

## The Order 1741

Chapter: 1741

A cold light flashed in Chen Ping's eyes, and then his body instantly turned into a golden light, came behind Zang Qing, and then punched Zang Qing hard on the back.

Zang Qing turned into a stone giant more than ten meters tall. Although his size and strength had increased, his speed would definitely be much slower.

Chen Ping took advantage of this and sneaked up behind Zang Qing to attack.

clang!

Chen Ping punched down, and a scene that shocked Chen Ping happened. Chen Ping punched Zang Qing in the back. Not only did it not cause any damage to Zang Qing, he was actually knocked away by a huge counterattack force.

Chen Ping's body was like a cannonball, hitting the ground instantly!

The whole mountain began to tremble, and Chen Ping's body re-embedded into the mountain.

Zang Qing turned around and looked at Chen Ping with a sneer: "Haha, don't waste your efforts, you can't break through my boulder armor..."

Chen Ping stood up again and stared at the navy that was more than ten meters high in front of him.

Frowning, he couldn't figure out what exactly Tiang Qing had done to these stones, and why these stones were actually harder than steel!

Moreover, there is a huge counter-shock force, and this counter-shock force does not come from the navy blue, but from some rocks.

Chen Ping gritted his teeth, and then his body burst out, and his golden fist hit Zang Qing with a devastating force.

boom!

There was another loud noise, and the whole mountain shook. This time, Zang Qing didn't move, and was punched by Chen Ping.

And Chen Ping's body was knocked out again.

Chen Ping's internal organs began to tumble.

"Hahaha, let me see how much strength you have and how many punches you can sustain. When you run out of energy, you will be at my mercy."

Zangqing laughed.

"Captain, it looks like Chen Ping is going to be defeated. Such a high-intensity punch will consume a lot of energy."

A team member stepped forward and whispered in Xing Jun's ear: "This Zang Qing is too powerful. How come some rotten rocks become indestructible when it touches him?"

Xing Jun frowned slightly, stared at everything on the top of the mountain, and said to the team member: "Don't talk, just watch carefully..."

At this time, Chen Ping looked at the arrogant Zang Qing, gritted his teeth and remained silent.

The power of the divine dragon surrounds the whole thing, like a golden dragon circling the waste.

“Holy Light Fist...”

Chapter: 1742

Chen Ping stepped out and hit Zang Qing with his fist like a cannonball.

Bang bang bang...

After more than ten punches in a row, Chen Ping didn't stop at all. The power of the dragon in the dragon crystal was constantly being wielded by Chen Ping!

But even so, Zang Qing was still unscathed, but Chen Ping himself was shocked and blood spilled from the corner of his mouth!

“Do you still have the strength?”

Zang Qing looked down at Chen Ping, his eyes full of disdain and humiliation.

Chen Ping gasped for breath. Even with the dragon crystal and golden elixir, such a huge consumption still almost exhausted the spiritual power in Chen Ping's body!

Chen Ping gathered his spiritual power again, and the golden light on his fist began to flash and expand, like the dazzling sun in the sky.

But just when Chen Ping was about to punch again, he was stopped by Xing Jun.

“Chen Ping stop...”

Xing Jun jumped up and rushed straight to the top of the 100-meter-high mountain!

Seeing Xing Jun rushing up, Zang Qing raised his lips and said, "What, do you want two of you to deal with me together?"

At this time, Zang Qing was extremely arrogant. After all, Chen Ping was on the verge of collapse and there was nothing to worry about.

Xing Jun ignored Zang Qing, but looked at Chen Ping and said: "Stop fighting, even if you use a lot of force, it will be useless."

"Because you are not hitting him, you are fighting against the whole mountain..."

After Xing Jun's observation just now, he found that every time Chen Ping punched Zang Qing, Zang Qing was fine, but the whole mountain began to tremble slightly.

Every punch was like this, which made Xing Jun suspicious.

"Fight with the whole mountain?" Chen Ping frowned, a little confused!

"This guy must have used some kind of magic to connect his body to the entire mountain, so all the power you hit on these rocks was transferred to this mountain."

"Every time you punch, the whole mountain trembles, and that huge counter-shock force comes from this mountain."

Xing Jun followed Chen Ping in explaining.

At this moment, Chen Ping suddenly realized and understood immediately.

The navy frowned. He didn't expect Xing Jun to see his technique!

After knowing the secret of this navy blue, Chen Ping looked at him slowly, and the power of the dragon that originally surrounded his fist also dissipated!

Chapter: 1743

“Since you are relying on this mountain, I will let you leave here and see what else you rely on...”

After Chen Ping finished speaking, he rushed up and then grabbed Zang Qing’s waist with both hands!

With a loud shout, Chen Ping was turned into a man more than ten meters tall and was lifted up forcefully.

Then he threw it hard, and Zang Qing’s huge body drew a parabola in the air, and fell hard from the top of the mountain!

Seeing this, Zang Qing used all his strength to rush back to the top of the mountain.

But the tons of stone armor around him made Zang Qing’s movements very slow!

Rumble.....

Zang Qing’s body hit the bottom of the mountain, instantly creating a large crater with a diameter of tens of meters, like a meteorite falling.

With great difficulty, Zang Qing stood up with his clumsy body.

But as soon as he stood up, he saw a black shadow falling from the top of the mountain!

Immediately afterwards, Zang Qing’s body suffered a heavy blow!

Click... click...

The stones on Zang Qing's body began to shatter, and finally turned into balls of powder.

Zang Qing, on the other hand, fell to the ground with an ugly expression, and his body seemed to have been severely injured!

He stood up with difficulty and looked at Chen Ping with somewhat panicked eyes.

"What else can you do?"

Chen Ping looked at Zang Qing and asked with indifferent eyes.

"I....."

Zang Qing opened his mouth, but found that facing Chen Ping, he really had nothing to do!

He didn't understand that Chen Ping's strength was clearly not even at the peak of Wuzong, but his power was so terrifying.

And there is a constant flow of power in the body.

"Since you have no other abilities, I will send you on your way..."

Chen Ping suddenly slapped his palm towards Zang Qing.

"Stop!" At this time, Xing Jun stepped forward to stop Chen Ping.

Chapter: 1744

"You can't kill him. I want to take him back and tell Mr. Shi..."

Xing Jun wants to go back to answer his orders. If Chen Ping kills Zang Qing now, how will he explain to Mr. Shi?

“I must kill him today. Whoever stops me will die...”

Chen Ping looked at Xing Jun with a firm look in his eyes, leaving no room for negotiation.

“you.....”

Xing Jun’s face turned red with anger, but there was nothing he could do.

If he really followed Chen Ping, he wouldn’t even know if he was Chen Ping’s opponent now.

“Chen Ping, if you save my life, our Tiansha Sect is willing to respect you!”

Zang Qing began to beg for mercy from Chen Ping.

“Do you respect me? I don’t look down on you evil cultivators. You evil cultivators who harm others deserve to die...”

Chen Ping thought of the fate of dozens of members of the Jin family, and murderous intent burst out in his eyes.

After Chen Ping finished speaking, he grabbed Zang Qing with one claw. Zang Qing tried his best to block it, but unfortunately, Chen Ping’s grab changed direction and stabbed into Zang Qing’s chest!

Chen Ping’s hand penetrated directly into Zang Qing’s chest, and then a huge force shattered Zang Qing’s Dantian!

But Zang Qing, whose Dantian was completely shattered, suddenly stretched out his hand and held Chen Ping firmly, and then a huge suction force began to absorb Chen Ping's spiritual power!

"Hahaha, do you think that if you break my Dantian, I will become a useless person?"

Zang Qing suddenly burst out laughing, no longer panicking just now.

Chen Ping frowned, a little incredulous. This navy blue dantian was broken, how could it still be able to absorb his own spiritual power?

Even if it is absorbed into the body, the spiritual power is useless without being stored in the Dantian!

Soon, Chen Ping discovered that after his spiritual power entered Zang Qing's body, there was a light on the upper part of Zang Qing's abdomen.

This kind of light penetrates the navy blue skin and is very dazzling!

"So you still have golden elixir in your body?"

Chen Ping instantly understood that this navy had absorbed all the spiritual power and stored it in the golden elixir.

"Golden elixir? What is golden elixir?"

Zang Qing was a little surprised. He was not an immortal cultivator, so how could he have a golden elixir.

Chapter: 1745

Seeing Zang Qing's appearance, Chen Ping knew that there could be no golden elixir in this Zang Qing's body, because only immortal cultivators could develop the golden elixir.

Since it's not a golden elixir, it must be a kind of orb, animal elixir or something like that.

It's like the dragon crystal in Chen Ping's body.

Chen Ping's palm suddenly stretched upward and directly grabbed the bead in Zang Qing's body.

The navy blue face instantly became extremely ugly, and his eyes were filled with fear!

"You...how can you still move?"

Zangqing said in shock.

Chen Ping ignored him and directly pulled out the beads from Zang Qing's body.

Moreover, as the Heart Condensation Technique was operating, the spiritual energy that originally entered Zang Qing's body was rapidly rushing back into Chen Ping's body. Even Zang Qing's own strength was rapidly losing.

"This this....."

Zang Qing's eyes widened and he looked at Chen Ping in disbelief, the breath in his body disappearing rapidly.

Soon, Zang Qing became sluggish, as if he had aged dozens of years in an instant!

Looking at the scene in front of him, Xing Jun's expression became extremely complicated.

In his opinion, only evil cultivators can master this kind of skill that absorbs other people's skills. Could it be that Chen Ping is also an evil cultivator?

But Chen Ping is obviously not an evil cultivator, but how could Chen Ping know such a technique?

Xing Jun fell into confusion...

Zang Qing knelt on the ground, his curled up body supported only by his breath.

Chen Ping looked at the beads taken out from Zang Qing's body. They looked like spiritual beads, not beast elixirs.

"This thing is given to..."

Chen Ping threw the spirit bead in his hand directly to Xing Jun, and then continued: "This guy is still breathing, you can take it back to deliver the mission."

Xing Jun took the spirit bead, his eyes full of complexity and shock.

This kind of spiritual bead was priceless at first glance, but Chen Ping gave it to himself easily.

Xing Jun was about to follow Chen Ping to say thank you, but saw that Chen Ping had already walked away.

Xing Jun put away the spirit bead and grabbed it towards Zang Qing.

Chapter: 1746

But who knew that before he touched Zang Qing, Zang Qing's body fell to the ground with a thud.

There was no sound for a moment.

Zang Qing was dead. Xing Jun sighed without even looking at him. The rest of the law enforcement team, at the moment of Zang Qing's defeat, arrested the other disciples of the Tiansha Sect brought by Zang Qing.

Looking at these disciples of the Tiansha Sect, Xing Jun knew that he would be very busy in the future. He had to eradicate the Tiansha Sect.

In order to eradicate these evil cultivators, the law enforcement team can only take action. Zhao Wuji and the law guardians can only maintain law and order.

There is no ability to deal with evil cultivators yet.

.....

The master of the Tiansha Sect, Zang Qing died at the hands of Chen Ping!

The news spread instantly.

This time, Chen Ping was even more pushed to the forefront.

Many sects and aristocratic families that were originally paying attention to Chen Ping suddenly stopped and there was no news!

Even Zang Qing from the Tiansha Sect is no match for Chen Ping. If an ordinary sect family wants to cause trouble for Chen Ping, wouldn't it be like hitting an egg with a stone?

"I think this Chen Ping can only be cured by Marquis Wu."

"In the entire Kyoto martial arts world, the leader of the younger generation is probably none other than Chen Ping."

“Not to mention Kyoto, even in the entire Daxia martial arts world, with Chen Ping’s strength and age, he is one of the best.”

“I think the Xiaoyao list will be re-ranked. This Chen Ping will probably reach the first place.”

The entire forum was praising Chen Ping, this time it was different from killing Guo Wei.

After all, Zang Qing is an evil cultivator, and he is so high-profile on the martial arts forum that many people dislike him.

This time being killed by Chen Ping, many people breathed a sigh of relief, and naturally praised Chen Ping.

“The ranking on the Xiaoyao List is not for nothing. If this Chen Ping can reach the first place, where will I go? Are you looking down on me, Xin Pengfei?”

Just when everyone was talking about it, a pinned comment suddenly popped up.

This time, there were far fewer comments scrolling through the forum.

Obviously, this comment was made by Xin Pengfei, who is the number one auctioneer on Xiaoyao List.

Xin Pengfei had reached half the strength of Wuhou a year ago, but this year, there was very little news about him.

Chapter: 1747

No one knows his true strength now.

However, the Xiaoyao List is not an official list after all, and not many people follow it. Most of them are young people.

Now Xin Pengfei suddenly appeared, and after a brief period of shock, many people began to get excited.

“Boss Xin shows up, you will always be our boss!”

“Brother Fei, who is number one on the Xiaoyao list and has dominated the list for many years, finally shows up.”

“Who just said that Chen Ping can reach the first place on the Xiaoyao list? Are you coming out and saying something?”

Xin Pengfei has many more enthusiastic fans on the martial arts forum than Chen Ping.

After all, Xin Pengfei has become famous for a long time, and he has been the most talented person among the younger generation for a long time.

All kinds of auras are added to her, and she has countless fans!

And Chen Ping has only gained some popularity recently.

“I’m really looking forward to it. Brother Fei can compete with Chen Ping, so that we can know who is better.”

This sentence instantly ignited the entire forum again.

“Yes, yes, let them compete, and you will know who is better.”

“Brother Fei has been famous for many years. He was already a half-step Wuhou a year ago. How can he still compare with Chen Ping?”

“I think Chen Ping is quite capable. If Xin Pengfei doesn’t dare to compete, he is probably afraid of falling off the altar.”

This time, two people who were originally unrelated were instantly turned into enemies by those on the forum.

Seeing the increasingly out-of-control comments on the forum, Xin Pengfei’s face behind the screen became extremely gloomy.

After a whole year of seclusion, he was promoted from a half-step Wuhou to the realm of Wuhou.

At this stage, Xin Pengfei really wanted to find someone to fight against, and to establish his authority by the way, letting everyone know that he was still very strong after not seeing him for a year.

And now, Chen Ping is the best person to practice with him.

“During the Gregorian calendar year, I will compete with Chen Ping. Whether he dares to challenge or not is beyond my control.”

After Xin Pengfei finished speaking on the forum, he turned off the computer.

Soon, the news spread that Xin Pengfei challenged Chen Ping.

However, Chen Ping didn’t know about this at all at this time.

Chapter: 1748

He didn’t expect that he would have an enemy for no reason.

At this time, Chen Ping was on his way to Kyoto.

Chen Pingyuan originally thought that there would be a lot of resistance on his way to Kyoto. After all, many sects and aristocratic families were watching him eagerly.

But to Chen Ping's expectation, the road was surprisingly quiet.

No one attacked Chen Ping.

Even Luo Xiang from the Luo family in Mobei seems to have no news.

But Chen Ping didn't know that Luo Xiang had already been in Kyoto for many days at this time.

It's just that he has no news about Chen Ping.

However, when he learned that Chen Ping had killed all the Tiansha Sect leaders, he became obviously more cautious.

On this day, Luo Xiang found the Ning family in Kyoto!

To deal with Chen Ping, Luo Xiang needs the help of the Ning family.

Although Luo Xiang had some trouble following Ning Zhi, he believed that the enemy of his enemy was his friend.

Ning Zhi also hated Chen Ping. As long as the two families united, Chen Ping would definitely die!

But Luo Xiang has been at the Ning family for an hour and has been drinking tea in the living room, but no one in charge of the Ning family has come forward.

Ning Zhi didn't even show up.

“Young master, this Ning family obviously doesn’t give you face, why are we still waiting here?”

A servant behind Luo Xiang said unjustly.

“Then Ning Zhi is deliberately trying to ignore me. I know it. If it’s just a big deal, don’t stick to trivial matters. We’ll wait here!”

Luo Xiang picked up the teacup, blew on it gently, and continued drinking tea.

I don’t know how many drinks he drank.

At the back of the living room, Ning Zhi looked at Luo Xiang quietly through the crack in the door.

The Ning family and the Luo family have no intersection, and when they were in Xichuan, Luo Xiang didn’t give him any face.

Now that we have arrived in Kyoto, Ning Zhi wants to give Luo Xiang a show of strength first.

Ning Zhi originally thought that Luo Xiang couldn’t bear the humiliation and would leave voluntarily, but he didn’t expect that it had already been an hour and Luo Xiang was still sitting still.

Chapter: 1749

“Master, do you want me to drive them away?”

The steward of the Ning family whispered to Ning Zhi.

Ning Zhi waved his hand: “No, since Luo Xiang is so sincere, then I will meet him.”

After Ning Zhi finished speaking, he straightened his clothes and walked out.

“I didn’t know Mr. Luo’s visit was a surprise, but I didn’t expect it from afar...”

Ning Zhi walked to the living room and said with a smile.

I don't know, I can't tell at all. Some time ago, the two people almost had a conflict.

"Master Ning, I take the liberty of disturbing you!"

Luo Xiang stood up and clasped his fists.

Ning Zhi sat on the main seat and asked, "I wonder if Mr. Luo has something to do when he comes to my Ning family from Mobei?"

Luo Xiang looked at Ning Zhi. In fact, Ning Zhi knew better than anyone else. However, since Ning Zhi asked this, Luo Xiang did not hide it and said: "Master Ning, Chen Ping destroyed the Demon Suppression Tower and escaped from Xichuan. When I came back, I chased you all the way."

"It's just that he has lost his whereabouts recently. Now that Chen Ping shows up and kills Zang Qing from Tiansha Sect, I believe you also know."

"I know that Mr. Ning also hates Chen Ping, so I want to join forces with Mr. Ning to get rid of Chen Ping!"

"Destroyed the Demon Suppressing Tower?" Ning Zhi frowned deeply after hearing this: "The Demon Suppressing Tower is an ancient thing. No matter how capable Chen Ping is, he cannot destroy it."

Ning Zhi had heard from the head butler of the Gu family about the origin of the Demon Suppression Tower. How could such a treasure be destroyed just because it was destroyed?

Chen Ping probably doesn't have that ability yet.

"Master Ning, don't you believe me?" Luo Xiang was slightly startled, and then explained: "The Demon Suppression Tower has indeed collapsed, and it is now a pile of ruins!"

Ning Zhi also knew that Luo Xiang could not lie to him, but Ning Zhi would not believe that the Demon Suppression Tower was destroyed like this.

After thinking for a moment, Ning Zhi suddenly said: "I know, then Chen Ping must have taken away the tower-suppressing treasure in the Demon-Suppressing Tower, so that's why the Demon-Suppressing Tower suddenly collapsed!"

Since the Demon Suppression Tower is so magical, there must be treasures in the tower, and Chen Ping took away the treasure, so the Demon Suppression Tower collapsed.

"Oh?" Luo Xiang's eyes lit up: "What kind of treasure is it?"

Ning Zhi shook his head: "How do I know, but I'm sure that Chen Ping must have gotten the treasure from the Demon Suppression Tower!"

"Master Ning, there are many treasures on Chen Ping's body now. As long as we join hands and kill Chen Ping, those treasures will be ours."

Luo Xiang said to Ning Zhi.

Chapter: 1750

But Ning Zhi sighed: "Many people in Chen Ping want to kill him and seize the treasure. Unfortunately, despite his own strength, even Mr. Shi from the law enforcement team favors him."

"Zhu Zhishan of the Martial Arts Alliance has nothing to do with Chen Ping. If we take action against Chen Ping, Mr. Shi will definitely be unhappy."

"Mr. Ning, my Luo family is far away in Mobei. I am not afraid of any law enforcement team. I can come forward to deal with that Chen Ping. It's just that I brought too few experts this time. As long as Mr. Ning is willing to lend me some people, I can kill Chen Ping." After that, the treasure will be divided equally!"

Luo Xiang still persuaded Ning Zhi.

Ning Zhi fell into deep thought. After thinking again and again, Ning Zhi nodded: "Okay, I will lend you two masters at the peak of the martial arts. I hope you can keep your word!"

"Of course, in this place in Kyoto, how dare I lie to you, unless I don't want to go back to Mobei."

Luo Xiang smiled and said.

"That's true, no one in Kyoto dares to lie to me!"

Ning Zhi said with a proud look on his face.

Luo Xiang led the people away. In his opinion, with his own strength and two masters at the peak of the martial arts, Chen Ping would definitely die!

.....

Kyoto Dharma Protector Pavilion!

After not seeing Chen Ping for almost a month, Zhao Wuji seemed very excited when he saw Chen Ping again!

"Mr. Chen, I'm so happy to hear that you killed Zang Qing, the leader of the Tiansha Sect!"

"That guy was so arrogant when he shouted on the martial arts forum. Now that he's been killed by you, I think many sects and families in Kyoto have become honest."

Zhao Wuji said with excitement.

Chen Ping smiled lightly: "Everyone can kill evil cultivators. I was able to kill him thanks to Captain Xing..."

Chen Ping knew that if Xing Jun hadn't discovered the secret of Zang Qing's technique at that time, he probably wouldn't have been able to kill Zang Qing.

"Mr. Chen, Kyoto has been much quieter during your absence. However, Dong Jiahao from the Dong family has come to look for you many times, but he doesn't know what's going on!"

Zhao Wuji said to Chen Ping.

"What does Dong Jiahao want from me?"

Chen Ping frowned slightly when he heard this.

Then Dong Jiahao has come to find him many times, will nothing happen?

"I don't know, but he said that after you return to Kyoto, give him a call!"
