentian and Lin Tianhu respected him was actually this inconspicuous young man in front of him!

Boss Meng couldn't believe it, but he couldn't help but believe it.

Plop.....

Boss Meng couldn't hold it any longer and knelt down directly in front of Chen Ping.

"Mr. Chen, I am blind, I beg Mr. Chen to save my life..."

Boss Meng kowtowed desperately and begged for mercy!

If Chen Ping was just Su Yuqi's boyfriend, he wouldn't be so afraid. After all, if he dared to owe the Su family money, he wouldn't be afraid of the Su family. Although the Su family is the richest man in Hongcheng, it is only a business family after all. People like them Those who live underground are not afraid at all!

But Chen Ping is not only Su Yuqi's recognized boyfriend, but also a guest of Lin Tianhu and Gu Wentian. This is something he cannot afford to offend!

Looking at Boss Meng's appearance, Chen Ping sneered and walked directly past Boss Meng!

Chen Ping walked back and Boss Meng collapsed on the ground. Under him, he was already wet!

When Chen Ping walked to the street and was about to hail a taxi to go back to the company, he suddenly saw Wang Hanhan running over from across the road!

“Brother Chen Ping...”

Wang Hanhan saw Chen Ping coming out and ran towards Chen Ping excitedly!

Chen Ping was deeply moved when he saw that Wang Hanhan had not left but was still waiting for him!

But just as Wang Hanhan was crossing the road, a speeding car rushed over. When Wang Hanhan saw this, he was so frightened that he froze on the spot, and his mind went blank for a moment!

When the driver saw someone rushing onto the road, he stepped on the brakes desperately. The harsh sound of the brakes and the smoke rising from the tire friction made the whole atmosphere tense instantly!

When Chen Ping saw this, his whole body was filled with luck. He rushed out and stood directly in front of Wang Hanhan, blocking the speeding car with both hands!

Soon, the car stopped, and Wang Hanhan was still standing dumbfounded, her eyes full of fear!

“Hanhan, it’s okay...”

Chen Ping pulled Wang Hanhan towards the other side of the road!

“You’re blind, how can you walk?”

The driver rolled down the window and cursed loudly. It was obvious that he had been frightened just now!

Chapter: 174

After Chen Ping took Wang Hanhan away, the driver got out of the car and looked at his car. When he saw a pair of deep palm prints on the front of the car, the driver was so frightened that he broke into a cold sweat and hurriedly got in the car and ran away!

“Hanhan, why didn’t you return to the company?”

Chen Ping asked with concern.

At this time, Wang Hanhan had recovered. She didn’t even know why she was not hit by the car. Seeing Chen Ping asking herself, Wang Hanhan hurriedly said: “I was worried about you, so I was waiting for you outside. Brother Chen Ping, are you okay?”

Wang Hanhan looked Chen Ping up and down with concern.

“It’s okay, those guys just bully the weak and fear the strong. Let’s go back...”

Chen Ping stopped a taxi and followed Wang Hanhan towards the company!

At this time, in the company’s sales department, a group of salesmen were sitting together, discussing in low voices!

“Then Chen Ping is so brave. He dared to go to Boss Meng to ask for a debt. He didn’t know that all the people he wanted to pay for before were beaten with bruises and swollen faces!”

“No, why did Wang Hanhan come with me? Boss Meng is so horny that he wants to sleep when he sees a pretty girl. The saleswoman from our company who had to pay for the last time left her job after she came back from the debt. I heard that she is pregnant later. , that belongs to Boss Meng!”

“Let’s wait and see. Chen Ping will definitely come back with a bruised face and a bruised face soon!”

These people were talking in low voices, while Sun Xiaomeng frowned slightly, a little worried about Wang Hanhan!

She is not worried about Chen Ping, even if Chen Ping is beaten and disabled, she is not worried, but Wang Hanhan is a little girl who has not yet been through personnel affairs. It would be a pity if she was ruined by that boss Meng!

Now Sun Xiaomeng regrets a little. If she had known earlier, she would have stopped Wang Hanhan and prevented her from going with Chen Ping!

“It’s not even close to get off work yet, so what are you talking about if you don’t work? Do you want to deduct wages?”

At this time, Cui Zhiyuan walked out of the office and shouted at a group of salesmen!

Seeing this, everyone hurriedly returned to their workstations. At this time, a salesperson said to Cui Zhiyuan: “Manager Cui, Chen Ping is taking someone to ask Boss Meng for a bill...”

When Cui Zhiyuan heard this, he was stunned for a moment, and immediately said with a look of gloating: “This guy, in order to express himself, even risked his life. If he can get the money back, I will drink up the toilet water...”

As soon as Cui Zhiyuan finished speaking, Zhang Tongjian came back with a sweaty face and a black plastic bag in his hand!

Seeing Zhang Tongjian back, Sun Xiaomeng hurriedly asked: “Tongjian, where is Hanhan?”

Zhang Tongjian grabbed the water on the table and drank a bottle in one breath. Then he took a breath and told the story in detail!

When everyone heard that the bag contained a million owed money, they all looked surprised!

Cui Zhiyuan even tore open the bag, and the white banknotes were scattered on the floor!

At this time, Cui Zhiyuan's face became very ugly. He didn't expect that Chen Ping actually wanted the money back. Just now he said that Chen Ping could get the money back, but he drank all the toilet water. This was a slap in the face!

Chapter: 175

"This girl Hanhan is so infatuated. I don't know what's so good about Chen Ping..."

When Wang Lanlan heard that Wang Hanhan stayed behind to wait for Chen Ping, she immediately said with some confusion!

Sun Xiaomeng was also a little worried about Wang Hanhan. As for Chen Ping's life and death, no one cared!

Just when everyone felt sorry for Wang Hanhan, Chen Ping came back with Wang Hanhan!

Everyone was surprised to see Chen Ping's body intact!

"Chen Ping, you weren't beaten?"

Cui Zhiyuan asked strangely.

"Repaying debts is a matter of course. Why did they beat me? If I beat them, it's more of the same..."

Chen Ping said with a cold smile!

Sun Xiaomeng walked up to Wang Hanhan: "Hanhan, are you okay? You don't look good. Don't go out with him again..."

"Sister Xiaomeng, I'm fine!" Wang Hanhan smiled!

"Chen Ping, since you are so capable of demanding debts, then the company's debts will be handed over to you from now on. You are only responsible for collecting debts!"

Cui Zhiyuan handed over the entire sales department's debt to Chen Ping!

Chen Ping didn't refuse. Even if Cui Zhiyuan didn't hand it over to him, Chen Ping would come up. These are all his money!

Seeing that Chen Ping didn't refuse, Cui Zhiyuan was a little surprised, but he was very happy inside. If all these arrears can be collected, he, the sales manager, will definitely get a commission!

At noon, a Western restaurant near Xinyu Daily Chemical Company!

In a seat by the window, Xing Jun was waiting for someone happily!

Soon, Su Yuqi walked into the Western restaurant with her bag on her back. Seeing this, Xing Jun hurriedly stood up and waved his hand: "Yu Qi, here..."

Su Yuqi walked over, with a bit of indifference on her face, and sat opposite Xing Jun: "What do you want from me?"

"Yu Qi, I just feel like I haven't seen you for a long time, so I want to invite you to have a meal with me..."

Xing Jun said with a flattering look!

"If it's okay, I'm leaving..." Su Yuqi said, about to get up!

"Something's wrong, something's wrong..." Seeing this, Xing Jun hurriedly stopped Su Yuqi: "Yuqi, you know how I feel about you. I have never liked another girl in so many years. Can you..."

"Can't..." Before Xing Jun could finish speaking, Su Yuqi interrupted directly: "Xing Jun, I hope you can understand who you are. You are just a manager hired by my Su family. I can take you down at any time." Replace it, you'd better focus on your work, don't spend any more time on me!"

Chapter: 176

Su Yuqi had a cold face and a cold tone of voice, which made Xing Jun's face change slightly!

"You mean I'm not good enough for you?" Xing Jun asked.

"What do you think?" Su Yuqi asked back!

Xing Jun suddenly smiled self-deprecatingly: "Yes, I am not worthy of you. I am of low status, but why would you rather find a reform-through-labor prisoner who has been in prison than give me a chance? Am I worse than that reform-through-labor prisoner?" ?"

Xing Jun suddenly became excited and his tone became more serious!

Seeing Xing Jun say this, Su Yuqi frowned: "Who I am looking for has nothing to do with you, and you are not qualified to ask..."

"Do you know who Chen Ping is? Not only is he a reform-through-labor prisoner, he is also a philandering man. He already has a girlfriend. Do you know? You were deceived by him..."

Xing Jun said, took out his mobile phone and showed Su Yuqi the photos of Chen Ping and Wang Hanhan together!

Su Yuqi looked at the photo, her face became more and more ugly, and in the end her entire brows were knitted together!

Seeing Su Yuqi's expression, Xing Jun secretly rejoiced and immediately hit the track while the iron was hot: "This girl's name is Wang Hanhan. She is Chen Ping's girlfriend. They have known each other since they were young. They were childhood sweethearts. Now they both work at Xinyu Company, and this Chen Ping found the job for Wang Hanhan!"

Su Yuqi didn't speak, and looked at the two people in the photo quietly!

“Yu Qi, I am sincere to you. I will never lie to you. What does this Chen Ping have? How is he better than me?”

Xing Jun continued to reveal his inner feelings!

Snapped.....

Just as Xing Jun finished speaking, Su Yuqi suddenly slapped him hard.

This slap directly blinded Xing Jun. He looked at Su Yuqi in disbelief. He didn't understand why Su Yuqi hit him!

“Xing Jun, do you dare to be secretly afraid of Chen Ping? Do you think that I will accept you like this? You are wrong, absolutely wrong. I believe Chen Ping will not deceive me, and you don't need to use these photos to follow me. What am I saying? Don't you want to know where Chen Ping is better than you? I can tell you that you are not even as good as his little finger!”

After Su Yuqi finished speaking, she got up and left with her bag on her back!

Xing Jun touched his beaten red face, and there was a ghastly and terrifying light in his eyes!

“Su Yuqi, you forced me to do this, you forced me to...”

Xing Jun gritted his teeth and said word by word!

After Su Yuqi walked out of the western restaurant, her brows knitted together again!

Although she said she believed Chen Ping and didn't care at all, when she saw Chen Ping following Wang Hanhan so closely, she was about to explode!

Women are very jealous animals. How could she watch her man being so close to another woman and remain indifferent!

Chapter: 177

Taking out her mobile phone, Su Yuqi called Chen Ping directly. Su Yuqi had been looking for medicinal materials in the past few days and had not contacted Chen Ping proactively, but she didn't expect that this guy would have sex with another woman behind her back!

At this time, Chen Ping was having lunch with Wang Hanhan and Sun Xiaomeng. Because he had a short lunch break, he could only have a bite at a food stall near the company!

Seeing Su Yuqi calling him, Chen Ping hurriedly got up and went to the side to answer the phone!

"Where are you?" Su Yuqi asked directly.

"I...I'm at home!"

Chen Ping didn't want Su Yuqi to know that he was working in her company. Besides, Chen Ping wouldn't be able to work for long. After gathering the medicinal materials, finding the magic pen, and curing his mother's eyes, Chen Ping would stop working!

He needs to focus on cultivation, otherwise July 15th is getting closer and closer, and if Chen Ping is not strong enough, he will not be able to go to Wuming Island!

"At home?" Su Yuqi suppressed the anger in her heart: "Okay, you stay at home!"

After saying that, Su Yuqi hung up the phone directly!

Chen Ping felt confused and had no choice but to go back and eat again!

Not long after he got to work in the afternoon, Chen Ping was sorting out the invoices. He planned to send them to Lin Tianhu and let Lin Tianhu handle them. If there was something that Lin Tianhu couldn't handle, he would come forward. If he came forward in person, it would be a waste of time!

But just when Chen Ping was sorting out the documents, there was a sudden commotion in the sales department, and then a group of people looked in the direction of the office, and they were all talking in low voices!

Chen Ping was a little curious, so he asked Sun Xiaomeng, "What happened?"

Sun Xiaomeng glanced at Chen Ping and said coldly: "Go back and work hard. Director Su came just now, but she didn't have time to come. I don't know why she came to our sales department this time. Now she has entered the office. , you are a bit discerning, but don't offend Director Su, or you will implicate me!"

"Dr. Su?" Chen Ping frowned slightly: "Is Su Yuqi here?"

When Chen Ping said something, everyone immediately looked at him. Sun Xiaomeng even stared: "Do you want to die? Can you call Director Su's name? Don't hurt me..."

Everyone else also followed Chen Ping and distanced themselves, fearing that Chen Ping's words might offend Su Yuqi and implicate them all!

"Brother Chen Ping, go back to work quickly and stop talking nonsense..."

Wang Hanhan took Chen Ping back to his work station to work!

At this time, in Cui Zhiyuan's office, Cui Zhiyuan, who had drunk some wine at noon, closed his eyes and was about to squint for a while, heard the door of the office and did not open his eyes. At this time, he knew that except for people from the sales department, , no one will come to him!

The only person who dared to walk in without knocking was Sun Xiaomeng. If anyone else dared to walk in without knocking, they would definitely be punished!

"Xiaomeng, you came just in time. Come and massage my head. My head hurts a little..."

Cui Zhiyuan said with his eyes closed!

Su Yuqi looked at Cui Zhiyuan with a cold expression on her face: "Are you asking me to press your head?"

Chapter: 178

As soon as Su Yuqi finished speaking, Cui Zhiyuan suddenly opened his eyes. When he saw Su Yuqi standing in front of him, looking at him with a cold face, Cui Zhiyuan's expression changed instantly!

Bang...

Cui Zhiyuan was so frightened that he stood up in a hurry. He was so panicked that he fell directly to the ground. Enduring the severe pain, Cui Zhiyuan got up and walked to Su Yuqi with a humble expression: "Dr. Su, you... why are you here?"

"If I don't come, do you want to turn this place into a club?"

Su Yuqi said coldly.

"No, no, no, I don't dare... I don't dare, please forgive me, Mr. Su..."

Cui Zhiyuan was so frightened that he shook his head repeatedly and almost knelt down!

Su Yuqi didn't say anything more, but walked behind the desk. Cui Zhiyuan looked and hurriedly pulled out the chair for Su Yuqi!

After Su Yuqi sat down, she said to Cui Zhiyuan: "Go and call Chen Ping..."

"Chen...Chen Ping?" Cui Zhiyuan was stunned. He didn't understand how Su Yuqi knew Chen Ping? What to do with Chen Ping?

“What? Didn’t you hear?”

Su Yuqi frowned!

“Oh, I’ll go right away...”

Cui Zhiyuan was so frightened that he ran out in a hurry!

When the people in the sales department saw Cui Zhiyuan coming out, they hurriedly dispersed and returned to their workstations pretending to be busy, but their eyes kept staring at Cui Zhiyuan. They wanted to know what Su Yuqi was going to do when she suddenly came to the company. !

Cui Zhiyuan walked to Chen Ping’s workstation and said to Chen Ping: “Chen Ping, Director Su is looking for you. After you go, don’t talk nonsense...”

Chen Ping got up and walked towards the office. He knew that Su Yuqi must be here to find him, so he was not surprised!

“What does Mr. Su want from Chen Ping?”

“It’s really strange. Does Su Dong know this Chen Ping? Why did he come to see him the first time he came?”

“Could it be that Chen Ping is demanding Boss Meng’s debt, and Director Su is looking for him because of this?”

“Hurry up and get rid of it. Manager Cui hasn’t reported the matter to the superior yet. How could Director Su know about it?”

Everyone was talking quietly, wondering why Su Yuqi wanted to find Chen Ping!

“Hanhan, do you know if Chen Ping knows Dong Su? Otherwise, why would Dong Su find him?”

Sun Xiaomeng asked Wang Hanhan curiously.

Chapter: 179

After all, Wang Hanhan and Chen Ping have known each other for a long time, maybe Wang Hanhan knows something about Chen Ping!

But Wang Hanhan shook his head: “I don’t know either, but Brother Chen Ping has just been released from prison not long ago, so he probably doesn’t know a big shot like Dong Su!”

Sun Xiaomeng was right. Chen Ping had been in prison for three years, how could he possibly know Su Yuqi, the eldest lady of the Su family.

“I hope this guy won’t talk nonsense when he meets Dong Su, as he will harm us all...”

Sun Xiaomeng said worriedly. She didn’t know why, but she always felt that this guy Chen Ping was unreliable!

“Brother Chen Ping won’t talk nonsense!”

Wang Hanhan was very relieved about Chen Ping.

In the office at this time, Chen Ping opened the door and walked in with some embarrassment!

Seeing Su Yuqi sitting on the chair, Chen Ping grinned!

“Didn’t you say you were at home?”

Su Yuqi asked with a cold face.

“Ah...I am at home. I regard the company as my home now...”

Chen Ping rolled his eyes and said.

“Who is Wang Hanhan?” Su Yuqi asked straight to the point.

“I said she is my sister, do you believe it?”

Chen Ping looked at Su Yuqi and asked.

Su Yuqi sneered: “Do you think I believe it?”

Chen Ping smiled awkwardly and could only tell the truth about his relationship with Wang Hanhan: “Hanhan and I have only been neighbors for many years. It’s not the kind of relationship you imagined...”

After listening to Chen Ping’s explanation, Su Yuqi felt relieved. In fact, she still trusted Chen Ping, but she just wanted to hear Chen Ping say it herself!

“What kind of relationship do you have? What kind of relationship do you love? It’s none of my business. You’re just being sentimental...”

Su Yuqi rolled her eyes, but she was already happy inside!

Chen Ping also saw that Su Yuqi was no longer angry, so he asked, “How did you know I was here? How did you know Wang Hanhan?”

Chen Ping was a little curious, how did Su Yuqi know that she came to work in the company!

After all, Chen Ping is just an ordinary employee. It is impossible that after joining the job, the information will be passed on to Su Yuqi, the chairman. If this were the case, she, the chairman, would be exhausted!

Chapter: 180

“Don’t worry about it!” Su Yuqi stood up: “If you want to work, just tell me directly. I will give you the position of general manager of the company. Why do you want to be a salesperson? Besides, you are not short of money?”

“I’m not a general manager, and I don’t have time to take care of it. I just come to work to deal with my parents, otherwise they will always worry about me. I still have a lot of things to do, and I can’t stay in the company for a long time!”

Chen Ping quickly waved his hand, he didn’t want to be tied up in the company!

“By the way, why don’t uncle and aunt live in Panlongwan Villa? Isn’t the environment there nice?”

Su Yuqi thought about Chen Ping’s parents insisting on leaving the villa again, so she asked in confusion.

“I don’t know either!” Chen Ping shook his head. Now Chen Ping doesn’t know why his parents had to leave Panlong Bay and what they said to him.

“But I feel like someone said something to my parents, so they left!”

As soon as Chen Ping finished speaking, Su Yuqi suddenly understood: “I know, it must be that guy Xing Jun. He’s gone too far. He thinks that this way, I can like him. He is just too insidious!”

“Xing Jun?” Chen Ping was stunned: “Is this the general manager?”

Chen Ping finally understood why Xing Jun suddenly appeared during the interview and left him behind. It turned out that he had known about him for a long time, and he also knew about his relationship with Su Yuqi.

“Yes, that’s him. This guy has been pursuing me for many years, and I don’t like him!” When Su Yuqi mentioned Xing Jun, her eyes were filled with disdain, and then she continued: “How about I go follow my uncle and aunt when I have time? Please explain, after all, Panlong Bay has a good environment and is suitable for retirement!”

“Forget it, my parents are doing well now, and I still have some old neighbors to chat with. Let’s talk about it later...”

Chen Ping plans to talk about it later.

Su Yuqi nodded, carrying her bag and preparing to leave. Just as she reached the door, she suddenly turned around and said: “If someone bullies you, don’t be embarrassed to tell me. If it doesn’t work, I will fire that Xing Jun...”

“Do you think someone can bully me?” Chen Ping smiled lightly!

Su Yuqi also smiled, opened the door and left. Chen Ping even beat up Feng Sihai. With such good skills, of course no one in this company can bully him!

After Su Yuqi left, Cui Zhiyuan immediately rushed back to the office and asked Chen Ping, “Chen Ping, what did Director Su talk about with you just now?”

Chen Ping gave Cui Zhiyuan a cold look: “I don’t want to tell you...”

After saying that, Chen Ping walked out of the office directly, making Cui Zhiyuan furious!

“Well, Chen Ping, don’t think you can collect the debt, so don’t take me as the manager seriously. I will make you look good...”

Cui Zhiyuan shouted!

After Chen Ping walked out of the office, he was immediately surrounded by a group of people. They all asked questions and wanted to know what Su Yuqi said to Chen Ping, but Chen Ping ignored them!

In one afternoon, Chen Ping sorted out the outstanding bills and sent them to Lin Tianhu, asking Lin Tianhu to collect all the accounts!

When it was time to get off work, Xing Jun suddenly visited the sales department. This made everyone in the sales department who was about to get off work nervous. They were all afraid that Xing Jun would ask them to work overtime!
