

The Order 1751

Chapter: 1751

Zhao Wuji said.

After hearing this, Chen Ping took out his mobile phone and called Dong Jiahao.

After all, Dong Jiahao is a good person and has helped him. If he is looking for him so anxiously, something might really happen to him.

When Dong Jiahao received a call from Chen Ping, he was overjoyed and asked Chen Ping to wait for him at the Dharma Protector Pavilion, while Dong Jiahao drove directly to the Dharma Protector Pavilion.

At this moment, a sumptuous banquet was placed in the Dong family!

Dong Liqun sat on the main seat, quietly waiting for Chen Ping's arrival.

"Sir, Chen Ping killed Zang Qing, the leader of the Tiansha Sect, which shows that this guy is very strong. If we forcibly detain him, what if he resists?"

The housekeeper asked Dong Liqun in a low voice.

"Don't worry, I've already thought about it!"

Dong Liqun raised his lips, and then took out a pill. The pill was crystal clear and very beautiful.

"Master, what is this?"

the butler asked curiously.

“This is called the Qi Control Pill. As long as you eat this thing, no matter how powerful you are, you won’t be able to use it. Then Chen Ping will be at our mercy!”

Dong Liqun said calmly.

After hearing this, the housekeeper hurriedly said: “Sir, I heard that Chen Ping is very familiar with Yao Shen Valley. There are also rumors that Chen Ping is the master of Yao Shen Valley.”

“In this case, if we drug him, wouldn’t it be a trick in front of Guan Gong? He will definitely find out.”

Dong Liqun glanced at the housekeeper: “Let me tell you, this Qi Control Pill is colorless and odorless. It dissolves in water and cannot be seen at all. Even if Chen Ping is really the master of the Medicine God Valley, he can’t find it!”

“So that’s it!” The housekeeper nodded, but then asked again: “Then we control Chen Ping, what will the young master do? If he knows, he will definitely disagree.”

“I will find an excuse to let Jiahao leave. As long as we control Chen Ping, it won’t take long and the dragon crystal in his body will be mine.”

Dong Liqun’s eyes were filled with greed.

“What happens after we get the dragon crystal? If we let Chen Ping go, when he regains his strength, he will definitely come to us for revenge...”

the steward asked.

“Are you fucking stupid? Who said we should let him go? We got the dragon crystal and we just killed him. Do we still want to let him go?”

Dong Liqun was a little annoyed by the question and cursed angrily at the housekeeper.

Chapter: 1752

“But if we killed Chen Ping, if Mr. Shi knew about it, we would be in trouble...”

The housekeeper shrank his head and reminded Dong Liqun in a low voice.

Dong Liqun’s face turned red with anger, and he pointed at the butler’s head: “Why the hell did I find a butler like you? Even if we kill Chen Ping, we can’t say that we killed him. That boy from the Ning family happened to be the one who killed him.” If we have a grudge against Chen Ping, then we will pretend that it was someone from the Ning family who did it.”

“When the time comes, Mr. Shi will also blame the Ning family. It would be great if we can bring the Ning family down. Then we will have one less opponent in Kyoto!”

The housekeeper didn’t dare to speak anymore and closed his mouth.

Dong Liqun took the teapot, put the Qi Control Pill inside, and shook it gently a few times.

Finally, I opened it, smelled it, and nodded with satisfaction.

He is now waiting for Chen Ping to arrive, and then let Chen Ping drink the tea.

Dharma Protector Pavilion!

Dong Jiahao drove himself to pick up Chen Ping.

When he saw Chen Ping, Dong Jiahao gave Chen Ping a big hug.

“Brother Chen, you are so awesome that you even killed Zang Qing, the leader of the Tiansha Sect. From now on, the entire Kyoto martial arts world and the younger generation will regard you as the leader.”

Dong Jiahao’s eyes were full of envy.

“Brother Dong, thank you!”

Chen Ping smiled lightly: “I wonder if Brother Dong has any urgent matter with me?”

“Oh, there’s nothing urgent. It’s just that my dad wants to see you. Also, during this period, many sects and families in Kyoto are eyeing you. My dad wants you to hide in our house.”

Dong Jiahao said.

“Please thank the Master of the Dong family for me. As the saying goes, you can hide for a while, but you cannot hide for a lifetime. What should come will still come.”

Chen Ping didn’t want to hide in Dong’s house. He planned to go to Medicine God Valley to see Long Wu and the others, and let Long Wu take him to the Valley of Evil.

Now that the new year is approaching, if Chen Ping cannot save his mother and Su Yuqi by relying on his own strength, he will use the power of the Valley of Evil.

But he still doesn’t know what the strength of the Valley of the Evil is.

“My dad has prepared wine and food at home. If you don’t want to stay at our house, you can always go over and have a meal, right?”

“In this way, it can prove that you have a good relationship with our Dong family. If other sects and aristocratic families have an idea for you, they should also consider the strength of my Dong family.”

Dong Jiahao invited Chen Ping.

Chapter: 1753

When Chen Ping saw that Dong Jiahao had said this, he couldn't refuse. After all, it wouldn't take long to have a meal.

After getting in the car, Chen Ping followed Dong Jiahao towards the Dong family.

When they arrived at the place, Dong Liqun actually came out to greet him in person!

"Hahaha, I've heard Jiahao mention you a long time ago. When I meet you today, you are indeed well-deserved. Mr. Chen is now famous!"

Dong Liqun shook hands with Chen Ping very politely.

"The head of the Dong family deserves the award..."

Chen Ping smiled and said.

Soon, several people were seated, and the table was filled with delicacies from all over the world.

"Mr. Chen, when you get here, it's like you're at home. You're welcome."

"I feel relieved that our family has a friend like you."

"This guy spends all his time having fun and doesn't even bother practicing. The entire younger generation in Kyoto's martial arts world is better than him!"

Dong Liqun said, looking at Dong Jiahao helplessly.

"Dad, why do you talk about me all day? I think I work very hard."

“There are a few young people with talents like Brother Chen who have become famous at a young age!”

Dong Jiahao looked at his father dissatisfied.

“Look at it, I’m not happy about it even if I just say it to you!”

Dong Liqun glared fiercely.

“Master Dong, Brother Dong is actually very good, and he is outspoken and has no intention of harming others. With such a character, he will definitely be the same in the future...”

Chen Ping hurriedly helped Dong Jiahao by saying good things.

Just when Chen Ping said the words “harmful”, no one noticed that a trace of embarrassment flashed in Dong Liqun’s eyes.

“It is precisely because of his outspokenness that I am afraid that he will suffer losses in the future. I hope Mr. Chen can help him more in the future!”

Dong Liqun said with a smile on his face.

“Brother Dong and I are friends, so of course we help!”

Chen Ping nodded.

Chapter: 1754

“Butler, go bring me my treasured Pu’er tea...”

Dong Liqun glanced at the butler and winked at the butler.

“yes!”

The butler turned and left.

“Brother Chen, you’re in for a treat. This Pu’er tea is a special gift from my dad. I won’t even drink it. I’m going to take advantage of you today.”

Dong Jiahao said to Chen Ping.

Chen Ping smiled lightly: “Master Dong is so polite.”

Chen Ping had no doubts about Dong Liqun’s enthusiasm.

After all, Chen Ping noticed Dong Jiahao’s character, so he believed that Dong Liqun, as a father, would not be any worse.

Soon, tea was brought, and Dong Liqun poured a cup for Chen Ping himself.

“Mr. Chen, how do you like it?”

Dong Liqun made a gesture of invitation, and then tried his best to stay calm!

He couldn’t show his flaws at this time.

“Thank you, Master Dong.”

Chen Ping thanked him, then picked up the teacup and took a sip.

“Yes, but I don’t know much about tea!”

Chen Ping said a little embarrassed.

“Haha, actually I only know a little bit about it. Since it’s good, let’s drink more...”

Dong Liqun laughed.

Chen Ping held the tea cup and drank it all in one gulp!

At this moment, Dong Liqun breathed a long sigh of relief.

Dong Jiahao also drank with Chen Ping, but Dong Liqun did not stop him.

He has the antidote on him, so it’s okay for Dong Jiahao to drink it!

Soon, after three rounds of wine and five dishes, Chen Ping felt that it was almost time and wanted to get up and leave!

Chapter: 1755

“Mr. Chen, all the major sects and aristocratic families in Kyoto are staring at you now. If you don’t dislike it, then stay in our Dong family, just to be the companion of Jiahao!”

Seeing that Chen Ping was about to leave, Dong Liqun said to Chen Ping.

“Thank you, Master Dong, for your kindness. I still have a lot of things to deal with, so I won’t bother you any more!”

Chen Ping politely declined.

“Mr. Chen, please stay for a moment. I have something else I want to ask you!”

Dong Liqun kept Chen Ping, then looked at Dong Jiahao and said: "Jiahao, your mother just called and asked you to pick her up. Go quickly!"

When Dong Jiahao heard this, he could only pick up his mother, so he looked at Chen Ping apologetically: "Brother Chen, I'll excuse you."

"Brother Dong, you're welcome, go ahead!"

Chen Ping smiled slightly.

Dong Jiahao left, and Chen Ping looked at Dong Liqun and asked, "Master Dong, do you have anything else to ask?"

"Mr. Chen, I heard that you have a lot of treasures on your body, and you also have a fused dragon crystal that can produce the power of a dragon. Is it true?"

Dong Liqun asked.

Chen Ping was slightly startled, but still nodded: "Yes, it's true!"

Seeing Chen Ping personally admit it, Dong Liqun's eyes flashed instantly and his face was full of excitement.

Seeing Dong Liqun's expression, Chen Ping was slightly shocked.

"Mr. Chen, let me tell you the truth. Your current strength, even if you are not as strong as Dragon Crystal, is still among the best in the martial arts world of the younger generation."

"But the wealthy man from my family is not good enough. His strength is poor and he has not yet worked hard. Let alone being on the Xiaoyao Ranking, even the younger generation in Kyoto's martial arts circles are better than him."

Dong Liqun sighed, looking like he hated iron.

“Master Dong, what does this mean?”

Chen Ping frowned slightly at this moment.

“It doesn’t mean anything else. I see that you and Jiahao are also friends. Can you give the dragon crystal to Jiahao? I can exchange it with you for other treasures!”

Dong Liqun said.

When Chen Ping heard this, his face immediately turned cold: “I’m sorry, if it was something else, I would definitely help, but I can’t give this dragon crystal away...”

“I have something else to do, so I’ll take my leave...”

Chapter: 1756

Chen Ping stood up and walked out. He found that Dong Liqun was not what he imagined.

But as soon as Chen Ping reached the door, he was stopped by the housekeeper and others.

Chen Ping turned to look at Dong Liqun: “Master Dong, what do you mean?”

At this time, Dong Liqun showed his true colors and said with a cold smile: “Nothing else. Since you don’t want to give it to me, I have to take it myself.”

Chen Ping’s eyes narrowed, filled with coldness.

“For Brother Dong’s sake, I don’t want to go on a killing spree in the Dong family. Don’t force me...”

Chen Ping's face was as gloomy as water.

"Hahaha!" Dong Liqun laughed: "Go on a killing spree? Do you think you can still use your strength now? You have been hit by my Qi Control Pill, and now you are a useless person."

When Chen Ping heard this, he was shocked. Immediately afterwards, his anger sank into his dantian, and he began to use the Heart Condensation Technique, and his spiritual power continued to surround his body.

After this test, Chen Ping found that he had no influence at all.

As for the Qi Control Pill Dong Liqun mentioned, Chen Ping had no idea what it was.

"Could it be that the Qi Control Pill only works on warriors and has no effect on immortal cultivators?"

Chen Ping thought secretly in his heart.

However, Chen Ping did not show it, but frowned and pretended that he had lost all his power.

"How about it, have you thought clearly? If you hand over the dragon crystal obediently, it will save me the trouble."

Dong Liqun looked at Chen Ping with a sneer.

"Just dream..."

Chen Ping looked at Dong Liqun with a sullen face and a murderous look on his face.

"In that case, don't blame me for being rude."

After Dong Liqun finished speaking, he waved his hand.

A servant of the Dong family who blocked Chen Ping immediately shot at Chen Ping.

Even a servant of the Dong family is also a martial arts master!

But just when the servants of the Dong family were approaching Chen Ping, they saw Chen Ping slap him with a palm!

puff!

Chapter: 1757

There was a sound of a rotten watermelon being stepped on and exploded.

All I saw was that the head of the servant of the Dong family exploded instantly, and the whole person flew directly ten meters away.

Dong Liqun was shocked to see that Chen Ping still had such strength.

His eyes were full of disbelief. He had spent a lot of money to buy the Qi Control Pill, and it was absolutely 100% effective.

Why didn't it work on Chen Ping?

Is it because the time is too short?

Dong Liqun was a little confused.

But now that they had broken up with each other, no matter what, he couldn't let Chen Ping leave.

“Get him!”

Dong Liqun ordered to the housekeeper.

The butler nodded, and then light shone on his fists.

In a moment, two tiger heads covered the butler’s fist, and they let out a tiger roar!

This is a unique skill of a housekeeper. Being able to be the chief housekeeper of the Dong family means that he has extraordinary abilities.

“Chen Ping, do you still want to resist?”

The housekeeper asked Chen Ping.

Chen Ping’s eyes narrowed slightly: “Stop talking nonsense. If you have any skills, just use them. Don’t try to be a bitch and build a memorial arch.”

At this time, Chen Ping felt extremely disgusted with the Dong family.

All of them are hypocrites.

When the housekeeper saw this, he stopped talking. Instead, his whole body exploded with energy, and then he stepped towards Chen Ping.

The huge shadow of the fist was accompanied by roars of tigers, as if two tigers were rushing toward Chen Ping.

The sound of breaking through the sky resounded throughout the sky!

Chen Ping didn't move at all, and a dazzling golden light flashed on his fists!

The power of the divine dragon lingered on both fists, turning into two golden dragons circling.

Facing the butler's attack, Chen Ping also punched out with both fists!

Chapter: 1758

Dragon roars rang out, and Chen Ping's fist turned into a golden dragon and rushed forward.

boom!

The two dragons and two tigers collided together, and the huge energy exploded instantly. The whole house began to tremble, and the tables and chairs in the room instantly turned into powder.

Seeing this, Dong Liquan hurriedly put his palms up, and a breath visible to the naked eye supported the house, otherwise the house would collapse.

Looking at the housekeeper, he was directly knocked away, his body fell heavily to the ground, and he vomited blood.

"You...you haven't controlled the Qi Dan at all?"

The housekeeper looked at Chen Ping in disbelief.

Chen Ping raised his lips and did not answer. Instead, he jumped up and ran towards the outside of the hospital.

Although Chen Ping was not charged with the Qi Pill to control his power, facing masters like Dong Liquan and other members of the Dong family, Chen Ping was no match.

You must know that the Dong family can establish a foothold in Kyoto and has not joined the martial arts alliance, so it must have certain strength of its own.

Now Dong Liqun is at least a Wuhou.

With Chen Ping's current strength, it is still difficult to fight against a Wuhou. If he adds others, he will definitely lose!

So Chen Ping wanted to escape, but Dong Liqun seemed to have expected that Chen Ping would escape.

Just when Chen Ping jumped up, his hands instantly waved in the air!

A giant net weaved with strength blocked Chen Ping's path.

Chen Ping punched him!

boom!

Several rays of light flashed up, and the giant net instantly turned into spots of light. At this moment, Chen Ping's body was directly repelled and fell heavily to the ground!

When Chen Ping saw this, he knew that he wanted to escape and had lost his best chance.

At this time, perhaps offense is the best defense.

Thinking of this, Chen Ping shouted loudly, all the power of the dragon was mobilized, the indestructible golden body was activated, and the scales on his body began to grow rapidly.

Dazzling golden light surrounded Chen Ping.

“Holy Light Fist...”

One after another, fist shadows headed towards Dong Liqun, and the overwhelming momentum spread instantly, covering the entire Dong family.

Chapter: 1759

Seeing this scene, Dong Liqun’s face flashed with solemnity. He did not expect that Chen Ping’s burst of breath would be so terrifying.

He now had some doubts as to whether it was worth offending Chen Ping for Long Jing.

But now that the momentum was approaching, Dong Liqun waved lightly, and rays of light began to center on him and then spread out.

In an instant, a powerful aura formed around Dong Liqun, which seemed to gather the power of heaven and earth.

Dong Liqun’s strength cannot be underestimated.

Otherwise, how would it be possible to get along in Kyoto!

Various spells and magical powers are also available at your fingertips.

Chen Ping’s Holy Light Fist hit the powerful aura with one punch, and it was like a stone sinking into the sea. The terrifying power was instantly absorbed by the aura.

Dong Liqun waved his hand lightly, and a bright beam of light quickly came out of the aura!

The light turned into a huge fist and hit Chen Ping hard.

When Chen Ping saw this, his heart sank. He discovered that this power was actually the Holy Light Fist he had just punched.

It seems that this aura did not absorb Chen Ping's power, but stored it and then bounced back.

boom!

Chen Ping punched out again, and the two collisions of the same force made Chen Ping's body take a few steps back.

A trace of blood flowed from the corner of his mouth.

With the first punch, Chen Ping used almost all his strength, but he didn't expect that it would actually affect him in the end.

"Chen Ping, do you still want to resist?"

Dong Liqun looked at Chen Ping coldly, his eyes extremely indifferent.

"Even if I die, I will not sit still and wait for death."

Chen Ping wiped the blood from the corner of his mouth, and the aura on his body rose again. The terrifying aura caused the world to change color and the air to explode.

Rumble.....

There were loud noises, like thunder!

Stretching out his right hand, the Dragon-Slaying Sword instantly appeared in Chen Ping's hand. The spiritual fire burning on the Dragon-Slaying Sword caused the surrounding temperature to increase dramatically.

The golden light from Chen Ping's body covered the sky and the sun, and dark clouds began to cover the entire Dong family villa.

Chapter: 1760

This was a life and death battle, and Chen Ping did not dare to be careless in the slightest.

He was trying hard to summon the golden dragon in his body.

However, this golden dragon is not under Chen Ping's control, and Chen Ping cannot control when it appears.

Looking at the Dragon-Slaying Sword in Chen Ping's hand, Dong Liqun's eyes were full of heat.

"I didn't expect you to have so many treasures."

Dong Liqun said with a sneer.

Chen Ping looked at Dong Liqun with disdain. He hated this kind of hypocrite the most!

Hypocrites are worse than real villains, they are too hateful.

"Nine Shadows Sword Technique..."

Chen Ping shouted loudly, and then swung the dragon-slaying sword, and his body instantly split into two, then two into three...

Six identical Chen Pings stood together, surprising everyone!

Only Dong Liqun looked calm.

“It’s just a cover-up, but you’re showing off in front of me?”

Dong Liqun didn’t care at all about Chen Ping’s Nine Shadows Sword Technique.

Chen Ping didn’t speak. It felt like a waste of energy for him to say another word now.

“break.....”

Chen Ping jumped up.

In mid-air, only six identical Chen Pings were seen, staying there like gods.

Then, two bright sword energies were swung out!

Finally, they merged into one place and slashed directly at Dong Liqun.

This sword energy cut through the sky, as if tearing a gap in time and space.

Above the sword energy, there is still a blazing spiritual fire.

If the terrifying sword energy caused many people in the Dong family to flee, the spiritual fire above the sword energy alone would make everyone unbearable.

But such terrifying sword energy struck Dong Liqun’s aura fiercely.
