

The Order 1881

Chapter: 1881

With his current strength, he can blow up a hill with one punch, but he can't even break the stone in front of him!

Chen Ping punched again, but after dozens of punches in a row, the boulder was still intact!

However, gravel kept falling around the cave, as if it was about to collapse!

Seeing this, Chen Ping didn't dare to take action anymore, maybe the cave would collapse and he would be buried inside.

Chen Ping looked around and found that the surrounding areas of the cave were very ordinary, nothing special!

But where did this rich spiritual energy come from?

Feeling the spiritual energy rolling in, Chen Ping simply sat cross-legged.

As the Heart Condensation Technique was running, the thick spiritual energy surged into Chen Ping's body.

Chen Ping's eyes flashed, and he discovered that these auras were actually different from the auras he had absorbed during his previous cultivation.

No matter whether it is the spiritual energy absorbed from the Demon Suppressing Tower or the Nine Thousand Miles of Mountains and Rivers Map, it is not as pure as the spiritual energy here!

As for the spiritual energy obtained from those magical weapons and medicinal materials, it is even more incomparable.

The aura here is more like a natural product of heaven and earth, just like unpolluted water, which tastes sweet and pleasant to drink.

Chen Ping was very happy. Maybe with these pure spiritual energy, he could break through to Yuanying, which is the realm of Wuhou!

Not daring to delay at all, Chen Ping closed his eyes slightly and entered a state of cultivation.

As for Ji Ruxue's instruction that she must leave the Red Lotus Palace within two days, Chen Ping had long forgotten it.

At this time, Ji Ruxue was in the hall, discussing something with several elders wearing white dresses.

Everyone looked solemn, especially Ji Ruxue, who looked very ugly!

"Palace Master, there are only three days left until the time given by Xiang Chong. If we can't find help, we in Red Lotus Palace will have to fight to the death."

An elder said to Ji Ruxue.

"It's been a few days since our announcement was made, but no one has expressed their opinion yet?"

Ji Ruxue asked.

Several elders looked at each other and finally shook their heads.

One of the elders said: "Palace Master, although our offer is very tempting, Xiang Chong is well-known and cruel. No one dares to offend him."

“What’s more, behind Xiang Chong is the Holy Beast Palace, no one wants to offend him!”

Chapter: 1882

Hearing this, Ji Ruxue frowned tightly: “Could it be that since I dedicated myself, no one dares to deal with Xiang Chong?”

Several elders stopped talking and all lowered their heads.

“Go and change the announcement. Who can help me in Honglian Palace to deal with Xiang Chong? I, Ji Ruxue, can marry him...”

Ji Ruxue gritted her teeth and said.

“Palace Master, you must not do this. If you get married, according to the ancestral teachings, you will no longer be the palace master!”

An elder hurriedly persuaded.

“Then pass on the position of palace master to Xiao Min. If not, all of us in Honglian Palace will die in the hands of Xiang Chong!”

“You know better than me who he is. This guy has been spying on my Red Lotus Palace for many years.”

“Now that he has become the adopted son of that old beast from the Holy Beast Palace, he is even more unscrupulous.”

“How many girls have been destroyed in his hands? No girl can leave intact in his hands!”

“If I alone can exchange for the innocence of everyone in Red Lotus Palace, it will be worth it...”

Ji Ruxue's words were very tragic.

But several elders knew that there was no other way except this. After all, Xiang Chong was only half as strong as Wuhou.

Ji Ruxue, an eighth-level martial arts sect, was no match for Xiang Chong.

What's more, Xiang Chong has the support of the Holy Beast Palace!

I just don't know now. Even if Ji Ruxue dedicates herself, it is still unknown whether anyone will dare to come forward to help Honglian Palace!

Soon?, two days passed.

Even though Ji Ruxue offered her the conditions of committing herself, no one came.

In the entire south, the Holy Beast Palace is the largest sect, and no one dares to provoke it!

And warriors from other places would not come to the Holy Beast Palace as an enemy for a woman. After all, a powerful dragon cannot overpower a local snake.

"Remember, at the last moment, you must escort Xiao Min away no matter what, and give her the order of the Lord of the Red Lotus Palace. As long as Xiao Min is alive, the Red Lotus Palace will always be there!"

"As for the other disciples of our Red Lotus Palace, even if they commit suicide in the end, they will never take advantage of that beast Xiang Chong!"

"Because if we fall into his hands, life would be worse than death..."

Ji Ruxue followed the elders and explained with a solemn face.

Chapter: 1883

Everyone's face was solemn and sad.

Because they are all women in Honglian Palace, they act very low-key because they are afraid of being stared at by interested people.

Unfortunately, he was still targeted.

Looking at a group of very beautiful little girls with skin as white as snow, which man would not be tempted.

At this moment, a Red Lotus Palace disciple hurriedly walked in.

"Palace Master, there is someone outside asking to see you, saying that they are here to help our Red Lotus Palace."

The disciple said.

Ji Ruxue suddenly stood up: "Let's go and take a look..."

Finally someone came to help.

But this also shows that Ji Ruxue is going to sacrifice herself, but for the sake of Honglian Palace, she has no choice.

The only thing Ji Ruxue hopes for now is that the person who comes is preferably a young, handsome guy.

If he is an old man in his seventies or eighties.

Ji Ruxue is afraid she will be sick to death!

When Ji Ruxue led people to the door, she found a man wearing navy blue clothes and sunglasses standing there.

It seemed that she was young and good-looking, which made Ji Ruxue feel a little relieved.

When the man saw Ji Ruxue, he was stunned and took off his sunglasses.

The mouth was slightly open, and the laughter almost didn't come out.

Seeing the man like this, Ji Ruxue's expression changed slightly, and her impression of the man became much worse.

However, the other party came to help her. Ji Ruxue could not show her disgust and could only smile and said: "I don't know what business this young master has in coming to my Red Lotus Palace?"

The man looked straight at Ji Ruxue.

"Palace Master Ji is indeed worthy of her reputation. She has fair skin and long legs. She is really beautiful!"

The man said, wiped his saliva and continued: "My name is Chen Chen. I saw the announcement of Palace Master Ji and came here specifically to help Palace Master Ji."

Ji Ruxue looked at the man's dissolute look, and the disgust in her eyes became even stronger.

But he still showed a smile on his face and said: "Mr. Chen, since you have seen the announcement, you know what our Red Lotus Palace is going to face. Are you really capable of dealing with it?"

Chapter: 1884

Ji Ruxue would not easily believe the man in front of her. After all, Xiang Chong was very powerful, and with the support of the Holy Beast Palace behind him, most people would not dare to go against Xiang Chong.

“Of course I know, isn’t it just to deal with that pervert Xiang Chong? Let me tell you, when Xiang Chong sees me, he will definitely kneel down and call me grandpa.”

“As long as I am in the Red Lotus Palace, then Xiang Chong will never dare to touch the Red Lotus Palace!”

The man looked confident, but then he changed the subject and said, “But I helped Honglian Palace. I wonder if what Princess Ji promised is true?”

Ji Ruxue’s face turned slightly red, but she still bit her lip and said, “If Mr. Chen really saved our Red Lotus Palace, of course what I said is true and there is absolutely no deception!”

“Hahaha, that’s good. As long as I’m here, I’ll make sure everything is fine in Red Lotus Palace!”

Chen Chen looked at Ji Ruxue with squinting eyes and laughed.

“Mr. Chen, don’t forget that Xiang Chong is backed by the Holy Beast Palace. You need...”

“Don’t worry. If you tell me your father’s name, the Holy Beast Palace will also give you some face.”

Before Ji Ruxue could finish speaking, Chen Chen waved his hand and said.

Ji Ruxue was stunned. She didn’t expect that Chen Chen was still a child of a wealthy family. From the looks of it, their family must be very powerful.

“Mr. Chen, don’t you know who your father is?” Ji Ruxue wanted to know who Chen Chen’s father was, and why even the Holy Beast Palace gave him face.

“Master Ji, don’t ask anymore. Since I guarantee you that Honglian Palace will be fine, that’s all!”

Chen Chen didn’t seem to want to say anything, so Ji Ruxue stopped asking.

“In this case, Mr. Chen, please come in...”

Ji Ruxue bent down slightly and made a “please” gesture.

A streak of snow-white hair on his chest was revealed, which made Chen Chen’s eyes wide open and his mouth watering.

Chen Chen walked up to Ji Ruxue and reached out to grab Ji Ruxue’s hand, but Ji Ruxue dodged it lightly.

Chen Chen was stunned for a moment, then said: “Palace Master Ji, are you going to regret it? Didn’t you say that you would sleep with anyone who helps you in the Red Lotus Palace?”

Chen Chen’s words were so straightforward that Ji Ruxue blushed to her neck.

“Mr. Chen, don’t get me wrong. I said that if anyone saves our Red Lotus Palace, I will sleep with him, but Xiang Chong hasn’t come yet.”

“When Xiang Chong comes and Young Master Chen drives him away, I will naturally accompany Young Master Chen...”

Ji Ruxue said awkwardly.

“If this is the case, I really hope that Xiang Chong will come soon!”

Chapter: 1885

Chen Chen looked a little disappointed and followed Ji Ruxue into the Red Lotus Palace.

Looking at the female disciples in the Red Lotus Palace, Chen Chen's eyes were dazzled and he wished he had a hundred pairs of eyes.

Ji Ruxue felt extremely disgusted when she saw Chen Chen like that.

"Palace Master Ji, as the saying goes, the night is long. Since you can't accompany me, you can just choose any female disciple to accompany me."

"I heard that the female disciples of your Red Lotus Palace are all big girls..."

Seeing so many beauties, Chen Chen couldn't help it and said to Ji Ruxue.

Ji Ruxue suppressed the anger in her heart and said to Chen Chen: "Mr. Chen, don't be anxious. When we rush to the summit, I, the Red Lotus Palace, will definitely thank you heavily. You can do whatever you want then..."

When Chen Chen heard this, his eyes sparkled and he licked his lips: "Haha, if you say that, then I will die among women..."

Ji Ruxue was furious, breathing heavily, but she didn't dare to say anything.

After settling Chen Chen, Ji Ruxue smashed things desperately in the hall to vent her anger.

She had no choice but to vent her emotions in this way.

"Palace Master, can that guy really help our Red Lotus Palace rush towards the collision? Why do I look so unreliable?"

An elder said with some confusion.

“Yes, I don’t think that guy has much ability. He looks so lewd. I really want to knock off his eyes!”

Another elder also said angrily.

Ji Ruxue calmed down and said slowly: “Can you, we can only place our hope on him now. You remember my words, at the critical moment, take Xiao Min and escape, leave me alone...”

“I will not leave my sister and go alone...”

At this time, Xiao Min suddenly broke in and looked at Ji Ruxue with tears in her eyes.

Ji Ruxue saw Xiao Min rushing in and knowing everything, so she waved her hand and asked several elders to go out.

“Xiao Min, don’t be willful. My sister is doing this to preserve the Red Lotus Palace. As long as you are still alive and have the palace master’s order, you can rebuild the Red Lotus Palace.”

Ji Ruxue stepped forward and gently wiped Xiao Min’s tears.

“No, I will never abandon my sister. If I die, we will die together. Without my sister, I can’t live!”

Xiao Min threw herself into Ji Ruxue’s arms.

“Silly boy, you are too old. You are the same without a sister.”

Chapter: 1886

Ji Ruxue also cried. Why didn’t she want to be with her sister? She also knew that Xiao Min was still young and life would definitely be hard if she left her.

But I had no choice but to prepare for the worst.

“Sister, where is Brother Chen? Where has he gone?”

At this time, Xiao Min thought of Chen Ping, so she asked Ji Ruxue.

“He must have left the Red Lotus Palace long ago...”

Ji Ruxue sent Chen Ping away at that time, and should have left Honglian Palace long ago.

“No, I was guarding the palace gate and didn’t see Brother Chen go out. He might still be in the Red Lotus Palace!”

“Brother Chen is very capable, isn’t it okay to ask him to help us?”

Xiao Min asked.

Ji Ruxue did smile awkwardly: “Silly girl, it’s not as simple as you think, and everyone is not as simple as you think. If you are not a relative, why should I help you?”

“Besides, although Chen Ping has made some achievements in Kyoto and has good strength, this is the south after all. There is the Holy Beast Palace behind Xiang Chong. Does Chen Ping dare to go against the Holy Beast Palace?”

When Ji Ruxue said this, Xiao Min fell into silence. She didn’t know if Chen Ping would help.

After a while, Xiao Min suddenly said: “I’m going to find Brother Chen. He must still be in the Red Lotus Palace. Maybe he will really help...”

After Xiao Min finished speaking, she ran out. Ji Ruxue wanted to stop her, but found that Xiao Min had already run away.

“This silly girl trusts people too easily...”

Ji Ruxue shook her head.

.....

The next day, everyone in Honglian Palace looked serious and nervous.

Everyone stood ready, weapons in hand.

They are waiting for Xiang Chong’s arrival!

Life or death depends on today.

As for Chen Chen, the sun was very high, so he yawned and walked out of the room.

As soon as he walked out of the room, he saw Ji Ruxue leading someone waiting for him at the door.

“Palace Master Ji, don’t be nervous. I told you that your Red Lotus Palace will be fine, then it must be fine!”

Chapter: 1887

Chen Chen said with confidence.

“Then I’ll trouble Mr. Chen...”

Seeing that Chen Chen has always been so confident, Ji Ruxue also believed in him, and felt somewhat relieved.

“Don’t bother me, as long as Palace Master Ji doesn’t forget to promise me something. I had a good dream last night...”

Chen Chen said with an evil smile.

“I won’t forget it...”

After Ji Ruxue finished speaking, she led the people to the palace gate.

Chen Chen also followed behind.

At nearly noon, Na Xiang Chong and a few people were seen arriving at the entrance of the Red Lotus Palace.

The people around Xiang Chong are all in the martial arts realm, but Xiang Chong himself is half a martial lord!

With such strength, Honglian Palace is no match at all.

“Palace Master Ji, what do you think? As long as you, the Red Lotus Palace, follow me, Xiang Chong, I promise to make you live a dreamy life.”

Xiang Chong looked at Ji Ruxue with a narrowed look and said.

“Hmph, Xiang Chong, you shameless beast, I, Ji Ruxue, will never give in to you.”

Ji Ruxue said angrily.

Xiang Chong’s face turned cold, his eyes narrowed slightly, and he said with murderous intent: “Don’t be so shameless to you. If you really want me to take action, then I will take all of you Red Lotus Palace disciples to the Holy Beast Palace, and let They are so happy...”

“Even if we die, we will never succumb to you. Don’t think that you can do whatever you want with the support of the Holy Beast Palace behind you.”

“I’m telling you, I’ve also found helpers specifically to deal with you...”

After Ji Ruxue finished speaking, she shouted back: “Mr. Chen, come out...”

At this time, Chen Chen walked out with square steps and looked at Xiang Chong coldly: “Xiang Chong, I’m here to see who of you dares to touch the Red Lotus Palace!”

Xiang Chong looked at Chen Chen and frowned slightly: “Who are you?”

Xiang Chong didn’t know Chen Chen, but seeing that Chen Chen was not afraid of him and spoke very forcefully, he felt a little unsure.

After all, if you dare to talk to him like this, there must be a lot of strength behind it.

“Haha, who am I? Let me tell you, even if the Holy Beast Palace is here, you still have to give me some face. You are nothing!”

Chapter: 1888

“I advise you to get out quickly and don’t make me anxious. None of you can even think of leaving!”

Chen Chen said with an arrogant look.

This time, Xiang Chong was stunned. He originally wanted to move out of the Holy Beast Palace, but as soon as he opened his mouth, he said that the Holy Beast Palace also wanted to give face.

At this time, Xiang Chong put away his aura and said with a smile on his face: “Mr. Chen, forgive me for my blindness, but I really don’t know which family Mr. Chen is from.”

“I also hope Mr. Chen will show that we can be friends in the future...”

Xiang Chong hurriedly took out a cigarette and handed it to Chen Chen with a very respectful expression!

Seeing Ji Ruxue here, she felt relieved. If Xiang Chong was so afraid, then Honglian Palace must be fine.

But when she thought about having to sleep with Chen Chen at night, Ji Ruxue felt sick in her heart.

At this time, Chen Chen took the cigarette and held it in his mouth, waiting for Xiang Chong to light it.

Xiang Chong hurriedly turned on the lighter and prepared to light it for Xiang Chong.

“I tell you, my father, Chen Erhe, is the Yuzhou Dharma Protector Pavilion...”

Before Chen Chen finished speaking, he was stunned when he saw Xiang Chong, and the lighter in his hand went out.

Then there was a look of anger on his face, and then he gave Chen Chen a hard slap, and directly took the cigarette out of Chen Chen’s mouth.

“Xiang Chong, you fucking...”

Chen Chen roared at Xiang Chong, but before he could finish his words, Xiang Chong kicked him.

Chen Chen flew out like a kite with its string broken, and then fell heavily to the ground.

Chen Chen vomited blood and his face became very ugly.

At this moment, Ji Ruxue was a little confused. How could Chen Chen be so vulnerable?

Xiang Chong walked up to Chen Chen angrily, and then said with a kick: "I almost frightened your father Chen Erhe into frightening me."

"Damn it, isn't your dad just the master of the Dharma Protector Pavilion? What are you trying to do with me..."

Xiang Chong was so angry that he stepped on Chen Chen several times.

Chen Chen was beaten until his mouth and nose bled, and then he knelt on the ground and begged for mercy.

"Stop fighting, please don't fight..."

Chen Chen didn't expect that Xiang Chong wasn't afraid of his father at all.

Chapter: 1889

He took advantage of the fact that his father was the master of the Yuzhou Dharma Protector Pavilion, and he often showed off his power, but no one messed with him.

After seeing Ji Ruxue's announcement, he thought of coming over to take advantage of Ji Ruxue.

But how did he know that the head of a small local Dharma Protector Pavilion was nothing in the eyes of a large sect and aristocratic family!

In the end, Chen Chen was beaten to the point of dying, but Xiang Chong did not kill him. After all, although the head of the Dharma Protector Pavilion had a low position, he was still an official, so Xiang Chong gave him face.

"Get out of here, if it weren't for your father's sake, I would kill you today..."

Xiang Chong shouted at Chen Chen.

Chen Chen was so frightened that he ran away crawling and had no intention of looking at the beautiful woman.

This made Ji Ruxue stomp her feet in anger. She didn't expect that this Chen Chen was just a show-off.

If she had known that his father was Chen Erhe, Ji Ruxue would not have given him face.

Just a small Dharma Protector Pavilion Master!

Yesterday, Chen Chen verbally teased Ji Ruxue and she became angry just thinking about it.

After Chen Chen ran away, Xiang Chong looked at Ji Ruxue with a proud look on his face: "Palace Master Ji, look at what this helper you found is."

"You still pledged yourself to me. Even so, do you think anyone will come to help you? I advise you to be aware of the current situation and obey me obediently."

"The Red Lotus Palace will be mine from now on. With the Holy Beast Palace behind me, I can make the Red Lotus Palace the second largest sect in the south!"

Xiang Chong looked proud and walked slowly towards Ji Ruxue.

Ji Ruxue stepped back continuously, her face turned extremely ugly.

"Xiang Chong, even if we die, we will never take it easy for you, a big pervert..."

With that said, Ji Ruxue took out her sword and prepared to fight to the death!

And those disciples of the Red Lotus Palace were also prepared to fight to the death.

At this time, Ji Ruxue was only worried about her sister Xiao Min. At this time, there was no trace of Xiao Min, which made her very worried.

“Great Elder, when a fight breaks out, you go find Xiao Min and be sure to take her away...”

Ji Ruxue said to the great elder.

The Great Elder hesitated for a moment, then finally nodded and said: “Don’t worry, Palace Master, I will definitely take Xiao Min out!”

Ji Ruxue no longer had any worries and looked at Xiang Chong with angry eyes: “Xiang Chong, either you will die today or I will die. Come on...”

Chapter: 1890

When Xiang Chong saw this, a terrifying aura suddenly erupted from his body, and then he said to the hurried men behind him: “Do it, but don’t kill them, the ones alive will be of use!”

After saying that, Xiang Chong took the lead and rushed towards Ji Ruxue, while the others also immediately started fighting!

However, because Xiang Chong did not want to kill Ji Ruxue and the others, he did not let go. This allowed Ji Ruxue and the others to fight with Xiang Chong and the others.

While they were fighting here, Xiao Min on the other side was still looking for Chen Ping. She firmly believed that Chen Ping had not left the Red Lotus Palace.

Xiao Min has been searching all night, searching almost the entire Honglian Palace, but there is still no sign of Chen Ping.

Xiao Min reached the depths of the Red Lotus Palace and walked up the stream.

This mountain was the last place she was not looking for.

Following the stream, Xiao Min soon discovered the cave.

Looking at the dark cave, Xiao Min was a little scared and didn't dare to go in. She rarely came here because Ji Ruxue stipulated that no one could come or go here casually.

"Is there anyone? Is Brother Chen inside?"

Xiao Min didn't dare to enter the dark cave, so she could only shout from the entrance of the cave.

The sound followed the cave and soon reached Chen Ping's ears.

Chen Ping, who was practicing, suddenly opened his eyes.

As soon as he heard it, he recognized that it was Xiao Min's voice.

At this time, Xiao Min was still shouting at the entrance of the cave. After shouting twice, there was no response. Xiao Min was a little disappointed...

But just when Xiao Min turned around and was about to leave, she discovered a faint blue fire in the cave, followed by a dark figure!

This scared Xiao Min so much that she thought she had encountered a ghost!

"Ghost....."

Xiao Min screamed in fright and closed her eyes.

“Who do you think is a ghost?”

At this time, Chen Ping had already walked up to Xiao Min and smiled slightly.

When Xiao Min heard that it was Chen Ping’s voice, she hurriedly opened her eyes and found that it was really Chen Ping.

“Brother Chen, you really didn’t leave the Red Lotus Palace...”

Seeing Chen Ping, Xiao Min was so happy that she almost jumped up.
