

## **The Order 1901**

Chapter: 1901

He needs to use the fastest speed to reach Yuanying, which is the realm of Wuhou in the martial arts world.

Although Chen Ping has now reached half the strength of Wuhou.

Facing the newly promoted Wuhou, he has the strength to fight, but if he really has to face the martial arts alliance and a huge family like the Long family, Chen Ping has no chance of winning!

Even facing the Ning family, if Mr. Shi hadn't appeared in time, Chen Ping would have been a corpse by now.

Therefore, Chen Ping is extremely eager for strength, and he needs to break through as soon as possible!

However, how difficult it is to attack the Nascent Soul from the golden elixir. In addition to understanding, it also requires a certain opportunity!

It is common for some people to be stuck in a big realm throughout their lives and not be able to break through.

And Chen Ping's goal is not just Nascent Soul, he needs to hit a higher realm!

Because only after reaching a certain level of strength can you discover a new world!

He now wants to know who his father is, and who he is!

The truths he wants to know must be climbed step by step through strength, so that he can get closer and closer to the truth!

“When I really achieve enlightenment and become an immortal, the martial arts alliance and the Long Family will not be worth mentioning...”

Chen Ping’s eyes shone with incomparable yearning!

Under the influence of Chen Ping’s Heart Ning Jue, spiritual energy is constantly transformed into spiritual power, hitting new heights of realm again and again!

In the blink of an eye, three days passed.

The spiritual power in Chen Ping’s body is already very abundant, and he is constantly attacking the realm of Wuhou, but he fails again and again after the impact!

At the same time, Ji Ruxue in Honglian Palace has been feeling nervous and anxious.

She didn’t know if the Holy Beast Palace would come.

I don’t know when the call will come. Days like this are the most painful.

The entire Red Lotus Palace has already been prepared, and the protective formation in the palace has also begun to operate!

But for three days in a row, there was no news.

There was no movement in the Holy Beast Palace, which made Ji Ruxue a little restless!

“Sister, you haven’t had a good rest for three days. You look haggard. You’d better go and have a rest!”

Xiao Min said with great distress as she saw her sister looking so haggard.

Chapter: 1902

“No, there is no movement in the Holy Beast Palace, I can’t sleep!”

Ji Ruxue shook her head.

At this moment, a disciple from Red Lotus Palace suddenly ran in.

“Palace Master, the people from the Holy Beast Palace are here...”

One sentence made Ji Ruxue tremble all over, and her expression became extremely nervous.

“What is supposed to come, will come!”

Ji Ruxue murmured.

“How many people came to the Holy Beast Palace?”

one of the elders asked.

“one person.....”

The disciple said truthfully.

“one person?”

This time, Ji Ruxue was stunned.

Even if the strength of their Red Lotus Palace is not as good as that of the Holy Beast Palace, sending someone here would be too disrespectful of their Red Lotus Palace.

“Who did the Holy Beast Palace send? If you dare to come here alone, you look down on our Red Lotus Palace!”

Ji Ruxue looked angry.

“It’s Xiao Da, the great elder of the Holy Beast Palace...”

The disciple said.

Ji Ruxue frowned slightly, and then said: “Invite him in!”

Soon, Xiao Da quickly walked into the Red Lotus Palace with a smile on his face, not looking like he was crusading.

“Palace Master Ji, I’m sorry to bother you, but I hope you won’t be offended...”

Xiao Da chuckled and saluted Ji Ruxue!

Although Ji Ruxue was a little puzzled, she couldn’t be rude because the other party was so polite.

“You’re welcome, Elder Xiao. You can come to our Red Lotus Palace. That is our Red Lotus Palace’s blessing!”

Chapter: 1903

“Take a seat and serve tea...”

After Ji Ruxue finished speaking, she sat on the chair.

Someone immediately brought a chair to Xiao Da and served him a cup of tea!

“Palace Master Ji, we Ming people don’t tell secrets. I came here this time on the order of our Palace Master for Xiang Chong’s matter.”

Xiao Da said directly.

When Ji Ruxue heard this, she knew that the other party was really here for this matter.

“Elder Xiao, that Xiang Chong was killed by our Red Lotus Palace. If you want to avenge that Xiang Chong, just take action directly.”

Ji Ruxue’s aura began to rise, ready to take action at any time.

Upon seeing this, Xiao Da waved his hands quickly: “Palace Master Ji misunderstood, I didn’t come here for revenge against Xiang Chong.”

“That Xiang Chongse was so bold that he actually plotted against the Lord of Palace Ji, and deserved to die...”

“I came here specifically to apologize to Palace Master Ji. Our Palace Master said that it was his lack of discipline that made Na Xiang Chong do such a nasty thing.”

Xiao Da’s words made Ji Ruxue stunned.

She didn’t even know what to say next, it was completely different from what she thought!

Ji Ruxue knew very well who Fei Qingping, the master of the Holy Beast Palace, was and would never take the initiative to admit his mistakes and apologize.

Besides, as the largest sect in the south, Fei Qingping didn't need to apologize to others.

But now he actually found someone to apologize to Honglian Palace.

This made Ji Ruxue wonder what kind of medicine was sold in the gourd of the Holy Beast Palace.

"Elder Xiao, if you have something to do, just say it directly. You said this, which made me a little confused about what to say."

Ji Ruxue felt that the Holy Beast Palace must have some intentions, so she hoped Xiao Da could tell him.

Seeing Ji Ruxue's appearance, Xiao Da laughed: "Palace Master Ji, I am indeed here to apologize, but there is one more thing, and that is to invite Chen Ping to the Holy Beast Palace!"

"Our palace master knew that Chen Ping came to the south and was in your Red Lotus Palace, so he immediately sent me to invite him. Our palace master appreciates Chen Ping very much."

When Ji Ruxue heard this, she immediately understood. The Holy Beast Palace came to apologize, and it turned out that it was for Chen Ping.

If Chen Ping was not in the Red Lotus Palace, the Holy Beast Palace would definitely not be so polite.

From this point of view, it seems that the Holy Beast Palace is also a little afraid of Chen Ping's reputation. After knowing that Chen Ping killed Xiang Chong, it did not dare to take action against Chen Ping.

Chapter: 1904

After all, Chen Ping also has his own power in Kyoto, and Mr. Shi, the official in Kyoto, has a close relationship with Chen Ping and has come forward to help Chen Ping many times.

"Elder Xiao, it's such an unlucky time for you to come. Mr. Chen is practicing, so I can't disturb you..."

Ji Ruxue said apologetically.

“You’re practicing?” Xiao Da frowned slightly: “How long will it take Chen Ping to get out of seclusion?”

“I can’t say for sure, but it shouldn’t take more than a few days!”

Chen Ping gave Ji Ruxue ten days, and now three days have passed, so Chen Ping will be out in a few days.

“Okay then, I’ll come and invite him in a few days!”

Xiao Da stood up, bowed to Ji Ruxue, then turned and left.

Xiao Da left, and everyone in the Red Lotus Palace became excited. As long as the Holy Beast Palace did not take action against them, they could stay in the Red Lotus Palace safely.

Ji Ruxue breathed a sigh of relief and fell asleep.

After this sleep, Ji Ruxue actually slept for two days and two nights!

During these two days and two nights, Chen Ping continued to impact and impact.

But if you can’t break through that barrier, you can’t reach the realm of Wuhou, and you can’t form a Nascent Soul in your body!

Just when Chen Ping broke through in the cave, he was thousands of kilometers away in Kyoto.

Ning Dahai, the head of the Ning family, has left seclusion.

After coming out of seclusion, Ning Dahai looked at the ruins of the Ning family, and his whole body was filled with rage.

“What’s going on? What’s going on?”

Ning Dahai roared angrily.

On the side, Ning Zhi, whose face was covered by a black scarf, walked carefully to Ning Dahai: “Dad, Chen Ping did all this. He destroyed our Ning family, and I almost died in his hands.”

Ning Zhi’s voice was full of gloom and deepness.

Ning Dahai frowned slightly, looking at Ning Zhi in front of him, he always felt that his son seemed to have changed.

“What are you doing in broad daylight?”

Ning Dahai pulled off Ning Zhi’s black scarf and was stunned.

He found that half of Ning Zhi’s face had been deformed, like a skeleton, and looked very scary.

Chapter: 1905

Ning Zhi’s physical injuries were repaired, but the injuries on his face were not healed.

There is also a leg, and he walks with a limp.

Ning Dahai almost went crazy when he saw his son transforming into a human being and a ghost.

“Chen Ping? I don’t care if he escapes to the ends of the earth, I must kill him...”

“Go and check. Go and check right away. Where is Chen Ping?”

Ning Dahai roared angrily, and the terrifying aura on his body rose into the sky. The birds that flew by were instantly shaken down by this aura.

.....

South, Red Lotus Palace!

Chen Ping didn't know about Ning Dahai's release from seclusion, nor did he know that Ning Dahai was investigating him and had been practicing in the cave.

On the ninth day, Chen Ping still failed to break through. At this time, Chen Ping had stopped practicing and walked out of the cave!

“It seems that forcing a breakthrough like this won't work, we need an opportunity!”

Chen Ping couldn't help but shook his head.

“Brother Chen...”

Seeing Chen Ping coming out of the cave, Xiao Min shouted hurriedly.

“Xiao Min, why are you here?”

Chen Ping was a little surprised when he saw Xiao Min coming to see him: “Is someone from the Holy Beast Palace here?”

“Yes, here we come...”

Xiao Min nodded.

When Chen Ping heard this, his expression changed slightly: "Take me quickly. How is your sister?"

Xiao Min looked at Chen Ping's nervous look and covered her mouth with a smile.

"Brother Chen, do you like my sister?"

Xiao Min asked with a smile.

Chen Ping was stunned: "Why do you say that?"

"Look, you're nervous. My sister is fine. Don't worry."

Chapter: 1906

"The people from the Holy Beast Palace are here, but only one person came. He said he wanted to invite you to the Holy Beast Palace."

Xiao Min said.

"Invite me to the Holy Beast Palace?"

Chen Ping was a little confused. He had nothing to do with following the Holy Beast Palace. What did the Holy Beast Palace ask him to do?

"Let's go, Elder Xiao from the Holy Beast Palace is waiting for you!"

Xiao Min pulled Chen Ping towards the main hall of Red Lotus Palace.

"Brother Chen, my sister is the palace lord. She can't marry you. According to the rules of our Red Lotus Palace, the palace lord cannot get married."

“But I can be your little lover. I think my sister also likes you very much, and you care about her so much. You can stay in the Red Lotus Palace from now on!”

“It would be great to have sex with my sister, and we are all beautiful women. Aren’t they what you men like the most?”

Xiao Min looked at Chen Ping with a wicked smile and said.

“You are so young, what are you talking about? I will tell your sister later and let him take care of you!”

Chen Ping gently hit Xiao Min on the head.

The Red Lotus Palace is indeed a place where every man goes to the outside world, but Chen Ping will not stay here, he still has a lot of things to do.

Soon, Chen Ping followed Xiao Min to the main hall and saw Ji Ruxue chatting with a middle-aged man.

Seeing Chen Ping coming, Ji Ruxue quickly stood up and said, “Mr. Chen, this is Elder Xiao from the Holy Beast Palace. I came here specifically to invite you.”

When Xiao Da saw that Chen Ping was coming, he quickly stood up and said, “Mr. Chen, our palace master has always heard of Mr. Chen’s name, so we want to follow Mr. Chen!”

“Tell me about it? There can’t be any conspiracy here, right? I killed your palace master’s adopted son, doesn’t he want to take revenge?”

Chen Ping looked at Xiao Da and asked cautiously.

Showing courtesy for nothing is a traitor or a thief...

Chen Ping followed the Holy Beast Palace without any worries and even killed Fei Qingping's adopted son. Now he wants to invite him as a guest?

This is so abnormal...

"Hahaha, Mr. Chen is really good at joking. It's just an adopted son. How can our palace master take it seriously? Our palace master has more than ten adopted sons. What does Xiang Chong have to do with anything?"

Xiao Da laughed and said.

When Chen Ping heard this, he realized that Xiang Chong had been supporting him with the Holy Beast Palace. It turned out that in front of Fei Qingping, Xiang Chong, the adopted son, was nothing like bullshit!

Chapter: 1907

Chen Ping saw that Xiao Da was not a treacherous person, so he nodded and said: "Okay, I will go with you to see your palace master!"

After explaining a few words to Ji Ruxue, Chen Ping followed Xiao Da to the Holy Beast Palace!

The Holy Beast Palace is more than two hours' drive from the Red Lotus Palace!

Only when he arrived at the Holy Beast Palace did Chen Ping know what luxury was!

The Holy Beast Palace is full of Chinese-style villas, with mountains and waters, and a very good environment. It is almost like a tourist resort.

Xiao Da took Chen Ping to a villa, opened the door and walked in. What he saw as soon as he entered was a huge seat with a tiger skin covering the door!

Fei Qingping, the master of the Holy Beast Palace, was sitting on the seat, and several martial arts masters were standing next to Fei Qingping!

“Palace Master, Mr. Chen is here...”

Xiao Da said to Fei Qingping.

Fei Qingping looked at Chen Ping, his eyes gleaming, and a coercive force erupted from Fei Qingping’s body.

Chen Ping frowned, and bursts of golden light flashed across his body, resisting this coercive force!

Chen Ping’s face was gloomy. He did not expect that Fei Qingping would attack him as soon as they met.

It seems like this is a Hongmen Banquet...

But just when Chen Ping was about to display his indestructible golden body and prepare to fight, Fei Qingping suddenly withdrew that coercive force.

“Hahaha, it’s true that heroes emerge from youth. No wonder you turned the Kyoto martial arts world upside down at such a young age...”

Fei Qingping squinted his eyes and laughed.

“I wonder what Palace Master Fei wants from me?”

Chen Ping directly found a seat to sit down and asked calmly.

“I just admire your strength and want to meet you!”

Fei Qingping stood up, walked towards Chen Ping, and then sat next to Chen Ping: “You are only half as powerful as a Wuhou. I really want to know how you turned the Kyoto martial arts world upside down, and how you escaped from Kyoto. ?”

Fei Qingping was a little puzzled. Ordinarily, with Chen Ping’s strength, he was nothing in the Kyoto martial arts world.

It should be easy for those people to kill Chen Ping, but now Chen Ping can live well.

“If you invite me here just to ask these questions, then I have no comment...”

Chen Ping stood up and was about to leave.

Chapter: 1908

“You’re young, but you’re quite hot-tempered. Didn’t you come to our south from Kyoto to escape?”

“I know that many people in Kyoto’s martial arts community want to kill you, so if you stay in our Holy Beast Palace, I can protect you.”

“And I can also accept you as my adopted son. As long as you become my adopted son, who in the whole south will dare to be your enemy?”

“Even if those people from Kyoto come, they still have to give me face.”

Fei Qingping said very arrogantly.

When Chen Ping heard that Fei Qingping actually wanted to adopt him as his adopted son, he couldn’t help but laugh.

Although Chen Ping is now half as strong as Wuhou, it is not difficult to deal with Fei Qingping.

After all, this guy is also a newly promoted Wuhou, and his strength is not very strong.

“I’m not in the habit of treating others as their son, let alone my own affairs. I can handle them myself, so forget about Palace Master Fei’s kindness!”

Chen Ping didn’t give Fei Qing any face.

Fei Qingping was stunned. He didn’t expect Chen Ping to reject him.

You know how many people are trying to make him their adoptive father. Fei Qingping is very demanding when choosing his adopted son.

But Chen Ping refused without hesitation, which surprised Fei Qingping.

“Chen Ping, why don’t you think about my kindness?”

Fei Qingping asked.

“Don’t think about it, because even if I worship you as my adoptive father, you can’t do anything to help me.”

“Do you, the Holy Beast Palace, dare to go against the Kyoto Martial Arts Alliance? Do you dare to go against the Long Family?”

“Even if the Ning family in Kyoto comes to arrest me, do you, the Holy Beast Palace, dare to say no?”

Chen Ping looked at Fei Qingping and asked a series of questions, which directly confused Fei Qingping.

Fei Qingping blushed because Chen Ping’s words hurt his heart!

Whether it is the Kyoto Martial Arts Alliance, the Long Family, or even the Ning Family, they really dare not offend the Holy Beast Palace!

If these people come to arrest Chen Ping, the Holy Beast Palace will not dare to stop them!

Fei Qingping wanted to keep Chen Ping and accept Chen Ping as his adopted son, and he also had his own plans.

Ever since he learned that Chen Ping had killed Xiang Chong, Fei Qingping had checked Chen Ping on the martial arts forum.

Chapter: 1909

And I know that Chen Ping has many treasures on his body!

Fei Qingping just wanted to take advantage of Chen Ping's treasures without losing any blood!

If Chen Ping joins the Holy Beast Palace, those treasures will naturally become his and Fei Qingping's.

Fei Qingping didn't expect that Chen Ping would be so disrespectful.

"Since you look down on my Holy Beast Palace so much, don't blame me. You killed my adopted son. You have to give me an explanation today..."

As soon as Fei Qingping finished speaking, the disciples from the Holy Beast Palace surrounded Chen Ping.

These are all senior disciples of the Holy Beast Palace, and each of them is in the realm of Wuzong.

"Palace Master, didn't you say you wouldn't avenge Xiang Chong?"

At this time, Xiao Da saw that Fei Qingping was about to attack Chen Ping, so he hurriedly stood in front of Chen Ping.

Fei Qingping frowned: "Elder Xiao, what do you mean?"

"Palace Master, when I invited Mr. Chen here, I promised not to trouble him about Xiang Chong, but now I'm going back on my word?"

"Even if Mr. Chen doesn't agree to stay in the Holy Beast Palace now, we can give him time to think about it. I believe he can make the right choice."

Xiao Da fights for another chance for Chen Ping.

It's not that Xiao Da has any friendship with Chen Ping, it's just that Xiao Da thinks he promised Chen Ping, and now Fei Qingping regrets it, which makes Xiao Da feel that he has broken his promise to Chen Ping!

"Elder Xiao, get out of here, have you forgotten your identity? You are the elder of the Holy Beast Palace..."

Fei Qingping roared angrily.

Chen Ping glanced at Xiao Da gratefully, and then said lightly: "Elder Xiao, you'd better get out of the way. What happened today has nothing to do with you..."

Xiao Da glanced at Chen Ping ashamedly, and finally had no choice but to move away.

Only Fei Qingping can make the decision in the Holy Beast Palace. Although he is an elder, he has no rights at all.

"Chen Ping, I will give you another chance. If you can hand over the treasures on your body, I will not hold you accountable for killing my adopted son."

Fei Qingping said to Chen Ping.

When Chen Ping heard this, he suddenly laughed. It turned out that Fei Qingping was not here to avenge Xiang Chong, but for the treasure on his body.

“If you have the ability, just come and get it yourself...”

After Chen Ping finished speaking, golden light flashed on his body, and pieces of scales quickly covered Chen Ping’s body.

Chapter: 1910

At this moment, Chen Ping was like a golden fighter.

“Humph, you don’t overestimate your capabilities...”

Fei Qingping snorted coldly: “Do it...”

The disciples from the Holy Beast Palace all rushed towards Chen Ping.

Chen Ping’s body shook slightly, and a terrifying spiritual energy burst out, directly knocking away the disciples of the Holy Beast Palace.

Some of those with low strength were shocked to the point where their internal organs were shattered and they became silent instantly.

Chen Ping is now a half-step Wuhou, and he is not afraid even when facing the new Wuhou. These Wusong are like ants to him!

Fei Qingping frowned: “It seems I underestimated you...”

After saying that, Fei Qingping's Wuhou Power exploded, and then he smashed his fists directly at Chen Ping.

Fei Qingping's fists were like giant hammers, tearing apart time and space.

Seeing this, Chen Ping dodged Fei Qingping's attack, but with this punch, Fei Qingping directly destroyed half of the villa.

"Chen Ping, I know you have an indestructible golden body, but under my iron fist, your indestructible golden body is completely useless..."

After Fei Qingping finished speaking, he punched him again.

Chen Ping frowned slightly, it seemed that being too famous was not a good thing.

Many details have been exposed on martial arts forums. As long as the other party does a little research, they can know their details.

"Holy Light Fist..."

Chen Ping's fist was wrapped in golden light, and then he punched forward.

Chen Ping also wants to try to see how far he has reached the peak of Wuhou.

Maybe following Fei Qingping's battle will give him a chance to break through!

boom!

The fists collided, and after a loud noise, the entire villa collapsed.

Chen Ping and Fei Qingping all soared from the ruins!

Then he landed on the mountainside not far away, and at this moment, a large number of disciples from the Holy Beast Palace saw this and all surrounded him.

“Don’t let anyone get close. If you get too close, you will die...”
