

The Order 1821

Chapter: 1821

Fortunately, Ning Zhi dodged in time, otherwise he would have been directly bombarded.

“Damn it, we really set up a killing array. Fortunately, I was prepared!”

Ning Zhi looked at the deep pit in front of him and cursed.

Then Ning Zhi’s palm flashed with light, and then he slapped it out hard.

Rumble...

The space in front of him fluctuated for a while, and then he could see the killing array laid out by Chen Ping revealed.

In the killing array, lightning-like rays of light flashed continuously.

“What a powerful killing array!”

Ning Zhi looked at the killing array in front of him with a solemn expression.

But the Demon Suppressing Tower is right in front of him, and Ning Zhi will not give up easily.

“What the hell are you doing in such a daze? Let’s break this killing formation together...”

Ning Zhi roared.

Several experts from the Ning family stepped forward, and everyone burst out with all their energy.

boom!

There was a loud noise, and the killing array set up by Chen Ping shattered like glass in an instant!

With the power of several half-step Wuhou, this killing formation simply cannot hold up!

Looking at the broken killing formation, Ning Zhi's lips raised a hint of pride.

"That's it, you want to stop me?"

Ning Zhi walked to the door of the Demon Suppressing Tower, and then kicked the door of the Demon Suppressing Tower.

But who knows, under this kick, the door of the Demon Suppression Tower did not move at all.

A stream of light flashed above the door, but Ning Zhi's body was directly knocked away.

Ning Zhi frowned and said, "How could this happen?"

Ning Zhi stepped forward, held his breath and concentrated again, and then slammed the door hard.

But the door remained untouched, not even a trace.

Chapter: 1822

On the contrary, Ning Zhi's body was hit farther this time and fell heavily to the ground.

Ning Zhi looked at the Demon Suppressing Tower in front of him in shock, his face turning very ugly.

“You guys try...”

Ning Zhi asked several experts from the Ning family to try it.

But the result was the same. No matter how hard these people tried, or even used magic attacks, they could not shake the door. Instead, they were injured by the force of the counterattack.

“This...what the hell is going on?”

Everyone’s expressions became very ugly.

These people are all half-step Wuhou. Let alone a gate, even a mountain top would have collapsed long ago under such a bombardment.

“How is this going?”

Ning Zhi looked at Ding Buda. After all, the Demon Suppression Tower was now in the Valley of the Evil.

“How would I know!”

Ding Buda said with a calm expression.

At first, Ding Buda was a little worried about Chen Ping, but when he saw that the Demon Suppression Tower actually had its own taboo formation and was very powerful, he felt relieved.

Ding didn’t know that, let alone the people in front of him, even he, who was in the realm of Wuhou, couldn’t open this door.

It can be seen that this Demon Suppression Tower is by no means an ordinary treasure.

“Master, what should we do?”

At this time, a servant of the Ning family asked.

Ning Zhi looked at the Demon Suppression Tower in front of him, pondered for a moment and said, “Send two people to watch here, and take these old guys back first.”

“I don’t believe that Chen Ping will never come out. As long as he comes out, we will threaten him with the lives of these old guys.”

“Since Evil Man Valley is protecting him to the death, then the relationship between Chen Ping and these old guys in Evil Man Valley must be extraordinary!”

After sending two people to guard the Demon Suppression Tower, Ning Zhi took the people from the Valley of Evil back.

Peace has returned to the Valley of the Wicked, with the smell of blood everywhere and corpses that no one has restrained.

The Valley of the Wicked, which had stood for decades and was so famous, collapsed and disappeared almost overnight.

The news that the Valley of Evil was destroyed and the four villains were arrested instantly spread throughout the martial arts world.

Chapter: 1823

“This boy from the Ning family is so brave. He actually dared to lead people to destroy the Valley of the Evil Ones and even captured the four evil ones.”

“This kid has been full of tricks since he was a child. This time, he took advantage of the Valley of the Evil and the Mobei martial arts world to fight to the death, and he benefited from it.”

“What grudge does the Ning family have against following the Evil Man Valley? Why is Ning Zhi so cruel?”

“It’s not because of Chen Ping. I heard that Ning Zhi also has some grudges against Chen Ping!”

“I really didn’t realize it. This boy from the Ning family hides so well.”

The martial arts world is talking about this matter.

However, few people know all the ins and outs of the matter. They are just random guesses.

From beginning to end, it was all planned by Ning Zhi.

And everyone who knew the whole thing had already gone to see the King of Hell!

However, after this time, Ning Zhi’s name was well known in the martial arts world.

In addition, Ning Zhi’s name also appeared on the Xiaoyao list.

.....

“Ning family, Ning Zhi...”

In an ordinary office, Mr. Shi looked at the information on the forum and muttered to himself.

“Mr. Shi, now the Valley of Evil has been almost destroyed by the Ning family, and the four villains have also been captured alive.”

“Although the reputation of the Four Evil Men is not very good, they have never done anything harmful to nature!”

“The Ning family is taking advantage of others’ danger. Do we need to warn them?”

Zhao Wuji asked Mr. Shi.

Zhao Wuji followed Chen Ping’s relationship, and naturally his heart was towards Chen Ping. The Evil Man Valley was taken advantage of by the Ning family to protect Chen Ping, so Zhao Wuji wanted to help the Evil Man Valley.

However, in his name as the head of the Dharma Protector Pavilion, I am afraid that the Ning family will ignore him, so only if Mr. Shi speaks out will these sects and aristocratic families take it seriously.

Mr. Shi ignored Zhao Wuji, but looked at the information on the forum and muttered to himself again.

“Ning family, Ning Zhi...”

“I never paid attention to this young man.”

“Now is just the beginning. Gradually, some people will become unable to sit still and start to show up.”

Chapter: 1824

“This Ning Zhi is the first...”

Mr. Shi was talking to himself, while Zhao Wuji looked confused and had no idea what Mr. Shi was talking about.

“Mr. Shi, should we...”

“Don’t do anything, just go back!” Before Zhao Wuji could finish speaking, Mr. Shi waved his hand.

Seeing this, Zhao Wuji could only turn around and go back.

He wanted to help the Valley of Evil, but he couldn't do anything...

.....

Kyoto Martial Arts Alliance!

Zhu Zhishan sat on the main seat, and sitting below him was Long Jingguo of the Long family.

There are also other heads of sects and families.

“Everyone, the new year is approaching, this is the last alliance meeting of our Kyoto Martial Arts Alliance this year!”

“This is also the last time our martial arts alliance will recruit alliance members this year!”

“Has any sect family submitted an application?”

Zhu Zhishan glanced at it, and then asked an elder beside him.

“Alliance Leader, so far, we have not received an application.”

The elder whispered awkwardly.

When Zhu Zhishan heard this, his face became a little ugly.

In the entire Kyoto martial arts world, there are many sects and aristocratic families, but their martial arts alliance does not attract even half of the members.

In particular, several big families have no intention of joining the martial arts alliance.

Moreover, these guys are constantly expanding their power, and they are likely to follow the Kyoto Martial Arts Alliance to fight against each other!

As the leader of the alliance, Zhu Zhishan cannot possibly watch this situation develop.

“I wish you all the best, since Chen Ping killed Director Guo, the prestige of the Martial Arts Alliance has been damaged, and many sects and families are unwilling to join the Martial Arts Alliance.”

“There are even many sect families who want to withdraw from the alliance!”

“On the contrary, the Ning family destroyed the Valley of Evil and captured the four evil men alive. Now many sects and aristocratic families have begun to show their favor to the Ning family!”

Chapter: 1825

At this time, a sect leader said.

“Hmph, a Ning family also wants to make waves in Kyoto?”

Zhu Zhishan snorted coldly: “That old ghost Ning is in seclusion, it must be his son who did it.”

“Leader, what should we do next?”

“Are you just watching helplessly as some sect families move towards the Ning family?”

one of the elders asked.

“Since Ning Zhi is so ambitious, let him be. I want to see how he deals with Chen Ping!”

“When a dog bites a dog, we are just watching a big show...”

Zhu Zhishan raised his lips.

.....

Ning family.

Ning Zhi now sat on the main seat of the Ning family.

Because his father Ning Dahai has been in seclusion, all the affairs of the Ning family have been left to Ning Zhi to take care of.

Although Ning Zhi has always been in charge of the Ning family, he has never sat on the throne.

But today is different!

The Ning family destroyed the Valley of Evil and captured four evil people alive.

Although everyone knew that the Ning family had taken advantage, Ning Zhi's courage and the strength of the Ning family were also displayed in front of everyone.

Therefore, many sects and aristocratic families began to seek refuge with the Ning family!

“The Li family in the south of the city, the head of the Li family greets you!”

“Greetings, Master Yang of the Xuanyang Sect!”

“He is the leader of Dingtian Sect. See you!”

On this day, the Ning family kept getting requests from sects and aristocratic families to see them.

Ning Zhi greeted him with a smile on his face!

At this moment, Ning Zhi felt extremely satisfied.

Chapter: 1826

At such a young age, so many sects and aristocratic families came to visit him, begging to join the Ning family.

Ning Zhi knew that even his own father might not be able to achieve such an achievement.

In a whole day, nearly thirty large and small sects and aristocratic families took refuge under the Ning family!

Although Ning Zhi was a little tired this day, he felt very fulfilled.

“When I think of a way to bring the Mobei martial arts world under my control, who in the entire Kyoto can do anything to me?”

Ning Zhi stood at the highest point of the villa, looking up at the sky, his heart swelling to the extreme.

Many big sect families noticed what Ning Zhi was doing, but no one stopped him.

They all seem to be waiting for something!

At this moment in the Dong family, Dong Liqun’s expression was extremely ugly.

Originally, the Dong family and the Ning family were at odds with each other. In the past, the two families were about the same strength.

But now that so many families have joined the Ning family, the strength of the Dong family will soon be outmatched.

“Why are you still up so late?”

Dong Liqun’s wife asked.

“Can’t sleep!” Dong Liqun lit a cigarette and took a deep breath: “Where is Jiahao?”

“He’s in his room. Ever since you attacked that Chen Ping, Jiahao hasn’t left the house these days and hasn’t said a word!”

Dong Liqun’s wife gave Dong Liqun a complaining look.

“Hey!” Dong Liqun sighed: “I’m doing this for his own good, but this kid just can’t understand!”

“For his own good, you rob other people’s things? I heard from Jiahao that Chen Ping is still his friend. You asked Jiahao to trick him into coming to your home.”

“If you do this, what’s the difference between following the robber?”

Dong Liqun’s wife said very dissatisfied.

“You are a woman, what do you know...”

Dong Liqun threw away the cigarette in his hand and then walked towards Dong Jiahao’s room.

Dong dong dong...

Dong Liqun knocked on the door and then said: "Jiahao, please come out, I have something to tell you!"

Chapter: 1827

"I have nothing to say to you, please ignore me..."

Dong Jiahao's angry voice came from the room.

It has been so many days, and Dong Jiahao is still brooding about it!

He always thought that he was the one who harmed Chen Ping!

He never thought that his father was such a person.

"I know you're still angry with me, but I'm doing it all for your own good!"

"Get dressed now and take your mother to your grandpa's place!"

"No matter what happens at home, don't come back!"

Dong Liqun said seriously.

"What's wrong? What happened? It's so late at night, why are you letting us go?"

Dong Liqun's wife looked at Dong Liqun in confusion.

"Don't ask, I have already arranged what should be arranged for you."

“In addition, you must take my seal and make sure it doesn’t fall into the hands of others.”

“As long as this seal is here, the Dong family will always be here!”

Dong Liqun took out a very delicate seal from his arms and then handed it to his wife.

At this time, Dong Liqun’s wife was a little confused and couldn’t figure out what happened.

At this time, the door opened and Dong Jiahao also walked out.

“Dad, did something happen?”

Dong Jiahao was in the room, listening to his father’s words, knowing that his father was definitely not joking.

“It’s nothing, just be obedient!”

After Dong Liqun finished speaking, he shouted: “Butler, send the young master and his wife away immediately!”

The housekeeper hurriedly walked in, and then said to Dong Jiahao and his mother: “Master, madam, the car is ready.”

“I won’t leave, I won’t leave...what happened?”

Dong Jiahao refused to leave and asked Dong Liqun.

Chapter: 1828

Unexpectedly, Dong Liqun knocked Dong Jiahao unconscious with one palm, and then asked the housekeeper to take Dong Jiahao away.

After his wife and son left, Dong Liqun stood at the highest point in the villa.

From here, you can see the entire Dong family villa area.

Part of it was in ruins, which was caused by the battle between him and Chen Ping.

It's not cleaned up yet.

Lighting a cigarette again, Dong Liqun waited quietly.

He knew that what was supposed to come would eventually come.

Sure enough, before Dong Liqun finished smoking a cigarette, he felt a stream of breath coming rapidly from a distance.

There are a dozen or so, all of them are half-step Wuhou!

There was no fear or panic on Dong Liqun's face.

Soon, these people arrived in front of Dong Liqun, and the leader was Ning Zhi of the Ning family.

"Uncle Dong, you're fine. It's so late and you're still standing so high. Aren't you afraid of catching a cold from the wind?"

Ning Zhi looked up at Dong Liqun and said with a slightly mocking voice.

"Although I'm old, I'm not as miserable as you said!"

“A small breeze can blow away a cold, so wouldn’t my training as a Martial Lord be in vain!”

Dong Liqun floated down from a high place and stood firmly in front of Ning Zhi.

“Uncle Dong’s strength is indeed extraordinary. My nephew is really impressed!”

Ning Zhi praised Dong Liqun.

“You don’t need to talk nonsense, I know your purpose, let’s do it...”

After Dong Liqun finished speaking, the aura of Marquis Wu erupted from his body.

Waves of terrifying aura directly enveloped the entire Dong family villa area.

Feeling the aura on Dong Liqun’s body, even those half-step Wuhou changed their colors slightly.

“Uncle Dong, I think you made a mistake? As a junior, how could I possibly fight against you?”

“I came here this time just to discuss something with Uncle Dong!”

Chapter: 1829

“You see, many sects and aristocratic families have taken refuge under my Ning family. I think it’s time for your Dong family to surrender as well?”

Ning Zhi asked with a faint smile.

“Bow down?” Dong Liqun narrowed his eyes slightly: “Who do you think you are? Even if your father, Ning Dahai, is here, would he dare to say this to me?”

“Don’t think that just because you destroyed the Valley of Evil is nothing special, even if all the sects and aristocratic families surrender to your Ning family, I, Dong Liqun, will not surrender!”

Dong Liqun’s body erupted with murderous intent, and his eyes were full of determination!

He can die, but he surrenders to the Ning family without even thinking about it!

“Uncle Dong, don’t be anxious now. I’ll show you something later. Do you absolutely want to submit to our Ning family...”

Ning Zhi looked confident and smiled slightly.

Dong Liqun looked puzzled.

Just as Dong Liqun’s puzzled eyes were on him, a black car drove over.

The driver of the car is the butler of the Dong family!

Under Dong Liqun’s surprised gaze, the butler got out of the car.

“What’s going on? Didn’t I ask you to leave?”

Dong Liqun shouted angrily at the housekeeper.

However, the Dong family’s chief steward ignored Dong Liqun. Instead, he walked up to Ning Zhi and said respectfully: “Master Ning, the Dong family’s mother and son are in the car!”

Seeing that the chief steward was respectful to Ning Zhi, Dong Liqun immediately realized something.

“You dare to betray me?”

Dong Liqun's anger rose, and then he slapped the butler with a palm.

"Uncle Dong, don't get angry and forget that your wife and children are still in the car?"

"If a fight breaks out, I can't guarantee their safety."

Ning Zhi raised the corner of his mouth and threatened Dong Liqun.

Dong Liqun raised his hand and put it back again.

His eyes were full of anger, glaring at the Dong family's butler.

"Why, why did you betray me?"

Chapter: 1830

Dong Liqun didn't understand why the housekeeper would betray him after following him for more than ten years.

"Master, the strength of the Ning family is no longer comparable to that of the Dong family. If you follow the Ning family and go against it, you will only die."

"Why not cooperate with the Ning family? Even if you become a vassal of the Ning family, it is better than losing your life!"

The butler said shamelessly.

Dong Liqun's face turned red with anger, but he said nothing.

With his wife and children in Ning Zhi's hands, he didn't dare to act rashly.

“Uncle Dong, as long as you nod your head and agree to belong to my Ning family, I will guarantee the safety of your wife and children.”

Ning Zhi looked at Dong Liqun proudly, he had already defeated Dong Liqun.

He knew that Dong Liqun would definitely agree.

Dong Liqun looked at his wife and children in the car, finally sighed and nodded helplessly.

“You are indeed very capable, better than your father. I am willing to obey the Ning family’s arrangements, but you must ensure the safety of my wife and children.”

Dong Liqun said to Ning Zhi.

“Uncle Dong, don’t worry about this, I will definitely guarantee it. We will be a family from now on, how can I harm them!”

“But you also know Dong Jiahao’s temperament. In order to prevent conflicts and accidents when he wakes up, I’ll lock him up for a while first!”

“To show my sincerity, I’ll leave what Auntie left behind!”

After Ning Zhi finished speaking, he waved his hand and someone pulled Dong Liqun’s wife out of the car.

“Let me go, let me go...”

Dong Liqun’s wife shouted.

“Let it go!” Ning Zhi said.

Dong Liqun’s wife was let back and ran directly behind Dong Liqun to hide.

“Uncle Dong, I hope to see the announcement of your surrender to the Dong family on the martial arts forum tomorrow!”

Ning Zhi’s face was filled with pride. After saying this, he led the others and left.

“Son, let my son go...”

Seeing her son being taken away, Dong Liqun’s wife desperately chased him.
