

## **The Order 1731**

Chapter: 1731

Even if these people want to kill Chen Ping, they will do it secretly and not in such a high-profile manner.

Otherwise, he will be targeted by the authorities soon, not to mention that Chen Ping is also a person of special concern to Mr. Shi.

But this day the Shamen were different. They were evil cultivators themselves and could not get official recognition at all.

So it doesn't matter if he talks about killing Chen Ping in such a high-profile manner.

"Master, the Tiansha Sect is so high-profile, is there some background behind it?"

Long Xingxu asked Long Jingguo very doubtfully.

After all, evil cultivators are now like rats crossing the street. Everyone shouts and beats them, and all evil cultivator sects are hiding.

There must be a reason why the Tiansha Sect is acting in a high-profile manner at this time.

"There may not be a backstage, maybe this Tiang Qing has stepped into Wuhou."

"I remember that two years ago, this guy was already at the peak of Wu Zong. Now counting the time, he is very likely to enter the realm of Wu Hou!"

"But this guy is indeed a bit high-profile. Even if he steps into the realm of Wuhou and acts in such a high-profile manner, he will inevitably be killed."

Long Jingguo said calmly.

“Then what should we do? Do we still need to send people to deal with Chen Ping secretly?”

Long Xingxu asked.

Long Jingguo waved his hand: “No need for now, even if we don’t take action, Chen Ping will definitely not survive!”

.....

Kyoto Dharma Protector Pavilion!

Tianshamen Tiangqing’s high-profile appearance made Mr. Shi quite annoyed!

The evil cultivators are so high-profile, which is a failure of their law enforcers.

Seeing Mr. Shi’s face looking very ugly, Zhao Wuji and everyone else did not dare to speak.

“Zhao Wuji, don’t you know the whereabouts of Chen Ping?”

Mr. Shi looked at Zhao Wuji and asked.

Zhao Wuji shook his head: “Mr. Shi, I really don’t know where Chen Ping is hiding.”

“Mr. Shi, since Chen Ping came to Kyoto, he has turned the martial arts world in Kyoto upside down and made chaos.”

Chapter: 1732

“I think he should be driven away. Now many martial arts families secretly want his life.”

“Evil cult organizations like the Tiansha Sect have emerged, and it will be difficult for Kyoto to be clean in the future.”

Xing Jun, who was beside Mr. Shi, said.

As the law enforcement captain, Xing Jun has been very busy during this period. Especially after Chen Ping killed Guo Wei, many people began to be dissatisfied with their law enforcement team!

After all, Guo Wei was the director of the Martial Arts Alliance. Chen Ping killed him in a high-profile manner, but the law enforcement team did nothing.

However, Mr. Shi had spoken, and Xing Jun did not dare to disobey him.

“You don’t understand. The reason why I protect Chen Ping everywhere is to let him mess up the entire martial arts world in Kyoto!”

“Only in this way will some big fish hiding in the depths surface!”

“The Tiansha Sect suddenly appeared and acted in such a high-profile manner. This is the best example!”

Mr. Shi narrowed his eyes slightly and said calmly.

Neither Xing Jun nor Zhao Wuji understood what Mr. Shi meant, so neither of them spoke.

“Captain Xing, lead people to trace the current location of Shamen Zangqing that day, and lead people to catch these guys!”

“These evil cultivators are so high-profile, which is a provocation to our officialdom.”

Mr. Shi ordered.

“Yes!” Xing Jun took the order and left.

.....

Skull Island!

Chen Ping was immersed in practice, but a man suddenly broke into the island, causing Chen Ping to wake up from his practice in an instant.

But when he saw the person coming, Chen Ping frowned slightly.

“Jin Fusheng, what are you doing here?”

Chen Ping asked Jin Fusheng.

“Mr. Chen, please save my family...”

After Jin Fusheng said that, he knelt in front of Chen Ping.

Chen Ping gently lifted Jin Fusheng up with his palm, and then asked: “Please explain first, what exactly happened?”

Chapter: 1733

Jin Fusheng told Chen Ping about Zang Qing’s threat.

Chen Ping felt very strange when he heard about Tiansha Sect and Tibetan Blue.

After all, when Tiansha Sect disappeared, Chen Ping had never been in contact with the martial arts world.

“Mr. Chen, these evil cultivators have no humanity. Only Mr. Chen can save my family now!”

Jin Fusheng now puts all his hopes on Chen Ping.

“Don’t worry, I won’t let anyone hurt your family. I’ll go back with you now!”

Since the Jin family is in danger for themselves, Chen Ping will not sit idly by and ignore it.

Chen Ping got on the boat and rushed back to Nanhua City with Jin Fusheng!

Just when Chen Ping and the others were on their way back, Zang Qing and his men had already bloodbathed the Jin family!

Dozens of people were killed, and the girls from the Jin family many years ago were humiliated before they died!

For evil cultivators like them, killing is a normal thing.

The entire Jin family was shrouded in the smell of blood, like a purgatory!

Just as Zang Qing was preparing to leave Jin’s house, several people in uniforms walked towards them.

“From the law enforcement team?”

Zang Qing frowned instantly when he saw the person coming.

When Xing Jun looked at the corpses all over the floor of the Jin family, his face turned livid, and anger burst out in his eyes.

“Zang Qing, I let you escape a few years ago, but I didn’t expect you to show up and kill people unscrupulously.”

“I must take you back today and sentence you to death...”

Xing Jun gritted his teeth and spoke word by word.

And the other law enforcement team members were also furious!

“Xing Jun, I haven’t seen you for many years, but your strength has not increased. You injured me back then, and now I am taking revenge!”

After Zang Qing said this, his aura suddenly surged, and then he punched Xing Jun!

When Xing Jun saw this, he frowned, and then a halo of light began to flash around him!

The silver halo spreads like light waves.

Chapter: 1734

At the same time, the other law enforcement team members each threw a golden rope in their hands!

Several ropes instantly weaved into a large net in the air, heading towards Tiangqing Shroud.

As long as they are covered by this big net, no matter how powerful the evil cultivator is, there is no way to escape.

After Zang Qing saw this big net, he suddenly retreated and said with disdain: “Xing Jun, don’t you dare to challenge me to a duel? You actually used this dragnet to catch me?”

“I am a law enforcer. I have nothing to fight with an evil cultivator like you. My mission is to take you back!”

The halos on Xing Jun’s body flew toward Zang Qing one by one.

A halo of light enveloped the navy blue body.

“In this case, I won’t play with you anymore...”

Zang Qing’s body suddenly shrank and escaped from the halo, then jumped up and fled towards the wall.

But just as Zang Qing jumped up, a figure suddenly appeared in front of him.

Then he kicked Zang Qing hard.

Zang Qing’s figure instantly fell to the ground, and then made a huge crater on the ground.

Zang Qing stared at the sudden figure, his eyes slightly condensed.

“Chen Ping?”

When Zang Qing saw the person clearly, a trace of solemnity flashed on his face.

If he were to deal with Xing Jun and Chen Ping at the same time, he would definitely not be his opponent.

“Wife.....”

“son.....”

Jin Fusheng entered the yard and after seeing the corpses all over the yard and the tragic condition of his relatives, he cried bitterly and threw himself on them.

Jin Fusheng held the bodies of his wife and children in his arms, looking up to the sky and crying!

Chen Ping’s face was extremely gloomy, and the murderous aura in his body instantly enveloped the entire Jin family.

At this time, Xing Jun looked at Chen Ping who suddenly appeared, with a complicated expression on his face.

He still remembered the first time he met Chen Ping. At that time, Chen Ping was still an insignificant guy in his eyes.

If Long Wu hadn’t saved Chen Ping, Chen Ping would have been killed long ago.

Chapter: 1735

But looking at Chen Ping today, just a few months have passed.

Chen Ping’s strength has grown to the point where he takes it seriously.

Jin Fusheng cried bitterly, as if he was going crazy.

“Zang Qing, I will kill you...”

Jin Fusheng suddenly rushed towards Zang Qing.

At this time, Jin Fusheng had long lost his fear, and his only thought was to avenge his relatives.

“don’t want.....”

When Chen Ping saw this, he hurriedly wanted to stop Jin Fusheng.

But it was too late. Jin Fusheng rushed in front of Zang Qing. Before he could take action, Zang Qing slapped his head on the head, instantly smashing his head to pieces!

When Chen Ping saw this, he clenched his fists and gritted his teeth.

“Zang Qing, you are too presumptuous. You dare to hurt someone in front of me. If I don’t catch you today, I won’t be worthy of being the captain!”

Xing Jun was furious, his body flashed with silver light, and then he pulled out a silver whip from his waist.

But just when Xing Jun was about to attack Zangqing, Chen Ping reached out and stopped him.

“what you do?”

Xing Jun frowned and asked Chen Ping.

“He is mine, none of you can kill him...”

Chen Ping’s eyes were cold and he said coldly.

“Bold, this Zang Qing is an evil cultivator. I came to arrest him on the order of Mr. Shi.”

Xing Jun didn't expect that Chen Ping would dare to talk to him like this.

Chen Ping's eyes burst out with cold light: "I said, I am the only one who can kill him. If anyone dares to do it, don't blame me for being rude..."

Chen Ping's murderous intent continued to rise, and his eyes began to turn scarlet!

As if possessed by a demon, he doesn't recognize his relatives!

Seeing Chen Ping like that, Xing Jun was startled for a moment, but he still stepped back.

When Zang Qing saw this, his face suddenly showed pride!

Chapter: 1736

If he fights alone, he is not afraid of anyone here.

"I'm going to kill you today to avenge dozens of members of the Jin family..."

Chen Ping looked at Zang Qing and said in an indifferent voice.

"Hmph, it's just you..."

After Zang Qing finished speaking, his aura suddenly exploded.

Then, as if a strong wind was blowing, the tiles on the roof continued to roll and fly.

The strength of Half-step Wuhou suddenly appeared. Although he was only one step away from the peak of Wu Zong, the aura of Half-step Wuhou was obviously much stronger.

But this powerful momentum had no effect on Chen Ping.

At this moment, Chen Ping was as powerful as a rainbow and unmoving.

Seeing this, Zang Qing's aura surged again, while Chen Ping also shook his body at this moment, and a majestic golden light burst out from his body.

In an instant, the two breaths collided together, causing a violent explosion.

At this moment, the color of the sky and the earth changed, the sun and the moon lost light, the whole earth was shaking, and the Jin family's villa began to collapse!

Everyone was affected by this huge energy and began to retreat one by one.

Xing Jun waved his hands, and a huge force surrounded the surroundings, reducing the scope of the explosion as much as possible.

"Chen Ping, don't fight here, otherwise the entire Nanhua City will be destroyed in your hands..."

Xing Jun's face became very ugly. He gritted his teeth and tried his best to wave out waves of light to offset the aftermath of the collision between Chen Ping and Zang Qing's auras.

When Chen Ping saw this, he quickly stopped his hand, and then looked at Zang Qing coldly: "If you have the ability, let's go to the suburbs. Do you dare?"

"Hmph, I'm here to kill you, why don't you dare?"

Zang Qing snorted coldly.

Chen Ping jumped up instantly, and then he saw an afterimage running straight to the barren hills in the suburbs.

Zang Qing followed closely behind, and his speed was also extremely fast.

Xing Jun let out a long breath and then led his men to catch up.

At this moment, Chen Ping and Na Zangqing had arrived on the barren mountain.

As soon as Zang Qing arrived, he immediately launched an attack!

Chapter: 1737

With endless pressure on him, he moved towards Chen Ping like an overwhelming force.

The terrifying aura caused rocks to fly across the barren mountain, and the entire mountain began to crumble.

Then the endless pressure condensed on Chen Ping's head.

An incomparable giant hammer appeared above Chen Ping's head!

This giant hammer seemed to have fallen from the sky, shining with golden light.

On top of the giant hammer, streaks of lightning flashed across, and then struck down hard.

In an instant, the ground made a rumbling sound, and the rocks and trees were destroyed. At this moment, Chen Ping's body seemed to be burnt, giving off a smoky smell.

Xing Jun, who was at the foot of the mountain, looked at the scene in front of him, his face suddenly condensed.

"This Zang Qing's strength is so fast, so powerful..."

Xing Jun did not expect that Zangqing's growth rate in recent years was obviously much faster than his.

When evil practitioners practice martial arts, their strength grows rapidly. Otherwise, why would there be so many people practicing evil martial arts at the risk of being hunted down by others?

"Captain, I'm afraid this Chen Ping is no match for Zang Qing, right?"

A law enforcement team member looked at the scene in front of him and asked Xing Jun.

"It's hard to say now. Although Chen Ping has an indestructible golden body, Zang Qing's strength is almost close to Wuhou. It's hard to say who is better!"

Xing Jun stared at the battle on the top of the mountain.

At this moment, Chen Ping's body began to shine with golden light, and pieces of golden scales grew out of Chen Ping's body, like an armor worn on Chen Ping's body.

Rumble.....

Another bolt of lightning struck Chen Ping, and Chen Ping jumped up under the tremendous pressure.

Then Chen Ping made a fist with his right hand, and the entire fist was wrapped in golden light.

"Holy Light Fist..."

Chen Ping punched out, hitting the condensed giant hammer hard!

When Chen Ping's fist touched the giant hammer, the condensed giant hammer instantly shattered and disappeared into dots of white light.

And Chen Ping's figure is in mid-air, like a descending god, looking down on everything in the sky!

Xing Jun looked up at Chen Ping with horror in his eyes: "Chen Ping's strength is really hard to fathom. He is indeed a genius. No wonder Mr. Shi values him so much!"

Chapter: 1738

"You have mastered the Indestructible Golden Body to such an extent, no wonder so many people want to kill you."

Zang Qing stared at Chen Ping: "If you are allowed to develop, the martial arts world will probably be reshuffled!"

After Zang Qing finished speaking, a dazzling golden light began to flash from his chest. This golden light followed Chen Ping, and it was as good as any!

Then Zang Qing's entire body seemed to be shrouded in golden armor.

"Let's see if my Holy Body Technique is more powerful or your Indestructible Golden Body is more powerful..."

After Zang Qing finished speaking, his body began to exude endless power, and his energy began to rise. After an angry roar, he soared into the sky.

Zang Qing's body was like a launching rocket, with tail flames behind him, and he rushed towards Chen Ping at an extremely fast speed.

It was thought that the speed was so fast that there were bursts of piercing sounds in the sky, and the sound was so loud that others hurriedly covered their ears.

Chen Ping looked at Zang Qing who was rushing towards him, and his body fell rapidly, and he also crashed into Zang Qing.

The two of them were going to rely on speed and strength to see whose body was tougher.

clang.....

A sound like metal colliding was heard, and the entire stone on the mountain was instantly turned into powder by the sound waves emitted.

And Zang Qing felt dizzy, and his internal organs began to tumble.

Pieces of golden light fell from mid-air, and the golden light was also mixed with pieces of scales!

But these golden lights and scales disappeared instantly after falling to the ground!

“Come again...”

Zang Qing yelled angrily, and then slammed into Chen Ping.

clang.....

clang.....

The two people turned into two golden streams of light, constantly colliding and separating in mid-air, colliding...

The others looked at this scene and were all stunned.

They have never seen such a competition. This is not a fight, it is simply the most primitive collision.

Xing Jun became more and more frightened as he watched. He was thinking, if it were him at this moment, could he withstand the collision of Zang Qing or Chen Ping with his physical body alone?

In the end, the answer Xing Jun got was no.

Chapter: 1739

Xing Jun probably wouldn't be able to survive such a collision, and his physical body was not so indestructible.

Soon, the golden light on Zang Qing's body dimmed, his face became a little ugly, and he was breathing heavily.

Such a collision consumes too much physical energy.

"Chen Ping, at such a young age, you have such strength. You are truly a genius. I can just use your skills to help me reach the realm of Wuhou..."

Zang Qing gasped and looked at Chen Ping and said.

He wants to defeat Chen Ping, and then absorb Chen Ping's skills to help him practice.

If one could absorb Chen Ping's power, it would be hundreds of times more powerful than absorbing the energy of an ordinary person.

"That's exactly what I meant. A strength like yours can help me practice..."

Chen Ping looked at Zang Qing coldly.

Chen Ping also had this intention for a long time. He wanted to absorb all Zang Qing's cultivation and use it for his own purposes!

If it were just an ordinary martial arts master, it would not be of much help to Chen Ping's current cultivation level.

But for a half-step Wuhou like Zang Qing, the help is different.

"You can also absorb martial arts?" Zang Qing looked at Chen Ping in surprise: "Could it be that you have practiced evil martial arts?"

"Hmph, how could I be like you evil cultivators?"

Chen Ping snorted disdainfully: "You evil cultivators, for the sake of cultivation, have long ceased to be human beings. You are even worse than animals."

"presumptuous!"

Zang Qing was furious: "In this world, force is respected. As long as my strength is high, who dares to say anything about me?"

Nang Qing waved his palms downward, and the gravel and rubble on the barren mountain flew into the air one after another.

It's like being sucked directly up by the navy blue.

The gravel and rubble began to condense and wrap up, directly wrapping Tiang Qing.

Soon, Zang Qing was wrapped up and turned into a stone man more than ten meters tall.

In this way, Chen Ping looked very insignificant at the feet of this stone man.

"That's it?" Chen Ping watched Zang Qing turn into a huge stone man with disdain in his eyes.

Not to mention stones, even copper and iron walls, Chen Ping can now punch through them with one punch.

Chapter: 1740

Seeing Chen Ping's disdainful look, Zang Qing laughed loudly and said, "Don't think that you can easily break the rocks I have. If you don't believe me, come and try..."

After Zang Qing finished speaking, his fist like a mountain hit Chen Ping hard!

When Chen Ping saw this, he clenched his fists, and the golden light on his body kept flashing.

Then the body jumped up and punched each other hard!

In Chen Ping's opinion, this punch is enough to shatter the body made of stones!

But the result was beyond Chen Ping's expectation!

After Chen Ping's punch followed Zang Qing, he felt a huge force coming from his arm, and then Chen Ping's body fell rapidly.

Rumble.....

Zang Qing's punch directly smashed Chen Ping into the soil!

A deep pit of several meters appeared on the ground, and Chen Ping's body was buried in the pit by rocks.

"Hahaha, you ignorant kid, do you really think what I'm wearing is some rotten stones?"

Seeing Chen Ping being smashed into the ground, Zang Qing laughed arrogantly.

Xing Jun at the foot of the mountain frowned deeply when he saw this!

He didn't expect that Zang Qing could be so powerful. It looked like it would be difficult for Chen Ping to resist.

"Prepare a dragnet for me, I can't let this Zang Qing escape..."

Xing Jun whispered instructions to his men.

Soon, several of his men took out golden ropes in their hands, ready to take action at any time.

Wow...

Chen Ping stood up from the rocks and looked at Zang Qing in disbelief.

Chen Ping couldn't understand why his punch couldn't even break some gravel?

Seeing that Chen Ping was unharmed, Zang Qing's face became a little unsightly.

"This Chen Ping is indeed physically strong..."

Seeing Chen Ping stand up, Xing Jun couldn't help but admire him.

"I don't believe it anymore..."
