

The Order 1851

Chapter: 1851

“Mr. Chen.....”

Zhao Wuji looked at Chen Ping’s miserable state and hurriedly stepped forward to help Chen Ping!

At this moment, Chen Ping felt relieved and a mouthful of blood spurted out.

“Mr. Chen, Mr. Chen...”

Zhao Wuji looked panicked!

“Don’t worry, he won’t die...”

Mr. Shi glanced at Chen Ping and said calmly.

“Pavilion Master Zhao, I’m fine!”

Chen Ping smiled slightly at Zhao Wuji.

“Mr. Shi, this Chen Ping broke into my banquet and killed members of my Ning family. I am preparing to teach him a lesson!”

Ning Zhi looked at Mr. Shi and said humbly.

“I took him away and told everyone else to get out...”

Mr. Shi said calmly.

Ning Zhi frowned when he saw that Mr. Shi was taking away Chen Ping.

You must know that Chen Ping is now a lamb waiting to be slaughtered. If Chen Ping is let go at this time, I am afraid he will not have such a good opportunity in the future.

“Mr. Shi, this Chen Ping destroyed my Ning family villa and killed my Ning family members. If you take him away like this, I...”

Snapped!

Before Ning Zhi finished speaking, he felt a strong wind hit him, and then he fell heavily to the ground.

Mr. Shi looked at Ning Zhi with a cold face and his eyes were slightly focused: “Didn’t you hear what I said?”

Ning Zhi slowly got up, his face full of horror!

The other members of the sect’s aristocratic families were also so frightened that they did not dare to breathe.

No one could see how Mr. Shi took action, but Ning Zhi was directly whipped out.

“I heard it, everything is up to Mr. Shi’s arrangement!”

Ning Zhi did not dare to refute at all.

Chapter: 1852

“Let’s go!” Mr. Shi said to Zhao Wuji.

Zhao Wuji hurriedly helped Chen Ping and planned to leave.

But Chen Ping broke away from Zhao Wuji, then shook his head and said: "I must rescue the four evil people today, otherwise I will die here."

"Mr. Chen, in your current situation, you are still a match for these people. Leave first and then talk about it!"

Zhao Wuji persuaded Chen Ping.

"I won't leave without rescuing them, even if I die..."

Chen Ping's eyes were firm.

Zhao Wuji gave Mr. Shi a helpless look.

Although there was displeasure on Mr. Shi's face, he still turned around and looked at Ning Zhi.

"Where are the four evil men imprisoned?"

Mr. Shi asked calmly.

Ning Zhi hesitated for a moment, and finally said: "Lock him up in the dungeon!"

"Take me there and release them all..."

Mr. Shi's strong tone was an order.

Ning Zhi nodded, he did not dare to go against Mr. Shi's wishes.

Even if the Ning family is in Niu, they are still official.

Ning Zhi took Mr. Shi and Chen Ping towards the dungeon!

The Ning family's dungeon was very dark, and the four evil men were all locked inside.

Each person's collarbone is hooked by a special hook to prevent them from escaping.

In the next room, Dong Jiahao is locked up.

After being locked up in the dungeon for this period of time, Dong Jiahao's hair was disheveled and his expression became much duller.

"son....."

When Dong Liqun saw that his son was imprisoned in the dungeon by Ning Zhi and turned into this state, his body suddenly burst into anger!

"Ning Zhi, I will fucking kill you, how did you agree to me?"

Chapter: 1853

Dong Liqun burst out with murderous intent and struck Ning Zhi with one palm.

Dong Liqun always thought that Ning Zhi just put Dong Jiahao under house arrest, but in terms of food, clothing, housing and transportation, it shouldn't be too harsh.

But who would have thought that Ning Zhi would actually imprison Dong Jiahao in the dungeon.

Ning Zhi panicked and quickly backed away!

As soon as Dong Liqun took action, Mr. Shi waved his hand, and Dong Liqun was instantly controlled against the wall, unable to move.

You must know that Dong Liqun is a Marquis of Wu, and he is so miserable in front of Mr. Shi!

This shows how strong Mr. Shi is.

“Do you think I don’t exist? If anyone dares to do anything again, don’t blame me for being ruthless!”

After Mr. Shi finished speaking, he lost his strength, and Dong Liqun fell to the ground.

Everyone looked at Mr. Shi and did not dare to express their anger.

Dong Liqun stood up, opened the iron door in front of him with one palm, and rescued Dong Jiahao.

Seeing Dong Liqun, Dong Jiahao burst into tears instantly.

During this time, he didn’t know how much he suffered!

At this moment, Chen Ping looked at the four villains who were suspended in the air like animals, with raging anger in his eyes.

Chen Ping slowly grasped the iron gate fence in front of him with both hands.

Then, a faint blue flame began to burn.

The hard iron fence began to slowly melt.

Chen Ping's eyes were scarlet and he gritted his teeth, using up the last bit of spiritual power he could muster in his body.

After opening the door, Chen Ping suddenly spurted out a mouthful of blood!

"Mr. Chen....."

When the four villains saw Chen Ping vomiting blood, they all screamed in surprise.

Zhao Wuji stepped forward to help Chen Ping, but Chen Ping waved his hand to stop him.

Dragging his extremely tired body, Chen Ping stepped forward and rescued the four villains from the iron hook.

After being freed from the iron hook, the strength of the four villains instantly recovered.

Chapter: 1854

Ding Buda stepped forward to help Chen Ping, his eyes full of shame and said: "Mr. Chen, I'm sorry..."

Chen Ping looked at the two bloody holes on the shoulder armor of the four villains, his eyes full of remorse.

They all suffered like this because they protected him.

Ding Buda saw the self-blame in Chen Ping's eyes, so he immediately said: "Mr. Chen, the injuries on our bodies are nothing, but you are too weak now!"

"Mr. Chen, the four of us brothers have been through all kinds of scenes, so this little injury is nothing!"

Ding Busan said carelessly.

“let’s go!”

After Chen Ping finished speaking, he was supported by Ding Buda and slowly walked out.

When passing by Ning Zhi, Chen Ping suddenly stopped and looked at Ning Zhi fiercely: “Remember, within ten days, I will make your Ning family disappear...”

After saying that, Chen Ping glanced at the people from the sect families behind Ning Zhi: “And you, all the people who belong to the Ning family will die...”

Ning Zhi narrowed his eyes slightly and stared at Chen Ping, but did not say a word. Instead, he finally looked at Mr. Shi and said: “Mr. Shi, is it too much for Chen Ping to threaten me like this in front of you?” Don’t I give you face anymore?”

“Chen Ping, if you dare to cause trouble in Kyoto, don’t blame me for taking you to the prison...”

Mr. Shi said with a serious face.

Chen Ping did not speak, but turned around and walked out of the dungeon.

Dong Liqun also walked out with Dong Jiahao.

When leaving the Ning family, Dong Liqun’s eyes were fierce and murderous.

This time, the Dong family and the Ning family will be bitter enemies.

“You should leave Kyoto recently. I can’t protect you all the time.”

“If I hadn’t appeared today, you would have been a corpse now.”

“Your strength is indeed good, but you are not strong enough to challenge many families!”

After leaving the Ning family, Mr. Shi said to Chen Ping.

Chen Ping did not speak, his eyes still had murderous intent. It seemed that he would not leave Kyoto if the Ning family could not be destroyed.

Seeing Chen Ping like this, Mr. Shi shook his head and left.

Chen Ping followed the four evil men back to the Valley of Evil.

Chapter: 1855

Moreover, Chen Ping asked Zhao Ligu to directly move the entire Wuying Villa to the Valley of the Evil Ones.

This fierce battle in the Valley of the Evil caused almost all casualties.

Chen Ping decided to rebuild the Valley of the Wicked. In addition, Wuying Villa is located in Kyoto and is crisscrossed with major family forces, so it is easily attacked!

Relocating Wuying Villa to the Valley of the Wicked would be better and safer in terms of geographical location.

There is also Wuying Villa and Evil Valley, both of which are part of the Tianlong Palace. There is nothing inappropriate about merging them together.

Three days later!

With the blessing of the Demon Suppressing Tower, Chen Ping’s injuries have healed, and the spiritual power in his body is also extremely full!

All four villains were also arranged by Chen Ping to enter the Demon Suppressing Tower to practice and heal their wounds!

However, the healing speed of the four villains is much slower than that of Chen Ping.

It would take at least ten days and a half for the four of them to return to their peak.

When Chen Ping came out of the Demon Suppression Tower, he found that Zhao Chuang and his people were guarding the surroundings.

These people guarding the tower are all the most elite people in Wuying Villa.

“Brother Chen...”

Seeing Chen Ping coming out, Zhao Chuang hurriedly greeted him.

“Zhao Chuang, how long have I been in the tower?”

Chen Ping asked Zhao Chuang.

Inside the tower, he had no way of estimating the time.

“Three days, I didn’t expect your body to recover so well in three days!”

Zhao Chuang looked at Chen Ping and said.

Chen Ping was also a little surprised. He didn’t expect that within three days, his body would recover and his spiritual power would become extremely abundant.

“You practice well in the valley, I’ll go out for a while...”

Chen Ping patted Zhao Chuang on the shoulder and said.

“Brother Chen, what are you going to do?”

Zhao Chuang asked puzzledly.

Chapter: 1856

Chen Ping’s eyes showed murderous intent: “I will destroy the Ning family and avenge my dead brothers...”

After saying that, Chen Ping walked out.

“Brother Chen, it’s too dangerous for you to go alone. I’ll tell my dad and ask him to take someone with you!”

Zhao Chuang quickly said to Chen Ping.

“No need, you stay in the valley, no one can leave.”

After saying that, Chen Ping’s figure disappeared from the mouth of the valley.

Chen Ping was dressed in black and had a black hat on his head.

If you don’t look closely, it’s hard to tell it’s him.

When Chen Ping entered the realm of Kyoto, a cold light flashed in his eyes.

When Chen Ping stepped into Kyoto, the first thing he did was to call Zhao Wuki.

He and Zhao Wuji wanted to take over all the sects and aristocratic families that were attached to the Ning family.

Chen Ping said that he would destroy the Ning family!

And those sects and aristocratic families that are attached to the Ning family also belong to the Ning family's power.

Although Zhao Wuji didn't know what Chen Ping was going to do, he still gave Chen Ping the list.

Looking at the sects and aristocratic families on the list, Chen Ping's murderous intent rose!

Xuanyang Sect is considered a small sect in Kyoto!

Sect Leader Yang of Xuanyang Sect is only a sixth-grade martial arts sect.

Many times, Xuanyang Sect applied to join the Martial Arts Alliance, but was unable to join because of insufficient conditions.

Small sects like this are everywhere in Kyoto, so Xuanyang Sect hopes to find a backer.

Only in this way can we live in Kyoto safely.

Since they could not join the martial arts alliance, Xuanyang Sect chose to attach themselves to the Ning family when the Ning family was in great glory.

On this night, Yang, the head of the Xuanyang Sect, was sleeping with his newly married wife in his room.

But inside the sect, a dark shadow has entered!

Soon, the entire Xuanyang Sect was wailing and the flames were shooting into the sky!

Chapter: 1857

Sect Leader Yang of Xuanyang Sect was also woken up and came out with weapons in hand.

When he saw the corpses all over the ground and the entire sect being almost massacred, he was stunned.

“who are you?”

Sect Leader Yang looked at the man dressed in black in front of him and roared angrily.

After Chen Ping killed the last Xuanyang Sect disciple, he slowly turned around...

When Sect Leader Yang saw Chen Ping, he was frightened.

“Chen...Chen Ping?”

Sect Leader Yang's eyes showed fear!

He was also present when they besieged Chen Ping that day.

Chen Ping looked at Sect Master Yang coldly, and with a wave of his hand, a strong wind came out quickly!

Sect Leader Yang's head was chopped off directly by the strong wind.

Chen Ping slowly bent down and picked up the head. At this moment, there was no emotion in Chen Ping's eyes.

Just like a killing machine!

"The next one..."

Chen Ping carried the head and left.

In just one night!

Six sects and families in Kyoto were destroyed!

Without exception, these sects and aristocratic families are all dependent on the Ning family.

In Kyoto, everyone dared to do this and had a clear goal. Everyone immediately pointed the finger at Chen Ping.

"This Chen Ping is really a man. It has only been three days, but he has come back with revenge!"

"This time, the Ning family is probably going to have a headache."

"Let's wait and see today. Many sect families will make statements and break away from the Ning family!"

Everyone was talking about it!

At this moment, in the Ning family hall!

Chapter: 1858

Ning Zhi's face turned red with anger, and he smashed the coffee table in front of him with one palm.

"Chen Ping, you bullied me too much, I'm going to kill you..."

Ning Zhi roared, his eyes filled with anger!

"Young Master, now many sects and aristocratic families have made statements one after another and left our Ning family."

"On the martial arts forum, many people are watching our Ning family's jokes!"

The butler whispered.

Ning Zhi was shaking with anger. He didn't expect that the Ning family, which was so famous a few days ago, would now become a joke!

Even though Ning Zhi was thinking carefully and was not happy, he was going crazy at this moment.

"Go and gather all the middle and high-level people in the Ning family. Then Chen Ping will definitely come here. I will wait for him here. Even if the King of Heaven comes this time, I will kill him!"

Ning Zhi gritted his teeth and said.

Soon, all the middle and high-level experts outside the Ning family were called together again.

These are the main force of the Ning family, but now that they are called back, the Ning family's external forces will inevitably be affected.

Kyoto Martial Arts Alliance!

Zhu Zhishan called together several heads of big families in the alliance.

Among them is Long Jingguo of the Long family!

This time's meeting was different from the past, because there were actually a few more people wearing black clothes and covering their faces with black scarves.

When seeing these people, all the heads of the major families were slightly startled.

Because I have never seen these people in the martial arts alliance before.

"I called you here today to talk about Chen Ping. Have you heard about what happened last night?"

Zhu Zhishan asked slowly.

"I heard that Chen Ping wiped out six sects and aristocratic families in one night, and they were all affiliated with the Ning family."

someone answered.

"This Chen Ping's courage is indeed beyond my expectation. The more this guy is like this, the more cautious we must be with him!"

"Especially Mr. Shi, who has always taken special care of Chen Ping!"

Chapter: 1859

"If Mr. Shi hadn't come forward, Chen Ping would have died in the Ning family long ago!"

“It seems that if we want to deal with Chen Ping, we must also come up with a perfect strategy to prevent Mr. Shi from taking advantage of him!”

Zhu Zhishan said with a slight frown.

“We just send people to assassinate Chen Ping. Who can find out?”

A family head said.

“It’s not that easy. Don’t look down upon the authorities. Maybe Mr. Shi can see every move we make!”

Zhu Zhishan said.

“Then what should we do? Send someone to challenge Chen Ping? But among the younger generation now, there are not many people who can defeat Chen Ping.”

“If we old guys come forward to challenge, it will become a joke in the entire martial arts world.”

Long Jingguo asked.

“Of course there is a way. We can’t come forward to kill him, but someone can come forward...”

After Zhu Zhishan finished speaking, he glanced at the men in black and said slowly: “These people are here specifically to deal with Chen Ping, so you need to cooperate with them and provide information!”

Several heads of big families looked at the man in black in front of them and looked at each other. They wanted to say something, but no one spoke.

“Zhu Alliance Leader, who are these people? They are not evil cultivators, are they?”

Long Jingguo asked.

Because when they came in, they felt that the auras of these people were a little different.

“Yes, they are indeed evil cultivators!”

Zhu Zhishan nodded and admitted!

This time, Long Jingguo and the others were frightened, and their faces changed drastically!

None of them expected that Zhu Zhishan would admit so readily that these people were evil cultivators.

And he didn't hide it from them!

“Zhu Alliance Leader, what do you mean by this? Don't you know the consequences of colluding with evil cultivators?”

“If the authorities find out about this, we will all be in trouble!”

Long Jingguo said with a solemn expression.

Chapter: 1860

“Do you think we won't be unlucky if the officials don't know?”

Zhu Zhishan snorted coldly: “Let me tell you, the entire martial arts world in Kyoto is about to undergo a major reshuffle. It won't take long before many sects and aristocratic families will disappear!”

“And those evil cultivators and masters hiding in the dark will slowly surface!”

“Don't be so naive as to think that those evil cultivators have really been eliminated. In fact, they are hiding in the dark, even hiding around you and me.”

“A large part of the reason why Mr. Shi is so indulgent of Chen Ping is because he wants Chen Ping to muddy the waters of the martial arts world, and then the officials will arrest all of us on unfounded charges!”

“Now we can only act first and let these evil cultivators kill Chen Ping. Then Mr. Shi will not suspect us.”

Zhu Zhishan’s words made several family heads fall into deep thought.

“Zhu Alliance Leader, Zang Qing, the leader of the Sha Sect, was also sent by you to kill Chen Ping that day?”

Long Jingguo remembered that some time ago, on the high-profile road, Zang Qing came to kill Chen Ping.

These evil cultivators are hiding in the dark, following Chen Ping without any grievances, but they suddenly show up in a high-profile manner and want to kill Chen Ping. Someone must be directing them!

“Yes, it was my order!”

Zhu Zhishan nodded: “It’s just that this guy was too weak and was actually killed by Chen Ping.”

Several family heads looked at Zhu Zhishan in surprise, wondering what kind of ability Zhu Zhishan had, that he could actually order those evil cultivators.

“Zhu Alliance Leader, who are you? Why do those evil cultivators listen to you?”

Long Jingguo expressed his doubts.

“You don’t need to ask these questions. You just need to remember that we are grasshoppers on a rope now. No one can escape. Since I chose Gao to tell you this, I am not afraid of your nonsense. Do you understand?”

After Zhu Zhishan finished speaking, behind Zhu Zhishan, a terrifying aura suddenly enveloped the entire conference room.

Feeling this aura, whether it was Long Jingguo or other family heads, their eyes widened with horror on their faces!

They have never felt such a powerful aura!

You must know that everyone in Long Jingguo is in the realm of Wuhou. It can make them still frightened. What level of strength has they reached!

But soon, that aura was withdrawn, as if it had never been revealed!

Several family heads looked at Zhu Zhishan with very complicated expressions.

They knew that such a terrifying aura could never come from Zhu Zhishan.

This shows that behind Zhu Zhishan, there are even more powerful people.
