

## **The Order 1721**

Chapter: 1721

“Bloody hands, bloody hands...”

Batu shouted loudly.

Soon, Xue Hand pushed the door open and walked in.

“Boss, what’s the matter?”

Bloody Hand asked.

“Where is the person you captured? Take me to see...”

Batu said.

Xue Hand nodded, and then led Batu towards the stone house where Chen Ping and the others were imprisoned.

At this time, those who were captured were huddled together, shivering, and some kept praying.

Only Chen Ping stood aside, looking at the situation outside through the small window.

The door was pushed open, and Xue Hand walked in with Batu.

Those who were captured were even more frightened and panicked when they saw Batu who was like a savage, and some even screamed in terror.

“What is it called? If you are not honest, I will kill you all...”

Bloody Hand scolded loudly.

Sure enough, those people were so scared that no one dared to speak out.

Batu glanced around and finally set his sights on Chen Ping.

At this moment, Chen Ping had already hidden his aura. With Batu’s little strength, he still couldn’t see through Chen Ping.

“Boss, everyone is here...”

Bloody Hand said to Batu.

Batu nodded, and then slowly walked towards Chen Ping.

When Chen Ping looked at Batu like that, he didn’t panic at all. However, when Batu came closer, the stench and blood smell on his body made Chen Ping frown.

Batu still wanted to move closer to Chen Ping, but Chen Ping reached out to stop him: “Stop it, don’t move forward. If you don’t scare people to death, you will kill them.”

“There is water everywhere here. It’s okay to take a shower. It’s too smelly...”

Chen Ping’s words instantly stunned Batu.

Chapter: 1722

Because for so many years, no one has spoken to him like this, and no one has said that he smells bad.

“What the hell are you talking about? Are you looking for death?”

Xue Shou’s eyes widened, and then he walked quickly to Chen Ping, ready to teach Chen Ping a lesson.

But who would have thought that Xue Shou’s body had just gotten close to Chen Ping.

He felt a terrifying force erupt from Chen Ping’s body. Chen Ping didn’t even move, and the bloody hand’s body flew out instantly.

Then he hit the stone wall hard and vomited blood.

This sudden change made Batu instantly dumbfounded.

After all, Blood Hand is the peak strength of a grandmaster, and he will soon enter the grand master.

Now, before he even touched the opponent, he was directly knocked away.

This is too outrageous.

Even if he is at the peak of his Grandmaster status, he cannot do this unless he steps into the Martial Sect.

Could it be that the person in front of me is Wu Zong?

Thinking of this, cold sweat broke out on Batu’s forehead instantly!

Chen Ping’s body shone with a faint golden light, and his aura suddenly surged!

Standing in front of Chen Ping, Batu suddenly felt a big mountain pressing down on him, and then he bent his knees and knelt on the ground.

At this moment, Batu understood that the person in front of him was definitely a martial arts master, and he was definitely stronger than a fifth-grade martial arts master.

He couldn't understand, how could he capture a martial artist this time?

"Are you the boss of this island?"

Chen Ping asked, looking at Batu who was kneeling on the ground.

"Yes, yes, that's me. My name is Batu. Do you know the master's surname?"

Batu nodded and said.

In front of Chen Ping, Batu didn't dare to have any thoughts.

The difference in strength made him know that no matter what he tried, it would be in vain.

Now the only thing he can do is obey!

Chapter: 1723

"My name is Chen Ping..."

Chen Ping said calmly.

As soon as Chen Ping's name was spoken, Nabatu sat down on the ground.

Then he looked at Chen Ping with horrified eyes.

“You...are you Chen Ping?”

Batu’s body trembled.

“You know me?” Chen Ping was a little surprised.

In this barren place, where there is no internet, how could Batu know him?

Batu nodded: “I have heard of Mr. Chen’s reputation, and he beheaded Guo Wei, director of the Kyoto Martial Arts Alliance...”

After hearing this, Chen Ping was a little surprised. He didn’t expect this incident to have such a big impact.

Even in places where birds don’t poop, one can hear stories of one’s own deeds.

“You put all these away now...”

Chen Ping looked at the staff huddled in the corner and said to Batu.

“Okay, okay, let go now...”

After Batu finished speaking, he said to the bloody hand: “Hurry up and listen to Mr. Chen and let him go...”

Xue Hand got up with difficulty, then called someone and released all the staff.

These are just ordinary people, have you ever seen such a scene!

So after being put back on the cruise ship, he ran away as soon as the ship started, leaving Chen Ping alone.

“Mr. Chen, we are also pirates who were forced to become pirates. I hope you can be noble and spare our lives...”

Batu begged Chen Ping.

“If you were just pirates and had never hurt anyone, I would want to spare you. But you are evil cultivators and have killed countless people. How do you want me to let you go?”

Chen Ping looked at Batu coldly and asked.

“Mr. Chen is unjust. We are not evil cultivators. We were just hunted by our enemies and came to this deserted island as a last resort...”

“I have never killed an ordinary person. I beg Mr. Chen to let me go...”

Chapter: 1724

Batu began to cry out.

“You say I wronged you?” Chen Ping’s eyes narrowed slightly, and then he said: “Come with me, I think you won’t shed tears until you see the coffin...”

After Chen Ping finished speaking, he walked directly towards the southwest.

Batu and his men followed behind, and when he saw the direction Chen Ping was going, he started to panic.

Because in that direction, many bones and skulls were buried there.

But Batu didn't understand, how could Chen Ping know?

With anxiety, Batu followed Chen Ping to the place where the bones were buried.

Chen Ping waved his hand, and two pirates were instantly sucked in front of him by a strong force.

"Just this place, you two dig it for me..."

Chen Ping said to the two pirates.

The two pirates turned to look at Batu. They had to obey Batu's orders.

Just when the two pirates hesitated, Chen Ping waved his hand!

The two pirates had no time to react and their heads were blown off.

Chen Ping's bloody methods shocked all the pirates!

"You two come and dig for me..."

Chen Ping pointed at two more pirates.

This time, the two pirates did not dare to hesitate and began to dig desperately.

After a while, bones and many skulls were dug out.

The yin energy soaring into the sky made the surrounding temperature instantly become much colder.

Looking at the dug-out bones, Batu's cold sweat began to drip.

“What else do you have to say?”

Chen Ping looked at Batu coldly, his obsidian eyes exuding a cold and sharp light, giving people an endless sense of oppression.

“me.....”

Batu stammered, not knowing what to say.

Chapter: 1725

“You evil cultivators deserve to die. How many people have died in your hands? Look at these bones, there are children among them...”

Chen Ping burst out with murderous intent and slowly walked towards Batu.

Batu kept retreating, and finally a cold light flashed in his eyes, then he grabbed the bloody hand beside him and threw it towards Chen Ping.

Chen Ping waved his hand casually.

boom!

Xue Hand’s body exploded instantly in mid-air and turned into a cloud of blood mist.

Taking advantage of this opportunity, Batu jumped up and then plunged into the sea.

After many years on this island, Batu has developed good water skills.

When he saw Batu jumping into the sea, Chen Ping did not chase him.

In this vast sea, he knew that even if Batu jumped into the sea, he would not be able to escape.

Without a boat, it is impossible to return to land.

Chen Ping turned his head and looked at the remaining pirates.

Seeing Chen Ping looking at them, these pirates were all frightened, and then they wanted to escape one after another.

But the island is so big, where can we escape?

Chen Ping's palms flashed with golden light, and then the golden light surged, and endless pressure enveloped the island.

There was no movement, and the pirates who escaped began to bleed from their orifices one by one, and their bodies exploded to death.

They simply couldn't withstand the pressure exuded by Chen Ping.

All the pirates on the island died in Chen Ping's hands.

But when Chen Ping looked at the sea, he found that there was no trace of Nabatu!

"Did this guy drown?"

Chen Ping frowned slightly.

Ordinarily, with the strength of the Grand Master, it is impossible to drown in the sea so easily.

Just when Chen Ping was wondering, waves of several feet suddenly exploded from the sea, and the entire island was shaken by the huge waves.

Then a giant beast more than ten meters high appeared above its head, and above it, Batu was riding on it.

Chapter: 1726

After the giant beast emerged from the water, it quickly swam towards the land.

Chen Ping instantly understood why Batu jumped into the sea.

It turns out that he still has a trump card, knowing that there is such a giant beast in the water.

It is very possible that he raised this giant beast.

Looking at Batu who had fled away, Chen Ping took a sudden breath and then jumped up.

The body instantly drew a white wave on the sea!

Although the giant beast was very fast, Chen Ping quickly caught up with it.

Looking at Chen Ping who was catching up, Batu's eyes were full of horror!

"Chen Ping, you and I have no grievances, how about letting me go?"

Batu said to Chen Ping.

"Let you go?"

Chen Ping sneered: "Let you go, the souls of those who died tragically in your hands will never rest in peace..."

With that said, Chen Ping slapped Batu with one palm.

When Batu saw this, he put a palm on the head of the giant beast, and the eyes of the giant beast exuded a strange light. It was obviously controlled by Batu.

Immediately afterwards, the giant beast's tail rushed out of the water, then faced Chen Ping and slapped him up.

boom!

The power of the monster was great. After hitting Chen Ping, Chen Ping's body quickly retreated.

Chen Ping was suspended above the water, looking at the giant beast, his eyes slightly condensed!

The moment the giant beast touched him, Chen Ping knew that the giant beast had already produced a beast elixir, and its strength was comparable to that of a fifth-grade martial arts sect.

If a warrior with the strength of a fifth-level martial sect fights with this giant beast, he will definitely lose.

After all, at the same level, the power of monsters is far higher than that of humans.

It's just that the monster has no thoughts, let alone fighting skills.

When Batu saw Chen Ping being repelled by the monster, his panicked expression disappeared.

"Hahaha, Chen Ping, you may be very strong on land, but in the water, your strength is greatly reduced. You are no match for this giant beast like me."

Chapter: 1727

“If you let me go now, I won’t care about you anymore, otherwise we will both lose...”

Batu just wanted to escape, he didn’t want to really fight Chen Ping.

“It’s just a little monster. You want to rely on it to talk to me? It’s not worthy at all...”

After Chen Ping finished speaking, he grabbed the void with his right hand, and then the Dragon-Slaying Sword appeared in his hand.

The dragon-slaying sword is burning with blazing flames!

And Chen Ping’s whole body radiated golden light, like a god!

Seeing this scene, Batu’s face instantly became ugly again.

And the giant beast seemed to be afraid of Chen Ping and did not dare to move forward.

“Take your life...”

Chen Ping held the dragon-slaying sword and jumped up high.

The sharp sword energy set off waves several meters high on the sea surface.

Seeing this, Batu hurriedly controlled the giant beast and jumped out of the water.

Then the tail of the giant beast swept towards Chen Ping.

Chen Ping swung the dragon-slaying sword in his hand, and the tail of the giant beast was cut off instantly, and the blood dyed a large area of the sea red!

The giant beast howled for a while, and its body fell heavily back to the water.

Batu's body fell from the giant beast's head, and the giant beast wanted to escape from the water!

Chen Ping's body rushed straight into the water from mid-air, and the dragon-slaying sword penetrated the giant beast's body at once.

The dragon-slaying sword then slashed across the giant beast's body, and a crystal clear beast elixir floated in the water!

Chen Ping opened his hand, took the beast elixir in his hand, and then put it into the storage ring.

But Nabatu used all his luck and energy to escape into the distance.

Chen Ping raised the corner of his mouth slightly and took out the Dragon-Slaying Sword in his hand!

Pfft...

The Dragon-Slaying Sword passed across Batu's body, and then returned to Chen Ping's hand.

But Batu's body was directly cut off by Lazy Yao, and he fell heavily into the water.

Chapter: 1728

Several sharks swam over and gnawed Batu's body clean.

Good deeds and evil deeds will eventually be rewarded, it's not that the time has not yet come for them not to be repaid...

After killing Batu, Chen Ping settled on Skull Island.

This place is off the beaten path and is a good place to practice.

At the same time, a dozen staff members drove the cruise ship to the shore!

Looking at the returning cruise ship, Jin Fusheng looked confused.

Because before departure, Chen Ping had already said that he would let the cruise ship drift overseas for a period of time and that he needed to practice.

But now that he has come back so soon, it seems very abnormal.

Only after Jin Fusheng summoned all the crew members did he understand what had happened.

However, Jin Fusheng knew Chen Ping's strength, so he was not worried.

Instead, he gave a large amount of money to the crew members, and then said with a cold expression: "Now you take the money and go out for a trip!"

"No matter who asks you, just pretend you don't know anything, and you are not allowed to reveal Mr. Chen's whereabouts."

"Otherwise you will never stay in Nanhua City."

"Don't worry, Boss Jin, we won't say anything."

Taking the money, the staff all left.

Time passes day by day, and half a month has passed in the blink of an eye.

In the past half month, the discussion on Chen Ping on the martial arts forum has obviously become less intense than before.

However, there are still several forces that are investigating Chen Ping's whereabouts overtly and covertly.

In the past half month, Chen Ping's strength has improved greatly.

Now Chen Ping has reached the strength of the eighth-level martial arts master.

If you give him some time, it won't be a problem to break through the peak of Wu Zong and become a half-step Wu Hou.

It is even possible to enter the true realm of martial arts before the year!

That is the Nascent Soul stage in the world of immortality.

If he really reaches this state, Chen Ping will become immortal.

Chapter: 1729

As long as the Nascent Soul in the body is not harmed, even if the physical body is seriously injured, it can slowly recover.

Now except Jin Fusheng and the cruise ship staff, no one knows Chen Ping's whereabouts.

Jin Fusheng, on the other hand, remained tight-lipped and never mentioned Chen Ping's matter to anyone else.

But on this day!

Jin Fusheng was basking in the sun in his yard.

Suddenly, several people wearing tight clothes broke in, and several servants of the Jin family died tragically at the hands of these people.

Jin Fusheng was startled and hurriedly stood up and looked at the people in front of him.

“Who are you?”

Jin Fusheng’s eyes revealed horror.

Because he could feel that the strength of the people in front of him was far stronger than him.

“Where is Chen Ping?”

One person took a step forward and asked Jin Fusheng.

“What are you talking about? I don’t know Chen Ping!”

Jin Fusheng shook his head.

“Hmph!” The man snorted coldly, and then waved his hand, and Jin Fusheng’s body involuntarily came to the man.

“I tell you who I am, I am Zang Qing from Tiansha Sect!”

“Can you tell me now, where is Chen Ping?”

Zang Qing held Jin Fusheng in one hand, his eyes cold.

Upon hearing the words Tianshamen, Jin Fusheng's legs instantly softened.

The Tiansha Sect is an evil cultivating sect. Although it has been hunted and has been hidden for the past two years, the reputation of the Tiansha Sect is widespread and almost no one in the martial arts world knows about it.

Who doesn't know that evil cultivators are cruel and bloodthirsty, and are not controlled by any martial arts rules at all.

"I...I really don't know!"

Jin Fusheng trembled, but he still did not reveal Chen Ping's whereabouts.

Zang Qing smiled coldly: "Don't reject me in such a hurry. I'll give you three days."

Chapter: 1730

"If I haven't seen Chen Ping in three days, I will kill all the Jin family's chickens and dogs!"

After Zang Qing finished speaking, he let go of Jin Fusheng, then turned and left.

He did not kill Jin Fusheng, because if he killed Jin Fusheng, no one would know Chen Ping's whereabouts.

Seeing Zang Qing leaving, Jin Fusheng instantly collapsed on the ground and fell into a dilemma!

However, after thinking about it again and again, Jin Fusheng gave a few explanations and immediately went to the dock, boarded the boat and sailed to the sea.

He wanted to find Chen Ping. After all, he would risk the life of the entire Jin family and he didn't dare to gamble!

Just after Jin Fusheng left, in a hotel room.

A disciple of Tiansha Sect hurriedly reported to Zang Qing.

"Master, that Jin Fusheng just took a boat out to sea. He should be looking for that Chen Ping."

The disciples reported.

"Yes!" Zang Qing nodded: "I didn't expect that Chen Ping was quite smart. He actually knew how to hide at sea. No wonder I couldn't find him for so long!"

During the time when Jin Fusheng went to sea to find Chen Ping, Zangqing published the news of killing Chen Ping on the martial arts forum.

Soon, the news spread in the martial arts world, and everyone was a little confused. Why did the Tiansha Sect, which had disappeared, suddenly show up and want to kill Chen Ping?

In fact, Zang Qing doesn't want to be so high-profile. After all, they are evil cultivators. If they act in such a high-profile manner, they may be hunted down by other sects and families.

But there is no other way. Zang Qing can only do what Zhu Zhishan asked!

The reason why Zhu Zhishan did this was to prevent people from suspecting their martial arts alliance.

When Chen Ping died, it was also the fault of the Tiansha Sect.

Moreover, the Tiansha Sect is an evil cultivator and has nothing to do with following the Martial Arts Alliance.

.....

Kyoto Dragon Family!

After Long Jingguo learned that Zang Qing from the Tiansha Sect wanted to kill Chen Ping, he narrowed his eyes slightly: "It's getting more and more interesting. Even the Tiansha Sect has popped up."

"It seems that Chen Ping's treasure is really worth mentioning..."

Long Jingguo thought that Tiansha Sect Zangqing wanted to kill Chen Ping for the dragon crystal in Chen Ping's body.

Although many sects and aristocratic families also wanted Chen Ping's dragon crystal, after all, they were all well-known and decent sects, and they had official control from above, so no one dared to openly announce the killing of Chen Ping on the martial arts forum.
