

The Order 1921

Chapter: 1921

Ning Dahai's strength is too strong and cannot be compared to his half-step Wuhou.

"No wonder you are capable of destroying the Ning family and hurting my son. There are not many young people as strong as you."

"It's a pity that you are about to die, and there is another genius missing from the world. It's not good for you to offend anyone, but you offend my Ning family..."

After Ning Dahai finished speaking, he didn't give Chen Ping a chance to breathe. A huge palm struck Chen Ping with overwhelming force.

The energy contained in Ning Dahai's move was more powerful than a bomb.

Moreover, Ning Dahai was extremely fast, and an afterimage flashed away, and then appeared in front of Chen Ping.

Before Chen Ping could react, Ning Dahai slapped Chen Ping on the chest.

Chen Ping's body instantly flew backwards like a kite with its string broken, and large scales on his chest fell off and disappeared.

"Brother Chen..."

"Mr. Chen..."

Seeing Chen Ping being knocked away by a palm, both Xiao Min and Ji Ruxue were filled with nervousness.

Chen Ping fell heavily to the ground, then looked at the two people and said: "Don't come over..."

At this time, Chen Ping's chest had collapsed, and it was obvious that several ribs were broken!

There was blood overflowing from the corner of his mouth, and the energy and blood in Chen Ping's body were flowing everywhere!

The strength of Ning Dahai's palm exceeded Chen Ping's imagination.

Fortunately, he had an indestructible golden body to protect him, and Chen Ping's physical body was also very strong, so he didn't cause more damage.

Chen Ping wiped the blood from the corner of his mouth and stood up slowly.

Ning Dahai looked at Chen Ping, frowning slightly, a little surprised: "You can resist my palm. It seems that your body is strong enough..."

Ning Dahai is not a newly promoted Wuhou. He has been a Wuhou for six or seven years. Otherwise, even if the Ning family does not join the martial arts alliance, no other sect family would dare to provoke him?

Ning Dahai is considered a veteran Wuhou, and he was already well-known in Kyoto.

However, he did not expect that his palm could not kill Chen Ping.

"You are too weak..."

Chen Ping looked at Ning Dahai coldly. Although Ning Dahai's strength far exceeded him, Chen Ping would never give in or give in.

Ning Dahai's face turned cold. He didn't expect that Chen Ping, a guy with a tough mouth, would dare to say such things.

Chapter: 1922

"I told you to be tough, just go to hell..."

Ning Dahai had an angry look on his face, and then he disappeared in an instant. Almost in an instant, he was in front of Chen Ping.

Chen Ping had been staring at Ning Dahai for a long time, not daring to be distracted at all. When Ning Dahai moved, the hair on Chen Ping's body had already stood up.

"Holy Light Fist....."

Chen Ping shouted angrily, even though he hadn't seen Ning Dahai yet, Chen Ping had already punched out.

Chen Ping knew that by the time he saw Ning Dahai's figure, it would be too late to take action.

Chen Ping's fist was wrapped in golden light, and a swimming golden dragon wrapped around his arm.

The power of the dragon was brought into full play by Chen Ping.

"The power of the dragon..."

Ning Dahai's eyes narrowed slightly, and then he slapped Chen Ping's chest hard.

This palm contains all the inner strength of Ning Dahai. Not to mention Chen Ping, a half-step Wuhou, even a real Wuhou would not dare to follow Ning Dahai and resist!

boom.....

With a loud noise, Chen Ping's arms twisted instantly and his body flew out.

But Ning Dahai did not stand still this time. His body shook and he felt pain in his palms!

Ning Dahai looked surprised in his eyes and looked at Chen Ping in disbelief.

"The power of the divine dragon is indeed extraordinary..."

Ning Dahai looked at Chen Ping with greed in his eyes.

Chen Ping looked at his twisted arm and pulled his other hand instantly to restore the twisted arm.

He had just mobilized almost all the power of the divine dragon to be able to block Ning Dahai's palm.

But now Chen Ping knows that the power of the dragon in his body cannot support him to fight.

"Boy, hand over the dragon crystal on your body, and I'll let you die a happy death. What do you think?"

Ning Dahai also became interested in the dragon crystal in Chen Ping's body.

"How can a person like you get dragon crystal? You and your son are both robbers. Your entire Ning family is the stuff of male thieves and female prostitutes..."

Chen Ping insulted Ning Dahai.

Chapter: 1923

"Little beast, you are looking for death..."

Ning Dahai's face was cold, and the anger in his body kept rising.

As the head of the Ning family, who dared to talk to him like this or scold him?

Immediately afterwards, Ning Dahai thrust out both palms and rushed towards Chen Ping with great energy.

"Little beast, I will destroy your bones and muscles, crush your Dantian, and make you suffer for the rest of your life..."

Ning Dahai roared, filled with murderous intent!

Chen Ping had a cold face, not daring to show any slightness. The dragon crystal in his body shone with golden light, and a golden dragon hovered above Chen Ping's head!

All the power of the divine dragon was released by Chen Ping, and he knew that he needed to fight hard, otherwise he would not be able to bear it at all.

Ning Dahai looked at the golden dragon hovering above Chen Ping's head. He was slightly stunned, but did not stop. His palms turned into endless strong winds, which seemed to smash Chen Ping into pieces.

Chen Ping raised both fists and faced him fiercely.

There is no use in evading, Chen Ping can only fight head-on now...

boom!

Smoke and dust rose everywhere, the earth trembled, and huge power spread out. Even Ji Ruxue and the others, hundreds of meters away, felt the immense pressure and hurriedly used their skills to resist!

When the smoke and dust dispersed, a big pit appeared on the ground, and the golden light from Chen Ping's body disappeared, replaced by bloody scars!

Chen Ping's strength is still far behind that of Ning Dahai. Even if he exerts all the power of the dragon, he still cannot withstand Ning Dahai's attack.

Chen Ping was lying in the pit, looking at the sky with dull eyes. The sky at this moment had become gray.

Gritting his teeth, Chen Ping slowly stood up.

Even though his whole body was now covered in scars, Chen Ping still stood up.

When Ning Dahai saw that Chen Ping could still stand up, his whole body was shaking with anger.

If this spreads out, how can Ning Dahai have the face to see others?

A veteran Wuhou, against a young man who was half a Wuhou, could not kill him with three moves. This was too embarrassing to tell.

"I don't believe it, you are an invincible Xiaoqiang..."

Ning Dahai gritted his teeth, bursts of red light appeared on his palms, and then the red light flashed, making the sun shine down.

Immediately afterwards, the red light shot out towards Chen Ping like a sharp sword!

Chapter: 1924

Then the red light burst into a shower of swords, directly covering Chen Ping.

When Chen Ping saw this, he knew that he had no way to dodge, so he closed his eyes, and the spiritual power in his body formed a faint mist around his body, trying to block these sword rains!

Puff puff.....

The sword rain hit Chen Ping's body one after another. The light mist formed by Chen Ping's spiritual power could not stop the sharp sword rain at all.

He was defeated in an instant, and then wounds were shot out on Chen Ping's body!

Chen Ping's body was almost penetrated by these sword rains, and the blood dyed Chen Ping into a bloody man.

And the spiritual power in his body was instantly dissipated, and the bones of his limbs were also cut off!

Chen Ping fell heavily to the ground, looking at Ning Dahai with scarlet eyes.

Even at this time, there was no trace of fear in Chen Ping's eyes.

Seeing Chen Ping like this, there was still fighting intent in his eyes.

This made Ning Dahai feel that he had been challenged and despised...

"I will let you slowly experience death..."

As soon as Ning Dahai stretched out his hand, a huge suction force directly sucked Chen Ping from the deep pit to Ning Dahai's hand.

Chen Ping gritted his teeth, and the Heart Condensation Technique in his Dantian was running wildly, hoping to mobilize his spiritual power and take this good opportunity to strike Ning Dahai.

It's a pity that the spiritual energy in Chen Ping's body seems to have collapsed and cannot be condensed at all.

Ning Dahai held Chen Ping in one hand, with a sinister smile on his face.

Chen Ping's face became more and more ugly...

"Don't worry, I suddenly don't want to kill you anymore. I want you to live in pain for the rest of your life. You are my son and live a life of neither human nor ghost. I can't make it easy for you..."

Ning Dahai said and threw Chen Ping to the ground.

Then Ning Dahai stepped on Chen Ping's head and looked at Chen Ping indifferently.

"Old man, if you can, kill me. As long as I breathe, I will let your Ning family perish forever..."

Chen Ping stared at Ning Dahai and said.

"You little beast, you're already like this, and you still dare to be so harsh..."

Ning Dahai was furious, and then kicked Chen Ping.

Chapter: 1925

Chen Ping's body was like a ball, kicked away by Ning Dahai.

Chen Ping's internal organs were tumbling, and blood spurted out of his mouth!

Then Ning Dahai walked up to Chen Ping and kicked him out again.

Just like that, one kick after another!

Ning Dahai regarded Chen Ping as a ball.

Chen Ping was already a bloody mess at this moment, and no part of his body was intact.

“Brother Chen.....”

Seeing Chen Ping’s miserable situation, Xiao Min couldn’t help it and wanted to rush out, but was pulled by Ji Ruxue.

“Don’t go there...”

Ji Ruxue held Xiao Min tightly.

“Don’t move, don’t move...”

Chen Ping tried his best and shouted at Xiao Min and Ji Ruxue.

Every word spurted out a mouthful of blood.

Ning Dahai beat Chen Ping, but he avoided the vital points. What he wanted now was not that Chen Ping died, but to make him suffer!

Chen Ping’s consciousness began to become blurry at this moment, and his vision was hazy!

Soon, Su Yuqi and his mother appeared in Chen Ping’s mind. Although he couldn’t see his mother’s face clearly, the feeling of closeness made Chen Ping very comfortable.

The previous scenes appeared in Chen Ping's mind like a movie.

"Am I really going to die?"

Chen Ping screamed deep in his heart and wanted to resist, but his body was already motionless.

Ning Dahai didn't know how long he tortured Chen Ping. Anyway, not a single bone in Chen Ping's body was intact.

Seeing Chen Ping dying, Ning Dahai felt a little tired.

"You little beast, just lie in bed like this and live your whole life..."

After Ning Dahai finished speaking, he slapped Chen Ping's abdomen with his palm.

The huge force instantly shattered Chen Ping's dantian, and the golden elixir above his dantian also shattered into countless pieces!

Chapter: 1926

Every trace of life in Chen Ping's body disappeared in an instant.

Chen Ping also closed his eyes and passed out.

When Ning Dahai saw this, he hurriedly kicked Chen Ping and frowned: "Damn, he's dead? How could he be dead?"

Ning Dahai didn't expect that Chen Ping was so resistant that his Dantian was destroyed and he died...

This makes Ning Dahai a little regretful. Chen Ping died before the dragon crystal in his body was taken out, and there was no way to take out the dragon crystal.

Ning Dahai glanced at the people in the Red Lotus Palace, but did not take action against them. It was not that Ning Dahai was merciful, but that he was a veteran Wuhou. If he took action against such a small sect, he would be ridiculed.

Ning Dahai didn't bother to take action, and there was no need to take action!

"let's go....."

Ning Dahai saw that Chen Ping was no longer alive, so he waved his hand and led the people away.

Walking back to Ninghai, Xiao Min and Ji Ruxue pounced on him instantly.

"Brother Chen..."

"Mr. Chen..."

Xiao Min and Ji Ruxue cried bitterly. Seeing Chen Ping like that, they couldn't bear it anymore.

"Sister, hurry up and save Brother Chen..."

Xiao Min begged Ji Ruxue.

Ji Ruxue looked at Chen Ping like that. All the bones in his body were broken. Even his Dantian was shattered. How could he save him?

Even if Chen Ping is revived, he may be worse off than dead in the future.

"Sister, please save Brother Chen?"

Seeing that Ji Ruxue still didn't save Chen Ping, Xiao Min shook Ji Ruxue's arm.

"Xiao Min, Mr. Chen is dead, he is dead..."

Ji Ruxue said with tears.

"No, it's impossible, Brother Chen won't die..."

Xiao Min cried bitterly and shook Chen Ping's body desperately: "Brother Chen, wake up, wake up..."

But no matter what Xiao Min did, Chen Ping kept his eyes closed and remained motionless!

Chapter: 1927

Ji Ruxue bit her lip. She was very sad and wanted to cry, but in front of everyone in Honglian Palace, as the palace master, she couldn't be the same as Xiao Min.

"Someone, carry Mr. Chen in..."

Ji Ruxue sent someone to carry Chen Ping into the Honglian Palace!

At this moment, Chen Ping was placed in Ji Ruxue's yard, and Ji Ruxue blocked everyone away!

Ji Ruxue gave Xiao Min some pills to stabilize her mood and rest.

Ji Ruxue faced Chen Ping alone, fetched a basin of water, and began to slowly wipe Chen Ping's body.

Tears fell down Ji Ruxue's face. Although she had known Chen Ping for a short time, Ji Ruxue knew that Chen Ping had already lived in her heart.

“Don’t worry, I will wipe you clean and won’t let you leave like this...”

Ji Ruxue murmured to herself while wiping!

At this time, Chen Ping seemed to be in chaos.

He wanted to open his eyes and control his body, but he couldn’t do it.

It’s as if consciousness and body have become separated.

“Am I really dead?”

Chen Ping’s eyes were filled with white chaos, and he couldn’t figure out whether he was alive or dead.

I don’t know how long it took, but Chen Ping’s body was wiped clean by Farewell Concubine Ruxue.

Ji Ruxue, an indifferent girl, put aside her shame and wiped Chen Ping’s whole body.

It’s dark, and the full moon has risen.

Ji Ruxue was still sitting beside Chen Ping blankly, sitting quietly like this, looking at Chen Ping quietly.

Until midnight, Ji Ruxue still didn’t move!

Several elders called her several times to let her rest, but Ji Ruxue didn’t move at all.

A breeze blew by, and suddenly a soft moonlight shone on Chen Ping’s body.

The dantian in Chen Ping's body was healing, but the broken golden elixir did not come together, but kept changing. Soon the fragments of the golden elixir turned into a small golden man, standing above Chen Ping's dantian.

boom.....

Chen Ping, who had been in chaos, suddenly felt his eyes light up.

Chapter: 1928

When he opened his eyes, he found a soft moonlight shining on him.

Chen Ping was a little surprised. He didn't know how much time had passed. He turned his head slightly and found Ji Ruxue sitting next to him.

Ji Ruxue's eyes were very red, and she had obviously been crying for a long time.

"If you leave, I may not like any man again in this life."

"You are the only man who makes me fall in love, and the only man who sincerely helps me but is not greedy for my body."

"Waiting for tomorrow, I will bury you in a glorious manner, and bury you in the Red Lotus Palace."

"Don't worry, I will visit you every day and burn paper for you..."

Ji Ruxue's eyes were dull and she muttered to herself!

She didn't notice at all that Chen Ping had opened his eyes at this moment.

"If you like me so much, why do you want to bury me alive?"

Chen Ping looked at Ji Ruxue and smiled lightly.

Chen Ping had already heard from Ji Ruxue's words that they all thought they were dead.

In fact, Chen Ping himself thought he was dead, but he didn't want to come back to life.

Chen Ping's words made Ji Ruxue instantly startled and jumped up from her chair.

When she saw Chen Ping looking at her with a smile, Ji Ruxue was stunned.

After a while, Ji Ruxue reacted and threw herself into Chen Ping's arms.

"It turns out you're not dead, it turns out you're not dead..."

Ji Ruxue cried with joy.

Chen Ping wanted to raise his hand and pat Ji Ruxue gently, but found that he couldn't move his hand at all.

Chen Ping was shocked and hurriedly tried to sit up, but found that he couldn't move his legs.

Apart from controlling his head, he couldn't control his whole body at all.

At this time, Chen Ping panicked.

Chen Ping hurriedly checked it carefully, and he was surprised to find that the golden elixir in his body turned into a little golden man.

The little golden man is so lifelike that he looks exactly like himself!

Chapter: 1929

“This...is this the Nascent Soul?”

Chen Ping was so excited that he almost shouted.

He didn't expect that he would be a blessing in disguise and break through to the realm of Nascent Soul.

At this time, Chen Ping thought of the last battle with Ning Dahai.

Ning Dahai shattered his dantian and golden elixir!

“Does breaking through the Nascent Soul realm require breaking the Golden Core?”

Chen Ping was thinking: “Maybe this is called neither breaking nor establishing, right?”

Chen Ping seemed to know why he was always unable to break through. He had never thought about breaking through his golden elixir, let alone the Nascent Soul. He needed such an opportunity!

Now Chen Ping is like a pony crossing the river. He needs to explore many things by himself.

Ji Ruxue raised her head and looked at Chen Ping who had come back to life, not to mention how happy she was.

“Stop crying and help me up...”

Chen Ping said to Ji Ruxue.

After hearing this, Ji Ruxue was stunned and said: "Chen Ping, you can't get up, so you can only lie down. All the bones in your body are broken..."

Chen Ping frowned. No wonder he couldn't control his body. It turned out that all the bones in his body were broken.

Then what's the use of breaking through to the realm of Nascent Soul?

Seeing Chen Ping like that, Ji Ruxue said quickly: "Don't worry, I will go find a doctor for you. Even if I can't cure you, I will support you and protect you for the rest of your life..."

Seeing Ji Ruxue like this, Chen Ping had mixed emotions in his heart and couldn't tell what he was feeling.

He could see that Ji Ruxue was sincere to him, but Chen Ping did not dare to be tempted by Ji Ruxue.

Su Yuqi was still suffering, and he had to rescue Su Yuqi.

If Su Yuqi can accept Ji Ruxue by then, she may be tempted by Ji Ruxue.

At this moment, a dark cloud suddenly came from the sky and covered the moon in the sky.

The soft moonlight on Chen Ping also disappeared.

Click.....

Suddenly, a bolt of lightning struck down, hitting Chen Ping squarely.

Chapter: 1930

In an instant, Chen Ping's skin and flesh were torn apart, and a burnt smell filled the air.

“Chen Ping...”

Ji Ruxue was shocked. Chen Ping finally survived, but was struck to death by lightning again.

Ji Ruxue wanted to step forward and carry Chen Ping into the room.

“Don’t move, stay back, this is a thunderstorm...”

Chen Ping shouted at Ji Ruxue, telling Ji Ruxue to retreat!

Chen Ping knew that this was a thunder tribulation. Since he had broken through to the Nascent Soul realm, there would definitely be a thunder tribulation.

At this time, Chen Ping was facing Lei Jie extremely outward.

After the thunder tribulation, the physical body will be reshaped, and by then the broken bones on Chen Ping’s body will become intact as before.

And after the thunder tribulation, Chen Ping’s physical body will become even stronger!

“Thunder Tribulation?”

Ji Ruxue was confused and didn’t understand what thunder tribulation was.

After all, a warrior does not need any thunder tribulation to cross a realm, so it is normal for Ji Ruxue not to know.

Chen Ping’s consciousness instantly entered the body and found that the Nascent Soul was also struck by a bolt of lightning at this moment.

Then the Nascent Soul emitted bursts of golden light!

Chen Ping's body also began to flicker with light, and a terrifying aura fell from the sky!

Click.....

Another thunderstorm hit Chen Ping's body hard.

This lightning disaster was extremely powerful, and the huge energy blew Ji Ruxue away.

"Quick, hide in the room..."

Chen Ping shouted to Ji Ruxue.

Ji Ruxue was a little confused at this moment and hurriedly rushed into the room.

Two lightning strikes almost turned Chen Ping's body black, like a burned mummy.

And after this thunder disaster, the light emitted by the Nascent Soul in Chen Ping's body surged again!
