

## **The Order 1771**

Chapter: 1771

But Chen Ping didn't let go, because he didn't know if this was another play by Luo Xiang and Ning Zhi.

If he releases Luo Xiang and the two of them join forces, then he will definitely die.

Seeing that Chen Ping didn't trust him, Luo Xiang was a little anxious. He was really afraid that Chen Ping would kill him.

"Chen Ping, there is no grievance between you and me. It was me who lost my mind and was instigated by Ning Zhi, so I took action against you."

"I promise, after you let me go, I will never be your enemy again."

"And the two of us can work together to deal with Ning Zhi!"

"Otherwise, if you kill me, you won't be able to escape Ning Zhi's vicious hands!"

Luo Xiang said sincerely.

Chen Ping looked at Luo Xiang and finally slowly let go of his hand!

When Luo Xiang escaped from Chen Ping's control, Ning Zhi was a little dumbfounded. He didn't expect that Chen Ping would really dare to let Luo Xiang go.

Luo Xiang regained his freedom and immediately glared at Ning Zhi: "Ning Zhi, today, I will kill you, if you dare to play tricks on me..."

As he spoke, the aura on Luo Xiang's body continued to explode, and then he slapped Ning Zhi with a palm.

Luo Xiang's strength has long been at the peak of Wu Zong and will soon break through to the level of half-step Wu Hou, while Ning Zhi is just at the peak of Wu Zong who has just been promoted.

There was still a gap in strength between the two, so when Luo Xiang punched him, Ning Zhi did not dare to resist and hurriedly hid aside.

Luo Xiang didn't stop, turned sideways, and then punched again.

The strong wind howled, and the huge impact directly knocked Ning Zhi away.

Ning Zhi's body hit a tree so hard that it broke the tree.

The servants of the Ning family hurriedly subdued Ning Zhi.

"Paralyzed, are you all dead? Come on..."

Ning Zhi roared at the servants.

Soon, the servants of the Ning family attacked Luo Xiang.

The people brought by Luo Xiang also joined the battle instantly.

The two sides fought in a melee.

Although Ning Zhi brought many people, Luo Xiang was strong, and his fists were shining with light and he kept swinging them.

Chapter: 1772

For a while, it was hard to tell the winner.

Seeing the situation in front of him, Chen Ping turned around and ran away without any hesitation.

As for who will win in the end, Ning Zhi or Luo Xiang, it has nothing to do with him.

Chen Ping fled to Medicine God Valley in one breath!

Long Wu and Xu Changsheng were all surprised when they saw Chen Ping's embarrassed appearance.

"Chen Ping, what's wrong with you? Where are you injured?"

Gu Ling'er hadn't seen Chen Ping for nearly a month, and now she felt heartbroken to see Chen Ping like this.

"It's okay, I'm just too tired!"

Chen Ping smiled slightly.

Xu Changsheng hurriedly asked someone to bring some Qi Condensing Pills and healing medicine to help Chen Ping treat his injuries.

"Chen Ping, the killing of Guo Wei, and what happened to the leader of the Sha Sect, Zang Qing, are all true, right?"

Long Wu asked Chen Ping.

After all, these things all happened after Chen Ping left Yaoshen Valley. Although the reports on the forum were impressive, none of these things were earth-shattering.

That's why Long Wu had to confirm with Chen Ping.

"It's true!" Chen Ping nodded.

Seeing Chen Ping admit it in person, Long Wu's face showed worry.

After giving Chen Ping good medicine, Long Wu asked everyone to leave, leaving only him and Chen Ping in the room.

Chen Ping looked at the worry on Long Wu's face and said with relief: "Uncle Long, you don't have to worry about me. With my current strength, no one can do anything to me except the heads of those sects and aristocratic families!"

After hearing this, Long Wu shook his head: "Chen Ping, you still underestimate the strength of various sects and families, especially the martial arts alliance."

"Now that you have killed Guo Wei and become a mortal enemy with the Martial Arts Alliance, Zhu Zhishan will not let you go."

"And the Long family, I know Long Jingguo very well. Although the Long family has not caused you trouble during this period, it does not mean that Long Jingguo will let you go."

"You have been so popular recently. Xin Pengfei has already spoken on the martial arts forum and wants to compete with you on New Year's Day!"

"In the days to come, it will be difficult for you to practice peacefully!"

After Long Wu stopped talking, Chen Ping looked confused.

Chapter: 1773

“Uncle Long, who is Xin Pengfei?”

He didn't even know who this person was, so why did he suddenly want to compare with himself?

“This person is ranked first on the Xiaoyao Ranking. Because you killed Zang Qing from the Tiansha Sect, many people on the forum think that your strength can rank first on the Xiaoyao Ranking, so Xin Pengfei wants to compete with you. .”

Long Wu explained.

“What is this Xiaoyao List?” Chen Ping found that he didn't know much about many things in the martial arts world.

“It's just a ranking list, which contains the younger generation of warriors, voted by their strength.”

“However, the official is afraid that such rankings will cause unnecessary fights, so they have blocked them.”

“But now many young people are still paying attention to this list.”

Long Wu said.

When Chen Ping heard this, he immediately smiled and said: “I'm not interested in this thing. I won't compete. He wants to challenge me, so I won't challenge him.”

Chen Ping doesn't care about fame and fortune. Even if he ranks first, so what?

He now wants to rescue his mother and Su Yuqi, and then reunite the family and live peacefully.

“Just because you don't care doesn't mean that others don't care. If you don't fight when the time comes, Xin Pengfei will have plenty of ways to force you to take action.”

“You have now been pushed to the forefront, and it is difficult to land again.”

Long Wu expressed his worries.

Chen Ping himself also knew that during this period, he was really too pushy.

So much so that even wanting to practice quietly has become a luxury!

Now she can only use the strength of the Valley of the Evil to give herself shelter for a period of time.

Chen Ping told Long Wu his plan.

When Long Wu heard that Chen Ping wanted to rescue his mother from the Long family and Su Yuqi from the martial arts alliance when he was young, he immediately shook his head.

“Don’t oversimplify things. Neither the Long Family nor the Martial Arts Alliance is what you see now.”

“No one knows how deep their background is.”

“Why do you think Mr. Shi is so indulgent and sheltering you now?”

“He needs your help to mess up the entire Kyoto martial arts world.”

Chapter: 1774

“Only when the water becomes muddy, some things hidden behind will slowly emerge from the water.”

“Even the officials are like this. Do you think you can fight against the Long Family and the Martial Arts Alliance on your own?”

Long Wu attacked Chen Ping. He didn't want Chen Ping to be too aggressive. Haste makes waste. If Chen Ping was too aggressive, many things would be unpredictable.

Chen Ping fell into deep thought after listening to Long Wu's words.

Maybe he was really too anxious, but seeing his mother and girlfriend suffering, Chen Ping couldn't help but be anxious!

Seeing that Chen Ping didn't speak, Long Wu patted Chen Ping on the shoulder: "What you have to do now is to improve your strength. When you are strong enough, all problems will not be a problem."

"Don't think about anything else, otherwise it will affect the progress of your cultivation!"

Chen Ping nodded heavily, and then said: "Uncle Long, can you take me to the Valley of the Wicked?"

"Many people are staring at me now. I can't even find a quiet place to practice. Although Medicine God Valley is hidden, there are many people who know about this place."

"If someone finds this place, Elder Xu and his team won't be able to resist it with their strength."

"I want to rely on the strength of the Valley of Evil to help me gain some time to practice!"

"This..." Upon hearing this, Long Wu fell into deep thought.

It's not that he doesn't want to help Chen Ping, it's just that his relationship with the villain has ended. When he asked the four villains to come forward to save Chen Ping, he had already used up his face.

Now that Chen Ping made such a request, Long Wu didn't know what to say.

The Valley of the Wicked is not a place that just anyone can enter.

Moreover, the four villains have weird personalities, so it is probably difficult for them to agree.

But now that Chen Ping had brought it up, Long Wu decided to contact the Valley of Evil to try.

“Okay, I’ll contact Evilman Valley and see if it’s okay...”

Long Wu nodded and then walked out.

Chen Ping looked at Long Wu who was walking out, but did not tell him that the Valley of Evil was at the entrance of Tianlong Hall.

As soon as Long Wu left, Gu Ling’er hurriedly came in.

He hadn’t seen Chen Ping for a while, and Gu Ling’er was very worried.

“Chen Ping, if you come back this time, are you still leaving?”

Gu Linger asked Chen Ping.

Chapter: 1775

Every time, Chen Ping would leave after only a few days.

Chen Ping nodded: “Let’s go, maybe tomorrow!”

When Gu Ling’er heard that Chen Ping was leaving so soon, she suddenly looked a little lonely.

“Where are you going? Many people are watching you outside now. It will be very dangerous for you to run around.”

Gu Ling'er also knew some things on the forum and Chen Ping's current situation.

“If I stay in Yao Shen Valley, it won't take long for Yao Shen Valley to be filled with smoke.”

“I'm going to practice in a hidden place. When I'm strong enough, I'm going to the Martial Arts Alliance to rescue Yu Qi.”

“She must have suffered a lot now...”

Thinking of Su Yuqi, Chen Ping's eyes were full of self-blame.

If Su Yuqi had not followed her, she might not have been arrested by the martial arts alliance.

“Then can I come with you? Otherwise I will always worry!”

Gu Ling'er wanted to follow Chen Ping.

“No, it will be very dangerous if you follow me. I don't have the energy to protect you.”

“You should also seize the time to practice. When your strength improves and becomes strong enough, I might still need you to protect me.”

Chen Ping said with a slight smile.

“Well, Elder Xu will now refine a lot of elixirs for me to practice. I will work hard.”

Gu Ling'er nodded heavily.

At this time, Chen Ping opened the storage ring and took out the Nine Thousand Miles of Mountains and Rivers Map.

“This is for you. It can help you practice. You should know how to use it!”

Chen Ping handed over the Nine Thousand Miles of Mountains and Rivers Map to Gu Ling’er.

“You can keep this, don’t you also want to practice?”

Gu Ling’er knew that Chen Ping needed this thing more than himself.

“Take it, I have other magic weapons for my practice now!” Chen Ping said with a smile.

With the Demon Suppressing Tower around, Chen Ping doesn’t need the Nine Thousand Miles of Mountains and Rivers Map for the time being, so it’s just right for Gu Ling’er to practice.

Chapter: 1776

Gu Ling’er did not refuse and took over the Nine Thousand Miles of Mountains and Rivers Map.

At this moment, Long Wu walked in with a happy face.

“Chen Ping, agreed, Ding Buda agreed, promised to let you go to the Valley of the Evil...”

Long Wu didn’t expect that Ding Buda would agree so happily.

Chen Ping smiled slightly: “Thank you, Uncle Long.”

“Why are you being polite to me? But I didn’t expect Ding Bu Da to agree so happily!”

Long Wu said excitedly.

After chatting for a few words, Long Wu took Gu Ling'er and left, letting Chen Ping take a good rest and set off to the Valley of the Evil People tomorrow.

At this time, in a forest.

There were burnt trees everywhere and smoke was filling the air!

There were several corpses lying on the ground, and Luo Xiang was covered in blood, leaning on a tree, breathing heavily.

Ning Zhi's side was not much better either. Several people died and the rest were injured.

Ning Zhi's chest was even more bloody!

Ning Zhi didn't expect that this guy Luo Xiang would be so vindictive that he would just fight him to the death!

"Ning Zhi, if you have the ability, kill me today. If you let me go back alive, I will definitely destroy your Ning family!"

Although Luo Xiang was seriously injured, his eyes were wide open and his body was filled with pride.

"Hmph, you are still talking tough even when you are about to die!"

Ning Zhi snorted coldly: "Since you want to die, I will help you."

With that said, Ning Zhi took the sword and walked towards Luo Xiang.

Luo Xiang no longer had the strength to dodge, his eyes were fixed on Ning Zhi: "If you kill me, the Luo family will definitely avenge me."

"Yes, of course I know that the Luo family will avenge you, but they will not seek revenge from me, but from Chen Ping."

"When I kill you, I will blame Chen Ping directly."

"When the time comes, if you, the Luo family, are looking for you, you will also be looking for Chen Ping!"

Ning Zhi had a sinister smile on his face, it seemed that he had already thought about it.

Chapter: 1777

Luo Xiang was stunned. He didn't expect that this guy Ning Zhi had evil thoughts.

If the Luo family really seeks revenge for themselves and goes to Chen Ping, no matter who wins or loses, Ning Zhi will be reaping the benefits.

"You despicable villain, I won't let you go even if I'm a ghost..."

Luo Xiang gritted his teeth and said.

But just as he finished speaking, the sword in Ning Zhi's hand had already pierced his heart.

In the end, Luo Xiang had no life left, his eyes were still wide open, and he refused to close his eyes...

"Collect the bodies of these people from the Luo family..."

After killing Luo Xiang, Ning Zhi said to the only three remaining servants of the Ning family.

These people were also seriously injured, but they still obeyed Ning Zhi's words.

But just when these three people stepped forward to restrain those Luo family members.

Ning Zhi suddenly waved the long sword in his hand!

The sword edge slashed across the throats of the three servants.

The three people didn't even have a chance to say anything before they fell straight down.

Looking at the three dead people, Ning Zhi wiped the blood on his sword.

"Don't blame me, I don't want anyone to know about this, so only the dead can keep secrets..."

After Ning Zhi finished speaking, he dragged his injured body back to Ning's house!

The reason why he killed all his servants was to put an end to the frame-up of Chen Ping.

No one will know except him.

Ning Zhi, who returned home, sent people to collect the bodies of Luo Xiang and the servants of the Luo family without stopping. He personally drove the corpses to the Luo family.

.....

The next day, after Chen Ping reluctantly said goodbye to Gu Ling'er, he followed Long Wu to the Valley of the Wicked.

Xu Changsheng sent someone to follow Long Wu, because Long Wu was now an ordinary person without any skills.

When they arrived at the Valley of the Evil, Long Wu had to rush back. Xu Changsheng was afraid that Long Wu would be in danger.

The Valley of the Wicked is located between two mountains.

Chapter: 1778

From a distance, this place looks like a sliver of sky, very small.

But when you walk in, you will find that there is a lot of space and there are many natural stone caves.

The environment in the Valley of the Wicked is much worse than that in the Valley of the Medicine God, and most people live in caves.

Chen Ping and the others walked for three days before they arrived at the Valley of the Wicked!

Ning Zhi, on the other side, had already rushed to Luo's house with Luo Xiang's body!

You must know that the Luo family is also one of the largest families in Mobei.

As the head of the family, Luo Jinyou has reached the level of Wuhou.

However, Luo Jinyou is a martial arts fanatic. Even though his strength is invincible in Mobei, Luo Jinyou still continues to practice.

He has been in seclusion all year round, so it is not easy for Luo Xiang to see his father.

All the affairs of the Luo family were left to Luo Jinyou's younger brother, Luo Jinzuo.

"Second Master, there is someone outside the door asking to see you!"

At this time, the Luo family's housekeeper walked into the hall and said to Luo Jinzuo.

"Who is it?" Luo Jinzuo looked at the housekeeper impatiently and asked.

"He said it was Ning Zhi from the Ning family in Kyoto who sent the young master back."

The steward said hurriedly.

Upon hearing this, Luo Jinzuo stood up quickly, and then said angrily: "This Luo Xiang, running around all day long, can't even see anyone every day."

"This time I have been out for so many days. My eldest brother has been out of quarantine for two days and I haven't been able to see him!"

"I must teach him a lesson this time."

Luo Jinzuo followed the housekeeper and hurried out.

When Luo Jinzuo just walked out, he saw many people gathered in front of the car.

"Get out of the way, get out of the way, the second master is here..."

The housekeeper shouted loudly, and everyone hurriedly moved out of the way.

At this time, Ning Zhi got out of the car and met Luo Jinzuo.

“Second Master, this is Ning Zhi from the Ning family in Kyoto...”

Chapter: 1779

The housekeeper said to Luo Jinzuo.

Luo Jinzuo stretched out his hand, shook it with Ning Zhi, and then asked: “Master Ning, where is Luo Xiang? Let him get down.”

After hearing this, Ning Zhi’s eyes suddenly turned red and tears flowed down.

“Uncle Luo, it’s my fault. I failed to protect Mr. Luo...”

Ning Zhi’s sudden words immediately stunned Luo Jinzuo on the spot.

Immediately afterwards, Luo Jinzuo suddenly opened the car door and saw Luo Xiang, who was already lifeless, lying in the back seat.

“Nephew...”

Seeing the dead Luo Xiang, Luo Jinzuo roared, and suddenly his vision went dark and he fainted.

“Second Master...”

The housekeeper hurriedly carried Luo Jinzuo into the room.

The bodies of Luo Xiang and those of the Luo family servants were also carried in together.

After a while, Luo Jinzuo woke up. When he saw Luo Xiang’s body lying in the hall, he began to cry bitterly.

“Nephew, nephew...”

Luo Jinzuo cried loudly while holding Luo Xiang’s body.

Luo Xiang is dead. This is the only child of their Luo family. From now on, the Luo family will have no descendants.

Moreover, Luo Jinzuo knew that after his brother came out of prison and saw his son being killed, he would definitely go crazy, and he would also be in trouble.

After crying for a while, Luo Jinzuo stood up slowly, exuding a majestic murderous aura.

His eyes widened and he looked at Ning Zhi with a cold light.

“Who killed my nephew?”

Luo Jinzuo asked through gritted teeth.

Seeing Luo Jinzuo’s appearance, Ning Zhi’s heart trembled, but he quickly calmed down and said, “Master Luo, was he killed by that Chen Ping?”

“Chen Ping?”

Luo Jinzuo had never heard of Chen Ping’s name and didn’t know who Chen Ping was.

At this time, the housekeeper whispered a few words in Luo Jinzuo’s ear, probably telling him Chen Ping’s information.

Chapter: 1780

After listening, Luo Jinzuo frowned: "My nephew followed that Chen Ping without any enmity. Why did he want to kill my nephew?"

Luo Jinzuo didn't believe why Chen Ping wanted to kill Luo Xiang.

Ning Zhi hurriedly told everything.

From what he told Luo Xiang about the Demon Suppressing Tower, to Luo Xiang's visit to Chen Ping, and to the matter of going to the Ning family to borrow people, he told Luo Jinzuo everything.

And everything was told truthfully, except for one thing, which was that Luo Xiang was killed by himself.

Ning Zhi knew that the Luo family would definitely investigate and would not listen to his side of the story.

Before everything came, Ning Zhi had already thought about it and told everything truthfully.

No matter how the Luo family investigated, what Ning Zhi said was true.

After hearing Chen Ping's words, Luo Jinzuo turned to look at the housekeeper.

The housekeeper nodded and said: "Second Master, when the young master left home, he did mention this matter and Chen Ping's name."

"They went to Kyoto, and I contacted them before. The young master said they would stay in Kyoto for a few days, but I didn't dare to ask any more questions!"

After hearing what the housekeeper said, Luo Jinzuo's face became extremely gloomy.

"Go check it out for me. No matter where Chen Ping escapes to the ends of the earth, I will let him die without a burial place..."

Luo Jinzuo roared angrily, frightening everyone in the Luo family to the point where they didn't dare to express their anger.

"Uncle Luo, before I came here, I had already sent people to investigate Chen Ping's whereabouts. Now I think we have some news. I'll ask right away!"

Before Ning Zhi came to Mobei, he had already sent people to inquire about Chen Ping's whereabouts.

He knew that the Luo family would definitely seek revenge on Chen Ping, and when the time came, he would just report Chen Ping's hiding place.

Ning Zhi took out his mobile phone and dialed a number.

After a while, Ning Zhi came back with an ugly expression.

"Master Ning, have you asked? Where is Chen Ping?"

Luo Jinzo asked.

Ning Zhi nodded: "Uncle Luo, Chen Ping knew that he had caused a big disaster, so he hid in the Valley of the Wicked."

"The Valley of the Wicked?"

When Luo Jinzuo heard this, he was stunned. He could never imagine that Chen Ping's following the Valley of Evil had something to do with it.
