

The Order 181

Chapter: 181

“Mr. Xing...”

Cui Zhiyuan saw Xing Jun coming and hurriedly greeted him!

Xing Jun glanced at everyone in the sales department, then kept his eyes on Chen Ping for a moment, and said to Cui Zhiyuan: “Manager Cui, your sales department has performed well recently, so after get off work, I will treat you to a meal. All the sales department must be here, no one is missing, and the location is Xianhezhuang!”

After Xing Jun finished speaking, he turned around and left, leaving Cui Zhiyuan standing there stupidly!

“Zhiyuan, did I hear you correctly just now? Mr. Xing wants to treat us all to dinner? He also said that our sales department is doing well?”

Upon seeing this, Sun Xiaomeng hurriedly walked to Cui Zhiyuan and asked.

Cui Zhiyuan nodded with confusion on his face: “What happened to Mr. Xing today? Did he take the wrong medicine?”

You must know that Xing Jun has never invited the entire sales department to dinner, and because of the debt issue, Cui Zhiyuan was scolded in every meeting. Today’s sudden change made him a little overwhelmed!

“Manager Cui, Mr. Xing invited us all to have dinner together. This is a good thing. Why are you still in a daze? Please notify us immediately!”

Wang Lanlan said to Cui Zhiyuan with excitement.

“Yeah.....”

Cui Zhiyuan reacted hurriedly and immediately informed everyone, fearing that someone would see that it was time to get off work and leave the company directly.

Xing Jun warned that no one in the sales department should be missing!

“Everyone, Mr. Xing just came over to praise our sales department, and he also invited all the staff of our sales department to dinner. In Xianhezhuang, everyone must be there, and no one is allowed to be absent...”

As soon as Cui Zhiyuan finished speaking, everyone in the sales department suddenly screamed!

“Holy shit, Xian and Zhuang are so awesome...”

“This is the best restaurant in Hongcheng, as famous as the Regal Hotel...”

“What happened to Mr. Xing today? Are you showing mercy?”

“I have to dress up quickly, but I can’t embarrass Mr. Xing!”

All of a sudden, everyone in the sales department started getting ready, especially some girls, who ran directly to the bathroom and started dressing up!

“Zhiyuan, you have to perform well this time. If you please Mr. Xing, maybe you can be transferred to the purchasing department as a manager. That’s a fat job...”

Sun Xiaomeng reminded Cui Zhiyuan!

“Well, don’t worry, I will definitely work hard and buy a house in Panlong Bay to be our wedding room...”

Cui Zhiyuan nodded!

Chapter: 182

When Sun Xiaomeng heard this, a happy smile suddenly filled her face!

When Chen Ping heard that Xing Jun suddenly invited the sales department to dinner, he couldn't help but frown slightly. He knew that the meal must be aimed at him.

But no matter what Xing Jun's methods are, Chen Ping is not afraid!

Soon, everyone in the sales department got ready and walked out of the company together, preparing to go to Xianhe Village!

Because these people all drive to work, only Chen Ping and Wang Hanhan take taxis!

"Hanhan, get in the car..."

Sun Xiaomeng drove her car and waved to Wang Hanhan!

Wang Hanhan got into the car and smiled slightly at Sun Xiaomeng: "Thank you, Sister Xiaomeng..."

"Why are you being polite to me? Sit down..."

After Sun Xiaomeng finished speaking, she stepped on the accelerator!

"Hey, Sister Xiaomeng, Brother Chen hasn't gotten in the car yet..."

Wang Hanhan thought Sun Xiaomeng was dragging Chen Ping along with her, but who knew she drove away directly!

“If I don’t pull him, what will happen if my car gets dirty? There are so many cars behind me, so let him sit in someone else’s car!”

Sun Xiaomeng said in disgust!

Wang Hanhan stopped talking. She thought that there were many people driving behind her, and it didn’t matter whose car Chen Ping took!

But just after Sun Xiaomeng left, those people behind him also drove past Chen Ping, but no one stopped to let Chen Ping get in the car.

After Zhang Tongjian drove his second-hand Chery past Chen Ping, he wanted to stop the car and take Chen Ping with him, but who knew that Cui Zhiyuan behind him pressed the horn desperately, urging Zhang Tongjian!

Seeing this, Zhang Tongjian could only look at Chen Ping helplessly, and then drove away.

When Cui Zhiyuan drove past Chen Ping, he stopped the car, rolled down the window and looked at Chen Ping mockingly: “Chen Ping, look at your popularity, how you got around, no one is holding you back... ..”

Chen Ping just smiled coldly and didn’t say a word!

Seeing that Chen Ping was silent, Cui Zhiyuan said even more proudly: “Just take a taxi. You can take the invoice and ask me to reimburse you tomorrow.”

Seeing Cui Zhiyuan’s proud look, Chen Ping sneered: “There’s no need to reimburse me, maybe I’ll be in front of you soon!”

“Tch, unless you fly over, do you still want to get in front of me?”

Cui Zhiyuan smiled disdainfully, stepped on the accelerator, and the car rushed out quickly. He didn't want to follow Chen Ping anymore!

Chapter: 183

Looking at Cui Zhiyuan who had left, Chen Ping transferred the spiritual energy in his Dantian to the soles of his feet. Although he could not fly yet, if he used the speed walk, he would definitely be faster than a car!

But just when Chen Ping was about to run away, a Bentley suddenly stopped in front of Chen Ping, and Lin Tianhu opened the door and got out!

When Chen Ping saw Lin Tianhu actually coming, he couldn't help but feel a little strange and said: "Lin Tianhu, do you have something to do with me?"

"Palace Master, some of the debtors were so frightened that they had to pay back the money as soon as I notified them. However, your company's finance department has already gone off work, and there is no way to collect the payment. So you sent the money to me, and I brought it to you... .."

It turned out that after Lin Tianhu received Chen Ping's receipt, a phone call scared those who owed money to pay back the money. Because the accountant of Xinyu Daily Chemical Company got off work early and could not receive the money, these people could only call Lin Tianhu. !

When Chen Ping heard that Lin Tianhu made a special trip just for this matter, he couldn't help but smile and said: "No rush, you can just transfer directly to the company tomorrow!"

"Palace Master, where are you planning to go? Shall I see you off?" Lin Tianhu asked.

"I'm going to Xianhe Village for dinner. It just so happens that you can send me there..."

In this way, Chen Ping doesn't have to run over by himself. After all, he is short of spiritual energy now, and it is not easy to cultivate a little spiritual power!

"Going to Xianhe Village for dinner?" Lin Tianhu was stunned: "Palace Master, that is the property of the Chilong Gang. If you hurt Feng Sihai, be careful they will retaliate!"

Chen Ping didn't expect that Xianhe Village was the property of the Chilong Gang, but Chen Ping was not afraid at all. He said calmly: "It's just a casual meal, nothing will happen. If they really want to take revenge, then if anything happens, It will be the Red Dragon Gang."

Lin Tianhu was right. With Chen Ping's strength, even Feng Sihai, the leader of the Red Dragon Gang, was no match. Those little fish and shrimps below were even more worthless!

Lin Tianhu opened the car door, invited Chen Ping into the car, and stepped on the accelerator towards Xianhezhuang!

On the road, Cui Zhiyuan was driving and humming a little tune. Not to mention how happy he felt, he felt happy when he saw Chen Ping deflated!

But at this moment, a car suddenly passed by his car at an extremely fast speed!

"Damn, why the fuck are you driving? Are you rushing to reincarnate..."

When Cui Zhiyuan finished cursing, he saw that it was a Bentley. He was so frightened that he quickly shut up. Anyone who could drive a Bentley in Hongcheng would definitely not be an ordinary person. If he was provoked by this, he would be unlucky. !

Just when Chen Ping and the others were on their way to Xianhezhuang, in a luxurious office in Xianhezhuang, a middle-aged man with a beard was sitting on an office chair!

There was a scar at the corner of the middle-aged man's eye, and he was trimming it with a cigar in his hand. Behind the middle-aged man were four burly men, all with their heads held high and their faces stern!

This middle-aged man is Liao Feixiong, the manager of Xianhe Village, and also a leader of the Red Dragon Gang. Being able to manage Xianhe Village also proves that Liao Feixiong is highly regarded by Feng Sihai!

In front of Liao Feixiong, Xing Jun, the general manager of Xinyu Daily Chemical, was sitting there. Xing Jun looked a little unnatural. There was a suitcase beside Xing Jun. Looking at these people in front of him, Xing Jun was very nervous. .

Liao Feixiong trimmed the cigar, lit it, took a deep breath and said, "If you have anything to say to me, tell me!"

"Brother Xiong, I want Brother Xiong to help me get rid of someone..." Xing Jun said.

"Do you understand my rules?" Liao Feixiong asked calmly.

Chapter: 184

"I understand, I understand, here is one million, every penny is the same, and the people I have to deal with are not political celebrities, they are just ordinary people, nothing will happen to them!"

Xing Jun said, opened the suitcase, and the white banknotes inside were revealed!

Seeing a box of banknotes, Liao Feixiong raised the corner of his mouth slightly: "I know, give me that person's information, and you won't see him in three days..."

"Brother Xiong, I made an appointment with that boy to come to Xianhezhuang for dinner later. I hope Brother Xiong can find a reason to kill him directly, otherwise I'm afraid others will suspect me!"

Xing Jun was afraid that Chen Ping would suddenly disappear and Su Yuqi would doubt him, so he asked Liao Feixiong to find any reason to kill Chen Ping while eating, so that Su Yuqi would have no reason to doubt herself!

"Ask me to kill people in Xianhe Village?" Liao Feixiong frowned slightly: "You know this will have a great impact on my business..."

"Brother Xiong, after the matter is completed, I can pay you 500,000. Please help Brother Xiong..."

Xing Jun pleaded hurriedly!

“Okay, for the sake of money, I will help you once!” Liao Feixiong nodded: “I will send someone over when you are eating.”

“Thank you, Brother Xiong, thank you, Brother Xiong...”

Xing Jun thanked him repeatedly, turned around and walked out!

Walking out of Liao Feixiong’s office, Xing Jun’s eyes flashed with cold light, and he raised the corner of his mouth slightly and said: “When Chen Ping dies, I’ll see if Yu Qi will reject me...”

.....

At the entrance of Xianhe Village, Lin Tianhu parked the car, opened the door and let Chen Ping get out!

“Palace Master, I’m waiting for you here. If something happens, I can handle it as soon as possible...”

Lin Tianhu said to Chen Ping.

Chen Ping waved his hand: “No, you can go back...”

Lin Tianhu nodded, got in the car and left!

Just as Lin Tianhu drove away, a red BMW drove up. The driver was Sun Xiaomeng, and Wang Hanhan was also on it.

Because Sun Xiaomeng left early, she was a little earlier than others!

“Chen Ping, did you get off that Bentley just now?”

Sun Xiaomeng asked Chen Ping in surprise.

She just couldn't believe it when she saw Chen Ping getting off the Bentley. But when she got in front of Chen Ping, she had to believe it!

Chen Ping nodded slightly!

Chapter: 185

"Brother Chen Ping, are you riding in a Bentley? If you had known I would be riding in a Bentley with you, I have never sat in a Bentley before..."

Wang Hanhan said excitedly when she saw that Chen Ping really came in a Bentley.

But after saying that, I felt something was wrong for a moment, so I smiled apologetically at Sun Xiaomeng and said, "Sister Xiaomeng, I didn't mean that. It's good to ride in your car..."

"It's okay!" Sun Xiaomeng didn't care. She knew Wang Hanhan had no ill intentions!

But Sun Xiaomeng kept looking at Chen Ping, wondering why Chen Ping came in a Bentley?

"Chen Ping, whose Bentley are you sitting in?" Sun Xiaomeng continued to ask.

"It's from a friend!" Chen Ping replied calmly.

"Do you have any friends who can afford a Bentley?" This made Sun Xiaomeng a little uneasy!

A Bentley costs at least several million. In a small city like Hongcheng, there are really not many people who can spend millions to buy a car!

Before Chen Ping could answer, Cui Zhiyuan and the others also arrived. Seven or eight cars parked in the parking lot. They were all amazed when they looked at Xian and Zhuang in front of them.

“Tongjian, put your old car somewhere else. Don’t park it here, it will embarrass us...”

Cui Zhiyuan shouted at Zhang Tongjian who had just arrived!

Zhang Tongjian had no choice but to drive away, while Cui Zhiyuan and the others pretended to be indifferent and walked towards Xianhe Village.

As soon as they walked to the door, they saw Sun Xiaomeng and Chen Ping, which shocked everyone!

“Chen Ping? You...”

Cui Zhiyuan looked at Chen Ping in disbelief. He didn’t expect that Chen Ping actually arrived faster than him!

“I told you, I will definitely be faster than you...”

Chen Ping looked at Cui Zhiyuan like that and raised the corner of his mouth and said!

Others looked at Chen Ping and sighed!

“Chen Ping, did you fly here?”

“Did you take a shortcut? How could you be so fast?”

“That’s really weird. When did he get in front of us?”

Everyone looked at Chen Ping in disbelief and asked.

“Brother Chen Ping came here in a Bentley...”

Chapter: 186

Wang Hanhan said proudly for Chen Ping.

When they heard that Chen Ping came in a Bentley, no one believed it. Cui Zhiyuan also snorted: “He deserves to be in a Bentley. I don’t think he even knows what a Bentley looks like. He must have taken a taxi. Super I took a shortcut and pretended that I was riding in a Bentley!”

“Brother Chen Ping really rides in a Bentley. Sister Xiaomeng and I both saw it...”

Seeing that no one believed it, Wang Hanhan explained anxiously.

Chen Ping, on the other hand, looked indifferent and didn’t say anything. These people believed it or not, so Chen Ping didn’t need to explain anything!

Wang Hanhan said that Sun Xiaomeng had also seen it, so everyone turned their attention to Sun Xiaomeng, and Cui Zhiyuan asked: “Xiaomeng, is it true? Chen Ping didn’t really come in a Bentley, right?”

Sun Xiaomeng nodded: “I saw him get out of the Bentley!”

Seeing Sun Xiaomeng saying this, everyone had no choice but to believe it. Cui Zhiyuan also remembered that he was overtaken by a Bentley on the road just now!

“Chen Ping, you wouldn’t run in front of me and hail a Bentley just to show off, would you? This will cost a lot of money, right?”

Cui Zhiyuan said with disdain.

That expression is, even if you came in a Bentley, even if you arrived before me, I still look down on you!

“That Bentley is not a special car driven by Brother Chen Ping. It belongs to a friend of Brother Chen Ping...”

Wang Hanhan tried her best to defend Chen Ping. She didn't want Chen Ping to be looked down upon by these people!

“Huh, does he have friends who buy Bentleys? Don't be so naive. Who would believe him except you?” Cui Zhiyuan snorted coldly, and then asked everyone: “Do you believe it?”

“If you don't believe it, the fish will look for the fish and the shrimp will look for the shrimp. How can Chen Ping, who is so poor, have friends who buy Bentleys...”

“I'm just pretending, who wouldn't say that? I also said that a friend of mine bought a private jet!”

“Is this considered a failure to show off? You don't even look at your net worth, so you dare to say that you have friends who buy Bentleys!”

Everyone laughed at Chen Ping with disdain!

Even Sun Xiaomeng didn't believe that the person driving the Bentley just now was Chen Ping's friend. Only Wang Hanhan believed in Chen Ping!

Seeing that Chen Ping didn't say a word, he thought it was Chen Ping who felt guilty. Cui Zhiyuan said happily: “Let's go in quickly, Mr. Be happy, I will make you look good...”

Everyone nodded, they didn't even dare to offend Cui Zhiyuan, let alone Xing Jun.

Cui Zhiyuan led everyone to the private room that Xing Jun mentioned. Everyone was arranging their clothes outside, taking deep breaths, trying to adjust their condition before going in.

But just as everyone was adjusting their state, Chen Ping pushed open the door of the private room and walked in. This made Cui Zhiyuan suddenly angry!

When everyone followed and saw that Xing Jun was not in the private room, they were relieved!

Chapter: 187

“Chen Ping, you are so fucking crazy. How could you push the door open and walk in? Fortunately, Mr. Xing is not here, otherwise he would be angry!”

Cui Zhiyuan roared at Chen Ping!

Others also accused Chen Ping, fearing that Chen Ping’s behavior would implicate them too!

Looking at the faces of Cui Zhiyuan and everyone else, Chen Ping sneered: “What? You don’t just open the door and come in, but you have to bow and kowtow outside? How many years has it been since the Qing Dynasty died? Your ancestors were all slaves.” ?”

Chen Ping’s words suddenly made everyone’s faces look extremely ugly, and Cui Zhiyuan’s face turned red with anger!

“Chen Ping, why are you so awesome? If you are really awesome, don’t go to work if you have the ability, don’t be a slave, why are you pretending to be awesome here? I can tell you to get out with just one word.”

Cui Zhiyuan roared loudly!

Everyone also said bad things to Chen Ping and asked Cui Zhiyuan to fire Chen Ping!

Even Sun Xiaomeng stared at Chen Ping with an ugly expression. She was disgusted by the way Chen Ping scolded his mother after eating milk!

Only Wang Hanhan explained for Chen Ping: “Brother Chen Ping didn’t mean that. Manager Cui, don’t be angry...”

Wang Hanhan is very afraid that Chen Ping will lose his job. After all, it is not easy to find such a good job, and the benefits are also good!

“You don’t have the ability to fire me yet...”

Chen Ping looked at Cui Zhiyuan and said with disdain!

Chen Ping knew that Xing Jun would not agree to Cui Zhiyuan’s firing of him. Since Xing Jun kept him in the company, he would definitely not fire him casually!

“What are you talking about? I am the sales manager, and I have the final say in the entire sales department. I can’t fire you as a small employee? So what if you are retained by Mr. Xing? I can still fire you. Fired, I am the biggest in the sales department...”

Cui Zhiyuan yelled at Chen Ping angrily!

But as soon as he finished speaking, the private room door was pushed open, and Xing Jun walked straight in!

Seeing Xing Jun coming, Cui Zhiyuan was so frightened that he suddenly broke out in cold sweat. What he just said was so treacherous that even Xing Jun didn’t take it seriously!

“Xing...Mr. Xing...” Cui Zhiyuan trembled and hurriedly pulled out the chair on the main seat for Xing Jun:
“Mr.

Xing Jun sat down slowly, then raised his head slightly and looked at Cui Zhiyuan and said, “Manager Cui, I really want to hear you say, are you the biggest in the sales department?”

Cui Zhiyuan’s head banged and he hurriedly explained: “Mr.

“As long as you know who is the biggest...”

Xing Jun raised the corner of his mouth slightly, then waved his hand and said: "Everyone, sit down!"

With Xing Jun's permission, everyone dared to take their seats, and Chen Ping sat directly next to Xing Jun.

Chapter: 188

Now that Chen Ping knows Xing Jun's intentions, he will get to know Xing Jun well and see what methods he has!

Seeing Chen Ping sitting next to Xing Jun, Cui Zhiyuan immediately shouted: "Chen Ping, do you know who you are? Is that seat meant for you?"

You know, this is almost rare. Everyone wants to sit next to Xing Jun, so that they can build some relationships with Xing Jun!

Now Chen Ping actually sat directly next to Xing Jun, which made Cui Zhiyuan feel very dissatisfied!

Everyone also looked at Chen Ping angrily. As a newcomer in the sales department, Chen Ping was not qualified to sit next to the boss for dinner. Even old people like them were probably not qualified. The positions on the left and right of Xing Jun must be Give it to Cui Zhiyuan and Sun Xiaomeng!

"What? Are there qualifications for where to sit? Does it say on the stool that I can't sit?"

Chen Ping said with a cold smile!

"Chen Ping, do you really not know or are you pretending not to know? I think you are doing it on purpose. You want to get close to Mr. Keep it!"

Wang Lanlan angrily accused Chen Ping.

Everyone also loudly accused Chen Ping, saying that he just wanted to curry favor with the general manager!

Old employees like them couldn't get such a good position, so why should Chen Ping be allowed to sit? Everyone was unbalanced, so they blamed Chen Ping!

Chen Ping glanced at everyone, his face full of disdain: "Don't impose your ideas on me. I can't control who you want to add, but I can sit wherever I want, and you can't control me!"

Chen Ping walked to Xing Jun's side, then smiled lightly and said: "General Manager Xing, I'm sitting here, I won't wrong your status, right?"

Chen Ping looked at Xing Jun with a hint of provocation in his eyes. If Xing Jun dared to be clever with him, Chen Ping would certainly not tolerate him!

Seeing Chen Ping actually talking to Xing Jun in this tone, Cui Zhiyuan and others were frightened!

Even Wang Hanhan broke out in a cold sweat for Chen Ping!

"Chen Ping, why are you talking to Mr. Xing?"

"You, like you, dare to compete with Mr. Xing, so you have to show some face!"

"Chen Ping, don't think that just because Mr. Xing is approachable, you have to push your limits. Get out of here..."

Everyone yelled at Chen Ping!

Cui Zhiyuan was sweating coldly, and explained to Xing Jun with a nervous face: "Mr. Xing, this kid has something wrong with his mind. Don't be angry..."

Xing Jun listened to everyone's accusations and scoldings against Chen Ping. He raised the corner of his mouth slightly and said with a faint smile: "It doesn't matter, just let him sit here!"

After Xing Jun finished speaking, he turned to look at Chen Ping and said with a hint of depth in his eyes: “Young people should have a temper, but if their temper is too strong, it can easily break...”

“Thank you, General Manager Xing, for reminding me. I’d rather break than bend...” Chen Ping also had a profound smile on his face!

Chapter: 189

Xing Jun just smiled and said nothing else, because after a while, he knew whether Chen Ping would bend...

Chen Ping occupied a position, Cui Zhiyuan had no choice but to sit on the left side of Xing Jun, and Sun Xiaomeng sat next to Cui Zhiyuan!

Sun Xiaomeng’s eyes kept glaring at Chen Ping with disgust. If it weren’t for Chen Ping, that position would have been hers. If she was happy to serve Xing Jun today, maybe Cui Zhiyuan could be transferred to the purchasing department, and she could be the one. Here’s the sales manager!

Now Sun Xiaomeng regrets bringing Chen Ping into the company. If he had known this, he would never have agreed to introduce Chen Ping to the company. Wouldn’t this be causing trouble for himself?

“Chen Ping, if it weren’t for Mr. Xing, would you be able to enter the company? Can you sit here and eat? Let me tell you, like you, you will never be able to eat in Xianhezhuang in your life, garbage...”

Cui Zhiyuan insulted Chen Ping with a look of disdain.

Now is the time to show loyalty to Xing Jun, Cui Zhiyuan will certainly not let go of such a good opportunity!

Snapped!

However, as soon as Cui Zhiyuan’s words came to light, he was slapped directly in the face!

This slap shocked everyone instantly!

Everyone looked at Cui Zhiyuan in confusion, and Cui Zhiyuan himself also stared at Chen Ping with his eyes wide open. He did not expect that Chen Ping would dare to attack him!

Xing Jun, who was sitting in the middle, frowned slightly. Chen Ping hit Cui Zhiyuan directly in front of him. He didn't take himself seriously at all!

"This slap is just to teach you a lesson. I won't touch you, just for Uncle Sun's sake. If you dare to be disrespectful to me, I will twist your head off..."

Chen Ping glanced at Cui Zhiyuan coldly, with a strong murderous intent in his eyes!

Just this glance frightened Cui Zhiyuan so much that his whole body trembled slightly, as if his whole body had fallen into an ice cave.

"Chen Ping, you are crazy, why did you hit Zhiyuan?"

Seeing that Chen Ping actually attacked Cui Zhiyuan, Sun Xiaomeng immediately roared at Chen Ping!

"Chen Ping, you dare to hit Manager Cui, I think you don't want to do it anymore!"

"It's against the grain. It's totally outrageous. A small salesperson dares to hit the sales manager. He must be fired..."

Everyone spoke for Cui Zhiyuan and fawned over Cui Zhiyuan!

"Chen Ping, kneel down and apologize to Manager Cui now. Maybe he can forgive you and let you stay in the company, otherwise you will definitely be fired!"

Wang Lanlan pointed at Chen Ping and said sternly!

“Brother Chen Ping...” Wang Hanhan looked at Chen Ping, a little at a loss. She did not expect that Chen Ping would suddenly attack Cui Zhiyuan!

“Fire me?” Chen Ping raised the corner of his mouth slightly: “He alone is not qualified to fire me. The dignified Manager Xing is here, how can he have the authority to speak as a sales manager!”

Chapter: 190

“Chen Ping, I am your ancestor, I will kill you...”

After Cui Zhiyuan was shocked for a moment, he roared loudly. He didn't dare to be afraid at this time, but he had to show fearlessness, otherwise he, the sales manager, would have no status in the hearts of employees!

Snapped!

Cui Zhiyuan had just finished speaking, and when he was about to rush towards Chen Ping, Chen Ping slapped him over again!

Chen Ping was so fast that Cui Zhiyuan didn't even have time to dodge!

But when Chen Ping was beating Cui Zhiyuan, his eyes were looking at Xing Jun with provocation in his eyes!

It's just that Xing Jun's face was gloomy and motionless!

After receiving two slaps in a row, Cui Zhiyuan was about to go crazy and said angrily to Chen Ping: “Chen Ping, I...”

Snapped!

Just when Cui Zhiyuan opened his mouth, he was slapped again by Chen Ping!

“Chen Ping...”

Snapped!

“I.....”

Snapped!

In the end, whenever Cui Zhiyuan opened his mouth, Chen Ping slapped him so hard that his whole face turned into a pig’s head!

Cui Zhiyuan was scared and looked at Chen Ping in horror, but he didn’t dare to open his mouth!

Everyone looked at Chen Ping in horror. No one dared to say anything. Wang Lanlan sat down trembling all over, her lips trembled, and she no longer dared to say a word. She was afraid that Chen Ping would also hit him. he!

However, everyone focused their attention on Xing Jun. As the general manager of the company, it must be very bad for an employee to hit the department manager in public. Everyone wanted to see how Xing Jun would handle it!

But contrary to everyone’s expectations, Xing Jun’s face was gloomy, but he didn’t say a word. The atmosphere in the entire private room became very depressed and silent!

“Let’s serve the food, just say a few words...”

After a few minutes of silence, Xing Jun finally spoke!

Xing Jun suddenly spoke, which made everyone feel strange. They didn't understand why Xing Jun kept Chen Ping to eat when things were like this. They should have fired him on the spot and told him to get out!

Does it really have anything to do with Chen Ping following Xing Jun?

Impossible!
