

## **The Order 1831**

Chapter: 1831

However, Dong Liqun grabbed him.

At this moment, Dong Liqun suddenly felt helpless...

Early the next morning!

On the martial arts forum, Dong Liqun issued an announcement!

In a concise and clear explanation, the Dong family has become a subsidiary family of the Ning family, and everything is at the disposal of the Ning family.

At this time, the forum instantly exploded.

“The Ning family, it’s the Ning family again. The Ning family has been very high-profile in recent days!”

“What’s going on? Haven’t the Dong family and the Ning family always been at odds?”

“Overnight, the martial arts world in Kyoto will change, and the major forces will be reshuffled.”

“Let’s see, the Martial Arts Alliance may not be able to sit still.”

Everyone was talking about it.

However, the martial arts alliance was surprisingly quiet, no one spoke up, and no one came forward to find the Ning family!

Just let the Ning family's strength continue to develop.

Time flies, half a month has passed in the blink of an eye!

In the past half month, Ning Zhi of the Ning family has been very high-profile.

Even the Martial Arts Alliance didn't pay attention.

At this time, inside the Demon Suppression Tower!

Chen Ping is still practicing hard, and the spiritual energy around him is constantly nourishing Chen Ping's body.

The dragon crystal in Chen Ping's body began to shine brightly!

Immediately afterwards, waves of divine dragon power began to impact Chen Ping's dantian.

And Chen Ping's Dantian is also constantly changing!

The spiritual power in the body is growing rapidly!

Moreover, Chen Ping's body continued to grow golden scales, then disappeared, and then grew again!

The indestructible golden body activates over and over again!

Chapter: 1832

At this moment, Chen Ping seemed to be in an illusion.

The body slowly disappeared and then appeared again, and the last golden light shone on Chen Ping's eyebrows.

Chen Ping suddenly opened his eyes!

Standing up slowly, Chen Ping felt that his body was full of power, and the power surged out like an overwhelming force.

Chen Ping felt the spiritual power in his body, his eyes filled with joy.

With his spiritual consciousness immersed in his body, Chen Ping found that the golden elixir was emitting a dazzling light, floating above his dantian.

"I still haven't been able to break through the golden elixir and reach the Yuanying realm. It seems that the path of cultivation will become more and more difficult in the future..."

Although Chen Ping is now dozens of times more powerful than before.

But he still couldn't break through, and his current state was only half-step to Wuhou.

Although there is only one step away from Wuhou, some people have not been able to take this step for more than ten years.

Chen Ping looked around. He didn't know how long he had been in.

When Chen Ping walked out of the Valley of the Wicked, what he saw was desolation!

The thick smell of blood was still strong even after more than ten days.

There were vultures circling in the sky, and then eating the corpses on the ground.

Fortunately, the weather is getting cooler now, so the body is not rotting and the temperature in the air is not nauseating.

“What the hell happened?”

Chen Ping frowned tightly.

The corpses on the ground were all from the Valley of the Wicked. It was obvious that a fierce battle had taken place here!

Looking at the state of the corpse, it was obvious that some time had passed.

Chen Ping put away the Demon Suppression Tower and then began to search in the Valley of the Wicked.

He wanted to see if anyone was still alive.

At the entrance of a cave in the Valley of the Wicked, a light flickered inside, proving that there was someone inside.

When Chen Ping walked to the entrance of the cave, he saw two people sitting cross-legged in front of a table.

There are various delicacies on the table, as well as two bottles of wine!

Chapter: 1833

“Damn it, I don’t know when that Chen Ping will come out!”

“It’s been half a month. If he never comes out, we two brothers will have to stay here forever.”

“I heard that people from the Ning family now walk sideways on the street, eating and drinking all day long, and there are still people waiting on them!”

“We brothers are so unlucky. After working with the Ning family for so many years, we finally managed to get ahead, but we ended up in such a bad job!”

One man complained loudly after taking a sip of wine.

“Okay, stop complaining. If the young master’s temper were known, I would definitely tear your head off!”

Another person persuaded.

Soon, the man was so frightened that he stopped talking nonsense and could only drink.

Chen Ping, who was at the entrance of the cave, was deep in thought as he listened.

“Ning family?”

“Is this all done by the Ning family?”

“That Ning Zhi will have the ability to destroy the Valley of Evil?”

Chen Ping couldn’t understand why the Ning family could be wiped out so easily with the strength of the Evil Valley.

After taking a deep breath, Chen Ping slowly walked in.

He decided to ask what happened.

When the two of them saw Chen Ping, they were shocked and dropped the wine glasses in their hands.

“you you you.....”

The two people looked at Chen Ping in shock.

Chen Ping stretched out his hand and grabbed someone in an instant, then slapped that person’s head open with a palm.

Blood splattered on the other person, who turned around and ran away in fear.

But how could he escape from Chen Ping’s grasp.

Chen Ping picked up the man in his hand with one quick step.

“What happened here? You’d better tell me clearly...”

Chen Ping asked the man with a cold glint in his eyes.

Chapter: 1834

Feeling the terrifying aura on Chen Ping’s body.

The guy was so frightened that he quickly told Chen Pingyuan exactly what he knew.

The more Chen Ping listened, the angrier he became, and murderous intent swept over him instantly!

He didn’t expect that in order to protect him, the Valley of Evil would be almost slaughtered to death!

What's more, I didn't expect that Ning Zhi would be so despicable. He took advantage of the Evil Man Valley to come to the Evil Man Valley after a big battle with the Mobei martial arts community.

"what else?"

Chen Ping asked coldly.

"No, that's all I know..."

The man shook his head in horror.

Chen Ping exerted a slight force on his hand, and the man's eyes suddenly widened and he lost his breath.

"Ning family, I will make you pay with blood..."

Chen Ping's body erupted with bloody murderous intent.

After leaving the Valley of the Wicked, Chen Ping rushed towards Kyoto.

No matter how much it costs, he will rescue the four villains.

.....

Kyoto Ning family!

Today, dozens of people from sects and aristocratic families gathered in the Ning family!

Because today is Ning Zhi's birthday.

Ning Zhi, who was young, threw a big birthday party.

Not only the vassal families of the Ning family were invited to participate, but the Martial Arts Alliance was also invited.

Ning Zhi even sent someone to send an invitation to Mr. Shi!

But it's not certain whether Mr. Shi will come.

The entire Ning family was bustling with excitement at this time. Zhao Wuji and the people from the Dharma Protector Pavilion could only maintain order outside!

As the master of the Dharma Protector Pavilion, I didn't receive the invitation at all.

Chapter: 1835

It can be seen that there is no Dharma Protector Pavilion in Ning Zhi's eyes.

"Master, most of the guests are here, but Mr. Shi and the people from the Martial Arts Alliance are not here!"

At this time, the housekeeper whispered in Ning Zhi's ear.

"I knew they wouldn't come."

"Now they look down on me, and in three years I will make them kneel before me."

Ning Zhi's eyes were filled with cruelty.

After sorting out his clothes, Ning Zhi walked towards the hall.

Seeing Ning Zhi coming, the people of many sects and aristocratic families all became quiet.

“Everyone, thank you very much for attending my birthday party. Those who are here today are all friends of my Ning family.”

“I can assure you that as long as you follow me, Ning Zhi, in three years, in just three years, you will all have a place in Kyoto’s martial arts world...”

What Ning Zhi said was crazy, but no one refuted or questioned it!

Everyone applauded desperately and echoed Ning Zhi.

The banquet started, and the scene was a lively scene.

Outside the Ning family villa, a figure slowly appeared, carrying endless killing intent.

“Mr. Chen?”

Zhao Wuji, who was originally maintaining order outside and preventing unrest, saw Chen Ping at a glance.

Chen Ping was also a little surprised when he saw Zhao Wuji.

“Pavilion Master Zhao, what are you doing here?”

Chen Ping asked.

“What kind of birthday party is Ning Zhi holding today? I’m here to maintain order and prevent any sects from seeking revenge and fighting!”

Zhao Wuji explained, and then asked Chen Ping: “Mr. Chen, what are you doing here at this time? But there are many people looking for you!”

“I’m here to kill people...”

Chen Ping looked at the Ning family’s villa.

When Zhao Wuji heard this, he was slightly shocked and quickly stopped Chen Ping: “Mr. Chen, if you want to kill Ning Zhi, today is not the time.”

Chapter: 1836

“There are dozens of people in the Ning family now, all from major sects and families in Kyoto, and they are all masters.”

“And these sects and aristocratic families are all vassals of the Ning family. If you attack Ning Zhi, you will definitely be attacked by these people!”

Zhao Wuji persuaded Chen Ping to go and kill Ning Zhi at this time. Wouldn’t that be seeking death?

“That’s just right. I want to see which sect families are close to the Ning family, and then I will attack them one by one!”

Chen Ping said with a cold expression.

Zhao Wuji saw that Chen Ping was determined and could not persuade him, so he hurriedly left to find Mr. Shi.

If Chen Ping fights against so many families alone, he will definitely lose!

But Zhao Wuji didn’t know that at this moment, Chen Ping’s strength was no longer what it used to be.

Step towards the Ning family villa!

As soon as he reached the door, Chen Ping was stopped by the guard at the door.

“Hello, do you have an invitation?”

The guard asked Chen Ping.

Chen Ping shook his head.

“You can’t come in without an invitation, stay away...”

Seeing that Chen Ping was about to walk inside without an invitation, the guard suddenly turned cold.

“I’m giving you a gift, Master Ning.”

Chen Ping said calmly.

“A gift? What to give?”

The guard saw that Chen Ping had empty hands and no gift at all!

“Give me your head!”

After Chen Ping finished speaking, he reached out and grabbed the guard, and then tore off the head.

Entering the lobby of the villa, Chen Ping threw the head in his hand directly.

Wow.....

Heads were rolling on the table in the middle, and a lot of cups were being prepared.

Chapter: 1837

Everyone was also startled by this sudden scene.

But after all, they are the talkers of various major sects and families, so they have never seen any kind of scene.

Soon the scene calmed down.

Ning Zhi looked toward the door with anger on his face.

When he saw Chen Ping's figure, his eyes narrowed slightly.

"Chen Ping?" Ning Zhi was a little surprised: "I didn't expect you to have come out. Now that you have come out, why don't you run away quickly? How dare you come here to seek death?"

"Where are the four villains?"

Chen Ping asked coldly.

"So you are looking for the four evil men. I can tell you that they are in the water prison of my Ning family. Do you want to accompany him?"

Ning Zhi smiled lightly.

"Stop talking nonsense, surrender or die..."

Chen Ping's voice was extremely cold, with a chilling murderous intent.

"Hahaha, are you out of your fucking mind? You don't even look at the people here."

"You alone dare to come to my Ning family to ask for someone?"

"I think you are tired of living."

Ning Zhi laughed. He didn't think Chen Ping had the ability to kill him in front of so many masters.

"They're just a bunch of rabble. If you don't want to die, leave the Ning family immediately. Anyone who remains, I will make you disappear from Kyoto one by one."

Chen Ping glanced at everyone present.

Chen Ping's words immediately angered everyone. You must know that these people are all heads of sect families, and they have never been so humiliated.

"You are Chen Ping. You are young, but your tone is quite strong. Today I will let you have a taste of my methods!"

The leader of the Dingtian Sect, He, shouted angrily, exuding a violent aura.

"Just you? Are you a lackey worthy of fighting me?"

Chen Ping smiled coldly, and his aura instantly exploded.

"I kill you....."

Chapter: 1838

The leader of the He clan was furious. Although the Dingtian clan was attached to the Ning family, they were called lackeys. How could they bear this?

Sect Leader He struck out towards Chen Ping with one palm, and swept towards Chen Ping with overwhelming energy.

The strength of Wu Zong at his peak cannot be underestimated.

Chen Ping's body exuded golden light, and that terrifying aura made everyone feel their breath tightening instantly!

"Master He, don't be reckless..."

When Ning Zhi saw this, he hurriedly tried to stop him.

Unfortunately, it was already too late. Master He rushed out quickly and headed straight for Chen Ping.

"That's it?"

Chen Ping raised the corner of his mouth, and then punched out.

The fist was shining with bright golden light, and it hit Master He's chest directly.

boom!

I saw Chen Ping's punch directly penetrate the body of Sect Master He.

Blood splattered everywhere, and the bloody smell suddenly came out.

Sect Leader He looked at his pierced chest in disbelief, his eyes full of horror.

His mouth opened slightly, and he wanted to say something, but no words came out. Then he tilted his head and lost his breath.

Chen Ping swung it hard and threw the body of Sect Leader He directly out.

It's like throwing away a dead dog.

"Who else?" Chen Ping glanced coldly.

When everyone saw this, their hearts sank. They didn't expect Chen Ping's strength to be so abnormal.

Even if Chen Ping defeated Long Xiao and killed Guo Wei some time ago, he still tried his best.

But now, the leader of the He clan, who was also at the peak of the martial arts sect, was beaten to death without even having a chance to touch Chen Ping.

Such strength is simply too terrifying.

Ning Zhi's face became a little ugly, and he stared at Chen Ping: "I didn't expect that your strength would increase in a short period of time."

"It seems that the treasures on your body have really benefited you a lot."

Chapter: 1839

During this period, Ning Zhike witnessed with his own eyes that Chen Ping's strength was growing rapidly!

However, Ning Zhi did not think that Chen Ping was talented, but believed that the reason why Chen Ping's strength grew rapidly was because of the treasures in his hands.

“Haven’t you always wanted to get the treasure on me? I’m here now. If you have the ability, come and get it!”

Chen Ping used words to stimulate Ning Zhi.

As long as Ning Zhi takes action against him, Chen Ping will kill Ning Zhi immediately.

However, Ning Zhi was very thoughtful. He knew that he would definitely not be Chen Ping’s opponent if he fought alone, so it was impossible for him to take action against Chen Ping.

“Hmph, Chen Ping, no matter how strong you are, it would be easy for us to kill you if there are so many of us!”

After saying that, Ning Zhi said to everyone: “Everyone, Chen Ping is no longer strong enough to be defeated by one person. Let’s join forces to kill him.”

Everyone nodded, and then a terrifying aura erupted from each of them.

“Chen Ping, this time, you are dead...”

Ning Zhi sneered.

“It’s just a bunch of rubbish...”

Chen Ping clenched his fists, and then pieces of golden scales began to grow on his body!

The indestructible golden body was taken to the extreme by Chen Ping.

Although Chen Ping belittles everyone and looks down on these people, it does not mean that Chen Ping will really despise these people.

If so many martial sects attack together, the power is comparable to an aerial bomb.

No one dares to despise it.

In an instant, rays of light died, followed by countless energy spells heading towards Chen Ping.

So many powerful energy spells made the entire void begin to tremble, and the entire villa collapsed.

Smoke and dust were everywhere, but these people were martial artists, and the collapse of small bricks and stones would not hurt them at all.

Chen Ping faced these people, waved his hand, and the Dragon-Slaying Sword appeared, burning with raging fire and turning half of the sky red.

“Cut the knife to cut off the water...”

Chen Ping swung the dragon-slaying sword in his hand instantly.

Streams of fiery sword energy shot out directly, followed by those powerful energy spells.

Chapter: 1840

Boom boom boom.....

The sound of explosions was endless, like the war of the century.

With so many people born together, even if Chen Ping blocked some of the attacks, there were still a lot of energy spells hitting Chen Ping.

Rays of golden light burst out from Chen Ping's body. Under so many attacks, even with his indestructible golden body, the scales on Chen Ping's body began to fall off and disappear.

Chen Ping did not flinch, his eyes turned scarlet, and his invincible fighting spirit made everyone tremble with fear!

"kill!"

Chen Ping endured countless attacks and swung his sword fiercely.

The sharp sword energy split a sect leader in half in an instant, and blood splattered, turning many people into bloody men.

Such a terrifying scene made many people exclaim!

With so many people attacking Chen Ping alone, even if he had steel and iron bones, he would have been beaten to nothing.

But at this time, although Chen Ping was injured, it was not fatal.

One can imagine how terrifyingly powerful Chen Ping's body is.

"Everyone, we can't be intimidated by Chen Ping. Just hold on, this kid will die..."

Ning Zhi saw that some of these people actually wanted to give up, so he jumped up with his sword in hand.

He couldn't let these people have the mentality to retreat.

If someone escapes at this time, the common defense line established by these people will collapse in an instant.

The reason why the Luo family and the Mobei martial arts world failed to destroy the Valley of Evil was because of this.

So Ning Zhi doesn't want this scene to happen to him!

Ning Zhi's action immediately raised the fighting spirit of others.

One by one, they showed off their special skills and kept bombarding Chen Ping.

Chen Ping was holding the dragon-slaying sword, his body covered in blood, like a god of death, and he didn't care about his own life at all.

Every swing of the sword will take away the life of a leader!

The golden scales on Chen Ping's body have completely disappeared.

The indestructible golden body collapsed and Chen Ping could no longer use it for a short time.
