

The Order 1781

Chapter: 1781

“Chen Ping, does he have something to do with the Valley of Evil?”

Luo Jinzo asked.

“I don’t know very well, but I think it is impossible for the Valley of Evil to become enemies with the Luo family because of Chen Ping.”

Ning Zhi was very afraid that Luo Jinzuo would not dare to seek revenge against Chen Ping once he heard about the Valley of Evil.

After all, the Valley of the Wicked has a good reputation, and all the four villains do not follow common sense.

So no one wants to mess with the Valley of the Wicked.

“Hmph, even if the Valley of Evil protects Chen Ping, my nephew’s death will not be in vain. At worst, Valley of Evil will be destroyed together...”

Luo Jinzuo flashed a cold light and clenched his fists tightly.

“Second Master, the strength of this Valley of Evil is extraordinary. Should we wait to discuss it after the master comes out of seclusion?”

The housekeeper persuaded Luo Jinzuo.

“It’s nothing to discuss. When my brother comes out of seclusion, he will definitely lead people to kill in the Valley of the Wicked!”

Luo Jinzuo said with a cold face: "You call people immediately and follow me to the Valley of the Evil Ones. Send someone else to guard at home. I will tell my brother as soon as he comes out of seclusion."

The housekeeper still wanted to persuade, but seeing Luo Jinzuo like that, he didn't speak.

Soon, Luo Jinzuo led a large group of people and set off towards the Valley of the Wicked.

Ning Zhi watched Luo Jinzuo leading people to find Chen Ping, with a sneer on his lips.

"Chen Ping, you want to fight me? You're too young!"

After Ning Zhi finished speaking, he then asked a servant of the Ning family next to him: "Have I summoned all the middle-level and above members of the family?"

"Master, most of them have been summoned, but there are still some who refuse to obey your orders without the master's orders!"

After Ning Zhi heard this, he cursed angrily: "My father has gone into seclusion in Male Gobi. As the eldest son of the Ning family, I can't control them anymore."

However, there are still only a few middle-level or even high-level people in the Ning family who Ning Zhi can order. Most of them only obey the orders of the head of the Ning family.

"Let's take what comes. But if the Luo family and the Evil Valley really fight, both sides will definitely suffer. Then it will be time for me, the Ning family, to benefit."

Ning Zhi's eyes glowed with greed.

The reason why he summoned these people was to wait for an opportunity to kill Chen Ping.

If the Luo family destroyed Chen Ping, those treasures would not fall into the hands of the Luo family. Ning Zhi had already made a plan.

Chapter: 1782

Poor Luo Jinzuo didn't know that he had already fallen into Ning Zhi's trap.

.....

Valley of the Wicked!

Long Wu and Chen Ping had arrived at the entrance of the Valley of the Wicked.

"Who are you? This is a Valley of Evil. If you don't want to die, please leave quickly..."

Two guards suddenly jumped out of hiding and shouted at Chen Ping and the others.

"We are here to see Ding Buda, please let us know!"

Long Wu said loudly.

"Is our boss someone you can meet casually?"

One of the guards snorted coldly: "Leave immediately, otherwise don't blame us for being rude."

The two guards took an offensive stance.

People in the Valley of Evil have always been unwilling to follow the people in the martial arts world, and they have no interactions with any sects or aristocratic families.

When the two guards saw Long Wu and the others, they must be members of a certain sect family, so they didn't want them to enter the valley.

"You two, we are just here to discuss something with your boss, so please let me know!"

Chen Ping took a step forward and said politely.

"Go away, I told you not to see you!"

One of the guards cursed angrily, and then struck Chen Ping with a palm.

Chen Ping frowned. He didn't expect these people in the Valley of Evil to have such weird temperaments.

Chen Ping saw the guard strike with his palm, and then dodged.

Seeing this, another guard also hurriedly attacked Chen Ping.

Chen Ping kept dodging, and the two guards could not touch Chen Ping at all.

While they were fighting, Ding Busan came over.

"Who the hell dares to cause trouble in front of our Valley of the Evils?"

Ding Busan roared angrily.

Chapter: 1783

But when he saw Chen Ping and Long Wu, his eyes were stunned!

Then one jumped up and kicked the two guards away.

“Damn it, you two little bastards, how dare you be rude to the guests of the Valley of the Wicked, I tell you, when Long Wu was in the Valley of the Wicked, you little bastards didn’t exist yet!”

Ding Busan cursed at the two guards.

When the two guards heard this, they were so frightened that they quickly retreated.

“Brother Ding San...”

When Long Wu saw Ding Busan, he hurriedly greeted him.

When Ding Busan saw Long Wu, he happily patted Long Wu on the shoulder.

But with just one shot, Long Wu almost fell to the ground.

Ding Busan was stunned: “Long Wu, what’s wrong with you? Why have you lost all your power?”

Long Wu smiled faintly: “Brother Ding, I am an ordinary person now. I just came here to bring Chen Ping over and let you guys take care of me.”

“Long Wu, eldest brother told me, that’s why I came here to see the friendship between our brothers, this is nothing!”

Ding Busan said, taking Long Wu and the others into the Valley of the Wicked.

When Ding Buda saw Long Wu and Chen Ping coming, he immediately ordered people to hold a feast.

“Long Wu, we brothers haven’t gotten together in twenty years...”

Ding Buda said to Long Wu.

“Brother, the more you live, the more chic you are. Now I am an ordinary person.”

Long Wu smiled a little lonely, and then continued: “This time, I hope that big brother can take good care of Chen Ping. This friendship, Long Wu, I will never forget.”

“Long Wu, what are you talking about? Chen Ping will stay here. If anyone dares to come here to cause trouble, then he or she should ask me, Ding Buda, if he can do it.”

Ding Buda patted his chest in assurance.

Long Wu’s eyes suddenly became moist. He didn’t expect that after so many years, the Valley of Evil would still treat him as a brother and help him so much and give him face.

But Long Wu didn’t know that Ding Buda made such a promise because the evil man Gu was originally a member of the Tianlong Palace and a subordinate of Chen Ping.

After eating in the Valley of the Wicked, Long Wu went back without staying long.

Long Wu walked back, and Ding Buda asked everyone to leave, and then he took Ding Buer, Ding Busan, and Ding Busan, and the four of them knelt in front of Chen Ping.

Chapter: 1784

“The Valley of the Evildoers, the four evildoers, respectfully welcome the Lord of the Palace...”

The four villains all knelt down to Chen Ping.

If other people saw such a scene, they would probably be shocked to death.

Chen Ping waved his hand and asked all four villains to stand up.

“Ding Bu Da, what is our current strength in the Valley of Evil? Compared with the Kyoto Martial Arts Alliance, can we have the strength to fight?”

Chen Ping asked Ding Buda.

Chen Ping wanted to see the strength of the Evil Valley. If he could use the strength of the Evil Valley to rescue Su Yuqi, that would be fine.

After hearing this, Ding Buda’s expression changed slightly: “Palace Master, although we in the Valley of Evil are quite powerful, we are still far behind the Kyoto Martial Arts Alliance.”

“After all, in addition to the martial arts alliance’s own strength, there are also many sects and aristocratic families. If these sects and aristocratic families unite together, we in the Valley of Evil will have no power to fight back.”

Ding Buda said it very objectively. If we only compare with the Martial Arts Alliance, the Valley of Evil will not be much different. At worst, both sides will lose.

But when it comes to life and death, the martial arts alliance will unite with those sects and aristocratic families, and then there will be no chance of victory in the Valley of Evil.

Chen Ping fell into silence after hearing this. He also knew that if he followed the martial arts alliance to fight, he would be fighting against more than half of the sects and families in the entire Kyoto martial arts world.

Even if Chen Ping puts together all the entrances to the Tianlong Hall he has found, he will still not be a match for the martial arts alliance.

Chen Ping let out a long sigh. He can still think of ways to improve his strength as soon as possible, and then find a few more Tianlong Halls where he can speak more.

However, Chen Ping had no idea where the entrance to the other Tianlong Halls was. All he could do now was practice.

“Ding Bu Da, please find me a secluded and spacious place. I need to practice for a while. Don’t let anyone disturb me during this time...”

Chen Ping said to Ding Buda.

“Palace Master, we have a place in the Valley of Evil, but...just...”

Ding Buda hesitated to speak.

“Just say whatever you have!” Chen Ping said.

“It’s just that we in the Valley of Evil hardly interact with those sects and aristocratic families. After so many years, the resources in the valley have been almost exhausted. I’m afraid we won’t be able to spare many resources for the palace master to practice!”

Ding Buda said with a look of shame.

After Chen Ping heard this, he immediately laughed.

Chapter: 1785

It turns out that Ding Buda has no cultivation resources. Whether it is herbs, elixirs or crystal stones, there are no such things in the Valley of Evil.

“Don’t worry, I don’t need any resources to practice. I brought them myself. Just take me to a secluded and spacious place!”

Chen Ping smiled slightly.

“That’s easy to say!” Ding Buda immediately led Chen Ping towards the depths of the valley.

Soon, Ding Buda found a quiet and spacious place.

“Palace Master, can you take a look at this place?”

Ding Buda said.

Chen Ping looked at it and then nodded: “Okay!”

After finishing speaking, Chen Ping took out the Demon Suppression Tower from the storage ring.

Then the Demon Suppressing Tower was thrown in the air, and then the Demon Suppressing Tower instantly grew in size and stood directly in that spacious place.

Seeing the sudden appearance of the pagoda, the four villains were immediately shocked.

“This is called the Demon Suppression Tower. The tower is full of spiritual energy, so I don’t need other resources to build it!”

“In addition, you send someone to the Medicine God Valley, and ask the Medicine God Valley to prepare resources for the Evil Man Valley on a regular basis!”

Chen Ping said to Ding Buda.

“Medicine God Valley?” Ding Buda was startled: “The elixirs in Medicine God Valley are very expensive. We in Evil Man Valley are afraid...”

“Don’t worry, I won’t ask for a penny. I am now the owner of the Medicine God Valley!”

Chen Ping smiled lightly.

This time, the four villains were even more shocked and looked at Chen Ping in disbelief.

Looking at the shocked four people, Chen Ping continued: "I'm going to practice now. There's nothing particularly important. Don't disturb me. Also, don't let anyone come here casually. I will set up a formation here. !"

Chen Ping told Ding Bu Da that when Chen Ping practices, he will set up killing formations all around.

If someone from the Valley of the Wicked accidentally breaks in, they will die.

"Don't worry, Lord, no one dares to come here without our orders."

Ding Buda said.

Chen Ping walked into the Demon Suppressing Tower, and then the door of the Demon Suppressing Tower slowly closed.

Chapter: 1786

The four villains turned and left.

"Brother, have you noticed that the aura of the Palace Master is very similar to that of the benefactor who saved us from the Valley of the Wicked?"

"Yes, I feel the same way, but it seems that the palace master is only over 20 years old. It is impossible that he can save us in the Valley of the Evil just after he was born, right?"

"Could this be the child of the benefactor?"

Several people were discussing.

“Okay, stop guessing. We need to strengthen the defense of the Valley of Evil in the future. I guess someone will come looking for us soon.”

Ding Buda said to the other three people.

.....

Early the next morning!

The four evil villains are rearranging the defenses of the Valley of the Evil Ones, and have also sent people to the Valley of the Medicine God.

Over the years, the resources in the Valley of the Wicked have been scarce, and many people have been slowly improving in strength.

Although in the eyes of the outside world, the Valley of Evil is still strong.

But only they know that if they continue like this, the Valley of the Wicked will sooner or later become someone else’s meal.

“Boss, there is a person outside the door who claims to be from the Mobei Luo family. He wants to see the boss...”

A guard ran in and said to Ding Buda.

“Mobei Luo family?”

Ding Buda frowned slightly.

“Brother, we have never had any dealings with the Luo family in Mobei?”

Ding Buer said.

“Could it be that you are here to find Mr. Chen?” Ding Busan also asked doubtfully.

“If they really dare to cause trouble for Mr. Chen, they can’t even think of leaving the Valley of the Wicked!”

Ding Busi clenched his fists.

“Don’t be impulsive first. Let’s see what’s going on. Logically speaking, Mr. Chen cannot have anything to do with the Mobei Luo family!”

Ding Buda said.

Chapter: 1787

After all, Mobei is still far away from Kyoto. How could Chen Ping have any holiday with Mobei’s family.

“Invite people in!”

Ding Buda said to the guard.

Soon, Luo Jinzuo led people to the hall.

After seeing Ding Buda, Luo Jinzuo cupped his fists slightly and said, “Luo Jinzuo from the Luo family in Mobei has met the master of the Valley of Evil!”

Ding Buda nodded slightly, motioned for Luo Jinzuo to sit down, and then asked: “Second Master Luo, you are so far away, so you don’t know what you are doing in the Valley of Evil?”

“I remember our two families have no contact, right?”

After Luo Jinzuo was silent for a while, he suddenly said: “Valley Master, I came here this time to ask for someone from you.”

“You want someone?” Ding Buyi frowned: “Who do you want?”

“I want the one named Chen Ping.” Luo Jinzuo mentioned Chen Ping, his eyes flashing with anger: “He killed my nephew and fled to the Valley of the Wicked. I hope the owner of the valley can leave Chen Ping to me.”

After Ding Buda heard this, his brows furrowed even deeper. He didn’t expect that Chen Ping really had a feud with the Mobei Luo family, and was a mortal enemy.

“I have never heard of the person you are talking about, and we don’t have such a person in the Valley of Evil either!”

Ding Buda said calmly.

Seeing this, Luo Jinzuo’s face turned cold: “Valley Master, someone has seen Chen Ping fleeing to your Evil Valley. How could you not have seen it? The Valley Master will not make an enemy of my Luo family because of Chen Ping.” Bar? ”

“I have to take away Chen Ping today. If the Valley Master doesn’t hand over the person, he will bear the consequences himself...”

After hearing Luo Jinzuo’s words, Ding Buda’s face became angry.

Ding Busan on the side couldn’t stand it anymore and immediately yelled: “Who the hell do you Mobei Luo family think? Do you dare to threaten us, the evil people on the valley floor?”

“Mr. Chen is in our Valley of Evil, what the hell can you do?”

“Fuck the consequences. Tell me what consequences there are. I think you don’t want to leave...”

Luo Jinzuo’s face suddenly became extremely ugly after being scolded by Ding Busan.

“Now that you admit it, do you mean you don’t intend to hand the person over to me?”

Luo Jinzuo said coldly.

“I said, leave it to your mother, what do you want?”

Chapter: 1788

Ding Busan shouted.

“Ding Busan, don’t bully others too much...”

Luo Jinzuo was furious and immediately slapped the table and stood up.

The hard huanghuali table was instantly smashed to pieces.

The members of the Evil Valley who heard the commotion rushed in instantly and surrounded Luo Jinzuo and the Luo family.

Luo Jinzuo looked at the people from the Valley of Evil who rushed in, and said with a sullen face: “You guys think about it, if you dare to attack me, you will fight to the death. Our Mobei Luo family, and even the entire Mobei martial arts world, I will never give up.”

Ding Buda sneered: “You are just a dog of the Luo family. The one who is really in charge is your eldest brother. Don’t think I don’t know.”

“You are not qualified to say this now!”

Luo Jinzuo was hit hard by Ding Buda’s words. In the Luo family, the real head of the family was his eldest brother, and he was just an agent.

Luo Jinzuo’s eyes narrowed slightly, his face became extremely ugly, and he stared at Ding Buda.

He didn’t expect that the Valley of Evil would not hesitate to offend the Luo family or even start a war because of Chen Ping!

“Don’t think that I’m afraid of you in your valley of villains. Will you make friends with me today or not?”

Luo Jinzuo burst out with murderous intent, and a terrifying aura instantly filled the air.

“I said, leave it to your mother!”

Ding Busan jumped up and said: “If I beat you in my valley, I will bully you. If you have the ability, go and compete outside!”

“Okay!” After Luo Jinzuo said that, he jumped out and headed outside.

The four evil men took the people from the Valley of the Evil Men and followed them out.

After walking out of the Valley of the Wicked and arriving at an open space, everyone stopped.

“Numbly, come on...”

After Ding Busan stopped, he waved to Luo Jinzuo.

Ding BuDa stretched out his hand and stopped Ding BuSan: “Lao San, you stand down and I’ll come. I don’t know the details of this guy yet!”

Among the four villains, Ding BuDa is the most powerful, so without knowing the details of Luo Jinzuo, Ding BuDa plans to take action himself.

“Brother, I’m not afraid of him...”

Ding Busan was eager to give it a try.

Chapter: 1789

“Third brother, listen to big brother.” Ding Buer grabbed Ding Busan!

Luo Jinzuo looked at the situation in front of him and shouted coldly: “Whichever of you takes action is the same.”

After saying that, Luo Jinzuo’s palm began to flash with purple light, and then he moved his palm towards Ding Buda.

Ding Buda watched Luo Jinzuo’s attack without panic. When Luo Jinzuo arrived in front of him, he suddenly raised his hand to greet him.

Snapped.....

There was a crisp sound, and Luo Jinzuo was instantly slapped on the face.

Luo Jinzuo was seen flying backwards, and finally fell to the ground.

Half of the face immediately became red and swollen.

The corners of his mouth were full of bruises.

“With this little ability, you dare to come to my Valley of Evil to run wild? If you want someone, let your big brother do it!”

Ding Buda looked at Luo Jinzuo coldly, murderous intent filling his body.

Luo Jinzuo’s face became extremely ugly.

He didn’t expect that there was such a big gap in strength between himself and Ding Buda.

“Second Master...”

At this time, the housekeeper helped Luo Jinzuo up, and then whispered persuasion: “Second Master, we’d better go back and make a long-term plan. The strength of this Wicked Valley is really too strong.”

Luo Jinzuo didn’t say anything this time. The small slap he just received made him aware of the gap between himself and the Valley of the Evil Ones.

“Hmph, just wait, our Luo family will never give up...”

Luo Jinzuo looked at the four villains fiercely.

“You idiot, you still dare to threaten us. I think you don’t want to leave...”

Ding Busan didn’t like Luo Jinzuo, so he jumped up and stopped at the door.

When Luo Jinzuo saw this, his face instantly became embarrassed.

He just wanted to say a few harsh words and find a way out for himself.

But they didn't expect Ding Busan to actually stop them.

If the Valley of Evil really wanted to keep them, Luo Jinzuo knew that none of them would be able to leave.

Chapter: 1790

"Third brother, come back..."

Ding Buda said to Ding Busan.

When Ding Busan saw this, he could only glare at Naluo Jinzuo fiercely, and then retreated.

As soon as Luo Jinzuo saw Ding Busan get out of the way, he immediately led the others away.

"Damn it, I must destroy the Valley of the Evil Ones!"

After walking away, Luo Jinzuo said angrily.

"Second Master, don't be impatient. Let's talk about it after we go back!"

The housekeeper said to Luo Jinzuo.

Luo Jinzuo nodded. Now he underestimated the strength of the Valley of Evil, and the people he brought were obviously not enough.

So I have to go back and rearrange the people.

Just after Luo Jinzuo led the people away, a man emerged from the hiding place with his head peeping out. Then he looked at Luo Jinzuo leaving and left quickly.

As for the Ning family in Kyoto, Ning Zhi got the news immediately!

“Master, Naluo Jinzuo left the Valley of the Wicked. It looks like he was beaten and his face was swollen!”

The servants of the Ning family reported to Ning Zhi.

When Ning Zhi heard this, he slammed the table angrily and said, “Damn it, this Luo Jinzuo is such a damn good-for-nothing. He left just after being slapped. Does he have any backbone? I thought the Luo family would follow the evil guy Gu to the death!” ”

Ning Zhi had already gathered his men and was waiting for the two sides to fight to the death before leading them in.

“Master, you don’t have to worry. The Luo family will not give up. I believe that this time, the Luo family will definitely recruit more people when they return to Mobei.”

The steward of the Ning family stepped forward and persuaded Ning Zhi.

“I’m afraid that the Luo family is no match for the Evil Valley. When the time comes, I will lose my courage and my plan will be in vain...”

Ning Zhi was afraid that Luo Jinzuo would give up and not dare to cause trouble in the Valley of Evil.

“Young master, no, the Luo family is also the largest family in Mobei. It is very powerful, and many sects and aristocratic families in Mobei almost all look up to the Luo family.”

“This time when Luo Jinzuo goes back, he will definitely summon more people. Just wait patiently...”

The Ning family’s butler explained.

“Well, I can only wait...”
