

## **The Order 1871**

Chapter: 1871

Dong Liqun trembled with fright and hurriedly left with the Dong family.

“Mr. Shi, why did you save Ning Zhi? And let Mr. Chen stay away from Kyoto?”

At this time, Zhao Wuji walked up to Mr. Shi and asked in confusion.

Mr. Shi looked at the dying Ning Zhi and then said: “It wasn’t him I saved, but Chen Ping.”

“If he stays in Kyoto, he will definitely die...”

Zhao Wuji was stunned, feeling that Mr. Shi seemed to know something.

However, he did not dare to continue asking. There were some things that he should not know at his level.

After Mr. Shi left, some of the remaining servants of the Ning family hurriedly carried Ning Zhi into the room for treatment!

It’s just that Ning Zhi’s injuries were too serious. Even if he survived, he might have to spend the rest of his life in a wheelchair.

As the eldest son of a martial arts family and the only heir, Ning Zhi would be better off dead if he spent the rest of his life in a wheelchair.

The servants were helpless and could only wait for Ning Dahai to leave the customs before talking.

Ning Zhi was the only one left in the room, and the pain all over his body made him faint several times.

Although he couldn't move now, the anger in his eyes was still burning.

"Chen Ping, if I don't kill you, I swear I won't be a human being..."

Ning Zhi shouted, but unfortunately no matter how hard he tried, the sound he made was very weak.

"Do you want to kill that Chen Ping?"

At this moment, an old and distant voice suddenly sounded in Ning Zhi's ears.

"Who? Who is it?"

Ning Zhi hurriedly turned his head and saw a figure slowly appearing in the room.

This figure appeared out of thin air. Ning Zhi tried his best to open his eyes wide, but he still couldn't see clearly what the figure looked like.

It seemed that the person in front of him was not a person at all, but a shadow.

But why can shadows talk?

"You don't need to care who I am, I can help you heal your body, and I can also help you kill that Chen Ping!"

The figure said slowly.

Chapter: 1872

"Then what do you want me to do?"

Although Ning Zhi was seriously injured, his thinking was not affected. He knew that there was no good thing in the world.

Since this person wants to help him, he must also want to get what he wants.

“Sure enough, you are really smart. It seems that I found you right!”

The figure smiled faintly: “What I need is your body.”

“my body?”

Ning Zhi was stunned, not understanding what the figure meant.

“I am just a consciousness now, so I need to live in someone else’s body, and you are the person I want to live in!”

The figure explained.

When Ning Zhi heard this, he immediately understood. However, a spiritual consciousness could actually have autonomous consciousness, which shows how terrifying the strength of the main body is.

“As long as you can help me kill Chen Ping, I promise you...”

Ning Zhi’s eyes flashed with viciousness, as long as he could kill Chen Ping, he would do anything.

“Hahaha, don’t worry...”

The figure laughed, and then a white light flashed.

Ning Zhi felt something penetrated into his mind.

At this time, the old voice sounded in his mind: "You have a good foundation, and with my guidance, you will be able to kill Chen Ping soon."

"I will heal your body first..."

Soon, Ning Zhi's body began to emit a faint white mist, and the mist enveloped Ning Zhi.

An hour later, the white mist disappeared.

However, the injuries on Ning Zhi's body disappeared, and it was as if he had never been injured at all.

Ning Zhi's face was full of excitement, and he stood up hurriedly to check it out.

But just when he stood up, his body tilted and he almost fell.

Ning Zhi looked at his legs and found that one leg was a little bent and he was limping when he walked.

"Your hamstring is gone. I can only help you stand up. As for walking normally, it's impossible."

Chapter: 1873

The old voice said.

"Am I going to become a cripple in the future?"

Ning Zhi asked with a frown.

"Yes, this is already a good result."

said the voice in his head.

Ning Zhi gritted his teeth and clenched his fists: "Chen Ping, I will make your life worse than death..."

.....

After Chen Ping left, he went directly to Yaoshen Valley. Since Mr. Shi had told him to stay away from Kyoto, Chen Ping didn't dare not listen!

He was going to Yaoshen Valley to explain the matter and take a look at Long Wu and Gu Ling'er.

Now that the Valley of the Wicked is being rebuilt, a large amount of herbs and elixirs are needed from the Valley of the Medicine God.

Chen Ping needs to explain to Xu Changsheng.

Leaving Medicine God Valley, Chen Ping went to Evil Man Valley. At this time, the four evil men were still recovering in the Demon Suppression Tower!

Chen Ping told Zhao Ligu a few words and told him that he would be away for a while.

Although Zhao Ligu didn't know why Chen Ping left suddenly, he didn't ask any more questions.

Chen Ping left the Valley of the Wicked and headed southwest. Chen Ping did not drive or fly, but walked on foot!

The spiritual energy is condensed on the soles of the feet, and the speed of the quick steps is not slow!

But this time, Chen Ping did not bring out the Demon Suppressing Tower, so his cultivation needed to rely on the spiritual energy of heaven and earth or find a place filled with spiritual energy.

The reason why Chen Ping did not take away the Demon Suppressing Tower was firstly to heal the wounds of the four evil villains, and secondly to temper his own state of mind!

During this period, Chen Ping found that he had accelerated his practice by relying on the Demon Suppression Tower and the Nine Thousand Miles of Mountains and Rivers Map.

But in this way, he always felt that his strength was not very condensed, and if he wanted to break through to the realm of Yuanying, it would be difficult to break through with the help of magic weapons.

If Chen Ping wants to break through now, he needs an opportunity, so he plans to temper himself, and maybe he can find an opportunity to break through.

Chen Ping walked and felt the mountains and rivers along the way!

While passing through Hongcheng, Chen Ping took a day off and met his parents, Su Wenzong, Gu Wentian, Lin Tianhu and the others.

Then continue on the road, heading southwest.

Chapter: 1874

Soon, Chen Ping arrived at a place called Wancheng.

We are almost at the southwest border here!

There are green jungles, mountains, rivers and picturesque scenery everywhere!

At this time, the north has already been biting by the cold wind, but here it is like spring all year round!

Chen Ping did not choose to go to a bustling city, but to find some dense mountains and forests to walk.

Maybe in a place like this, we can have some chance, or meet some sects!

Spots of sunlight fell on Chen Ping's body through the gaps in the branches and leaves.

When Chen Ping continued to walk forward for a certain distance, he suddenly found that the sky was much darker.

Very little sunlight penetrates the branches and leaves. It is obvious that the trees here are going to become taller and have lush branches and leaves!

"How come the trees here are so lush in the same place?"

Chen Ping was a little surprised.

After all, they are all on the same land, and the growth of trees should not be so different.

A ray of consciousness was released by Chen Ping, and he began to feel the surrounding atmosphere.

Soon, Chen Ping discovered that there was a huge boulder not far ahead. The boulder was more than ten meters high, and in the middle of the boulder, there was a hole more than two meters high!

"What is this? Has this boulder been hollowed out?"

Chen Ping frowned slightly, but he speeded up and quickly reached the boulder.

It was obvious that there was a clearing here that had been artificially mined.

And the spiritual energy here is obviously richer than other places.

“There must be something weird about this stone!”

Chen Ping looked at the entrance of the huge rock and found that it was just an ordinary hole. From one end, he could see the other end.

It didn't seem to be anything special, but the sudden appearance of a huge boulder in this dense jungle was obviously a bit unconventional.

This time, Chen Ping closed his eyes slightly and directed his consciousness toward the boulder. He wanted to find out what was weird about the boulder.

But as soon as Chen Ping's consciousness headed towards the boulder, he was directly shaken back by a huge counterattack force.

“This boulder has been enchanted?”

Chapter: 1875

Chen Ping was very surprised.

Looking at the small hole, Chen Ping got in without any hesitation.

But when Chen Ping just got into the hole, the scene in front of him suddenly changed.

I saw a large area of houses piled with stones appearing in front of me.

There are walls around it and a gate tower with the three characters “Red Lotus Palace” written on it.

The words are blood red and very bright!

Seeing this scene, Chen Ping realized that this place was covered with illusions!

Most people passing by cannot see the Red Lotus Palace, and the entrance to the Red Lotus Palace is the entrance of the huge stone.

Passing through the hole, you can break through the illusion and see the Red Lotus Palace.

“This sect is quite interesting. It can set up such a large illusion formation. It seems that the strength of this palace master is extraordinary...”

Chen Ping thought and walked towards the palace gate.

This place is very full of spiritual energy and is a good place for cultivation, so the ancestor of the Red Lotus Palace definitely had a good vision in choosing this place.

As soon as Chen Ping walked to the door, two girls in purple clothes appeared and stopped him.

“Who are you? Why did you break into my Red Lotus Palace?”

One of the girls asked Chen Ping loudly.

Moreover, there was even a girl with an explosive aura, her face was gloomy, and her eyes were full of hostility.

Seeing this, Chen Ping hurriedly explained: “I didn’t mean to offend, and I hope the two sisters won’t take offense. I just came here to play and came in by mistake.”

“Since you entered by mistake, leave quickly, otherwise we won’t be polite.”

The auras of the two girls were locked on Chen Ping.

And Chen Ping smiled slightly. These two girls were at the level of the Grand Master. Even if Chen Ping stood still, they would not be able to hurt Chen Ping at all.

However, Chen Ping had no intention of causing a conflict with the two girls. He also entered their territory by mistake. Since they didn't welcome them, he just left.

"Don't be nervous, you two, I'll leave right away..."

After Chen Ping finished speaking, he turned around and left!

But just as Chen Ping turned around, suddenly a girl in blue clothes jumped down from the stone wall.

Chapter: 1876

"Wait a moment....."

The girl shouted towards Chen Ping.

Chen Ping turned around and looked at the girl in blue clothes, and asked in surprise: "Is there anything else?"

This girl in blue clothes is only a teenager, but she is already at the level of a grand master, which shows that her talent is extremely good.

"Let me ask you, is your name Chen Ping?"

The girl in blue asked Chen Ping.

Chen Ping was stunned for a moment, then nodded: "Yes, how do you know me?"

Chen Ping was very surprised, how could this girl hand over her name.

You have to know that I have never been to this place, and it is thousands of miles away from Hongcheng. Chen Pinghuo has never been here before.

And Chen Ping was convinced that he had never seen the girl in front of him.

“Sure enough, it’s you, I just looked like you!”

Seeing Chen Ping’s admission, the girl immediately became happy and hurriedly ran to Chen Ping, looking at Chen Ping with admiration: “I have seen you on the martial arts forum, and you also defeated Long Xiao and killed Kyoto Martial Arts Guo Wei, director of the alliance.”

“A few days ago, did you destroy several sect families in Kyoto and call them Banning’s family?”

“You are my idol. I like you so much. I also want to go to Kyoto to find you, but my sister won’t let me...”

The girl looked at Chen Ping happily, with a bit of restraint in her joy.

Chen Ping was a little surprised. He had destroyed several affiliated aristocratic families of the Ning family, and in just a few days, the aristocratic family had spread here?

It seems that he is quite famous in the martial arts world.

But Chen Ping doesn’t know whether this is good or bad for him...

“I.....”

Chen Ping was speechless for a while. He seemed to feel like a star being sought after now!

But looking at the teenage girl in front of him, fortunately she didn’t go to Kyoto to look for him. If something happened on the way, Chen Ping would be one of the culprits.

“Come with me, I will take you to see my sister. My sister will be extremely happy to see you.”

The girl stepped forward and took Chen Ping’s arm, and walked towards the Red Lotus Palace. As she walked, she said: “My name is Xiao Min, and my sister also likes you. She secretly reads your messages on the forum, and even You saved your photo and thought I didn’t know!”

Just like this, Chen Ping was pulled by Xiao Min and walked forward helplessly.

Chapter: 1877

Along the way, Chen Ping saw many girls wearing purple clothes. After seeing Xiao Min, they all looked respectful.

Among the girls in purple clothes, there are also some in white clothes.

But obviously there are very few girls wearing white clothes.

Looking at the many girls, Chen Ping sighed, wondering if he had entered the country of girls.

The girls also looked at him with surprised eyes, and then whispered timidly.

This made Chen Ping a little embarrassed. He could only lower his head slightly, not daring to look around, and followed Xiao Min forward.

“Xiao Min, are all of you in Honglian Palace women?”

Chen Ping asked curiously.

“Yes, our Red Lotus Palace all has female disciples. Our ancestors prohibit us from accepting male disciples, and these female disciples must be innocent.”

Xiao Min followed Chen Ping without hesitation.

Then Xiao Min began to introduce the Red Lotus Palace to Chen Ping, and also told the history of the Red Lotus Palace.

Chen Ping simply didn't regard Chen Ping as an outsider. Xiao Min's trust and enthusiasm made Chen Ping feel warm in his heart.

But looking at the girls in Honglian Palace, and they are all innocent, wouldn't this place become a paradise for men?

There must be many men snooping here.

It's no wonder that the Red Lotus Palace would set up such a large illusion array to hide the entire Red Lotus Palace. This would save a lot of trouble.

Chen Ping was led by Xiao Min and soon arrived in front of a palace-like house.

Xiao Min walked in with Chen Ping, and the guard at the door did not stop him.

After entering, Xiao Min knocked on the door of a room.

"Who is it?"

A woman's cold voice came.

"Sister, it's me!"

Xiao Min said loudly.

“You girl, didn’t I punish you to guard the palace gate? Why did you come back?”

the woman asked angrily.

Chapter: 1878

“Sister, I will bring you someone. I guarantee that you will be happy to death when you see him.”

Xiao Min said with excitement.

“Stop playing tricks on me. Guard the palace gate for three days, not even one day.”

The woman said coldly.

“Sister, I really bring you someone you really want to see.”

Xiao Min said anxiously.

“Then come in!”

Xiao Min and Chen Ping opened the door and walked in.

When Chen Ping walked into the room, he glanced around and saw a handsome girl wearing red clothes, with a cold face, white skin, sitting behind the table.

It’s just that there is a bit of sadness between the girl’s eyebrows!

When the woman looked up and saw Chen Ping, she was also slightly startled.

“Brother Chen, this is my sister. Her name is Ji Ruxue. You can just call her Xiaoxue. She is also the palace master of Honglian Palace now!”

Xiao Min followed Chen Ping’s introduction.

“Hello, Palace Master Ji! I broke into your Red Lotus Palace accidentally, I hope you won’t be offended!”

Chen Ping said very politely.

But Ji Ruxue didn’t say a word, and her eyes widened when she looked at Chen Ping.

“Sister, Brother Chen is talking to you!”

After Xiao Min reminded her, Ji Ruxue finally realized,

“Hello, please sit down, Mr. Chen!”

Ji Ruxue stood up politely, asked Chen Ping to sit down, and ordered tea to be served.

“Xiao Min, go guard the palace gate!”

After serving tea, Ji Ruxue said to Xiao Min.

“elder sister.....”

Xiao Min glanced at Chen Ping, obviously she didn’t want to go, she wanted to stay with Chen Ping for a while!

Chapter: 1879

“Go quickly, this is an order...”

Ji Ruxue’s face turned cold, and Xiao Min was so frightened that she hurriedly left. When leaving, she didn’t forget to look at Chen Ping a few more times.

After Xiao Min left, Ji Ruxue and Chen Ping were the only two people left in the room.

“Mr. Chen, could it be that you came here after reading the announcement?”

Ji Ruxue took a sip of tea and asked lightly.

“Announcement? What announcement?”

Chen Ping looked surprised: “I came to your Red Lotus Palace, and I really broke in unintentionally. I hope Palace Master Ji won’t misunderstand!”

Chen Ping didn’t know what the announcement Ji Ruxue was talking about, nor what Ji Ruxue meant.

Ji Ruxue looked at Chen Ping and realized that Chen Ping really didn’t know anything about it, so she smiled lightly: “Mr. Chen, you accidentally broke into my Red Lotus Palace. It’s fate. Now that Mr. Chen is here, I should treat you well.” .”

“It’s a pity that our Honglian Palace has a lot of things going on in the past two days, so we can’t entertain Mr. Chen. I hope Mr. Chen won’t be offended!”

“You can visit our Red Lotus Palace for two days, but after two days, Mr. Chen must leave!”

Chen Ping was slightly stunned. He didn’t expect that Ji Ruxue would issue an eviction order without doing anything!

Na Xiaomin also said that Ji Ruxue liked her and secretly collected her photos.

Now it seems that Ji Ruxue is not very enthusiastic about herself?

“Palace Master Ji, I just broke in unintentionally. Since it’s inconvenient, I’ll just leave!”

Chen Ping never thought about staying in Honglian Palace for a long time.

“Mr. Chen, I’m so sorry!”

Ji Ruxue said apologetically.

“No, no, no, I was the one who barged in, sorry!”

Chen Ping also felt that he was a little reckless.

“Palace Master, several elders have arrived...”

At this time, a disciple from Honglian Palace walked in and said.

“Mr. Chen, I’m sorry, I’m sorry to be with you!” Ji Ruxue stood up and said apologetically: “Mr. Chen can take a stroll before leaving. I have given the order and no one will stop Mr. Chen.”

“Thank you, Lord Ji, please do as you please...”

Chapter: 1880

Chen Ping stood up and said politely.

After Ji Ruxue left, Chen Ping also walked out of the room and looked at the antique Honglian Palace. Chen Ping decided to walk around casually, appreciate it for a while, and then leave!

Unknowingly, Chen Ping arrived behind the Red Lotus Palace. Behind it was a rocky mountain with a clear stream flowing slowly at the foot of the mountain.

And these streams gathered together to form a medium-sized lake.

But these lakes contain a lot of spiritual energy.

It is precisely because of this that Chen Ping feels full of spiritual energy in Honglian Palace!

“This stream actually contains spiritual energy, it’s really rare!”

Chen Ping bent down, took a sip of water and drank it.

Instantly, a cool, sweet, and very comfortable feeling spread throughout the body.

“It’s really weird...”

Chen Ping looked at the clear stream, and then began to walk along the stream towards the mountains.

I don’t know how far I walked, but Chen Ping finally reached the end of the stream. This was a cave halfway up the mountain!

The stream flows out of the cave.

And standing at the entrance of the cave, gusts of breeze blew out from the entrance of the cave, and the thick spiritual energy rushed towards him, making Chen Ping feel refreshed.

Looking at the dark entrance of the cave, Chen Ping pinched the magic formula, and a ball of spiritual fire burned instantly.

After lighting up the path inside, Chen Ping got in without hesitation.

I don't know how long I walked, but I reached the bottom of the cave. There was no road ahead, and it was blocked by a huge rock.

However, the stream still slowly flows out from the gaps in the boulders.

It seems like there should be space behind the boulder!

Chen Ping looked at the boulder in front of him, golden light flashing on his fists.

Then he punched it out.

Unfortunately, under this punch, the boulder did not move at all.

“how so?”

Chen Ping frowned.
