

The Order 1891

Chapter: 1891

“Xiao Min, what do you want from me?”

Chen Ping was a little surprised, why did Xiao Min come here to find him.

“Brother Chen, our Red Lotus Palace is in trouble, can you help us? My sister said she doesn’t want to trouble you...”

Xiao Min bit her lip and looked at Chen Ping with pleading eyes.

“What happened?”

Chen Ping asked, slightly stunned.

Xiao Min was about to open her mouth, but Chen Ping stretched out his hand and interrupted Xiao Min’s speech. Instead, he looked serious and frowned slightly.

At this time, the sound of fighting had already reached here.

“Walk.....”

Chen Ping grabbed Xiao Min, then used his quick steps to rush to the door of the Red Lotus Palace!

“elder sister.....”

Xiao Min saw Ji Ruxue fighting with Xiang Chong.

Now Ji Ruxue was covered in sweat, her clothes were soaked through, she was panting, and her strength was a little exhausted.

However, Xiang Chong had a wretched look on his face and seemed to be in no hurry as he was teasing Ji Ruxue.

When Ji Ruxue heard Xiao Min calling her, she hurriedly looked over and yelled at Xiao Min: "Xiao Min, run quickly and leave this place alone..."

Ji Ruxue asked Xiao Min to escape quickly.

"Sister, I found Brother Chen..."

Xiao Min shouted.

Ji Ruxue also saw Chen Ping next to Xiao Min at this time. She did not expect that Chen Ping did not leave the Red Lotus Palace.

"Brother Chen, please save my sister..."

Xiao Min took Chen Ping's arm and prayed.

Chen Ping nodded, and then his figure disappeared in a flash.

Immediately afterwards, a majestic force bombarded towards the impact.

Xiang Chong's expression changed, and he quickly retreated, dodging the blow!

Chapter: 1892

But Chen Ping bombarded a deep pit on the ground!

The huge explosion caused everyone to stop, and Ji Ruxue looked at Chen Ping and thanked her repeatedly: "Thank you, Mr. Chen, for helping me..."

Chen Ping glanced at Ji Ruxue, then his face turned red.

Because Ji Ruxue was sweating profusely and her clothes were soaked, they were very transparent under the sunlight!

Chen Ping almost had a nosebleed when he looked at it.

"Mr. Ji, I will take care of these guys. You should go change your clothes..."

Chen Ping did not dare to look directly at Ji Ruxue!

Ji Ruxue only realized at this moment that she was a little naked, so she hurriedly turned around to change clothes.

And Xiang Chong looked at Chen Ping with a cold expression, his expression a little solemn.

"Are you the Chen Ping who killed Guo Wei, director of the Kyoto Martial Arts Alliance?"

Xiang Chong asked Chen Ping.

"Yes, I didn't expect you to know me!"

Chen Ping smiled lightly.

Seeing Chen Ping admit it, Xiang Chong's face became even more ugly.

Chen Ping is well-known at the moment, and most people are reluctant to provoke him. In fact, this saves Chen Ping a lot of trouble.

Otherwise, Chen Ping would be annoyed to death if some random cat or dog came and caused trouble for him.

“Chen Ping, you and I have no grievances. Today is between us and the Red Lotus Palace. I hope you won’t interfere.”

“After I finish the Red Lotus Palace, I’ll ask you to go to the Holy Beast Palace and have a good time...”

Xiang Chong didn’t want to cause a conflict with Chen Ping, but he also refused to let go of Honglian Palace.

Simply moved out of the Holy Beast Palace.

He believed that Chen Ping would retreat after hearing the words Holy Beast Palace.

“Sacred Beast Palace, never heard of it...”

Who knows, Chen Ping has never heard of the Holy Beast Palace!

This made Xiang Chong furious.

Chapter: 1893

“Chen Ping, do you really want to get through this muddy water?”

Xiang Chong asked, glaring at Chen Ping angrily.

“That’s right!” Chen Ping nodded.

“Brother Chen, teach this guy a lesson. This guy is really bad. He has been eyeing our Red Lotus Palace for a long time, and even said that he wants to sleep with all the women in our Red Lotus Palace...”

Xiao Min glared at Xiang Chong and said to Chen Ping.

“Don’t worry, I will turn him into a eunuch in a while, and he will never think about women again...”

Chen Ping said calmly.

“Chen Ping, you are going too far. You really think that I am not afraid of you. I am only half a Martial Lord, and my subordinates are all at the level of Martial Sect. If we join forces, we can’t defeat you?”

Xiang Chong roared angrily, and all the energy in his body surged out.

Immediately afterwards, the oppressive energy in Xiang Chong’s body began to envelope Chen Ping.

The people behind Xiang Chong also exuded a terrifying aura and pressed towards Chen Ping.

But Chen Ping didn’t care at all. He could still handle a half-step Wuhou and several Wuzong.

The terrifying energy in Xiang Chong’s body brought up gusts of wind, and then he shouted angrily and punched Chen Ping.

Chen Ping snorted coldly, raised his hand lightly, and grabbed Xiang Chong’s fist.

At this moment, Xiang Chong was stunned, and then struggled desperately.

It’s a pity that no matter how hard he tried, he couldn’t break free from Chen Ping’s restraints.

“With this little strength, you dare to come out to find a woman?”

Chen Ping looked at Xiang Chong with disdain and said.

Xiang Chong swallowed, with a look of horror on his face. He didn't expect that his half-step Wuhou strength would be vulnerable to Chen Ping.

At this time, the martial arts masters behind Xiang Chong were also dumbfounded, and they did not dare to take action.

Chen Ping's strength has exceeded their imagination. Even the half-step Wuhou Xiang Chong was so unbearable that they would die if he went up.

At this moment, Ji Ruxue changed her clothes and walked out.

When he saw Xiang Chong being controlled lightly by Chen Ping, he felt a little stupid.

After all, Xiang Chong is also a half-step Wuhou, how could he be subdued so easily?

Chapter: 1894

At this moment, Xiao Min's face was full of admiration and excitement.

“Brother Chen, you are great, kill him, kill him...”

Xiao Min jumped up happily.

“No, don't kill me...please don't kill me...”

Xiang Chong's face was full of fear and he said tremblingly.

“You won’t kill me if you don’t want me to, so who am I? Why should I listen to you?”

Chen Ping said, and slapped Xiang Chong with one palm.

“Mr. Chen...”

Ji Ruxue saw this and hurriedly stopped Chen Ping.

Chen Ping looked at Ji Ruxue in surprise.

Ji Ruxue said: “Mr. Chen, this Xiang Chong is the adopted son of Fei Qingping, the master of the Holy Beast Palace. If you kill him, I’m afraid the Holy Beast Palace will cause trouble for you...”

Ji Ruxue was afraid that Chen Ping would be in trouble in the future, not to mention that she just hoped to get rid of Xiang Chong.

If Xiang Chong is really killed, they may not be able to stay in the south in Honglian Palace.

“Yes, if you kill me, my adoptive father will not spare you...”

Xiang Chong threatened Chen Ping.

“Damn, I hate threats from others...”

After Chen Ping finished speaking, he slapped Na Xiang Chong on the head.

Xiang Chong’s head exploded like a watermelon, and he couldn’t die anymore.

When the few people brought by Xiang Chong saw this, they turned around and ran away in fright, but Chen Ping ignored them.

Seeing Xiang Chong's death, the scene was completely silent!

Ji Ruxue looked at Chen Ping in shock, her face full of shock!

"Mr. Chen, thank you..."

After a while, Ji Ruxue thanked Chen Ping.

Ji Ruxue's eyes were full of tenderness and admiration. She liked men like Chen Ping.

Chapter: 1895

"Thank you Mr. Chen..."

Everyone in Honglian Palace thanked Chen Ping.

"Palace Master Ji, I'm just doing a little favor, so there's no need to be so polite!"

Chen Ping smiled lightly.

"Mr. Chen, with just a little effort, you saved our entire Red Lotus Palace. We, the Red Lotus Palace, must repay this kindness!"

Ji Ruxue said.

"Master Ji, it's serious!"

Chen Ping had no intention of letting Honglian Palace repay him.

“Brother Chen, you are the great savior of our Red Lotus Palace. Please stay in the Red Lotus Palace for a few days so that we can repay you!”

Xiao Min said, leading Chen Ping towards the main hall.

At noon, Ji Ruxue cooked in person and sat a table full of dishes for Chen Ping!

Chen Ping looked at those delicious dishes and did not expect that a dignified palace master could actually cook!

“Brother Chen, you are in luck. The food cooked by my sister is very delicious!”

Xiao Min said while putting vegetables into Chen Ping’s bowl.

“Well, Palace Master Ji’s craftsmanship is indeed good!”

Chen Ping nodded.

“Mr. Chen, since you like to eat, then eat more. Don’t call me Palace Master anymore. Just call me Ruxue or Xiaoxue!”

After Ji Ruxue finished speaking, her cheeks turned red and she did not dare to look directly at Chen Ping.

Chen Ping was slightly startled, but he did not call Ji Ruxue that way. After all, they were not that close yet.

“I will become your Miss Ji from now on!”

Chen Ping said.

Ji Ruxue's face was slightly disappointed, but she didn't say anything.

"Brother Chen, can you please stay away for now and stay in our Red Lotus Palace for a while?"

Xiao Min asked Chen Ping.

Chapter: 1896

Chen Ping shook his head: "I still have a lot of things to do, and I can't stay here for a long time."

As the New Year is approaching, Chen Ping must seize the time to practice and rescue his mother and Su Yuqi.

Hearing this, Xiao Min was a little disappointed, but she still smiled and said: "Brother Chen, since you can't stay long, you can always come and visit me when you have time, right?"

"Of course, I will come and see you when I have time. The scenery here is very good, and the climate is pleasant, which is very suitable for cultivation!"

Chen Ping said with a smile.

"By the way, Brother Chen, what were you doing in the cave in the back mountain?"

At this time, Xiao Min remembered that she found Chen Ping in the cave, so she asked curiously.

When Ji Ruxue heard Xiao Min mentioning the cave, her expression changed slightly and she looked at Chen Ping.

"I was just wandering around and suddenly found that cave. I felt that there was a lot of spiritual energy in it, so I practiced there for two days!"

Chen Ping didn't lie and told the truth.

"Brother Chen, then you..."

Xiao Min wanted to ask something else, but was glared at by Ji Ruxue: "Xiao Min, eat quickly, and then go guard the palace gate and ask questions. Do you still let Mr. Chen eat?"

Upon hearing this, Xiao Min hurriedly stuck out her tongue at Chen Ping, made a face, lowered her head and started eating.

After eating and clearing the table, Ji Ruxue turned everyone away.

At this time, there were only two people in the room, Chen Ping and Ji Ruxue, and the atmosphere became a little awkward for a while.

"Mr. Chen, I once made an announcement. Whoever can save our Red Lotus Palace, I will spend the night with him, and I can even marry him!"

"Now you help us kill Xiang Chong, so you can do whatever you want to me..."

While talking, Ji Ruxue actually took off her red dress!

Her snow-white skin is exposed, and her faint fragrance fills the whole room!

When Chen Ping saw this, his blood rushed to the top of his head, and nosebleeds instantly flowed out of his nose.

Chen Ping turned around quickly and covered his nose with his hand: "Miss Ji, I don't know what announcement you made, and I never thought about what to do to you. You'd better put on your clothes!"

“What? Are you dissatisfied with my figure?” Ji Ruxue looked at Chen Ping with some surprise: “If you are dissatisfied with me, in the entire Honglian Palace, except Xiao Min, you can choose any of them, I can let them accompany you!”

“That’s not what I meant. I already have a girlfriend. Don’t do this either. This time it will be very difficult for me...”

After Chen Ping finished speaking, he hurriedly rushed out.

Chapter: 1897

He is also a normal man, but he does not dare to stay any longer, otherwise he will not be able to bear it.

Seeing Chen Ping about to leave, Ji Ruxue suddenly fell to her knees!

Chen Ping was startled and quickly stepped forward to help Ji Ruxue up, but he closed his eyes tightly and did not dare to look at Ji Ruxue.

Even the body fragrance of Ji Ruxue was unbearable to him. If he looked at her twice, he was really afraid that he wouldn’t be able to control it.

“Miss Ji, what are you doing? Put your clothes on quickly and tell me if you have anything to say!”

Chen Ping said anxiously.

Seeing Chen Ping like this, Ji Ruxue suddenly laughed and spread her clothes.

At this moment, she was even more attracted to Chen Ping.

In this society, there are really too few people like Chen Ping.

Seeing Ji Ruxue put on clothes, Chen Ping breathed a sigh of relief.

“Miss Ji, if you have any problem, just tell me!”

Chen Ping asked calmly.

“Mr. Chen, I hope you can completely rescue our Red Lotus Palace from the sea of suffering!”

Ji Ruxue put away her smile and said solemnly.

“Didn’t I kill that man? Is there any danger to your Red Lotus Palace?”

Chen Ping asked in surprise.

“Mr. Chen, it is precisely because you killed Na Xiang Chong, and that Xiang Chong is the adopted son of Fei Qingping, the master of the Holy Beast Palace. The Holy Beast Palace will not let us go from the Red Lotus Palace.”

“When the time comes, our Red Lotus Palace still won’t be able to escape the clutches of the Holy Beast Palace, and Fei Qingping will be even more cruel than Xiang Chong...”

When Ji Ruxue mentioned Fei Qingping, her face was obviously a little ugly!

Chen Ping remained silent. He could kill Xiang Chong, but facing a sect, Chen Ping was not sure.

Especially when you don’t know what kind of strength Fei Qingping is.

“Miss Ji, what kind of strength does Fei Qingping have? I’m afraid that it will be difficult for me to resist a sect like them alone!”

Chen Ping said truthfully.

“Mr. Chen, Fei Qingping should be a Wuhou, but he only entered the ranks of Wuhou in recent years.”

Chapter: 1898

“And how can Mr. Chen be alone? I, Honglian Palace, am willing to listen to Mr. Chen’s orders. I will listen to you in everything from now on!”

After Ji Ruxue finished speaking, her face suddenly turned red.

This makes me think of what a young daughter-in-law would say after her husband.

However, Chen Ping still frowned slightly. He didn’t have much time to stay here.

“Miss Ji, I also want to help you, but I really don’t have enough time. If the Holy Beast Palace doesn’t come to trouble you, I can’t stay here forever!”

Chen Ping didn’t have time and stayed in the Red Lotus Palace.

“Mr. Chen, with Fei Qingping’s temperament, knowing that Xiang Chong is dead, he will definitely find him within ten days. If there is no action from the Holy Beast Palace after ten days, then Mr. Chen can just leave!”

Ji Ruxue said.

“Okay, then I’ll stay here for ten more days!”

Chen Ping nodded, and then he remembered what happened in the cave, so he asked Ji Ruxue: “Miss Ji, what’s going on with the cave behind your Red Lotus Palace? Is it blocked by a huge stone?”

Seeing Chen Ping asking about the cave, Ji Ruxue hesitated for a moment and then spoke slowly.

It turned out that there was an eminent monk sitting in the cave, and the huge stone was blocked by the eminent monk.

No one knows what is inside the cave, but the stream flowing out of the cave contains a lot of energy and can help people practice!

Therefore, the ancestor of Honglian Palace established the sect in this place.

Moreover, the ancestral precepts also warned future generations that no one is allowed to open the huge stone without authorization, otherwise it will lead to the disaster of annihilation!

After hundreds of years, although some previous owners of the Red Lotus Palace were curious and went to open the boulder.

But no matter what method was used, the boulder remained motionless.

Slowly, I gave up the idea of opening the boulder and looking inside.

After hearing this, Chen Ping remained silent!

How could a sitting monk have so much energy?

For hundreds of years, the stream flowing out of it contains a lot of spiritual energy.

How is this possible?

Chen Ping suspected that there must be something else inside to emit such pure spiritual energy.

But as for what it was, Chen Ping didn't know.

Chapter: 1899

Unless there is a way to break the boulder and get inside.

However, with Chen Ping's current ability, he cannot break the boulder.

After chatting with Ji Ruxue for a while, Chen Ping proposed to practice in a cave!

However, it was considered a restricted area of Honglian Palace, but Chen Ping proposed it, and Ji Ruxue agreed.

.....

Holy Beast Palace.

Fei Qingping was lying on his big tiger-skin chair, accompanied by two very scantily clad women.

At this time, a disciple of the Holy Beast Palace hurriedly ran in and knelt on the ground.

"Palace Master, the person you brought to Master Xiang is back!"

The disciple of the Holy Beast Palace said.

"Did Xiang Chong come back? This guy probably won't be able to walk after seeing a woman..."

Fei Qingping asked, narrowing his eyes slightly.

“Back to the palace master, Master Xiang has not come back. Only a few people he brought have come back, but they seem to be injured!”

The disciple of the Holy Beast Palace replied.

“Are you injured?” Fei Qingping opened his eyes and sat up suddenly: “Call them in!”

Soon, several Wu Zong who were following Xiang Chong were called in.

“what happened?”

Fei Qingping asked.

Several people quickly knelt on the ground: “Palace Master, Master Xiang was killed...”

“What?” Fei Qingping stood up suddenly: “Who killed him? Chong’er is a half-step Wuhou. Who in the whole south dares to kill him?”

“What about Ji Ruxue? There’s no way she can be Chong’er’s opponent!”

“The palace master is Chen Ping, a guy named Chen Ping, who killed Master Xiang...”

A martial artist said.

“Chen Ping?”

Chapter: 1900

Fei Qingping frowned slightly and thought hard about this person.

But he seemed to have never heard of such a master in the south.

At this time, an elder from the Holy Beast Palace came forward and whispered a few words in Fei Qingping's ear, and Fei Qingping suddenly understood!

"Damn, it turns out it's this kid. Why did he come to us and help the Red Lotus Palace?"

"But if he comes here to mess with my Holy Beast Palace, he is seeking death!"

Fei Qingping said with a murderous expression.

But Fei Qingping didn't understand why Chen Ping suddenly ran from Kyoto to the south.

And what kind of friendship did he have with Honglian Palace? He actually helped Honglian Palace.

"Palace Master, I think we should investigate carefully to see if Chen Ping came here on his own."

"He actually has the guts to kill Master Xiang, which proves that he doesn't take our Holy Beast Palace seriously."

"In this case, there must be someone behind him. Let's not touch Chen Ping yet!"

The elder persuaded Fei Qingping.

Fei Qingping frowned. What Chen Ping did in Kyoto was indeed very bluffing.

As the saying goes, people are reflected in the shadow of famous trees. Chen Ping is famous, so if he wants to deal with Chen Ping, he will carefully consider it.

After a while, Fei Qingping said: “Well, you go and investigate, but it would be great if you can drag that Chen Ping into our Holy Beast Palace. This kid is a talent!”

After Fei Qingping heard what the elders said about Chen Ping, he admired Chen Ping very much and thought that Chen Ping was a talent.

As for Xiang Chong being killed by Chen Ping, Fei Qingping can treat it as if it didn't happen.

There is only one adopted son, but Fei Qingping has more than ten adopted sons!

The elder took the order to investigate Chen Ping, while Fei Qingping lay back down again...

Chen Ping sat in the cave, slowly absorbing the spiritual energy flowing out of the cave.

This spiritual energy is extremely abundant and pure!

The only pity was that Chen Ping couldn't open the huge stone in front of him, otherwise he would know what was inside.

“Nascent Soul, if I can step into Yuanying, I will have the power to fight with the Martial Arts Alliance and the Long family, and I will have the opportunity to save my mother and Yu Qi...”

Chen Ping thought to himself!
