

The Order 191

Chapter: 191

The way Chen Ping was talking to Xing Jun just now made it obvious that the two of them didn't look like friends!

Everyone was a little confused. They really couldn't figure out where Chen Ping got the courage to hit Cui Zhiyuan, but Xing Jun didn't care!

Sun Xiaomeng kept rubbing Cui Zhiyuan's swollen cheeks and stared at Chen Ping with eyes full of anger!

Soon, several waiters walked in, carrying exquisite dishes one after another!

Every dish is valuable and very appetizing!

After seeing this table of dishes, everyone's eyes finally turned away from Chen Ping, and everyone's mouths were drooling!

Chen Ping picked up the chopsticks and took the first bite.

Although everyone wanted to say something about Chen Ping's actions, no one dared to speak at this time. After all, Xing Jun didn't say anything, what else could they say!

"Let's eat together, don't be restrained..."

After Xing Jun spoke, a group of people couldn't help but started to wolf down their food. They were just a bunch of migrant workers. How had they ever tasted such good food!

Wang Hanhan's eyes were burning when he looked at the delicious food in front of him, but he could control it and did not rush to grab it like others!

But this will be a big disadvantage. The food you originally wanted to eat was taken away by others in the blink of an eye!

Chen Ping saw that Wang Hanhan was a little embarrassed, so he started to pick up some food for Wang Hanhan: "Hanhan, you can eat more. It doesn't cost anything anyway. If you don't eat, you'll get nothing..."

Soon, Chen Ping filled Wang Hanhan's bowl with a full bowl!

Seeing Chen Ping like that, Xing Jun showed a bit of disdain. He wanted to know why Su Yuqi liked Chen Ping when he was like him?

During the meal, Xing Jun did not move his chopsticks, but kept looking at his watch, as if waiting for something!

"Brother Chen Ping, let me go to the bathroom..."

Wang Hanhan stood up and walked out of the private room!

After leaving for a few minutes, Wang Hanhan ran back in a panic, and sat down next to Chen Ping with a pale face!

"Hanhan, what's wrong?" Chen Ping asked.

"No...it's okay..." Wang Hanhan shook her head hastily!

But just as Wang Hanhan finished speaking, the door of the private room was suddenly kicked open, and four burly men walked in!

"Little girl, you ran away after hitting me and didn't even apologize to your brother?"

One of the big men said to Wang Hanhan.

Chapter: 192

“I...I didn't mean it, I'm sorry...”

Wang Hanhan was so frightened that she quickly stood up and followed several big men to apologize!

When the others saw someone suddenly barging in, they were all frightened. Only Xing Jun showed an imperceptible smile!

The person he was waiting for finally arrived!

These four big men are the people behind Liao Feixiong, whom Xing Jun had just seen!

“I'm sorry and that's it? You bumped into my brother, at least you have to pay him a drink!”

The big man said with a lewd smile!

“Then I'll give you a toast...”

Wang Hanhan is not afraid of drinking, and she also has the capacity to drink!

After pouring two glasses of wine, Wang Hanhan gave the big man a glass!

When the big man took the wine glass from Wang Hanhan's hand, he deliberately touched Wang Hanhan's hand, which made Wang Hanhan scream. Then the wine glass fell to the ground, and the wine inside also spilled on the big man!

“Damn it, you dare to throw wine at me?”

When the big man gets angry, he will be ready to take action!

Chen Ping stood up and pulled Wang Hanhan behind him, looked at the big man coldly and said, "I apologize to you on her behalf!"

The big man secretly glanced at Xing Jun, and Xing Jun winked desperately. The big man immediately understood that the person in front of him was the person Xing Jun wanted to deal with!

"Who do you think you are, apologizing for her?"

The big man reached out and grabbed Chen Ping's collar, preparing to carry Chen Ping out of the private room!

Now that they know who it is, they can pull him to a hidden place and kill Chen Ping directly. If they kill Chen Ping here, there will be too many people!

Chen Ping directly grabbed the big man's wrist and twisted it slightly, and the big man let go immediately in pain!

"I hate it when people grab my collar. This time I'm just giving you a warning..."

Chen Ping said calmly.

The big man looked at his red wrist, a bit of surprise flashed in his eyes!

Seeing Chen Ping dare to speak like this, Xing Jun was also a little surprised, but the more Chen Ping behaves like this, the faster he will die!

"Boy, are you trying to get ahead of yourself? Go out with me if you can..."

Chapter: 193

The big man said to Chen Ping.

“no problem.....”

Chen Ping said unfazed!

“Brother Chen Ping...” Seeing that Chen Ping was going to follow those people out, Wang Hanhan hurriedly pulled Chen Ping!

“Don’t worry, I’ll be back soon...”

Chen Ping smiled slightly at Wang Hanhan and walked directly outside!

Seeing Chen Ping walking out with several big men, Wang Hanhan hurriedly wanted to catch up, but was held back by Sun Xiaomeng!

“Hanhan, what are you doing out there? These people are very fierce. Since Chen Ping dares to go out, he must be sure...”

Sun Xiaomeng persuaded Wang Hanhan, but in her heart she wished that Chen Ping would be beaten to death!

When Xing Jun saw Chen Ping being taken away, the smile on his face became even stronger. He waved his hands towards the people who were already pale with fright and said: “Everyone, continue...”

Seeing Xing Jun say this, everyone sat back down and the atmosphere became lively!

“This guy Chen Ping had better be beaten to death...”

Cui Zhiyuan said fiercely!

His face is still hurting now, and he has long hated Chen Ping in his heart!

A group of people also echoed, no one cared about Chen Ping's safety, only Wang Hanhan was always worried!

After having another cheerful dinner in the private room, Chen Ping followed the four big men to the backyard!

Seeing that there were fewer and fewer people in the backyard, four big men directly surrounded Chen Ping!

Chen Ping looked at the four people and raised the corner of his mouth slightly: "The murderous aura in you is so strong, do you want to kill me?"

"Boy, if someone buys your life, don't blame our brothers. I can only blame you for your bad life. I will strike faster and save you from suffering!"

The big man who had just been pinched by Chen Ping said.

As soon as the words fell, the four big men took out their daggers and stared at Chen Ping with murderous eyes!

"I'm almost dead. Can you tell me who wants to buy my life?"

Chen Ping glanced at the daggers shining in the hands of the four big men, and then asked calmly.

"No, this is the rule!" One of the big men shook his head!

Chapter: 194

"Since I can't, then I'll ask your boss..."

As Chen Ping said, he was about to walk towards the manager's office upstairs!

The four big men were stunned. They didn't expect that Chen Ping was not afraid of them at all, and there was a bit of disdain on his face!

"court death....."

With that said, the four big men started to attack Chen Ping with their shining daggers!

Chen Ping didn't even look at the four people. He waved his palm lightly, and the four people's wrists suddenly felt hit hard by something, and then the dagger in their hands fell to the ground!

At this time, the four people were dumbfounded and watched in shock as Chen Ping walked into the building and then walked upstairs!

No one of them reacted just now, and they didn't even see Chen Ping touch them, but the dagger in his hand fell down, and there was a blood-red mark on everyone's wrist!

It wasn't until Chen Ping disappeared that the four big men realized what they were doing and hurriedly chased after Chen Ping!

At this time, in the manager's office, Liao Feixiong was looking out the window, holding a cigar in one hand and frowning slightly!

Originally, the underground forces in Hongcheng were divided into two. Juyitang and the Red Dragon Gang were equally powerful, and other small gangs could be ignored!

It's just that Feng Sihai, the leader of the Red Dragon Gang, was injured some time ago. All matters of the Red Dragon Gang have been handed over to Liao Feixiong. Now he dare not act rashly. Without Feng Sihai in charge, if Lin Tianhu leads people to attack, their Red Dragon Gang will really Can't be stopped!

Especially Liao Feixiong saw Chen Ping hurt Feng Sihai with his own eyes. Chen Ping's strength shocked Liao Feixiong deeply. He didn't know where Lin Tianhu found such a powerful helper!

However, Feng Sihai has also gone to find his master Ye Fengchun. As long as Ye Fengchun comes by then, the Red Dragon Gang and Juyi Hall will be equally powerful again!

Boom.....

Just as Liao Feixiong was looking out the window and thinking about the future of the Chilong Gang, there was a sudden loud noise and the office door was kicked open!

Liao Feixiong suddenly became angry. Before he could turn around, he cursed loudly: "You idiot, who could enter my office without knocking on the door?"

But as soon as Liao Feixiong finished speaking and turned his head, he was stunned, and then there was a look of fear in his eyes!

Because he saw Chen Ping, who injured Feng Sihai, standing in front of him!

Chen Ping didn't know Liao Feixiong. After all, Feng Sihai brought many people to Gu Wentian's banquet, but none of them took action. Only Feng Sihai followed Chen Ping and was injured by Chen Ping!

"Are you the manager of Xianhe Village?" Chen Ping asked, looking at the shocked Liao Feixiong.

Seeing that Chen Ping didn't know his identity, Liao Feixiong immediately nodded and said, "Yes, I am the manager. I wonder what's wrong with you?"

"Just now your men said that someone is buying my life. Let me come here and ask, who is buying my life?"

Chen Ping pulled up a chair and sat on it directly!

Chapter: 195

“Buy your life?” Liao Feixiong frowned slightly, but then his eyes suddenly opened and his whole person began to tremble slightly!

He remembered that Xing Jun asked him to kill someone. It couldn't be such a coincidence. Then the person Xing Jun wanted to kill was the devil in front of him, right?

Just when Liao Feixiong didn't know how to answer, the four big men also ran in in a hurry!

“Brother Xiong, this kid has some strength. The four of us are no match for him. He ran up to us...”

One of the big men said to Liao Feixiong!

At this moment, Liao Feixiong almost collapsed on the ground. It seemed that the person Xing Jun asked him to kill was really the Chen Ping in front of him!

Liao Feixiong regretted it. If you knew it was Chen Ping, you wouldn't dare to give him any amount of money, let alone one million!

Feng Sihai was so powerful, he couldn't have been defeated by Chen Ping's kick!

“Mr. Chen, I really don't know it's you. If you knew, I wouldn't dare even if you gave me a hundred courages!”

When Liao Feixiong saw this, he could only apologize after Chen Ping. This can be regarded as a person who has to bow his head under the eaves!

“You know me?” Chen Ping frowned slightly!

Liao Feixiong smiled awkwardly: "I met Mr. Chen once at the ancient banquet. Our gang leader was injured by Mr. Chen..."

"Since you know that I hurt Feng Sihai, why don't you seek revenge from me? Are you still so polite to me?" Chen Ping was very puzzled. Juyitang and the Chilong Gang have always been at odds, and now Chen Ping injured Feng Sihai again. Sihai, it stands to reason that the people from the Red Dragon Gang would be enemies if they saw him!

But the Liao Feixiong in front of him was polite to me and spoke very respectfully!

"Mr. Chen is joking. With Mr. Chen's ability, unless I don't want to live anymore, how can I dare to seek revenge from Mr. Chen..."

Liao Feixiong said matter-of-factly.

Chen Ping smiled. He didn't expect that Liao Feixiong was quite honest, a man who could bend and stretch, and he could be considered a hero!

"Now tell me, who wants to buy my life?"

Chen Ping asked.

"Xing Jun, he gave me one million to do this..." Liao Feixiong dared to hide it, he would not lose his life for any rules!

Chen Ping smiled coldly, he had already guessed that it was Xing Jun who did this!

Turning around and walking out of the office, Liao Feixiong realized that he was already soaked!

"Brother Xiong, is the gang leader really hurt by this guy? He looks too young..."

After Chen Ping left, a big man asked with a shocked face.

Chapter: 196

Liao Feixiong said with a gloomy face: "I'll tell you, no one is allowed to provoke this evil star for me until the gang leader comes back..."

"Understood!" nodded, and the four big men immediately went down to inform!

At this time, in the private room, Xing Jun and his people were already drinking to their heart's content. Xing Jun was very happy to see Chen Ping being taken away, and Cui Zhiyuan was also very happy!

If a general manager and a department manager are happy, how can the others be unhappy?

After drinking and eating, Xing Jun stood up and waved his hand: "That's it for today. We have to work tomorrow. I hope your sales department will continue to work hard..."

Xing Jun drank a lot because he was happy, and his face turned red!

Since Xing Jun announced that they were leaving, no one dared to stay, so they all got up and prepared to leave!

"Brother Chen Ping hasn't come back yet, shouldn't we wait for him?"

Seeing that everyone was about to leave, Wang Hanhan asked anxiously.

"Wang Hanhan, didn't you hear what Mr. Xing said? Let's go back to rest and have a good job tomorrow. Do you want to disobey Mr. Xing?"

Cui Zhiyuan shouted at Wang Hanhan!

Wang Hanhan looked nervous. She didn't dare to disobey Xing Jun, but she was worried about Chen Ping's safety!

"Hanhan, don't worry about Chen Ping. Maybe this guy has sneaked back already. Let's go back first..."

Sun Xiaomeng persuaded Wang Hanhan!

When Wang Hanhan saw this, he could only go back and take a look before talking!

Xing Jun on the side raised the corner of his mouth slightly and sneered in his heart: "Chen Ping will never go back."

But just when everyone was about to leave, the door of the private room was pushed open and Chen Ping walked in!

"Chen Ping?"

Everyone was stunned when they saw Chen Ping come in. They thought that Chen Ping would have been beaten to the point of being unable to move when he left!

The one who was even more surprised was Xing Jun. He had already agreed to help him get rid of Chen Ping, so why did Chen Ping suddenly appear again?

"Brother Chen Ping..."

When Wang Hanhan saw Chen Ping back, she rushed forward happily!

"You...how did you come back?"

Xing Jun asked in disbelief.

Chapter: 197

Chen Ping smiled coldly: "After the matter is resolved, of course I will come back. Doesn't General Manager Xing want me to come back?"

Xing Jun looked at the playful look in Chen Ping's eyes. He didn't know why, but his body trembled. He quickly calmed down and said, "If there is anything I hope or don't hope for, just come back when you come back!"

"Chen Ping, you came back at a bad time. We are already full. If you want to eat, there are some leftovers here. You can eat them. The rest is a waste..."

Cui Zhiyuan looked at Chen Ping with a mocking look on his face and said!

Everyone else also laughed, and the laughter was full of sarcasm towards Chen Ping!

"Why, your mouth doesn't hurt anymore?" Chen Ping looked at Cui Zhiyuan and sneered!

Cui Zhiyuan was stunned. He was so frightened that he backed away and covered his face with his hands!

"Zhiyuan, ignore him, let's go..."

Sun Xiaomeng was also afraid that Chen Ping was taking action, so she pulled Cui Zhiyuan away!

Everyone also walked out of the private room one after another, and in the end only Chen Ping and Wang Hanhan were left!

"Brother Chen Ping, if you are hungry, let's go to the food stalls and don't eat their leftovers..."

Wang Hanhan said to Chen Ping.

“You haven’t eaten enough either?” Chen Ping looked at Wang Hanhan in surprise and asked.

“You were taken away just now, and I was worried about you, so...”

Wang Hanhan lowered her head. She was worried about Chen Ping’s safety just now, so she didn’t eat much!

Seeing Wang Hanhan like that, Chen Ping felt a little guilty and said with a faint smile: “Let’s go eat at a food stall...”

Chen Ping took Wang Hanhan out!

Outside Xianhe Village, Cui Zhiyuan respectfully opened the car door for Xing Jun: “Mr. Xing, get in the car...”

Xing Jun stepped forward with one foot, but finally stepped back and said: “You guys go first, I forgot that there are some things to deal with!”

Xing Jun wants to go up and ask Liao Feixiong what’s going on. If it doesn’t work out, he wants his money back!

“If General Manager Xing has something to do, I can help you handle it...”

At this time, Chen Ping came out with Wang Hanhan and said with a slight smile on his face!

“Chen Ping, who do you think you are? You can also handle Mr. Xing’s affairs...” Cui Zhiyuan snorted coldly, and then respectfully said to Xing Jun: “Mr. Xing, if you have anything, I can help you handle it. ...”

“Some of my personal matters, please leave first...”

Chapter: 198

After Xing Jun finished speaking, he glanced at Chen Ping and turned back to Xianhe Village!

“Chen Ping, didn’t you come here as a Bentley? Now let’s go, will you have a Bentley to pick you up? I haven’t seen a Bentley yet. Can you ask your friend to drive over and let me see it...”

Wang Lanlan suddenly said to Chen Ping with a mocking expression.

“Yes, I want to see Bentley too!”

“I really want to know what this so-called friend Chen Ping looks like...”

“Don’t be a Bentley when you come here, and ride an electric donkey when you go back!”

Everyone also laughed at Chen Ping!

“Why should I let you see it?” Chen Ping sneered!

“You are just bragging, you have no friends who buy Bentleys at all!”

“The cost of pretending is too low now. If pretending broke the law, he would have been arrested long ago!”

“Even if it’s not illegal to show off, he has already been caught. You forgot that Chen Ping just came out of prison!”

Everyone sang in unison and attacked Chen Ping. They did this entirely to please Cui Zhiyuan!

“I know that Chen Ping was cuckolded directly after he was released from prison. With such ability, why should he brag in front of us?”

Everyone in Cui Zhiyuan said this, and they suddenly swelled up. They forgot about the painful scene just now and mocked Chen Ping!

Chen Ping's face suddenly turned cold, and then he waved his palms!

Seeing that Chen Ping was about to take action, Cui Zhiyuan realized that he was afraid. He was so frightened that he hurriedly covered his face with his hands and actually hid behind Sun Xiaomeng!

"Chen Ping, what are you doing? If you dare to do anything again, I will never be done with you..."

Sun Xiaomeng glared at Chen Pingdao!

"Brother Chen Ping, forget it..." Wang Hanhan also held Chen Ping's arm tightly!

Chen Ping looked at Sun Xiaomeng like that and finally put his hand down.

If he and Sun Xiaomeng get too stalemate, then when Sun Fuhai talks to his parents, their parents will definitely be worried!

Seeing Chen Ping put down his hand, Cui Zhiyuan straightened his back instantly, but he didn't dare to say anything!

At this moment, a Bentley drove quickly and stopped steadily in front of everyone!

After everyone saw this Bentley, they were all stunned for a moment!

Chapter: 199

Chen Ping was also slightly stunned. He didn't expect that Lin Tianhu had been waiting for him!

After Wang Hanhan saw this Bentley, he immediately shouted happily: "This is the one. Brother Chen Ping came here in this car..."

After the Bentley stopped, a young man in a suit got out. After walking up to Chen Ping, he said respectfully: "Mr. Chen, please get in the car..."

Chen Ping smiled slightly. He didn't expect that Lin Tianhu would send someone to pick him up. It seemed that he knew that he was afraid that others would find out about his relationship. After all, Lin Tianhu's reputation in Hongcheng was not very good!

"Hanhan, let's get in the car and go eat at a food stall..."

Chen Ping said calmly to Wang Hanhan!

Wang Hanhan's eyes were filled with surprise, and she nodded happily. She had never ridden in a Bentley before!

After getting in the car, Chen Ping rolled down the window deliberately, looked at everyone with a sneer on his face and said, "I'm leaving first..."

Soon, the Bentley drove away, leaving only Cui Zhiyuan and a group of people standing dumbly!

"Damn, this guy really rides a Bentley, this is so awesome..."

"Isn't this Bentley really his friend?"

Everyone sighed!

"Hmph, what a cool thing, didn't you just rent a Bentley car, bah..."

Cui Zhiyuan spat hard, got in the car and left!

When everyone saw this, they dispersed in a hurry and went back to their homes!

In Xianhezhuang's office, Xing Jun found Liao Feixiong with a bit of anger on his face!

"Brother Xiong, I have always heard that the Red Dragon Gang has very strict rules and never fails to do what they promised. How come Chen Ping is still alive today and not injured at all?"

Xing Jun asked Liao Feixiong.

Facing Xing Jun's questioning, Liao Feixiong stood up slowly. After walking into Xing Jun, he immediately slapped Xing Jun hard on the face and knocked Xing Jun to the ground!

As soon as Xing Jun fell to the ground, four big men held daggers on Xing Jun's neck. This scared Xing Jun badly!

"You idiot, you almost killed me, and you still dare to ask me to accuse you. If it weren't for your one million dollars, I would throw you into the river today to feed the fish..."

Liao Feixiong roared loudly at Xing Jun!

This moment made Xing Jun almost stupid. He didn't understand what was wrong with Liao Feixiong and why he was suddenly so angry with him.

"Brother Xiong, I...I don't dare to harm you, but if the matter doesn't work out, you should give me the one million. You can't..."

Chapter: 200

Before Xing Jun finished speaking, a big man's dagger was slightly forceful, and blood instantly flowed from Xing Jun's neck!

“Why are you talking to Brother Xiong? Don’t you know our rules? Once you have the money in your hand, you can’t take it out again!”

The big man roared with a ferocious expression!

This frightened Xing Jun. He felt the cold dagger at his neck and no longer dared to say a word, let alone ask for money!

“Go away, if I hear a word of what happened today from someone else’s mouth, I will kill you...”

Liao Feixiong threatened Xing Jun!

After all, although their business is not a serious business, it still requires credibility. If word of this gets out, who will come to them to handle matters!

If he hadn’t been dealing with Chen Ping this time, Liao Feixiong wouldn’t have been like this!

Xing Jun was thrown out, and he looked a little lost!

The one million that I had worked so hard for was gone, and in the end, Chen Ping was not harmed, and he was not even injured!

Xing Jun felt such a loss!

“Ah...” Xing Jun walked out of Xianhe Village and roared with all his strength, discovering the dissatisfaction in his heart!

.....

Yuhua Street is a famous snack street in Hongcheng!

It's hard to see anyone here during the day, but at night, it's bustling with food stalls lining both sides of the road.

Chen Ping followed Wang Hanhan to find a food stall and sat down. After ordering something he liked, he waited slowly!

Because there are too many people, you need to wait a little longer!

"Brother Chen Ping, that Bentley was so comfortable just now. Is it really your friend's?"

Wang Hanhan asked Chen Ping excitedly.

"Of course, why did I lie to you? The driver who just drove was my friend's driver..."

Chen Ping was not lying. Although Lin Tianhu was Chen Ping's subordinate, he was still a friend!

"What kind of business does your friend do? He is so rich..."

Wang Hanhan was very curious about what Chen Ping's friends did!

"I don't know, he's just engaged in some trade or something. He's still single, but he's a little older. Otherwise, I would introduce him to you..."
